Each Lender hereby agrees that it will require any transferee of any of such Lender's interests in its Term Loans to irrevocably appoint and authorize the Administrative Agent as such transferee's Administrative Agent in accordance with the terms hereof. Notwithstanding the use of the term "agent," it is expressly understood and agreed that the Administrative Agent shall not have any fiduciary responsibilities to any Lender by reason of this Agreement and that the Administrative Agent is merely acting as the representative of the Lenders with only those duties as are expressly set forth in this Agreement and the other Loan Documents. The Borrowers, on behalf of the Loan Parties, and each of the Lenders hereby agrees to assert no claim against the Administrative Agent on any agency theory or any other theory of liability for breach of fiduciary duty, all of which claims the Borrowers and each Lender hereby waives.

**8.2** **Power**. The Administrative Agent shall have and may exercise such powers under this Agreement and any other Loan Documents as are specifically delegated to the Administrative Agent by the terms hereof or thereof, together with such powers as are reasonably incidental thereto. As to any matters not expressly provided for by the Loan Documents (including enforcement or collection of the Notes), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions shall be binding upon all Lenders and all holders of the Notes; provided, however, that the Administrative Agent shall not be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to any Loan Document or applicable law. The Administrative Agent shall not have any implied duties or any obligation to take any action under this Agreement or any other Loan Document except such action as is specifically provided by this Agreement or any other Loan Document to be taken by the Administrative Agent.

**8.3** **Interest Holders**. The Administrative Agent may treat each Lender, or the Person designated in the last notice filed with the Administrative Agent, whether under Section 9.3 or 9.9, or otherwise hereunder, as the holder of all of the interests of such Lender in its Term Loans until written notice of transfer, signed by such Lender (or the Person designated in the last notice filed with the Administrative Agent) and by the Person designated in such written notice of transfer, in form and substance satisfactory to the Administrative Agent, shall have been filed with the Administrative Agent.

**8.4** **Employment of Counsel; etc**. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document, and any instrument, agreement or document executed, issued or delivered pursuant or in connection herewith or therewith, by or through employees, agents and attorneys-in-fact and shall not be answerable for the default or misconduct of any such employee, agent or attorney-in-fact selected by it with reasonable care (other than employees, officers and directors of the Administrative Agent, when acting on behalf of the Administrative Agent). The Administrative Agent shall be entitled to rely on advice of counsel (including counsel who are the employees of the Administrative Agent) selected by the Administrative Agent concerning all matters pertaining to the agency hereby created and its duties under any of the Loan Documents.

**8.5** **Reliance**. The Administrative Agent shall be entitled to rely upon and shall not be under a duty to examine or pass upon the validity, effectiveness, genuineness of this Agreement, any other Loan Document or any notice, consent, waiver, amendment, certificate, affidavit, letter, telegram, statement, paper, document or writing furnished pursuant to this Agreement or any other Loan Document, and the Administrative Agent shall be entitled to assume (absent actual knowledge to the contrary) that the same are valid, effective and genuine, have been signed or sent by the proper Person(s) and are what they purport to be. The Administrative Agent shall be entitled to assume that no Default has occurred and is continuing unless it has actual knowledge, or has been notified in writing by the Borrower Agent, of such fact, or has been notified by a Lender in writing that such Lender considers that a Default has occurred and is continuing, and such Lender shall specify in detail the nature thereof in writing. The Administrative Agent shall not be liable hereunder for any action taken or omitted to be taken except for its own gross negligence or willful misconduct. The Administrative Agent shall provide promptly each Lender with copies of such documents received from the Borrower Agent pursuant to the terms of this Agreement or any other Loan Document as such Lender may reasonably request.

**8.6** **General Immunity**. Neither the Administrative Agent nor any of the Administrative Agent's directors, officers, agents, attorneys or employees shall be liable or responsible in any manner to any Loan Party, any Lender or any other Person for any action taken or omitted to be taken by it or them under the Loan Documents or in connection therewith except for any liability imposed by law for its own willful misconduct or gross negligence. Without limitation on the generality of the foregoing, the Administrative Agent: (a) shall not be responsible to any Lender for any recitals, statements, warranties, representations, or failure or delay of performance under the Loan Documents or any agreement or document related thereto or for the financial condition of the Loan Parties; (b) shall not be responsible for the authenticity, accuracy, completeness, value, validity, effectiveness, due execution, legality, genuineness, enforceability or sufficiency of any of the Loan Documents, any provisions thereof or any document contemplated thereby; (c) shall not be responsible for the validity, genuineness, creation, perfection or priority of any of the Liens created or reaffirmed by any of the Loan Documents, or the validity, genuineness, enforceability, existence, value or sufficiency of any Collateral or other security; (d) shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, covenants or conditions of any of the Loan Documents on the part of the Loan Parties or of any of the terms of any such agreement by any party thereto and shall have no duty to inspect the property (including the books and records) of the Loan Parties; (e) shall incur no liability under or in respect of any of the Loan Documents or any other document or Collateral by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, cable or telex) furnished pursuant to this Agreement or any other Loan Document; (f) shall incur no liability to the Loan Parties or any other Person as a consequence of any failure or delay in performance by, or any breach by, any Lender or Lenders of any of its or their obligations under this Agreement; and (g) may consult with legal counsel (including counsel for the Borrowers), independent public accountants and other experts selected by the Administrative Agent.

**8.7** **Credit Analysis**. Each Lender has made, and shall continue to make, its own independent investigation or evaluation of the operations, business, property and condition, financial and otherwise, of the Loan Parties in connection with the making of its commitments hereunder and has made, and will continue to make, its own independent appraisal of the creditworthiness of the Loan Parties. Without limiting the generality of the foregoing, each Lender acknowledges that prior to the execution of this Agreement, it had this Agreement and all other Loan Documents and such other documents or matters as it deemed appropriate relating thereto reviewed by its own legal counsel as it deemed appropriate, and it is satisfied with the form and substance of this Agreement and all other Loan Documents. Each Lender agrees and acknowledges that neither the Administrative Agent nor any of its directors, officers, attorneys or employees makes any representation or warranties about the creditworthiness of the Loan Parties or with respect to the due execution, legality, validity, genuineness, effectiveness, sufficiency or enforceability of this Agreement or any other Loan Documents, or the validity, genuineness, execution, perfection or priority of Liens created or reaffirmed by any of the Loan Documents, or the validity, genuineness, enforceability, existence, value or sufficiency of any Collateral or other security. Except as explicitly provided herein, neither the Administrative Agent nor any Lender has any duty or responsibility, either initially or on a continuing basis, to provide any other Lender with any credit or other information with respect to such operations, business, property, condition or creditworthiness, whether such information comes into its possession on or before a Default or an Event of Default or at any time thereafter.

**8.8** **Administrative Agent and Affiliates**. With respect to the Term Loans made by it and the Notes issued to it, the Administrative Agent, in its individual capacity, shall have the same rights and powers under the Loan Documents as any other Lender and may exercise the same as though it were not an Administrative Agent; and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include the Administrative Agent in its individual capacity. The Administrative Agent, in its individual capacity, and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, and generally engage in any kind of business with, the Loan Parties, and any Person who may do business with or own securities of the Loan Parties, all as if it were not an Administrative Agent and without any duty to account therefor to the Lenders.

**8.9** **Indemnification**. The Lenders jointly and severally agree to indemnify and hold harmless the Administrative Agent and its officers, directors, employees and agents (to the extent not reimbursed by the Borrowers), ratably according to their respective Commitments and Term Loans, from and against any and all claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent or any of its officers, directors, employees or agents, in any way relating to or arising out of any investigation, litigation or proceeding concerning or relating to the transaction contemplated by this Agreement or any of the other Loan Documents, or any of them, or any action taken or omitted by the Administrative Agent or any of its officers, directors, employees or agents, under any of the Loan Documents; provided, however, that no Lender shall be liable for any portion of such claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or willful misconduct of the Administrative Agent or any of its officers, directors, employees or agents. Without limitation of the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for such Lender's proportionate share of any out-of-pocket expenses (including counsel fees) incurred by the Administrative Agent or its officers, directors, employees or agents in connection with the preparation, execution, administration, or enforcement of, or legal advice in respect of rights or responsibilities under any of, the Loan Documents, to the extent that the Administrative Agent is not reimbursed for such expenses by the Borrowers.

**8.10** **Security Documents**. The Administrative Agent, as collateral agent hereunder and under the Security Documents, is hereby authorized to act on behalf of the Secured Parties, in its own capacity and through other agents and sub-agents appointed by it in good faith, under the Security Documents, provided that the Administrative Agent shall not agree to the release of any Collateral, or any property encumbered by any mortgage, pledge or security interests except in compliance with Section 8.11. In connection with its role as secured party with respect to the Collateral hereunder, the Administrative Agent shall act as collateral agent, for itself and for the ratable benefit of the Lenders, and such role as Administrative Agent shall be disclosed on all appropriate accounts, filings, mortgages, and other Collateral documentation.

**8.11** **Collateral Matters**. The Administrative Agent is authorized on behalf of all the Lenders without the necessity of any notice to or further consent from the Lenders, from time to time to take any action with respect to the Security Documents or any Collateral thereunder which may be necessary to perfect and maintain perfected the security interest in and Liens upon the Collateral granted pursuant to the Security Documents. The Lenders irrevocably authorize the Administrative Agent, at its option and in its discretion, to release any Lien granted to or held by the Administrative Agent upon any Collateral (i) upon payment in full of all Term Loans and all other Obligations of the Loan Parties known to the Administrative Agent and payable under this Agreement or any other Loan Document; (ii) constituting Property sold or to be sold or disposed of to a Person that is not a Loan Party as part of or in connection with any Asset Disposition permitted hereunder; (iii) consisting of an instrument evidencing Indebtedness or other debt instrument, if the Indebtedness evidenced thereby has been paid in full; or (iv) if approved, authorized or ratified in writing by all the Lenders. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Administrative Agent's authority to release particular types or items of Collateral pursuant to this Section 8.11, provided that the absence of any such confirmation for whatever reason shall not affect the Administrative Agent's rights under this Section 8.11. In the event that any landlord in favor of which a Loan Party has granted a Permitted Lien on Excluded Assets requests an acknowledgement that the Collateral does not include any Excluded Assets secured by such Permitted Lien (a "Permitted Lien Acknowledgement"), the Administrative Agent shall deliver a Permitted Lien Acknowledgement to such landlord, on terms and conditions, and subject to documentation reasonably acceptable to the Administrative Agent and, if required by such landlord, shall amend any UCC-1 financing statements filed against a Loan Party in favor of the Administrative Agent to exclude the specific Excluded Assets that are the subject of such Permitted Lien Acknowledgement.

**8.12** **Action by the Administrative Agent**.

(a) The Administrative Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights with which it may be vested and with respect to taking or refraining from taking any action or actions which it may be able to take under or in respect of, this Agreement, unless the Administrative Agent shall have been instructed by the Required Lenders to exercise or refrain from exercising such rights or to take or refrain from taking such action; provided that the Administrative Agent shall not exercise any rights under Section 7.3 of this Agreement except upon the request of the Required Lenders or of all the Lenders, where expressly required by this Agreement. The Administrative Agent shall incur no liability under or in respect of this Agreement with respect to anything which it may do or refrain from doing in the exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its gross negligence or willful misconduct as determined by a final, non-appealable order of a court having jurisdiction over the subject matter.

(b) The Administrative Agent shall not be liable to the Lenders or to any Lender in acting or refraining from acting under this Agreement or any other Loan Document in accordance with the instructions of the Required Lenders or of all the Lenders, where expressly required by this Agreement, and any action taken or failure to act pursuant to such instructions shall be binding on all Lenders.

(c) Notice of Default or Event of Default. In the event that the Administrative Agent or any Lender shall acquire actual knowledge, or shall have been notified in writing, of any Default (other than through a notice by one party hereto to all other parties), such Lender shall promptly notify the Administrative Agent and the Administrative Agent shall promptly notify the Lenders, and the Administrative Agent shall take such action and assert such rights under this Agreement and the other Loan Documents as the Required Lenders (or all the Lenders, where expressly required by this Agreement) shall request in writing, and the Administrative Agent shall not be subject to any liability by reason of its acting pursuant to any such request. If the Required Lenders shall fail to request the Administrative Agent to take action or to assert rights under this Agreement in respect of any Default within ten (10) days after their receipt of the notice of any Default from the Administrative Agent or any Lender, or shall request inconsistent action with respect to such Default, the Administrative Agent may, but shall not be required to, take such action and assert such rights as it deems in its discretion to be advisable for the protection of the Lenders, except that, if the Required Lenders have instructed the Administrative Agent not to take such action or assert such right, in no event shall the Administrative Agent act contrary to such instructions.

**8.13** **Successor Administrative Agent**. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders, with (so long as no Event of Default exists) the consent of the Borrower Agent (which shall not be unreasonably withheld or delayed), appoint a successor Administrative Agent, which shall be a commercial bank organized under the laws of the United States or of any state thereof and having a combined capital and surplus of at least $250,000,000. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date. Upon the acceptance of any appointment as Administrative Agent under the Loan Documents by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents. No notice to or demand on any Borrower in any case shall entitle it to any notice or demand in similar or other circumstances.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

**9.2** **Payment Dates**. Any notice shall be deemed given when transmitted by email, telecopier or, when personally delivered, if mailed properly addressed, shall be deemed given upon the third Business Day after the placing thereof in the United States mail, postage prepaid.

**9.4** **Costs and Expenses**. The Loan Parties, joint and severally, agree to pay, or reimburse, the Administrative Agent for all expenses reasonably incurred for the preparation of this Agreement, including exhibits, and the Loan Documents and any amendments hereto or thereto or consents or waivers hereunder or thereunder as may from time to time hereafter be required thereby or by the transactions contemplated hereby, including, but not limited to, the fees and out- of-pocket expenses of the Administrative Agent, charges and disbursements of special counsel to the Administrative Agent from time to time incurred in connection with the preparation and execution of this Agreement and any document relevant to this Agreement, including the Loan Documents, any amendments hereto or thereto, or consents or waivers hereunder or thereunder, and the consideration of legal questions relevant hereto and thereto. The Loan Parties, joint and severally, agree to pay, or reimburse, the Administrative Agent and each Lender upon demand for all costs and expenses (including attorneys', auditors' and accountants' fees and expenses) reasonably incurred and arising out of the transactions contemplated by this Agreement and the Loan Documents, in connection with any work-out or restructuring of the transactions contemplated hereby and by the Loan Documents and any collection or enforcement of the obligations of any Loan Party hereunder or thereunder, whether or not suit is commenced, including attorneys' fees and legal expenses (limited to one (1) primary counsel for the Administrative Agent and, if deemed appropriate by the Administrative Agent, one (1) counsel in each relevant jurisdiction and any special counsel (except in the case of actual or perceived conflict, in which case one (1) additional counsel for each Lender similarly situated in respect of such conflict)) in connection with any appeal of a lower court's order or judgment. The obligations of the Loan Parties under this Section 9.4 shall survive any termination of this Agreement.

**9.5** **Indemnification**. In consideration of the execution and delivery of this Agreement by the Administrative Agent and the Lenders, the Loan Parties, joint and severally, agree to indemnify and hold harmless the Administrative Agent and each Lender and their respective Affiliates, officers, directors, employees, shareholders, agents, successors and assigns (the "Indemnified Parties") from and against any and all losses, claims, damages, liabilities and expenses (other than the expenses to be paid or reimbursed pursuant to Section 9.4 above), joint or several, to which any such Indemnified Party may become subject arising out of or in connection with this Agreement and the other transactions contemplated hereby, the Term Loans and the use of proceeds thereof in connection with any claim, litigation, investigation or proceeding (any of the foregoing, a "Proceeding") relating to any of the foregoing, regardless of whether any such Indemnified Party is a party hereto or whether a Proceeding is brought by a third party or by you any Loan Party or Affiliate of a Loan Party, and to reimburse each such Indemnified Party within ten (10) days of receipt of an invoice for any reasonable legal or other out-of - pocket expenses incurred in connection with investigating or defending any of the foregoing; it being understood and agreed that no Loan Party shall be required to reimburse legal fees or expenses of more than one counsel to all Indemnified Parties, taken as a whole and in the case of a conflict of interest where such Indemnified Parties affected by such conflict inform the Borrower Agent of such actual or potential conflict as determined in their sole discretion, one additional counsel to each group of affected Indemnified Parties similarly situated taken as a whole (and, if reasonably necessary as determined by the Administrative Agent, a single local counsel for all Indemnified Parties taken as a whole in each relevant jurisdiction and, in the case of a conflict of interest where such Indemnified Parties affected by such conflict inform the Borrower Agent of such actual or potential conflict as determined in their sole discretion, one additional counsel in each relevant jurisdiction to each group of affected Indemnified Parties similarly situated taken as a whole); provided that the foregoing indemnity will not, as to any Indemnified Party, apply to losses, claims, damages, liabilities or related expenses to the extent (x) they have been determined in a final judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnified Party or any Related Indemnified Party (as defined below) of such Indemnified Party, (y) they have been determined in a final judgment of a court of competent jurisdiction to have resulted from a material breach of the material obligations of such Indemnified Party or any of its Related Indemnified Parties under this Agreement or any of the Loan Documents at a time when no Loan Party has breached its obligations hereunder in any material respect, or (z) they relate to any dispute solely among Indemnified Parties at a time when no Loan Party has breached its obligations hereunder or any other Loan Document in any material respect (other than any claims against the Administrative Agent in its capacity or in fulfilling its role as Administrative Agent, but not any other Person or entity party to any such Proceeding).

Notwithstanding any other provision of this Agreement or any Loan Document, (i) no Indemnified Party or Related Indemnified Party shall be liable for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent such damages have been determined in a final judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Party and (ii) none of the Loan Parties, any of their Affiliates or any Indemnified Party or Related Indemnified Party shall be liable for any indirect, special, punitive or consequential damages incurred in connection with this Agreement or the transactions contemplated herein (provided that this provision shall not limit the Loan Parties' indemnification obligations set forth above). For purposes hereof, a "Related Indemnified Party" of an Indemnified Party means (1) any controlling person or controlled affiliate of such Indemnified Party, (2) the respective directors, trustees, officers, or employees of such Indemnified Party or any of its controlling persons or controlled Affiliates and (3) the respective agents or advisors of such Indemnified Party or any of its controlling persons or controlled Affiliates, in the case of this clause (3), acting at the instructions of such Indemnified Party, controlling person or such controlled Affiliate; provided that each reference to a controlled Affiliate or controlling person in this paragraph pertains to a controlled Affiliate or controlling person involved in the negotiation of this Agreement and the other Loan Documents.

No Loan Party shall be liable for any settlement of any Proceedings effected without the Borrower Agent's consent (which consent shall not be unreasonably conditioned, withheld or delayed), but if settled with the Borrower Agent's written consent or if there is a final judgment for the plaintiff in any such Proceedings, the Loan Parties, jointly and severally, agree to indemnify and hold harmless each Indemnified Party from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with this Section 9.5. No Loan Party shall, without the prior written consent of an Indemnified Party, effect any settlement or consent to the entry of any judgment of any pending or threatened Proceedings in respect of which indemnity could have been sought hereunder by such Indemnified Party, unless (i) such settlement includes an unconditional release of such Indemnified Party in form and substance reasonably satisfactory to such Indemnified Party from all liability on claims that are the subject matter of such Proceedings, and (ii) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of such Indemnified Party.

The provisions of this Section 9.5 shall survive termination of this Agreement and payment in full of the Notes. This Section 9.5 shall not apply with respect to Taxes, other than Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

**9.6** **Severability**. Any provision of this Agreement, the Notes or any other Loan Document executed pursuant hereto which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Agreement, the Notes or any other Loan Document or affecting the validity or enforceability of such provision in any other jurisdiction.

**9.7** **Headings**. The various headings of this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of this Agreement or any provisions hereof.

**9.8** **Governing Law**. This Agreement and the Notes shall each be deemed to be a contract made under, governed by and interpreted pursuant to the internal laws (and not the law of conflicts) of the State of New York.

**9.9 Successors and Assigns**.

(a) This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns except that: (i) other than as set forth in the Assumption Agreement, a Loan Party may not assign or transfer its rights hereunderwithout the prior written consent of all of the Lenders and the Administrative Agent, and (ii) any assignment by a Lender must be made in compliance with subsection (b) below and any participation by a Lender must be made in compliance with subsection (c) below. Notwithstanding clause (ii) of this subsection (a), any Lender may at any time, without the consent any Borrower or the Administrative Agent, assign all or any portion of its rights under this Agreement and its Notes to a Federal Reserve Bank. Except to the extent otherwise required by its context, the word "Lender" where used in this Agreement means and includes any such assignee and such assignee shall be bound by and have the benefits of this Agreement the same as if such holder had been a signatory hereto.

(b) Any Lender may, in the ordinary course of its business and in accordance with applicable law, at any time assign to one or more banks or other entities that are Eligible Assignees all or a portion of its Commitments, Term Loans, and its rights and obligations under this Agreement in respect thereof in accordance with the provisions of this subsection (b). Each assignment shall be of a constant, and not a varying, ratable percentage of the assigning Lender's rights and obligations under this Agreement and each Eligible Assignee shall assume a pro rata share of the assigning Lender's obligations determined by the percentage of the Commitments and Term Loans assigned for the period from the effective date of the assignment through the Maturity Date. Such assignment shall be substantially in the form of the Assignment and Assumption Agreement attached as **Exhibit D** hereto (the "Assignment and Assumption Agreement") and shall not be permitted hereunder unless (i) such assignment is for all of such Lender's Commitment and Term Loans and the rights and obligations under this Agreement related thereto, (ii) the amount of the Commitment and Term Loans assigned by the assigning Lender pursuant to each assignment shall be at least $1,000,000, or (iii) such assignment is to another Lender or an Affiliate of a Lender, in which case no minimum amount shall apply. The consent of the Administrative Agent and, provided no Default or Event of Default then exists, the Borrower Agent (which consents shall not be unreasonably withheld or delayed) shall be required prior to an assignment becoming effective with respect to a transferee which is not a Lender, an Affiliate of a Lender, or an Approved Fund. The Borrower Agent's consent shall be deemed to have been given unless the Borrower Agent objects within ten (10) Business Days after receipt of notice of such assignment. Upon (i) delivery to the Administrative Agent of an executed Assignment and Assumption Agreement, together with any required consents and (ii) payment of a $ 3,500 fee to the Administrative Agent by either the assigning Lender or the assignee Lender for processing such assignment, such assignment shall become effective on the effective date specified in such Assignment and Assumption Agreement; provided, that (a) if an assignment by a Lender is made to an Affiliate or an Approved Fund of such assigning Lender, then no assignment fee shall be due in connection with such assignment and (b) if an assignment by a Lender is made to an assignee that is not an Affiliate or Approved Fund of such assignor Lender, and concurrently to one or more Affiliates or Approved Funds of such assignee, then only one assignment fee of $3,500 shall be due in connection with such assignment (unless waived or reduced by the Administrative Agent). On and after the effective date of such assignment, such transferee, if not already a Lender, shall for all purposes be a Lender party to this Agreement and any other Loan Documents executed by the Lenders and shall have all the rights and obligations of a Lender under the Loan Documents, to the same extent as if it were an original party hereto, and no further consent or action by the Borrowers, the Lenders or the Administrative Agent shall be required to release the transferor Lender with respect to the percentage of the Commitment and Term Loans assigned to such transferee Lender. To the extent requested by the applicable Lenders, upon the consummation of any assignment pursuant to this Section 9.9 , the Administrative Agent and the Borrowers shall make appropriate arrangements so that replacement Notes are issued to such transferor Lender and new Notes or, as appropriate, replacement Notes, are issued to such transferee Lender, in each case in principal amounts reflecting their Commitment and Term Loans, as adjusted pursuant to such assignment.

(c) Each Lender may, without the consent of any Borrower, sell participations to one or more banks or other entities that are Eligible Assignees in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment or the Term Loans owing to it hereunder); provided, however, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other entities shall be entitled to the benefit of, and obligations under, Section 10.1 and of the cost protection provisions contained in Section 10.4, as well as Sections 9 .19 and 10.6 to the extent of the Lender selling such participation and the Borrowers' aggregate obligations with respect to Section 10.1 and Section 10.4 shall not be increased by reason of such participation, provided that such participant shall not be entitled to the benefits of Sections 10.1 and 10.4 unless such participant complies with Section 10.1(e) as (and to the extent) applicable, as if such participant were a Lender (it being understood that the documentation required under Section 10.1(e) shall be delivered to the participating Lender) (iv) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right (and shall not limit its rights) to enforce the obligations of the Borrowers relating to the Term Loans and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers with respect to any fees payable hereunder (to the extent such participants are entitled to such fees) or the amount of principal of or the rate at which interest is payable on the Term Loans, or the dates fixed for payments of principal of or interest on the Term Loans). Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103- 1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement.

(d) The Administrative Agent shall maintain a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and the principal amount of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement and the other Loan Documents, notwithstanding notice to the contrary. It is the intent of the parties that the Obligations shall be treated as issued in registered form under Section 5f. 103 -1(c) of the United States Treasury Regulations. Upon the Administrative Agent's receipt of a duly completed Assignment and Assumption Agreement executed by an assigning Lender, an assignee Lender that is an Eligible Assignee and, to the extent required hereunder, the Borrowers, such Eligible Assignee's completed Administrative Questionnaire (unless the assignee is already a Lender), the fee referred to in Section 9.9(b) above, and any written consent to such assignment required by such subsection, the Administrative Agent shall accept such Assignment and Assumption Agreement and record the information contained therein in the Register. No assignment shall be effected for purposes of this Agreement unless it has been recorded in the Register as provided in this subsection.

(e) Notwithstanding anything to the contrary contained in this Section 9.9, a Lender that is a fund that invests in bank loans may pledge all or a portion of its rights in connection with this Agreement to the trustee or other agent for holders of obligations owed, or securities issued, by such fund as security for such obligations or securities, provided that any foreclosure or other exercise of remedies by such trustee shall be subject, in all respects, to the provisions of this Section 9.9 regarding assignments. No pledge described in the immediately preceding sentence shall release any such Lender from its obligations hereunder.

(f) Except as specifically set forth in this Section 9.9, nothing in this Agreement, expressed or implied, is intended to or shall confer on any Person other than the respective parties hereto and thereto and their successors and assignees permitted hereunder and thereunder any benefit or any legal or equitable right, remedy or other claim under this Agreement or any Notes.

(g) The provisions of this Section 9.9 shall not apply to any purchase of participations among the Lenders pursuant to Section 2.5.

(h) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower Agent and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Term Loans in accordance with its respective Commitment. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

**9.10 Execution in Counterparts**. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

**9.11 Several Liability**. The Obligations of the Administrative Agent and each of the Lenders hereunder are several, not joint.

**9.12 Financial Information**. Each Loan Party assumes responsibility for keeping itself informed of its own financial condition and the financial condition of any and all endorsers and/or other guarantors of all or any part of the Obligations, and of all other circumstances bearing upon the risk of nonpayment of the Obligations, or any part thereof, that diligent inquiry would reveal, and the Loan Parties agree that the Administrative Agent and the Lenders shall have no duty to advise the Loan Parties of information known to them regarding such condition or any such circumstances.

**9.13** **Entire Agreement**. Except as otherwise expressly provided herein, this Agreement and the other documents described or contemplated herein embody the entire agreement and understanding among the parties hereto and thereto and supersede all prior agreements and understandings relating to the subject matter hereof and thereof.

**9.14** **Other Relationships**. No relationship created hereunder or under any other Loan Document shall in any way affect the ability of the Administrative Agent or its Affiliates and each Lender or their respective Affiliates to enter into or maintain business relationships with the Loan Parties beyond the relationships specifically contemplated by this Agreement and the other Loan Documents.

**9.15** **Consent to Jurisdiction**. EACH LOAN PARTY HEREBY IRREVOCABLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, OVER ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE NOTES OR ANY OTHER LOAN DOCUMENT AND HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. EACH PARTY IRREVOCABLY CONSENTS TO THE SERVICE OF COPIES OF THE SUMMONS AND COMPLAINT AND ANY OTHER PROCESS WHICH MAY BE SERVED IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING BY UNITED STATES CERTIFIED MAIL, RETURN RECEIPT REQUESTED, OF COPIES OF SUCH PROCESS TO SUCH LOAN PARTY'S ADDRESS REFERENCED IN SECTION 9.3. EACH PARTY AGREES THAT A JUDGMENT, FINAL BY APPEAL OR EXPIRATION OF TIME TO APPEAL WITHOUT AN APPEAL BEING TAKEN, IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS SECTION SHALL AFFECT THE RIGHT OF ANY PARTY TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY LENDER TO BRING ANY ACTION OR PROCEEDING AGAINST SUCH LOAN PARTY OR ITS PROPERTY IN THE COURTS OF ANY OTHER JURISDICTION.

**9.16** **Waiver of Jury Trial**. EACH LOAN PARTY, THE ADMINISTRATIVE AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY NOTE, OR ANY OTHER INSTRUMENT OR DOCUMENT DELIVERED HEREUNDER OR THEREUNDER.

**9.17** **USA Patriot Act**. Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Loan Parties in accordance with the Act. The Loan Parties shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Act.

**9.18** **Confidentiality**. Each of the Administrative Agent and each Lender agree to maintain the confidentiality of information obtained by it pursuant to any Loan Document, except that such information may be disclosed (i) with the Borrower Agent's written consent, (ii) in any legal, judicial, administrative proceeding or compulsory process or otherwise as required by applicable law or regulations (in which case such Person agrees to promptly notify the Borrower Agent to the extent practicable and permitted by applicable law); (iii) upon the request or demand of any Governmental Authority having jurisdiction over the Administrative Agent or such Lender, or their respective Affiliates (in which case such Person agrees to, except with respect to any audit or examination conducted by bank accountants, any governmental bank or insurance regulatory authority exercising examination or regulatory authority, or any regulatory requests made by the National Association of Insurance Commissioners, promptly notify the Borrower Agent to the extent lawfully permitted to do so); (iv) to officers, directors, trustees, agents, members, partners, equity holders, approved and managed funds, employees, attorneys, accountants and advisors of the Administrative Agent or any Lender who are informed of the confidential nature of such information and are or have been advised of their obligation to keep such information confidential solely on a need-to-know basis in connection with the transactions contemplated by this Agreement; (v) to any Affiliates of the Administrative Agent or any Lender (provided that any such Affiliate is advised of its obligation to retain such information as confidential) on a need-to-know basis in connection with the transactions contemplated by this Agreement; (vi) to the extent any such information becomes publicly available other than by reason of disclosure in breach of this Agreement; and (vii) in connection with the exercise or enforcement of any right or remedy under any Loan Document.

**9.19** **Replacement of Lenders**. If the Borrower Agent is entitled to replace a Lender pursuant to the provisions of Section 10.6, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrower Agent may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.9), all of its interests, rights (other than its existing rights to payments pursuant to Sections 10.1 and 10.4 with respect to payments made prior to such assignment) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrower Agent shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.9(b);

(b) such Lender shall have received payment of an amount equal to 100% of the outstanding principal of its Term Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 10.5) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower Agent (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 10.4 or payments required to be made pursuant to Section 10.1, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Laws; and

(e) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower Agent to require such assignment and delegation cease to apply.

**9.20 Keepwell**. Each of the Borrowers, any Affiliate of the Borrowers or any Guarantor that is a Qualified ECP Guarantor at the time the Guarantee or the grant of a Lien under the Loan Documents, in each case, by any Specified Loan Party becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under this Article IX voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 9.20 shall remain in full force and effect until the Obligations have been indefeasibly paid and performed in full. Each of the Borrowers, each Affiliate of the Borrowers and each Guarantor intends this Section 9.20 to constitute, and this Section 9.20 shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act.

**9.21 Electronic Execution of Assignments and Certain Other Documents**. The words "delivery," "execute," "execution," "signed," "signature," and words of like import in any Loan Document or any other document executed in connection herewith shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary neither the Administrative Agent nor any Lender is under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent or such Lender pursuant to procedures approved by it and provided further without limiting the foregoing, upon the request of any party, any electronic signature shall be promptly followed by such manually executed counterpart.

**9.22 INTERCREDITOR AGREEMENT**.

(a) EACH LENDER PARTY HERETO (I) UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE INTERCREDITOR AGREEMENT, (II) AUTHORIZES AND DIRECTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE INTERCREDITOR AGREEMENT ON ITS BEHALF, AND (III) AGREES THAT ANY ACTION TAKEN BY THE ADMINISTRATIVE AGENT PURSUANT TO THE INTERCREDITOR AGREEMENT SHALL BE BINDING UPON SUCH LENDER.

(b) THE PROVISIONS OF THIS SECTION 9.22 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE INTERCREDITOR AGREEMENT. A COPY OF THE INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE ADMINISTRATIVE AGENT.

(c) THE INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE SECURED PARTIES (AS DEFINED IN THE INTERCREDITOR AGREEMENT) AND THEIR RESPECTIVE AGENTS (INCLUDING THEIR SUCCESSORS AND ASSIGNS) AND IS ACKNOWLEDGED AND AGREED TO BY THE LOAN PARTIES. AS MORE FULLY PROVIDED THEREIN, THE INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

(d) IN THE EVENT OF ANY CONFLICT BETWEEN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND THE INTERCREDITOR AGREEMENT, THE INTERCREDITOR AGREEMENT SHALL GOVERN.

**9.23** **Assumption by Holdings and Successor Borrowers**. Immediately following the consummation of the Hydrofarm Acquisition, (i) the Initial Borrower shall cause each of Hydrofarm, WJCO, EHH and SunBlaster to duly execute and deliver to the Administrative Agent the Assumption Agreement and assume the rights and obligations of the Initial Borrower hereunder as a Borrower, (ii) Holdings shall duly execute and deliver to the Administrative Agent the Assumption Agreement and become a Guarantor hereunder and under each other Loan Document applicable to it, and (iii) the Initial Borrower shall cause each of Hydrofarm, WJCO, EHH and SunBlaster to duly execute and deliver to the Administrative Agent each of the agreements, instruments and certificates listed in Section 3.1(a) to which Hydrofarm, WJCO, EHH or SunBlaster is, or is contemplated to be, a party. Immediately upon the completion of the actions set forth in clauses (i), (ii) and (iii) above, (x) Holdings shall be automatically released from its obligations as a Borrower hereunder and shall instead assume the obligations as a Guarantor hereunder and under the other Loan Documents and (y) each of Hydrofarm, WJCO, EHH and SunBlaster shall become a Borrower hereunder and under the other Loan Documents. Upon the reasonable request by the Administrative Agent, the Loan Parties shall take such additional actions and execute such documents as the Administrative Agent may reasonably request to implement the transactions contemplated by the Assumption Agreement and reflect the assumption by Hydrofarm, WJCO, EHH and SunBlaster of the obligations of the Initial Borrower contemplated thereby.

## ARTICLE X
## TAXES, YIELD PROTECTION AND ILLEGALITY

**10.1** **Taxes**.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of any Borrower or Guarantor under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the applicable withholding agent) require the deduction or withholding of any Tax from any such payment by the Administrative Agent or a Borrower or Guarantor, then the Administrative Agent or such Borrower or Guarantor shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If any Borrower or Guarantor or the Administrative Agent shall be required by the Code to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment on account of any obligation of such Borrower or Guarantor under any Loan Document, then (A) the Administrative Agent shall withhold or make such deductions as are determined by the Administrative Agent to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Administrative Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Code and provide evidence of such payment to the Borrower Agent, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Borrower or Guarantor shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 10.1) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If any Borrower or Guarantor or the Administrative Agent shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment on account of any obligation of such Borrower or Guarantor under any Loan Document, then (A) such Borrower or Guarantor or the Administrative Agent, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) such Borrower or Guarantor or the Administrative Agent, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and, if paid by the Administrative Agent, the Administrative Agent shall provide evidence of such payment to the Borrower Agent, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Borrower or Guarantor shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 10.1) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) Payment of Other Taxes by Borrower and/or Guarantor. Without limiting the provisions of subsection (a) above, each Borrower and/or Guarantor shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Tax Indemnifications.

(i) Each Borrower and Guarantor shall, and does hereby, jointly and severally indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 10.1) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower Agent by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(ii) Each Lender shall, and does hereby, severally indemnify and shall make payment in respect thereof within ten (10) days after demand therefor, (A) the Administrative Agent against any Indemnified Taxes attributable to such Lender (but only to the extent that any Borrower or Guarantor has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of each Borrower and/or Guarantor to do so), and (B) the Administrative Agent and the Borrower and/or Guarantor, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.9(c) relating to the maintenance of a Participant Register, and (C) the Administrative Agent and the Borrower and/or Guarantor, as applicable, against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent or a Borrower or Guarantor in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent, Borrowers or Guarantor to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent, Borrower or Guarantor from any other source against any amount due to the Administrative Agent, Borrowers or Guarantor under this clause (ii).

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by any Borrower or Guarantor to a Governmental Authority, as provided in this Section 10.1, the Borrowers shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Agent and the Administrative Agent, at the time or times reasonably requested by the Borrower Agent or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Agent or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Agent or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower Agent or the Administrative Agent as will enable the Borrower Agent or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 10. 1(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that a Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower Agent and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Agent and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W -8BEN- E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of a Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable); or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN, as applicable), a U.S. Tax Compliance Certificate, IRS Form W- 9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate satisfactory to the Administrative Agent on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Agent and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent or the Administrative Agent), executed copies (or originals, as required) of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower Agent or the Administrative Agent to determine the withholding or deduction required to be made;

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Agent and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Agent or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Agent or the Administrative Agent as may be necessary for the Borrower Agent and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(E) the Administrative Agent shall deliver to the Borrower Agent on or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent), executed copies of IRS Form W-9 certifying that the Administrative Agent is a U.S. Person exempt from U.S. federal backup withholding tax.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 10.1 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower Agent and the Administrative Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund (or credit in lieu of a cash refund) of any Taxes ("Refund") as to which it has been indemnified by any Borrower or Guarantor or with respect to which any Borrower or Guarantor has paid additional amounts pursuant to this Section 10.1, it shall pay to such Borrower or Guarantor an amount equal to such Refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower or Guarantor under this Section 10.1 with respect to the Taxes giving rise to such Refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such Refund), provided that each Borrower or Guarantor, upon the request of the Recipient, agrees to repay the amount paid over to such Borrower or Guarantor (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such Refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to such Borrower or Guarantor pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such Refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Borrower or Guarantor or any other Person.

(g) Survival. Each party's obligations under this Section 10.1 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

**10.2 Illegality**. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make, maintain or fund Term Loans whose interest is determined by reference to the LIBOR Rate, or to determine or charge interest rates based upon the LIBOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower Agent through the Administrative Agent, (a) any obligation of such Lender to make or continue LIBOR Rate Loans shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the LIBOR Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBOR Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower Agent that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all LIBOR Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBOR Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBOR Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Rate Loans and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the LIBOR Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the LIBOR Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the LIBOR Rate. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

**10.3 Inability to Determine Rates**.

(a) If in connection with any request for a LIBOR Rate Loan or a continuation thereof, (i) the Administrative Agent determines that (A) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such LIBOR Rate Loan or (B) adequate and reasonable means do not exist for determining the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan or in connection with an existing or proposed Base Rate Loan (in each case with respect to clause (i), "Impacted Loans"), or (ii) the Administrative Agent or the Required Lenders determine that for any reason LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Term Loan, the Administrative Agent will promptly so notify the Borrower Agent and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBOR Rate Loans shall be suspended (to the extent of the affected LIBOR Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the LIBOR Rate component of the Base Rate, the utilization of the LIBOR Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower Agent may revoke any pending request for a continuation of LIBOR Rate Loans (to the extent of the affected LIBOR Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request to convert such LIBOR Rate Loans to Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a)(i) of this Section 10.3, the Administrative Agent in consultation with the Borrower Agent and the Required Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a)(i) of this Section 10.3, (2) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower Agent that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Term Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower Agent written notice thereof.

**10.4 Increased Costs; Reserves on LIBOR Rate Loans**.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 10.4(e));

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes) and (C) Connection Income Taxes on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or LIBOR Rate Loans made by such Lender; and the result of any of the foregoing shall be to increase the cost to such Lender of making, continuing or maintaining any Term Loan the interest on which is determined by reference to the LIBOR Rate (or of maintaining its obligation to make any such Term Loan), or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender, or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Term Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or such Lender's holding company, as the case may be, as specified in subsection (a) or (b) of this Section 10.4 and delivered to the Borrower Agent shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 10.4 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 10.4 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender notifies the Borrower Agent of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on LIBOR Rate Loans. The Borrowers shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each LIBOR Rate Loan equal to the actual costs of such reserves allocated to such Term Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Term Loan, provided the Borrower Agent shall have received at least ten (10) days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice ten (10) days prior to the relevant Interest Payment Date, such additional interest shall be due and payable ten (10) days from receipt of such notice.

**10.5 Funding Losses**. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost, liability or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Term Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Term Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by a Borrower (for a reason other than the failure of such Lender to make a Term Loan) to prepay, borrow, continue or convert any Term Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower Agent; or

(c) any assignment of a LIBOR Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower Agent pursuant to Section 9.19; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Term Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

**10.6 Mitigation Obligations; Replacement of Lenders**.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 10.4, or requires the Borrowers to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 10.1, or if any Lender gives a notice pursuant to Section 10.2, then at the request of the Borrower Agent, such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Term Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 10.1 or 10.4, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 10.2, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 10.4, or if the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 10.1 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 10.6(a) that eliminates the need to pay additional amounts for Indemnified Taxes under Section 10.1 or compensation under Section 10.4, the Borrower Agent may replace such Lender in accordance with Section 9.19.

**10.7 Survival**. All of the Borrowers' obligations under Sections 10.4 and 10.5 shall survive termination of the Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent.

In no event shall the establishment of a Reserve in respect of a particular actual or contingent liability obligate Agent to make advances to pay such liability or otherwise obligate Agent with respect thereto.

(c) **Reserved.**

**2.2. Protective Advances; Overadvances**.

(a) Notwithstanding any contrary provision of this Agreement or any other Loan Document, at any time (i) after the occurrence and during the continuance of a Default or Event of Default or (ii) that any of the other applicable conditions precedent set forth in Section 4 or otherwise are not satisfied, Agent is authorized by each Borrower and each Lender, from time to time, in Agent's sole discretion, to make such Revolving Loans to, or for the benefit of, any Borrower, as Agent in its sole discretion deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, or (2) to enhance the likelihood of repayment of the Obligations (the Revolving Loans described in this Section 2.2 shall be referred to as ***"Protective Advances"***). Notwithstanding any contrary provision of this Agreement or any other Loan Document, Agent may disburse the proceeds of any Protective Advance to any Borrower or to such other Person(s) as Agent determines in its sole discretion. All Protective Advances shall be payable immediately upon demand. Notwithstanding the foregoing, (i) the aggregate amount of all Protective Advances outstanding at any time shall not exceed an amount equal to ten percent (10%) of the Maximum Revolving Facility Amount and (ii) after giving effect to any such Protective Advances, the outstanding balance of all Revolving Loans will not exceed the Maximum Revolving Facility Amount.

(b) Notwithstanding any contrary provision of this this Agreement, at the request of Borrower Representative, Agent may in its sole discretion (but with absolutely no obligation), make Revolving Loans to any Borrower, on behalf of the Lenders with a Revolving Loan Commitment, in amounts that exceed Excess Availability (any such excess Revolving Loans are herein referred to herein, collectively, as "***Overadvances***"); ***provided***, that, no Overadvance shall result in a Default due to any Borrower's failure to comply with Section 2.1(a) for so long as such Overadvance remains outstanding in accordance with the terms of this paragraph, but solely with respect to the amount of such Overadvance. Overadvances may be made even if the conditions precedent set forth in Section 4.2 have not been satisfied. The authority of Agent to make Overadvances is limited to an aggregate amount not to exceed an amount equal to ten percent (10%) of the Maximum Revolving Facility Amount at any time. No Overadvance may remain outstanding for more than thirty (30) days and no Overadvance shall cause any Lender's outstanding balance of Revolving Loans to exceed its Revolving Commitment. Required Lenders may, at any time, revoke Agent's authorization to make Overadvances, ***provided*** that any such revocation must be in writing and shall become effective prospectively upon Agent's receipt thereof.

(c) Upon the making of any Protective Advance or Overadvance (whether before or after the occurrence of a Default), each Lender with a Revolving Loan Commitment shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from Agent, without recourse or warranty, an undivided interest and participation in such Protective Advance or Overadvance, as applicable, in proportion to its Pro Rata Share of the Revolving Loan Commitment. Agent may, at any time, require the applicable Lenders to fund their participations. From and after the date, if any, on which any Lender is required to fund its participation in any Protective Advance or Overadvance, as applicable, purchased hereunder, Agent shall promptly distribute to such Lender, such Lender's Pro Rata Share of all payments of principal and interest and all proceeds of Collateral received by such Agent in respect of such Loan. Each Lender acknowledges and agrees that (i) Agent may elect to fund a Protective Advance or Overadvance through one or more of its Affiliates (including Encina Business Credit SPV, LLC) on behalf of Agent for administrative convenience and (ii) any such funding shall constitute a Protective Advance or Overadvance, as applicable, as if made by Agent subject to the terms and conditions of this Agreement.

**2.3. Notice of Borrowing; Manner of Revolving Loan Borrowing**.

(a) Borrower Representative shall request each Revolving Loan by submitting such request by ABLSoft (or, if requested by Agent, by delivering, in writing or by an Approved Electronic Communication, a Notice of Borrowing substantially in the form of Exhibit A hereto) (each such request a ***"Notice of Borrowing"***). (b) Promptly following receipt of a Notice of Borrowing in accordance with this Section, Agent shall advise each Lender of the details thereof and of the amount of such Lender's Revolving Loan to be made as part of the requested borrowing. Each Lender shall make each Revolving Loan to be made by such Lender hereunder on the proposed date thereof by wire transfer of immediately available funds by 2:00 p.m., Central Time, to the account of Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's Pro Rata Share. Unless Agent shall have received notice from a Lender prior to the proposed date of any borrowing that such Lender will not make available to Agent such Lender's share of such borrowing, Agent may assume that such Lender has made (or will make) such share available on such date in accordance with this Section and may, in reliance upon such assumption, make available to Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable borrowing available to Agent, then the applicable Lender and Borrowers severally agree to pay to Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to Borrowers to but excluding the date of payment to Agent, at the interest rate applicable to such Revolving Loans. If such Lender pays such amount to Agent, then such amount shall constitute such Lender's Revolving Loan included in such borrowing.

**2.4. Swingline Loans**.

(a) Agent, Swingline Lender and the Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after Borrower Representative requests a Revolving Loan, the Swingline Lender may elect to have the terms of this Section 2.4 apply to such borrowing request by advancing, on behalf of the Lenders with a Revolving Loan Commitment and in the amount requested, same day funds to Borrowers (each such Loan made solely by the Swingline Lender pursuant to this Section 2.4 is referred to in this Agreement as a "***Swingline Loan***"), with settlement among them as to the Swingline Loans to take place on a periodic basis as set forth in Section 2.4(c). Each Borrower hereby authorizes the Swingline Lender to, and Swingline Lender shall, subject to the terms and conditions set forth herein (but without any further written notice required), deliver the amount of the Swingline Loan requested to the applicable Funding Account (i) on the same day if the Notice of Borrowing is received by Agent on or before 11:00 a.m. Central Time on a Business Day or (ii) on the immediately following Business Day if the Notice of Borrowing is received by Agent after 11:00 p.m. Central Time on a Business Day or on a day that is not a Business Day. The aggregate amount of Swingline Loans outstanding at any time shall not exceed $2,000,000. Swingline Lender shall not make any Swingline Loan if the requested Swingline Loan exceeds Excess Availability (before giving effect to such Swingline Loan).

(b) Upon the making of a Swingline Loan (whether before or after the occurrence of a Default and regardless of whether a Settlement has been requested with respect to such Swingline Loan), each Lender with a Revolving Commitment shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the Swingline Lender, without recourse or warranty, an undivided interest and participation in such Swingline Loan in proportion to its Pro Rata Share of the Revolving Commitment. The Swingline Lender may, at any time, require the applicable Lenders to fund their participations. From and after the date, if any, on which any Lender is required to fund its participation in any Swingline Loan purchased hereunder, Agent shall promptly distribute to such Lender, such Lender's Pro Rata Share of all payments of principal and interest and all proceeds of Collateral received by such Agent in respect of such Loan.

(c) Agent, on behalf of Swingline Lender, shall request settlement (a "***Settlement***") with respect to Swingline Loans with the Lenders holding a Revolving Commitment on at least a weekly basis or on any date that Agent elects, by notifying the applicable Lenders of such requested Settlement by facsimile, telephone, or e-mail no later than 12:00 p.m. Central Time on the date of such requested Settlement (the "***Settlement Date***"). Each applicable Lender (other than the Swingline Lender) shall transfer the amount of such Lender's Pro Rata Share of the outstanding principal amount of the Swingline Loan with respect to which Settlement is requested to Agent, to such account of Agent as Agent may designate, not later than 2:00 p.m., Central Time, on such Settlement Date. Settlements may occur during the existence of an event of Default and whether or not the applicable conditions precedent set forth in Section 4.2 have then been satisfied. Such amounts transferred to Agent shall be applied against the amounts of the Swingline Lender's Swingline Loans and, together with such Swingline Lender's Pro Rata Share of such Swingline Loan, shall constitute Revolving Loans of such Lenders, respectively. If any such amount is not transferred to Agent by any applicable Lender on such Settlement Date, the Swingline Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon.

**2.5. Repayments**.

(a) **Revolving Loans.** If at any time for any reason whatsoever (including as a result of currency fluctuations) (i) the outstanding balance of all Revolving Loans exceeds the lesser of (x) the Maximum Revolving Facility Amount minus the amount of Reserves established against the Maximum Revolving Facility Amount and (y) the Borrowing Base or (ii) any of the Loan Limits for Revolving Loans are exceeded, then, in each case, Borrowers will immediately pay to Agent such amounts as shall cause Borrowers to eliminate such excess.

(b) **Reserved.**

(c) **Maturity Date Payments.** All remaining outstanding monetary Obligations (including, all accrued and unpaid fees described in Section 3.2) shall be payable in full on the Maturity Date.

From and after such date of termination, Agent shall have no obligation whatsoever to extend any additional Loans, and all of its lending commitments hereunder shall be terminated.

(e) **Reserved.**

**2.7. Obligations Unconditional**.

(a) The payment and performance of all Obligations shall constitute the absolute and unconditional obligations of each Loan Party Obligor, and shall be independent of any defense or right of set-off, recoupment or counterclaim that any Loan Party Obligor or any other Person might otherwise have against Agent, any Lender or any other Person. All payments required by this Agreement or the other Loan Documents shall be made in Dollars (unless payment in a different currency is expressly provided otherwise in the applicable Loan Document) and paid free of any deductions or withholdings for any taxes or other amounts and without abatement, diminution or set-off. If any Loan Party Obligor is required by applicable law to make such a deduction or withholding from a payment under this Agreement or under any other Loan Document, such Loan Party Obligor shall pay to Agent such additional amount as shall be necessary to ensure that, after the making of such deduction or withholding, Agent receives (free from any liability in respect of any such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made. Each Loan Party Obligor shall (a) pay the full amount of any deduction or withholding that it is required to make by law, to the relevant authority within the payment period set by applicable law and (b) promptly after any such payment, deliver to Agent an original (or certified copy) official receipt issued by the relevant authority in respect of the amount withheld or deducted or, if the relevant authority does not issue such official receipts, such other evidence of payment of the amount withheld or deducted as is reasonably acceptable to Agent.

(b) If, at any time and from time to time after the Closing Date (or at any time before or after the Closing Date with respect to the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith), (a) any change in any existing law, regulation, treaty or directive or in the interpretation or application thereof, (b) any new law, regulation, treaty or directive enacted or application thereof or (c) compliance by Agent with any request or directive (whether or not having the force of law) from any Governmental Authority, central bank or comparable agency (i) subjects Agent or any Lender to any tax, levy, impost, deduction, assessment, charge or withholding of any kind whatsoever with respect to any Loan Document, or changes the basis of taxation of payments to Agent or any Lender of any amount payable thereunder (except for net income taxes, or franchise taxes imposed in lieu of net income taxes, imposed generally by federal, state, provincial, local or other taxing authorities with respect to interest or fees payable hereunder or under any other Loan Document or changes in the rate of tax on the overall net income of Agent, any Lender or their respective members) or (ii) imposes, modifies or deems applicable any reserve (including any reserve imposed by the FRB, but excluding any reserve included in the determination of the LIBOR Rate), special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by Agent or any Lender or imposes on Agent or any Lender any other condition affecting its LIBOR Loans or its obligation to make LIBOR Loans, the result of which is to increase the cost to (or to impose a cost on) Agent or any Lender of making or maintaining any LIBOR Loan or (iii) imposes on Agent or any Lender any other condition or increased cost in connection with the transactions contemplated thereby or participations therein, and the result of any of the foregoing is to increase the cost to Agent or any Lender of making or continuing any Loan or to reduce any amount receivable hereunder or under any other Loan Documents, then, in each such case, Borrowers shall promptly pay to Agent or such Lender, when notified to do so by Agent or such Lender, any additional amounts necessary to compensate Agent or such Lender, on an after-tax basis, for such additional cost or reduced amount as determined by Agent or such Lender. Each such notice of additional amounts payable pursuant to this Section 2.7(b) submitted by Agent or any Lender, as applicable, to Borrower Representative shall, absent manifest error, be final, conclusive and binding for all purposes.

(c) This Section 2.7 shall remain operative even after the Termination Date and shall survive the payment in full of all of the Loans.

**2.8. Reversal of Payments**. To the extent that any payment or payments made to or received by Agent or any Lender pursuant to this Agreement or any other Loan Document are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to any trustee, receiver or other Person under any state, federal or other bankruptcy or other such applicable law, then, to the extent thereof, such amounts (and all Liens, rights and remedies relating thereto) shall be revived as Obligations (secured by all such Liens) and continue in full force and effect under this Agreement and under the other Loan Documents as if such payment or payments had not been received by Agent or such Lender. This Section 2.8 shall remain operative even after the Termination Date and shall survive the payment in full of all of the Loans.

**2.9. Notes**. The Loans and Commitments shall, at the request of any Lender, be evidenced by one or more promissory notes in form and substance reasonably satisfactory to such Lender. However, if such Loans are not so evidenced, such Loans may be evidenced solely by entries upon the books and records maintained by Agent.

**2.10. Defaulting Lenders**. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Unused Line Fees pursuant to Section 3.2(c) shall cease to accrue on the unfunded portion of the Revolving Commitment of such Defaulting Lender.

(b) Any amount payable to a Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise) shall, in lieu of being distributed to such Defaulting Lender, be retained by Agent in a segregated account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to Agent hereunder, (ii) second, to the funding of any Revolving Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Agent, (iii) third, if so determined by Agent and Borrowers, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement, (iv) fourth, pro rata, to the payment of any amounts owing to Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by Borrowers or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and (v) fifth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; ***provided***, that if such payment is made at a time when the conditions set forth in Section 4.2 are satisfied, such payment shall be applied solely to prepay the Loans of all Revolving Lenders that are not Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans, or reimbursement obligations owed to, any Defaulting Lender.

(c) No Defaulting Lender shall have any right to approve or disapprove any amendment, waiver, consent or any other action the Lenders or the Required Lenders have taken or may take hereunder, provided that any waiver, amendment or modification requiring the consent of all Lenders or each directly affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender.

**2.11. Appointment of Borrower Representative.**

(a) Each Borrower hereby irrevocably appoints and constitutes Borrower Representative as its agent and attorney-in-fact to request and receive Loans in the name or on behalf of such Borrower and any other Borrowers, deliver Notices of Borrowing, and Borrowing Base Certificates, give instructions with respect to the disbursement of the proceeds of the Loans, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants) in the name or on behalf of any Borrower or Borrowers pursuant to this Agreement and the other Loan Documents. Lender may disburse the Loans to such bank account of Borrower Representative or a Borrower or otherwise make such Loans to a Borrower, in each case as Borrower Representative may designate or direct, without notice to any other Borrower. Notwithstanding anything to the contrary contained herein, Lender may at any time and from time to time require that Loans to or for the account of any Borrower be disbursed directly to an operating account of such Borrower.

(b) Borrower Representative hereby accepts the appointment by Borrowers to act as the agent and attorney-in-fact of Borrowers pursuant to this Section 2.9. Borrower Representative shall ensure that the disbursement of any Loans that are at any time requested by or to be remitted to or for the account of a Borrower requested on behalf of a Borrower hereunder, shall be remitted or issued to or for the account of such Borrower.

(c) Each Borrower hereby irrevocably appoints and constitutes Borrower Representative as its agent to receive statements on account and all other notices from Lender with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents.

(d) Any notice, election, representation, warranty, agreement or undertaking made or delivered by or on behalf of any Borrower by Borrower Representative shall be deemed for all purposes to have been made or delivered by such Borrower, as the case may be, and shall be binding upon and enforceable against such Borrower to the same extent as if made or delivered directly by such Borrower.

(e) No resignation by or termination of the appointment of Borrower Representative as agent and attorney-in-fact as aforesaid shall be effective, except after ten (10) Business Days' prior written notice to Lender. If the Borrower Representative resigns under this Agreement, Borrowers shall be entitled to appoint a successor Borrower Representative (which shall be a Borrower and shall be reasonably acceptable to Lender as such successor). Upon the acceptance of its appointment as successor Borrower Representative hereunder, such successor Borrower Representative shall succeed to all the rights, powers and duties of the retiring Borrower Representative and the term "Borrower Representative" shall mean such successor Borrower Representative for all purposes of this Agreement and the other Loan Documents, and the retiring or terminated Borrower Representative's appointment, powers and duties as Borrower Representative shall be thereupon terminated.

**2.12. Joint and Several Liability**

(b) Joint and Several. Each Borrower hereby agrees that such Borrower is jointly and severally liable for the full and prompt payment (whether at stated maturity, by acceleration or otherwise) and performance of, all Obligations owed or hereafter owing to Agent and Lenders by each other Borrower. Each Borrower agrees that its obligation hereunder shall not be discharged until payment and performance, in full, of the Obligations has occurred, and that its obligations under this Section 2.12 shall be absolute and unconditional, irrespective of, and unaffected by,

(i) the genuineness, validity, regularity, enforceability or any future amendment of, or change in, this Agreement, any other Loan Document or any other agreement, document or instrument to which any Borrower is or may become a party;

(ii) the absence of any action to enforce this Agreement (including this Section 2.12) or any other Loan Document or the waiver or consent by Agent or any Lender with respect to any of the provisions thereof;

(iii) the existence, value or condition of, or failure to perfect Agent's Lien against, any security for the Obligations or any action, or the absence of any action, by Agent in respect thereof (including the release of any such security);

(iv) the insolvency of any Loan Party or Other Obligor; or

(v) any other action or circumstances that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor.

(c) Waivers by Borrowers. Each Borrower expressly waives all rights it may have now or in the future under any statute, or at common law, or at law or in equity, or otherwise, to compel Agent to marshal assets or to proceed in respect of the Obligations against any other Loan Party or Other Obligor, any other party or against any security for the payment and performance of the Obligations before proceeding against, or as a condition to proceeding against, such Borrower. It is agreed among each Borrower, Agent and Lenders that the foregoing waivers are of the essence of the transaction contemplated by this Agreement and the other Loan Documents and that, but for the provisions of this Section 2.12 and such waivers, Agent and Lenders would decline to enter into this Agreement.

(d) Benefit of Joint and Several Obligations. Each Borrower agrees that the provisions of this Section 2.12 are for the benefit of Agent and Lenders and their successors, transferees, endorsees and assigns, and nothing herein contained shall impair, as between any other Borrower, Agent and any Lender, the obligations of such other Borrower under the Loan Documents.

(e) Subordination of Subrogation, Etc. Notwithstanding anything to the contrary in this Agreement or in any other Loan Document, each Borrower hereby expressly and irrevocably subordinates to payment of the Obligations any and all rights at law or in equity to subrogation, reimbursement, exoneration, contribution, indemnification or set off and any and all defenses available to a surety, guarantor or accommodation co-obligor with respect to any other Loan Party or any Other Obligor until the Obligations are indefeasibly paid in full in cash. Each Borrower acknowledges and agrees that this subordination is intended to benefit Agent and Lenders and shall not limit or otherwise affect such Borrower's liability hereunder or the enforceability of this Section 2.12, and that Agent and Lenders and their successors and assigns are intended third party beneficiaries of the waivers and agreements set forth in this Section 2.12(d).

(f) Election of Remedies. If Agent may, under applicable law, proceed to realize its benefits under any of the Loan Documents giving Agent a Lien upon any Collateral, whether owned by any Borrower or by any other Person, either by judicial foreclosure or by non-judicial sale or enforcement, Agent may, at its sole option, determine which of its remedies or rights it may pursue without affecting any of its rights and remedies under this Section 2.12. If, in the exercise of any of its rights and remedies, Agent shall forfeit any of its rights or remedies, including its right to enter a deficiency judgment against any Borrower or any other Person, whether because of any applicable laws pertaining to "election of remedies" or the like, each Borrower hereby consents to such action by Agent and waives any claim based upon such action, even if such action by Agent shall result in a full or partial loss of any rights of subrogation that each Borrower might otherwise have had but for such action by Agent.

(g) Contribution with Respect to Guaranty Obligations.

(i) To the extent that any Borrower shall make a payment under this Section 2.12 of all or any of the Obligations (other than Loans made to that Borrower for which it is primarily liable) (a "***Guarantor Payment***") that, taking into account all other Guarantor Payments then previously or concurrently made by any other Borrower, exceeds the amount that such Borrower would otherwise have paid if each Borrower had paid the aggregate Obligations satisfied by such Guarantor Payment in the same proportion that such Borrower's "Allocable Amount" (as defined below) (as determined immediately prior to such Guarantor Payment) bore to the aggregate Allocable Amounts of each of the Borrowers as determined immediately prior to the making of such Guarantor Payment, then, following indefeasible payment in full in cash of the Obligations and termination of the Commitments, such Borrower shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Borrower for the amount of such excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment.

(ii) As of any date of determination, the "***Allocable Amount***" of any Borrower shall be equal to the maximum amount of the claim that could then be recovered from such Borrower under this Section 2.12 without rendering such claim voidable or avoidable under Section 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law.

(iii) This Section 2.12(f) is intended only to define the relative rights of Borrowers and nothing set forth in this Section 2.12(f) is intended to or shall impair the obligations of Borrowers, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Agreement, including Section 2.12(a). Nothing contained in this Section 2.12(f) shall limit the liability of any Borrower to pay the Loans made directly or indirectly to that Borrower and accrued interest, fees and expenses with respect thereto for which such Borrower shall be primarily liable.

(iv) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of each Borrower to which such contribution and indemnification is owing.

(v) The rights of the indemnifying Borrowers against other Loan Parties under this Section 2.12(f) shall be exercisable upon the full and indefeasible payment of the Obligations and the termination of the Commitments.

(h) Liability Cumulative. The liability of Borrowers under this Section 2.12 is in addition to and shall be cumulative with all liabilities of each Borrower to Agent and Lenders under this Agreement and the other Loan Documents to which such Borrower is a party or in respect of any Obligations or obligation of the other Borrower, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

**3. INTEREST AND FEES; LOAN ACCOUNT**.

**3.1. Interest**. All Loans and other monetary Obligations shall bear interest at the interest rate(s) set forth in Section 3 of Annex I, and accrued interest shall be payable (a) on the first day of each month in arrears, (b) upon a prepayment of Loan in accordance with Section 2.6 and (c) on the Maturity Date; ***provided***, that after the occurrence and during the continuation of an Event of Default and upon written demand by Agent (excluding an Event of Default under Section 11.1(g) or (h)), all Loans and other monetary Obligations shall bear interest at a rate per annum equal to two (2) percentage points (2.00%) in excess of the rate otherwise applicable thereto (the ***"Default Rate"***), and all such interest shall be payable on demand. Changes in the interest rate shall be effective as of the first day of each month based on the LIBOR Rate or Base Rate, as applicable, in effect on such date. Subject to Section 3.6 and so long as no Event of Default shall have occurred and be continuing, all Loans shall constitute LIBOR Loans. Upon the occurrence and during the continuance of an Event of Default, at the election of Agent or Required Lenders, all Loans shall constitute Base Rate Loans.

**3.2. Fees**. Borrowers shall pay Agent the following fees on the dates provided therefor, which fees are in addition to all fees and other sums payable by Borrowers or any other Person to Agent under this Agreement or under any other Loan Document and, in each case, are not refundable once paid:

(a) **Closing Fee.** A fee, for the ratable benefit of the Lenders, equal to $**495,000** (the ***"Closing Fee"***), which shall be deemed to be fully earned and payable as of the Closing Date.

(b) **Monthly Administration Fee.** A monthly fee, for the sole benefit of Agent, equal to $**3,000** (the ***"Monthly Administration Fee"***) for each month, or part thereof prior to the Termination Date. The Monthly Administration Fee shall payable monthly in advance due and on the first day of each month following the Closing Date.

(c) **Unused Line Fee.** An unused line fee (the ***"Unused Line Fee"***), for the ratable benefit of the Lenders, equal to one half of one percent (0.50%) per annum of the amount by which (i) the Maximum Revolving Facility Amount, calculated without giving effect to any Reserves or the Availability Block applied to the Maximum Revolving Facility Amount, exceeds (ii) the average daily outstanding principal balance of the Revolving Loans during the immediately preceding month (or part thereof), which fee shall be deemed to be fully earned and payable, in arrears, on the first day of each month until the Termination Date.

(d) **Reserved**.

(e) **Early Payment/Termination Premium.** In the event that, for any reason (including as a result of any voluntary or mandatory prepayment of the Loans, any acceleration of the Loans resulting from an Event of Default, any foreclosure and sale of Collateral, or any sale of Collateral in any bankruptcy or insolvency proceeding), all or any portion of the Lenders' commitment to make Revolving Loans is terminated prior to the Scheduled Maturity Date, in each case pursuant to Section 2.6(d)**,** Section 11.2 or otherwise, then in each such case, in addition to the payment of the principal amount and all unpaid accrued interest and other amounts due thereon, Borrowers immediately shall be required to pay to Agent, for the ratable benefit of the Lenders, a premium (each, an ***"Early Payment/Termination Premium"***) (as liquidated damages and compensation for the cost of the Lenders being prepared to make funds available under this Agreement with respect to such Loans during the scheduled term of this Agreement) in an amount equal to the Applicable Percentage (as defined below) of the amount of any such Revolving Loan commitment termination, as applicable. In each such case, the ***"Applicable Percentage"*** shall be (A) two percent (2.0%), if such event occurs on or before the first anniversary of the Closing Date, or (B) one percent (1.0%) if such event occurs after the first anniversary of the Closing Date, but on or before the second anniversary of the Closing Date, or (C) zero percent (0.0%) if after the second anniversary of the Closing Date. Each Borrower acknowledges and agrees that (x) the provisions of this paragraph shall remain in full force and effect notwithstanding any rescission by Agent of an acceleration with respect to all or any portion of the Obligations pursuant to Section 11.2 or otherwise, (y) payment of any Early Payment/Termination Premium under this paragraph constitutes liquidated damages and not a penalty and (z) the actual amount of damages to Lenders or profits lost by Lenders as a result of such early payment or termination would be impracticable and extremely difficult to ascertain, and the Early Payment/Termination Premium under this paragraph is provided by mutual agreement of Borrowers and Lenders as a reasonable estimation and calculation of such lost profits or damages of Borrowers and Lenders..

**3.3. Computation of Interest and Fees**.

(a) All interest and fees shall be calculated daily on the outstanding monetary Obligations based on the actual number of days elapsed in a year of 360 days.

(b) For the purposes of the Interest Act (Canada), as amended, and disclosure under such act, whenever interest to be paid under this Agreement is to be calculated on the basis of a year of 365 or 366 days or any other period of time that is less than a calendar year, the yearly rate of interest to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by either 365 or 366 or such other period of time, as the case may be.

**3.4. Loan Account; Monthly Accountings**. Agent shall maintain a loan account for Borrowers reflecting all outstanding Loans, along with interest accrued thereon and such other items reflected therein (the ***"Loan Account"***), and shall provide Borrower Representative with a monthly accounting reflecting the activity in the Loan Account, viewable by Borrowers on ABLSoft. Each accounting shall be deemed correct, accurate and binding on Borrowers and an account stated (except for reverses and reapplications of payments made and corrections of errors discovered by Agent), unless Borrower Representative notifies Agent in writing to the contrary within thirty days after such account is rendered, describing the nature of any alleged errors or omissions. However, Agent's failure to maintain the Loan Account or to provide any such accounting shall not affect the legality or binding nature of any of the Obligations. Interest, fees and other monetary Obligations due and owing under this Agreement may, in Agent's discretion, be charged to the Loan Account, and will thereafter be deemed to be Revolving Loans and will bear interest at the same rate as other Revolving Loans.

**3.5. Further Obligations; Maximum Lawful Rate**. With respect to all monetary Obligations for which the interest rate is not otherwise specified herein (whether such Obligations arise hereunder or under any other Loan Document, or otherwise), such Obligations shall bear interest at the rate(s) in effect from time to time with respect to the Revolving Loans and shall be payable upon demand by Agent. In no event shall the interest charged with respect to any Loan or any other Obligation exceed the maximum amount permitted under applicable law. Notwithstanding anything to the contrary herein or elsewhere, if at any time the rate of interest payable or other amounts hereunder or under any other Loan Document (the ***"Stated Rate"***) would exceed the highest rate of interest or other amount permitted under any applicable law to be charged (the ***"Maximum Lawful Rate"***), then for so long as the Maximum Lawful Rate would be so exceeded, the rate of interest and other amounts payable shall be equal to the Maximum Lawful Rate; ***provided***, that if at any time thereafter the Stated Rate is less than the Maximum Lawful Rate, Borrowers shall, to the extent permitted by applicable law, continue to pay interest and such other amounts at the Maximum Lawful Rate until such time as the total interest and other such amounts received is equal to the total interest and other such amounts which would have been received had the Stated Rate been (but for the operation of this provision) the interest rate payable or such other amounts payable. Thereafter, the interest rate and such other amounts payable shall be the Stated Rate unless and until the Stated Rate again would exceed the Maximum Lawful Rate, in which event this provision shall again apply. In no event shall the total interest or other such amounts received by Agent exceed the amount which it could lawfully have received had the interest and other such amounts been calculated for the full term hereof at the Maximum Lawful Rate. If, notwithstanding the prior sentence, Agent has received interest or other such amounts hereunder in excess of the Maximum Lawful Rate, such excess amount shall be applied to the reduction of the principal balance of the Loans or to other Obligations (other than interest) payable hereunder, and if no such principal or other Obligations are then outstanding, such excess or part thereof remaining shall be paid to Borrowers. In computing interest payable with reference to the Maximum Lawful Rate applicable to any Lender, such interest shall be calculated at a daily rate equal to the Maximum Lawful Rate divided by the number of days in the year in which such calculation is made.

**3.6. Certain Provisions Regarding LIBOR Loans; Replacement of Lenders**.

(a) **Inadequate or Unfair Basis**. If Agent or any Lender reasonably determines (which determination shall be binding and conclusive on Borrowers) that, by reason of circumstances affecting the interbank Eurodollar market, adequate and reasonable means do not exist for ascertaining the applicable LIBOR Rate, then Agent or such Lender shall promptly notify Borrower Representative (and Agent, if applicable) thereof and, so long as such circumstances shall continue, (i) Agent and/or such Lender shall be under no obligation to make any LIBOR Loans and (ii) on the last day of the current calendar month, each LIBOR Loan shall, unless then repaid in full, automatically convert to a Base Rate Loan.

(b) **Change in Law**. If any change in, or the adoption of any new, law, treaty or regulation, or any change in the interpretation of any applicable law or regulation by any Governmental Authority charged with the administration thereof, would make it (or in the good faith judgment of Agent or the applicable Lender cause a substantial question as to whether it is) unlawful for Agent or such Lender to make, maintain or fund LIBOR Loans, then Agent or such Lender shall promptly notify Borrower Representative and, so long as such circumstances shall continue, (i) Agent or such Lender shall have no obligation to make any LIBOR Loan and (ii) on the last day of the current calendar month for each LIBOR Loan (or, in any event, on such earlier date as may be required by the relevant law, regulation or interpretation), such LIBOR Loan shall, unless then repaid in full, automatically convert to a Base Rate Loan.

(c) If any Borrower becomes obligated to pay additional amounts to any Lender pursuant to Section 2.7(b), or any Lender gives notice of the occurrence of any circumstances described in Section 2.7(b), or if Lender becomes a Defaulting Lender, Borrowers may designate another Person engaged in the making of commercial loans in the ordinary course of business which is acceptable to Agent in its sole discretion (such other Person being called a "***Replacement Lender***") to purchase the Loans and Commitments of such Lender and such Lender's rights hereunder, without recourse to or warranty by, or expense to, such Lender, for a purchase price equal to the outstanding principal amount of the Loans payable to such Lender plus any accrued but unpaid interest on such Loans and all accrued but unpaid fees owed to such Lender and any other amounts payable to such Lender under this Agreement, and to assume all the obligations of such Lender hereunder, and, upon such purchase and assumption (pursuant to an Assignment and Assumption), such Lender shall no longer be a party hereto or have any rights hereunder (other than rights with respect to indemnities and similar rights applicable to such Lender prior to the date of such purchase and assumption) and shall be relieved from all obligations to Borrowers hereunder, and the Replacement Lender shall succeed to the rights and obligations of such Lender hereunder.

(d) **LIBOR Discontinuation**. Notwithstanding anything contained herein to the contrary, if Agent reasonably determines after the Closing Date that the LIBOR Rate has been discontinued or is no longer available as a benchmark interest rate, Agent shall select a comparable successor rate in its reasonable discretion (in consultation with the Borrowers), which successor rate shall be applied in a manner consistent with market practice taking into account the benchmark interest rates applicable to funding sources for the Lenders, and will promptly so notify each Lender.

**4. CONDITIONS PRECEDENT**.

**4.1. Conditions to Initial Loans**.

Each Lender's obligation to fund the initial Loans under this Agreement is subject to the following conditions precedent (as well as any other conditions set forth in this Agreement or any other Loan Document), all of which must be satisfied in a manner acceptable to Agent (and as applicable, pursuant to documentation which in each case is in form and substance acceptable to Agent):

(a) each Loan Party Obligor shall have duly executed and/or delivered, or, as applicable, shall have caused such other applicable Persons to have duly executed and or delivered, to Agent such agreements, instruments, documents, proxies, financial statements, projections, lien searches, legal opinions, title insurances, assessments, appraisals, and certificates as Agent may require, including such other agreements, instruments, documents, proxies, financial statements, projections, lien searches, legal opinions, title insurance, assessments, appraisals, and certificates listed on the closing checklist attached hereto as Exhibit B;

(b) Agent shall have completed its business and legal due diligence pertaining to the Loan Parties and their respective businesses and assets, with results thereof satisfactory to Agent in its sole discretion;

(c) each Lender's obligations and commitments under this Agreement shall have been approved by such Lender's Credit Committee;

(d) after giving effect to such Loans, as well as to the payment of all trade payables older than sixty days past due and the consummation of all transactions contemplated hereby to occur on the Closing Date, closing costs and any book overdraft, Excess Availability shall be no less than $2,000,000;

(e) since December 31, 2018, no event shall have occurred which has had, or could reasonably be expected to have, a Material Adverse Effect on any Loan Party;

(f) Borrowers shall have paid to Agent all fees due on the date hereof, and shall have paid or reimbursed Agent for all of Agent's costs, charges and expenses incurred through the Closing Date (and in connection herewith, Borrowers hereby irrevocably authorizes Agent to charge such fees, costs, charges and expenses as Revolving Loans);

(g) the HHG Note shall have been funded; and

(h) Agent shall have received PDFs of the following that shall have been delivered to the Term Loan Agent: (i) original stock certificates or other certificates evidencing the Pledged Equity pledged pursuant to the Security Documents (as defined in the Term Loan Documents), together with an undated stock (or equivalent) power for each such certificate duly executed in blank by the registered owner thereof and (ii) each original promissory note pledged pursuant to the Security Documents (as defined in the Term Loan Documents), if any, together with an undated endorsement for each such promissory note duly executed in blank by the holder thereof.

**4.2. Conditions to all Loans**. No Lender shall be obligated to fund any Loans, unless the following conditions are satisfied:

(a) Borrower Representative shall have provided to Agent such information as Agent may require in order to determine the Borrowing Base (including the items set forth in Section 7.15(a), (b) and (c) (as applicable)), as of such borrowing or issue date, after giving effect to such Loans;

(b) each of the representations and warranties set forth in this Agreement and in the other Loan Documents shall be true and correct in all respects as of the date such Loan is made (or, to the extent any representations or warranties are expressly made solely as of an earlier date, such representations and warranties shall be true and correct as of such earlier date), both before and after giving effect thereto;

(c) no Default or Event of Default shall be in existence, both before and after giving effect thereto; and

(d) no event shall have occurred or circumstance shall exist that has or could reasonably be expected to have a Material Adverse Effect.

Each request (or deemed request) by Borrowers for funding of a Loan shall constitute a representation by each Borrower that the foregoing conditions are satisfied on the date of such request and on the date of such funding or issuance. As an additional condition to any funding, issuance or grant, Agent shall have received such other information, documents, instruments and agreements as it deems appropriate in connection therewith.

**5. COLLATERAL**.

**5.1. Grant of Security Interest**. To secure the full payment and performance of all of the Obligations, each Loan Party Obligor hereby assigns to Agent and grants to Agent, for itself and on behalf of the Lenders, a continuing security interest in all property of each Loan Party Obligor, whether tangible or intangible, real or personal, now or hereafter owned, existing, acquired or arising and wherever now or hereafter located, and whether or not eligible for lending purposes, including: (a) all Accounts (whether or not Eligible Accounts) and all Goods whose sale, lease or other disposition by any Loan Party Obligor has given rise to Accounts and have been returned to, or repossessed or stopped in transit by, any Loan Party Obligor; (b) all Chattel Paper (including Electronic Chattel Paper), Instruments, Documents, and General Intangibles (including all patents, patent applications, trademarks, trademark applications, trade names, trade secrets, goodwill, copyrights, copyright applications, registrations, licenses, software, franchises, customer lists, tax refund claims, claims against carriers and shippers, guaranty claims, contracts rights, payment intangibles, security interests, security deposits and rights to indemnification); (c) all Inventory (whether or not Eligible Inventory); (d) all Goods (other than Inventory), including Equipment, vehicles, and Fixtures; (e) all Investment Property, including all rights, privileges, authority, and powers of each Loan Party Obligor as an owner or as a holder of Pledged Equity, including all economic rights, all control rights, authority and powers, and all status rights of each Loan Party Obligor as a member, equity holder or shareholder, as applicable, of each Issuer and any rights related to any Loan Party Obligors' capital account within the Issuer in respect of Investment Property; (f) all Deposit Accounts, bank accounts, deposits, money and cash; (g) all Letter-of-Credit Rights; (h) all Commercial Tort Claims listed in Section 2 of the Perfection Certificate; (i) all Supporting Obligations; (j) all life insurance policies; (k) all leases; (l) any other property of any Loan Party Obligor now or hereafter in the possession, custody or control of Agent or any agent or any parent, Affiliate or Subsidiary of Agent, any Lender or any Participant with Lender in the Loans, for any purpose (whether for safekeeping, deposit, collection, custody, pledge, transmission or otherwise); and (n) all additions and accessions to, substitutions for, and replacements, products and Proceeds of the foregoing property, including proceeds of all insurance policies insuring the foregoing property (including hazard, flood and credit insurance), and all of each Loan Party Obligor's books and records relating to any of the foregoing and to any Loan Party's business.

**5.2. Possessory Collateral**. Promptly, but in any event no later than five Business Days after any Loan Party Obligor's receipt of any portion of the Collateral evidenced by an agreement, Instrument or Document that is ABL Priority Collateral, including any Tangible Chattel Paper and any Investment Property consisting of certificated securities, such Loan Party Obligor shall deliver the original thereof to Agent together with an appropriate endorsement or other specific evidence of assignment thereof to Agent (in form and substance acceptable to Agent). If an endorsement or assignment of any such items shall not be made for any reason, Agent is hereby irrevocably authorized, as attorney and agent-in-fact (coupled with an interest) for each Loan Party Obligor, to endorse or assign the same on such Loan Party Obligor's behalf. To the extent that such Collateral is Term Loan Priority Collateral, the Loan Party Obligor shall deliver copies of the Collateral delivered to the Term Loan Agent.

**5.3. Further Assurances.** Each Loan Party Obligor shall, at its own cost and expense, promptly and duly take, execute, acknowledge and deliver (or cause each other applicable Person to take, execute, acknowledge and deliver) all such further acts, documents, agreements and instruments as may from time to time be necessary or desirable or as Agent may from time to time require in order to (a) carry out the intent and purposes of the Loan Documents and the transactions contemplated thereby, (b) establish, create, preserve, protect and perfect a first priority lien (subject only to Permitted Liens) in favor of Agent in all the ABL Priority Collateral (wherever located) from time to time owned by the Loan Party Obligors and a second priority lien (subject only to Permitted Liens) in favor of Agent in all capital stock and other equity from time to time issued by the Loan Parties (including appraisals of real property in compliance with FIRREA), (c) cause each Subsidiary of any Borrower to guaranty all of the Obligations, all pursuant to documentation that is in form and substance reasonably satisfactory to Agent and (d) facilitate the collection of the Collateral. **5.4. UCC Financing Statements**. Each Loan Party Obligor authorizes Agent to file, transmit or communicate, as applicable, from time to time, Financing Statements under the UCC and/or PPSA, along with amendments and modifications thereto, in all filing offices selected by Agent, listing such Loan Party Obligor as the Debtor and Agent as the Secured Party, and describing the collateral covered thereby in such manner as Agent may elect, including using descriptions such as "all personal property of debtor" or "all assets of debtor," or words of similar effect, in each case without such Loan Party Obligor's signature. Each Loan Party Obligor also hereby ratifies its authorization for Agent to have filed, in any filing office, any Financing Statements filed prior to the date hereof.

Notwithstanding anything in Section 5.1 or any other provision of this Agreement or any other Loan Document, the “Collateral” shall exclude any Excluded Property; provided, if and when any Property shall cease to be Excluded Property, such Property shall be deemed, at all times from and after such date and so long as such Property of the type set forth in clauses (a) through (n) of Section 5.1 does not at any time thereafter become an Excluded Property, to constitute Collateral. For the avoidance of doubt, Excluded Property shall not include any proceeds, products, substitutions or replacements of Excluded Property (unless such proceeds, products, substitutions or replacements would otherwise constitute Excluded Property).

**6.1. Lock Boxes and Blocked Accounts**. Each Loan Party Obligor hereby represents and warrants that all Deposit Accounts and all other depositary and other accounts maintained by each Loan Party Obligor as of the Closing Date are described in Section 3 of the Perfection Certificate, which description includes for each such account the name of the Loan Party Obligor maintaining the account, the name of the financial institution at which the account is maintained, the account number and the purpose of the account. Within 45 days after the Closing Date, Section 3 of the Perfection Certificate shall be updated to reflect the new accounts and the existing accounts shall be closed. After the Closing Date, no Loan Party Obligor shall open any new Deposit Account or any other depositary or other account without the prior written consent of Agent and without updating Section 3 of the Perfection Certificate to reflect such Deposit Account or other account. No Deposit Account or other account of any Loan Party Obligor shall at any time constitute a Restricted Account other than accounts expressly indicated on Section 3 of the Perfection Certificate as being Restricted Accounts (and each Loan Party Obligor hereby represents and warrants that each such account shall at all times meet the requirements set forth in the definition of Restricted Account to qualify as a Restricted Account). Each Loan Party Obligor will, at its expense, establish (and revise from time to time as Agent may require) procedures acceptable to Agent, in Agent's sole discretion, for the collection of checks, wire transfers and all other proceeds of all of such Loan Party Obligor's Accounts and other Collateral (***"Collections"***), which shall include (a) directing all Account Debtors to send all Account proceeds directly to a post office box designated by Agent either in the name of such Loan Party Obligor (but as to which Agent has exclusive access) or, at Agent's option, in the name of Agent (a ***"Lock Box"***) and (b) depositing all Collections received by such Loan Party Obligor into one or more bank accounts maintained in the name of such Loan Party Obligor (but as to which Agent has exclusive access) or, at Agent's option, in the name of Agent (each, a ***"Blocked Account"***), under an arrangement acceptable to Agent with a depository bank acceptable to Agent, pursuant to which all funds deposited into each Blocked Account are to be transferred to Agent in such manner, and with such frequency, as Agent shall specify, and/or (c) a combination of the foregoing. Each Loan Party Obligor agrees to execute, and to cause its depository banks and other account holders to execute, such Lock Box and Blocked Account control agreements and other documentation as Agent shall require from time to time in connection with the foregoing, all in form and substance acceptable to Agent, and in any event such arrangements and documents must be in place on the date hereof with respect to accounts in existence on the date hereof, or prior to any such account being opened with respect to any such account opened after the date hereof, in each case excluding Restricted Accounts. Prior to the Closing Date, Borrowers shall deliver to Agent a complete and executed Authorized Accounts form regarding each Borrower's operating account(s) into which the proceeds of Loans are to be paid in the form of Exhibit D annexed hereto.

**6.2. Application of Payments**. All amounts paid to or received by Agent in respect of monetary Obligations, from whatever source (whether from any Borrower or any other Loan Party Obligor pursuant to such other Loan Party Obligor's guaranty of the Obligations, any realization upon any Collateral or otherwise) shall be applied by Agent to the Obligations in such order as Agent may elect, and absent such election shall be applied as follows:

(i) **FIRST**, to reimburse Agent for all out-of-pocket costs and expenses, and all indemnified losses, incurred by Agent which are reimbursable to Agent in accordance with this Agreement or any of the other Loan Documents;

(ii) **SECOND**, to any accrued but unpaid interest on any Protective Advances;

(iii) **THIRD**, to the outstanding principal of any Protective Advances;

For purposes of determining the Borrowing Base, such amounts will be credited to the Loan Account and the Collateral balances to which they relate upon Agent's receipt of an advice from Agent's Bank (set forth in Section 5 of Annex I) that such items have been credited to Agent's account at Agent's Bank (or upon Agent's deposit thereof at Agent's Bank in the case of payments received by Agent in kind), in each case subject to final payment and collection. However, for purposes of computing interest on the Obligations, such items shall be deemed applied by Agent three Business Days after Agent 's receipt of advice of deposit thereof at Agent's Bank.

**6.3. Notification; Verification**. Agent or its designee may, from time to time: (a) whether or not a Default or Event of Default has occurred and is continuing, verify directly with the Account Debtors of the Loan Party Obligors (or by any manner and through any medium Agent considers advisable) the validity, amount and other matters relating to the Accounts and Chattel Paper of the Loan Party Obligors, by means of mail, telephone or otherwise, either in the name of the applicable Loan Party Obligor or Agent or such other name as Agent may choose (provided, however, that no Default or Event of Default has occurred or is continuing, Agent shall consult with Borrower Representative on the method of such verification); (b) whether or not a Default or Event of Default has occurred, notify Account Debtors of the Loan Party Obligors that Agent has a security interest in the Accounts of the Loan Party Obligors and direct such Account Debtors to make payment thereof directly to Agent; each such notification to be sent on the letterhead of such Loan Party Obligor and substantially in the form of Exhibit E annexed hereto; and (c) following the occurrence and during the continuance of a Default or Event of Default, demand, collect or enforce payment of any Accounts and Chattel Paper (but without any duty to do so) and, in furtherance of the foregoing, each Loan Party Obligor hereby authorizes Account Debtors to make payments directly to Agent and to rely on notice from Agent without further inquiry. Agent may on behalf of each Loan Party Obligor endorse all items of payment received by Agent that are payable to such Loan Party Obligor for the purposes described above.

**6.4. Power of Attorney**.

Without limiting any of Agent's and the other Lenders' other rights under this Agreement or any other Loan Document, each Loan Party Obligor hereby grants to Agent an irrevocable power of attorney, coupled with an interest, authorizing and permitting Agent (acting through any of its officers, employees, attorneys or agents), at Agent's option but without obligation, with or without notice to such Loan Party Obligor, and at each Loan Party Obligor's expense, to do any or all of the following, in such Loan Party Obligor's name or otherwise:

(a) at any time, whether or not an Event of Default has occurred or is continuing, (i) execute on behalf of such Loan Party Obligor any documents that Agent may, in its sole discretion, deem advisable in order to perfect, protect and maintain Agent's security interests, and priority thereof, in the Collateral and to fully consummate all the transactions contemplated by this Agreement and the other Loan Documents (including such Financing Statements and continuation Financing Statements, and amendments or other modifications thereto, as Agent shall deem necessary or appropriate) and to notify Account Debtors of the Loan Party Obligors in the manner contemplated by Section 6.3, (ii) endorse such Loan Party Obligor's name on all checks and other forms of remittances received by Agent, (iii) pay any sums required on account of such Loan Party Obligor's taxes or to secure the release of any Liens therefor, (iv) pay any amounts necessary to obtain, or maintain in effect, any of the insurance described in Section 7.14, (v) receive and otherwise take control in any manner of any cash or non-cash items of payment or Proceeds of Collateral, (vi) receive and open all mail addressed to such Loan Party Obligor at any post office box or lockbox maintained by Agent for such Loan Party Obligor or at any other business premises of Agent and (vii) endorse or assign to Agent on such Loan Party Obligor's behalf any portion of Collateral evidenced by an agreement, Instrument or Document if an endorsement or assignment of any such items is not made by such Loan Party Obligor pursuant to Section 5.2; and

(b) at any time, after the occurrence and during the continuance of an Event of Default, (i) execute on behalf of such Loan Party Obligor any document exercising, transferring or assigning any option to purchase, sell or otherwise dispose of or lease (as lessor or lessee) any real or personal property which is ABL Priority Collateral, (ii) execute on behalf of such Loan Party Obligor any invoices relating to any Accounts, any draft against any Account Debtor, any proof of claim in bankruptcy, any notice of Lien or claim, and any assignment or satisfaction of mechanic's, materialman's or other Lien, (iii) execute on behalf of such Loan Party Obligor any notice to any Account Debtor, (iv) pay, contest or settle any Lien, charge, encumbrance, security interest and adverse claim in or to any of the Collateral, or any judgment based thereon, or otherwise take any action to terminate or discharge the same, (v) grant extensions of time to pay, compromise claims relating to, and settle Accounts, Chattel Paper and General Intangibles for less than face value and execute all releases and other documents in connection therewith, (vi) settle and adjust, and give releases of, any insurance claim that relates to any of the ABL Priority Collateral and obtain payment therefor, (vii) instruct any third party having custody or control of any ABL Priority Collateral or books or records belonging to, or relating to, such Loan Party Obligor to give Agent the same rights of access and other rights with respect thereto as Agent has under this Agreement or any other Loan Document, (viii) change the address for delivery of such Loan Party Obligor's mail, and (ix) vote any right or interest with respect to any Investment Property (if it is the Control Agent), and (x) instruct any Account Debtor to make all payments due to any Loan Party Obligor directly to Agent.

Any and all sums paid, and any and all costs, expenses, liabilities, obligations and reasonable attorneys' fees (internal and external counsel) of Agent with respect to the foregoing shall be added to and become part of the Obligations, shall be payable on demand, and shall bear interest at a rate equal to the highest interest rate applicable to any of the Obligations. Each Loan Party Obligor agrees that Agent's rights under the foregoing power of attorney and any of Agent's other rights under this Agreement or the other Loan Documents shall not be construed to indicate that Agent or any Lender is in control of the business, management or properties of any Loan Party Obligor.

**6.5. Disputes**. Each Loan Party Obligor shall promptly notify Agent of all disputes or claims relating to its Accounts and Chattel Paper in each case in excess of $100,000. Each Loan Party Obligor agrees that it will not, without Agent's prior written consent, compromise or settle any of its Accounts or Chattel Paper for less than the full amount thereof, grant any extension of time for payment of any of its Accounts or Chattel Paper, release (in whole or in part) any Account Debtor or other person liable for the payment of any of its Accounts or Chattel Paper or grant any credits, discounts, allowances, deductions, return authorizations or the like with respect to any of its Accounts or Chattel Paper; except (unless otherwise directed by Agent during the existence of a Default or an Event of Default) such Loan Party Obligor may take any of such actions in the Ordinary Course of Business consistent with past practices.

**6.6. Invoices**. Within a reasonable time following Agent's request, each Loan Party Obligor will cause all invoices and statements that it sends to Account Debtors or other third parties to be marked and authenticated, in a manner reasonably satisfactory to Agent, to reflect Agent's security interest therein and payment instructions (including, but not limited to, in a manner to meet the requirements of Section 9-404(a)(2) of the UCC or, in the case of the Canadian Borrowers, the PPSA, as applicable).

**6.7. Inventory**.

(a) **Returns.** No Loan Party Obligor will accept returns of any Inventory from any Account Debtor except in the Ordinary Course of Business. In the event the value of returned Inventory in any one calendar month exceeds $500,000 (collectively for all Loan Party Obligors), Borrower Representative will immediately notify Agent (which notice shall specify the value of all such returned Inventory, the reasons for such returns, and the locations and the condition of such returned Inventory).

(b) **Third Party Locations.** No Loan Party Obligor will, without Agent's prior written consent, at any time, store any Inventory with any warehouseman or other third party other than (i) as set forth in Section 1(d) of the Perfection Certificate, (ii) Permitted Asset Dispositions, (iii) at other locations in the United States or Canada, upon 30 Business Days' prior written notice to Agent (and Section 1(d) of the Perfection Certificate will be updated to reflect such location), (iv) transport Collateral to trade shows or other industry expositions for marketing purposes in the Ordinary Course of Business, (v) send Equipment to repair facilities in the Ordinary Course of Business, and (iv) allow employees to utilize Collateral at remote locations in the Ordinary Course of Business.

Each Loan Party is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization (which jurisdiction is identified in Section 1(a) of the Perfection Certificate) and is qualified to do business in each jurisdiction in which the failure to be qualified would have a Material Adverse Effect. Each Loan Party has all requisite power and authority to own and operate its properties, to carry on its business as now conducted and as proposed to be conducted, to enter into the Loan Documents to which it is a party and to carry out the transactions contemplated thereby. The execution, delivery and performance by each Loan Party Obligor of this Agreement and all of the other Loan Documents to which such Loan Party Obligor is a party have been duly and validly authorized, do not violate such Loan Party Obligor's Governing Documents or any law or any material agreement or instrument or any court order which is binding upon any Loan Party or its property, do not constitute grounds for acceleration of any Indebtedness or obligation under any material agreement or instrument which is binding upon any Loan Party or its property, and do not require the consent of any Person. Each Loan Party Obligor shall preserve and maintain all of its leases, licenses, permits, franchises qualifications, and rights except where the failure to so maintain would be reasonably likely to have a Material Adverse Effect. No Loan Party is required to obtain any government approval, consent, or authorization from, or to file any declaration or statement with, any Governmental Authority in connection with or as a condition to the execution, delivery or performance of any of the Loan Documents. This Agreement and each of the other Loan Documents have been duly executed and delivered by, and are enforceable against, each of the Loan Party Obligors who have signed them, in accordance with their respective terms. **7.3. Title to Collateral; Third Party Locations; Permitted Liens**. Each Loan Party Obligor has, and at all times will continue to have, good and marketable title to all of the Collateral. The Collateral now is, and at all times will remain, free and clear of any and all Liens, except for Permitted Liens. Agent now has, and will at all times continue to have, a second-priority perfected and enforceable security interest in all of the Collateral not constituting ABL Priority Collateral, subject only to the Permitted Liens, and each Loan Party Obligor will at all times defend Agent and such Collateral against all claims of others. Except for leases or subleases as to which Borrowers have delivered to Agent a landlord's waiver in form and substance reasonably satisfactory to Agent (unless waived by Agent in its sole discretion; ***provided***, that such waiver may be conditioned upon Agent establishing a rent or other similar Reserve satisfactory to Agent in its sole discretion), no Loan Party Obligor is or will be a lessee or sublessee under any real property lease or sublease. Except for warehouses as to which Borrowers have delivered to Agent a warehouseman's waiver in form and substance reasonably satisfactory to Agent (unless waived by Agent in its sole discretion; ***provided***, that such waiver may be conditioned upon Agent establishing a rent or other similar Reserve satisfactory to Agent in its sole discretion), no Loan Party Obligor is or will at any time be a bailor of any Goods at any warehouse or otherwise. Except as provided in Section 6.7(b), prior to causing or permitting any Collateral to at any time be located upon premises in which any third party (including any landlord, warehouseman, or otherwise) has an interest, Borrower Representative shall notify Agent and the applicable Loan Party Obligor shall cause each such third party to execute and deliver to Agent, in form and substance reasonably acceptable to Agent, such waivers, collateral access agreements, and subordinations as Agent shall specify, so as to, among other things, ensure that Agent's rights in the Collateral are, and will at all times continue to be, superior to the rights of any such third party and that Agent has access to such Collateral. Each applicable Loan Party Obligor will keep at all times in full force and effect, and will comply at all times with all the terms of, any lease of real property where any of the Collateral now or in the future may be located.

(c) All of the Pledged Equity has been duly and validly issued and is fully paid and non-assessable, and the holders thereof are not entitled to any preemptive, first refusal or other similar rights. There are no outstanding options, warrants or similar agreements, documents, or instruments with respect to any of the Pledged Equity except in favor of the Term Loan Agent.

(d) Each Loan Party Obligor has caused each Issuer to amend or otherwise modify its Governing Documents, books, records, and related agreements, documents and instruments, as applicable, to reflect the rights and interests of the Term Loan Agent, and to the extent required to enable and empower Term Loan Agent to exercise and enforce its rights and remedies hereunder in respect of the Pledged Equity and other Investment Property.

(h) No Loan Party Obligor shall take, or fail to take, any action that would in any manner impair the value or the enforceability of Term Loan Agent's Lien on any of the Investment Property, or any of Term Loan Agent's rights or remedies under this Term Loan Documents with respect to any of the Investment Property.

(i) In the case of any Loan Party Obligor which is an Issuer, such Issuer agrees that the terms of Section 11.3(g)(iii) shall apply to such Loan Party Obligor with respect to all actions that may be required of it pursuant to such Section 11.3(g)(iii) regarding the Investment Property issued by it.

(j) Each Loan Party Obligor has made all capital contributions heretofore required to be made to the respective Issuer in respect of any Investment Property constituting limited liability company interests and no additional capital contributions are required to be made in respect of the respective limited liability company interests.

**7.7. Commercial Tort Claims**. No Loan Party Obligor has any Commercial Tort Claims in excess of $100,000 pending other than those listed in Section 2 of the Perfection Certificate, and each Loan Party Obligor shall promptly (but in any case, no later than five Business Days thereafter) notify Agent in writing upon incurring or otherwise obtaining a Commercial Tort Claim after the date hereof against any third party. Such notice shall constitute such Loan Party Obligor's authorization to amend such Section 2 to add such Commercial Tort Claim and shall automatically be deemed to amend such Section 2 to include such Commercial Tort Claim.

**7.8. Jurisdiction of Organization; Location of Collateral**. Sections 1(c) and 1(d) of the Perfection Certificate set forth (a) each place of business of each Loan Party Obligor (including its chief executive office), (b) all locations where all Inventory, Equipment, and other Collateral owned by each Loan Party Obligor is kept and (c) whether each such Collateral location and place of business (including each Loan Party Obligor's chief executive office) is owned by a Loan Party or leased (and if leased, specifies the complete name and notice address of each lessor). If Agent sells, leases, licenses or otherwise disposes of any of the Collateral on credit, Borrowers will be credited only with payments actually made in cash by the recipient of such Collateral and received by Agent and applied to the Obligations. If any Person fails to pay for Collateral acquired pursuant this Section 11.3(f) on credit, Agent may re-offer the Collateral for sale, lease, license or other disposition.

(g) **Investment Property; Voting and Other Rights; Irrevocable Proxy.**

(i) All rights of each Loan Party Obligor to exercise any of the voting and other consensual rights which it would otherwise be entitled to exercise in accordance with the terms hereof with respect to any Investment Property, and to receive any dividends, payments, and other distributions which it would otherwise be authorized to receive and retain in accordance with the terms hereof with respect to any Investment Property, shall immediately, at the election of Control Agent (without requiring any notice) cease, and all such rights shall thereupon become vested solely in Control Agent, and Control Agent (personally or through an agent) shall thereupon be solely authorized and empowered, without notice, to (A) transfer and register in its name, or in the name of its nominee, the whole or any part of the Investment Property, it being acknowledged by each Loan Party Obligor that any such transfer and registration may be effected by Control Agent through its irrevocable appointment as attorney-in-fact pursuant to Section 11.3(g)(ii) and Section 6.4, (B) exchange certificates or instruments representing or evidencing Investment Property for certificates or instruments of smaller or larger denominations, (C) exercise the voting and all other rights as a holder with respect to all or any portion of the Investment Property (including all economic rights, all control rights, authority and powers, and all status rights of each Loan Party Obligor as a member or as a shareholder (as applicable) of the Issuer), (D) collect and receive all dividends and other payments and distributions made thereon, (E) notify the parties obligated on any Investment Property to make payment to Control Agent of any amounts due or to become due thereunder, (F) endorse instruments in the name of each Loan Party Obligor to allow collection of any Investment Property, (G) enforce collection of any of the Investment Property by suit or otherwise, and surrender, release, or exchange all or any part thereof, or compromise or renew for any period (whether or not longer than the original period) any liabilities of any nature of any Person with respect thereto, (H) consummate any sales of Investment Property or exercise any other rights as set forth in Section 11.3(f), (I) otherwise act with respect to the Investment Property as though Control Agent was the outright owner thereof and (J) exercise any other rights or remedies Control Agent may have under the UCC, PPSA, other applicable law or otherwise.

(ii) EACH LOAN PARTY OBLIGOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS CONTROL AGENT AS ITS PROXY AND ATTORNEY-IN- FACT FOR SUCH LOAN PARTY OBLIGOR WITH RESPECT TO ALL OF EACH SUCH LOAN PARTY OBLIGOR'S INVESTMENT PROPERTY WITH THE RIGHT, DURING THE CONTINUANCE OF AN EVENT OF DEFAULT, WITHOUT NOTICE, TO TAKE ANY OF THE FOLLOWING ACTIONS: (A) TRANSFER AND REGISTER IN AGENT'S NAME, OR IN THE NAME OF ITS NOMINEE, THE WHOLE OR ANY PART OF THE INVESTMENT PROPERTY, (B) VOTE THE PLEDGED EQUITY, WITH FULL POWER OF SUBSTITUTION TO DO SO, (C) RECEIVE AND COLLECT ANY DIVIDEND OR ANY OTHER PAYMENT OR DISTRIBUTION IN RESPECT OF, OR IN EXCHANGE FOR, THE INVESTMENT PROPERTY OR ANY PORTION THEREOF, TO GIVE FULL DISCHARGE FOR THE SAME AND TO INDORSE ANY INSTRUMENT MADE PAYABLE TO ANY LOAN PARTY OBLIGOR FOR THE SAME, (D) EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES, AND REMEDIES (INCLUDING ALL ECONOMIC RIGHTS, ALL CONTROL RIGHTS, AUTHORITY AND POWERS, AND ALL STATUS RIGHTS OF EACH LOAN PARTY OBLIGOR AS A MEMBER OR AS A SHAREHOLDER (AS APPLICABLE) OF THE ISSUER) TO WHICH A HOLDER OF THE PLEDGED COLLATERAL WOULD BE ENTITLED (INCLUDING, WITH RESPECT TO THE PLEDGED EQUITY, GIVING OR WITHHOLDING WRITTEN CONSENTS OF MEMBERS OR SHAREHOLDERS, CALLING SPECIAL MEETINGS OF MEMBERS OR SHAREHOLDERS, AND VOTING AT SUCH MEETINGS), AND (E) TAKE ANY ACTION AND TO EXECUTE ANY INSTRUMENT WHICH AGENT MAY DEEM NECESSARY OR ADVISABLE TO ACCOMPLISH THE PURPOSES OF THIS AGREEMENT. THE APPOINTMENT OF CONTROL AGENT AS PROXY AND ATTORNEY-IN-FACT IS COUPLED WITH AN INTEREST AND SHALL BE VALID AND IRREVOCABLE UNTIL (x) ALL OF THE OBLIGATIONS HAVE BEEN INDEFEASIBLY PAID IN FULL IN CASH IN ACCORDANCE WITH THE PROVISIONS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, (y) CONTROL AGENT AND THE LENDERS HAVE NO FURTHER OBLIGATIONS UNDER THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, AND (z) THE COMMITMENTS UNDER THIS AGREEMENT HAVE EXPIRED OR HAVE BEEN TERMINATED (IT BEING UNDERSTOOD AND AGREED THAT SUCH OBLIGATIONS WILL BE AUTOMATICALLY REINSTATED IF AT ANY TIME PAYMENT, IN WHOLE OR IN PART, OF ANY OF THE OBLIGATIONS IS RESCINDED OR MUST OTHERWISE BE RESTORED OR RETURNED BY CONTROL AGENT OR ANY LENDER FOR ANY REASON WHATSOEVER, INCLUDING AS A PREFERENCE, FRAUDULENT CONVEYANCE, OR OTHERWISE UNDER ANY BANKRUPTCY, INSOLVENCY, OR SIMILAR LAW, ALL AS THOUGH SUCH PAYMENT HAD NOT BEEN MADE; IT BEING FURTHER UNDERSTOOD THAT IN THE EVENT PAYMENT OF ALL OR ANY PART OF THE OBLIGATIONS IS RESCINDED OR MUST BE RESTORED OR RETURNED, ALL REASONABLE OUT-OF-POCKET COSTS AND EXPENSES (INCLUDING ALL REASONABLE INTERNAL AND EXTERNAL ATTORNEYS' FEES AND DISBURSEMENTS) INCURRED BY CONTROL AGENT AND THE LENDERS IN DEFENDING AND ENFORCING SUCH REINSTATEMENT SHALL HEREBY BE DEEMED TO BE INCLUDED AS A PART OF THE OBLIGATIONS). SUCH APPOINTMENT OF CONTROL AGENT AS PROXY AND AS ATTORNEY-IN-FACT SHALL BE VALID AND IRREVOCABLE AS PROVIDED HEREIN NOTWITHSTANDING ANY LIMITATIONS TO THE CONTRARY SET FORTH IN ANY GOVERNING DOCUMENTS OF ANY LOAN PARTY OBLIGOR, ANY ISSUER, OR OTHERWISE.

(iii) In order to further effect the foregoing transfer of rights in favor of Control Agent, during the continuance of an Event of Default, each Loan Party Obligor hereby authorizes and instructs each Issuer of Investment Property pledged by such Loan Party Obligor to comply with any instruction received by such Issuer from Control Agent without any other or further instruction from such Loan Party Obligor, and each Loan Party Obligor acknowledges and agrees that each Issuer shall be fully protected in so complying, and to pay any dividends, distributions, or other payments with respect to any of the Investment Property directly to Control Agent.

(iv) Upon exercise of the proxy set forth herein, all prior proxies given by any Loan Party Obligor with respect to any of the Pledged Equity or other Investment Property, other than to Control Agent, are hereby revoked, and no subsequent proxies, other than to Control Agent will be given with respect to any of the Pledged Equity or any of the other Investment Property unless Control Agent otherwise subsequently agrees in writing. Control Agent, as proxy, will be empowered and may exercise the irrevocable proxy to vote the Pledged Equity and the other Investment Property at any and all times during the existence of an Event of Default, including, at any meeting of shareholders or members, as the case may be, however called, and at any adjournment thereof, or in any action by written consent, and may waive any notice otherwise required in connection therewith. To the fullest extent permitted by applicable law, Control Agent shall have no agency, fiduciary or other implied duties to any Loan Party Obligor, any Issuer, any Loan Party or any other Person when acting in its capacity as such proxy or attorney-in-fact. Each Loan Party Obligor hereby waives and releases any claims that it may otherwise have against Control Agent with respect to any breach, or alleged breach, of any such agency, fiduciary or other duty.

(v) Any transfer to Control Agent or its nominee, or registration in the name of Agent or its nominee, of the whole or any part of the Investment Property shall be made solely for purposes of effectuating voting or other consensual rights with respect to the Investment Property in accordance with the terms of this Agreement and is not intended to effectuate any transfer of ownership of any of the Investment Property. Notwithstanding the delivery by Control Agent of any instruction to any Issuer or any exercise by Control Agent of an irrevocable proxy or otherwise, Control Agent shall not be deemed the owner of, or assume any obligations or any liabilities whatsoever of the owner or holder of, any Investment Property unless and until Agent expressly accepts such obligations in a duly authorized and executed writing and agrees in writing to become bound by the applicable Governing Documents or otherwise becomes the owner thereof under applicable law (including through a sale as described in Section 11.3(f)). The execution and delivery of this Agreement shall not subject Control Agent to, or transfer or pass to Control Agent, or in any way affect or modify, the liability of any Loan Party Obligor under the Governing Documents of any Issuer or any related agreements, documents, or instruments or otherwise. In no event shall the execution and delivery of this Agreement by Control Agent, or the exercise by Control Agent of any rights hereunder or assigned hereby, constitute an assumption of any liability or obligation whatsoever of any Loan Party Obligor to, under, or in connection with any of the Governing Documents of any Issuer or any related agreements, documents, or instruments or otherwise.

(vi) Compliance with the Securities Act as now in effect or as hereafter amended, or any similar statute hereafter adopted with similar purpose or effect, as well as any applicable "Blue Sky" or other state securities laws, if applicable to the Collateral or the portion thereof being sold, may require strict limitations as to the manner in which the Control Agent or any subsequent transferee may dispose of the Collateral. With respect to any disposition as to which the Securities Act or analogous state securities laws is applicable, each Loan Party Obligor hereby waives any objection to sale in a compliant manner, and agrees that the Control Agent has no obligation to obtain the maximum possible price for the Collateral so long as the Agent proceeds in a commercially reasonable manner. Without limiting the generality of the foregoing, each Loan Party Obligor agrees that in conducting a disposition of the Collateral as to which the Securities Act or analogous state securities laws applies, Control Agent may seek to sell the Collateral by private placement, and may restrict bidders and prospective purchasers to those who are willing to represent that they are purchasing for investment only and not for distribution and who otherwise satisfy qualifications designed to ensure compliance with the Securities Act and analogous state securities laws and those that may be established in the Issuer's Governing Documents. Each Loan Party Obligor acknowledges that in order to protect Control Agent's interest, it may be necessary to sell the Collateral at a price less than the maximum price attainable if a sale were delayed or were made in another manner, including a public offering under the Securities Act. In order to address these potential compliance requirements, Control Agent may solicit offers to purchase the Collateral from a limited number of bidders reasonably believed by Control Agent to be institutional investors or accredited investors. If Agent solicits offers in a commercially reasonable manner, then acceptance by Control Agent of one or more of the offers shall be deemed to be a commercially reasonable method of disposition of the Collateral and Control Agent will not be responsible or liable for selling all or any portion of the Collateral at a price that Control Agent deems in good faith to be reasonable. Control Agent is under no obligation to delay a disposition of any portion of the Collateral that are securities under the Securities Act or applicable "Blue Sky" or other state securities law for the period of time necessary to permit any Loan Party Obligor or the Issuer to register the securities for public sale under the Securities Act or under applicable "Blue Sky" or other state securities laws, even if a Loan Party Obligor or the Issuer agrees to do so. In addition, to the extent not prohibited by applicable law, each Loan Party Obligor waives any right to prior notice (except to the extent expressly provided in this Agreement) or judicial hearing in connection with the taking possession or the disposition of any of the Collateral, including any right which Loan Party Obligor otherwise would have.

(vii) To the extent permitted under applicable law, Control Agent is not required to conduct any foreclosure sale of the Investment Property or any portion thereof.

(viii) Control Agent, at its option, may obtain the appointment of a receiver to take possession of the Investment Property and, at the option of Control Agent, a receiver may be empowered (i) to collect, receive and enforce all distributions, (ii) to exercise the rights of Control Agent as provided in this Agreement, (iii) to collect all other amounts owed to any Loan Party Obligor in respect of the Investment Property as and when due to any Loan Party Obligor, (iv) to otherwise collect, sell or dispose of the Investment Property, (v) to exercise all rights in and under the Investment Property; and (vi) to turn over all net proceeds to Control Agent. Each Loan Party Obligor irrevocably and unconditionally agrees that a receiver may be appointed by a court to take the actions listed above without regard to the adequacy of the security for the Obligations, and the actions of the receiver may be taken in the name of the receiver, any Loan Party Obligor or Control Agent.

(ix) Control Agent may elect to conduct a sale of an economic interest in any Investment Property constituting limited liability company interests that does not result in the purchaser being admitted as a substitute limited liability company member in the Issuer, and that any sale or dispositions made in good faith will be considered commercially reasonable, notwithstanding the possibility that a substantially higher price might be realized if the purchaser were able to be admitted as a substitute limited liability company member rather than the holder of only an economic interest in the Issuer.

(x) Control Agent may disclose to prospective purchasers all of the information relating to the Investment Property (and the applicable Issuer) that is in the Agent's possession or otherwise available to the Control Agent.

(xi) Each Loan Party Obligor hereby authorizes and instructs their respective Issuer to comply with any instruction received by it from Control Agent in writing that (i) states that an Event of Default has occurred and is continuing and (ii) is otherwise in accordance with the terms of the provisions of the this Agreement, the Loan documents or Term Loan Documents as to Investment Property, without any other or further instructions from the respective Loan Party Obligor, and such Loan Party Obligor agrees that Issuer be fully protected in so complying.

(h) **Election of Remedies.** Agent shall have the right in Agent's sole discretion to determine which rights, security, Liens or remedies Agent may at any time pursue, foreclose upon, relinquish, subordinate, modify or take any other action with respect to, without in any way impairing, modifying or affecting any of Agent's other rights, security, Liens or remedies with respect to any Collateral or any of Agent's rights or remedies under this Agreement or any other Loan Document.

(i) **Agent's Obligations.** Each Loan Party Obligor agrees that Agent shall not have any obligation to preserve rights to any Collateral against prior parties or to marshal any Collateral of any kind for the benefit of any other creditor of any Loan Party Obligor or any other Person. Agent shall not be responsible to any Loan Party Obligor or any other Person for loss or damage resulting from Agent's failure to enforce its Liens or collect any Collateral or Proceeds or any monies due or to become due under the Obligations or any other liability or obligation of any Loan Party Obligor to Agent.

(j) **Waiver of Rights by Loan Party Obligors.** Except as otherwise expressly provided for in this Agreement or by non-waivable applicable law, each Loan Party waives (i) presentment, demand and protest and notice of presentment, dishonor, notice of intent to accelerate, notice of acceleration, protest, default, nonpayment, maturity, release, compromise, settlement, extension or renewal of any or all commercial paper, accounts, contract rights, documents, instruments, chattel paper and guaranties at any time held by Agent on which any Loan Party Obligor may in any way be liable, and hereby ratifies and confirms whatever Agent may do in this regard, (ii) all rights to notice and a hearing prior to Agent's taking possession or control of, or to Agent's replevy, attachment or levy upon, the Collateral or any bond or security which might be required by any court prior to allowing Agent to exercise any of its remedies and (iii) the benefit of all valuation, appraisal, marshaling and exemption laws. If any notice of a proposed sale or other disposition of any part of the Collateral is required under applicable law, each Loan Party Obligor agrees that ten (10) calendar days prior notice of the time and place of any public sale and of the time after which any private sale or other disposition is to be made is commercially reasonable.

## 12. LOAN GUARANTY.

**12.1. Guaranty**. Each Loan Party Obligor hereby agrees that it is jointly and severally liable for, and absolutely and unconditionally guaranties to Agent, for the ratable benefit of the Lenders, the prompt payment when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, all of the Obligations and all costs and expenses, including all court costs and attorneys' and paralegals' fees (including internal and external counsel and paralegals) and expenses of Agent or any Lender in endeavoring to collect all or any part of the Obligations from, or in prosecuting any action against, any Borrower, any Loan Party Obligor or any Other Obligor of all or any part of the Obligations (and such costs and expenses paid or incurred shall be deemed to be included in the Obligations). Each Loan Party Obligor further agrees that the Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guaranty notwithstanding any such extension or renewal. All terms of this Loan Guaranty apply to and may be enforced by or on behalf of any branch or Affiliate of Agent that extended any portion of the Obligations.

**12.2. Guaranty of Payment**. This Loan Guaranty is a guaranty of payment and not of collection. Each Loan Party Obligor waives any right to require Agent to sue or otherwise take action against any Borrower, any other Loan Party Obligor, any Other Obligor, or any other Person obligated for all or any part of the Obligations, or otherwise to enforce its payment against any Collateral securing all or any part of the Obligations.

**12.3. No Discharge or Diminishment of Loan Guaranty**.

(a) Except as otherwise expressly provided for herein, the obligations of each Loan Party Obligor hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full in cash of all of the Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Borrower or any Obligor; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Borrower or any Obligor or their respective assets or any resulting release or discharge of any obligation of any Borrower or any Obligor; or (iv) the existence of any claim, setoff or other rights which any Loan Party Obligor may have at any time against any Borrower, any Obligor, Agent, or any other Person, whether in connection herewith or in any unrelated transactions.

(b) The obligations of each Loan Party Obligor hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Obligations or otherwise, or any provision of applicable law or regulation purporting to prohibit payment by any Borrower or any Obligor of the Obligations or any part thereof.

(c) Further, the obligations of any Loan Party Obligor hereunder shall not be discharged or impaired or otherwise affected by: (i) the failure of Agent to assert any claim or demand or to enforce any remedy with respect to all or any part of the Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Obligations; (iii) any release, non-perfection or invalidity of any indirect or direct security for all or any part of the Obligations or all or any part of any obligations of any Obligor; (iv) any action or failure to act by Agent with respect to any Collateral; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Loan Party Obligor or that would otherwise operate as a discharge of any Loan Party Obligor as a matter of law or equity (other than the indefeasible payment in full in cash of all of the Obligations).

**12.4. Defenses Waived**. To the fullest extent permitted by applicable law, each Loan Party Obligor hereby waives any defense based on or arising out of any defense of any Loan Party Obligor or the unenforceability of all or any part of the Obligations from any cause, or the cessation from any cause of the liability of any Loan Party Obligor, other than the indefeasible payment in full in cash of all of the Obligations. Without limiting the generality of the foregoing, each Loan Party Obligor irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Borrower, any Obligor, or any other Person. Each Loan Party Obligor confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. Agent may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any Collateral, compromise or adjust any part of the Obligations, make any other accommodation with any Borrower or any Obligor or exercise any other right or remedy available to it against any Borrower or any Obligor, without affecting or impairing in any way the liability of any Loan Party Obligor under this Loan Guaranty except to the extent the Obligations have been fully and indefeasibly paid in cash. To the fullest extent permitted by applicable law, each Loan Party Obligor waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Loan Party Obligor against any Borrower or any Obligor or any security.

**12.5. Rights of Subrogation**. No Loan Party Obligor will assert any right, claim or cause of action, including a claim of subrogation, contribution or indemnification that it has against any Borrower or any Obligor, or any Collateral, until the Termination Date.

**12.6. Reinstatement; Stay of Acceleration**. If at any time any payment of any portion of the Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of any Borrower or any other Person, or otherwise, each Loan Party Obligor's obligations under this Loan Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not Agent is in possession of this Loan Guaranty. If acceleration of the time for payment of any of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Obligations shall nonetheless be payable by the Loan Party Obligors forthwith on demand by Agent. This Section 12.6 shall remain operative even after the Termination Date and shall survive the payment in full of all of the Loans.

**12.7. Information**. Each Loan Party Obligor assumes all responsibility for being and keeping itself informed of each Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that each Loan Party Obligor assumes and incurs under this Loan Guaranty, and agrees that Agent shall not have any duty to advise any Loan Party Obligor of information known to it regarding those circumstances or risks.

**12.8. Termination**. To the maximum extent permitted by law, each Loan Party Obligor hereby waives any right to revoke this Loan Guaranty as to future Obligations. If such a revocation is effective notwithstanding the foregoing waiver, each Loan Party Obligor acknowledges and agrees that (a) no such revocation shall be effective until written notice thereof has been received by Agent, (b) no such revocation shall apply to any Obligations in existence on the date of receipt by Agent of such written notice (including any subsequent continuation, extension, or renewal thereof, or change in the interest rate, payment terms or other terms and conditions thereof), (c) no such revocation shall apply to any Obligations made or created after such date to the extent made or created pursuant to a legally binding commitment of Agent, (d) no payment by any Borrower, any other Loan Party Obligor, or from any other source, prior to the date of Agent's receipt of written notice of such revocation shall reduce the maximum obligation of any Loan Party Obligor hereunder and (e) any payment, by any Borrower or from any source other than a Loan Party Obligor which has made such a revocation, made subsequent to the date of such revocation, shall first be applied to that portion of the Obligations as to which the revocation is effective and which are not, therefore, guarantied hereunder, and to the extent so applied shall not reduce the maximum obligation of any Loan Party Obligor hereunder.

**12.9. Maximum Liability**. The provisions of this Loan Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Loan Party Obligor under this Loan Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Loan Party Obligor's liability under this Loan Guaranty, then, notwithstanding any other provision of this Loan Guaranty to the contrary, the amount of such liability shall, without any further action by the Loan Party Obligors, Agent or any Lender, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Loan Party Obligor's ***"Maximum Liability"***). This Section 12.9 with respect to the Maximum Liability of each Loan Party Obligor is intended solely to preserve the rights of Agent and the Lenders to the maximum extent not subject to avoidance under applicable law, and no Loan Party Obligor or any other Person shall have any right or claim under this Section with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Loan Party Obligor hereunder shall not be rendered voidable under applicable law. Each Loan Party Obligor agrees that the Obligations may at any time and from time to time exceed the Maximum Liability of each Loan Party Obligor without impairing this Loan Guaranty or affecting the rights and remedies of Agent hereunder; ***provided***, that nothing in this sentence shall be construed to increase any Loan Party Obligor's obligations hereunder beyond its Maximum Liability.

**12.10. Contribution**. In the event any Loan Party Obligor shall make any payment or payments under this Loan Guaranty or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Loan Guaranty (such Loan Party Obligor a ***"Paying Guarantor"***), each other Loan Party Obligor (each a ***"Non-Paying Guarantor"***) shall contribute to such Paying Guarantor an amount equal to such Non-Paying Guarantor's ***"Applicable Percentage"*** of such payment or payments made, or losses suffered, by such Paying Guarantor. For purposes of this Section 12.10, each Non-Paying Guarantor's ***"Applicable Percentage"*** with respect to any such payment or loss by a Paying Guarantor shall be determined as of the date on which such payment or loss was made by reference to the ratio of (x) such Non-Paying Guarantor's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Guarantor's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Guarantor from any Borrower after the date hereof (whether by loan, capital infusion or by other means) to (y) the aggregate Maximum Liability of all Loan Party Obligors hereunder (including such Paying Guarantor) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Loan Party Obligor, the aggregate amount of all monies received by such Loan Party Obligors from any Borrower after the date hereof (whether by loan, capital infusion or by other means). Nothing in this provision shall affect any Loan Party Obligor's several liability for the entire amount of the Obligations (up to such Loan Party Obligor's Maximum Liability). Each of the Loan Party Obligors covenants and agrees that its right to receive any contribution under this Loan Guaranty from a Non-Paying Guarantor shall be subordinate and junior in right of payment to the payment in full in cash of all of the Obligations. This provision is for the benefit of Agent and the Lenders and the Loan Party Obligors and may be enforced by any one, or more, or all of them, in accordance with the terms hereof.

**12.11. Liability Cumulative**. The liability of each Loan Party Obligor under this Section 12 is in addition to and shall be cumulative with all liabilities of each Loan Party Obligor to Agent and the Lenders under this Agreement and the other Loan Documents to which such Loan Party Obligor is a party or in respect of any obligations or liabilities of the other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

**12.12 Miscellaneous**. Each of the Loan Party Obligors hereby acknowledges and affirms that it understands that to the extent the Obligations are secured by Real Property located in California, Loan Party Obligors shall be liable for the full amount of the liability hereunder notwithstanding the foreclosure on such Real Property by trustee sale or any other reason impairing such Guarantor's right to proceed against any Loan Party. In accordance with Section 2856 of the California Civil Code or any similar laws of any other applicable jurisdiction, each of the Loan Party Obligors hereby
waives until such time as the Obligations have been paid in full:

(1) all rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to the Loan Party Obligors by reason of Sections 2787 to 2855, inclusive, 2899, and 3433 of the California Civil Code or any similar laws of any other applicable jurisdiction;

(2) all rights and defenses that the Loan Party Obligors may have because the Obligations are secured by Real Property located in California, meaning, among other things, that: (A) Agent and the other Lenders may collect from the Loan Party Obligors without first foreclosing on any real or personal property collateral pledged by any Borrower or any other Grantor, and (B) if Agent, on behalf of the Lenders, forecloses on any Real Property collateral pledged by any Borrower or any other Grantor, (1) the amount of the Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (2) the Agent and Lenders may collect from the Loan Party Obligors even if, by foreclosing on the Real Property collateral, Agent or the other Lenders have destroyed or impaired any right the Loan Party Obligors may have to collect from any other Grantor, it being understood that this is an unconditional and irrevocable waiver of any rights and defenses the Loan Party Obligors may have because the Obligations are secured by Real Property (including, without limitation, any rights or defenses based upon Sections 580a, 580d, or 726 of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction); and

(3) all rights and defenses arising out of an election of remedies by Agent or the other Lenders, even though that election of remedies, such as a non-judicial foreclosure with respect to security for the Obligations, has destroyed Loan Party Obligors' rights of subrogation and reimbursement against any Grantor by the operation of Section 580d of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction or otherwise.

The provisions in this Section 12.12 which refer to certain sections of the California Civil Code or the California Code of Civil Procedure are included in this Guaranty solely out of an abundance of caution and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Guaranty

**13. PAYMENTS FREE OF TAXES; OBLIGATION TO WITHHOLD; PAYMENTS ON ACCOUNT OF TAXES**.

(a) Any and all payments by or on account of any obligation of the Loan Party Obligors hereunder or under any other Loan Document shall to the extent permitted by applicable laws be made free and clear of and without reduction or withholding for any Taxes. If, however, applicable laws require the Loan Party Obligors to withhold or deduct any Tax, such Tax shall be withheld or deducted in accordance with such laws as the case may be, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(b) If any Loan Party Obligor shall be required by applicable law to withhold or deduct any Taxes from any payment, then (i) such Loan Party Obligor shall withhold or make such deductions as are required based upon the information and documentation it has received pursuant to subsection (e) below, (ii) such Loan Party Obligor shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the applicable law and (iii) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Loan Party Obligors shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section) the Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made. Upon request by Agent or other Recipient, Borrower Representative shall deliver to Agent or such other Recipient, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment of Indemnified Taxes, a copy of any return required by applicable law to report such payment or other evidence of such payment reasonably satisfactory to Agent or such other Recipient, as the case may be.

(c) Without limiting the provisions of subsections (a) and (b) above, the Loan Party Obligors shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(d) Without limiting the provisions of subsections (a) through (c) above, each Loan Party Obligor shall, and does hereby, on a joint and several basis, indemnify Agent, each Lender and each other Recipient (and their respective directors, officers, employees, affiliates and agents) and shall make payment in respect thereof within ten days after demand therefor, for the full amount of any Indemnified Taxes and Other Taxes (including Indemnified Taxes and Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid or incurred by Agent, any Lender or any other Recipient on account of, or in connection with any Loan Document or a breach by a Loan Party Obligor thereof, and any penalties, interest and related expenses and losses arising therefrom or with respect thereto (including the fees, charges and disbursements of any internal or external counsel or other tax advisor for Agent, any Lender or any other Recipient (or their respective directors, officers, employees, affiliates, and agents)), whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of any such payment or liability delivered to Borrower Representative shall be conclusive absent manifest error. Notwithstanding any provision in this Agreement to the contrary, this Section 13 shall remain operative even after the Termination Date and shall survive the payment in full of all of the Loans.

(e) Each Lender shall deliver to Borrower Representative and each Lender and each Participant shall deliver to Agent, at the time or times prescribed by applicable laws, such properly completed and executed documentation prescribed by applicable laws or by the taxing authorities of any jurisdiction and such other reasonably requested information as will permit Borrower Representative or Agent, as the case may be, to determine (x) whether or not payments made hereunder or under any other Loan Document are subject to Taxes, (y) if applicable, the required rate of withholding or deduction and (z) such Lender's or Participant's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of all payments to be made to such Recipient by the Loan Party Obligors pursuant to this Agreement or otherwise to establish such Recipient's status for withholding tax purposes in the applicable jurisdiction; ***provided***, that each Recipient shall only be required to deliver such documentation as it may legally provide. Without limiting the generality of the foregoing, if a Borrower is resident for tax purposes in the United States:

(i) each Lender (or Participant) that is a ***"United States person"*** within the meaning of Section 7701(a)(30) of the Code shall deliver to Borrower Representative and Agent (or any Lender granting a participation as applicable) an executed original of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable law or reasonably requested by Borrower Representative or Agent (or Lender granting a participation) as will enable Borrower Representative or Agent (or Lender granting a participation) as the case may be, to determine whether or not such Lender (or Participant) is subject to backup withholding or information reporting requirements under the Code;

(ii) each Lender (or Participant) that is not a ***"United States person"*** within the meaning of Section 7701(a)(30) of the Code (a ***"Non-U.S. Recipient"***) shall deliver to Borrower Representative and Agent (or any Lender granting a participation in case the Non-U.S. Recipient is a Participant) on or prior to the date on which such Non-U.S. Person becomes a party to this Agreement or a Participant (and from time to time thereafter upon the reasonable request of Borrower Representative or Agent but only if such Non-U.S. Recipient is legally entitled to do so), whichever of the following is applicable: (A) executed originals of Internal Revenue Service Form W-8BEN claiming eligibility for benefits of an income tax treaty to which the United States is a party; (B) executed originals of Internal Revenue Service Form W-8ECI; (C) executed originals of Internal Revenue Service Form W-8IMY and all required supporting documentation; (D) each Non-U.S. Recipient claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, shall provide (x) a certificate to the effect that such Non-U.S. Recipient is not (1) a ***"bank"*** within the meaning of section 881(c)(3)(A) of the Code, (2) a ***"10 percent shareholder"*** of Borrowers within the meaning of section 881(c)(3)(B) of the Code, or (3) a ***"controlled foreign corporation"*** described in section 881(c)(3)(C) of the Code and (y) executed originals of Internal Revenue Service Form W-8BEN; and/or (E) executed originals of any other form prescribed by applicable law (including FATCA) as a basis for claiming exemption from or a reduction in United States Federal withholding tax together with such supplementary documentation as may be prescribed by applicable law to permit Borrower Representative or Agent to determine the withholding or deduction required to be made. Each Non-U.S. Recipient shall promptly notify Borrower Representative and Agent (or any Lender granting a participation if the Non-U.S. Recipient is a Participant) of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

**14. AGENT**

**14.1. Appointment**. Each of the Lenders hereby irrevocably appoints Agent as its agent and authorizes Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, Agent shall have the sole and exclusive authority to (a) act as the disbursing and collecting agent for Lenders with respect to all payments and collections arising in connection with the Loan Documents; (b) execute and deliver as Agent, each Loan Document, including any intercreditor or subordination agreement, and accept delivery of each Loan Document; (c) make Loans, for itself or on behalf of Lenders, as provided in the Loan Documents, (d) act as collateral agent for Lenders for purposes of perfecting and administering Liens under the Loan Documents, and for all other purposes stated therein and execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents; (e) manage, supervise or otherwise deal with Collateral; (f) exclusively receive, apply, and distribute payments and proceeds of the Collateral as provided in the Loan Documents, (g) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents, (h) take any Enforcement Action or otherwise exercise any rights or remedies with respect to any Collateral or under any Loan Documents, applicable law or otherwise, including the determination of eligibility of Accounts and Inventory, the necessity and amount of Reserves and all other determinations and decisions relating to ordinary course administration of the credit facilities contemplated hereunder; and (i) incur and pay such expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents, whether or not any Loan Party is obligated to reimburse Agent or Lenders for such expenses pursuant to the Loan Documents or otherwise. The provisions of this Article are solely for the benefit of Agent and the Lenders, and the Loan Parties shall not have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" as used herein or in any other Loan Documents (or any similar term) with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

**14.2. Rights as a Lender**. The Person serving as Agent hereunder, if it is a Lender, shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not Agent, and such Person and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with any Loan Party or any Subsidiary or any Affiliate thereof as if it were not Agent hereunder without notice to or consent of the other Lenders.

**14.3. Duties and Obligations**. Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that Agent is required to exercise as directed in writing by the Required Lenders, and, (c) except as expressly set forth in the Loan Documents, Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any Subsidiary that is communicated to or obtained by the Person serving as Agent or any of its Affiliates in any capacity. Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders or in the absence of its own gross negligence or willful misconduct as determined by a final nonappealable judgment of a court of competent jurisdiction. Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to Agent by a Borrower or a Lender, and Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the ABL Priority Collateral or the existence of the ABL Priority Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to Agent. Agent shall be under no obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of any Loan Party.

**14.4. Reliance**. Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. Agent may consult with and employ Agent Professionals, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by an Agent Professional (who may be counsel for any Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document, unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

**14.5. Actions through Sub-Agents**. Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by Agent. Agent may also perform its duties through employees and other Agent-Related Persons. Agent shall not be responsible for the negligence or misconduct of any sub-agent, employee or Agent Professional that it selects as long as such selection was made without gross negligence or willful misconduct. Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Affiliates and other related parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the related parties of Agent and any such sub- agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

**14.6. Resignation**. Subject to the appointment and acceptance of a successor Agent as provided in this paragraph, Agent may resign at any time by notifying the Lenders and Borrower Representative. Upon any such resignation, the Required Lenders shall have the right, in consultation with Borrower Representative, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent. Upon the acceptance of its appointment as Agent hereunder by its successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by Borrowers to a successor Agent shall be the same as those payable to its predecessor, unless otherwise agreed by Borrower Representative and such successor. Notwithstanding the foregoing, in the event no successor Agent shall have been so appointed and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its intent to resign, the retiring Agent may give notice of the effectiveness of its resignation to the Lenders and Borrower Representative, whereupon, on the date of effectiveness of such resignation stated in such notice, (a) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents, provided that, solely for purposes of maintaining any security interest granted to the Agent under any Loan Document for the benefit of the Lenders, the retiring Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Lenders and, in the case of any Collateral in the possession of Agent, shall continue to hold such Collateral, in each case until such time as a successor Agent is appointed and accepts such appointment in accordance with this paragraph (it being understood and agreed that the retiring Agent shall have no duly or obligation to take any further action under any Loan Document, including any action required to maintain the perfection of any such security interest), and (b) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, provided that (i) all payments required to be made hereunder or under any other Loan Document to the Agent for the account of any Person other than Agent shall be made directly to such Person and (ii) all notices and other communications required or contemplated to be given or made to Agent shall also directly be given or made to each Lender. Following the effectiveness of the Agent's resignation from its capacity as such, the provisions of this Article, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective related parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent and in respect of the matters referred to in the proviso under clause (a) above.

**14.7. Non-Reliance**.

(a) Each Lender acknowledges and agrees that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of Borrowers and their respective Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender. Each Lender further acknowledges the extensions of credit made hereunder are commercial loans and not investments in a business enterprise or securities. Each Lender further represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and has, independently and without reliance upon any Agent-Related Person, any arranger of this credit facility or any amendment thereto or any other Lender and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of any Borrower or any other Person party to a Loan Document, and all applicable laws relating to the transactions contemplated hereby, and made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender shall, independently and without reliance upon any Agent-Related Person, any arranger of this credit facility or any amendment thereto or any other Lender and based on such documents and information (which may contain material, non- public information within the meaning of the United States securities laws concerning any Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own credit analysis and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder , and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of any Borrower or any other Person party to a Loan Document and in deciding whether or to the extent to which it will continue as a Lender or assign or otherwise transfer its rights, interests and obligations hereunder. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-Related Persons. Each Lender acknowledges that Agent does not have any duty or responsibility, either initially or on a continuing to provide such Lender with any credit or other information with respect to any Borrower, its Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent's or its Affiliates' or representatives' possession before or after the date on which such Lender became a party to this Agreement.

(b) Each Lender hereby agrees that (i) it has requested a copy of each appraisal, audit or field examination report prepared by or on behalf of Agent; (ii) Agent (A) makes no representation or warranty, express or implied, as to the completeness or accuracy of any such report or any of the information contained therein or any inaccuracy or omission contained in or relating to any such report and (B) shall not be liable for any information contained in any such report; (iii) such reports are not comprehensive audits or examinations, and that any Person performing any field examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel and that Agent undertakes no obligation to update, correct or supplement such reports; (iv) it will keep all such reports confidential and strictly for its internal use, not share any such report with any Loan Party or any other Person except as otherwise permitted pursuant to this Agreement; and (v) without limiting the generality of any other indemnification provision contained in this Agreement, (A) it will hold Agent and any such other Person preparing any such report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any such report in connection with any extension of credit that the indemnifying Lender has made or may make to any Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans; and (B) it will pay and protect, and indemnify, defend, and hold Agent and any such other Person preparing any such report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorneys' fees of both internal and external counsel) of Agent or any such other Person as the direct or indirect result of any third parties who might obtain all or part of any such report through the indemnifying Lender.

**14.8. Not Partners or Co-Venturers; Agent as Representative of the Secured Parties**.

(a) The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in the case of Agent) authorized to act for, any other Lender. Agent shall have the exclusive right on behalf of the Lenders to enforce the payment of the principal of and interest on any Loan after the date such principal or interest has become due and payable pursuant to the terms of this Agreement.

(b) In its capacity, Agent is a "representative" of the Lenders within the meaning of the term "secured party" as defined in the UCC or a “person who holds a security interest for the benefit” of the Lenders within the meaning of the term “secured party” as defined in the PPSA. Each Lender authorizes Agent to enter into each of the Loan Documents to which it is a party and to take all action contemplated by such documents. Each Lender agrees that no Lender (other than Agent) shall have the right individually to seek to realize upon the security granted by any Loan Document, it being understood and agreed that such rights and remedies may be exercised solely by Agent for the benefit of the Lenders upon the terms of the Loan Documents. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Obligations, Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Lenders any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of Agent on behalf of the Lenders.

(c) Agent hereby appoints each other Lender as its agent (and each Lender hereby accepts such appointment) for the purpose of perfecting Agent’s Liens in assets which can be perfected by possession or control in accordance with Article 8 or Article 9, as applicable, of the UCC or the equivalent provisions of the applicable PPSA. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent’s request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent’s instructions. Agent shall have no obligation whatsoever to any of the Lenders (i) to verify or assure that the Collateral exists or is owned by any Borrower or its Subsidiaries or is cared for, protected, or insured or has been encumbered, (ii) to verify or assure that Agent’s Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, (iii) to verify or assure that any particular items of Collateral meet the eligibility criteria applicable in respect thereof, (iv) to impose, maintain, increase, reduce, implement or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or (v) to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein,

**14.9. Credit Bidding**. The Loan Parties and the Lenders hereby irrevocably authorize Agent, based upon the instruction of the Required Lenders, to Credit Bid and purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (and the Loan Parties shall approve Agent as a qualified bidder and such Credit Bid as qualified bid) at any sale thereof conducted by Agent, based upon the instruction of the Required Lenders, under any provisions of the UCC or PPSA, as part of any sale or investor solicitation process conducted by any Loan Party, any interim receiver, receiver, receiver and manager, administrative receiver, trustee, agent or other Person pursuant or under any insolvency laws; provided, however, that (i) the Required Lenders may not direct Agent in any manner that does not treat each of the Lenders equally, without preference or discrimination, in respect of consideration received as a result of the Credit Bid, (ii) the acquisition documents shall be commercially reasonable and contain customary protections for minority holders such as among other things, anti-dilution and tag-along rights, (iii) the exchanged debt or equity securities must be freely transferable, without restriction (subject to applicable securities laws) and (iv) reasonable efforts shall be made to structure the acquisition in a manner that causes the governance documents pertaining thereto to not impose any obligations or liabilities upon the Lenders individually (such as indemnification obligations). Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by any entities used to consummate such Credit Bid or purchase and in connection therewith Agent may reduce the Obligations owed to the Lenders (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration. For purposes of the preceding sentence, the term "***Credit Bid***" shall mean, an offer submitted by Agent (on behalf of the Lender group), based upon the instruction of the Required Lenders, to acquire the property of any Loan Party or any portion thereof in exchange for and in full and final satisfaction of all or a portion (as determined by Agent, based upon the instruction of the Required Lenders) of the claims and Obligations under this Agreement and other Loan Documents.

**14.10. Certain Collateral Matters**. The Lenders irrevocably authorize Agent, at its option and in its discretion, (a) to release any Lien granted to or held by Agent under any Loan Document (i) upon termination of the Commitments and payment in full of all Loans and all other obligations of Borrowers hereunder; (ii) constituting property sold or to be sold or disposed of as part of or in connection with any disposition permitted hereunder (including the release of any guarantor); or (iii) subject to Section 15.5 if approved, authorized or ratified in writing by the Required Lenders; or (ii) to subordinate its interest in any Collateral to any holder of a Lien on such Collateral which is permitted by clause (a) of the definition of Permitted Liens (it being understood that Agent may conclusively rely on a certificate from Borrower Representative in determining whether the Indebtedness secured by any such Lien is permitted hereunder). Upon request by Agent at any time, the Lenders will confirm in writing Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 14.10. Agent may, and at the direction of Required Lenders shall, give blockage notices in connection with any Subordinated Debt and each Lender hereby authorizes Agent to give such notices. Each Lender further agrees that it will not act unilaterally to deliver such notices.

**14.11. Restriction on Actions by Lenders**. Each Lender agrees that it shall not, without the express written consent of Agent, and shall, upon the written request of Agent (to the extent it is lawfully entitled to do so), set off against the Obligations, any amounts owing by such Lender to a Loan Party or any deposit accounts of any Loan Party now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken, any action, including the commencement of any legal or equitable proceedings to foreclose any loan or otherwise enforce any security interest in any of the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All Enforcement Actions under this Agreement and the other Loan Documents against the Loan Parties or any third party with respect to the Obligations or the Collateral may only be taken by Agent (at the direction of the Required Lenders or as otherwise permitted in this Agreement) or by its agents at the direction of Agent.

**14.12. Expenses**. Agent is authorized and directed to deduct and retain sufficient amounts from payments or proceeds of the Collateral received by Agent to reimburse Agent for such out-of- pocket costs and expenses prior to the distribution of any amounts to Lenders. In the event Agent is not reimbursed for such costs and expenses by a Loan Party, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's ratable share thereof. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including Agent Professional fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other Loan Document to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrowers. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

**14.13. Notice of Default or Event of Default**. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent shall have received written notice from a Lender or Borrower referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a "notice of default." Agent will promptly notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with this Agreement; ***provided***, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

**14.14. Liability of Agent**. None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders for any recital, statement, representation or warranty made by any Borrower or any of their respective Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of any Borrower, or any of their respective Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of any Borrower or their respective Subsidiaries. **GENERAL PROVISIONS**.

**15.1. Notices**.

(a) **Notice by Approved Electronic Communications**. Agent and each of its Affiliates is authorized to transmit, post or otherwise make or communicate, in its sole discretion (but shall not be required to do so), by Approved Electronic Communications in connection with this Agreement or any other Loan Document and the transactions contemplated therein. Agent is hereby authorized to establish procedures to provide access to and to make available or deliver, or to accept, notices, documents and similar items by posting to ABLSoft. All uses of ABLSoft and other Approved Electronic Communications shall be governed by and subject to, in addition to the terms of this Agreement, the separate terms, conditions and privacy policy posted or referenced in such system (or such terms, conditions and privacy policy as may be updated from time to time, including on such system) and any related contractual obligations executed by Agent and Loan Parties in connection with the use of such system. Each of the Loan Parties, the Lenders and Agent hereby acknowledges and agrees that the use of ABLSoft and other Approved Electronic Communications is not necessarily secure and that there are risks associated with such use, including risks of interception, disclosure and abuse and each indicates it assumes and accepts such risks by hereby authorizing Agent and each of its Affiliates to transmit Approved Electronic Communications. ABLSoft and all Approved Electronic Communications shall be provided ***"as is"*** and ***"as available"***. None of Agent or any of its Affiliates or related persons warrants the accuracy, adequacy or completeness of ABLSoft or any other electronic platform or electronic transmission and disclaims all liability for errors or omissions therein. No warranty of any kind is made by Agent or any of its Affiliates or related persons in connection with ABLSoft or any other electronic platform or electronic transmission, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects. Each Borrower and each other Loan Party executing this Agreement agrees that Agent has no responsibility for maintaining or providing any equipment, software, services or any testing required in connection with ABLSoft, any Approved Electronic Communication or otherwise required for ABLSoft or any Approved Electronic Communication. Prior to the Closing Date, Borrower Representative shall deliver to Agent a complete and executed Client User Form regarding Borrowers' use of ABLSoft in the form of Exhibit C annexed hereto. No Approved Electronic Communications shall be denied legal effect merely because it is made electronically. Approved Electronic Communications that are not readily capable of bearing either a signature or a reproduction of a signature may be signed, and shall be deemed signed, by attaching to, or logically associating with such Approved Electronic Communication, an E-Signature, upon which Agent and the Loan Parties may rely and assume the authenticity thereof. Each Approved Electronic Communication containing a signature, a reproduction of a signature or an E-Signature shall, for all intents and purposes, have the same effect and weight as a signed paper original. Each E-Signature shall be deemed sufficient to satisfy any requirement for a ***"signature"*** and each Approved Electronic Communication shall be deemed sufficient to satisfy any requirement for a ***"writing"***, in each case including pursuant to this Agreement, any other Loan Document, the UCC, PPSA, the Federal Uniform Electronic Transactions Act, the Electronic Signatures in Global and National Commerce Act and any similar Canadian laws governing the electronic execution and delivery of agreements, documents, and instruments and any substantive or procedural law governing such subject matter. Each party or beneficiary hereto agrees not to contest the validity or enforceability of an Approved Electronic Communication or E-Signature under the provisions of any applicable law requiring certain documents to be in writing or signed; ***provided***, that nothing herein shall limit such party's or beneficiary's right to contest whether an Approved Electronic Communication or E-Signature has been altered after transmission.

(b) **All Other Notices**. All notices, requests, demands and other communications under or in respect of this Agreement or any transactions hereunder, other than those approved for or required to be delivered by Approved Electronic Communications (including via ABLSoft or otherwise pursuant to Section 15.1(a)), shall be in writing and shall be personally delivered or mailed (by prepaid registered or certified mail, return receipt requested), sent by prepaid recognized overnight courier service, or by email to the applicable party at its address or email address indicated below,

All such notices, requests, demands and other communications shall be deemed given (i) when personally delivered, (ii) three Business Days after being deposited in the mails with postage prepaid (by registered or certified mail, return receipt requested), (iii) one Business Day after being delivered to the overnight courier service, if prepaid and sent overnight delivery, addressed as aforesaid and with all charges prepaid or billed to the account of the sender or (iv) when sent by email transmission to an email address designated by such addressee and the sender receives a confirmation of transmission.

**15.2. Severability**. If any provision of this Agreement or any other Loan Document is held invalid or unenforceable, either in its entirety or by virtue of its scope or application to given circumstances, such provision shall thereupon be deemed modified only to the extent necessary to render same valid, or not applicable to given circumstances, or excised from this Agreement or such other Loan Document, as the situation may require, and this Agreement and the other Loan Documents shall be construed and enforced as if such provision had been included herein as so modified in scope or application, or had not been included herein or therein, as the case may be.

**15.3. Integration**. This Agreement and the other Loan Documents represent the final, entire and complete agreement between each Loan Party that is a party hereto and thereto and Agent and supersede all prior and contemporaneous negotiations, oral representations and agreements, all of which are merged and integrated into this Agreement. THERE ARE NO ORAL UNDERSTANDINGS, REPRESENTATIONS OR AGREEMENTS BETWEEN THE PARTIES THAT ARE NOT SET FORTH IN THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS.

**15.4. Waivers**. The failure of Agent and the Lenders at any time or times to require any Loan Party to strictly comply with any of the provisions of this Agreement or any other Loan Documents shall not waive or diminish any right of Agent later to demand and receive strict compliance therewith. Any waiver of any default shall not waive or affect any other default, whether prior or subsequent, and whether or not similar. None of the provisions of this Agreement or any other Loan Document shall be deemed to have been waived by any act or knowledge of Agent or its agents or employees, but only by a specific written waiver signed by an authorized officer of Agent and any necessary Lenders and delivered to Borrowers. Once an Event of Default shall have occurred, it shall be deemed to continue to exist and not be cured or waived unless specifically waived in writing by an authorized officer of Agent and Required Lenders and delivered to Borrowers. Each Loan Party Obligor waives demand, protest, notice of protest and notice of default or dishonor, notice of payment and nonpayment, release, compromise, settlement, extension or renewal of any commercial paper, Instrument, Account, General Intangible, Document, Chattel Paper, Investment Property or guaranty at any time held by Agent on which such Loan Party Obligor is or may in any way be liable, and notice of any action taken by Agent, unless expressly required by this Agreement, and notice of acceptance hereof.

**15.5. Amendments**.

(a) No amendment, modification or waiver of, or consent with respect to, any provision of this Agreement or the other Loan Documents shall in any event be effective unless the same shall be in writing and acknowledged by the Required Lenders, and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, that, except to the extent set forth in Section 14.9 hereof, no amendment, modification, waiver or consent shall (i) extend or increase the Commitment of any Lender without the written consent of such Lender, (ii) extend the date scheduled for payment of any principal (excluding mandatory prepayments) of or interest on the Loans or any fees payable hereunder without the written consent of each Lender directly affected thereby,, (iii) reduce the principal amount of any Loan, the rate of interest thereon or any fees payable hereunder, without the consent of each Lender directly affected thereby; (iv) amend or modify the definitions of Borrowing Base, Eligible Accounts or Eligible Inventory, or any components thereof (including any advance rates), without the written consent of each Lender; or (v) release any guarantor from its obligations under any Guaranty, other than as part of or in connection with any disposition permitted hereunder, or release or subordinate its liens on all or any substantial part of the Collateral granted under any of the other Loan Documents (except as permitted by Section 14.10), change the definition of Required Lenders, any provision of Section 6.2, any provision of this Section 15.4, the provisions of Section 14.9 or reduce the aggregate Pro Rata Share required to effect an amendment, modification, waiver or consent, without, in each case set forth in this clause (v), the written consent of all Lenders. No provision of Section 14 or other provision of this Agreement affecting Agent in its capacity as such shall be amended, modified or waived without the consent of Agent.

(b) If, in connection with any proposed amendment, modification, waiver or termination requiring the consent of all Lenders, the consent of the Required Lenders is obtained, but the consent of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained being referred to as a "***Non-Consenting Lender***"), then, so long as Agent is not a Non- Consenting Lender, Agent and/or a Person or Persons reasonably acceptable to Agent shall have the right to purchase from such Non-Consenting Lenders, and such Non-Consenting Lenders agree that they shall, upon Agent's request, sell and assign to Agent and/or such Person or Persons, all of the Loans and Commitments of such Non-Consenting Lenders for an amount equal to the principal balance of all such Loans and Commitments held by such Non-Consenting Lenders and all accrued interest, fees, expenses and other amounts then due with respect thereto through the date of sale, such purchase and sale to be consummated pursuant to an executed Assignment and Assumption.

**15.6. Time of Essence**. Time is of the essence in the performance by each Loan Party Obligor of each and every obligation under this Agreement and the other Loan Documents.

**15.7. Expenses, Fee and Costs Reimbursement**. Each Borrower hereby agrees to promptly pay (a) all out of pocket costs and expenses of Agent (including the reasonable out of pocket fees, costs and expenses of internal and external legal counsel to, and appraisers, accountants, consultants and other professionals and advisors retained by or on behalf of, Agent) in connection with (i) all loan proposals and commitments pertaining to the transactions contemplated hereby (whether or not such transactions are consummated), (ii) the examination, review, due diligence investigation, documentation, negotiation, and closing of the transactions contemplated by the Loan Documents (whether or not such transactions are consummated), (iii) the creation, perfection and maintenance of Liens pursuant to the Loan Documents, (iv) the performance or enforcement by Agent of its rights and remedies under the Loan Documents (or determining whether or how to perform or enforce such rights and remedies), (v) the administration of the Loans (including usual and customary fees for wire transfers and other transfers or payments received by Agent on account of any of the Obligations) and Loan Documents, (vi) any amendments, modifications, consents and waivers to and/or under any and all Loan Documents (whether or not such amendments, modifications, consents or waivers are consummated), (vii) any periodic public record searches conducted by or at the request of Agent (including, title investigations and public records searches), pending litigation and tax lien searches and searches of applicable corporate, limited liability company, partnership and related records concerning the continued existence, organization and good standing of certain Persons), (viii) protecting, storing, insuring, handling, maintaining, auditing, examining, valuing or selling any Collateral, (ix) any litigation, dispute, suit or proceeding relating to any Loan Document (other than disputes among Lenders or among Lenders and Agent) and (x) any workout, collection, bankruptcy, insolvency and other enforcement proceedings under any and all of the Loan Documents (it being agreed that (A) such costs and expenses may include the costs and expenses of workout consultants, investment bankers, financial consultants, appraisers, valuation firms and other professionals and advisors retained by or on behalf of Agent (B) each Lender shall also be entitled to reimbursement for all out of pocket costs and expense of the type described in this clause (x), ***provided*** that, to the extent of an actual or reasonably perceived conflict of interest, such reimbursement shall be limited to one additional counsel for the Lenders as a whole), and (b) without limiting the preceding clause (a), all out of pocket costs and expenses of Agent in connection with Agent's reservation of funds in anticipation of the funding of the initial Loans to be made hereunder. Any fees, costs and expenses owing by any Borrower or other Loan Party Obligor hereunder shall be due and payable within three days after written demand therefor.

**15.8. Benefit of Agreement; Assignability**. The provisions of this Agreement shall be binding upon and inure to the benefit of the respective successors, assigns, heirs, beneficiaries and representatives of each Borrower, each other Loan Party Obligor party hereto, Agent and each Lender; ***provided***, that neither each Borrower nor any other Loan Party Obligor may assign or transfer any of its rights under this Agreement without the prior written consent of Agent and each Lender, and any prohibited assignment shall be void. No consent by Agent or any Lender to any assignment shall release any Loan Party Obligor from its liability for any of the Obligations. Each Lender shall have the right to assign all or any of its rights and obligations under the Loan Documents to one or more other Persons in accordance with Section 15.9, and each Loan Party Obligor agrees to execute all agreements, instruments, and documents requested by any Lender in connection with such assignment. Notwithstanding any provision of this Agreement or any other Loan Document to the contrary, a Lender may at any time pledge or grant a security interest in all or any portion of its rights under this Agreement and the other Loan Documents to secure any obligations of such Lender, including any pledge or grant to secure obligations to a Federal Reserve Bank.

**15.9. Assignments**.

(a) Any Lender may at any time assign to one or more Persons (any such Person, an "***Assignee***") all or any portion of such Lender's Loans and Commitments, with the prior written consent of Agent and, so long as no Event of Default exists, Borrower Representative (which consents shall not be unreasonably withheld or delayed and shall not be required for an assignment by a Lender to a Lender (other than a Defaulting Lender) or an Affiliate of a Lender (other than an Affiliate of a Defaulting Lender) or an Approved Fund (other than an Approved Fund of a Defaulting Lender)). Except as Agent may otherwise agree, any such assignment shall be in a minimum aggregate amount equal to $5,000,000 or, if less, the remaining Commitment and Loans held by the assigning Lender (provided, that an assignment to a Lender, an Affiliate of a Lender or an Approved Fund shall not be subject to the foregoing minimum assignment limitations). The Loan Parties and Agent shall be entitled to continue to deal solely and directly with such Lender in connection with the interests so assigned to an Assignee until Agent shall have received and accepted an effective Assignment and Assumption executed, delivered and fully completed by the applicable parties thereto and a processing fee of $3,500. Notwithstanding anything herein to the contrary, no assignment may be made to any equity holder of a Loan Party, any Affiliate of any equity holder of a Loan Party, any Loan Party, any holder of Subordinated Debt of a Loan Party, any holder of any debt that is secured by liens or security interests that have been contractually subordinated to the liens and security interests securing the Obligations, or any Affiliate of any of the foregoing Persons without the prior written consent of Agent, which consent may be withheld in Agent's sole discretion and, in any event, if granted, may be conditioned on such terms and conditions as Agent shall require in its sole discretion, including a limitation on the aggregate amount of Loans and Commitments which may be held by such Person and/or its Affiliates and/or limitations on such Person's and/or its Affiliates' voting and consent rights and/or rights to attend Lender meetings or obtain information provided to other Lenders. Any attempted assignment not made in accordance with this Section 15.10 shall be null and void. Each Borrower shall be deemed to have granted its consent to any assignment requiring its consent hereunder unless Borrower Representative has expressly objected to such assignment within five (5) Business Days after notice thereof.

(b) From and after the date on which the conditions described in Section 15.10(a) above have been met, (i) such Assignee shall be deemed automatically to have become a party hereto and, to the extent that rights and obligations hereunder have been assigned to such Assignee pursuant to the applicable Assignment and Assumption, shall have the rights and obligations of a Lender hereunder and (ii) the assigning Lender, to the extent that rights and obligations hereunder have been assigned by it pursuant to the applicable Assignment and Assumption, shall be released from its rights (other than its indemnification rights) and obligations hereunder. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment and Assumption, Borrowers shall execute and deliver to Agent for delivery to the Assignee (and, as applicable, the assigning Lender) a promissory note in the principal amount of the Assignee's Pro Rata Share of the aggregate Revolving Loan Commitment (and, as applicable, a promissory note in the principal amount of the Pro Rata Share of the aggregate Revolving Commitment retained by the assigning Lender). Upon receipt by Agent of such promissory note(s), the assigning Lender shall return to Borrowers any prior promissory note held by it.

(c) Agent shall, as a non-fiduciary agent of Borrowers, maintain a copy of each Assignment and Assumption delivered and accepted by it and register (the "***Register***") for the recordation of names and addresses of the Lenders and the Commitment of each Lender and principal and stated interest of each Loan owing to each Lender from time to time and whether such Lender is the original Lender or the Assignee. No assignment shall be effective unless and until the Assignment and Assumption is accepted and registered in the Register. All records of transfer of a Lender's interest in the Register shall be conclusive, absent manifest error, as to the ownership of the interests in the Loans. Agent shall not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register. Each Lender granting a participation shall, as a non-fiduciary agent of the Borrowers, maintain a register containing information similar to that of the Register in a manner such that the loans hereunder are in "registered form" for the purposes of the Code. This Section and Section 19.1.2 shall be construed so that the Loans are at all times maintained in "registered form" for the purpose of the Code and any related regulations (and any successor provisions).

**15.10. Participations**. Anything in this Agreement or any other Loan Document to the contrary notwithstanding, any Lender may, at any time and from time to time, without in any manner affecting or impairing the validity of any Obligations, sell to one or more Persons participating interests in its Loans, commitments or other interests hereunder or under any other Loan Document (any such Person, a ***"Participant"***). In the event of a sale by a Lender of a participating interest to a Participant, (a) such Lender's obligations hereunder and under the other Loan Documents shall remain unchanged for all purposes, (b) Borrowers and such Lender shall continue to deal solely and directly with each other in connection with such Lender's rights and obligations hereunder and under the other Loan Documents and (c) all amounts payable by Borrowers shall be determined as if such Lender had not sold such participation and shall be paid directly to such Lender; ***provided,*** that a Participant shall be entitled to the benefits of Section 13 as if it were a Lender if Borrower Representative is notified of the Participation and the Participant complies with Section 13. Each Borrower agrees that if amounts outstanding under this Agreement or any other Loan Document are due and payable (as a result of acceleration or otherwise), each Participant shall be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement and the other Loan Documents to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement; ***provided***, that such right of set-off shall not be exercised without the prior written consent of such Lender and shall be subject to the obligation of each Participant to share with such Lender its share thereof. Each Borrower also agrees that each Participant shall be entitled to the benefits of Section 15.9 as if it were a Lender. Notwithstanding the granting of any such participating interests, (i) Borrowers shall look solely to the applicable Lender for all purposes of this Agreement, the Loan Documents and the transactions contemplated hereby, (ii) Borrowers shall at all times have the right to rely upon any amendments, waivers or consents signed by the applicable Lender as being binding upon all of the Participants and (iii) all communications in respect of this Agreement and such transactions shall remain solely between Borrowers and the applicable Lender (exclusive of Participants) hereunder. If a Lender grants a participation hereunder, such Lender shall maintain, as a non-fiduciary agent of Borrowers, a register as to the participations granted and transferred under this Section containing the same information specified in Section 15.9 on the Register as if each Participant were a Lender to the extent required to cause the Loans to be in registered form for the purposes of Sections 163(F), 165(J), 871, 881, and 4701 of the Code.

**15.11. Headings; Construction**. Section and subsection headings are used in this Agreement only for convenience and do not affect the meanings of the provisions that they precede.

**15.12. USA PATRIOT Act Notification**. Agent hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act, it may be required to obtain, verify and record certain information and documentation that identifies such Person, which information may include the name and address of each such Person and such other information that will allow Agent to identify such Persons in accordance with the USA PATRIOT Act.

**15.13. Counterparts; Fax/Email Signatures**. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same agreement. This Agreement may be executed by signatures delivered by facsimile or electronic mail, each of which shall be fully binding on the signing party.

**15.14. GOVERNING LAW**. THIS AGREEMENT, ALONG WITH ALL OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED OTHERWISE IN SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES. FURTHER, THE LAW OF THE STATE OF NEW YORK SHALL APPLY TO ALL DISPUTES OR CONTROVERSIES ARISING OUT OF OR CONNECTED TO OR WITH THIS AGREEMENT AND ALL SUCH OTHER LOAN DOCUMENTS WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES.

**15.15. CONSENT TO JURISDICTION; WAIVER OF JURY TRIAL; CONSENT TO SERVICE OF PROCESS**. ANY LEGAL ACTION, SUIT OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT EXCLUSIVELY IN THE COURTS OF THE STATE OF ILLINOIS IN THE COUNTY OF COOK OR IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF ILLINOIS OR IN ANY OTHER COURT (IN ANY JURISDICTION) SELECTED BY THE AGENT IN ITS SOLE DISCRETION, AND EACH BORROWER AND EACH OTHER LOAN PARTY OBLIGOR HEREBY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFOREMENTIONED COURTS. EACH BORROWER AND EACH OTHER LOAN PARTY OBLIGOR HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, OR BASED ON 28 U.S.C. § 1404, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING AND ADJUDICATION OF ANY SUCH ACTION, SUIT OR PROCEEDING IN ANY OF THE AFOREMENTIONED COURTS AND AMENDMENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY THE COURT. EACH BORROWER AND EACH OTHER LOAN PARTY OBLIGOR HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR UNDER ANY AMENDMENT, WAIVER, AMENDMENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION HEREWITH OR THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE OTHER TRANSACTION DOCUMENTS, AND AGREES THAT ANY SUCH ACTION, PROCEEDING OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH BORROWER AND EACH OTHER LOAN PARTY OBLIGOR HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON ANY BORROWER OR ANY OTHER LOAN PARTY OBLIGOR AND CONSENTS THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE BY CERTIFIED MAIL (RETURN RECEIPT REQUESTED) DIRECTED TO BORROWER'S' NOTICE ADDRESS (ON BEHALF OF BORROWERS OR SUCH LOAN PARTY OBLIGOR) SET FORTH IN SECTION 15.1 AND SERVICE SO MADE SHALL BE DEEMED TO BE COMPLETED FIVE DAYS AFTER THE SAME SHALL HAVE BEEN SO DEPOSITED IN THE MAIL, OR, AT THE AGENT'S OPTION, BY SERVICE UPON ANY BORROWER OR ANY OTHER LOAN PARTY OBLIGOR IN ANY OTHER MANNER PROVIDED UNDER THE RULES OF ANY SUCH COURTS.

**15.16. Publication**. Each Borrower and each other Loan Party Obligor consents to the publication by Agent of a tombstone, press releases or similar advertising material relating to the financing transactions contemplated by this Agreement, and Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements.

**15.17. Confidentiality**. Agent and each Lender agree to use commercially reasonable efforts not to disclose Confidential Information to any Person without the prior consent of Borrower Representative; ***provided***, that nothing herein contained shall limit any disclosure of the tax structure of the transactions contemplated hereby, or the disclosure of any information (a) to the extent required by applicable law, statute, rule, regulation or judicial process or in connection with the exercise of any right or remedy under any Loan Document, or as may be required in connection with the examination, audit or similar investigation of Agent or any of its Affiliates, (b) to examiners, auditors, accountants or any regulatory authority, (c) to the officers, partners, managers, directors, employees, agents and advisors (including independent auditors, lawyers and counsel) of Agent and each Lender or any of their respective Affiliates, (d) in connection with any litigation or dispute which relates to this Agreement or any other Loan Document to which Agent or any Lender is a party or is otherwise subject, (e) to a subsidiary or Affiliate of Agent or any Lender, (f) to any assignee or participant (or prospective assignee or participant) which agrees to be bound by this Section 15.17 and (g) to any lender or other funding source of Agent or any Lender (each reference to Agent and Lender in the foregoing clauses shall be deemed to include (i) the actual and prospective assignees and participants referred to in clause (f) and the lenders and other funding sources referred to in clause (g), as applicable for purposes of this Section 15.17), and further ***provided***, that in no event shall Agent or any Lender be obligated or required to return any materials furnished by or on behalf of any Borrower or any other Loan Party or Obligor. The obligations of Agent and Lenders under this Section 15.17 shall supersede and replace the obligations of Agent and Lenders under any confidentiality letter or provision in respect of this financing or any other financing previously signed and delivered by Agent or any Lender to any Borrower or any of its Affiliates.

**15.18. INTERCREDITOR AGREEMENT.**

EACH LENDER PARTY HERETO (I) UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE INTERCREDITOR AGREEMENT, (II) AUTHORIZES AND DIRECTS THE AGENT TO ENTER INTO THE INTERCREDITOR AGREEMENT ON ITS BEHALF, AND (III) AGREES THAT ANY ACTION TAKEN BY THE AGENT PURSUANT TO THE INTERCREDITOR AGREEMENT SHALL BE BINDING UPON SUCH LENDER.

THE PROVISIONS OF THIS SECTION 15.19 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE INTERCREDITOR AGREEMENT. A COPY OF THE INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE AGENT.

THE INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE SECURED PARTIES (AS DEFINED IN THE INTERCREDITOR AGREEMENT) AND THEIR RESPECTIVE AGENTS (INCLUDING THEIR SUCCESSORS AND ASSIGNS) AND IS ACKNOWLEDGED AND AGREED TO BY THE LOAN PARTIES. AS MORE FULLY PROVIDED THEREIN, THE INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

IN THE EVENT OF ANY CONFLICT BETWEEN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND THE INTERCREDITOR AGREEMENT, THE INTERCREDITOR AGREEMENT SHALL GOVERN.

(f) The Term Loan Agent, on behalf of the Term Loan Secured Parties, agrees that neither the Revolving Loan Agent nor any Revolving Loan Secured Party shall have any liability to the Term Loan Agent, and the Term Loan Agent hereby waives any claims against the Revolving Loan Agent or any other Revolving Loan Secured Party, arising out of any and all actions that the Revolving Loan Agent or any other Revolving Loan Secured Party may take or permit or omit to take, so long as any such actions are taken in a manner consistent with the terms of this Agreement, with respect to the foreclosure upon, or sale, liquidation or other disposition or realization of, any Canadian Collateral or any guaranties or other obligations of any Canadian Grantor.

2.5. New Liens. So long as the Discharge of Revolving Loan Debt or Discharge of Term Loan Debt, as applicable, shall not have occurred, whether or not an Insolvency Proceeding has been commenced by or against any Grantor, the parties hereto agree that (a) no U.S. Grantor shall: (i) grant or permit any additional Liens on any asset to secure any Term Loan Debt unless such U.S. Grantor gives Revolving Loan Agent at least five (5) Business Days (or such shorter period as may be agreed to by the Revolving Loan Agent) prior written notice thereof and unless such notice also offers to grant a Lien on such asset to secure the Revolving Loan Debt concurrently with the grant of a Lien thereon in favor of Term Loan Agent or any other Term Loan Secured Party (and, in the event that Revolving Loan Agent shall not affirmatively decline such offer in writing within such five (5) Business Day period, such U.S. Grantor shall take all actions necessary to grant a Lien on such asset to secure the Revolving Loan Debt concurrently with the grant of a Lien thereon in favor of Term Loan Agent or any other Term Loan Secured Party); or (ii) grant or permit any additional Liens on any asset to secure any Revolving Loan Debt unless such U.S Grantor gives Term Loan Agent at least five (5) Business Days (or such shorter period as may be agreed to by the Term Loan Agent) prior written notice thereof and unless such notice also offers to grant a Lien on such asset to secure the Term Loan Debt concurrently with the grant of a Lien thereon in favor of Revolving Loan Agent or any other Revolving Loan Secured Party (and, in the event that Term Loan Agent shall not affirmatively decline such offer in writing within such five (5) Business Day period, such U.S. Grantor shall take all actions necessary to grant a Lien on such asset to secure the Term Loan Debt concurrently with the grant of a Lien thereon in favor of Revolving Loan Agent or any other Revolving Loan Secured Party); and (b) no Canadian Grantor shall grant or permit any additional Liens on any Canadian Collateral to secure any Term Loan Debt. To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to the Secured Parties, Term Loan Agent and Revolving Credit Agent agree that any Lien obtained in violation of this Section shall also be held for the benefit of the Revolving Loan Secured Parties and Term Loan Secured Parties, as applicable, and that any such Lien shall be subject to the provisions of this Agreement including, without limitation, the lien priorities of Section 2 and the payment provisions of Section 4. The Revolving Loan Agent or Term Loan Agent, as applicable, may decline to accept any Lien offered to it pursuant to this Section, in which case, such Lien may be held for the sole benefit of the Revolving Loan Secured Parties or Term Loan Secured Parties as applicable.

Section 3. Enforcement

3.1. Exercise of Rights and Remedies.

(a) So long as the Discharge of Revolving Loan Priority Debt has not occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, Term Loan Agent, for itself and on behalf of the other Term Loan Secured Parties:

(i) will not take any Enforcement Action with respect to any Revolving Loan Priority Collateral or commence or join with any Person (other than Revolving Loan Agent with its consent) in commencing, or filing a petition for, any action or proceeding with respect to such rights or remedies (including any foreclosure action), except, that, subject at all times to the provisions of Section 4 of this Agreement and to Section 3.1(a)(ii) of this Agreement, Term Loan Agent may take an Enforcement Action or commence or join in any such action as to any Revolving Loan Priority Collateral commencing one hundred eighty (180) days after the date of the receipt by Revolving Loan Agent of written notice from Term Loan Agent of the declaration by Term Loan Secured Parties of a Term Loan Event of Default in accordance with the terms of the Term Loan Documents (as in effect on the date hereof or as amended not in violation of this Agreement) that is continuing and the written demand by Term Loan Secured Parties of the immediate payment in full of all of the Term Loan Debt under the Term Loan Documents so long as such Term Loan Event of Default has not been cured or waived (such period being referred to herein as the "Term Loan Standstill Period"); provided, that,

(A) in the event that at any time after the Term Loan Agent has sent a notice to Revolving Loan Agent to commence the Term Loan Standstill Period, the Term Loan Event of Default that was the basis for such notice is cured or waived and no other Term Loan Events of Default have occurred and are then continuing, then the notice shall automatically and without further action of the parties be deemed rescinded and no Term Loan Standstill Period shall be deemed to have been commenced;

(B) the Term Loan Standstill Period shall be tolled for any period during which Revolving Loan Agent is stayed from taking any Enforcement Action pursuant to any Insolvency Proceeding or court order, so long as the Revolving Loan Agent has used its commercially reasonable efforts to have such stay lifted;

(C) prior to taking any such Enforcement Action or commencing or petitioning for any such action or proceeding, after the end of the Term Loan Standstill Period, Term Loan Agent shall give Revolving Loan Agent not more than ten (10) Business Days' and not less than five (5) Business Days' prior written notice of the intention of Term Loan Agent or any other Term Loan Secured Party to take an Enforcement Action or commence or petition for any such action or proceeding, including specifying the rights and remedies that it intends to exercise, which notice may be sent prior to the end of the Term Loan Standstill Period; and

(D) notwithstanding anything to the contrary contained in this Section 3.1(a)(i), Term Loan Agent and the other Term Loan Secured Parties may take an Enforcement Action against any specific item or items of the Revolving Loan Priority Collateral or commence or petition for any action or proceeding with respect to such rights or remedies after the end of the Term Loan Standstill Period, unless Revolving Loan Agent or any other Revolving Loan Secured Party is diligently pursuing in good faith an Enforcement Action against U.S. Grantors and/or all or any material portion of the Revolving Loan Priority Collateral or such item or items of Revolving Loan Priority Collateral, including, without limitation, any of the following: solicitation of bids from third parties to conduct the liquidation of all or any material portion of the Revolving Loan Priority Collateral, the engagement or retention of sales brokers, marketing agents, investment bankers, accountants, auctioneers or other third parties for the purpose of valuing, marketing, promoting or selling all or any material portion of the Revolving Loan Priority Collateral, the notification of account debtors that owe all or a material portion of the accounts to make payments to the Revolving Loan Agent or its agents, the initiation of any action to take possession of all or any material portion of the Revolving Loan Priority Collateral or the commencement of any legal proceedings or actions against or with respect to all or any material portion of the Revolving Loan Priority Collateral;

(ii) will not contest, protest or object to any foreclosure action or proceeding brought by Revolving Loan Agent or any other Revolving Loan Secured Party, or any other Enforcement Action taken by any Revolving Loan Secured Party relating solely to the Revolving Loan Priority Collateral, so long as the Liens of Term Loan Agent attach to the Proceeds thereof subject to the relative priorities set forth in Section 2.1;

(iii) will not object to the forbearance by Revolving Loan Agent or the other Revolving Loan Secured Parties from commencing or pursuing any foreclosure action or proceeding or any other Enforcement Action with respect to any of the Revolving Loan Priority Collateral;

(iv) will not, so long as the Discharge of Revolving Loan Priority Debt has not occurred and except for actions otherwise permitted (x) in accordance with Section 3.1(a)(i)(D) and subject to Section 4.1 or (y) in accordance with Section 6.4 but not in violation of any provision of this Agreement, take or receive any Revolving Loan Priority Collateral, or any Proceeds thereof or payment with respect thereto, in connection with the exercise of any right or remedy with respect to any Revolving Loan Priority Collateral;

(v) agrees that no covenant, agreement or restriction contained in any Term Loan Document shall be deemed to restrict in any way the rights and remedies of Revolving Loan Agent or the other Revolving Loan Secured Parties with respect to the Revolving Loan Priority Collateral as set forth in this Agreement and the Revolving Loan Documents;

(vi) will not object to the manner in which Revolving Loan Agent or any other Revolving Loan Secured Party may seek to enforce or collect the Revolving Loan Debt or the Liens of such Revolving Loan Secured Party on any Revolving Loan Priority Collateral to the extent not in violation of this Agreement, regardless of whether any action or failure to act by or on behalf of Revolving Loan Agent or any other Revolving Loan Secured Party is, or could be, adverse to the interests of the Term Loan Secured Parties, and will not assert, and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or claim the benefit of any marshaling, appraisal, valuation or other similar right that may be available under applicable law with respect to the Revolving Loan Priority Collateral or any other rights a junior secured creditor may have under applicable law with respect to the matters described in this clause (vi); and

(vii) will not attempt, directly or indirectly, whether by judicial proceeding or otherwise, to challenge or question the validity or enforceability of any Revolving Loan Debt or any Lien of Revolving Loan Agent or this Agreement (other than the challenging the characterization of any item of Shared Collateral as Term Loan Priority Collateral or Revolving Loan Priority Collateral), or the validity or enforceability of the priorities, rights or obligations established by this Agreement.

(b) So long as the Discharge of Term Loan Priority Debt has not occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, Revolving Loan Agent, for itself and on behalf of the other Revolving Loan Secured Parties:

(i) will not take any Enforcement Action with respect to any Term Loan Priority Collateral or commence or join with any Person (other than Term Loan Agent with its consent) in commencing, or filing a petition for, any action or proceeding with respect to such rights or remedies (including any foreclosure action), except, that, subject at all times to the provisions of Section 4 of this Agreement and to Section 3.1(b)(ii) of this Agreement, Revolving Loan Agent may take an Enforcement Action or commence or join in any such action as to any Term Loan Priority Collateral commencing one hundred eighty (180) days after the date of the receipt by Term Loan Agent of written notice from Revolving Loan Agent of the declaration by Revolving Loan Secured Parties of a Revolving Loan Event of Default in accordance with the terms of the Revolving Loan Documents (as in effect on the date hereof or as amended not in violation of this Agreement) that is continuing and the written demand by Revolving Loan Secured Parties of the immediate payment in full of all of the Revolving Loan Debt under the Revolving Loan Documents so long as such Revolving Loan Event of Default has not been cured or waived (such period being referred to herein as the "Revolving Loan Standstill Period"); provided, that,

(A) in the event that at any time after the Revolving Loan Agent has sent a notice to Term Loan Agent to commence the Revolving Loan Standstill Period, the Revolving Loan Event of Default that was the basis for such notice is cured or waived and no other Revolving Loan Events of Default have occurred and are then continuing, then the notice shall automatically and without further action of the parties be deemed rescinded and no Revolving Loan Standstill Period shall be deemed to have been commenced;

(B) the Revolving Loan Standstill Period shall be tolled for any period during which Term Loan Agent is stayed from taking any Enforcement Action pursuant to any Insolvency Proceeding or court order so long as the Term Loan Agent has used its commercially reasonable efforts to have such stay lifted;

(C) prior to taking any such Enforcement Action or commencing or petitioning for any such action or proceeding, after the end of the Revolving Loan Standstill Period, Revolving Loan Agent shall give Term Loan Agent not more than ten (10) Business Days' and not less than five (5) Business Days' prior written notice of the intention of Revolving Loan Agent or any other Revolving Loan Secured Party to take any Enforcement Action or commence or petition for any such action or proceeding, including specifying the rights and remedies that it intends to exercise, which notice may be sent prior to the end of the Revolving Loan Standstill Period; and

(D) notwithstanding anything to the contrary contained in this Section 3.1(b)(i), Revolving Loan Agent and the other Revolving Loan Secured Parties may take an Enforcement Action against any specific item or items of the Term Loan Priority Collateral or commence or petition for any action or proceeding with respect to such rights or remedies after the end of the Revolving Loan Standstill Period, unless Term Loan Agent or any other Term Loan Secured Party is diligently pursuing in good faith an Enforcement Action against all or any material portion of the Term Loan Priority Collateral or such item or items of Term Loan Priority Collateral, including, without limitation, any of the following: solicitation of bids from third parties to conduct the liquidation of all or any material portion of the Term Loan Priority Collateral, the engagement or retention of sales brokers, marketing agents, investment bankers, accountants, auctioneers or other third parties for the purpose of valuing, marketing, promoting or selling all or any material portion of the Term Loan Priority Collateral, the initiation of any action to take possession of all or any material portion of the Term Loan Priority Collateral or the commencement of any legal proceedings or actions against or with respect to all or any material portion of the Term Loan Priority Collateral;

(ii) will not contest, protest or object to any foreclosure action or proceeding brought by Term Loan Agent or any other Term Loan Secured Party, or any other Enforcement Action taken by any Term Loan Secured Party relating solely to the Term Loan Priority Collateral, so long as the Liens of Revolving Loan Agent attach to the Proceeds thereof subject to the relative priorities set forth in Section 2.1;

(iii) will not object to the forbearance by Term Loan Agent or the other Term Loan Secured Parties from commencing or pursuing any foreclosure action or proceeding or any other Enforcement Action with respect to any of the Term Loan Priority Collateral;

(iv) will not, so long as the Discharge of Term Loan Priority Debt has not occurred and except for actions otherwise permitted (x) in accordance with Section 3.1(b)(i)(D) and subject to Section 4.1 or (y) in accordance with Section 6.4 but not in violation of any provision of this Agreement, take or receive any Term Loan Priority Collateral, or any Proceeds thereof or payment with respect thereto, in connection with the exercise of any right or remedy with respect to any Term Loan Priority Collateral;

(v) agrees that no covenant, agreement or restriction contained in any Revolving Loan Document shall be deemed to restrict in any way the rights and remedies of Term Loan Agent or the other Term Loan Secured Parties with respect to the Term Loan Priority Collateral as set forth in this Agreement and the Term Loan Documents;

(vi) will not object to the manner in which Term Loan Agent or any other Term Loan Secured Party may seek to enforce or collect the Term Loan Debt or the Liens of such Term Loan Secured Party on any Term Loan Priority Collateral to the extent not in violation of this Agreement, regardless of whether any action or failure to act by or on behalf of Term Loan Agent or any other Term Loan Secured Party is, or could be, adverse to the interests of the Revolving Loan Secured Parties, and will not assert, and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or claim the benefit of any marshaling, appraisal, valuation or other similar right that may be available under applicable law with respect to the Term Loan Priority Collateral or any other rights a junior secured creditor may have under applicable law with respect to the matters described in this clause (vi); and

(vii) will not attempt, directly or indirectly, whether by judicial proceeding or otherwise, to challenge or question the validity or enforceability of any Term Loan Debt or any Lien of Term Loan Agent or this Agreement (other than the challenging the characterization of any item of Shared Collateral as Term Loan Priority Collateral or Revolving Loan Priority Collateral), or the validity or enforceability of the priorities, rights or obligations established by this Agreement.

(c) Until the Discharge of Revolving Loan Priority Debt has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, subject to Section 3.1(a)(i) and Section 7 hereof, the Revolving Loan Agent and the other Revolving Loan Secured Parties shall have the exclusive right to commence, and if applicable, maintain the exercise of its rights and remedies with respect to the Revolving Loan Priority Collateral, including, without limitation, the exclusive right, to the extent provided for in the Revolving Loan Documents or under applicable law, to appoint an administrator or a Receiver in respect of the Revolving Loan Priority Collateral, to take or retake control or possession of such Revolving Loan Priority Collateral and to hold, prepare for sale, process, and subject to Section 3.1(a) and Section 7 hereof, sell, lease, dispose of, or liquidate such Revolving Loan Priority Collateral, without any consultation with or the consent of any Term Loan Secured Party; provided, that, the Lien securing the Term Loan Debt shall continue as to the Proceeds of such Revolving Loan Priority Collateral released or disposed of subject to the relative priorities described in Section 2 hereof. In exercising enforcement rights and remedies with respect to the Revolving Loan Priority Collateral, the Revolving Loan Agent and the other Revolving Loan Secured Parties may enforce the provisions of the Revolving Loan Documents with respect to the Revolving Loan Priority Collateral and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise realize on or dispose of any Revolving Loan Priority Collateral upon foreclosure, to incur expenses in connection with such sale or other realization or disposition, and to exercise all of the rights and remedies of a secured creditor under the UCC, the PPSA and of a secured creditor under the Bankruptcy Laws of any applicable jurisdiction. Prior to the Discharge of Revolving Loan Priority Debt, Term Loan Secured Parties shall not have any right to direct any Revolving Loan Secured Party to exercise any right, remedy or power with respect to the Revolving Loan Priority Collateral and each Term Loan Secured Party shall have no right to consent to any exercise of remedies under the Revolving Loan Documents or applicable law in respect of any of the Revolving Loan Priority Collateral. No Term Loan Secured Party shall institute any suit or assert in any suit, Insolvency Proceeding or other proceeding any claim against any Revolving Loan Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to the Revolving Loan Priority Collateral.

(d) Until the Discharge of Term Loan Priority Debt has occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, subject to Section 3.1(b)(i) hereof, the Term Loan Agent and the other Term Loan Secured Parties shall have the exclusive right to commence, and if applicable, maintain the exercise of its rights and remedies with respect to the Term Loan Priority Collateral, including, without limitation, the exclusive right, to the extent provided for in the Term Loan Documents or under applicable law, to appoint an administrator or a Receiver in respect of the Term Loan Priority Collateral, to take or retake control or possession of such Term Loan Priority Collateral and to hold, prepare for sale, process, and subject to Section 3.1(b) hereof, sell, lease, dispose of, or liquidate such Term Loan Priority Collateral, without any consultation with or the consent of any Revolving Loan Secured Party; provided that, the Lien securing the Revolving Loan Debt shall continue as to the Proceeds of such Term Loan Priority Collateral released or disposed of subject to the relative priorities described in Section 2 hereof. In exercising enforcement rights and remedies with respect to the Term Loan Priority Collateral, the Term Loan Agent and the other Term Loan Secured Parties may enforce the provisions of the Term Loan Documents with respect to the Term Loan Priority Collateral and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise realize on or dispose of any Term Loan Priority Collateral upon foreclosure, to incur expenses in connection with such sale or other realization or disposition, and to exercise all of the rights and remedies of a secured creditor under the UCC, the PPSA and of a secured creditor under the Bankruptcy Laws of any applicable jurisdiction. Prior to the Discharge of Term Loan Priority Debt, Revolving Loan Secured Parties shall not have any right to direct any Term Loan Secured Party to exercise any right, remedy or power with respect to the Term Loan Priority Collateral and each Revolving Loan Secured Party shall have no right to consent to any exercise of remedies under the Revolving Loan Documents or applicable law in respect of any of the Term Loan Priority Collateral. No Revolving Loan Secured Party shall institute any suit or assert in any suit, Insolvency Proceeding or other proceeding any claim against any Term Loan Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to the Term Loan Priority Collateral.

(e) Notwithstanding the foregoing, each of the Term Loan Agent and the Revolving Loan Agent may:

(i) file a claim, proof of claim or statement of interest with respect to the Revolving Loan Debt or Term Loan Debt, as the case may be; provided, that, an Insolvency Proceeding has been commenced by or against any Grantor;

(ii) in the case of the Term Loan Agent, take any action in order to create, perfect, preserve or protect (but not enforce) its Lien on any of the Revolving Loan Priority Collateral and its priority thereof, and in the case of the Revolving Loan Agent, take any action in order to create, perfect, preserve or protect (but not enforce) its Lien on any of the Term Loan Priority Collateral and its priority thereof;

(iii) file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Revolving Loan Secured Parties or Term Loan Secured Parties represented by it, including any claims secured by the Collateral, if any, or otherwise make any agreements or file any motions or objections pertaining to the claims of such Secured Parties, in each case in accordance with the terms of this Agreement;

(iv) file any pleadings, proceedings, applications, objections, motions or agreements which assert rights or interests that are available to unsecured creditors of the Grantors including, without limitation, the commencement of an Insolvency Proceeding against any Grantor, in each case, in accordance with applicable law and in a manner not inconsistent with the terms of this Agreement;

(v) vote on any plan of reorganization or arrangement or proposal, file any proof of claim, make other filings and make any arguments and motions that do not, in any case, contravene the terms of this Agreement; and

(vi) exercise all other rights and remedies as unsecured creditors against any U.S. Grantor so long as such exercise does not contravene the terms of this Agreement (it being understood that any provision of this Agreement that requires any party hereto to act or to refrain from acting shall be applicable to such party in its respective capacities as a secured and an unsecured creditor).

3.2. Release of Second Priority Liens.

(a) If the Agent with the senior Lien on any Shared Collateral (the "Senior Agent") releases its Liens on any part of such Shared Collateral in connection with (i) any Disposition of such Shared Collateral permitted under the terms of both the Revolving Loan Documents and the Term Loan Documents, (ii) the Disposition by an Agent (but not by a U.S. Grantor) of such Shared Collateral in connection with such Agent's taking an Enforcement Action in respect of such Shared Collateral or (iii) the Disposition by any U.S. Grantor of such Shared Collateral with the consent of the Senior Agent so long as, in the case of any Disposition of such Shared Collateral pursuant to this clause (iii), (A) a Revolving Loan Event of Default (in the case of a Disposition of Revolving Loan Priority Collateral) or Term Loan Event of Default (in the case of a Disposition of Term Loan Priority Collateral) has occurred and is continuing, and (B) the net cash proceeds received from such Disposition shall be applied to repay the Revolving Loan Priority Debt (in the case of a Disposition of Revolving Loan Priority Collateral) or the Term Loan Debt (in the case of a Disposition of Term Loan Priority Collateral), then (in each case) effective upon the consummation of any such Disposition or Enforcement Action, the Agent with the junior Lien on any such Shared Collateral (the "Junior Agent") shall:

(i) be deemed to have automatically and without further action released and terminated any Liens it may have on such Shared Collateral; provided, that, (x) the Liens of the Senior Agent on such Shared Collateral so sold or disposed of are released at the same time, and (y) such junior Lien shall remain in place with respect to any Proceeds of such sale, transfer or other Disposition under this clause (a) that remain after the Discharge of Revolving Loan Priority Debt (in the case of Revolving Loan Priority Collateral) or the Discharge of Term Loan Priority Debt (in the case of Term Loan Priority Collateral);

(ii) be deemed to have authorized the Senior Agent and their designees to file UCC amendments and terminations covering the Shared Collateral so sold or otherwise disposed of with respect to the UCC financing statements between any U.S. Grantor and the Junior Agent to evidence such release and termination; and

(iii) promptly upon the request of the Senior Agent, execute and deliver such other release documents and confirmations of the authorization to file UCC amendments and terminations provided for herein, in each case as the Senior Agent may require in connection with such sale or other Disposition, to evidence and effectuate such termination and release;

provided, that, any such release or UCC amendment or termination, in the case of any of clauses (i), (ii) or (iii) above, by or on behalf of the Junior Agent shall not extend to or otherwise affect any of the rights, if any, of such Junior Agent to the Proceeds from any such sale or other Disposition of Shared Collateral upon the Discharge of Revolving Loan Priority Debt or the Discharge of Term Loan Priority Debt, as the case may be, whichever is secured by the senior Lien on such Shared Collateral.

(b) Each Agent, for itself and on behalf of the other Secured Parties for whom such Agent is acting, in its capacity as Junior Agent, hereby irrevocably constitutes and appoints the other Agent, in its capacity as Senior Agent, and any officer or agent of such Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Junior Agent or such holder or in the Junior Agent's own name, from time to time in such Senior Agent's discretion, for the purpose of carrying out the terms of this Section 3.2, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Section 3.2, including any termination statements, endorsements or other instruments of transfer or release. Nothing contained in this Agreement shall be construed to modify the obligation of the Senior Agent to act in a commercially reasonable manner in the exercise of its rights to sell, lease, license, exchange, transfer or otherwise dispose of any Shared Collateral.

(c) In the event that Proceeds of Collateral are received in connection with a Disposition of Shared Collateral that directly or indirectly involves both of some or all of the Revolving Loan Priority Collateral and some or all of the Term Loan Priority Collateral, the Revolving Loan Agent and the Term Loan Agent shall use commercially reasonable efforts in good faith to allocate the Proceeds received in connection with such Disposition of such Shared Collateral to the Revolving Loan Priority Collateral and the Term Loan Priority Collateral. If the Revolving Loan Agent and Term Loan Agent are unable to agree on such allocation within ten (10) Business Days (or such other period of time as Revolving Loan Agent and Term Loan Agent agree) of the consummation of such Disposition, the portion of such Proceeds that shall be allocated as Proceeds of Revolving Loan Priority Collateral for purposes of this Agreement shall be an amount equal to not less than the sum of the book value of the accounts and inventory (each as defined in the UCC) included in the Shared Collateral subject to such Disposition (determined at the time of such Disposition).

3.3. Insurance and Condemnation Awards.

(a) So long as the Discharge of Revolving Loan Priority Debt has not occurred, Revolving Loan Agent and the other Revolving Loan Secured Parties shall have the sole and exclusive right, subject to the rights of U.S. Grantors under the Revolving Loan Documents, to settle and adjust claims in respect of the Revolving Loan Priority Collateral under policies of insurance and to approve any award granted in any condemnation, expropriation or similar proceeding, or any deed in lieu of condemnation or expropriation in respect of the Revolving Loan Priority Collateral. So long as the Discharge of Revolving Loan Priority Debt has not occurred, all Proceeds of any such policy and any such award, or any payments with respect to a deed in lieu of condemnation or expropriation, shall (a) first, be paid to Revolving Loan Agent for the benefit of the Revolving Loan Secured Parties to the extent required under, and for application in accordance with, the Revolving Loan Documents, (b) second, be paid to Term Loan Agent for the benefit of the Term Loan Secured Parties to the extent required under, and for application in accordance with, the applicable Term Loan Documents, and (c) third, if the Discharge of Term Loan Debt has occurred, be paid to the owner of the subject property or as a court of competent jurisdiction may otherwise direct or may otherwise be required by applicable law. Until the Discharge of Revolving Loan Priority Debt, if Term Loan Agent or any other Term Loan Secured Party shall, at any time, receive any Proceeds of any such insurance policy or any such award or payment, it shall pay such Proceeds over to Revolving Loan Agent in accordance with the terms of Section 4.2.

(b) So long as the Discharge of Term Loan Priority Debt has not occurred, Term Loan Agent and the other Term Loan Secured Parties shall have the sole and exclusive right, subject to the rights of U.S. Grantors under the Term Loan Documents, to settle and adjust claims in respect of the Term Loan Priority Collateral under policies of insurance and to approve any award granted in any condemnation, expropriation or similar proceeding, or any deed in lieu of condemnation, expropriation in respect of the Term Loan Priority Collateral. So long as the Discharge of Term Loan Priority Debt has not occurred, all Proceeds of any such policy and any such award, or any payments with respect to a deed in lieu of condemnation or expropriation, shall (a) first, be paid to Term Loan Agent for the benefit of the Term Loan Secured Parties to the extent required under, and for application in accordance with, the applicable Term Loan Documents, (b) second, be paid to Revolving Loan Agent for the benefit of the Revolving Loan Secured Parties to the extent required under, and for application in accordance with, the Revolving Loan Documents, and (c) third, if the Discharge of Revolving Loan Debt has occurred, be paid to the owner of the subject property or as a court of competent jurisdiction may otherwise direct or may otherwise be required by applicable law. Until the Discharge of Term Loan Priority Debt, if Revolving Loan Agent or any other Revolving Loan Secured Party shall, at any time, receive any Proceeds of any such insurance policy or any such award or payment, it shall pay such Proceeds over to Term Loan Agent in accordance with the terms of Section 4.2.

3.4. Tracing of and Priorities in Proceeds. Revolving Loan Agent, for itself and on behalf of the Revolving Loan Secured Parties, and Term Loan Agent, for itself and on behalf of the Term Loan Secured Parties, agree that prior to an issuance of a notice of an Enforcement Notice or the commencement of any Insolvency Proceeding, any Proceeds of Shared Collateral, whether or not deposited under Control Agreements, which are used by any U.S. Grantor to acquire other property which is Shared Collateral shall not (solely as between the Agents, the Revolving Loan Secured Parties and the Term Loan Secured Parties) be treated as Proceeds of Shared Collateral for purposes of determining the relative priorities in the Shared Collateral which was so acquired. In addition, unless and until the Discharge of Revolving Loan Debt occurs, subject to Section 4.2, the Term Loan Agent and the Term Loan Secured Parties each hereby (x) consents to the application, prior to the receipt by the Revolving Loan Agent of a notice of an Enforcement Notice or a notice of the declaration by Term Loan Secured Parties of a Term Loan Event of Default or the commencement of any Insolvency Proceeding, of cash (including any other Proceeds of Shared Collateral as and when converted to cash) deposited under Control Agreements or Blocked Accounts (as defined in the Revolving Loan Agreement) to the repayment of Revolving Loan Debt pursuant to the Revolving Loan Documents and (y) agrees that any claim that payments made to the Revolving Loan Agent through the accounts that are subject to such Control Agreements or Dominion Accounts, respectively, are Proceeds of or otherwise constitute Term Loan Priority Collateral are waived by the Term Loan Agent and the Term Loan Secured Parties.

(c) Upon the Discharge of Revolving Loan Priority Debt, to the extent permitted under applicable law and without risk of legal liability to Revolving Loan Agent or any other Revolving Loan Secured Party and until the Discharge of Term Loan Priority Debt, Revolving Loan Agent shall deliver to Term Loan Agent, without representation or recourse, any Proceeds of Shared Collateral held by it at such time in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct, to be applied by Term Loan Agent to the Term Loan Debt in such order as specified in the relevant Term Loan Documents. Upon the Discharge of Term Loan Priority Debt, to the extent permitted under applicable law and without risk of legal liability to Term Loan Agent or any other Term Loan Secured Party and until the Discharge of Revolving Loan Priority Debt, Term Loan Agent shall deliver to Revolving Loan Agent, without representation or recourse, any Proceeds of Shared Collateral held by it at such time in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct, to be applied by Revolving Loan Agent to the Revolving Loan Debt in such order as specified in the relevant Revolving Loan Documents. The provisions of this Section 4.1 are intended solely to govern the respective Lien priorities as between Term Loan Agent and Revolving Loan Agent and shall not impose on any Agent or any other Secured Party any obligations in respect of the disposition of Proceeds of foreclosure on any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or other governmental authority or any applicable law.

4.2. Payments Over.

(a) So long as the Discharge of Revolving Loan Priority Debt has not occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, Term Loan Agent agrees, for itself and on behalf of the other Term Loan Secured Parties, that any Revolving Loan Priority Collateral or Proceeds thereof or payment with respect thereto received by Term Loan Agent or any other Term Loan Secured Party (including any right of set-off), and including in connection with any insurance policy claim or any condemnation or expropriation award (or deed in lieu of condemnation or expropriation), in each case, in violation of this Agreement, shall be segregated and held in trust and promptly transferred or paid over to Revolving Loan Agent for the benefit of the Revolving Loan Secured Parties in the same form as received, with any necessary endorsements or assignments or as a court of competent jurisdiction may otherwise direct. Revolving Loan Agent is hereby authorized to make any such endorsements or assignments as agent for Term Loan Agent. This authorization is coupled with an interest and is irrevocable.

(b) So long as the Discharge of Term Loan Priority Debt has not occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, Revolving Loan Agent agrees, for itself and on behalf of the other Revolving Loan Secured Parties, that any Term Loan Priority Collateral or Proceeds thereof or payment with respect thereto received by Revolving Loan Agent or any other Revolving Loan Secured Party (including any right of set-off), and including in connection with any insurance policy claim or any condemnation or expropriation award (or deed in lieu of condemnation or expropriation), in each case, in violation of this Agreement, shall be segregated and held in trust and promptly transferred or paid over to Term Loan Agent for the benefit of the Term Loan Secured Parties in the same form as received, with any necessary endorsements or assignments or as a court of competent jurisdiction may otherwise direct. Term Loan Agent is hereby authorized to make any such endorsements or assignments as agent for Revolving Loan Agent. This authorization is coupled with an interest and is irrevocable.

4.3. Proceeds of Certain Mandatory Prepayments.

(a) So long as the Discharge of Term Loan Priority Debt has not occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, subject to Section 3.2(c) hereof, all net cash proceeds (including any other Proceeds as and when converted to cash) of assets sales, casualty events, condemnation awards and deeds in lieu of foreclosure or Extraordinary Receipts, in each case, received by U.S. Grantors in respect of Term Loan Priority Collateral and from the incurrence of indebtedness by any U.S. Grantor in violation of the Term Loan Agreement, in each case, shall (to the extent required under and in accordance with the provisions of the Term Loan Agreement) be applied to prepay the Term Loan Debt in accordance with the Term Loan Documents.

(b) So long as the Discharge of Revolving Loan Priority Debt has not occurred, whether or not any Insolvency Proceeding has been commenced by or against any Grantor, subject to Section 3.2(c) hereof, all net cash proceeds (including any other Proceeds as and when converted to cash) of assets sales, casualty events, condemnation awards and deeds in lieu of foreclosure or Extraordinary Receipts, in each case, received by Grantors in respect of Revolving Loan Priority Collateral (to the extent required under and in accordance with the provisions of the Revolving Loan Agreement) be applied to prepay the Revolving Loan Debt in accordance with the Revolving Loan Documents.

(c) So long as the Discharge of Term Loan Priority Debt has not occurred, notwithstanding anything to the contrary set forth herein or in the Revolving Loan Documents, but except as otherwise set forth in clause (b) above, U.S. Grantors shall be permitted to make, and Term Loan Secured Parties shall be permitted to receive and retain, any mandatory amortization payments required pursuant to Section 2.1(d) of the Term Loan Agreement and, except as otherwise set forth in clause (b) above, any other mandatory prepayments of Term Loan Debt (and any required prepayment premium) required to be made pursuant to the Term Loan Documents (including pursuant to Section 2.1(g) of the Term Loan Agreement).

Section 5. Bailee for Perfection

5.1. Each Agent as Bailee.

(a) Each Agent agrees to hold any Shared Collateral that is in the possession or control of such Agent (or its agents or bailees), to the extent that possession or control thereof is effective to perfect a Lien thereon under the UCC (such Shared Collateral being referred to herein as the "Shared Pledged Collateral"), as bailee and agent for and on behalf of the other Agent solely for the purpose of perfecting the Lien granted to the other Agent in such Shared Pledged Collateral (including as to any securities or any deposit accounts or securities accounts, if any, for purposes of satisfying the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC) pursuant to the Revolving Loan Documents or Term Loan Documents, as applicable, subject to the terms and conditions of this Section 5.

(b) Until the Discharge of Revolving Loan Priority Debt has occurred, Revolving Loan Agent shall be entitled to deal with the Shared Pledged Collateral constituting Revolving Loan Priority Collateral in accordance with the terms of the Revolving Loan Documents. The rights of Term Loan Agent to such Shared Pledged Collateral shall at all times be subject to the terms of this Agreement and to Revolving Loan Agent's rights under the Revolving Loan Documents. Until the Discharge of Term Loan Priority Debt has occurred, Term Loan Agent shall be entitled to deal with the Shared Pledged Collateral constituting Term Loan Priority Collateral in accordance with the terms of the Term Loan Documents. The rights of Revolving Loan Agent to such Shared Pledged Collateral shall at all times be subject to the terms of this Agreement and to Term Loan Agent's rights under the Term Loan Documents.

(c) Each Agent shall have no obligation whatsoever to the other Agent or any other Secured Party to assure that the Shared Pledged Collateral is genuine or owned by any of the U.S. Grantors or to preserve rights or benefits of any Person except as expressly set forth in this Section 5. The duties or responsibilities of each Agent under this Section 5 shall be limited solely to holding the Shared Pledged Collateral as bailee and agent for and on behalf of the other Agent for purposes of perfecting the Lien held by the other Agent.

(d) Each Agent shall not have by reason of the Revolving Loan Documents, the Term Loan Documents or this Agreement or any other document a fiduciary relationship in respect of the other Agent or any of the other Secured Parties and shall not have any liability to the other Agent or any other Secured Party in connection with its holding the Shared Pledged Collateral, other than for its gross negligence or willful misconduct as determined by a final, non-appealable order of a court of competent jurisdiction.

5.2. Transfer of Shared Pledged Collateral.

(a) Upon the Discharge of Revolving Loan Priority Debt, to the extent permitted under applicable law, upon the request of Term Loan Agent, Revolving Loan Agent shall, without recourse or warranty, transfer the possession and control of the Shared Pledged Collateral, if any, then in its possession or control to Term Loan Agent, except in the event and to the extent (i) Revolving Loan Agent or any other Revolving Loan Secured Party has retained or otherwise acquired such Shared Pledged Collateral in full or partial satisfaction of any of the Revolving Loan Debt, (ii) such Shared Pledged Collateral is sold or otherwise disposed of by Revolving Loan Agent or any other Revolving Loan Secured Party or by a U.S. Grantor as provided herein or (iii) it is otherwise required by any order of any court or other governmental authority or applicable law or would result in the risk of liability of Revolving Loan Secured Party to any third party. In connection with any transfer described in the immediately preceding sentence to Term Loan Agent, Revolving Loan Agent agrees to take reasonable actions in its power (with all costs and expenses in connection therewith to be for the account of Term Loan Agent and to be paid by the U.S. Companies) as shall be reasonably requested by Term Loan Agent to permit Term Loan Agent to obtain, for the benefit of the Term Loan Secured Parties, a first priority security interest in the Shared Pledged Collateral, including in connection with the terms of any collateral access agreement whether with a landlord, processor, warehouse or other third party or any Control Agreement, and with respect to any such agreement delivered on or after the date hereof, Revolving Loan Agent shall notify the other parties thereto that it is no longer the "First Lien Agent", "Secured Party Representative", "Agent Representative", "Lender Representative" or such analogous representative party or otherwise entitled to act under such agreement and shall confirm to such parties that Term Loan Agent is thereafter the "First Lien Agent", "Secured Party Representative", "Agent Representative", or "Lender Representative" or such analogous representative party as any of such terms are used in any such agreement and is otherwise entitled to the rights of the secured party under such agreement. The foregoing provision shall not impose on Revolving Loan Agent or any other Revolving Loan Secured Party any obligations which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or other governmental authority or any applicable law.

(b) Upon the Discharge of Term Loan Priority Debt, to the extent permitted under applicable law, upon the request of Revolving Loan Agent, Term Loan Agent shall, without recourse or warranty, transfer the possession and control of the Shared Pledged Collateral, if any, then in its possession or control to Revolving Loan Agent, except in the event and to the extent (a) Term Loan Agent or any other Term Loan Secured Party has retained or otherwise acquired such Shared Pledged Collateral in full or partial satisfaction of any of the Term Loan Debt, (b) such Shared Pledged Collateral is sold or otherwise disposed of by Term Loan Agent or any other Term Loan Secured Party or by a U.S. Grantor as provided herein or (c) it is otherwise required by any order of any court or other governmental authority or applicable law or would result in the risk of liability of Term Loan Secured Party to any third party. In connection with any transfer described in the immediately preceding sentence to Revolving Loan Agent, Term Loan Agent agrees to take reasonable actions in its power (with all costs and expenses in connection therewith to be for the account of Revolving Loan Agent and to be paid by the U.S. Companies) as shall be reasonably requested by Revolving Loan Agent to permit Revolving Loan Agent to obtain, for the benefit of the Revolving Loan Secured Parties, a first priority security interest in the Shared Pledged Collateral. The foregoing provision shall not impose on Term Loan Agent or any other Term Loan Secured Party any obligations which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or other governmental authority or any applicable law.

(c) Each U.S. Grantor acknowledges and agrees to the delivery or transfer of control by Revolving Loan Agent to Term Loan Agent, and by Term Loan Agent to Revolving Loan Agent of any the Shared Pledged Collateral, in each case, in accordance with the terms of this Agreement, and waives and releases Revolving Loan Agent and the other Revolving Loan Secured Parties, and Term Loan Agent and the other Term Loan Secured Parties, from any liability as a result of such action.

Section 6. Insolvency Proceedings

6.1. General Applicability.

This Agreement shall be applicable both before and after the institution of any Insolvency Proceeding involving any Grantor, including, without limitation, the filing of any petition or the commencement of any proceeding by or against any Grantor under the Bankruptcy Code or under any other Bankruptcy Law and all converted or subsequent cases or proceedings in respect thereof, and all references herein to any Grantor shall be deemed to apply to the trustee, monitor, Receiver or similar official for such Grantor and such Grantor as debtor-in-possession. The relative rights of the Revolving Loan Secured Parties and the Term Loan Secured Parties under this Agreement in or to any distributions from or in respect of any Shared Collateral or Proceeds shall continue after the institution of any Insolvency Proceeding involving any Grantor, including, without limitation, the filing of any petition or the commencement of other similar proceeding by or against any Grantor under the Bankruptcy Code or under any other Bankruptcy Law and all converted cases or proceedings and subsequent cases, on the same basis as prior to the date of such institution, subject to any court order approving the financing of, or use of Revolving Loan Cash Collateral by, any Grantor as debtor-in-possession, or any other court order affecting the rights and interests of the parties hereto not in conflict with this Agreement; provided that notwithstanding the foregoing or any other provision herein to the contrary, any distribution of debt or equity obligations of any reorganized U.S. Grantor pursuant to a plan of reorganization on account of an allowed secured claim against such U.S. Grantor shall be deemed to be a distribution from or in respect of Shared Collateral or Proceeds for all purposes of this Agreement. This Agreement shall constitute a "subordination agreement" for the purposes of Section 510(a) of the Bankruptcy Code or any comparable provision of any other Bankruptcy Law and shall be enforceable in any Insolvency Proceeding in accordance with its terms.

6.2. Use of Cash Collateral; Bankruptcy Financing.

(a) If any U.S. Grantor becomes subject to any Insolvency Proceeding, until the Discharge of Revolving Loan Priority Debt has occurred, Term Loan Agent, for itself and on behalf of the other Term Loan Secured Parties, agrees that each Term Loan Secured Party (i) will raise no objection to, nor support any other Person objecting to, and will be deemed to have consented to, the use of any Revolving Loan Priority Collateral constituting cash collateral under Section 363 of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law ("Revolving Loan Cash Collateral"), or any post-petition financing under Section 364 of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law, whether provided by any Revolving Loan Secured Party or other Person, but in each case to the extent consented to by Revolving Loan Agent (a "Revolving Loan DIP Financing"), (ii) will not request or accept adequate protection or any other relief in connection with the use of such Revolving Loan Cash Collateral or such Revolving Loan DIP Financing except as set forth in Section 6.4 below, and (iii) will subordinate (and will be deemed hereunder to have subordinated) the Liens of Term Loan Agent or any other Term Loan Secured Parties on the Revolving Loan Priority Collateral (but not the Term Loan Priority Collateral) to (x) the Liens on the Revolving Loan Priority Collateral pursuant to such Revolving Loan DIP Financing, (y) any adequate protection provided to the Revolving Loan Secured Parties and (z) any professional fee and U.S. trustee fee "carve-out" consented to in writing by Revolving Loan Agent to be paid prior to the Discharge of Revolving Loan Priority Debt, in each case, on the same terms as the Liens of the Term Loan Secured Parties are subordinated hereunder to the Liens in the Revolving Loan Priority Collateral securing the Revolving Loan Debt (and such subordination will not alter in any manner the terms of this Agreement); provided, that:

(I) Revolving Loan Agent does not oppose or object to such use of cash collateral or Revolving Loan DIP Financing,

(II) the aggregate principal amount of the Revolving Loan DIP Financing plus the aggregate outstanding principal amount of loans and letters of credit included in the Revolving Loan Debt shall not exceed an amount equal to 115% of the aggregate commitments under the Revolving Loan Documents as in effect immediately before the commencement of such Insolvency Proceeding (or, if earlier, immediately prior to the suspension or termination of such commitments in accordance with the terms of the Revolving Loan Agreement),

(III) the Term Loan Secured Parties retain a Lien on the Shared Collateral (including Proceeds thereof arising after the commencement of such proceeding) with the same priority relative to the Liens on such Shared Collateral of Revolving Loan Agent as existed prior to the commencement of the case under the Bankruptcy Code or other Bankruptcy Law (junior in priority to the Liens securing such Revolving Loan DIP Financing and the existing Liens in favor of the Revolving Loan Agent on the Revolving Loan Priority Collateral but senior to the Liens of the Revolving Loan Agent (and the Liens securing the Revolving Loan DIP Financing) on the Term Loan Priority Collateral to the same extent as provided under Section 2.2),

(IV) Term Loan Agent receives, as security for the Term Loan Debt, additional or replacement Liens on all post-petition assets of any U.S. Grantor which are subject to an additional or replacement Lien to secure the Revolving Loan DIP Financing with same priority relative to the Liens of Revolving Loan Agent as existed prior to such Insolvency Proceeding to the extent Term Loan Agent seeks such Liens and is entitled to such additional or replacement Liens under the Bankruptcy Code or other applicable Bankruptcy Law (in each case junior to the additional or replacement Liens of the Revolving Loan Agent on the Revolving Loan Priority Collateral),

(V) all Liens on Revolving Loan Priority Collateral securing any such Revolving Loan DIP Financing shall be senior to or on a parity with the Liens of the Revolving Loan Agent and the Revolving Loan Secured Parties securing the Revolving Loan Obligations on Revolving Loan Priority Collateral,

(VI) such Revolving Loan DIP Financing does not require any Grantor to seek confirmation of a specific plan of reorganization other than a plan of reorganization that provides for satisfaction in full in cash of such Revolving Loan DIP Financing on or prior to the effective date of such plan,

(VII) such Revolving Loan DIP Financing or use of Revolving Loan Cash Collateral is subject to the terms of this Agreement, and

(VIII) the Term Loan Agent retains the right to object to any ancillary agreements or arrangements regarding the use of Revolving Loan Cash Collateral or the Revolving Loan DIP Financing that require a specific treatment of a claim in respect of the Term Loan Debt for purposes of a plan of reorganization or arrangement or proposal (provided that, in no event shall the foregoing be construed to give rise to the right to object to any of the rights and remedies that are customary for Revolving Loan Agent to receive as part of any order with respect to the use of Revolving Loan Cash Collateral or any such Revolving Loan DIP Financing).

For the avoidance of doubt, neither this Section 6.2(a) nor any other provision of this Agreement shall be deemed to be a consent by any of the Revolving Loan Secured Parties to the use of Revolving Loan Cash Collateral by the Term Loan Secured Parties, and any use of Revolving Loan Cash Collateral shall require the prior written consent of the Revolving Loan Agent. Notwithstanding the foregoing, it is agreed that neither the Revolving Loan Agent nor any other Revolving Loan Secured Party shall propose or consent to any Revolving Loan DIP Financing pursuant to this Section 6.2(a) that purports to be secured by a priming or pari passu lien on the Term Loan Priority Collateral without the consent of the Term Loan Agent. The Revolving Loan Agent, on behalf of itself and each other Revolving Loan Secured Party to whom it is acting as agent, agrees that, as a condition of any Revolving Loan DIP Financing or use of Revolving Loan Cash Collateral pursuant to this Section 6.2(a), until the Discharge of Term Loan Priority Debt has occurred, (1) all proceeds of the Term Loan Priority Collateral shall either (x) be remitted to the Term Loan Agent for application in accordance with Section 4.1(b) hereof or (y) only be used by U.S. Grantors subject to terms and conditions acceptable to the Term Loan Agent, and no portion of the Term Loan Priority Collateral shall be used to repay the Revolving Loan Debt outstanding as of the date of the commencement of any Insolvency Proceeding or any Revolving Loan Debt incurred thereafter pursuant to any such Revolving Loan DIP Financing or use of Revolving Loan Cash Collateral pursuant to this Section 6.2(a).

(b) If any U.S. Grantor becomes subject to any Insolvency Proceeding, until the Discharge of Term Loan Priority Debt has occurred, Revolving Loan Agent, for itself and on behalf of the other Revolving Loan Secured Parties, agrees that each Revolving Loan Secured Party will (i) raise no objection to, nor support any other Person objecting to, and will be deemed to have consented to, the use of any Term Loan Priority Collateral constituting cash collateral under Section 363 of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law ("Term Loan Cash Collateral"), or any post-petition financing under Section 364 of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law, whether provided by any Term Loan Secured Party or other Person, but in each case to the extent consented to by Term Loan Agent (a "Term Loan DIP Financing"), (ii) will not request or accept adequate protection or any other relief in connection with the use of such Term Loan Cash Collateral or such Term Loan DIP Financing except as set forth in Section 6.4 below, and (iii) will subordinate (and will be deemed hereunder to have subordinated) the Liens of Revolving Loan Agent or any other Revolving Loan Secured Parties on the Term Loan Priority Collateral (but not the Revolving Loan Priority Collateral or the Canadian Collateral) to (x) the Liens on the Term Loan Priority Collateral pursuant to such Term Loan DIP Financing, (y) any adequate protection provided to the Term Loan Secured Parties and (z) any professional fee and U.S. trustee fee "carve-out" consented to in writing by Term Loan Agent to be paid prior to the Discharge of Term Loan Priority Debt, in each case, on the same terms as the Liens of the Revolving Loan Secured Parties are subordinated hereunder to the Liens in the Term Loan Priority Collateral securing the Term Loan Debt (and such subordination will not alter in any manner the terms of this Agreement); provided, that:

(I) Term Loan Agent does not oppose or object to such use of cash collateral or Term Loan DIP Financing,

(II) the aggregate principal amount of the Term Loan DIP Financing plus the aggregate outstanding principal amount of Term Loan Debt shall not exceed 115% of the aggregate principal amount of loans included in the Term Loan Debt outstanding immediately before the commencement of such Insolvency Proceeding,

(III) the Revolving Loan Secured Parties retain a Lien on the Shared Collateral (including Proceeds thereof arising after the commencement of such proceeding) with the same priority relative to the Liens on such Shared Collateral of Term Loan Agent as existed prior to the commencement of the case under the Bankruptcy Code or other Bankruptcy Law (junior in priority to the Liens securing such Term Loan DIP Financing and the existing Liens in favor of the Term Loan Agent on the Term Loan Priority Collateral but senior to the Liens of the Term Loan Agent (and the Liens securing the Term Loan DIP Financing) on the Revolving Loan Priority Collateral to the same extent as provided under Section 2.2),

(IV) Revolving Loan Agent receives, as security for the Revolving Loan Debt, additional or replacement Liens on all post-petition assets of any U.S. Grantor which are subject to an additional or replacement Lien to secure the Term Loan DIP Financing with same priority relative to the Liens of Term Loan Agent as existed prior to such Insolvency Proceeding to the extent Revolving Loan Agent seeks such Liens and is entitled to such additional or replacement Liens under the Bankruptcy Code or other applicable Bankruptcy Law (in each case junior to the additional or replacement Liens of the Term Loan Agent on the Term Loan Priority Collateral),

(V) all Liens on Term Loan Priority Collateral securing any such Term Loan DIP Financing shall be senior to or on a parity with the Liens of the Term Loan Agent and the Term Loan Secured Parties securing the Term Loan Obligations on Term Loan Priority Collateral,

(VI) such Term Loan DIP Financing does not require any U.S. Grantor to seek confirmation of a specific plan of reorganization other than a plan of reorganization that provides for satisfaction in full in cash of such Term Loan DIP Financing on or prior to the effective date of such plan,

(VII) such Term Loan DIP Financing or use of Term Loan Cash Collateral is subject to the terms of this Agreement, and

(VIII) the Revolving Loan Agent retains the right to object to any ancillary agreements or arrangements regarding the use of Term Loan Cash Collateral or the Term Loan DIP Financing that require a specific treatment of a claim in respect of the Revolving Loan Debt for purposes of a plan of reorganization or arrangement or proposal (provided that, in no event shall the foregoing be construed to give rise to the right to object to any of the rights and remedies that are customary for Term Loan Agent to receive as part of any order with respect to the use of Term Loan Cash Collateral or any such Term Loan DIP Financing).

For the avoidance of doubt, neither this Section 6.2(b) nor any other provision of this Agreement shall be deemed to be a consent by any of the Term Loan Secured Parties to the use of Term Loan Cash Collateral by the Revolving Loan Secured Parties, and any use of Term Loan Cash Collateral shall require the prior written consent of the Term Loan Agent. Notwithstanding the foregoing, it is agreed that neither the Term Loan Agent nor any other Term Loan Secured Party shall propose or consent to any Term Loan DIP Financing pursuant to this Section 6.2(b) that purports to be secured by a priming or pari passu lien on the Revolving Loan Priority Collateral or the Canadian Collateral without the consent of the Revolving Loan Agent. Each Term Loan Agent, on behalf of itself and each other Term Loan Secured Party to whom it is acting as agent, agrees that, as a condition of any Tern Loan DIP Financing or use of Term Loan Cash Collateral pursuant to this Section 6.2(b), until the Discharge of Revolving Loan Priority Debt has occurred, (1) all proceeds of the Revolving Loan Priority Collateral shall either (x) be remitted to the Revolving Loan Agent for application in accordance with Section 4.1(a) hereof or (y) only be used by U.S. Grantors subject to terms and conditions acceptable to the Revolving Loan Agent, and no portion of the Revolving Loan Priority Collateral shall be used to repay the Term Loan Debt outstanding as of the date of the commencement of any Insolvency Proceeding or any Term Loan Debt incurred thereafter pursuant to any such Tern Loan DIP Financing or use of Term Loan Cash Collateral pursuant to this Section 6.2(b).

(c) Neither the Revolving Loan Agent nor any Revolving Loan Secured Party shall, directly or indirectly, provide, or seek to provide, or support any other Person providing or seeking to provide, the use of Revolving Loan Cash Collateral or Revolving Loan DIP Financing secured by Liens equal or senior in priority to the Liens on the Term Loan Priority Collateral (including any assets or property arising after the commencement of an Insolvency Proceeding) of the Term Loan Agent. Neither the Term Loan Agent nor any Term Loan Secured Party, shall, directly or indirectly, provide, or seek to provide, or support any other Person providing or seeking to provide, the use of Term Loan Cash Collateral or Term Loan DIP Financing secured by Liens equal or senior in priority to the Liens on the Revolving Loan Priority Collateral (including any assets or property arising after the commencement of any Insolvency Proceeding) of the Revolving Loan Agent.

(d) Discharge of the Revolving Loan Debt and Discharge of the Revolving Loan Priority Debt shall not be deemed to have occurred under this Agreement if such debt is Refinanced by a Revolving Loan DIP Financing agented by the Revolving Loan Agent permitted under this Section 6.2.

6.3. Relief from the Automatic Stay.

(a) So long as the Discharge of Revolving Loan Priority Debt has not occurred, neither the Term Loan Agent nor any of the Term Loan Secured Parties will seek relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of any part of the Revolving Loan Priority Collateral, any Proceeds thereof or any Lien thereon securing any of the Term Loan Debt; provided, however, that in the event that any or all of the Revolving Loan Agent and the Revolving Loan Secured Parties have obtained relief from the automatic stay or any other stay with respect to any Revolving Loan Priority Collateral, any or all of the Term Loan Agent and Term Loan Secured Parties may seek corresponding relief from the automatic stay or any other stay with respect to such Revolving Loan Priority Collateral for purposes of joining in a foreclosure or other Enforcement Action commenced by any of the Revolving Loan Secured Parties against any Revolving Loan Priority Collateral (even if the Term Loan Standstill Period has not expired) so long as the Term Loan Agent and/or Term Loan Secured Parties do not hinder, delay or interfere with either the efforts by the Revolving Loan Agent and/or Revolving Loan Secured Parties to obtain relief from the automatic stay or any other stay with respect to such Revolving Loan Priority Collateral or to exercise any rights or remedies against such Revolving Loan Priority Collateral.

(b) So long as the Discharge of Term Loan Priority Debt has not occurred, neither the Revolving Loan Agent nor any of the Revolving Loan Secured Parties will seek any relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of any part of the Term Loan Priority Collateral, any Proceeds thereof or any Lien thereon securing any of the Revolving Loan Debt; provided, however, that in the event that any or all of the Term Loan Agent and the Term Loan Secured Parties have obtained relief from the automatic stay or any other stay with respect to any Term Loan Priority Collateral, any or all of the Revolving Loan Agent and Revolving Loan Secured Parties may seek corresponding relief from the automatic stay or any other stay with respect to such Term Loan Priority Collateral for purposes of joining in a foreclosure or other Enforcement Action commenced by any of the Term Loan Secured Parties against the Term Loan Priority Collateral (even if the Revolving Loan Standstill Period has not expired) so long as the Revolving Loan Agent and/or Revolving Loan Secured Parties do not hinder, delay or interfere with either the efforts by the Term Loan Agent and/or Term Secured Parties to obtain relief from the automatic stay or any other stay with respect to such Term Loan Priority Collateral or to exercise any rights or remedies against such Term Loan Priority Collateral.

6.4. Adequate Protection.

(a) (i) The Term Loan Agent, on behalf of itself and the other Term Loan Secured Parties, agrees that none of them shall contest (or support any other Person contesting), in their capacities as secured creditors, any objection by the Revolving Loan Agent or the other Revolving Loan Secured Parties to any motion, relief, action or proceeding based on the Revolving Loan Agent or the other Revolving Loan Secured Parties claiming a lack of adequate protection with respect to Liens on Revolving Loan Priority Collateral in a manner that does not contravene terms of this Agreement.

(ii) The Revolving Loan Agent, on behalf of itself and the other Revolving Loan Secured Parties, agrees that none of them shall contest (or support any other Person contesting), in their capacities as secured creditors, any objection by the Term Loan Agent or the other Term Loan Secured Parties to any motion, relief, action or proceeding based on the Term Loan Agent or the other Term Loan Secured Parties claiming a lack of adequate protection with respect to Liens on Term Loan Priority Collateral in a manner that does not contravene terms of this Agreement.

(b) Notwithstanding anything to the contrary in Section 6.4(a), in any Insolvency Proceeding:

(i) if any or all of the Revolving Loan Secured Parties are granted adequate protection in the form of additional collateral in connection with any use of Revolving Loan Cash Collateral or a Revolving Loan DIP Financing and such additional collateral is provided by a U.S. Grantor and is of the type of asset or property that would constitute Revolving Loan Priority Collateral, then the Term Loan Agent, on behalf of itself or any of the Term Loan Secured Parties, may seek or request adequate protection in the form of a Lien on such additional collateral, which Lien will be subordinated to the Liens securing the Revolving Loan Debt and such use of Revolving Loan Cash Collateral or Revolving Loan DIP Financing (and all obligations relating thereto) on the same basis as the other Liens on Revolving Loan Priority Collateral securing the Term Loan Debt are so subordinated to the Liens on Revolving Loan Priority Collateral securing the Revolving Loan Debt under this Agreement;

(ii) if any or all of the Term Loan Secured Parties are granted adequate protection in the form of additional collateral in connection with any use of Term Loan Cash Collateral or a Term Loan DIP Financing and such additional collateral is provided by a U.S. Grantor and is of the type of asset or property that would constitute Term Loan Priority Collateral, then the Revolving Loan Agent, on behalf of itself or any of the Revolving Loan Secured Parties, may seek or request adequate protection in the form of a Lien on such additional collateral, which Lien will be subordinated to the Liens securing the Term Loan Debt and such use of Term Loan Cash Collateral or Term Loan DIP Financing (and all obligations relating thereto) on the same basis as the other Liens on Term Loan Priority Collateral securing the Revolving Loan Debt are so subordinated to the Liens on Term Loan Priority Collateral securing the Term Loan Debt under this Agreement;

(iii) in the event the Revolving Loan Agent, on behalf of itself or any other Revolving Loan Secured Parties, seeks or requests adequate protection in respect of Revolving Loan Debt and such adequate protection is granted in the form of additional collateral provided by a U.S. Grantor and is of a type of asset or property that would constitute Term Loan Priority Collateral, then the Revolving Loan Agent, on behalf of itself and the other Revolving Loan Secured Parties, agrees that the Term Loan Agent shall also be granted a Lien on such additional collateral as security for the Term Loan Debt and for any use of Term Loan Cash Collateral or Term Loan DIP Financing and that any Lien on such additional collateral securing the applicable Revolving Loan Debt shall be subordinated to the Lien on such collateral securing the Term Loan Debt and any such use of Term Loan Cash Collateral or Term Loan DIP Financing (and all obligations relating thereto) and to any other Liens granted to the Term Loan Secured Parties as adequate protection on the same basis as the other Liens on Term Loan Priority Collateral securing the Revolving Loan Debt are so subordinated to the Liens on Term Loan Priority Collateral securing the Term Loan Debt under this Agreement; and

(iv) in the event the Term Loan Agent, on behalf of itself or any other Term Loan Secured Parties, seeks or requests adequate protection in respect of Term Loan Debt and such adequate protection is granted in the form of additional collateral provided by a U.S. Grantor and is of a type of asset or property that would constitute Revolving Loan Priority Collateral, then the Term Loan Agent, on behalf of itself and the other Term Loan Secured Parties, agrees that the Revolving Loan Agent shall also be granted a Lien on such additional collateral as security for the Revolving Loan Debt and for any use of Revolving Loan Cash Collateral or Revolving Loan DIP Financing and that any Lien on such additional collateral securing the applicable Term Loan Debt shall be subordinated to the Lien on such collateral securing the Revolving Loan Debt and any such use of Revolving Loan Cash Collateral or Revolving Loan DIP Financing (and all obligations relating thereto) and to any other Liens granted to the Revolving Loan Secured Parties as adequate protection on the same basis as the other Liens on Revolving Loan Priority Collateral securing the Term Loan Debt are so subordinated to the Liens on Revolving Loan Priority Collateral securing the Revolving Loan Debt under this Agreement.

(c) Any adequate protection granted in favor of any Revolving Loan Secured Party with respect to the Revolving Loan Priority Collateral or any Term Loan Secured Party with respect to the Term Loan Priority Collateral in the form of a superpriority or other administrative expense claim and any claim in favor of such Secured Party arising under Section 507(b) of the Bankruptcy Code (or similar Bankruptcy Law) ("Senior 507(b) Claims"), shall be *pari passu* with the grant of adequate protection in favor of the other Revolving Loan Secured Parties with respect to the Revolving Loan Priority Collateral or the other Term Loan Secured Parties with respect to the Term Loan Priority Collateral in the form of a superpriority or other administrative expense claim. Any claim arising under Section 507(b) of the Bankruptcy Code in favor of any Revolving Loan Secured Party with respect to the Term Loan Priority Collateral or any Term Loan Secured Party with respect to the Revolving Loan Priority Collateral shall be *pari passu* with the claims arising under Section 507(b) of the Bankruptcy Code (or similar Bankruptcy Law) in favor of the other Revolving Loan Secured Parties with respect to the Term Loan Priority Collateral or the other Term Loan Secured Parties with respect to the Revolving Loan Priority Collateral (collectively, "Junior 507(b) Claims"), all Junior 507(b) Claims shall be junior and subordinate in right of payment to the Senior 507(b) Claims, and the holders of the Junior 507(b) Claims agree that, in connection with any plan of reorganization in such Insolvency Proceeding, such Junior 507(b) Claims may be paid in any combination of cash, securities, or other property having a present value equal to the amount of such Junior 507(b) Claims as of the effective date of confirmation of such plan.

(d) Except as otherwise provided in this Section 6.4, (i) no Revolving Loan Secured Party may seek or assert any right it may have for adequate protection of its interest in the Term Loan Priority Collateral without the prior written consent of the requisite Term Loan Lenders under the Term Loan Agreement, and (ii) no Term Loan Secured Party may seek or assert any right it may have for adequate protection of its interest in the Revolving Loan Priority Collateral without the written consent of the requisite Revolving Loan Lenders under the Revolving Loan Agreement.

6.5. Reorganization Securities.

If, in any Insolvency Proceeding, debt obligations of any reorganized U.S. Grantor secured by Liens upon any property of such reorganized U.S. Grantor are distributed, pursuant to a plan of reorganization or arrangement or proposal, on account of both the Revolving Loan Debt and the Term Loan Debt, then, to the extent the debt obligations distributed on account of the Revolving Loan Debt and on account of the Term Loan Debt are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

6.6. Separate Grants of Security and Separate Classes.

Each of the parties hereto irrevocably acknowledges and agrees that (a) the claims and interests of the Revolving Loan Secured Parties and the Term Loan Secured Parties are not "substantially similar" within the meaning of Section 1122 of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law, (b) the grants of the Liens to secure the Revolving Loan Debt and the grants of the Liens to secure the Term Loan Debt constitute separate and distinct grants of Liens, (c) the Revolving Loan Secured Parties' rights in the Shared Collateral are fundamentally different from the Term Loan Secured Parties' rights in the Shared Collateral and (d) as a result of the foregoing, among other things, the Revolving Loan Debt and the Term Loan Debt shall be separately classified in any plan of reorganization or arrangement or proposal proposed or adopted in any Insolvency Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the Revolving Loan Secured Parties and the Term Loan Secured Parties in respect of the Shared Collateral constitute claims in the same class (rather than separate classes of secured claims), then the Revolving Loan Secured Parties and the Term Loan Secured Parties hereby acknowledge and agree that all distributions made on account of the Shared Collateral shall be made as if there were separate classes of Revolving Loan Debt and Term Loan Debt against the Grantors (with the effect being that, to the extent that the aggregate value of the Revolving Loan Priority Collateral or Term Loan Priority Collateral is sufficient (for this purpose ignoring all claims held by the other Secured Parties for whom such Shared Collateral is non-priority in accordance with Section 2.1 and Section 2.2 hereof), the Revolving Loan Secured Parties or the Term Loan Secured Parties, respectively, shall be entitled to receive from such party's pool of priority Shared Collateral, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing (or that would be owing if there were such separate classes of secured claims) in respect of post-petition interest, fees or expenses that is available from each pool of priority Shared Collateral for each of the Revolving Loan Secured Parties and the Term Loan Secured Parties, respectively, before any distribution is made from such pool of priority Shared Collateral in respect of the claims held by the other Junior Secured Parties) with such Junior Secured Parties hereby acknowledging and agreeing to turn over to the respective other Secured Parties amounts otherwise received or receivable by them from such pool of priority Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries.

6.7. Asset Dispositions.

(a) Until the Discharge of Revolving Loan Priority Debt has occurred, the Term Loan Agent, for itself and on behalf of the other Term Loan Secured Parties, agrees that, in the event of any Insolvency Proceeding, the Term Loan Secured Parties will not object or oppose (or support any Person in objecting or opposing) a motion for any Disposition of any Revolving Loan Priority Collateral (to the extent that such sale or Disposition does not include any Term Loan Priority Collateral) free and clear of the Liens of Term Loan Agent and the other Term Loan Secured Parties or other claims under Sections 363, 365 or 1129 of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law, and shall be deemed to have consented to any such Disposition of any Revolving Loan Priority Collateral under Section 363(f) of the Bankruptcy Code or any comparable provision of any other Bankruptcy Law that has been consented to by the Revolving Loan Agent; provided, that, the Proceeds of such Disposition to be applied to the Revolving Loan Debt or the Term Loan Debt are applied in accordance with Sections 4.1 and 4.2.

(b) Until the Discharge of Term Loan Priority Debt has occurred, the Revolving Loan Agent, for itself and on behalf of the other Revolving Loan Secured Parties, agrees that, in the event of any Insolvency Proceeding, the Revolving Loan Secured Parties will not object or oppose (or support any Person in objecting or opposing) a motion to any Disposition of any Term Loan Priority Collateral (to the extent that such sale or Disposition does not include any Revolving Loan Priority Collateral) free and clear of the Liens of Revolving Loan Agent and the other Revolving Loan Secured Parties or other claims under Sections 363, 365 or 1129 of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law, and shall be deemed to have consented to any such Disposition of any Term Loan Priority Collateral under Section 363(f) of the Bankruptcy Code or any comparable provision of any other Bankruptcy Law that has been consented to by the Term Loan Agent; provided, that, the Proceeds of such Disposition to be applied to the Term Loan Debt or the Revolving Loan Debt are applied in accordance with Sections 4.1 and 4.2.

(c) The Term Loan Secured Parties agree that the Revolving Loan Secured Parties shall have the right to credit bid under Section 363(k) of the Bankruptcy Code or any comparable provision of any other Bankruptcy Law with respect to, or otherwise object to any Disposition of, the Revolving Loan Priority Collateral, and the Revolving Loan Secured Parties agree that the Term Loan Secured Parties shall have the right to credit bid under Section 363(k) of the Bankruptcy Code or any comparable provision of any other Bankruptcy Law with respect to, or otherwise object to any Disposition of, the Term Loan Priority Collateral; provided, that, the Secured Parties shall not be deemed to have agreed to any credit bid by other Secured Parties in connection with the Disposition of Shared Collateral consisting of both Term Loan Priority Collateral and Revolving Loan Priority Collateral. The Term Loan Agent, for itself and on behalf of the other Term Loan Secured Parties, agrees that, so long as the Discharge of Revolving Loan Priority Debt has not occurred, no Term Loan Secured Party shall, without the prior written consent of the Revolving Loan Agent, credit bid under Section 363(k) of the Bankruptcy Code with respect to the Revolving Loan Priority Collateral. The Revolving Loan Agent, for itself and on behalf of the other Revolving Loan Secured Parties, agrees that, so long as the Discharge of Term Loan Priority Debt has not occurred, no Revolving Loan Secured Party shall, without the prior written consent of the Term Loan Agent, credit bid under Section 363(k) of the Bankruptcy Code with respect to the Term Loan Priority Collateral.

6.8. Certain Waivers as to Section 1111(b)(2) of Bankruptcy Code.

Term Loan Agent, for itself and on behalf of the other Term Loan Secured Parties, waives any claim any Term Loan Secured Party may hereafter have against any Revolving Loan Secured Party arising out of the election by any Revolving Loan Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code, or any comparable provision of any other Bankruptcy Law. Revolving Loan Agent, for itself and on behalf of the other Revolving Loan Secured Parties, waives any claim they may hereafter have against any Term Loan Secured Party arising out of the election by any Term Loan Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code or any comparable provision of any other Bankruptcy Law.

Term Loan Agent, for itself and on behalf of the other Term Loan Secured Parties, agrees that none of them shall assert or enforce (or support any Person asserting or enforcing) any claim under Section 506(c) of the Bankruptcy Code or any comparable provision of other applicable Bankruptcy Law pari passu with or senior to the Liens on the Revolving Loan Priority Collateral securing the Revolving Loan Priority Debt for costs or expenses of preserving or disposing any Revolving Loan Priority Collateral. Revolving Loan Agent, for itself and on behalf of the other Revolving Loan Secured Parties, agrees that none of them shall assert or enforce (or support any Person asserting or enforcing) any claim under Section 506(c) of the Bankruptcy Code or any comparable provision of other applicable Bankruptcy Law pari passu with or senior to the Liens on the Term Loan Priority Collateral securing the Term Loan Priority Debt for costs or expenses of preserving or disposing any Term Loan Priority Collateral.

6.9. Avoidance Issues.

If any Revolving Loan Secured Party is required in any Insolvency Proceeding or otherwise to turn over or otherwise pay to the estate of any U.S. Grantor or any other Person any amount (a "Recovery"), then the Revolving Loan Debt shall be reinstated to the extent of such Recovery and the Revolving Loan Secured Parties shall be entitled to a Discharge of Revolving Loan Priority Debt with respect to all such recovered amounts. If any Term Loan Secured Party is required in any Insolvency Proceeding or otherwise to turn over or otherwise pay to the estate of any U.S. Grantor or any other Person any Recovery, then the Term Loan Debt shall be reinstated to the extent of such Recovery and the Term Loan Secured Parties shall be entitled to a Discharge of Term Loan Priority Debt with respect to all such recovered amounts. If this Agreement shall have been terminated prior to any Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement.

6.10. Other Bankruptcy Laws.

In the event that an Insolvency Proceeding is filed in a jurisdiction other than the United States or is governed by any Bankruptcy Law other than the Bankruptcy Code, each reference in this Agreement to a section of the Bankruptcy Code shall be deemed to refer to the substantially similar or corresponding provision of the Bankruptcy Law applicable to such Insolvency Proceeding, or, in the absence of any specific similar or corresponding provision of Bankruptcy Law, such other general Bankruptcy Law as may be applied in order to achieve substantially the same result as would be achieved under each applicable section of the Bankruptcy Code.

6.11. Certain Voting Rights.

(a) The Term Loan Agent, on behalf of itself and the other Term Loan Secured Parties, agrees that none of them shall, without the consent of the Revolving Loan Agent, directly or indirectly propose, support or vote in favor of any plan of reorganization in connection with an Insolvency Proceeding that would provide the Revolving Loan Secured Parties with debt obligations of any reorganized U.S. Grantor bearing a below-market interest rate.

(b) The Revolving Loan Agent, on behalf of itself and the other Revolving Loan Secured Parties, agrees that none of them shall, without the consent of the Term Loan Agent, directly or indirectly propose, support or vote in favor of any plan of reorganization in connection with an Insolvency Proceeding that would provide the Term Loan Secured Parties with debt obligations of any reorganized U.S. Grantor bearing a below-market interest rate.

Section 7. Term Loan Lenders' Purchase Option

7.1. Exercise of Option.

On or after the occurrence and during the continuance of (i) a Revolving Loan Event of Default under Section 11.1(a) of the Revolving Loan Agreement, (ii) the acceleration of all or any portion of the Revolving Loan Debt, (iii) the commencement of an Insolvency Proceeding of any Grantor, (iv) the termination by the Revolving Loan Lenders of their commitment to provide loans to the Revolving Loan Borrowers under the Revolving Loan Agreement (other than as result of a voluntary reduction thereof by the Revolving Loan Borrowers prior to the occurrence of a Revolving Loan Event of Default), (v) the cessation by the Revolving Loan Agent or the Revolving Loan Lenders of the funding of loans to the Revolving Loan Borrowers under the Revolving Loan Agreement for a period of more than thirty consecutive Business Days following any Revolving Loan Default, (vi) the commencement of any Enforcement Action by the Revolving Loan Secured Parties Creditors with respect to a material portion of the Collateral, or (vii) the expiration of the Term Loan Standstill Period (each a "Term Loan Purchase Event"), one or more of the Term Loan Secured Parties (the "Purchasing Term Loan Secured Parties") shall have the option for a period of fifteen (15) Business Days after a Term Loan Purchase Event, upon no less than five (5) Business Days' and no more than ten (10) Business Days' prior written notice by Term Loan Agent to Revolving Loan Agent, to purchase all (but not less than all (other than with respect to the Revolving Loan Excess Debt, in relation to which the Term Loan Secured Parties may elect to purchase none of such Revolving Loan Excess Debt or all or any other proportion of such Revolving Loan Excess Debt) of the Revolving Loan Debt from the Revolving Loan Secured Parties and to assume all of the commitments and duties of the Revolving Loan Secured Parties. Such notice from Term Loan Agent to Revolving Loan Agent shall be irrevocable. Upon the delivery of any such notice from Term Loan Agent to Revolving Loan Agent, neither the Revolving Loan Agent nor any other Revolving Loan Secured Party shall, without the consent of Term Loan Agent commence or continue any Enforcement Action during the period beginning on the date of delivery of such notice and ending on the date of closing of the purchase and sale contemplated in this Section 7. The obligations of Revolving Loan Secured Parties hereunder to sell the Revolving Loan Debt owing to them are several and not joint and several. Each Grantor irrevocably consents to such sale.

7.2. Pro Rata Offer.

The Term Loan Secured Parties agree, solely as among themselves, that upon the occurrence of any Term Loan Purchase Event, the Term Loan Agent shall send a notice to all Term Loan Secured Parties giving each Term Loan Secured Party the option to purchase at least its pro rata share of the Revolving Loan Debt. No Term Loan Secured Party shall be required to participate in any purchase offer hereunder, and each Term Loan Secured Party acknowledges and agrees that a purchase offer may be made by any or all of the Term Loan Secured Parties, subject to the requirements of the preceding sentence. The provisions of this Section 7.2 are intended solely for the benefit of the Term Loan Secured Parties and may be modified, amended or waived by them without the approval of any Grantor, any Revolving Loan Secured Party, or otherwise.

7.3. Purchase and Sale.

On the date specified by Term Loan Agent in such notice (which shall not be less than five (5) Business Days, nor more than ten (10) Business Days, after the receipt by Revolving Loan Agent of the notice from Term Loan Agent of its election to exercise such option), Revolving Loan Secured Parties shall, subject to any required approval of any court or other regulatory or governmental authority then in effect, if any, sell to such of the Purchasing Term Loan Secured Parties as are specified in the notice from Term Loan Agent of its election to exercise such option, and such Purchasing Term Loan Secured Parties shall purchase from Revolving Loan Secured Parties, all of the Revolving Loan Debt (other than with respect to the Revolving Loan Excess Debt, in relation to which the Term Loan Secured Parties may elect to purchase none of such Revolving Loan Excess Debt or all or any other proportion of such Revolving Loan Excess Debt). Notwithstanding anything to the contrary contained herein, in connection with any such purchase and sale, Revolving Loan Secured Parties shall retain all rights under the Revolving Loan Documents to be indemnified or held harmless by Grantors in accordance with the terms thereof. In connection with any such purchase and sale, each Revolving Loan Lender and each Purchasing Term Loan Secured Party shall execute and deliver an assignment and acceptance agreement, in form reasonably acceptable to all parties thereto, pursuant to which, among other things, each Revolving Loan Lender shall assign to the Purchasing Term Loan Secured Parties such Revolving Loan Lender's pro rata share of the commitments and Revolving Loan Debt. Upon the consummation of such purchase and sale, Revolving Loan Agent shall resign as the "Agent" under the Revolving Loan Documents and upon the written request of Term Loan Agent, and at the expense of Term Loan Secured Parties, shall take reasonable actions in its power to execute and deliver all such documents and instruments reasonably requested by Term Loan Agent and/or Purchasing Term Loan Secured Parties to assign and transfer any Collateral to the applicable successor Agent under the Revolving Loan Documents.

7.4. Payment of Purchase Price.

(a) Upon the date of such purchase and sale, the Purchasing Term Loan Secured Parties shall (i) pay to Revolving Loan Agent for the account of the Revolving Loan Secured Parties as the purchase price therefor the full amount of all of the Revolving Loan Debt (other than with respect to the Revolving Loan Excess Debt, in relation to which the Term Loan Secured Parties may elect to purchase none of such Revolving Loan Excess Debt or all or any other proportion of such Revolving Loan Excess Debt) then outstanding and unpaid (including principal, interest, fees and expenses, and including reasonable attorneys' fees and legal expenses (including any such amounts which would accrue and become due but for the commencement of an Insolvency Proceeding, whether or not such amounts are allowed or allowable in whole or in part in such case)), (ii) furnish cash collateral to Revolving Loan Agent in such amounts as Revolving Loan Agent determines is reasonably necessary to secure Revolving Loan Secured Parties in connection with any issued and outstanding letters of credit, banker's acceptances or similar instruments issued under the Revolving Loan Documents (but not in any event in an amount greater than one hundred five (105%) percent of the aggregate undrawn face amount of such letters of credit, banker's acceptances and similar instruments) and Bank Product Obligations (or at the option of the Revolving Loan Secured Party with respect to such Bank Product Obligations, terminate the applicable Hedging Obligations or Cash Management Obligations and make all payments pursuant thereto, as applicable) and in respect of indemnification obligations of Grantors under the Revolving Loan Documents as to matters or circumstances known to Revolving Loan Secured Parties and disclosed in writing to Term Loan Agent (unless such disclosure is not permitted under applicable law) at the time of the purchase and sale which would reasonably be expected to result in any loss, cost, damage or expense (including reasonable attorneys' fees and legal expenses) to Revolving Loan Secured Parties, and (iii) agree to reimburse Revolving Loan Secured Parties for any loss, cost, damage or expense (including reasonable attorneys' fees and legal expenses) incurred within 90 days following such purchase in connection with any commissions, fees, costs or expenses related to any issued and outstanding letters of credit, banker's acceptances and similar instruments as described above and any checks, ACH transfers or other payments provisionally credited to the Revolving Loan Debt, and/or as to which Revolving Loan Secured Parties have not yet received final payment. The purchase price payable under this clause (a) (and any other amounts payable in respect thereof) shall be denominated and payable in U.S. Dollars. To the extent any portion of the Revolving Loan Debt (or other amounts) shall be denominated in Canadian Dollars (or any other currency other than U.S. Dollars), then, for the purposes of determining the purchase price (or other amounts) hereunder, such portion of such Revolving Loan Debt (or other amounts) shall be deemed to be equal to the Dollar Equivalent (as defined in the Revolving Loan Agreement as in effect on the date hereof) thereof.

(b) Such purchase price and cash collateral shall be remitted by wire transfer in federal funds to such bank account of Revolving Loan Agent as Revolving Loan Agent may designate in writing to Term Loan Agent for such purpose. Interest shall be calculated to but excluding the Business Day on which such purchase and sale shall occur if the amounts so paid by the Purchasing Term Loan Secured Parties to the bank account designated by Revolving Loan Agent are received in such bank account prior to 12:00 noon, New York City, New York time and interest shall be calculated to and including such Business Day if the amounts so paid by the Purchasing Term Loan Secured Parties to the bank account designated by Revolving Loan Agent are received in such bank account later than 12:00 noon, New York City, New York time.

(c) In the event that the Purchasing Term Loan Secured Parties exercise and consummate the purchase option set forth in Section 7.1, (i) the Revolving Loan Secured Parties shall retain their indemnification rights under the Revolving Loan Agreement for actions or other matters arising on or prior to the date of such purchase, and (ii) and in the event that, at the time of such purchase, (x) there exists Revolving Loan Excess Debt, and (y) in connection with the consummation of such purchase option, the Purchasing Term Loan Secured Parties do not purchase such Revolving Loan Excess Debt in accordance with this Section 7.1, then the Revolving Loan Secured Parties shall retain their interest in such unpurchased Revolving Loan Excess Debt (and, accordingly, in such event the purchase price shall be calculated without respect to such Revolving Loan Excess Debt) (clauses (i) and (ii) (if applicable), the "Retained Interest").

(d) In the event that a Retained Interest exists, each Revolving Loan Secured Party shall, at the request of the Purchasing Term Loan Secured Parties, execute an amendment to the Revolving Loan Agreement acknowledging that such Retained Interest is a last-out tranche, payable after Discharge of Term Loan Priority Debt (other than the Term Loan Excess Debt). Interest with respect to such Retained Interest consisting of Revolving Loan Excess Debt shall continue to accrue and be payable in accordance with the terms of the Revolving Loan Agreement, the Retained Interest shall continue to be secured by the Collateral, and the Retained Interest shall be paid (or cash collateralized, as applicable) in accordance with the terms of the Revolving Loan Agreement and this Agreement. To the extent of the Retained Interest, each Revolving Loan Secured Party shall continue to have all rights and remedies of a lender under the Revolving Loan Agreement and the other Revolving Loan Documents; provided, that no Revolving Loan Secured Party shall have any right to vote on or otherwise consent to any amendment, waiver, departure from, or other modification of any provision of any Revolving Loan Debt except that the consent of Revolving Loan Agent shall be required for (i) those matters that require the agreement of all lenders under Section 15.5(a) of the Revolving Loan Agreement as in effect on the date hereof to the extent such matter would affect the Retained Interest and (ii) matters in contravention of the provisions and priorities set forth in this Agreement.

7.5. Representations Upon Purchase and Sale.

Such purchase and sale shall be expressly made without representation or warranty of any kind by Revolving Loan Agent or any Revolving Loan Secured Party as to the Revolving Loan Debt or otherwise and without recourse to the Revolving Loan Agent and the other Revolving Loan Secured Parties; except, that, each Revolving Loan Secured Party that is transferring such Revolving Loan Debt shall represent and warrant, severally as to it: (a) the amount of the Revolving Loan Debt being purchased from it is as reflected in the books and records of such Revolving Loan Secured Party (but without representation or warranty as to the collectability, validity or enforceability thereof), (b) that such Revolving Loan Secured Party owns the Revolving Loan Debt being sold by it free and clear of any liens or encumbrances and (c) such Revolving Loan Secured Party has the right to assign the Revolving Loan Debt being sold by it and the assignment is duly authorized.

7.6. Notice from Revolving Loan Agent Prior to Enforcement Action.

In the absence of Exigent Circumstances, Revolving Loan Agent, for itself and on behalf of the Revolving Loan Secured Parties, agrees that it will deliver an Enforcement Notice to the Term Loan Agent five (5) Business Days prior to commencing any Enforcement Action with respect to the Revolving Loan Priority Collateral or a material part of the Canadian Collateral. In the event that during such five (5) Business Day period, Term Loan Agent shall send to Revolving Loan Agent the irrevocable notice of the Term Loan Secured Parties' intention to exercise the purchase option given by the Revolving Loan Secured Parties to the Term Loan Secured Parties under this Section 7, the Revolving Loan Secured Parties shall not commence any foreclosure or other action to sell or otherwise realize upon the Revolving Loan Priority Collateral or such material part of the Canadian Collateral; provided, that, the purchase and sale with respect to the Revolving Loan Debt provided for herein shall have closed within five (5) Business Days after the receipt by Revolving Loan Agent of the irrevocable notice from Term Loan Agent.

The time periods set forth herein shall be tolled during the pendency of any proceeding of a Grantor under the Bankruptcy Code or any other Bankruptcy Law or other proceedings pursuant to which Revolving Loan Agent is effectively stayed from enforcing its rights against the Revolving Loan Priority Collateral or Canadian Collateral; provided that the Revolving Loan Agent shall have used its commercially reasonable efforts to have such stay lifted. In no event shall Term Loan Agent or any of the Term Loan Secured Parties take any action to interfere, limit or restrict the rights of Revolving Loan Agent set forth above or the exercise of such rights by Revolving Loan Agent pursuant to this Section 9.1 prior to the expiration of such periods.

9.2. Responsibilities of Revolving Loan Secured Parties.

The Revolving Loan Agent shall reimburse and indemnify the Term Loan Agent for all reasonable, out-of-pocket costs and expenses (including for any physical damage to any Term Loan Priority Collateral) and any other third party loss or damages incurred by Term Loan Agent or any other Term Loan Secured Party as a direct result of the actions of the Revolving Loan Agent (or its representatives, including a Receiver) in exercising its access and use rights as provided in Section 9.1 above (but not any diminution in value of the Term Loan Priority Collateral resulting from the Revolving Loan Agent so dealing with any Revolving Loan Priority Collateral or Canadian Collateral), such access and use rights shall be exercised in accordance with applicable law and customary industry practices, and, if requested by Term Loan Agent, Revolving Loan Agent shall furnish evidence of its liability insurance to Term Loan Agent. (b) Revolving Loan Agent, for itself and on behalf of the other Revolving Loan Secured Parties, acknowledges and agrees that each of Term Loan Agent and the other Term Loan Secured Parties have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Term Loan Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Revolving Loan Agent agrees, for itself and on behalf of the other Revolving Loan Secured Parties, that the Term Loan Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Term Loan Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Term Loan Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that Revolving Loan Agent or any of the other Revolving Loan Secured Parties have in the Collateral or otherwise, except as otherwise provided in this Agreement. 10.3. No Waiver of Lien Priorities.

(a) No right of Revolving Loan Agent or any of the other Revolving Loan Secured Parties to enforce any provision of this Agreement or any of the Revolving Loan Documents shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act by Revolving Loan Agent or any other Revolving Loan Secured Party, or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement, any of the Revolving Loan Documents or any of the Term Loan Documents, regardless of any knowledge thereof which Revolving Loan Agent or any of the other Revolving Loan Secured Parties may have or be otherwise charged with.

(b) No right of Term Loan Agent or any of the other Term Loan Secured Parties to enforce any provision of this Agreement or any of the Term Loan Documents shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act by Term Loan Agent or any other Term Loan Secured Party, or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement, any of the Term Loan Documents or any of the Revolving Loan Documents, regardless of any knowledge thereof which Term Loan Agent or any of the other Term Loan Secured Parties may have or be otherwise charged with.

(c) Term Loan Agent agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshaling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Revolving Loan Priority Collateral or Canadian Collateral or any other similar rights a junior creditor (whether secured or unsecured) may have under applicable law.

10.4. Amendments to Revolving Loan Documents.

The Revolving Loan Documents may be amended, supplemented or otherwise modified in accordance with their terms and the Revolving Loan Agreement may be refinanced, in each case, without notice to, or the consent of the Term Loan Agent or the other Term Loan Secured Parties, all without affecting the Lien subordination or other provisions set forth in this Agreement (even if any right of subrogation or other right or remedy of Term Loan Agent or any other Term Loan Secured Party is affected, impaired or extinguished thereby); provided, that:

(a) in the case of a refinancing of the Term Loan Debt, the Term Loan Agent on behalf of the Term Loan Secured Parties binds itself in a writing addressed to the Revolving Loan Agent to the terms of this Agreement, and

(iii) shorten the scheduled maturity of the Term Loan Agreement to a date prior to the scheduled maturity date of the Revolving Loan Agreement or any refinancing thereof;

(v) contravene the terms of this Agreement;

(vi) amend or modify any provision of the Term Loan Documents to prohibit any Grantor from making any payment of principal, interest, fees, cost and expense reimbursements or indemnities with respect to the Revolving Loan Debt;

(vii) modify the definition of "Excess Cash Flow" or any related definitions used in the calculation thereof or Section 2.1(g)(3) of the Term Loan Agreement, in each case, in any manner adverse to the Revolving Loan Secured Parties; or

Section 11. Miscellaneous

11.1. Conflicts.

In the event of any conflict between the provisions of this Agreement and the provisions of the Revolving Loan Documents or the Term Loan Documents, the provisions of this Agreement shall govern.

11.2. Continuing Nature of this Agreement; Severability.

This Agreement shall continue to be effective until the first to occur of the Discharge of Revolving Loan Debt and the Discharge of Term Loan Debt. This is a continuing agreement of lien subordination and the Secured Parties may continue, at any time and without notice to the other Secured Parties, to extend credit and other financial accommodations and lend monies to or for the benefit of any Grantor constituting Revolving Loan Debt and/or any U.S, Grantor constituting Term Loan Debt (as applicable) in reliance hereof. Each of Term Loan Agent, for itself and on behalf of the Term Loan Secured Parties, and Revolving Loan Agent, for itself and on behalf of the Revolving Loan Secured Parties, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency Proceeding. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.3. Refinancing.

(a) Refinancing Permitted. As an agreement among the Secured Parties only and without prejudice to any rights of the Secured Parties under the Revolving Loan Documents and Term Loan Documents, as applicable, the Revolving Loan Debt and/or Term Loan Debt may be refinanced in their entirety if (a) the terms and provisions of any such refinancing debt are such that, if they were instead implemented as amendments to the existing debt being refinanced rather than as a refinancing of such existing debt, such terms and conditions could be effected without the consent of the Agent to the existing debt not being refinanced in connection with such transaction, in accordance with the provisions of Section 10.4 or Section 10.5, as applicable, and (b) the holders of such indebtedness, or a duly authorized agent on their behalf, agree in writing to be bound by the terms of this Agreement. Revolving Loan Agent, for itself and on behalf of the Revolving Loan Secured Parties, and Term Loan Agent, for itself and on behalf of the Term Loan Secured Parties, agree, in connection with any refinancing of the Revolving Loan Debt and/or the Term Loan Debt permitted by this Section 11.3(a), promptly to enter into such documents and agreements (including amendments or supplements to this Agreement) as Grantors may reasonably request to reflect such refinancing; provided, that, the rights and powers of the Secured Parties contemplated hereby shall not be affected thereby.

(b) Effect of Refinancing.

(i) If substantially contemporaneously with the Discharge of Revolving Loan Priority Debt, the Revolving Loan Borrowers refinance indebtedness outstanding under the Revolving Loan Documents in accordance with the provisions of Section 11.3(a), then after written notice to Term Loan Agent, (i) the indebtedness and other obligations arising pursuant to such refinancing of the then outstanding indebtedness under the Revolving Loan Documents shall automatically be treated as Revolving Loan Debt for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, (ii) the credit agreement and the other loan documents evidencing such new indebtedness shall automatically be treated as the Revolving Loan Agreement and the Revolving Loan Documents for all purposes of this Agreement and (iii) the agent under the new Revolving Loan Agreement shall be deemed to be Revolving Loan Agent for all purposes of this Agreement. Upon receipt of notice of such refinancing (including the identity of the new Revolving Loan Agent), Term Loan Agent shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as the Revolving Loan Borrowers or the new Revolving Loan Agent may reasonably request in order to provide to the new Revolving Loan Agent the rights of Revolving Loan Agent contemplated hereby.

(ii) If substantially contemporaneously with the Discharge of Term Loan Priority Debt, the Term Loan Borrowers refinance indebtedness outstanding under the Term Loan Documents in accordance with the provisions of Section 11.3(a), then after written notice to Revolving Loan Agent, (i) the indebtedness and other obligations arising pursuant to such refinancing of the then outstanding indebtedness under the Term Loan Documents shall automatically be treated as Term Loan Debt for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, (ii) the credit agreement and the other loan documents evidencing such new indebtedness shall automatically be treated as the Term Loan Agreement and the Term Loan Documents for all purposes of this Agreement and (iii) the agent under the new Term Loan Agreement shall be deemed to be Term Loan Agent for all purposes of this Agreement. Upon receipt of notice of such refinancing (including the identity of the new Term Loan Agent), Term Loan Agent shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as the Term Loan Borrowers or the new Term Loan Agent may reasonably request in order to provide to the new Term Loan Agent the rights of Term Loan Agent contemplated hereby.

11.4. Amendments; Waivers.

No amendment or modification of any of the provisions of this Agreement by Term Loan Agent or Revolving Loan Agent shall be deemed to be made unless the same shall be in writing signed on behalf of both of the Term Loan Agent and the Revolving Loan Agent (as directed by the applicable Secured Parties pursuant to the applicable Term Loan Documents or Revolving Loan Documents, as the case may be). No waiver of any of the provisions of this Agreement shall be deemed to be made unless the same shall be in writing signed by the party making the same or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. The Grantors shall not have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent their rights or obligations are directly adversely affected.

11.5. Subrogation.

(a) Term Loan Agent, for itself and on behalf of the Term Loan Secured Parties, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Revolving Loan Priority Debt has occurred.

(b) Revolving Loan Agent, for itself and on behalf of the Revolving Loan Secured Parties, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Term Loan Priority Debt has occurred.

The parties hereto waive any objection to any action instituted hereunder based on forum non conveniens, and any objection to the venue of any action instituted hereunder. Each of the parties hereto waives any right it may have to trial by jury in respect of any litigation based on, or arising out of, under or in connection with this Agreement, or any course of conduct, course of dealing, verbal or written statement or action of any party hereto.

In order to induce the Administrative Agent and the Lenders to enter into Amendment No. 6 to the Credit Agreement, dated as of the date hereof, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Amendments. Effective as of the date of this Amendment, Section 2 of the Side Letter is hereby

amended to insert a new clause (d) in the appropriate alphabetical location therein to read in its entirety as follows:

(d) New Stock Offering.

(i) Notwithstanding the foregoing provisions of this Section 2, HHG shall consummate an issuance and sale (the ***"New Issuance")*** of convertible preferred Equity Interests or other equity securities as agreed between HHG and Credit Suisse (or, to the extent that Credit Suisse shall cease to be the placement agent in respect of the New Issuance, any subsequently appointed placement agent) (the ***"New HHG Equity Interests")*** on or prior to December 31, 2019 (the ***"New Issuance Outside Date").*** The terms of the New HHG Equity Interests shall provide that:

(A) HHG shall not make any declaration or payment of a distribution or dividend on, or any payment on account of, any of the New HHG Equity Interests (or any other Equity Interest into which such New HHG Equity Interests are convertible) prior to the repayment in full of all of the outstanding Obligations (as defined in the Credit Agreement); and

(B) HHG shall not purchase, redeem or acquire, or otherwise retire for value, any of the New HHG Equity Interests (or any other Equity Interest into which such New HHG Equity Interests are convertible) unless (x) the aggregate purchase, redemption or acquisition price in respect thereof is funded in full with the net cash proceeds of a concurrent issuance of additional Equity Interests of HHG, or (y) within one business day following such purchase, redemption or acquisition, HHG receives a cash capital contribution from the existing holders of Equity Interests of HHG in an aggregate amount equal to at least the aggregate purchase, redemption or acquisition price in respect of such purchase, redemption or acquisition.

(iii) The parties hereto agree that any New Issuance consummated on or prior to the New Issuance Outside Date shall not constitute an HHG Equity Issuance under Section 2(b) of this Side Letter and rather shall be governed by the provisions of this Section 2(d).

(iv) In the event that HHG consummates any New Issuance in accordance with this Section 4(d), then, on the date that HHG receives the cash proceeds from such New Issuance:

(A) HHG shall make a direct and indirect common cash contribution to Holdings in an amount (the ***"Contribution Amount')*** equal to the sum of:

(y) with respect to the portion of any Net Cash Proceeds received by HHG from one or more closings of the New Issuance between $35,000,000 and $45,000,000 (the amount of such excess, the ***"First Tier Excess Net Cash Proceeds"),*** the product of (1) 40%, times (2) the aggregate amount of such First Tier Excess Net Cash Proceeds; plus

(z) with respect to the portion of any Net Cash Proceeds received by HHG from one or more closings of the New Issuance that exceeds $45,000,000 (the amount of such excess, the ***"Second Tier Excess Net Cash Proceeds"),*** the product of (1) 45%, times (2) the aggregate amount of such Second Tier Excess Net Cash Proceeds;

(B) Holdings shall apply 100% of the proceeds of the common cash contribution of the Contribution Amount referred to in clause (A) above to make a common cash contribution to the Borrower Agent in an amount equal to the Contribution Amount; and

(v) For the purposes hereof:

(A) the term ***"Gross Cash Proceeds"*** shall mean the aggregate gross cash proceeds received by HHG from one or more closings of the New Issuance; and

(B) the term ***"Net Cash Proceeds"*** shall mean the aggregate gross cash proceeds (net of any fees or expenses payable in connection with such New Issuance) received by HHG from one or more closings of the New Issuance.

(vi) In the event that (x) HHG does not receive at least $30,000,000 in Gross Cash Proceeds from one or more closings of the New Issuance on or prior to the New Issuance Outside Date, and (y) HHG does not receive, on or prior to January 15, 2020, a cash capital contribution from the existing holders of Equity Interests of HHG in an aggregate amount that, when added to the Gross Cash Proceeds received by HHG from the New Issuance on or prior to the New Issuance Outside Date, equals at least $30,000,000, then:

The parties hereto agree that:

(A) the issuance by HHG of the Aegis Notes shall not constitute a HHG Equity Issuance for purposes of Section 2(b) of this Agreement and, accordingly, the 10% Payment Amount in respect thereof shall not be required to be applied to make a voluntary prepayment of the Term Loans under Section 2(b); and

(B) in the event that the Aegis Notes shall, on any date, convert into New HHG Equity Interests, (x) the issuance of New HHG Equity Issuances upon such conversion shall, for the purposes of this Section 2(d), be deemed to constitute a portion of the New Issuance and (y) the aggregate principal amount of the Aegis Notes that shall be converted into New HHG Equity Interests shall, for the purposes of this Section 2(d), be deemed to be Gross Cash Proceeds received by HHG from the New Issuance on the date of such conversion.

Re: Side Letter Agreement in Connection with Amendment No. 4 to Credit Agreement

Ladies and Gentlemen:

This Side Letter Agreement, dated as of March 15, 2019 (this ***"Agreement'),*** is made by Hydrofarm Holdings Group, Inc., a Delaware corporation ***("HHG")*** and Hydrofarm Investment Corp., a Delaware corporation ***("HIC"*** and together with HHG and any other Person that becomes a party hereto as provided herein, the ***"Grantors"),*** Hydrofarm Holdings LLC, a Delaware limited liability company ***("Holdings"),*** Hydrofarm, LLC, a California limited liability company ***("Hydrofarm"),*** EHH Holdings, LLC ***("EHH"),*** a Delaware limited liability company, and SunBlaster, LLC, a Delaware limited liability company ***("SunBlaster",*** and together with Hydrofarm and EHH, collectively, the ***"Borrowers"),*** in favor of Administrative Agent and the Lenders (as defined below).

WHEREAS, Holdings, the Borrowers, the lenders party to the Credit Agreement referred to below (collectively, the ***"Lenders"*** and each individually a ***"Lender"),*** and Brightwood Loan Services LLC, in its capacity as Administrative Agent for the Lenders (the ***"Administrative Agent')*** are each a party to that certain Credit Agreement dated as of May 12, 2017 (as amended, modified or supplemented, the ***"Credit Agreement')*** pursuant to which the Lenders have made and provided loans and other financial accommodations to the Borrowers from time to time.

WHEREAS, Holdings and the Borrowers have requested that the Administrative Agent and the Lenders amend the Credit Agreement as set forth in that certain Amendment No. 4 to Credit Agreement of even date herewith ***("Amendment No. 4").***

WHEREAS, Holdings and the Borrowers are wholly owned subsidiaries of the Grantors and Amendment No. 4 will enable Holdings and the Borrowers to continue to operate their business, and the Grantors will derive substantial benefit from the continued operation of that business.

WHEREAS, it is a condition precedent to Amendment No. 4 that the Grantors, Holdings and the Borrowers shall have executed and delivered this Agreement in favor of the Administrative Agent for the ratable benefit of all Lenders.

NOW THEREFORE, in consideration of the premises set forth above and to induce the Administrative Agent and the Lenders to enter into Amendment No. 4, each Grantor, Holdings and each Borrower hereby agrees with Agent, for the ratable benefit of the Lenders, as follows:

1. Option. Grantors hereby grant to the Administrative Agent, for the benefit of the Lenders, the option ***("Option")*** to require that HIC and any other Acquiring Entity enter into a GSA (as defined below) on the terms described herein with respect to any Future Acquisition. The Grantors shall not consummate, and shall not permit any of their respective Subsidiaries (including any Acquiring Entity) to consummate, a Future Acquisition unless, no later than ten (10) Business Days prior to the date that a Future Acquisition is to be consummated, the Grantors provide a written notice (a ***"Future Acquisition Notice")*** to the Administrative Agent that a Future Acquisition is occurring, which Future Acquisition Notice will be accompanied by a summary of such Future Acquisition. The Grantors will provide any additional information regarding the Future Acquisition as reasonably requested by the Administrative Agent. If the Administrative Agent elects to exercise the Option by delivering written notice of such exercise to the Grantors or the Borrower Agent at any time, the Grantors will cause the Acquiring Entity and, in the case of the first Future Acquisition occurring after the date hereof, HIC (to the extent HIC is not the Acquiring Entity) to promptly enter into a guaranty and security agreement (the ***"GSA")*** pursuant to which the Acquiring Entity and, in the case of the first Future Acquisition occurring after the date hereof, HIC (to the extent HIC is not the Acquiring Entity) guarantees the Obligations of Holdings and the Borrowers under the Credit Agreement and the other Loan Documents and grants a pledge of all of the Equity Interests of the Acquired Entity and, in the event that Acquiring Entity is not HIC, the Equity Interests of the Acquiring Entity to secure such guaranty on the terms described below:

    (a) The Acquiring Entity and, in the case of the first Future Acquisition occurring after the date hereof, HIC (to the extent HIC is not the Acquiring Entity) shall guaranty the payment and performance of the Obligations under the Credit Agreement and the other Loan Documents;

    (b) Except as otherwise described in this Section 1, the GSA shall contain terms and conditions substantially consistent with the terms and conditions of the Guaranty in the form attached as Exhibit B to the Credit Agreement;

    (c) The Acquiring Entity and HIC, as applicable, shall make representations and warranties limited to existence and good standing, due authorization, no conflict with organizational documents, applicable law and material contracts, enforceability, governmental authorizations, grant and perfection of security interests, ownership of pledged Equity Interests, sanctions and prohibited persons (including representations related to the Trading with the Enemy Act, the Patriot Act, foreign assets control regulations and other federal or state laws relating to "know your customer" and anti-money laundering rules and regulations substantially similar to the representations set forth in Sections 4.27 and 4.28 of the Credit Agreement), but will not include representations with respect to the Acquired Entity (other than with respect to the pledged Equity Interests and customary representations related to the Trading with the Enemy Act, the Patriot Act, foreign assets control regulations and other federal or state laws relating to "know your customer" and anti-money laundering rules and regulations substantially similar to the representations set forth in Sections 4.27 and 4.28 of the Credit Agreement);

    (d) Covenants will be limited to certain notice provisions and further assurances with respect to the collateral granted in the GSA and the following with respect to the Acquired Entity: (i) neither the Acquired Entity nor any of its Subsidiaries will be permitted to incur any Indebtedness or Liens to the extent that the Loan To Value Ratio as of the date of the incurrence of such Indebtedness or Liens (after giving effect to such incurrence) exceeds 50%; provided, that, neither the Acquired Entity nor any of its Subsidiaries will be permitted to incur any Indebtedness or Liens at any time after the 180$^{th}$ day following the closing date of the applicable Future Acquisition in respect of such Acquired Entity unless, in addition to satisfying the 50% Loan To Value Ratio required set forth above, HIC or the Acquiring Entity, as applicable, shall, prior to the incurrence of such Indebtedness or Liens, have obtained and delivered to the Administrative Agent a Subsequent Valuation Report with respect to such Acquired Entity dated no earlier than one year prior to the date of such incurrence, (ii) with respect to any Future Acquisition, (x) on or prior to the 180$^{th}$ day following the consummation of such Future Acquisition, the Grantors shall obtain and deliver to the Administrative Agent a Subsequent Valuation Report with respect to the applicable Acquired Entity, and (y) following the delivery of the initial Subsequent Valuation Report with respect to the applicable Acquired Entity pursuant to clause (x) above, on or prior to the first anniversary of the most recently delivered Subsequent Valuation Report with respect to the applicable Acquired Entity, the Grantors shall obtain and deliver to the Administrative Agent a new updated Subsequent Valuation Report with respect to the applicable Acquired Entity, (iii) none of the Acquiring Entity, the Acquired Entity, HIC or their respective Subsidiaries will be permitted to sell all or substantially all of the Equity Interests or assets of the of the Acquired Entity without the consent of Administrative Agent, which shall not be unreasonably withheld, conditioned or delayed, and (iv) the Acquiring Entity will provide customary quarterly and annual financial information with respect to the Acquiring Entity and its Subsidiaries to Administrative Agent, and such other information as reasonably requested by the Administrative Agent;

    (d) No Acquiring Entity shall be permitted to incur any Indebtedness or Liens other than its guaranty of the Obligations under the Credit Agreement, and the grant of Liens in respect of such Obligations, contemplated by this Section 1;

    (e) Defaults to be limited to the breach of the GSA, non-payment, insolvency of Grantors or any Acquiring Entity and change of control (to be defined in a customary manner, with references to the ownership of HHG to be consistent with the definition of Change of Control in Amendment No. 4); and

    (f) Further assurances providing that upon the request of the Administrative Agent, the Acquiring Entity and, in the event that Acquiring Entity is not HIC, HIC will execute a standard pledge agreement (containing terms generally consistent with the applicable provisions of the Security Agreement) to evidence the pledge of the Equity Interests of the Acquired Entity and, in the event that Acquiring Entity is not HIC, the Equity Interests of the Acquiring Entity and will deliver such documentation as is necessary to evidence such pledge; provided, that if the Acquired Entity is a controlled foreign corporation, in the event that the pledge of 100% of the Equity Interests of such Acquired Entity would result in material adverse tax consequences to the Grantors, the parties will determine in good faith whether the pledge should be limited to a pledge of 65% of the equity interests.

For the avoidance of doubt, the Grantors shall not consummate, and shall not permit any of their respective Subsidiaries (including any Acquiring Entity) to consummate, a Future Acquisition unless (i) the Grantors shall have timely delivered a Future Acquisition Notice to the Administrative Agent in accordance with the first paragraph of this Section 1, (ii) in the event that the Administrative Agent shall have duly exercised the Option in respect of such Future Acquisition within ten (10) Business Days following its receipt of the applicable Future Acquisition Notice, the Acquiring Entity and, as applicable, HIC shall have executed and delivered a GSA and any other required documentation in accordance with this Section 1 prior to, or contemporaneously with, the consummation of such Future Acquisition, and (iii) the Grantors shall have delivered to the Administrative Agent, prior to the consummation of such Future Acquisition, copies of the valuation materials utilized by the Grantors in connection with its valuation of the Acquired Entity in connection with such Future Acquisition. In addition, (x) HHG shall not be permitted to directly consummate any Future Acquisition or otherwise directly make or acquire any Investment in any Person (other than HIC or a newly created Acquiring Entity), and (y) for the avoidance of doubt, in order for HHG to directly or indirectly consummate a Future Acquisition, such Future Acquisition must be made indirectly by HHG through HIC or an Acquiring Entity. In addition, the Grantors shall not directly or indirectly make or acquire any Investment in any Person in any transaction that does not constitute a Future Acquisition hereunder.

**1.2. Accounting Terms and Determinations.**

Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder (including determinations made pursuant to the exhibits hereto) shall be made, and all financial statements required to be delivered hereunder shall be prepared on a consolidated basis in accordance with GAAP consistently applied. If at any time any change in GAAP would affect the computation of any financial ratio or financial requirement set forth in any Loan Document, and either Borrower Representative or Agent shall so request, Required Lenders and Borrower Representative shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP; ***provided*** that, until so amended, (a) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (b) Borrower Representative shall provide to Agent and Lenders financial statements and other documents required under this Agreement and the other Loan Documents which include a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to any election under Statement of Financial Accounting Standards 159 (Codification of Accounting Standards 825-10) to value any Indebtedness or other liabilities of any Loan Party at "***fair value***", as defined therein.

Notwithstanding anything to the contrary contained in the paragraph above or the definitions of Capital Expenditures or Capitalized Leases, in the event of a change in GAAP after the Closing Date requiring all leases to be capitalized, only those leases (assuming for purposes of this paragraph that they were in existence on the Closing Date) that would constitute Capitalized Leases on the Closing Date shall be considered Capitalized Leases (and all other such leases shall constitute operating leases) and all calculations and deliverables under this Agreement or the other Loan Documents shall be made in accordance therewith (other than the financial statements delivered pursuant to this Agreement; ***provided*** that all such financial statements delivered to Agent and Lenders in accordance with the terms of this Agreement after the date of such change in GAAP shall contain a schedule showing the adjustments necessary to reconcile such financial statements with GAAP as in effect immediately prior to such change).

**1.3. Other Definitional Provisions and References.**

References in this Agreement to "***Articles***", "***Sections***", "***Annexes***", "***Exhibits***" or "***Schedules***" shall be to Articles, Sections, Annexes, Exhibits or Schedules of or to this Agreement unless otherwise specifically provided. Any term defined herein may be used in the singular or plural. "***Include***", "***includes***" and "***including***" shall be deemed to be followed by "***without limitation***". "***Or***" shall be construed to mean "***and/or***". Except as otherwise specified or limited herein, references to any Person include the successors and assigns of such Person. References "***from***" or "***through***" any date mean, unless otherwise specified, "***from and including***" or "***through and including***", respectively. No provision of any Loan Documents shall be construed against any party by reason of such party having, or being deemed to have, drafted the provision. Unless otherwise specified herein, the settlement of all payments and fundings hereunder between or among the parties hereto shall be made in lawful money of the United States and in immediately available funds. Time is of the essence for each performance obligation of the Loan Parties under this Agreement and each Loan Document. All amounts used for purposes of financial calculations required to be made herein shall be without duplication. References to any statute or act shall include all related current regulations and all amendments and any successor statutes, acts and regulations. References to any agreement, instrument or document (a) shall include all schedules, exhibits, annexes and other attachments thereto and (b) shall be construed as referring to such agreement, instrument or other document as from time to time amended, amended and restated, restated, supplemented or otherwise modified (subject to any restrictions on such amendments, restatements, supplements or modifications set forth herein or in any other Loan Document). The words "***asset***" and "***property***" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights. Unless otherwise specified herein Dollar ($) baskets set forth in the representations and warranty, covenants and event of default provisions of this Agreement (and other similar baskets) are calculated as of each date of measurement by the Dollar Equivalent Amount thereof as of such date of measurement. Reference to a Loan Party's "knowledge" or similar concept means actual knowledge of a senior officer, or knowledge that a senior officer would have obtained if he or she had engaged in good faith and diligent performance of his or her duties, including reasonably specific inquiries of employees or agents and a good faith attempt to ascertain the matter.

**2. LOANS.**

**2.1. Amount of Loans.**

(a) **Revolving Loans**. Subject to the terms and conditions of this Agreement, each Lender with a Revolving Loan Commitment will severally (and not jointly), from time to time prior to the Maturity Date, at Borrower Representative's request, make revolving loans to Borrowers ("***Revolving Loans***"); ***provided***, that after giving effect to each such Revolving Loan, (A) the outstanding balance of all Revolving Loans plus fees and expenses which are due and payable by Borrower under this Agreement but which have not been paid or charged to the Loan Account will not exceed the lesser of (x) the Maximum Revolving Facility Amount minus the amount of Reserves established against the Maximum Revolving Facility Amount and (y) the Borrowing Base, (B) the aggregate outstanding principal balance of all Revolving Loans to the Canadian Borrowers shall not be in excess of the Canadian Loan Limit, (C) the sum of each Lender's outstanding balance of Revolving Loans will not exceed such Lender's Revolving Loan Commitment and (d) none of the other Loan Limits for Revolving Loans will be exceeded. All Revolving Loans shall be made in and repayable in Dollars.

(b) **Reserves**. Agent may, with or without notice to Borrower Representative, from time to time establish and revise reserves against the Borrowing Base and the Maximum Revolving Facility Amount in such amounts and of such types as Agent deems appropriate in its Permitted Discretion ("***Reserves***") to reflect (i) events, conditions, contingencies or risks which affect or may affect (A) the ABL Priority Collateral or its value, or the enforceability, perfection or priority of the security interests and other rights of Agent in the ABL Priority Collateral or (B) the assets, business or prospects of any Borrower or any Loan Party Obligor (including the Dilution Reserve), (ii) Agent's good faith concern that any Collateral report or financial information furnished by or on behalf of any Borrower or any Loan Party Obligor to Agent is or may have been incomplete, inaccurate or misleading in any material respect, (iii) any fact or circumstance which Agent determines in good faith constitutes, or could constitute, a Default or Event of Default, or (iv) past due Taxes, or (v) any other events or circumstances which Agent determines in good faith make the establishment or revision of a Reserve prudent. In no event shall the establishment of a Reserve in respect of a particular actual or contingent liability obligate Agent to make advances to pay such liability or otherwise obligate Agent with respect thereto.

(c) **Reserved.**

**2.2. Protective Advances; Overadvances.**

(a) Notwithstanding any contrary provision of this Agreement or any other Loan Document, at any time (i) after the occurrence and during the continuance of a Default or Event of Default or (ii) that any of the other applicable conditions precedent set forth in Section 4 or otherwise are not satisfied, Agent is authorized by each Borrower and each Lender, from time to time, in Agent's sole discretion, to make such Revolving Loans to, or for the benefit of, any Borrower, as Agent in its sole discretion deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, or (2) to enhance the likelihood of repayment of the Obligations (the Revolving Loans described in this Section 2.2 shall be referred to as "***Protective Advances***"). Notwithstanding any contrary provision of this Agreement or any other Loan Document, Agent may disburse the proceeds of any Protective Advance to any Borrower or to such other Person(s) as Agent determines in its sole discretion. All Protective Advances shall be payable immediately upon demand. Notwithstanding the foregoing, (i) the aggregate amount of all Protective Advances outstanding at any time shall not exceed an amount equal to ten percent (10%) of the Maximum Revolving Facility Amount and (ii) after giving effect to any such Protective Advances, the outstanding balance of all Revolving Loans will not exceed the Maximum Revolving Facility Amount.

(b) Notwithstanding any contrary provision of this this Agreement, at the request of Borrower Representative, Agent may in its sole discretion (but with absolutely no obligation), make Revolving Loans to any Borrower, on behalf of the Lenders with a Revolving Loan Commitment, in amounts that exceed Excess Availability (any such excess Revolving Loans are herein referred to herein, collectively, as "***Overadvances***"); ***provided***, that, no Overadvance shall result in a Default due to any Borrower's failure to comply with Section 2.1(a) for so long as such Overadvance remains outstanding in accordance with the terms of this paragraph, but solely with respect to the amount of such Overadvance. Overadvances may be made even if the conditions precedent set forth in Section 4.2 have not been satisfied. The authority of Agent to make Overadvances is limited to an aggregate amount not to exceed an amount equal to ten percent (10%) of the Maximum Revolving FacilityAmount at any time. No Overadvance may remain outstanding for more than thirty (30) days and no Overadvance shall cause any Lender's outstanding balance of Revolving Loans to exceed its Revolving Commitment. Required Lenders may, at any time, revoke Agent's authorization to make Overadvances, ***provided*** that any such revocation must be in writing and shall become effective prospectively upon Agent's receipt thereof.

(c) Upon the making of any Protective Advance or Overadvance (whether before or after the occurrence of a Default), each Lender with a Revolving Loan Commitment shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from Agent, without recourse or warranty, an undivided interest and participation in such Protective Advance or Overadvance, as applicable, in proportion to its Pro Rata Share of the Revolving Loan Commitment. Agent may, at any time, require the applicable Lenders to fund their participations. From and after the date, if any, on which any Lender is required to fund its participation in any Protective Advance or Overadvance, as applicable, purchased hereunder, Agent shall promptly distribute to such Lender, such Lender's Pro Rata Share of all payments of principal and interest and all proceeds of Collateral received by such Agent in respect of such Loan. Each Lender acknowledges and agrees that (i) Agent may elect to fund a Protective Advance or Overadvance through one or more of its Affiliates (including Encina Business Credit SPV, LLC) on behalf of Agent for administrative convenience and (ii) any such funding shall constitute a Protective Advance or Overadvance, as applicable, as if made by Agent subject to the terms and conditions of this Agreement.

**2.3. Notice of Borrowing; Manner of Revolving Loan Borrowing.**

(a) Borrower Representative shall request each Revolving Loan by submitting such request by ABLSoft (or, if requested by Agent, by delivering, in writing or by an Approved Electronic Communication, a Notice of Borrowing substantially in the form of Exhibit A hereto) (each such request a "***Notice of Borrowing***"). Subject to the terms and conditions of this Agreement, Agent shall, except as provided in Section 2.2, deliver the amount of the Revolving Loan requested in the Notice of Borrowing for credit to any account of Borrower as Borrower Representative may specify at a bank acceptable to Agent (***provided***, that such account must be one identified on Section 3 of the Perfection Certificate and approved by Agent as an account to be used for funding of Loan proceeds) (any such account, a "***Funding Account***") by wire transfer of immediately available funds (i) on the same day if the Notice of Borrowing is received by Agent on or before 11:00 a.m. Central Time on a Business Day or (ii) on the immediately following Business Day if the Notice of Borrowing is received by Agent after 11:00 a.m. Central Time on a Business Day or on a day that is not a Business Day. Agent shall charge to the Revolving Loan Agent's usual and customary fees for the wire transfer of each Loan.

(b) Promptly following receipt of a Notice of Borrowing in accordance with this Section, Agent shall advise each Lender of the details thereof and of the amount of such Lender's Revolving Loan to be made as part of the requested borrowing. Each Lender shall make each Revolving Loan to be made by such Lender hereunder on the proposed date thereof by wire transfer of immediately available funds by 2:00 p.m., Central Time, to the account of Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's Pro Rata Share. Unless Agent shall have received notice from a Lender prior to the proposed date of any borrowing that such Lender will not make available to Agent such Lender's share of such borrowing, Agent may assume that such Lender has made (or will make) such share available on such date in accordance with this Section and may, in reliance upon such assumption, make available to Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable borrowing available to Agent, then the applicable Lender and Borrowers severally agree to pay to Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to Borrowers to but excluding the date of payment to Agent, at the interest rate applicable to such Revolving Loans. If such Lender pays such amount to Agent, then such amount shall constitute such Lender's Revolving Loan included in such borrowing.

**2.4. Swingline Loans.**

(a) Agent, Swingline Lender and the Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after Borrower Representative requests a Revolving Loan, the Swingline Lender may elect to have the terms of this Section 2.4 apply to such borrowing request by advancing, on behalf of the Lenders with a Revolving Loan Commitment and in the amount requested, same day funds to Borrowers (each such Loan made solely by the Swingline Lender pursuant to this Section 2.4 is referred to in this Agreement as a "***Swingline Loan***"), with settlement among them as to the Swingline Loans to take place on a periodic basis as set forth in Section 2.4(c). Each Borrower hereby authorizes the Swingline Lender to, and Swingline Lender shall, subject to the terms and conditions set forth herein (but without any further written notice required), deliver the amount of the Swingline Loan requested to the applicable Funding Account (i) on the same day if the Notice of Borrowing is received by Agent on or before 11:00 a.m. Central Time on a Business Day or (ii) on the immediately following Business Day if the Notice of Borrowing is received by Agent after 11:00 p.m. Central Time on a Business Day or on a day that is not a Business Day. The aggregate amount of Swingline Loans outstanding at any time shall not exceed $2,000,000. Swingline Lender shall not make any Swingline Loan if the requested Swingline Loan exceeds Excess Availability (before giving effect to such Swingline Loan).

(b) Upon the making of a Swingline Loan (whether before or after the occurrence of a Default and regardless of whether a Settlement has been requested with respect to such Swingline Loan), each Lender with a Revolving Commitment shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the Swingline Lender, without recourse or warranty, an undivided interest and participation in such Swingline Loan in proportion to its Pro Rata Share of the Revolving Commitment. The Swingline Lender may, at any time, require the applicable Lenders to fund their participations. From and after the date, if any, on which any Lender is required to fund its participation in any Swingline Loan purchased hereunder, Agent shall promptly distribute to such Lender, such Lender's Pro Rata Share of all payments of principal and interest and all proceeds of Collateral received by such Agent in respect of such Loan.

(c) Agent, on behalf of Swingline Lender, shall request settlement (a "***Settlement***") with respect to Swingline Loans with the Lenders holding a Revolving Commitment on at least a weekly basis or on any date that Agent elects, by notifying the applicable Lenders of such requested Settlement by facsimile, telephone, or e-mail no later than 12:00 p.m. Central Time on the date of such requested Settlement (the "***Settlement Date***"). Each applicable Lender (other than the Swingline Lender) shall transfer the amount of such Lender's Pro Rata Share of the outstanding principal amount of the Swingline Loan with respect to which Settlement is requested to Agent, to such account of Agent as Agent may designate, not later than 2:00 p.m., Central Time, on such Settlement Date. Settlements may occur during the existence of an event of Default and whether or not the applicable conditions precedent set forth in Section 4.2 have then been satisfied. Such amounts transferred to Agent shall be applied against the amounts of the Swingline Lender's Swingline Loans and, together with such Swingline Lender's Pro Rata Share of such Swingline Loan, shall constitute Revolving Loans of such Lenders, respectively. If any such amount is not transferred to Agent by any applicable Lender on such Settlement Date, the Swingline Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon.

**2.5. Repayments.**

(a) **Revolving Loans**. If at any time for any reason whatsoever (including as a result of currency fluctuations) (i) the outstanding balance of all Revolving Loans exceeds the lesser of (x) the Maximum Revolving Facility Amount minus the amount of Reserves established against the Maximum Revolving Facility Amount and (y) the Borrowing Base or (ii) any of the Loan Limits for Revolving Loans are exceeded, then, in each case, Borrowers will immediately pay to Agent such amounts as shall cause Borrowers to eliminate such excess.

(b) **Reserved.**

(c) **Maturity Date Payments**. All remaining outstanding monetary Obligations (including, all accrued and unpaid fees described in Section 3.2) shall be payable in full on the Maturity Date.

**2.6. Prepayments / Voluntary Termination / Application of Prepayments.**

(a) **Reserved.**

(b) **Reserved.**

(c) **Reserved.**

(d) **Voluntary Termination of Loan Facilities**. Borrower Representative may, on at least thirty days prior written notice received by Agent, permanently terminate the Loan facilities by repaying all of the outstanding Obligations, including all principal, interest and fees with respect to the Revolving Loans, and an Early Payment/Termination Premium in the amount specified in Section 3.2(e). From and after such date of termination, Agent shall have no obligation whatsoever to extend any additional Loans, and all of its lending commitments hereunder shall be terminated.

(e) **Reserved.**

**2.7. Obligations Unconditional.**

(a) The payment and performance of all Obligations shall constitute the absolute and unconditional obligations of each Loan Party Obligor, and shall be independent of any defense or right of set-off, recoupment or counterclaim that any Loan Party Obligor or any other Person might otherwise have against Agent, any Lender or any other Person. All payments required by this Agreement or the other Loan Documents shall be made in Dollars (unless payment in a different currency is expressly provided otherwise in the applicable Loan Document) and paid free of any deductions or withholdings for any taxes or other amounts and without abatement, diminution or set-off. If any Loan Party Obligor is required by applicable law to make such a deduction or withholding from a payment under this Agreement or under any other Loan Document, such Loan Party Obligor shall pay to Agent such additional amount as shall be necessary to ensure that, after the making of such deduction or withholding, Agent receives (free from any liability in respect of any such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made. Each Loan Party Obligor shall (a) pay the full amount of any deduction or withholding that it is required to make by law, to the relevant authority within the payment period set by applicable law and (b) promptly after any such payment, deliver to Agent an original (or certified copy) official receipt issued by the relevant authority in respect of the amount withheld or deducted or, if the relevant authority does not issue such official receipts, such other evidence of payment of the amount withheld or deducted as is reasonably acceptable to Agent.

(b) If, at any time and from time to time after the Closing Date (or at any time before or after the Closing Date with respect to the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith), (a) any change in any existing law, regulation, treaty or directive or in the interpretation or application thereof, (b) any new law, regulation, treaty or directive enacted or application thereof or (c) compliance by Agent with any request or directive (whether or not having the force of law) from any Governmental Authority, central bank or comparable agency (i) subjects Agent or any Lender to any tax, levy, impost, deduction, assessment, charge or withholding of any kind whatsoever with respect to any Loan Document, or changes the basis of taxation of payments to Agent or any Lender of any amount payable thereunder (except for net income taxes, or franchise taxes imposed in lieu of net income taxes, imposed generally by federal, state, provincial, local or other taxing authorities with respect to interest or fees payable hereunder or under any other Loan Document or changes in the rate of tax on the overall net income of Agent, any Lender or their respective members) or (ii) imposes, modifies or deems applicable any reserve (including any reserve imposed by the FRB, but excluding any reserve included in the determination of the LIBOR Rate), special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by Agent or any Lender or imposes on Agent or any Lender any other condition affecting its LIBOR Loans or its obligation to make LIBOR Loans, the result of which is to increase the cost to (or to impose a cost on) Agent or any Lender of making or maintaining any LIBOR Loan or (iii) imposes on Agent or any Lender any other condition or increased cost in connection with the transactions contemplated thereby or participations therein, and the result of any of the foregoing is to increase the cost to Agent or any Lender of making or continuing any Loan or to reduce any amount receivable hereunder or under any other Loan Documents, then, in each such case, Borrowers shall promptly pay to Agent or such Lender, when notified to do so by Agent or such Lender, any additional amounts necessary to compensate Agent or such Lender, on an after-tax basis, for such additional cost or reduced amount as determined by Agent or such Lender. Each such notice of additional amounts payable pursuant to this Section 2.7(b) submitted by Agent or any Lender, as applicable, to Borrower Representative shall, absent manifest error, be final, conclusive and binding for all purposes.

(c) This Section 2.7 shall remain operative even after the Termination Date and shall survive the payment in full of all of the Loans.

**2.8. Reversal of Payments**. To the extent that any payment or payments made to or received by Agent or any Lender pursuant to this Agreement or any other Loan Document are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to any trustee, receiver or other Person under any state, federal or other bankruptcy or other such applicable law, then, to the extent thereof, such amounts (and all Liens, rights and remedies relating thereto) shall be revived as Obligations (secured by all such Liens) and continue in full force and effect under this Agreement and under the other Loan Documents as if such payment or payments had not been received by Agent or such Lender. This Section 2.8 shall remain operative even after the Termination Date and shall survive the payment in full of all of the Loans.

**2.9. Notes**. The Loans and Commitments shall, at the request of any Lender, be evidenced by one or more promissory notes in form and substance reasonably satisfactory to such Lender. However, if such Loans are not so evidenced, such Loans may be evidenced solely by entries upon the books and records maintained by Agent.

**2.10. Defaulting Lender**s. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Unused Line Fees pursuant to Section 3.2(c) shall cease to accrue on the unfunded portion of the Revolving Commitment of such Defaulting Lender.

(b) Any amount payable to a Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise) shall, in lieu of being distributed to such Defaulting Lender, be retained by Agent in a segregated account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to Agent hereunder, (ii) second, to the funding of any Revolving Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Agent, (iii) third, if so determined by Agent and Borrowers, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement, (iv) fourth, pro rata, to the payment of any amounts owing to Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by Borrowers or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and (v) fifth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; ***provided***, that if such payment is made at a time when the conditions set forth in Section 4.2 are satisfied, such payment shall be applied solely to prepay the Loans of all Revolving Lenders that are not Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans, or reimbursement obligations owed to, any Defaulting Lender.

(c) No Defaulting Lender shall have any right to approve or disapprove any amendment, waiver, consent or any other action the Lenders or the Required Lenders have taken or may take hereunder, provided that any waiver, amendment or modification requiring the consent of all Lenders or each directly affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender.

**2.11. Appointment of Borrower Representative.**

(a) Each Borrower hereby irrevocably appoints and constitutes Borrower Representative as its agent and attorney-in-fact to request and receive Loans in the name or on behalf of such Borrower and any other Borrowers, deliver Notices of Borrowing, and Borrowing Base Certificates, give instructions with respect to the disbursement of the proceeds of the Loans, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants) in the name or on behalf of any Borrower or Borrowers pursuant to this Agreement and the other Loan Documents. Lender may disburse the Loans to such bank account of Borrower Representative or a Borrower or otherwise make such Loans to a Borrower, in each case as Borrower Representative may designate or direct, without notice to any other Borrower. Notwithstanding anything to the contrary contained herein, Lender may at any time and from time to time require that Loans to or for the account of any Borrower be disbursed directly to an operating account of such Borrower.

(b) Borrower Representative hereby accepts the appointment by Borrowers to act as the agent and attorney-in-fact of Borrowers pursuant to this Section 2.9. Borrower Representative shall ensure that the disbursement of any Loans that are at any time requested by or to be remitted to or for the account of a Borrower requested on behalf of a Borrower hereunder, shall be remitted or issued to or for the account of such Borrower.

(c) Each Borrower hereby irrevocably appoints and constitutes Borrower Representative as its agent to receive statements on account and all other notices from Lender with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents.

(d) Any notice, election, representation, warranty, agreement or undertaking made or delivered by or on behalf of any Borrower by Borrower Representative shall be deemed for all purposes to have been made or delivered by such Borrower, as the case may be, and shall be binding upon and enforceable against such Borrower to the same extent as if made or delivered directly by such Borrower.

(e) No resignation by or termination of the appointment of Borrower Representative as agent and attorney-in-fact as aforesaid shall be effective, except after ten (10) Business Days' prior written notice to Lender. If the Borrower Representative resigns under this Agreement, Borrowers shall be entitled to appoint a successor Borrower Representative (which shall be a Borrower and shall be reasonably acceptable to Lender as such successor). Upon the acceptance of its appointment as successor Borrower Representative hereunder, such successor Borrower Representative shall succeed to all the rights, powers and duties of the retiring Borrower Representative and the term "Borrower Representative" shall mean such successor Borrower Representative for all purposes of this Agreement and the other Loan Documents, and the retiring or terminated Borrower Representative's appointment, powers and duties as Borrower Representative shall be thereupon terminated.

**2.12. Joint and Several Liability**

(b) Joint and Several. Each Borrower hereby agrees that such Borrower is jointly and severally liable for the full and prompt payment (whether at stated maturity, by acceleration or otherwise) and performance of, all Obligations owed or hereafter owing to Agent and Lenders by each other Borrower. Each Borrower agrees that its obligation hereunder shall not be discharged until payment and performance, in full, of the Obligations has occurred, and that its obligations under this Section 2.12 shall be absolute and unconditional, irrespective of, and unaffected by,

(i) the genuineness, validity, regularity, enforceability or any future amendment of, or change in, this Agreement, any other Loan Document or any other agreement, document or instrument to which any Borrower is or may become a party;

(ii) the absence of any action to enforce this Agreement (including this Section 2.12) or any other Loan Document or the waiver or consent by Agent or any Lender with respect to any of the provisions thereof;

(iii) the existence, value or condition of, or failure to perfect Agent's Lien against, any security for the Obligations or any action, or the absence of any action, by Agent in respect thereof (including the release of any such security);

(iv) the insolvency of any Loan Party or Other Obligor; or

(v) any other action or circumstances that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor.

(c) Waivers by Borrowers. Each Borrower expressly waives all rights it may have now or in the future under any statute, or at common law, or at law or in equity, or otherwise, to compel Agent to marshal assets or to proceed in respect of the Obligations against any other Loan Party or Other Obligor, any other party or against any security for the payment and performance of the Obligations before proceeding against, or as a condition to proceeding against, such Borrower. It is agreed among each Borrower, Agent and Lenders that the foregoing waivers are of the essence of the transaction contemplated by this Agreement and the other Loan Documents and that, but for the provisions of this Section 2.12 and such waivers, Agent and Lenders would decline to enter into this Agreement.

(d) Benefit of Joint and Several Obligations. Each Borrower agrees that the provisions of this Section 2.12 are for the benefit of Agent and Lenders and their successors, transferees, endorsees and assigns, and nothing herein contained shall impair, as between any other Borrower, Agent and any Lender, the obligations of such other Borrower under the Loan Documents.

(e) Subordination of Subrogation, Etc. Notwithstanding anything to the contrary in this Agreement or in any other Loan Document, each Borrower hereby expressly and irrevocably subordinates to payment of the Obligations any and all rights at law or in equity to subrogation, reimbursement, exoneration, contribution, indemnification or set off and any and all defenses available to a surety, guarantor or accommodation co-obligor with respect to any other Loan Party or any Other Obligor until the Obligations are indefeasibly paid in full in cash. Each Borrower acknowledges and agrees that this subordination is intended to benefit Agent and Lenders and shall not limit or otherwise affect such Borrower's liability hereunder or the enforceability of this Section 2.12, and that Agent and Lenders and their successors and assigns are intended third party beneficiaries of the waivers and agreements set forth in this Section 2.12(d).

(f) Election of Remedies. If Agent may, under applicable law, proceed to realize its benefits under any of the Loan Documents giving Agent a Lien upon any Collateral, whether owned by any Borrower or by any other Person, either by judicial foreclosure or by non-judicial sale or enforcement, Agent may, at its sole option, determine which of its remedies or rights it may pursue without affecting any of its rights and remedies under this Section 2.12. If, in the exercise of any of its rights and remedies, Agent shall forfeit any of its rights or remedies, including its right to enter a deficiency judgment against any Borrower or any other Person, whether because of any applicable laws pertaining to "election of remedies" or the like, each Borrower hereby consents to such action by Agent and waives any claim based upon such action, even if such action by Agent shall result in a full or partial loss of any rights of subrogation that each Borrower might otherwise have had but for such action by Agent.

(g) Contribution with Respect to Guaranty Obligations.

(i) To the extent that any Borrower shall make a payment under this Section 2.12 of all or any of the Obligations (other than Loans made to that Borrower for which it is primarily liable) (a "***Guarantor Payment***") that, taking into account all other Guarantor Payments then previously or concurrently made by any other Borrower, exceeds the amount that such Borrower would otherwise have paid if each Borrower had paid the aggregate Obligations satisfied by such Guarantor Payment in the same proportion that such Borrower's "Allocable Amount" (as defined below) (as determined immediately prior to such Guarantor Payment) bore to the aggregate Allocable Amounts of each of the Borrowers as determined immediately prior to the making of such Guarantor Payment, then, following indefeasible payment in full in cash of the Obligations and termination of the Commitments, such Borrower shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Borrower for the amount of such excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment.

(ii) As of any date of determination, the "***Allocable Amount***" of any Borrower shall be equal to the maximum amount of the claim that could then be recovered from such Borrower under this Section 2.12 without rendering such claim voidable or avoidable under Section 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law.

(iii) This Section 2.12(f) is intended only to define the relative rights of Borrowers and nothing set forth in this Section 2.12(f) is intended to or shall impair the obligations of Borrowers, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Agreement, including Section 2.12(a). Nothing contained in this Section 2.12(f) shall limit the liability of any Borrower to pay the Loans made directly or indirectly to that Borrower and accrued interest, fees and expenses with respect thereto for which such Borrower shall be primarily liable.

(iv) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of each Borrower to which such contribution and indemnification is owing.

(v) The rights of the indemnifying Borrowers against other Loan Parties under this Section 2.12(f) shall be exercisable upon the full and indefeasible payment of the Obligations and the termination of the Commitments.

(h) Liability Cumulative. The liability of Borrowers under this Section 2.12 is in addition to and shall be cumulative with all liabilities of each Borrower to Agent and Lenders under this Agreement and the other Loan Documents to which such Borrower is a party or in respect of any Obligations or obligation of the other Borrower, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

**3. INTEREST AND FEES; LOAN ACCOUNT.**

**3.1. Interest**. All Loans and other monetary Obligations shall bear interest at the interest rate(s) set forth in Section 3 of Annex I, and accrued interest shall be payable (a) on the first day of each month in arrears, (b) upon a prepayment of Loan in accordance with Section 2.6 and (c) on the Maturity Date; ***provided***, that after the occurrence and during the continuation of an Event of Default and upon written demand by Agent (excluding an Event of Default under Section 11.1(g) or (h)), all Loans and other monetary Obligations shall bear interest at a rate per annum equal to two (2) percentage points (2.00%) in excess of the rate otherwise applicable thereto (the "***Default Rate***"), and all such interest shall be payable on demand. Changes in the interest rate shall be effective as of the first day of each month based on the LIBOR Rate or Base Rate, as applicable, in effect on such date. Subject to Section 3.6 and so long as no Event of Default shall have occurred and be continuing, all Loans shall constitute LIBOR Loans. Upon the occurrence and during the continuance of an Event of Default, at the election of Agent or Required Lenders, all Loans shall constitute Base Rate Loans.

**3.2.** **Fees**. Borrowers shall pay Agent the following fees on the dates provided therefor, which fees are in addition to all fees and other sums payable by Borrowers or any other Person to Agent under this Agreement or under any other Loan Document and, in each case, are not refundable once paid:

(a) **Closing Fee**. A fee, for the ratable benefit of the Lenders, equal to $**495,000** (the "***Closing Fee***"), which shall be deemed to be fully earned and payable as of the Closing Date.

(b) **Monthly Administration Fee**. A monthly fee, for the sole benefit of Agent, equal to $3,000 (the "***Monthly Administration Fee***") for each month, or part thereof prior to the Termination Date. The Monthly Administration Fee shall payable monthly in advance due and on the first day of each month following the Closing Date.

(c) **Unused Line Fee**. An unused line fee (the "***Unused Line Fee***"), for the ratable benefit of the Lenders, equal to one half of one percent (0.50%) per annum of the amount by which (i) the Maximum Revolving Facility Amount, calculated without giving effect to any Reserves or the Availability Block applied to the Maximum Revolving Facility Amount, exceeds (ii) the average daily outstanding principal balance of the Revolving Loans during the immediately preceding month (or part thereof), which fee shall be deemed to be fully earned and payable, in arrears, on the first day of each month until the Termination Date.

(d) **Reserved**.

(e) **Early Payment/Termination Premium**. In the event that, for any reason (including as a result of any voluntary or mandatory prepayment of the Loans, any acceleration of the Loans resulting from an Event of Default, any foreclosure and sale of Collateral, or any sale of Collateral in any bankruptcy or insolvency proceeding), all or any portion of the Lenders' commitment to make Revolving Loans is terminated prior to the Scheduled Maturity Date, in each case pursuant to Section 2.6(d), Section 11.2 or otherwise, then in each such case, in addition to the payment of the principal amount and all unpaid accrued interest and other amounts due thereon, Borrowers immediately shall be required to pay to Agent, for the ratable benefit of the Lenders, a premium (each, an "***Early Payment/Termination Premium***") (as liquidated damages and compensation for the cost of the Lenders being prepared to make funds available under this Agreement with respect to such Loans during the scheduled term of this Agreement) in an amount equal to the Applicable Percentage (as defined below) of the amount of any such Revolving Loan commitment termination, as applicable. In each such case, the "***Applicable Percentage***" shall be (A) two percent (2.0%), if such event occurs on or before the first anniversary of the Closing Date, or (B) one percent (1.0%) if such event occurs after the first anniversary of the Closing Date, but on or before the second anniversary of the Closing Date, or (C) zero percent (0.0%) if after the second anniversary of the Closing Date. Each Borrower acknowledges and agrees that (x) the provisions of this paragraph shall remain in full force and effect notwithstanding any rescission by Agent of an acceleration with respect to all or any portion of the Obligations pursuant to Section 11.2 or otherwise, (y) payment of any Early Payment/Termination Premium under this paragraph constitutes liquidated damages and not a penalty and (z) the actual amount of damages to Lenders or profits lost by Lenders as a result of such early payment or termination would be impracticable and extremely difficult to ascertain, and the Early Payment/Termination Premium under this paragraph is provided by mutual agreement of Borrowers and Lenders as a reasonable estimation and calculation of such lost profits or damages of Borrowers and Lenders.

**3.3. Computation of Interest and Fees.**

(a) All interest and fees shall be calculated daily on the outstanding monetary Obligations based on the actual number of days elapsed in a year of 360 days.

(b) For the purposes of the Interest Act (Canada), as amended, and disclosure under such act, whenever interest to be paid under this Agreement is to be calculated on the basis of a year of 365 or 366 days or any other period of time that is less than a calendar year, the yearly rate of interest to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by either 365 or 366 or such other period of time, as the case may be.

**3.4. Loan Account; Monthly Accountings**. Agent shall maintain a loan account for Borrowers reflecting all outstanding Loans, along with interest accrued thereon and such other items reflected therein (the "***Loan Account***"), and shall provide Borrower Representative with a monthly accounting reflecting the activity in the Loan Account, viewable by Borrowers on ABLSoft. Each accounting shall be deemed correct, accurate and binding on Borrowers and an account stated (except for reverses and reapplications of payments made and corrections of errors discovered by Agent), unless Borrower Representative notifies Agent in writing to the contrary within thirty days after such account is rendered, describing the nature of any alleged errors or omissions. However, Agent's failure to maintain the Loan Account or to provide any such accounting shall not affect the legality or binding nature of any of the Obligations. Interest, fees and other monetary Obligations due and owing under this Agreement may, in Agent's discretion, be charged to the Loan Account, and will thereafter be deemed to be Revolving Loans and will bear interest at the same rate as other Revolving Loans.

**3.5. Further Obligations; Maximum Lawful Rate**. With respect to all monetary Obligations for which the interest rate is not otherwise specified herein (whether such Obligations arise hereunder or under any other Loan Document, or otherwise), such Obligations shall bear interest at the rate(s) in effect from time to time with respect to the Revolving Loans and shall be payable upon demand by Agent. In no event shall the interest charged with respect to any Loan or any other Obligation exceed the maximum amount permitted under applicable law. Notwithstanding anything to the contrary herein or elsewhere, if at any time the rate of interest payable or other amounts hereunder or under any other Loan Document (the "***Stated Rate***") would exceed the highest rate of interest or other amount permitted under any applicable law to be charged (the "***Maximum Lawful Rate***"), then for so long as the Maximum Lawful Rate would be so exceeded, the rate of interest and other amounts payable shall be equal to the Maximum Lawful Rate; ***provided***, that if at any time thereafter the Stated Rate is less than the Maximum Lawful Rate, Borrowers shall, to the extent permitted by applicable law, continue to pay interest and such other amounts at the Maximum Lawful Rate until such time as the total interest and other such amounts received is equal to the total interest and other such amounts which would have been received had the Stated Rate been (but for the operation of this provision) the interest rate payable or such other amounts payable. Thereafter, the interest rate and such other amounts payable shall be the Stated Rate unless and until the Stated Rate again would exceed the Maximum Lawful Rate, in which event this provision shall again apply. In no event shall the total interest or other such amounts received by Agent exceed the amount which it could lawfully have received had the interest and other such amounts been calculated for the full term hereof at the Maximum Lawful Rate. If, notwithstanding the prior sentence, Agent has received interest or other such amounts hereunder in excess of the Maximum Lawful Rate, such excess amount shall be applied to the reduction of the principal balance of the Loans or to other Obligations (other than interest) payable hereunder, and if no such principal or other Obligations are then outstanding, such excess or part thereof remaining shall be paid to Borrowers. In computing interest payable with reference to the Maximum Lawful Rate applicable to any Lender, such interest shall be calculated at a daily rate equal to the Maximum Lawful Rate divided by the number of days in the year in which such calculation is made.

**3.6. Certain Provisions Regarding LIBOR Loans; Replacement of Lenders.**

(a) **Inadequate or Unfair Basis**. If Agent or any Lender reasonably determines (which determination shall be binding and conclusive on Borrowers) that, by reason of circumstances affecting the interbank Eurodollar market, adequate and reasonable means do not exist for ascertaining the applicable LIBOR Rate, then Agent or such Lender shall promptly notify Borrower Representative (and Agent, if applicable) thereof and, so long as such circumstances shall continue, (i) Agent and/or such Lender shall be under no obligation to make any LIBOR Loans and (ii) on the last day of the current calendar month, each LIBOR Loan shall, unless then repaid in full, automatically convert to a Base Rate Loan.

(b) **Change in Law**. If any change in, or the adoption of any new, law, treaty or regulation, or any change in the interpretation of any applicable law or regulation by any Governmental Authority charged with the administration thereof, would make it (or in the good faith judgment of Agent or the applicable Lender cause a substantial question as to whether it is) unlawful for Agent or such Lender to make, maintain or fund LIBOR Loans, then Agent or such Lender shall promptly notify Borrower Representative and, so long as such circumstances shall continue, (i) Agent or such Lender shall have no obligation to make any LIBOR Loan and (ii) on the last day of the current calendar month for each LIBOR Loan (or, in any event, on such earlier date as may be required by the relevant law, regulation or interpretation), such LIBOR Loan shall, unless then repaid in full, automatically convert to a Base Rate Loan.

(c) If any Borrower becomes obligated to pay additional amounts to any Lender pursuant to Section 2.7(b), or any Lender gives notice of the occurrence of any circumstances described in Section 2.7(b), or if Lender becomes a Defaulting Lender, Borrowers may designate another Person engaged in the making of commercial loans in the ordinary course of business which is acceptable to Agent in its sole discretion (such other Person being called a "***Replacement Lender***") to purchase the Loans and Commitments of such Lender and such Lender's rights hereunder, without recourse to or warranty by, or expense to, such Lender, for a purchase price equal to the outstanding principal amount of the Loans payable to such Lender plus any accrued but unpaid interest on such Loans and all accrued but unpaid fees owed to such Lender and any other amounts payable to such Lender under this Agreement, and to assume all the obligations of such Lender hereunder, and, upon such purchase and assumption (pursuant to an Assignment and Assumption), such Lender shall no longer be a party hereto or have any rights hereunder (other than rights with respect to indemnities and similar rights applicable to such Lender prior to the date of such purchase and assumption) and shall be relieved from all obligations to Borrowers hereunder, and the Replacement Lender shall succeed to the rights and obligations of such Lender hereunder.

(d) **LIBOR Discontinuation**. Notwithstanding anything contained herein to the contrary, if Agent reasonably determines after the Closing Date that the LIBOR Rate has been discontinued or is no longer available as a benchmark interest rate, Agent shall select a comparable successor rate in its reasonable discretion (in consultation with the Borrowers), which successor rate shall be applied in a manner consistent with market practice taking into account the benchmark interest rates applicable to funding sources for the Lenders, and will promptly so notify each Lender.

**4. CONDITIONS PRECEDENT.**

**4.1. Conditions to Initial Loans.**

Each Lender's obligation to fund the initial Loans under this Agreement is subject to the following conditions precedent (as well as any other conditions set forth in this Agreement or any other Loan Document), all of which must be satisfied in a manner acceptable to Agent (and as applicable, pursuant to documentation which in each case is in form and substance acceptable to Agent):

(a) each Loan Party Obligor shall have duly executed and/or delivered, or, as applicable, shall have caused such other applicable Persons to have duly executed and or delivered, to Agent such agreements, instruments, documents, proxies, financial statements, projections, lien searches, legal opinions, title insurances, assessments, appraisals, and certificates as Agent may require, including such other agreements, instruments, documents, proxies, financial statements, projections, lien searches, legal opinions, title insurance, assessments, appraisals, and certificates listed on the closing checklist attached hereto as Exhibit B;

(b) Agent shall have completed its business and legal due diligence pertaining to the Loan Parties and their respective businesses and assets, with results thereof satisfactory to Agent in its sole discretion;

(c) each Lender's obligations and commitments under this Agreement shall have been approved by such Lender's Credit Committee;

(d) after giving effect to such Loans, as well as to the payment of all trade payables older than sixty days past due and the consummation of all transactions contemplated hereby to occur on the Closing Date, closing costs and any book overdraft, Excess Availability shall be no less than $2,000,000;

(e) since December 31, 2018, no event shall have occurred which has had, or could reasonably be expected to have, a Material Adverse Effect on any Loan Party;

(f) Borrowers shall have paid to Agent all fees due on the date hereof, and shall have paid or reimbursed Agent for all of Agent's costs, charges and expenses incurred through the Closing Date (and in connection herewith, Borrowers hereby irrevocably authorizes Agent to charge such fees, costs, charges and expenses as Revolving Loans);

(g) the HHG Note shall have been funded; and

(h) Agent shall have received PDFs of the following that shall have been delivered to the Term Loan Agent: (i) original stock certificates or other certificates evidencing the Pledged Equity pledged pursuant to the Security Documents (as defined in the Term Loan Documents), together with an undated stock (or equivalent) power for each such certificate duly executed in blank by the registered owner thereof and (ii) each original promissory note pledged pursuant to the Security Documents (as defined in the Term Loan Documents), if any, together with an undated endorsement for each such promissory note duly executed in blank by the holder thereof.

**4.2. Conditions to all Loans**. No Lender shall be obligated to fund any Loans, unless the following conditions are satisfied:

(a) Borrower Representative shall have provided to Agent such information as Agent may require in order to determine the Borrowing Base (including the items set forth in Section 7.15(a), (b) and (c) (as applicable)), as of such borrowing or issue date, after giving effect to such Loans;

(b) each of the representations and warranties set forth in this Agreement and in the other Loan Documents shall be true and correct in all respects as of the date such Loan is made (or, to the extent any representations or warranties are expressly made solely as of an earlier date, such representations and warranties shall be true and correct as of such earlier date), both before and after giving effect thereto;

(c) no Default or Event of Default shall be in existence, both before and after giving effect thereto; and

(d) no event shall have occurred or circumstance shall exist that has or could reasonably be expected to have a Material Adverse Effect.

Each request (or deemed request) by Borrowers for funding of a Loan shall constitute a representation by each Borrower that the foregoing conditions are satisfied on the date of such request and on the date of such funding or issuance. As an additional condition to any funding, issuance or grant, Agent shall have received such other information, documents, instruments and agreements as it deems appropriate in connection therewith.

**5. COLLATERAL.**

**5.1. Grant of Security Interest**. To secure the full payment and performance of all of the Obligations, each Loan Party Obligor hereby assigns to Agent and grants to Agent, for itself and on behalf of the Lenders, a continuing security interest in all property of each Loan Party Obligor, whether tangible or intangible, real or personal, now or hereafter owned, existing, acquired or arising and wherever now or hereafter located, and whether or not eligible for lending purposes, including: (a) all Accounts (whether or not Eligible Accounts) and all Goods whose sale, lease or other disposition by any Loan Party Obligor has given rise to Accounts and have been returned to, or repossessed or stopped in transit by, any Loan Party Obligor; (b) all Chattel Paper (including Electronic Chattel Paper), Instruments, Documents, and General Intangibles (including all patents, patent applications, trademarks, trademark applications, trade names, trade secrets, goodwill, copyrights, copyright applications, registrations, licenses, software, franchises, customer lists, tax refund claims, claims against carriers and shippers, guaranty claims, contracts rights, payment intangibles, security interests, security deposits and rights to indemnification); (c) all Inventory (whether or not Eligible Inventory); (d) all Goods (other than Inventory), including Equipment, vehicles, and Fixtures; (e) all Investment Property, including all rights, privileges, authority, and powers of each Loan Party Obligor as an owner or as a holder of Pledged Equity, including all economic rights, all control rights, authority and powers, and all status rights of each Loan Party Obligor as a member, equity holder or shareholder, as applicable, of each Issuer and any rights related to any Loan Party Obligors' capital account within the Issuer in respect of Investment Property; (f) all Deposit Accounts, bank accounts, deposits, money and cash; (g) all Letter-of-Credit Rights; (h) all Commercial Tort Claims listed in Section 2 of the Perfection Certificate; (i) all Supporting Obligations; (j) all life insurance policies; (k) all leases; (l) any other property of any Loan Party Obligor now or hereafter in the possession, custody or control of Agent or any agent or any parent, Affiliate or Subsidiary of Agent, any Lender or any Participant with Lender in the Loans, for any purpose (whether for safekeeping, deposit, collection, custody, pledge, transmission or otherwise); and (n) all additions and accessions to, substitutions for, and replacements, products and Proceeds of the foregoing property, including proceeds of all insurance policies insuring the foregoing property (including hazard, flood and credit insurance), and all of each Loan Party Obligor's books and records relating to any of the foregoing and to any Loan Party's business.

**5.2. Possessory Collateral**. Promptly, but in any event no later than five Business Days after any Loan Party Obligor's receipt of any portion of the Collateral evidenced by an agreement, Instrument or Document that is ABL Priority Collateral, including any Tangible Chattel Paper and any Investment Property consisting of certificated securities, such Loan Party Obligor shall deliver the original thereof to Agent together with an appropriate endorsement or other specific evidence of assignment thereof to Agent (in form and substance acceptable to Agent). If an endorsement or assignment of any such items shall not be made for any reason, Agent is hereby irrevocably authorized, as attorney and agent-in-fact (coupled with an interest) for each Loan Party Obligor, to endorse or assign the same on such Loan Party Obligor's behalf. To the extent that such Collateral is Term Loan Priority Collateral, the Loan Party Obligor shall deliver copies of the Collateral delivered to the Term Loan Agent.

**5.3. Further Assurances**. Each Loan Party Obligor shall, at its own cost and expense, promptly and duly take, execute, acknowledge and deliver (or cause each other applicable Person to take, execute, acknowledge and deliver) all such further acts, documents, agreements and instruments as may from time to time be necessary or desirable or as Agent may from time to time require in order to (a) carry out the intent and purposes of the Loan Documents and the transactions contemplated thereby, (b) establish, create, preserve, protect and perfect a first priority lien (subject only to Permitted Liens) in favor of Agent in all the ABL Priority Collateral (wherever located) from time to time owned by the Loan Party Obligors and a second priority lien (subject only to Permitted Liens) in favor of Agent in all capital stock and other equity from time to time issued by the Loan Parties (including appraisals of real property in compliance with FIRREA), (c) cause each Subsidiary of any Borrower to guaranty all of the Obligations, all pursuant to documentation that is in form and substance reasonably satisfactory to Agent and (d) facilitate the collection of the Collateral. Without limiting the foregoing, each Loan Party Obligor shall, at its own cost and expense, promptly and duly take, execute, acknowledge and deliver (or cause each other applicable Person to take, execute, acknowledge and deliver) to Agent all promissory notes, security agreements, agreements with landlords, mortgagees and processors and other bailees, subordination and intercreditor agreements and other agreements, instruments and documents, in each case in form and substance reasonably acceptable to Agent, as Agent may request from time to time to perfect, protect and maintain Agent's security interests in the Collateral, including the required priority thereof, and to fully carry out the transactions contemplated by the Loan Documents.

**5.4. UCC Financing Statements**. Each Loan Party Obligor authorizes Agent to file, transmit or communicate, as applicable, from time to time, Financing Statements under the UCC and/or PPSA, along with amendments and modifications thereto, in all filing offices selected by Agent, listing such Loan Party Obligor as the Debtor and Agent as the Secured Party, and describing the collateral covered thereby in such manner as Agent may elect, including using descriptions such as "all personal property of debtor" or "all assets of debtor," or words of similar effect, in each case without such Loan Party Obligor's signature. Each Loan Party Obligor also hereby ratifies its authorization for Agent to have filed, in any filing office, any Financing Statements filed prior to the date hereof.

**5.5. Excluded Property**. Notwithstanding anything in Section 5.1 or any other provision of this Agreement or any other Loan Document, the “Collateral” shall exclude any Excluded Property; provided, if and when any Property shall cease to be Excluded Property, such Property shall be deemed, at all times from and after such date and so long as such Property of the type set forth in clauses (a) through (n) of Section 5.1 does not at any time thereafter become an Excluded Property, to constitute Collateral. For the avoidance of doubt, Excluded Property shall not include any proceeds, products, substitutions or replacements of Excluded Property (unless such proceeds, products, substitutions or replacements would otherwise constitute Excluded Property).

**6. CERTAIN PROVISIONS REGARDING ACCOUNTS, INVENTORY, COLLECTIONS AND APPLICATIONS OF PAYMENTS**. Until the Termination Date:

**6.1. Lock Boxes and Blocked Accounts**. Each Loan Party Obligor hereby represents and warrants that all Deposit Accounts and all other depositary and other accounts maintained by each Loan Party Obligor as of the Closing Date are described in Section 3 of the Perfection Certificate, which description includes for each such account the name of the Loan Party Obligor maintaining the account, the name of the financial institution at which the account is maintained, the account number and the purpose of the account. Within 45 days after the Closing Date, Section 3 of the Perfection Certificate shall be updated to reflect the new accounts and the existing accounts shall be closed. After the Closing Date, no Loan Party Obligor shall open any new Deposit Account or any other depositary or other account without the prior written consent of Agent and without updating Section 3 of the Perfection Certificate to reflect such Deposit Account or other account. No Deposit Account or other account of any Loan Party Obligor shall at any time constitute a Restricted Account other than accounts expressly indicated on Section 3 of the Perfection Certificate as being Restricted Accounts (and each Loan Party Obligor hereby represents and warrants that each such account shall at all times meet the requirements set forth in the definition of Restricted Account to qualify as a Restricted Account). Each Loan Party Obligor will, at its expense, establish (and revise from time to time as Agent may require) procedures acceptable to Agent, in Agent's sole discretion, for the collection of checks, wire transfers and all other proceeds of all of such Loan Party Obligor's Accounts and other Collateral ("Collections"), which shall include (a) directing all Account Debtors to send all Account proceeds directly to a post office box designated by Agent either in the name of such Loan Party Obligor (but as to which Agent has exclusive access) or, at Agent's option, in the name of Agent (a "***Lock Box***") and (b) depositing all Collections received by such Loan Party Obligor into one or more bank accounts maintained in the name of such Loan Party Obligor (but as to which Agent has exclusive access) or, at Agent's option, in the name of Agent (each, a "***Blocked Account***"), under an arrangement acceptable to Agent with a depository bank acceptable to Agent, pursuant to which all funds deposited into each Blocked Account are to be transferred to Agent in such manner, and with such frequency, as Agent shall specify, and/or (c) a combination of the foregoing. Each Loan Party Obligor agrees to execute, and to cause its depository banks and other account holders to execute, such Lock Box and Blocked Account control agreements and other documentation as Agent shall require from time to time in connection with the foregoing, all in form and substance acceptable to Agent, and in any event such arrangements and documents must be in place on the date hereof with respect to accounts in existence on the date hereof, or prior to any such account being opened with respect to any such account opened after the date hereof, in each case excluding Restricted Accounts. Prior to the Closing Date, Borrowers shall deliver to Agent a complete and executed Authorized Accounts form regarding each Borrower's operating account(s) into which the proceeds of Loans are to be paid in the form of Exhibit D annexed hereto.

**6.2. Application of Payments**. All amounts paid to or received by Agent in respect of monetary Obligations, from whatever source (whether from any Borrower or any other Loan Party Obligor pursuant to such other Loan Party Obligor's guaranty of the Obligations, any realization upon any Collateral or otherwise) shall be applied by Agent to the Obligations in such order as Agent may elect, and absent such election shall be applied as follows:

(i) **FIRST**, to reimburse Agent for all out-of-pocket costs and expenses, and all indemnified losses, incurred by Agent which are reimbursable to Agent in accordance with this Agreement or any of the other Loan Documents;

(ii) **SECOND**, to any accrued but unpaid interest on any Protective Advances;

(iii) **THIRD**, to the outstanding principal of any Protective Advances;

(iv) **FOURTH**, to any accrued but unpaid fees owing to Agent and Lenders under this Agreement and/or any other Loan Documents;

(v) **FIFTH**, to any unpaid accrued interest on the Obligations;

(vi) **SIXTH**, to the outstanding principal of the Loans; and

(vii) **SEVENTH**, to the payment of any other outstanding Obligations; and after payment in full in cash of all of the outstanding monetary Obligations, any further amounts paid to or received by Agent in respect of the Obligations (so long as no monetary Obligations are outstanding) shall be paid over to Borrowers or such other Person(s) as may be legally entitled thereto.

For purposes of determining the Borrowing Base, such amounts will be credited to the Loan Account and the Collateral balances to which they relate upon Agent's receipt of an advice from Agent's Bank (set forth in Section 5 of Annex I) that such items have been credited to Agent's account at Agent's Bank (or upon Agent's deposit thereof at Agent's Bank in the case of payments received by Agent in kind), in each case subject to final payment and collection. However, for purposes of computing interest on the Obligations, such items shall be deemed applied by Agent three Business Days after Agent 's receipt of advice of deposit thereof at Agent's Bank.

**6.3. Notification; Verification**. Agent or its designee may, from time to time: (a) whether or not a Default or Event of Default has occurred and is continuing, verify directly with the Account Debtors of the Loan Party Obligors (or by any manner and through any medium Agent considers advisable) the validity, amount and other matters relating to the Accounts and Chattel Paper of the Loan Party Obligors, by means of mail, telephone or otherwise, either in the name of the applicable Loan Party Obligor or Agent or such other name as Agent may choose (provided, however, that no Default or Event of Default has occurred or is continuing, Agent shall consult with Borrower Representative on the method of such verification); (b) whether or not a Default or Event of Default has occurred, notify Account Debtors of the Loan Party Obligors that Agent has a security interest in the Accounts of the Loan Party Obligors and direct such Account Debtors to make payment thereof directly to Agent; each such notification to be sent on the letterhead of such Loan Party Obligor and substantially in the form of Exhibit E annexed hereto; and (c) following the occurrence and during the continuance of a Default or Event of Default, demand, collect or enforce payment of any Accounts and Chattel Paper (but without any duty to do so) and, in furtherance of the foregoing, each Loan Party Obligor hereby authorizes Account Debtors to make payments directly to Agent and to rely on notice from Agent without further inquiry. Agent may on behalf of each Loan Party Obligor endorse all items of payment received by Agent that are payable to such Loan Party Obligor for the purposes described above.

**6.4. Power of Attorney**.

Without limiting any of Agent's and the other Lenders' other rights under this Agreement or any other Loan Document, each Loan Party Obligor hereby grants to Agent an irrevocable power of attorney, coupled with an interest, authorizing and permitting Agent (acting through any of its officers, employees, attorneys or agents), at Agent's option but without obligation, with or without notice to such Loan Party Obligor, and at each Loan Party Obligor's expense, to do any or all of the following, in such Loan Party Obligor's name or otherwise:

(a) at any time, whether or not an Event of Default has occurred or is continuing, (i) execute on behalf of such Loan Party Obligor any documents that Agent may, in its sole discretion, deem advisable in order to perfect, protect and maintain Agent's security interests, and priority thereof, in the Collateral and to fully consummate all the transactions contemplated by this Agreement and the other Loan Documents (including such Financing Statements and continuation Financing Statements, and amendments or other modifications thereto, as Agent shall deem necessary or appropriate) and to notify Account Debtors of the Loan Party Obligors in the manner contemplated by Section 6.3, (ii) endorse such Loan Party Obligor's name on all checks and other forms of remittances received by Agent, (iii) pay any sums required on account of such Loan Party Obligor's taxes or to secure the release of any Liens therefor, (iv) pay any amounts necessary to obtain, or maintain in effect, any of the insurance described in Section 7.14, (v) receive and otherwise take control in any manner of any cash or non-cash items of payment or Proceeds of Collateral, (vi) receive and open all mail addressed to such Loan Party Obligor at any post office box or lockbox maintained by Agent for such Loan Party Obligor or at any other business premises of Agent and (vii) endorse or assign to Agent on such Loan Party Obligor's behalf any portion of Collateral evidenced by an agreement, Instrument or Document if an endorsement or assignment of any such items is not made by such Loan Party Obligor pursuant to Section 5.2; and

Each Loan Party Obligor agrees that Agent's rights under the foregoing power of attorney and any of Agent's other rights under this Agreement or the other Loan Documents shall not be construed to indicate that Agent or any Lender is in control of the business, management or properties of any Loan Party Obligor.

**6.5. Disputes**. Each Loan Party Obligor shall promptly notify Agent of all disputes or claims relating to its Accounts and Chattel Paper in each case in excess of $100,000. **6.6. Invoices**. Within a reasonable time following Agent's request, each Loan Party Obligor will cause all invoices and statements that it sends to Account Debtors or other third parties to be marked and authenticated, in a manner reasonably satisfactory to Agent, to reflect Agent's security interest therein and payment instructions (including, but not limited to, in a manner to meet the requirements of Section 9-404(a)(2) of the UCC or, in the case of the Canadian Borrowers, the PPSA, as applicable).

**6.7. Inventory**.

Each Loan Party is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization (which jurisdiction is identified in Section 1(a) of the Perfection Certificate) and is qualified to do business in each jurisdiction in which the failure to be qualified would have a Material Adverse Effect. Each Loan Party has all requisite power and authority to own and operate its properties, to carry on its business as now conducted and as proposed to be conducted, to enter into the Loan Documents to which it is a party and to carry out the transactions contemplated thereby. The execution, delivery and performance by each Loan Party Obligor of this Agreement and all of the other Loan Documents to which such Loan Party Obligor is a party have been duly and validly authorized, do not violate such Loan Party Obligor's Governing Documents or any law or any material agreement or instrument or any court order which is binding upon any Loan Party or its property, do not constitute grounds for acceleration of any Indebtedness or obligation under any material agreement or instrument which is binding upon any Loan Party or its property, and do not require the consent of any Person. Agent now has, and will at all times continue to have, a second-priority perfected and enforceable security interest in all of the Collateral not constituting ABL Priority Collateral, subject only to the Permitted Liens, and each Loan Party Obligor will at all times defend Agent and such Collateral against all claims of others. Except for leases or subleases as to which Borrowers have delivered to Agent a landlord's waiver in form and substance reasonably satisfactory to Agent (unless waived by Agent in its sole discretion; ***provided***, that such waiver may be conditioned upon Agent establishing a rent or other similar Reserve satisfactory to Agent in its sole discretion), no Loan Party Obligor is or will be a lessee or sublessee under any real property lease or sublease. Except as provided in Section 6.7(b), prior to causing or permitting any Collateral to at any time be located upon premises in which any third party (including any landlord, warehouseman, or otherwise) has an interest, Borrower Representative shall notify Agent and the applicable Loan Party Obligor shall cause each such third party to execute and deliver to Agent, in form and substance reasonably acceptable to Agent, such waivers, collateral access agreements, and subordinations as Agent shall specify, so as to, among other things, ensure that Agent's rights in the Collateral are, and will at all times continue to be, superior to the rights of any such third party and that Agent has access to such Collateral. Each applicable Loan Party Obligor will keep at all times in full force and effect, and will comply at all times with all the terms of, any lease of real property where any of the Collateral now or in the future may be located.

(c) All of the Pledged Equity has been duly and validly issued and is fully paid and non-assessable, and the holders thereof are not entitled to any preemptive, first refusal or other similar rights. There are no outstanding options, warrants or similar agreements, documents, or instruments with respect to any of the Pledged Equity except in favor of the Term Loan Agent.

No Loan Party or any ERISA Affiliate has incurred any liability to the PBGC other than for the payment of premiums, and there are no premium payments which have become due that are unpaid, except as could not reasonably be expected to result in liabilities individually or in the aggregate to the Loan Parties in excess of $250,000. No Loan Party is aware of any facts or conditions that could reasonably be expected to cause or permit any of such licenses or permits to be voided, revoked or withdrawn.

**7.12. Litigation**. Section 1(e) of the Perfection Certificate discloses all claims, proceedings, litigation or investigations pending or (to the best of each Loan Party Obligor's knowledge) threatened against any Loan Party as of the Closing Date. There is no claim, suit, litigation, proceeding or investigation pending or (to the best of each Loan Party Obligor's knowledge) threatened by or against or affecting any Loan Party in any court or before any Governmental Authority (or any basis therefor known to any Loan Party Obligor) which may result, either separately or in the aggregate, in liability in excess of $500,000 (to the extent not covered by insurance) for the Loan Parties, in any Material Adverse Effect, or in any material impairment in the ability of any Loan Party to carry on its business in substantially the same manner as it is now being conducted.

(a) **Any and All Remedies**. Agent may take any and all actions and avail itself of any and all rights and remedies available to Agent under this Agreement, any other Loan Document, under law or in equity, and the rights and remedies herein and therein provided shall be cumulative and not exclusive of any rights or remedies provided by applicable law or otherwise.

(b) **Collections; Modifications of Terms**. Agent may, but shall be under no obligation to: (i) notify all appropriate parties that the Collateral, or any part thereof, has been assigned to, or is subject to a security interest in favor of, Agent; (ii) demand, sue for, collect and give receipts for and take all necessary or desirable steps to collect any Collateral or Proceeds in its or any Loan Party Obligor's name, and apply any such collections against the Obligations as Agent may elect; (iii) take control of any Collateral and any cash and non-cash Proceeds of any Collateral; (iv) enforce, compromise, extend, renew settle or discharge any rights or benefits of each Loan Party Obligor with respect to or in and to any Collateral, or deal with the Collateral as Agent may deem advisable; and (v) make any compromises, exchanges, substitutions or surrenders of Collateral Agent deems necessary or proper in its reasonable discretion, including extending the time of payment, permitting payment in installments, or otherwise modifying the terms or rights relating to any of the Collateral, all of which may be effected without notice to, consent of, or any other action of any Loan Party and without otherwise discharging or affecting the Obligations, the Collateral or the security interests granted to Agent under this Agreement or any other Loan Document.

(c) **Insurance**. Agent may file proofs of loss and claim with respect to any of the Collateral with the appropriate insurer and may endorse in its own and each Loan Party Obligor's name any checks or drafts constituting Proceeds of insurance. Any Proceeds of insurance received by Agent may be applied by Agent against payment of all or any portion of the Obligations as Agent may elect in its reasonable discretion.

(d) **Possession and Assembly of Collateral**. Agent may take possession of the Collateral. Upon Agent's request, each Loan Party Obligor shall assemble the Collateral and make it available to Agent at one or more places designated by Agent.

(e) **Set-off**. Agent may and, without any notice to, consent of or any other action by any Loan Party (such notice, consent or other action being expressly waived), set-off or apply (i) any and all deposits (general or special, time or demand, provisional or final) at any time held by or for the account of Agent or any Affiliate of Agent and (ii) any Indebtedness at any time owing by Agent or any Affiliate of Agent or any Participant in the Loans to or for the credit or the account of any Loan Party Obligor to the repayment of the Obligations, irrespective of whether any demand for payment of the Obligations has been made.

(f) **Disposition of Collateral**.

(i) ***Sale, Lease, etc. of Collateral***. Agent may, without demand, advertising or notice, all of which each Loan Party Obligor hereby waives (except as the same may be required by the UCC, PPSA, or other applicable law and is not waivable under the UCC, PPSA or such other applicable law), at any time or times in one or more public or private sales or other dispositions, for cash, on credit or otherwise, at such prices and upon such terms as determined by Agent (provided such price and terms are commercially reasonable within the meaning of the UCC or PPSA, as applicable, to the extent such sale or other disposition is subject to the UCC or PPSA requirements that such sale or other disposition must be commercially reasonable), (A) sell, lease, license or otherwise dispose of any and all Collateral and/or (B) deliver and grant options to a third party to purchase, lease, license or otherwise dispose of any and all Collateral. Agent may sell, lease, license or otherwise dispose of any Collateral in its then-present condition or following any preparation or processing deemed necessary by Agent in its reasonable discretion. Agent may be the purchaser at any such public or private sale or other disposition of Collateral, and in such case, Agent may make payment of all or any portion of the purchase price therefor by the application of all or any portion of the Obligations due to Agent to the purchase price payable in connection with such sale or disposition. Agent may, if it deems it reasonable, postpone or adjourn any sale or other disposition of any Collateral from time to time by an announcement at the time and place of the sale or disposition to be so postponed or adjourned without being required to give a new notice of sale or disposition; provided, that Agent shall provide the applicable Loan Party Obligor with written notice of the time and place of such postponed or adjourned sale or disposition. Each Loan Party Obligor hereby acknowledges and agrees that Agent's compliance with any requirements of applicable law in connection with a sale, lease, license or other disposition of Collateral will not be considered to adversely affect the commercial reasonableness of any sale, lease, license or other disposition of such Collateral.

(ii) ***Deficiency***. Each Loan Party Obligor shall remain liable for all amounts of the Obligations remaining unpaid as a result of any deficiency of the Proceeds of the sale, lease, license or other disposition of Collateral after such Proceeds are applied to the Obligations as provided in this Agreement.

(iii) ***Warranties; Sales on Credit***. Agent may sell, lease, license or otherwise dispose of the Collateral without giving any warranties and may specifically disclaim any and all warranties, including but not limited to warranties of title, possession, merchantability and fitness. Each Loan Party Obligor hereby acknowledges and agrees that Agent's disclaimer of any and all warranties in connection with a sale, lease, license or other disposition of Collateral will not be considered to adversely affect the commercial reasonableness of any such disposition of the Collateral. If Agent sells, leases, licenses or otherwise disposes of any of the Collateral on credit, Borrowers will be credited only with payments actually made in cash by the recipient of such Collateral and received by Agent and applied to the Obligations. If any Person fails to pay for Collateral acquired pursuant this Section 11.3(f) on credit, Agent may re-offer the Collateral for sale, lease, license or other disposition.

(g) **Investment Property; Voting and Other Rights; Irrevocable Proxy**.

(i) All rights of each Loan Party Obligor to exercise any of the voting and other consensual rights which it would otherwise be entitled to exercise in accordance with the terms hereof with respect to any Investment Property, and to receive any dividends, payments, and other distributions which it would otherwise be authorized to receive and retain in accordance with the terms hereof with respect to any Investment Property, shall immediately, at the election of Control Agent (without requiring any notice) cease, and all such rights shall thereupon become vested solely in Control Agent, and Control Agent (personally or through an agent) shall thereupon be solely authorized and empowered, without notice, to (A) transfer and register in its name, or in the name of its nominee, the whole or any part of the Investment Property, it being acknowledged by each Loan Party Obligor that any such transfer and registration may be effected by Control Agent through its irrevocable appointment as attorney-in-fact pursuant to Section 11.3(g)(ii) and Section 6.4, (B) exchange certificates or instruments representing or evidencing Investment Property for certificates or instruments of smaller or larger denominations, (C) exercise the voting and all other rights as a holder with respect to all or any portion of the Investment Property (including all economic rights, all control rights, authority and powers, and all status rights of each Loan Party Obligor as a member or as a shareholder (as applicable) of the Issuer), (D) collect and receive all dividends and other payments and distributions made thereon, (E) notify the parties obligated on any Investment Property to make payment to Control Agent of any amounts due or to become due thereunder, (F) endorse instruments in the name of each Loan Party Obligor to allow collection of any Investment Property, (G) enforce collection of any of the Investment Property by suit or otherwise, and surrender, release, or exchange all or any part thereof, or compromise or renew for any period (whether or not longer than the original period) any liabilities of any nature of any Person with respect thereto, (H) consummate any sales of Investment Property or exercise any other rights as set forth in Section 11.3(f), (I) otherwise act with respect to the Investment Property as though Control Agent was the outright owner thereof and (J) exercise any other rights or remedies Control Agent may have under the UCC, PPSA, other applicable law or otherwise.

(ii) EACH LOAN PARTY OBLIGOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS CONTROL AGENT AS ITS PROXY AND ATTORNEY-IN- FACT FOR SUCH LOAN PARTY OBLIGOR WITH RESPECT TO ALL OF EACH SUCH LOAN PARTY OBLIGOR'S INVESTMENT PROPERTY WITH THE RIGHT, DURING THE CONTINUANCE OF AN EVENT OF DEFAULT, WITHOUT NOTICE, TO TAKE ANY OF THE FOLLOWING ACTIONS: (A) TRANSFER AND REGISTER IN AGENT'S NAME, OR IN THE NAME OF ITS NOMINEE, THE WHOLE OR ANY PART OF THE INVESTMENT PROPERTY, (B) VOTE THE PLEDGED EQUITY, WITH FULL POWER OF SUBSTITUTION TO DO SO, (C) RECEIVE AND COLLECT ANY DIVIDEND OR ANY OTHER PAYMENT OR DISTRIBUTION IN RESPECT OF, OR IN EXCHANGE FOR, THE INVESTMENT PROPERTY OR ANY PORTION THEREOF, TO GIVE FULL DISCHARGE FOR THE SAME AND TO INDORSE ANY INSTRUMENT MADE PAYABLE TO ANY LOAN PARTY OBLIGOR FOR THE SAME, (D) EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES, AND REMEDIES (INCLUDING ALL ECONOMIC RIGHTS, ALL CONTROL RIGHTS, AUTHORITY AND POWERS, AND ALL STATUS RIGHTS OF EACH LOAN PARTY OBLIGOR AS A MEMBER OR AS A SHAREHOLDER (AS APPLICABLE) OF THE ISSUER) TO WHICH A HOLDER OF THE PLEDGED COLLATERAL WOULD BE ENTITLED (INCLUDING, WITH RESPECT TO THE PLEDGED EQUITY, GIVING OR WITHHOLDING WRITTEN CONSENTS OF MEMBERS OR SHAREHOLDERS, CALLING SPECIAL MEETINGS OF MEMBERS OR SHAREHOLDERS, AND VOTING AT SUCH MEETINGS), AND (E) TAKE ANY ACTION AND TO EXECUTE ANY INSTRUMENT WHICH AGENT MAY DEEM NECESSARY OR ADVISABLE TO ACCOMPLISH THE PURPOSES OF THIS AGREEMENT. THE APPOINTMENT OF CONTROL AGENT AS PROXY AND ATTORNEY-IN-FACT IS COUPLED WITH AN INTEREST AND SHALL BE VALID AND IRREVOCABLE UNTIL (x) ALL OF THE OBLIGATIONS HAVE BEEN INDEFEASIBLY PAID IN FULL IN CASH IN ACCORDANCE WITH THE PROVISIONS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, (y) CONTROL AGENT AND THE LENDERS HAVE NO FURTHER OBLIGATIONS UNDER THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, AND (z) THE COMMITMENTS UNDER THIS AGREEMENT HAVE EXPIRED OR HAVE BEEN TERMINATED (IT BEING UNDERSTOOD AND AGREED THAT SUCH OBLIGATIONS WILL BE AUTOMATICALLY REINSTATED IF AT ANY TIME PAYMENT, IN WHOLE OR IN PART, OF ANY OF THE OBLIGATIONS IS RESCINDED OR MUST OTHERWISE BE RESTORED OR RETURNED BY CONTROL AGENT OR ANY LENDER FOR ANY REASON WHATSOEVER, INCLUDING AS A PREFERENCE, FRAUDULENT CONVEYANCE, OR OTHERWISE UNDER ANY BANKRUPTCY, INSOLVENCY, OR SIMILAR LAW, ALL AS THOUGH SUCH PAYMENT HAD NOT BEEN MADE; IT BEING FURTHER UNDERSTOOD THAT IN THE EVENT PAYMENT OF ALL OR ANY PART OF THE OBLIGATIONS IS RESCINDED OR MUST BE RESTORED OR RETURNED, ALL REASONABLE OUT-OF-POCKET COSTS AND EXPENSES (INCLUDING ALL REASONABLE INTERNAL AND EXTERNAL ATTORNEYS' FEES AND DISBURSEMENTS) INCURRED BY CONTROL AGENT AND THE LENDERS IN DEFENDING AND ENFORCING SUCH REINSTATEMENT SHALL HEREBY BE DEEMED TO BE INCLUDED AS A PART OF THE OBLIGATIONS). SUCH APPOINTMENT OF CONTROL AGENT AS PROXY AND AS ATTORNEY-IN-FACT SHALL BE VALID AND IRREVOCABLE AS PROVIDED HEREIN NOTWITHSTANDING ANY LIMITATIONS TO THE CONTRARY SET FORTH IN ANY GOVERNING DOCUMENTS OF ANY LOAN PARTY OBLIGOR, ANY ISSUER, OR OTHERWISE.

(iii) In order to further effect the foregoing transfer of rights in favor of Control Agent, during the continuance of an Event of Default, each Loan Party Obligor hereby authorizes and instructs each Issuer of Investment Property pledged by such Loan Party Obligor to comply with any instruction received by such Issuer from Control Agent without any other or further instruction from such Loan Party Obligor, and each Loan Party Obligor acknowledges and agrees that each Issuer shall be fully protected in so complying, and to pay any dividends, distributions, or other payments with respect to any of the Investment Property directly to Control Agent.

(iv) Upon exercise of the proxy set forth herein, all prior proxies given by any Loan Party Obligor with respect to any of the Pledged Equity or other Investment Property, other than to Control Agent, are hereby revoked, and no subsequent proxies, other than to Control Agent will be given with respect to any of the Pledged Equity or any of the other Investment Property unless Control Agent otherwise subsequently agrees in writing. Control Agent, as proxy, will be empowered and may exercise the irrevocable proxy to vote the Pledged Equity and the other Investment Property at any and all times during the existence of an Event of Default, including, at any meeting of shareholders or members, as the case may be, however called, and at any adjournment thereof, or in any action by written consent, and may waive any notice otherwise required in connection therewith. To the fullest extent permitted by applicable law, Control Agent shall have no agency, fiduciary or other implied duties to any Loan Party Obligor, any Issuer, any Loan Party or any other Person when acting in its capacity as such proxy or attorney-in-fact. Each Loan Party Obligor hereby waives and releases any claims that it may otherwise have against Control Agent with respect to any breach, or alleged breach, of any such agency, fiduciary or other duty.

(v) Any transfer to Control Agent or its nominee, or registration in the name of Agent or its nominee, of the whole or any part of the Investment Property shall be made solely for purposes of effectuating voting or other consensual rights with respect to the Investment Property in accordance with the terms of this Agreement and is not intended to effectuate any transfer of ownership of any of the Investment Property. Notwithstanding the delivery by Control Agent of any instruction to any Issuer or any exercise by Control Agent of an irrevocable proxy or otherwise, Control Agent shall not be deemed the owner of, or assume any obligations or any liabilities whatsoever of the owner or holder of, any Investment Property unless and until Agent expressly accepts such obligations in a duly authorized and executed writing and agrees in writing to become bound by the applicable Governing Documents or otherwise becomes the owner thereof under applicable law (including through a sale as described in Section 11.3(f)). The execution and delivery of this Agreement shall not subject Control Agent to, or transfer or pass to Control Agent, or in any way affect or modify, the liability of any Loan Party Obligor under the Governing Documents of any Issuer or any related agreements, documents, or instruments or otherwise. In no event shall the execution and delivery of this Agreement by Control Agent, or the exercise by Control Agent of any rights hereunder or assigned hereby, constitute an assumption of any liability or obligation whatsoever of any Loan Party Obligor to, under, or in connection with any of the Governing Documents of any Issuer or any related agreements, documents, or instruments or otherwise.

(vi) Compliance with the Securities Act as now in effect or as hereafter amended, or any similar statute hereafter adopted with similar purpose or effect, as well as any applicable "Blue Sky" or other state securities laws, if applicable to the Collateral or the portion thereof being sold, may require strict limitations as to the manner in which the Control Agent or any subsequent transferee may dispose of the Collateral. With respect to any disposition as to which the Securities Act or analogous state securities laws is applicable, each Loan Party Obligor hereby waives any objection to sale in a compliant manner, and agrees that the Control Agent has no obligation to obtain the maximum possible price for the Collateral so long as the Agent proceeds in a commercially reasonable manner. Without limiting the generality of the foregoing, each Loan Party Obligor agrees that in conducting a disposition of the Collateral as to which the Securities Act or analogous state securities laws applies, Control Agent may seek to sell the Collateral by private placement, and may restrict bidders and prospective purchasers to those who are willing to represent that they are purchasing for investment only and not for distribution and who otherwise satisfy qualifications designed to ensure compliance with the Securities Act and analogous state securities laws and those that may be established in the Issuer's Governing Documents. Each Loan Party Obligor acknowledges that in order to protect Control Agent's interest, it may be necessary to sell the Collateral at a price less than the maximum price attainable if a sale were delayed or were made in another manner, including a public offering under the Securities Act. In order to address these potential compliance requirements, Control Agent may solicit offers to purchase the Collateral from a limited number of bidders reasonably believed by Control Agent to be institutional investors or accredited investors. If Agent solicits offers in a commercially reasonable manner, then acceptance by Control Agent of one or more of the offers shall be deemed to be a commercially reasonable method of disposition of the Collateral and Control Agent will not be responsible or liable for selling all or any portion of the Collateral at a price that Control Agent deems in good faith to be reasonable. Control Agent is under no obligation to delay a disposition of any portion of the Collateral that are securities under the Securities Act or applicable "Blue Sky" or other state securities law for the period of time necessary to permit any Loan Party Obligor or the Issuer to register the securities for public sale under the Securities Act or under applicable "Blue Sky" or other state securities laws, even if a Loan Party Obligor or the Issuer agrees to do so. In addition, to the extent not prohibited by applicable law, each Loan Party Obligor waives any right to prior notice (except to the extent expressly provided in this Agreement) or judicial hearing in connection with the taking possession or the disposition of any of the Collateral, including any right which Loan Party Obligor otherwise would have.

(vii) To the extent permitted under applicable law, Control Agent is not required to conduct any foreclosure sale of the Investment Property or any portion thereof.

(viii) Control Agent, at its option, may obtain the appointment of a receiver to take possession of the Investment Property and, at the option of Control Agent, a receiver may be empowered (i) to collect, receive and enforce all distributions, (ii) to exercise the rights of Control Agent as provided in this Agreement, (iii) to collect all other amounts owed to any Loan Party Obligor in respect of the Investment Property as and when due to any Loan Party Obligor, (iv) to otherwise collect, sell or dispose of the Investment Property, (v) to exercise all rights in and under the Investment Property; and (vi) to turn over all net proceeds to Control Agent. Each Loan Party Obligor irrevocably and unconditionally agrees that a receiver may be appointed by a court to take the actions listed above without regard to the adequacy of the security for the Obligations, and the actions of the receiver may be taken in the name of the receiver, any Loan Party Obligor or Control Agent.

(ix) Control Agent may elect to conduct a sale of an economic interest in any Investment Property constituting limited liability company interests that does not result in the purchaser being admitted as a substitute limited liability company member in the Issuer, and that any sale or dispositions made in good faith will be considered commercially reasonable, notwithstanding the possibility that a substantially higher price might be realized if the purchaser were able to be admitted as a substitute limited liability company member rather than the holder of only an economic interest in the Issuer.

(x) Control Agent may disclose to prospective purchasers all of the information relating to the Investment Property (and the applicable Issuer) that is in the Agent's possession or otherwise available to the Control Agent.

(xi) Each Loan Party Obligor hereby authorizes and instructs their respective Issuer to comply with any instruction received by it from Control Agent in writing that (i) states that an Event of Default has occurred and is continuing and (ii) is otherwise in accordance with the terms of the provisions of the this Agreement, the Loan documents or Term Loan Documents as to Investment Property, without any other or further instructions from the respective Loan Party Obligor, and such Loan Party Obligor agrees that Issuer be fully protected in so complying.

(h) **Election of Remedies.** Agent shall have the right in Agent's sole discretion to determine which rights, security, Liens or remedies Agent may at any time pursue, foreclose upon, relinquish, subordinate, modify or take any other action with respect to, without in any way impairing, modifying or affecting any of Agent's other rights, security, Liens or remedies with respect to any Collateral or any of Agent's rights or remedies under this Agreement or any other Loan Document.

(i) **Agent's Obligations.** Each Loan Party Obligor agrees that Agent shall not have any obligation to preserve rights to any Collateral against prior parties or to marshal any Collateral of any kind for the benefit of any other creditor of any Loan Party Obligor or any other Person. Agent shall not be responsible to any Loan Party Obligor or any other Person for loss or damage resulting from Agent's failure to enforce its Liens or collect any Collateral or Proceeds or any monies due or to become due under the Obligations or any other liability or obligation of any Loan Party Obligor to Agent.

(j) **Waiver of Rights by Loan Party Obligors.** Except as otherwise expressly provided for in this Agreement or by non-waivable applicable law, each Loan Party waives (i) presentment, demand and protest and notice of presentment, dishonor, notice of intent to accelerate, notice of acceleration, protest, default, nonpayment, maturity, release, compromise, settlement, extension or renewal of any or all commercial paper, accounts, contract rights, documents, instruments, chattel paper and guaranties at any time held by Agent on which any Loan Party Obligor may in any way be liable, and hereby ratifies and confirms whatever Agent may do in this regard, (ii) all rights to notice and a hearing prior to Agent's taking possession or control of, or to Agent's replevy, attachment or levy upon, the Collateral or any bond or security which might be required by any court prior to allowing Agent to exercise any of its remedies and (iii) the benefit of all valuation, appraisal, marshaling and exemption laws. If any notice of a proposed sale or other disposition of any part of the Collateral is required under applicable law, each Loan Party Obligor agrees that ten (10) calendar days prior notice of the time and place of any public sale and of the time after which any private sale or other disposition is to be made is commercially reasonable.

**12. LOAN GUARANTY.**

**12.1. Guaranty**. Each Loan Party Obligor hereby agrees that it is jointly and severally liable for, and absolutely and unconditionally guaranties to Agent, for the ratable benefit of the Lenders, the prompt payment when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, all of the Obligations and all costs and expenses, including all court costs and attorneys' and paralegals' fees (including internal and external counsel and paralegals) and expenses of Agent or any Lender in endeavoring to collect all or any part of the Obligations from, or in prosecuting any action against, any Borrower, any Loan Party Obligor or any Other Obligor of all or any part of the Obligations (and such costs and expenses paid or incurred shall be deemed to be included in the Obligations). Each Loan Party Obligor further agrees that the Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guaranty notwithstanding any such extension or renewal. All terms of this Loan Guaranty apply to and may be enforced by or on behalf of any branch or Affiliate of Agent that extended any portion of the Obligations.

**12.2. Guaranty of Payment**. This Loan Guaranty is a guaranty of payment and not of collection. Each Loan Party Obligor waives any right to require Agent to sue or otherwise take action against any Borrower, any other Loan Party Obligor, any Other Obligor, or any other Person obligated for all or any part of the Obligations, or otherwise to enforce its payment against any Collateral securing all or any part of the Obligations.

**12.3. No Discharge or Diminishment of Loan Guaranty**.

(a) Except as otherwise expressly provided for herein, the obligations of each Loan Party Obligor hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full in cash of all of the Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Borrower or any Obligor; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Borrower or any Obligor or their respective assets or any resulting release or discharge of any obligation of any Borrower or any Obligor; or (iv) the existence of any claim, setoff or other rights which any Loan Party Obligor may have at any time against any Borrower, any Obligor, Agent, or any other Person, whether in connection herewith or in any unrelated transactions.

(b) The obligations of each Loan Party Obligor hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Obligations or otherwise, or any provision of applicable law or regulation purporting to prohibit payment by any Borrower or any Obligor of the Obligations or any part thereof.

(c) Further, the obligations of any Loan Party Obligor hereunder shall not be discharged or impaired or otherwise affected by: (i) the failure of Agent to assert any claim or demand or to enforce any remedy with respect to all or any part of the Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Obligations; (iii) any release, non-perfection or invalidity of any indirect or direct security for all or any part of the Obligations or all or any part of any obligations of any Obligor; (iv) any action or failure to act by Agent with respect to any Collateral; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Loan Party Obligor or that would otherwise operate as a discharge of any Loan Party Obligor as a matter of law or equity (other than the indefeasible payment in full in cash of all of the Obligations).

**12.4. Defenses Waived**. To the fullest extent permitted by applicable law, each Loan Party Obligor hereby waives any defense based on or arising out of any defense of any Loan Party Obligor or the unenforceability of all or any part of the Obligations from any cause, or the cessation from any cause of the liability of any Loan Party Obligor, other than the indefeasible payment in full in cash of all of the Obligations. Without limiting the generality of the foregoing, each Loan Party Obligor irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Borrower, any Obligor, or any other Person. Each Loan Party Obligor confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. Agent may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any Collateral, compromise or adjust any part of the Obligations, make any other accommodation with any Borrower or any Obligor or exercise any other right or remedy available to it against any Borrower or any Obligor, without affecting or impairing in any way the liability of any Loan Party Obligor under this Loan Guaranty except to the extent the Obligations have been fully and indefeasibly paid in cash. To the fullest extent permitted by applicable law, each Loan Party Obligor waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Loan Party Obligor against any Borrower or any Obligor or any security.

**12.5. Rights of Subrogation**. No Loan Party Obligor will assert any right, claim or cause of action, including a claim of subrogation, contribution or indemnification that it has against any Borrower or any Obligor, or any Collateral, until the Termination Date.

**12.6. Reinstatement; Stay of Acceleration**. If at any time any payment of any portion of the Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of any Borrower or any other Person, or otherwise, each Loan Party Obligor's obligations under this Loan Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not Agent is in possession of this Loan Guaranty. If acceleration of the time for payment of any of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Obligations shall nonetheless be payable by the Loan Party Obligors forthwith on demand by Agent. This Section 12.6 shall remain operative even after the Termination Date and shall survive the payment in full of all of the Loans.

**12.7. Information**. Each Loan Party Obligor assumes all responsibility for being and keeping itself informed of each Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that each Loan Party Obligor assumes and incurs under this Loan Guaranty, and agrees that Agent shall not have any duty to advise any Loan Party Obligor of information known to it regarding those circumstances or risks.

**12.8.** **Termination**. To the maximum extent permitted by law, each Loan Party Obligor hereby waives any right to revoke this Loan Guaranty as to future Obligations. If such a revocation is effective notwithstanding the foregoing waiver, each Loan Party Obligor acknowledges and agrees that (a) no such revocation shall be effective until written notice thereof has been received by Agent, (b) no such revocation shall apply to any Obligations in existence on the date of receipt by Agent of such written notice (including any subsequent continuation, extension, or renewal thereof, or change in the interest rate, payment terms or other terms and conditions thereof), (c) no such revocation shall apply to any Obligations made or created after such date to the extent made or created pursuant to a legally binding commitment of Agent, (d) no payment by any Borrower, any other Loan Party Obligor, or from any other source, prior to the date of Agent's receipt of written notice of such revocation shall reduce the maximum obligation of any Loan Party Obligor hereunder and (e) any payment, by any Borrower or from any source other than a Loan Party Obligor which has made such a revocation, made subsequent to the date of such revocation, shall first be applied to that portion of the Obligations as to which the revocation is effective and which are not, therefore, guarantied hereunder, and to the extent so applied shall not reduce the maximum obligation of any Loan Party Obligor hereunder.

**12.9.** **Maximum Liability**. The provisions of this Loan Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Loan Party Obligor under this Loan Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Loan Party Obligor's liability under this Loan Guaranty, then, notwithstanding any other provision of this Loan Guaranty to the contrary, the amount of such liability shall, without any further action by the Loan Party Obligors, Agent or any Lender, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Loan Party Obligor's "***Maximum Liability***"). This Section 12.9 with respect to the Maximum Liability of each Loan Party Obligor is intended solely to preserve the rights of Agent and the Lenders to the maximum extent not subject to avoidance under applicable law, and no Loan Party Obligor or any other Person shall have any right or claim under this Section with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Loan Party Obligor hereunder shall not be rendered voidable under applicable law. Each Loan Party Obligor agrees that the Obligations may at any time and from time to time exceed the Maximum Liability of each Loan Party Obligor without impairing this Loan Guaranty or affecting the rights and remedies of Agent hereunder; provided, that nothing in this sentence shall be construed to increase any Loan Party Obligor's obligations hereunder beyond its Maximum Liability.

**12.10.** **Contribution**. In the event any Loan Party Obligor shall make any payment or payments under this Loan Guaranty or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Loan Guaranty (such Loan Party Obligor a "***Paying Guarantor***"), each other Loan Party Obligor (each a "***Non-Paying Guarantor***") shall contribute to such Paying Guarantor an amount equal to such Non-Paying Guarantor's "***Applicable Percentage***" of such payment or payments made, or losses suffered, by such Paying Guarantor. For purposes of this Section 12.10, each Non-Paying Guarantor's "***Applicable Percentage***" with respect to any such payment or loss by a Paying Guarantor shall be determined as of the date on which such payment or loss was made by reference to the ratio of (x) such Non-Paying Guarantor's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Guarantor's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Guarantor from any Borrower after the date hereof (whether by loan, capital infusion or by other means) to (y) the aggregate Maximum Liability of all Loan Party Obligors hereunder (including such Paying Guarantor) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Loan Party Obligor, the aggregate amount of all monies received by such Loan Party Obligors from any Borrower after the date hereof (whether by loan, capital infusion or by other means). Nothing in this provision shall affect any Loan Party Obligor's several liability for the entire amount of the Obligations (up to such Loan Party Obligor's Maximum Liability). Each of the Loan Party Obligors covenants and agrees that its right to receive any contribution under this Loan Guaranty from a Non-Paying Guarantor shall be subordinate and junior in right of payment to the payment in full in cash of all of the Obligations. This provision is for the benefit of Agent and the Lenders and the Loan Party Obligors and may be enforced by any one, or more, or all of them, in accordance with the terms hereof.

**12.11. Liability Cumulative**. The liability of each Loan Party Obligor under this Section 12 is in addition to and shall be cumulative with all liabilities of each Loan Party Obligor to Agent and the Lenders under this Agreement and the other Loan Documents to which such Loan Party Obligor is a party or in respect of any obligations or liabilities of the other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

**12.12. Miscellaneous**. Each of the Loan Party Obligors hereby acknowledges and affirms that it understands that to the extent the Obligations are secured by Real Property located in California, Loan Party Obligors shall be liable for the full amount of the liability hereunder notwithstanding the foreclosure on such Real Property by trustee sale or any other reason impairing such Guarantor's right to proceed against any Loan Party. In accordance with Section 2856 of the California Civil Code or any similar laws of any other applicable jurisdiction, each of the Loan Party Obligors hereby waives until such time as the Obligations have been paid in full:

(1) all rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to the Loan Party Obligors by reason of Sections 2787 to 2855, inclusive, 2899, and 3433 of the California Civil Code or any similar laws of any other applicable jurisdiction;

(2) all rights and defenses that the Loan Party Obligors may have because the Obligations are secured by Real Property located in California, meaning, among other things, that: (A) Agent and the other Lenders may collect from the Loan Party Obligors without first foreclosing on any real or personal property collateral pledged by any Borrower or any other Grantor, and (B) if Agent, on behalf of the Lenders, forecloses on any Real Property collateral pledged by any Borrower or any other Grantor, (1) the amount of the Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (2) the Agent and Lenders may collect from the Loan Party Obligors even if, by foreclosing on the Real Property collateral, Agent or the other Lenders have destroyed or impaired any right the Loan Party Obligors may have to collect from any other Grantor, it being understood that this is an unconditional and irrevocable waiver of any rights and defenses the Loan Party Obligors may have because the Obligations are secured by Real Property (including, without limitation, any rights or defenses based upon Sections 580a, 580d, or 726 of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction); and

(3) all rights and defenses arising out of an election of remedies by Agent or the other Lenders, even though that election of remedies, such as a non-judicial foreclosure with respect to security for the Obligations, has destroyed Loan Party Obligors' rights of subrogation and reimbursement against any Grantor by the operation of Section 580d of the California Code of Civil Procedure or any similar laws of any other applicable jurisdiction or otherwise.

The provisions in this Section 12.12 which refer to certain sections of the California Civil Code or the California Code of Civil Procedure are included in this Guaranty solely out of an abundance of caution and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Guaranty.

**13. PAYMENTS FREE OF TAXES; OBLIGATION TO WITHHOLD; PAYMENTS ON ACCOUNT OF TAXES.**

(a) Any and all payments by or on account of any obligation of the Loan Party Obligors hereunder or under any other Loan Document shall to the extent permitted by applicable laws be made free and clear of and without reduction or withholding for any Taxes. If, however, applicable laws require the Loan Party Obligors to withhold or deduct any Tax, such Tax shall be withheld or deducted in accordance with such laws as the case may be, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(b) If any Loan Party Obligor shall be required by applicable law to withhold or deduct any Taxes from any payment, then (i) such Loan Party Obligor shall withhold or make such deductions as are required based upon the information and documentation it has received pursuant to subsection (e) below, (ii) such Loan Party Obligor shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the applicable law and (iii) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the Loan Party Obligors shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section) the Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made. Upon request by Agent or other Recipient, Borrower Representative shall deliver to Agent or such other Recipient, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment of Indemnified Taxes, a copy of any return required by applicable law to report such payment or other evidence of such payment reasonably satisfactory to Agent or such other Recipient, as the case may be.

(c) Without limiting the provisions of subsections (a) and (b) above, the Loan Party Obligors shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(d) Without limiting the provisions of subsections (a) through (c) above, each Loan Party Obligor shall, and does hereby, on a joint and several basis, indemnify Agent, each Lender and each other Recipient (and their respective directors, officers, employees, affiliates and agents) and shall make payment in respect thereof within ten days after demand therefor, for the full amount of any Indemnified Taxes and Other Taxes (including Indemnified Taxes and Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid or incurred by Agent, any Lender or any other Recipient on account of, or in connection with any Loan Document or a breach by a Loan Party Obligor thereof, and any penalties, interest and related expenses and losses arising therefrom or with respect thereto (including the fees, charges and disbursements of any internal or external counsel or other tax advisor for Agent, any Lender or any other Recipient (or their respective directors, officers, employees, affiliates, and agents)), whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of any such payment or liability delivered to Borrower Representative shall be conclusive absent manifest error. Notwithstanding any provision in this Agreement to the contrary, this Section 13 shall remain operative even after the Termination Date and shall survive the payment in full of all of the Loans.

(e) Each Lender shall deliver to Borrower Representative and each Lender and each Participant shall deliver to Agent, at the time or times prescribed by applicable laws, such properly completed and executed documentation prescribed by applicable laws or by the taxing authorities of any jurisdiction and such other reasonably requested information as will permit Borrower Representative or Agent, as the case may be, to determine (x) whether or not payments made hereunder or under any other Loan Document are subject to Taxes, (y) if applicable, the required rate of withholding or deduction and (z) such Lender's or Participant's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of all payments to be made to such Recipient by the Loan Party Obligors pursuant to this Agreement or otherwise to establish such Recipient's status for withholding tax purposes in the applicable jurisdiction; ***provided***, that each Recipient shall only be required to deliver such documentation as it may legally provide. Without limiting the generality of the foregoing, if a Borrower is resident for tax purposes in the United States:

(i) each Lender (or Participant) that is a "***United States person***" within the meaning of Section 7701(a)(30) of the Code shall deliver to Borrower Representative and Agent (or any Lender granting a participation as applicable) an executed original of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable law or reasonably requested by Borrower Representative or Agent (or Lender granting a participation) as will enable Borrower Representative or Agent (or Lender granting a participation) as the case may be, to determine whether or not such Lender (or Participant) is subject to backup withholding or information reporting requirements under the Code;

(ii) each Lender (or Participant) that is not a "***United States person***" within the meaning of Section 7701(a)(30) of the Code (a "***Non-U.S. Recipient***") shall deliver to Borrower Representative and Agent (or any Lender granting a participation in case the Non-U.S. Recipient is a Participant) on or prior to the date on which such Non-U.S. Person becomes a party to this Agreement or a Participant (and from time to time thereafter upon the reasonable request of Borrower Representative or Agent but only if such Non-U.S. Recipient is legally entitled to do so), whichever of the following is applicable: (A) executed originals of Internal Revenue Service Form W-8BEN claiming eligibility for benefits of an income tax treaty to which the United States is a party; (B) executed originals of Internal Revenue Service Form W-8ECI; (C) executed originals of Internal Revenue Service Form W-8IMY and all required supporting documentation; (D) each Non-U.S. Recipient claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, shall provide (x) a certificate to the effect that such Non-U.S. Recipient is not (1) a "***bank***" within the meaning of section 881(c)(3)(A) of the Code, (2) a "***10 percent shareholder***" of Borrowers within the meaning of section 881(c)(3)(B) of the Code, or (3) a "***controlled foreign corporation***" described in section 881(c)(3)(C) of the Code and (y) executed originals of Internal Revenue Service Form W- 8BEN; and/or (E) executed originals of any other form prescribed by applicable law (including FATCA) as a basis for claiming exemption from or a reduction in United States Federal withholding tax together with such supplementary documentation as may be prescribed by applicable law to permit Borrower Representative or Agent to determine the withholding or deduction required to be made. Each Non-U.S. Recipient shall promptly notify Borrower Representative and Agent (or any Lender granting a participation if the Non-U.S. Recipient is a Participant) of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

## 14. AGENT

**14.1. Appointment**. Each of the Lenders hereby irrevocably appoints Agent as its agent and authorizes Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, Agent shall have the sole and exclusive authority to (a) act as the disbursing and collecting agent for Lenders with respect to all payments and collections arising in connection with the Loan Documents; (b) execute and deliver as Agent, each Loan Document, including any intercreditor or subordination agreement, and accept delivery of each Loan Document; (c) make Loans, for itself or on behalf of Lenders, as provided in the Loan Documents, (d) act as collateral agent for Lenders for purposes of perfecting and administering Liens under the Loan Documents, and for all other purposes stated therein and execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents; (e) manage, supervise or otherwise deal with Collateral; (f) exclusively receive, apply, and distribute payments and proceeds of the Collateral as provided in the Loan Documents, (g) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents, (h) take any Enforcement Action or otherwise exercise any rights or remedies with respect to any Collateral or under any Loan Documents, applicable law or otherwise, including the determination of eligibility of Accounts and Inventory, the necessity and amount of Reserves and all other determinations and decisions relating to ordinary course administration of the credit facilities contemplated hereunder; and (i) incur and pay such expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents, whether or not any Loan Party is obligated to reimburse Agent or Lenders for such expenses pursuant to the Loan Documents or otherwise. The provisions of this Article are solely for the benefit of Agent and the Lenders, and the Loan Parties shall not have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" as used herein or in any other Loan Documents (or any similar term) with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

**14.2. Rights as a Lender**. The Person serving as Agent hereunder, if it is a Lender, shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not Agent, and such Person and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with any Loan Party or any Subsidiary or any Affiliate thereof as if it were not Agent hereunder without notice to or consent of the other Lenders.

**14.3. Duties and Obligations**. Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that Agent is required to exercise as directed in writing by the Required Lenders, and, (c) except as expressly set forth in the Loan Documents, Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any Subsidiary that is communicated to or obtained by the Person serving as Agent or any of its Affiliates in any capacity. Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders or in the absence of its own gross negligence or willful misconduct as determined by a final nonappealable judgment of a court of competent jurisdiction. Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to Agent by a Borrower or a Lender, and Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the ABL Priority Collateral or the existence of the ABL Priority Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to bedelivered to Agent. Agent shall be under no obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of any Loan Party.

**14.4. Reliance**. Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. Agent may consult with and employ Agent Professionals, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by an Agent Professional (who may be counsel for any Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document, unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

**14.5. Actions through Sub-Agents**. Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by Agent. Agent may also perform its duties through employees and other Agent-Related Persons. Agent shall not be responsible for the negligence or misconduct of any sub-agent, employee or Agent Professional that it selects as long as such selection was made without gross negligence or willful misconduct. Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Affiliates and other related parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the related parties of Agent and any such sub- agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

**14.6. Resignation**. Subject to the appointment and acceptance of a successor Agent as provided in this paragraph, Agent may resign at any time by notifying the Lenders and Borrower Representative. Upon any such resignation, the Required Lenders shall have the right, in consultation with Borrower Representative, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent. Upon the acceptance of its appointment as Agent hereunder by its successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by Borrowers to a successor Agent shall be the same as those payable to its predecessor, unless otherwise agreed by Borrower Representative and such successor. Notwithstanding the foregoing, in the event no successor Agent shall have been so appointed and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its intent to resign, the retiring Agent may give notice of the effectiveness of its resignation to the Lenders and Borrower Representative, whereupon, on the date of effectiveness of such resignation stated in such notice, (a) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents, provided that, solely for purposes of maintaining any security interest granted to the Agent under any Loan Document for the benefit of the Lenders, the retiring Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Lenders and, in the case of any Collateral in the possession of Agent, shall continue to hold such Collateral, in each case until such time as a successor Agent is appointed and accepts such appointment in accordance with this paragraph (it being understood and agreed that the retiring Agent shall have no duly or obligation to take any further action under any Loan Document, including any action required to maintain the perfection of any such security interest), and (b) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, provided that (i) all payments required to be made hereunder or under any other Loan Document to the Agent for the account of any Person other than Agent shall be made directly to such Person and (ii) all notices and other communications required or contemplated to be given or made to Agent shall also directly be given or made to each Lender. Following the effectiveness of the Agent's resignation from its capacity as such, the provisions of this Article, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective related parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent and in respect of the matters referred to in the proviso under clause (a) above.

**14.7. Non-Reliance.**

(a) Each Lender acknowledges and agrees that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of Borrowers and their respective Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender. Each Lender further acknowledges the extensions of credit made hereunder are commercial loans and not investments in a business enterprise or securities. Each Lender further represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and has, independently and without reliance upon any Agent-Related Person, any arranger of this credit facility or any amendment thereto or any other Lender and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of any Borrower or any other Person party to a Loan Document, and all applicable laws relating to the transactions contemplated hereby, and made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender shall, independently and without reliance upon any Agent-Related Person, any arranger of this credit facility or any amendment thereto or any other Lender and based on such documents and information (which may contain material, non- public information within the meaning of the United States securities laws concerning any Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own credit analysis and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder , and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of any Borrower or any other Person party to a Loan Document and in deciding whether or to the extent to which it will continue as a Lender or assign or otherwise transfer its rights, interests and obligations hereunder. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-Related Persons. Each Lender acknowledges that Agent does not have any duty or responsibility, either initially or on a continuing to provide such Lender with any credit or other information with respect to any Borrower, its Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent's or its Affiliates' or representatives' possession before or after the date on which such Lender became a party to this Agreement.

(b) Each Lender hereby agrees that (i) it has requested a copy of each appraisal, audit or field examination report prepared by or on behalf of Agent; (ii) Agent (A) makes no representation or warranty, express or implied, as to the completeness or accuracy of any such report or any of the information contained therein or any inaccuracy or omission contained in or relating to any such report and (B) shall not be liable for any information contained in any such report; (iii) such reports are not comprehensive audits or examinations, and that any Person performing any field examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel and that Agent undertakes no obligation to update, correct or supplement such reports; (iv) it will keep all such reports confidential and strictly for its internal use, not share any such report with any Loan Party or any other Person except as otherwise permitted pursuant to this Agreement; and (v) without limiting the generality of any other indemnification provision contained in this Agreement, (A) it will hold Agent and any such other Person preparing any such report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any such report in connection with any extension of credit that the indemnifying Lender has made or may make to any Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans; and (B) it will pay and protect, and indemnify, defend, and hold Agent and any such other Person preparing any such report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorneys' fees of both internal and external counsel) of Agent or any such other Person as the direct or indirect result of any third parties who might obtain all or part of any such report through the indemnifying Lender.

**14.8. Not Partners or Co-Venturers; Agent as Representative of the Secured Parties**.

(a) The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in the case of Agent) authorized to act for, any other Lender. Agent shall have the exclusive right on behalf of the Lenders to enforce the payment of the principal of and interest on any Loan after the date such principal or interest has become due and payable pursuant to the terms of this Agreement.

(b) In its capacity, Agent is a "representative" of the Lenders within the meaning of the term "secured party" as defined in the UCC or a “person who holds a security interest for the benefit” of the Lenders within the meaning of the term “secured party” as defined in the PPSA. Each Lender authorizes Agent to enter into each of the Loan Documents to which it is a party and to take all action contemplated by such documents. Each Lender agrees that no Lender (other than Agent) shall have the right individually to seek to realize upon the security granted by any Loan Document, it being understood and agreed that such rights and remedies may be exercised solely by Agent for the benefit of the Lenders upon the terms of the Loan Documents. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Obligations, Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Lenders any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of Agent on behalf of the Lenders.

(c) Agent hereby appoints each other Lender as its agent (and each Lender hereby accepts such appointment) for the purpose of perfecting Agent’s Liens in assets which can be perfected by possession or control in accordance with Article 8 or Article 9, as applicable, of the UCC or the equivalent provisions of the applicable PPSA. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent’s request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent’s instructions. Agent shall have no obligation whatsoever to any of the Lenders (i) to verify or assure that the Collateral exists or is owned by any Borrower or its Subsidiaries or is cared for, protected, or insured or has been encumbered, (ii) to verify or assure that Agent’s Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, (iii) to verify or assure that any particular items of Collateral meet the eligibility criteria applicable in respect thereof, (iv) to impose, maintain, increase, reduce, implement or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or (v) to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein.

**14.9. Credit Bidding**. The Loan Parties and the Lenders hereby irrevocably authorize Agent, based upon the instruction of the Required Lenders, to Credit Bid and purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (and the Loan Parties shall approve Agent as a qualified bidder and such Credit Bid as qualified bid) at any sale thereof conducted by Agent, based upon the instruction of the Required Lenders, under any provisions of the UCC or PPSA, as part of any sale or investor solicitation process conducted by any Loan Party, any interim receiver, receiver, receiver and manager, administrative receiver, trustee, agent or other Person pursuant or under any insolvency laws; provided, however, that (i) the Required Lenders may not direct Agent in any manner that does not treat each of the Lenders equally, without preference or discrimination, in respect of consideration received as a result of the Credit Bid, (ii) the acquisition documents shall be commercially reasonable and contain customary protections for minority holders such as among other things, anti-dilution and tag-along rights, (iii) the exchanged debt or equity securities must be freely transferable, without restriction (subject to applicable securities laws) and (iv) reasonable efforts shall be made to structure the acquisition in a manner that causes the governance documents pertaining thereto to not impose any obligations or liabilities upon the Lenders individually (such as indemnification obligations). Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by any entities used to consummate such Credit Bid or purchase and in connection therewith Agent may reduce the Obligations owed to the Lenders (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration. For purposes of the preceding sentence, the term "Credit Bid" shall mean, an offer submitted by Agent (on behalf of the Lender group), based upon the instruction of the Required Lenders, to acquire the property of any Loan Party or any portion thereof in exchange for and in full and final satisfaction of all or a portion (as determined by Agent, based upon the instruction of the Required Lenders) of the claims and Obligations under this Agreement and other Loan Documents.

**14.10. Certain Collateral Matters**. The Lenders irrevocably authorize Agent, at its option and in its discretion, (a) to release any Lien granted to or held by Agent under any Loan Document (i) upon termination of the Commitments and payment in full of all Loans and all other obligations of Borrowers hereunder; (ii) constituting property sold or to be sold or disposed of as part of or in connection with any disposition permitted hereunder (including the release of any guarantor); or (iii) subject to Section 15.5 if approved, authorized or ratified in writing by the Required Lenders; or (ii) to subordinate its interest in any Collateral to any holder of a Lien on such Collateral which is permitted by clause (a) of the definition of Permitted Liens (it being understood that Agent may conclusively rely on a certificate from Borrower Representative in determining whether the Indebtedness secured by any such Lien is permitted hereunder). Upon request by Agent at any time, the Lenders will confirm in writing Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 14.10. Agent may, and at the direction of Required Lenders shall, give blockage notices in connection with any Subordinated Debt and each Lender hereby authorizes Agent to give such notices. Each Lender further agrees that it will not act unilaterally to deliver such notices.

**14.11. Restriction on Actions by Lenders**. Each Lender agrees that it shall not, without the express written consent of Agent, and shall, upon the written request of Agent (to the extent it is lawfully entitled to do so), set off against the Obligations, any amounts owing by such Lender to a Loan Party or any deposit accounts of any Loan Party now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken, any action, including the commencement of any legal or equitable proceedings to foreclose any loan or otherwise enforce any security interest in any of the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All Enforcement Actions under this Agreement and the other Loan Documents against the Loan Parties or any third party with respect to the Obligations or the Collateral may only be taken by Agent (at the direction of the Required Lenders or as otherwise permitted in this Agreement) or by its agents at the direction of Agent.

**14.12. Expenses**. Agent is authorized and directed to deduct and retain sufficient amounts from payments or proceeds of the Collateral received by Agent to reimburse Agent for such out-of- pocket costs and expenses prior to the distribution of any amounts to Lenders. In the event Agent is not reimbursed for such costs and expenses by a Loan Party, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's ratable share thereof. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including Agent Professional fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other Loan Document to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrowers. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

**14.13. Notice of Default or Event of Default**. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent shall have received written notice from a Lender or Borrower referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a "notice of default." Agent will promptly notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with this Agreement; provided, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

**14.14. Liability of Agent**. None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders for any recital, statement, representation or warranty made by any Borrower or any of their respective Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of any Borrower, or any of their respective Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of any Borrower or their respective Subsidiaries.

**15. GENERAL PROVISIONS.**

**15.1. Notices.**

(a) **Notice by Approved Electronic Communications**. Agent and each of its Affiliates is authorized to transmit, post or otherwise make or communicate, in its sole discretion (but shall not be required to do so), by Approved Electronic Communications in connection with this Agreement or any other Loan Document and the transactions contemplated therein. Agent is hereby authorized to establish procedures to provide access to and to make available or deliver, or to accept, notices, documents and similar items by posting to ABLSoft. All uses of ABLSoft and other Approved Electronic Communications shall be governed by and subject to, in addition to the terms of this Agreement, the separate terms, conditions and privacy policy posted or referenced in such system (or such terms, conditions and privacy policy as may be updated from time to time, including on such system) and any related contractual obligations executed by Agent and Loan Parties in connection with the use of such system. Each of the Loan Parties, the Lenders and Agent hereby acknowledges and agrees that the use of ABLSoft and other Approved Electronic Communications is not necessarily secure and that there are risks associated with such use, including risks of interception, disclosure and abuse and each indicates it assumes and accepts such risks by hereby authorizing Agent and each of its Affiliates to transmit Approved Electronic Communications. ABLSoft and all Approved Electronic Communications shall be provided "***as is***" and "***as available***". None of Agent or any of its Affiliates or related persons warrants the accuracy, adequacy or completeness of ABLSoft or any other electronic platform or electronic transmission and disclaims all liability for errors or omissions therein. No warranty of any kind is made by Agent or any of its Affiliates or related persons in connection with ABLSoft or any other electronic platform or electronic transmission, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects. Each Borrower and each other Loan Party executing this Agreement agrees that Agent has no responsibility for maintaining or providing any equipment, software, services or any testing required in connection with ABLSoft, any Approved Electronic Communication or otherwise required for ABLSoft or any Approved Electronic Communication. Prior to the Closing Date, Borrower Representative shall deliver to Agent a complete and executed Client User Form regarding Borrowers' use of ABLSoft in the form of Exhibit C annexed hereto. No Approved Electronic Communications shall be denied legal effect merely because it is made electronically. Approved Electronic Communications that are not readily capable of bearing either a signature or a reproduction of a signature may be signed, and shall be deemed signed, by attaching to, or logically associating with such Approved Electronic Communication, an E-Signature, upon which Agent and the Loan Parties may rely and assume the authenticity thereof. Each Approved Electronic Communication containing a signature, a reproduction of a signature or an E-Signature shall, for all intents and purposes, have the same effect and weight as a signed paper original. Each E-Signature shall be deemed sufficient to satisfy any requirement for a "***signature***" and each Approved Electronic Communication shall be deemed sufficient to satisfy any requirement for a "***writing***", in each case including pursuant to this Agreement, any other Loan Document, the UCC, PPSA, the Federal Uniform Electronic Transactions Act, the Electronic Signatures in Global and National Commerce Act and any similar Canadian laws governing the electronic execution and delivery of agreements, documents, and instruments and any substantive or procedural law governing such subject matter. Each party or beneficiary hereto agrees not to contest the validity or enforceability of an Approved Electronic Communication or E-Signature under the provisions of any applicable law requiring certain documents to be in writing or signed; ***provided***, that nothing herein shall limit such party's or beneficiary's right to contest whether an Approved Electronic Communication or E-Signature has been altered after transmission.

(b) **All Other Notices**. **15.2. Severability**. If any provision of this Agreement or any other Loan Document is held invalid or unenforceable, either in its entirety or by virtue of its scope or application to given circumstances, such provision shall thereupon be deemed modified only to the extent necessary to render same valid, or not applicable to given circumstances, or excised from this Agreement or such other Loan Document, as the situation may require, and this Agreement and the other Loan Documents shall be construed and enforced as if such provision had been included herein as so modified in scope or application, or had not been included herein or therein, as the case may be.

**15.3. Integration**. This Agreement and the other Loan Documents represent the final, entire and complete agreement between each Loan Party that is a party hereto and thereto and Agent and supersede all prior and contemporaneous negotiations, oral representations and agreements, all of which are merged and integrated into this Agreement. THERE ARE NO ORAL UNDERSTANDINGS, REPRESENTATIONS OR AGREEMENTS BETWEEN THE PARTIES THAT ARE NOT SET FORTH IN THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS.

**15.4. Waivers**. The failure of Agent and the Lenders at any time or times to require any Loan Party to strictly comply with any of the provisions of this Agreement or any other Loan Documents shall not waive or diminish any right of Agent later to demand and receive strict compliance therewith. Any waiver of any default shall not waive or affect any other default, whether prior or subsequent, and whether or not similar. None of the provisions of this Agreement or any other Loan Document shall be deemed to have been waived by any act or knowledge of Agent or its agents or employees, but only by a specific written waiver signed by an authorized officer of Agent and any necessary Lenders and delivered to Borrowers. Once an Event of Default shall have occurred, it shall be deemed to continue to exist and not be cured or waived unless specifically waived in writing by an authorized officer of Agent and Required Lenders and delivered to Borrowers. Each Loan Party Obligor waives demand, protest, notice of protest and notice of default or dishonor, notice of payment and nonpayment, release, compromise, settlement, extension or renewal of any commercial paper, Instrument, Account, General Intangible, Document, Chattel Paper, Investment Property or guaranty at any time held by Agent on which such Loan Party Obligor is or may in any way be liable, and notice of any action taken by Agent, unless expressly required by this Agreement, and notice of acceptance hereof.

**15.5. Amendments.**

(a) No amendment, modification or waiver of, or consent with respect to, any provision of this Agreement or the other Loan Documents shall in any event be effective unless the same shall be in writing and acknowledged by the Required Lenders, and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, that, except to the extent set forth in Section 14.9 hereof, no amendment, modification, waiver or consent shall (i) extend or increase the Commitment of any Lender without the written consent of such Lender, (ii) extend the date scheduled for payment of any principal (excluding mandatory prepayments) of or interest on the Loans or any fees payable hereunder without the written consent of each Lender directly affected thereby,, (iii) reduce the principal amount of any Loan, the rate of interest thereon or any fees payable hereunder, without the consent of each Lender directly affected thereby; (iv) amend or modify the definitions of Borrowing Base, Eligible Accounts or Eligible Inventory, or any components thereof (including any advance rates), without the written consent of each Lender; or (v) release any guarantor from its obligations under any Guaranty, other than as part of or in connection with any disposition permitted hereunder, or release or subordinate its liens on all or any substantial part of the Collateral granted under any of the other Loan Documents (except as permitted by Section 14.10), change the definition of Required Lenders, any provision of Section 6.2, any provision of this Section 15.4, the provisions of Section 14.9 or reduce the aggregate Pro Rata Share required to effect an amendment, modification, waiver or consent, without, in each case set forth in this clause (v), the written consent of all Lenders. No provision of Section 14 or other provision of this Agreement affecting Agent in its capacity as such shall be amended, modified or waived without the consent of Agent.

(b) If, in connection with any proposed amendment, modification, waiver or termination requiring the consent of all Lenders, the consent of the Required Lenders is obtained, but the consent of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained being referred to as a "***Non-Consenting Lender***"), then, so long as Agent is not a Non- Consenting Lender, Agent and/or a Person or Persons reasonably acceptable to Agent shall have the right to purchase from such Non-Consenting Lenders, and such Non-Consenting Lenders agree that they shall, upon Agent's request, sell and assign to Agent and/or such Person or Persons, all of the Loans and Commitments of such Non-Consenting Lenders for an amount equal to the principal balance of all such Loans and Commitments held by such Non-Consenting Lenders and all accrued interest, fees, expenses and other amounts then due with respect thereto through the date of sale, such purchase and sale to be consummated pursuant to an executed Assignment and Assumption.

**15.6. Time of Essence**. Time is of the essence in the performance by each Loan Party Obligor of each and every obligation under this Agreement and the other Loan Documents.

**15.7. Expenses, Fee and Costs Reimbursement**. Each Borrower hereby agrees to promptly pay (a) all out of pocket costs and expenses of Agent (including the reasonable out of pocket fees, costs and expenses of internal and external legal counsel to, and appraisers, accountants, consultants and other professionals and advisors retained by or on behalf of, Agent) in connection with (i) all loan proposals and commitments pertaining to the transactions contemplated hereby (whether or not such transactions are consummated), (ii) the examination, review, due diligence investigation, documentation, negotiation, and closing of the transactions contemplated by the Loan Documents (whether or not such transactions are consummated), (iii) the creation, perfection and maintenance of Liens pursuant to the Loan Documents, (iv) the performance or enforcement by Agent of its rights and remedies under the Loan Documents (or determining whether or how to perform or enforce such rights and remedies), (v) the administration of the Loans (including usual and customary fees for wire transfers and other transfers or payments received by Agent on account of any of the Obligations) and Loan Documents, (vi) any amendments, modifications, consents and waivers to and/or under any and all Loan Documents (whether or not such amendments, modifications, consents or waivers are consummated), (vii) any periodic public record searches conducted by or at the request of Agent (including, title investigations and public records searches), pending litigation and tax lien searches and searches of applicable corporate, limited liability company, partnership and related records concerning the continued existence, organization and good standing of certain Persons), (viii) protecting, storing, insuring, handling, maintaining, auditing, examining, valuing or selling any Collateral, (ix) any litigation, dispute, suit or proceeding relating to any Loan Document (other than disputes among Lenders or among Lenders and Agent) and (x) any workout, collection, bankruptcy, insolvency and other enforcement proceedings under any and all of the Loan Documents (it being agreed that (A) such costs and expenses may include the costs and expenses of workout consultants, investment bankers, financial consultants, appraisers, valuation firms and other professionals and advisors retained by or on behalf of Agent (B) each Lender shall also be entitled to reimbursement for all out of pocket costs and expense of the type described in this clause (x), p***rovided*** that, to the extent of an actual or reasonably perceived conflict of interest, such reimbursement shall be limited to one additional counsel for the Lenders as a whole), and (b) without limiting the preceding clause (a), all out of pocket costs and expenses of Agent in connection with Agent's reservation of funds in anticipation of the funding of the initial Loans to be made hereunder. Any fees, costs and expenses owing by any Borrower or other Loan Party Obligor hereunder shall be due and payable within three days after written demand therefor.

**15.8. Benefit of Agreement; Assignability**. The provisions of this Agreement shall be binding upon and inure to the benefit of the respective successors, assigns, heirs, beneficiaries and representatives of each Borrower, each other Loan Party Obligor party hereto, Agent and each Lender; provided, that neither each Borrower nor any other Loan Party Obligor may assign or transfer any of its rights under this Agreement without the prior written consent of Agent and each Lender, and any prohibited assignment shall be void. No consent by Agent or any Lender to any assignment shall release any Loan Party Obligor from its liability for any of the Obligations. Each Lender shall have the right to assign all or any of its rights and obligations under the Loan Documents to one or more other Persons in accordance with Section 15.9, and each Loan Party Obligor agrees to execute all agreements, instruments, and documents requested by any Lender in connection with such assignment. Notwithstanding any provision of this Agreement or any other Loan Document to the contrary, a Lender may at any time pledge or grant a security interest in all or any portion of its rights under this Agreement and the other Loan Documents to secure any obligations of such Lender, including any pledge or grant to secure obligations to a Federal Reserve Bank.

**15.9. Assignments.**

(a) Any Lender may at any time assign to one or more Persons (any such Person, an "***Assignee***") all or any portion of such Lender's Loans and Commitments, with the prior written consent of Agent and, so long as no Event of Default exists, Borrower Representative (which consents shall not be unreasonably withheld or delayed and shall not be required for an assignment by a Lender to a Lender (other than a Defaulting Lender) or an Affiliate of a Lender (other than an Affiliate of a Defaulting Lender) or an Approved Fund (other than an Approved Fund of a Defaulting Lender)). Except as Agent may otherwise agree, any such assignment shall be in a minimum aggregate amount equal to $5,000,000 or, if less, the remaining Commitment and Loans held by the assigning Lender (provided, that an assignment to a Lender, an Affiliate of a Lender or an Approved Fund shall not be subject to the foregoing minimum assignment limitations). The Loan Parties and Agent shall be entitled to continue to deal solely and directly with such Lender in connection with the interests so assigned to an Assignee until Agent shall have received and accepted an effective Assignment and Assumption executed, delivered and fully completed by the applicable parties thereto and a processing fee of $3,500. Notwithstanding anything herein to the contrary, no assignment may be made to any equity holder of a Loan Party, any Affiliate of any equity holder of a Loan Party, any Loan Party, any holder of Subordinated Debt of a Loan Party, any holder of any debt that is secured by liens or security interests that have been contractually subordinated to the liens and security interests securing the Obligations, or any Affiliate of any of the foregoing Persons without the prior written consent of Agent, which consent may be withheld in Agent's sole discretion and, in any event, if granted, may be conditioned on such terms and conditions as Agent shall require in its sole discretion, including a limitation on the aggregate amount of Loans and Commitments which may be held by such Person and/or its Affiliates and/or limitations on such Person's and/or its Affiliates' voting and consent rights and/or rights to attend Lender meetings or obtain information provided to other Lenders. Any attempted assignment not made in accordance with this Section 15.10 shall be null and void. Each Borrower shall be deemed to have granted its consent to any assignment requiring its consent hereunder unless Borrower Representative has expressly objected to such assignment within five (5) Business Days after notice thereof.

(b) From and after the date on which the conditions described in Section 15.10(a) above have been met, (i) such Assignee shall be deemed automatically to have become a party hereto and, to the extent that rights and obligations hereunder have been assigned to such Assignee pursuant to the applicable Assignment and Assumption, shall have the rights and obligations of a Lender hereunder and (ii) the assigning Lender, to the extent that rights and obligations hereunder have been assigned by it pursuant to the applicable Assignment and Assumption, shall be released from its rights (other than its indemnification rights) and obligations hereunder. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment and Assumption, Borrowers shall execute and deliver to Agent for delivery to the Assignee (and, as applicable, the assigning Lender) a promissory note in the principal amount of the Assignee's Pro Rata Share of the aggregate Revolving Loan Commitment (and, as applicable, a promissory note in the principal amount of the Pro Rata Share of the aggregate Revolving Commitment retained by the assigning Lender). Upon receipt by Agent of such promissory note(s), the assigning Lender shall return to Borrowers any prior promissory note held by it.

(c) Agent shall, as a non-fiduciary agent of Borrowers, maintain a copy of each Assignment and Assumption delivered and accepted by it and register (the "***Register***") for the recordation of names and addresses of the Lenders and the Commitment of each Lender and principal and stated interest of each Loan owing to each Lender from time to time and whether such Lender is the original Lender or the Assignee. No assignment shall be effective unless and until the Assignment and Assumption is accepted and registered in the Register. All records of transfer of a Lender's interest in the Register shall be conclusive, absent manifest error, as to the ownership of the interests in the Loans. Agent shall not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register. Each Lender granting a participation shall, as a non-fiduciary agent of the Borrowers, maintain a register containing information similar to that of the Register in a manner such that the loans hereunder are in "registered form" for the purposes of the Code. This Section and Section 19.1.2 shall be construed so that the Loans are at all times maintained in "registered form" for the purpose of the Code and any related regulations (and any successor provisions).

**15.10. Participations**. Anything in this Agreement or any other Loan Document to the contrary notwithstanding, any Lender may, at any time and from time to time, without in any manner affecting or impairing the validity of any Obligations, sell to one or more Persons participating interests in its Loans, commitments or other interests hereunder or under any other Loan Document (any such Person, a "***Participant***"). In the event of a sale by a Lender of a participating interest to a Participant, (a) such Lender's obligations hereunder and under the other Loan Documents shall remain unchanged for all purposes, (b) Borrowers and such Lender shall continue to deal solely and directly with each other in connection with such Lender's rights and obligations hereunder and under the other Loan Documents and (c) all amounts payable by Borrowers shall be determined as if such Lender had not sold such participation and shall be paid directly to such Lender; ***provided***, that a Participant shall be entitled to the benefits of Section 13 as if it were a Lender if Borrower Representative is notified of the Participation and the Participant complies with Section 13. Each Borrower agrees that if amounts outstanding under this Agreement or any other Loan Document are due and payable (as a result of acceleration or otherwise), each Participant shall be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement and the other Loan Documents to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement; ***provided***, that such right of set-off shall not be exercised without the prior written consent of such Lender and shall be subject to the obligation of each Participant to share with such Lender its share thereof. Each Borrower also agrees that each Participant shall be entitled to the benefits of Section 15.9 as if it were a Lender. Notwithstanding the granting of any such participating interests, (i) Borrowers shall look solely to the applicable Lender for all purposes of this Agreement, the Loan Documents and the transactions contemplated hereby, (ii) Borrowers shall at all times have the right to rely upon any amendments, waivers or consents signed by the applicable Lender as being binding upon all of the Participants and (iii) all communications in respect of this Agreement and such transactions shall remain solely between Borrowers and the applicable Lender (exclusive of Participants) hereunder. If a Lender grants a participation hereunder, such Lender shall maintain, as a non-fiduciary agent of Borrowers, a register as to the participations granted and transferred under this Section containing the same information specified in Section 15.9 on the Register as if each Participant were a Lender to the extent required to cause the Loans to be in registered form for the purposes of Sections 163(F), 165(J), 871, 881, and 4701 of the Code.

**15.11. Headings; Construction**. Section and subsection headings are used in this Agreement only for convenience and do not affect the meanings of the provisions that they precede.

**15.12. USA PATRIOT Act Notification**. Agent hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act, it may be required to obtain, verify and record certain information and documentation that identifies such Person, which information may include the name and address of each such Person and such other information that will allow Agent to identify such Persons in accordance with the USA PATRIOT Act.

**15.13. Counterparts; Fax/Email Signatures**. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same agreement. This Agreement may be executed by signatures delivered by facsimile or electronic mail, each of which shall be fully binding on the signing party.

**15.14. GOVERNING LAW**. THIS AGREEMENT, ALONG WITH ALL OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED OTHERWISE IN SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES. FURTHER, THE LAW OF THE STATE OF NEW YORK SHALL APPLY TO ALL DISPUTES OR CONTROVERSIES ARISING OUT OF OR CONNECTED TO OR WITH THIS AGREEMENT AND ALL SUCH OTHER LOAN DOCUMENTS WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES.

**15.15. CONSENT TO JURISDICTION; WAIVER OF JURY TRIAL; CONSENT TO SERVICE OF PROCESS**. ANY LEGAL ACTION, SUIT OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT EXCLUSIVELY IN THE COURTS OF THE STATE OF ILLINOIS IN THE COUNTY OF COOK OR IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF ILLINOIS OR IN ANY OTHER COURT (IN ANY JURISDICTION) SELECTED BY THE AGENT IN ITS SOLE DISCRETION, AND EACH BORROWER AND EACH OTHER LOAN PARTY OBLIGOR HEREBY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFOREMENTIONED COURTS. EACH BORROWER AND EACH OTHER LOAN PARTY OBLIGOR HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, OR BASED ON 28 U.S.C. § 1404, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING AND ADJUDICATION OF ANY SUCH ACTION, SUIT OR PROCEEDING IN ANY OF THE AFOREMENTIONED COURTS AND AMENDMENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY THE COURT. EACH BORROWER AND EACH OTHER LOAN PARTY OBLIGOR HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR UNDER ANY AMENDMENT, WAIVER, AMENDMENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION HEREWITH OR THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE OTHER TRANSACTION DOCUMENTS, AND AGREES THAT ANY SUCH ACTION, PROCEEDING OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH BORROWER AND EACH OTHER LOAN PARTY OBLIGOR HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON ANY BORROWER OR ANY OTHER LOAN PARTY OBLIGOR AND CONSENTS THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE BY CERTIFIED MAIL (RETURN RECEIPT REQUESTED) DIRECTED TO BORROWER'S' NOTICE ADDRESS (ON BEHALF OF BORROWERS OR SUCH LOAN PARTY OBLIGOR) SET FORTH IN SECTION 15.1 AND SERVICE SO MADE SHALL BE DEEMED TO BE COMPLETED FIVE DAYS AFTER THE SAME SHALL HAVE BEEN SO DEPOSITED IN THE MAIL, OR, AT THE AGENT'S OPTION, BY SERVICE UPON ANY BORROWER OR ANY OTHER LOAN PARTY OBLIGOR IN ANY OTHER MANNER PROVIDED UNDER THE RULES OF ANY SUCH COURTS.

**15.16. Publication**. Each Borrower and each other Loan Party Obligor consents to the publication by Agent of a tombstone, press releases or similar advertising material relating to the financing transactions contemplated by this Agreement, and Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements.

**15.17. Confidentiality**. Agent and each Lender agree to use commercially reasonable efforts not to disclose Confidential Information to any Person without the prior consent of Borrower Representative; ***provided***, that nothing herein contained shall limit any disclosure of the tax structure of the transactions contemplated hereby, or the disclosure of any information (a) to the extent required by applicable law, statute, rule, regulation or judicial process or in connection with the exercise of any right or remedy under any Loan Document, or as may be required in connection with the examination, audit or similar investigation of Agent or any of its Affiliates, (b) to examiners, auditors, accountants or any regulatory authority, (c) to the officers, partners, managers, directors, employees, agents and advisors (including independent auditors, lawyers and counsel) of Agent and each Lender or any of their respective Affiliates, (d) in connection with any litigation or dispute which relates to this Agreement or any other Loan Document to which Agent or any Lender is a party or is otherwise subject, (e) to a subsidiary or Affiliate of Agent or any Lender, (f) to any assignee or participant (or prospective assignee or participant) which agrees to be bound by this Section 15.17 and (g) to any lender or other funding source of Agent or any Lender (each reference to Agent and Lender in the foregoing clauses shall be deemed to include (i) the actual and prospective assignees and participants referred to in clause (f) and the lenders and other funding sources referred to in clause (g), as applicable for purposes of this Section 15.17), and further ***provided***, that in no event shall Agent or any Lender be obligated or required to return any materials furnished by or on behalf of any Borrower or any other Loan Party or Obligor. The obligations of Agent and Lenders under this Section 15.17 shall supersede and replace the obligations of Agent and Lenders under any confidentiality letter or provision in respect of this financing or any other financing previously signed and delivered by Agent or any Lender to any Borrower or any of its Affiliates.

**15.18. INTERCREDITOR AGREEMENT.**

EACH LENDER PARTY HERETO (I) UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE INTERCREDITOR AGREEMENT, (II) AUTHORIZES AND DIRECTS THE AGENT TO ENTER INTO THE INTERCREDITOR AGREEMENT ON ITS BEHALF, AND (III) AGREES THAT ANY ACTION TAKEN BY THE AGENT PURSUANT TO THE INTERCREDITOR AGREEMENT SHALL BE BINDING UPON SUCH LENDER.

AS MORE FULLY PROVIDED THEREIN, THE INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

IN THE EVENT OF ANY CONFLICT BETWEEN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND THE INTERCREDITOR AGREEMENT, THE INTERCREDITOR AGREEMENT SHALL GOVERN.

**FORM OF ASSIGNMENT AND ASSUMPTION**

**Dated [ _____ ___, 201_]**

Reference is made to the Loan and Security Agreement dated as of [_____], 201[_] among [_____], a [_____] and [_____], a [_____] (each a "***Borrower***" and collectively the "***Borrowers***" ) , the other Loan Party Obligors party thereto, the lenders party thereto as "Lenders" and Encina Business Credit, LLC, as agent ("***Agent***") for the Lenders (as amended, restated, supplemented or otherwise modified from time to time, the "Loan Agreement"). Terms defined in the Loan Agreement are used herein as therein defined.

[_____], solely in its capacity as a Lender under the Loan Agreement (the "***Assignor***"), and [_____] (the "***Assignee***") agree as follows:

2. The Assignor hereby sells and assigns to the Assignee, without recourse, representation or warranty (except as expressly set forth elsewhere herein), and the Assignee hereby purchases and assumes from the Assignor, on the Effective Date (as defined below), an interest as set forth in Exhibit A attached hereto (the "***Assigned Interest***") in and to (i) all of the Assignor's right, title and interest with respect to the Loans set forth in Exhibit A, (ii) all of the Assignor's right, title and interest with respect to the [**Revolving Loan Commitment**] of Assignor as set forth in Exhibit A and (iii) to the extent related thereto, all of the Assignor's rights and obligations, solely as a Lender, under the Loan Agreement and any other Loan Document (including, without limitation, (A) the outstanding principal amount of the Loans made by the Assignor and assigned to Assignee hereunder, and (B) the Assignor's pro rata share of the obligations owing by each Loan Party under the Loan Agreement and the Loan Documents). The Assigned Interest (expressed as a percentage) in the Loans and the [**Revolving Loan Commitment**] is set forth in Exhibit A.

3. The Assignor (i) represents and warrants as of the date hereof that **[its Revolving Loan Commitment, or if its Revolving Loan Commitment shall have been terminated, the outstanding principal amount of its Revolving Loans**], is set forth in Exhibit A (without giving effect to assignments thereof which have not yet become effective); (ii) represents and warrants that it is the legal and beneficial owner of the interest it is assigning hereunder; (iii) makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made by or in connection with the Loan Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of the Loan Agreement or any other Loan Document, or any other instrument or document furnished pursuant thereto; and (iv) makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under the Loan Agreement, any other Loan Document or any other instrument or document furnished pursuant thereto.

The Assignee further acknowledges that the Assignee will, independently and without reliance upon Agent, the Assignor or any other Lender and based upon the Assignee's review of such documents and information as the Assignee deems appropriate at the time, make and continue to make its own credit decisions in entering into this Assignment and Assumption and taking or not taking action under the Loan Documents. The Assignor shall have no duty or responsibility either initially or on a continuing basis to make any such investigation or any such appraisal on behalf of the Assignee or to provide the Assignee with any credit or other information with respect thereto, whether coming into its possession before the making of the initial extension of credit under the Loan Agreement or at any time or times thereafter.

5. The Assignee represents and warrants to the Assignor that it has experience and expertise in the making of loans such as the Loans or with respect to the other types of credit which may be extended under the Loan Agreement; that it has acquired its Assigned Interest for its own account and not with any intention of selling all or any portion of such interest; and that it has received, reviewed and approved copies of all Loan Documents.

10. The Assignor represents and warrants that it is the legal and beneficial owner of the interest being assigned and that such interest is free and clear of any lien, security interest or other encumbrance.

11. The Assignor makes no representation or warranty and assumes no responsibility with respect to the operations, condition (financial or otherwise), business or assets of the Loan Parties or the performance or observance by the Loan Parties of any of their obligations under the Loan Agreement or any other Loan Document.

13. The Assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Loan Agreement and the other Loan Documents are required to be performed by it as a Lender.

14. The Assignee confirms that it has received all documents and information it has deemed appropriate to make its own credit analysis and decision to enter into this Assignment and Assumption.

15. The Assignee specifies as its address for notices the office set forth beneath its name on the signature pages hereof.

16. The effective date for this Assignment and Assumption (the "***Effective Date***") shall be the date that is the latest of (a) the execution of this Assignment and Assumption, (b) the delivery of this Assignment and Assumption to Agent for acceptance, and (c) the date on which the Assignor has received the payment, in immediately available funds, by the Assignee of $[_____], which amount represents the purchase price for the Assigned Interest.

17. Upon acceptance of this Assignment and Assumption by Agent, as of the Effective Date (i) the Assignee shall, in addition to the rights and obligations under the Loan Agreement and the other Loan Documents held by it immediately prior to the Effective Date, have the rights and obligations under the Loan Agreement and the other Loan Documents that have been assigned to it pursuant to this Assignment and Assumption, and (ii) the Assignor shall, to the extent provided in this Assignment and Assumption, relinquish its rights and be released from its obligations under the Loan Agreement and the other Loan Documents that have been assigned by the Assignor to the Assignee pursuant to this Assignment and Assumption.

18. Upon acceptance of this Assignment and Assumption by Agent, from and after the Effective Date, Agent shall make all payments under the Loan Agreement in respect of the rights assigned hereby (including, without limitation, all payments of principal, interest and fees with respect thereto) to the Assignee. If the Assignor receives or collects any payment of interest or fees attributable to the interests assigned to Assignee by this Assignment and Assumption which has accrued after the Effective Date, the Assignor shall distribute to the Assignee such payment. If the Assignee receives or collects any payment of interest or fees which is not attributable to the interests assigned to the Assignee by this Assignment and Assumption or which has accrued on or prior to the Effective Date, the Assignee shall distribute to the Assignor such payment.

19. This Assignment and Assumption shall be delivered and accepted in and shall be deemed to be a contract made under and governed by the internal laws of the State of [**Illinois**] (but giving effect to federal laws applicable to national banks) applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.

Peter Wardenburg

**Re: Employment Terms**

Dear Peter:

On behalf of Hydrofarm, Inc., which shall be known as Hydrofarm, LLC at the closing of the Transaction (as defined below) (the "**Company**"), I am pleased to offer you employment at the Company on the terms set forth in this offer letter agreement (the "**Agreement**"), which will govern your employment with the Company. As you know, the Company is entering into a Securities Purchase Agreement (the "**Purchase Agreement**"), dated April 10, 2017, by and among Hydrofarm Holdings LLC (the "**Buyer**"), Hydrofarm, Inc. Employee Stock Ownership Plan and Trust, as amended and restated effective January 1, 2013 and all amendments thereto, the Wardenburg 2009 Family Trust, and PBCO, Inc., a Delaware corporation, pursuant to the Joinder (as defined in the Purchase Agreement), pursuant to which the Buyer will purchase all of the issued and outstanding membership interests of Hydrofarm, LLC (the "**Transaction**"). You acknowledge and agree that the offer of employment herein is conditioned upon the successful closing of the Transaction, and if the Transaction does not close, this Agreement, and any offer of employment to you, will be null and void and of no effect, even if it has been executed.

It is anticipated that your employment will commence on the effective closing date of the Transaction, although you and the Company may determine an alternative date for your employment to start (such actual date of your commencement of employment shall be referred to herein as the "**Start Date**").

**1. Employment by the Company.**

(a) **Position.** You will serve as the Company's President and Chief Executive Officer. During the term of your employment with the Company, you will devote your best efforts and substantially all of your business time and attention to the business of the Company, except for approved vacation periods and reasonable periods of illness or other incapacities permitted by the Company's general employment policies.

(b) **Duties and Location.** You will perform those duties and responsibilities as are customary for your position, as you have been performing in your employment with the Company prior to the Transaction, and as may be directed by Company's Board of Directors (the "**Board**"), to whom you will report. Your primary office location will be the Company's offices in Petaluma, California. Notwithstanding the foregoing, the Company reserves the right to reasonably require you to perform your duties at places other than your primary office location from time to time, and to require reasonable business travel. The Company may modify your job title and duties as it deems necessary and appropriate in light of the Company's needs and interests from time to time.

**2. Base Salary and Employee Benefits.**

(a) **Salary.** You will receive for services to be rendered hereunder base salary paid at no less than the rate of $440,000 per year. Your base salary will be paid, less standard payroll deductions and tax withholdings, on the Company's ordinary payroll cycle. As an exempt salaried employee, you will be required to work the Company's normal business hours, and such additional time as appropriate for your work assignments and position, and you will not be entitled to overtime compensation.

(b) **Benefits.** As a regular full-time employee, you will be eligible to participate in the Company's standard employee benefits (pursuant to the terms and conditions of the benefit plans and applicable policies), which the Company agrees will be at the same level as or increased from the benefits provided during your employment with Hydrofarm, Inc. as of prior to the Transaction, and which will include, but not be limited to: paid holidays; paid sick time; paid vacation time; medical, dental and vision insurance, group life insurance; short-term and long-term disability insurance; a 401(k) plan; and supplemental benefits through BeniComp Insurance Company. Such benefits are or will be described in summary plan descriptions and policies that will be available or provided to you by the Company.

(c) **Gross-Up Payment.** The Company will provide you with reimbursements for auto lease payments as set forth in this Section 2(c). With respect to any such reimbursements the receipt of which would constitute taxable income to you, the Company shall pay you a payment (a "**Gross-Up Payment**") in an amount such that after payment by you of any additional tax with respect to the receipt of reimbursements of your expenses, together with all taxes imposed on you with respect to the receipt of the Gross-Up Payment, you retain an amount of the Gross-Up Payment equal to the additional tax imposed upon your receipt of such reimbursements (such that the net after-tax cost to you of the additional tax on the reimbursements is zero). The Gross-Up Payment, if any, shall be made by the end of the taxable year that immediately follows the taxable year in which the taxes on the related reimbursements are remitted to the applicable taxing authorities. With regard to any reimbursements under this Section 2(c) that constitute a "deferral of compensation," within the meaning of Treasury Regulation Section 1.409A-1(b), (i) the amount of expenses eligible for reimbursement during any calendar year shall not affect the expenses eligible for reimbursement in any other calendar year, (ii) such reimbursements shall be made on or before the last day of the calendar year following the calendar year in which the expense was incurred, and (iii) the right to reimbursement shall not be subject to liquidation or exchange for another benefit.

(d) **Giants Tickets.** Throughout your employment with the Company, for each of those San Francisco Giants games to which the Company has tickets, you will have priority to choose who uses at least two (2) of those tickets. Upon your employment termination, you will be allowed to purchase at the original acquired value at least two (2) season ticket licenses of your choice from the Company and will agree to share/allocate the availability in conjunction with the rest of the seats over the season as per past custom and practice for three years.

(e) **Equity Awards.** You shall be granted the equity award set forth as ***Exhibit C*** hereto.

**3.** **Annual Bonus.** You will be eligible to earn an annual performance and retention bonus of up to twenty- five percent (25%) of your base salary rate (the "**Annual Bonus**"). The Annual Bonus will be based upon the Board's assessment of your performance and the Company's attainment of goals as mutually agreed between you and the Board. Bonus payments, if any, will be subject to applicable payroll deductions and withholdings. Following the close of each calendar year, the Board will determine whether you have earned an Annual Bonus, and the amount of any such bonus, based on the achievement of such goals. You must remain an active employee through the end of any given calendar year in order to earn an Annual Bonus for that year and any such bonus will be paid no later than March 15th of the year following the year in which your right to such amount became vested.

**4.** **Expenses.** The Company will reimburse you for reasonable travel, entertainment or other expenses incurred by you in furtherance or in connection with the performance of your duties hereunder, in accordance with the Company's expense reimbursement policy as in effect from time to time. Travel accommodations shall be provided consistent with prior practices.

**5. Compliance with Confidentiality Information Agreement and Company Policies.** You acknowledge that the Confidentiality and Invention Assignment Agreement which you signed in connection with your employment with Hydrofarm, Inc. (the "**Confidentiality Agreement**," a copy of which is attached hereto as ***Exhibit A***) will remain in full force and effect during your Company employment. In addition, you are required to abide by the Company's policies and procedures, as modified from time to time within the Company's discretion; *provided*, *however*, that in the event the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control. Nothing in this Agreement, or your Confidentiality Agreement, is intended to or will be used in any way to limit your rights to communicate with a government agency, as provided for, protected under or warranted by applicable law.

**6. Protection of Third Party Information.** In your work for the Company, you will be expected not to make any unauthorized use or disclosure of any confidential or proprietary information, including trade secrets, of any former employer or other third party to whom you have contractual obligations to protect such information. Rather, you will be expected to use only that information which is generally known and used by persons with training and experience comparable to your own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided or developed by the Company. You represent that you are able to perform your job duties within these guidelines, and you are not in unauthorized possession of any unpublished documents, materials, electronically-recorded information, or other property belonging to any former employer or other third party to whom you have a contractual obligation to protect such property. In addition, you represent and warrant that your employment by the Company will not conflict with any prior employment or consulting agreement or other agreement with any third party, that you will perform your duties to the Company without violating any such agreement(s), and that you have disclosed to the Company in writing any contract you have signed that may restrict your activities on behalf of the Company.

**7. At-Will Employment Relationship.** Your employment relationship with the Company is at-will. Accordingly, you may terminate your employment with the Company at any time and for any reason whatsoever simply by notifying the Company; and the Company may terminate your employment at any time, with or without Cause or advance notice.

**8. Severance.** If, at any time, the Company terminates your employment without Cause (other than as a result of your death or disability) or you resign for Good Reason (either such termination referred to as a "**Qualifying Termination**"), provided such termination or resignation constitutes a Separation from Service (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "**Separation from Service**"), then subject to Sections 10 and 11 below and your continued compliance with the terms of this Agreement (including without limitation Section 5 above), the Company will provide you with the following severance benefits (the "**Severance Benefits**"):

(a) **Cash Severance**. The Company will pay you, as cash severance, (i) an amount equal to six (6) months of your base salary in effect as of your Separation from Service date (*provided that* if your employment termination is due to your resignation for Good Reason in connection with the reduction of your base salary, then the cash severance payment herein will be based upon your base salary rate as of immediately prior to such reduction), and (ii) an amount equal to your target Annual Bonus for the calendar year in which your employment termination occurs (collectively, the "**Severance**"). The Severance will be paid, less standard payroll deductions and tax withholdings, in a lump sum payment on or before the day that is sixty (60) days following your Separation from Service date.

(b) **COBRA Severance.** As an additional Severance Benefit, the Company will continue to pay the cost of your health care coverage in effect at the time of your Separation from Service for a maximum of six (6) months, either under the Company's regular health plan (if permitted), or by paying your COBRA premiums (the "**COBRA Severance**"). The Company's obligation to pay the COBRA Severance on your behalf will cease if you obtain health care coverage from another source (e.g., a new employer or spouse's benefit plan), unless otherwise prohibited by applicable law. You must notify the Company within two (2) weeks if you obtain coverage from a new source. This payment of COBRA Severance by the Company would not expand or extend the maximum period of COBRA coverage to which you would otherwise be entitled under applicable law. Notwithstanding the above, if the Company determines in its sole discretion that it cannot provide the foregoing COBRA Severance without potentially violating applicable law (including, without limitation, Section 2716 of the Public Health Service Act), the Company shall in lieu thereof provide to you a taxable monthly payment in an amount equal to the monthly COBRA premium that you would be required to pay to continue your group health coverage in effect on the date of your termination (which amount shall be based on the premium for the first month of COBRA coverage), which payments shall be made on the last day of each month regardless of whether you elect COBRA continuation coverage and shall end on the earlier of (x) the date upon which you obtain other coverage or (y) the last day of the twenty-fourth ($24^{th}$) calendar month following your Separation from Service date.

**9. Resignation Without Good Reason; Termination for Cause; Death or Disability.** If, at any time, you resign your employment without Good Reason, or the Company terminates your employment for Cause, or if either party terminates your employment as a result of your death or disability, you will receive your base salary accrued through your last day of employment, as well as any unused vacation (if applicable) accrued through your last day of employment. Under these circumstances, you will not be entitled to any other form of compensation from the Company, including any Severance Benefits, other than any rights to which you are entitled under the Company's benefit programs, stock option plan or equity grant documents between you and the Company.

**10. Conditions to Receipt of Severance Benefits.** Prior to and as a condition to your receipt of the Severance Benefits described above, you shall execute and deliver to the Company an effective release of claims in favor of the Company, in substantially the form attached hereto as ***Exhibit B*** (the "**Release**") within the timeframe set forth therein, but not later than forty-five (45) days following your Separation from Service date, and allow the Release to become effective according to its terms (by not invoking any legal right to revoke it) within any applicable time period set forth therein (such latest permitted effective date, the "**Release Deadline**").

**11. Return of Company Property.** Upon the termination of your employment for any reason, as a precondition to your receipt of the Severance Benefits (if applicable), within five (5) days after your Separation from Service Date (or earlier if requested by the Company), you will return to the Company all Company documents (and all copies thereof) and other Company property within your possession, custody or control, including, but not limited to, Company files, notes, financial and operational information, customer lists and contact information, product and services information, research and development information, drawings, records, plans, forecasts, reports, payroll information, spreadsheets, studies, analyses, compilations of data, proposals, agreements, sales and marketing information, personnel information, specifications, code, software, databases, computer-recorded information, tangible property and equipment (including, but not limited to, computers, facsimile machines, mobile telephones, tablets, handheld devices, and servers), credit cards, entry cards, identification badges and keys, and any materials of any kind which contain or embody any proprietary or confidential information of the Company, and all reproductions thereof in whole or in part and in any medium. You further agree that you will make a diligent search to locate any such documents, property and information and return them to the Company within the timeframe provided above. In addition, if you have used any personally-owned computer, server, or e-mail system to receive, store, review, prepare or transmit any confidential or proprietary data, materials or information of the Company, then within five (5) days after your Separation from Service date you must provide the Company with a computer-useable copy of such information and permanently delete and expunge such confidential or proprietary information from those systems without retaining any reproductions (in whole or in part); and you agree to provide the Company access to your system, as requested, to verify that the necessary copying and deletion is done. You shall deliver to the Company a signed statement certifying compliance with this Section 11 prior to the receipt of the Severance Benefits.

**12. Outside Activities.** Throughout your employment with the Company, you may engage in civic and not- for-profit activities so long as such activities do not interfere with the performance of your duties hereunder or present a conflict of interest with the Company, or otherwise compete with the Company. Subject to the restrictions set forth herein and with the prior written consent of the Board, you may serve as a director of other corporations and may devote a reasonable amount of your time to other types of business or public activities not expressly mentioned in this paragraph. The Board may rescind its consent to your service as a director of all other corporations or participation in other business or public activities, if the Board, in its sole discretion, determines that such activities compromise or threaten to compromise the Company's business interests or conflict with your duties to the Company.

**13. Definitions.** For purposes of this Agreement, the following terms shall have the following meanings:

"**Cause**" for termination will mean your: (a) willful and continued failure to substantially perform your duties (other than as a result of incapacity due to physical or mental illness); (b) gross negligence or willful misconduct in the course of your employment with the Company that causes or is likely to cause material harm to the Company; (c) conviction of, or plea of guilty or *nolo contendere* to, a crime involving moral turpitude; (d) intentional, material breach of this Agreement that causes or is likely to cause material harm to the Company; (e) intentional, material violation of the written policies of the Company, to the extent you have reasonable notice of such policies, that causes or is likely to cause material harm to the Company; or (f) material fraud with respect to, or embezzlement of material funds or property belonging to, the Company. Notwithstanding the foregoing, "Cause" shall not exist with respect to the events or circumstances described in sections (a), (b), (d), (e) or (f) of this paragraph unless and until the Company has given you written notice of the applicable event or circumstance within sixty (60) days of the date the Company has actual knowledge thereof, which notice specifically delineates such claimed misconduct or breach and informs you that you are required to cure such misconduct or breach (if curable) within thirty (30) days (the "**Executive Cure Period**") of the date of such notice, and such breach is not cured to the extent curable within the Executive Cure Period. If Cause exists pursuant to the preceding sentence in respect of an event described in sections (a), (b), (d), (e) or (f) of this paragraph, the Company may terminate your employment for Cause within forty-five (45) days after the end of the Executive Cure Period. If such curable misconduct or breach is cured within the Executive Cure Period, Cause shall be deemed not to exist. The Company shall not be permitted to terminate your employment for Cause in respect of an event described in sections (a), (b), (d), (e) or (f) of this paragraph if the Company fails to either (x) provide written notice of the applicable event or circumstance within sixty (60) days of the date the Board (other than you, if you are a member of the Board) has actual knowledge thereof, or (y) terminate your employment within the forty-five (45)-day period following the end of the applicable Executive Cure Period.

You shall have "**Good Reason**" for resigning from employment with the Company if any of the following actions are taken by the Company without your prior written consent: (a) a material reduction in your base salary, which the parties agree is a reduction of at least ten percent (10%) of your base salary; (b) a material reduction in your position, duties, responsibilities and/or authorities; (c) relocation of your principal place of employment to a place that increases your one-way commute by more than twenty-five (25) miles as compared to your then-current principal place of employment immediately prior to such relocation; or (d) any material breach of this Agreement by the Company. In order to resign for Good Reason, you must provide written notice to the Board within sixty (60) days after the first occurrence of the event giving rise to Good Reason setting forth the basis for your resignation, allow the Company at least thirty (30) days from receipt of such written notice to cure such event, and if such event is not reasonably cured within such period, you must resign from all positions you then hold with the Company not later than forty-five (45) days after the expiration of the cure period.

**14. Compliance with Section 409A.** It is intended that the Severance Benefits set forth in this Agreement satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Internal Revenue Code of 1986, as amended, (the "**Code**") (Section 409A, together with any state law of similar effect, "**Section 409A**") provided under Treasury Regulations 1.409A-1(b)(4), 1.409A-1(b)(5) and 1.409A-1(b)(9). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations 1.409A-2(b)(2)(iii)), your right to receive any installment payments under this Agreement (whether severance payments, reimbursements or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. Notwithstanding any provision to the contrary in this Agreement, if the Company (or, if applicable, the successor entity thereto) determines that the Severance Benefits constitute "deferred compensation" under Section 409A and you are, on the date of your Separation from Service, a "specified employee" of the Company or any successor entity thereto, as such term is defined in Section 409A(a)(2)(B)(i) of the Code, then, solely to the extent necessary to avoid the incurrence of adverse personal tax consequences under Section 409A, the timing of the Severance Benefits shall be delayed until the earliest of: (i) the date that is six (6) months and one (1) day after your Separation from Service date, (ii) the date of your death, or (iii) such earlier date as permitted under Section 409A without the imposition of adverse taxation. Upon the first business day following the expiration of such applicable Code Section 409A(a)(2)(B)(i) period, all payments or benefits deferred pursuant to this Section 14 shall be paid in a lump sum or provided in full by the Company (or the successor entity thereto, as applicable), and any remaining payments due shall be paid as otherwise provided herein. No interest shall be due on any amounts so deferred. If the Severance Benefits are not covered by one or more exemptions from the application of Section 409A and the Release could become effective in the calendar year following the calendar year in which you have a Separation from Service, the Release will not be deemed effective any earlier than the Release Deadline. The Severance Benefits are intended to qualify for an exemption from application of Section 409A or comply with its requirements to the extent necessary to avoid adverse personal tax consequences under Section 409A, and any ambiguities herein shall be interpreted accordingly.

**15. Section 280G; Parachute Payments.**

(a) If any payment or benefit you will or may receive from the Company or otherwise (a "**280G Payment**") would (i) constitute a "parachute payment" within the meaning of Section 280G of the Code, and (ii) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "**Excise Tax**"), then any such 280G Payment provided pursuant to this Agreement (a "**Payment**") shall be equal to the Reduced Amount. The "**Reduced Amount**" shall be either (x) the largest portion of the Payment that would result in no portion of the Payment (after reduction) being subject to the Excise Tax or (y) the largest portion, up to and including the total, of the Payment, whichever amount (i.e., the amount determined by clause (x) or by clause (y)), after taking into account all applicable federal, state and local employment taxes, income taxes, and the Excise Tax (all computed at the highest applicable marginal rate), results in your receipt, on an after-tax basis, of the greater economic benefit notwithstanding that all or some portion of the Payment may be subject to the Excise Tax. If a reduction in a Payment is required pursuant to the preceding sentence and the Reduced Amount is determined pursuant to clause (x) of the preceding sentence, the reduction shall occur in the manner (the "**Reduction Method**") that results in the greatest economic benefit for you. If more than one method of reduction will result in the same economic benefit, the items so reduced will be reduced pro rata (the "**Pro Rata Reduction Method**").

(b) Notwithstanding any provision of subsection (a) above to the contrary, if the Reduction Method or the Pro Rata Reduction Method would result in any portion of the Payment being subject to taxes pursuant to Section 409A that would not otherwise be subject to taxes pursuant to Section 409A, then the Reduction Method and/or the Pro Rata Reduction Method, as the case may be, shall be modified so as to avoid the imposition of taxes pursuant to Section 409A as follows: (A) as a first priority, the modification shall preserve to the greatest extent possible, the greatest economic benefit for you as determined on an after-tax basis; (B) as a second priority, Payments that are contingent on future events (e.g., being terminated without Cause), shall be reduced (or eliminated) before Payments that are not contingent on future events; and (C) as a third priority, Payments that are "deferred compensation" within the meaning of Section 409A shall be reduced (or eliminated) before Payments that are not deferred compensation within the meaning of Section 409A.

(c) Unless you and the Company agree on an alternative accounting firm or law firm, the accounting firm engaged by the Company for general tax compliance purposes as of the day prior to the effective date of the Change in Control transaction shall perform the foregoing calculations. If the accounting firm so engaged by the Company is serving as accountant or auditor for the individual, entity or group effecting the change in control transaction, the Company shall appoint a nationally recognized accounting or law firm to make the determinations required by this Section 15. The Company shall bear all expenses with respect to the determinations by such accounting or law firm required to be made hereunder. The Company shall use commercially reasonable efforts to cause the accounting or law firm engaged to make the determinations hereunder to provide its calculations, together with detailed supporting documentation, to you and the Company within fifteen (15) calendar days after the date on which your right to a 280G Payment becomes reasonably likely to occur (if requested at that time by you or the Company) or such other time as requested by you or the Company.

(d) If you receive a Payment for which the Reduced Amount was determined pursuant to clause (x) of Section 15(a) and the Internal Revenue Service determines thereafter that some portion of the Payment is subject to the Excise Tax, you agree to promptly return to the Company a sufficient amount of the Payment (after reduction pursuant to clause (x) of Section 15(a)) so that no portion of the remaining Payment is subject to the Excise Tax. For the avoidance of doubt, if the Reduced Amount was determined pursuant to clause (y) of Section 15(a), you shall have no obligation to return any portion of the Payment pursuant to the preceding sentence.

**16. Dispute Resolution.** To ensure the timely and economical resolution of disputes that may arise in connection with your employment with the Company, you and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance, negotiation, execution, or interpretation of this Agreement, your employment, or the termination of your employment, including but not limited to statutory claims (including, without limitation, discrimination, harassment, wrongful termination or wage claims under the Labor Code), will be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in the San Francisco Bay Area, California, conducted by JAMS, Inc. ("**JAMS**") under the then-applicable JAMS rules (available at the following web address: http://www.jamsadr.com/rulesclauses, and which will be provided to you on request). **By agreeing to this arbitration procedure, both you and the Company waive the right to resolve any such dispute through a trial by jury or judge or administrative proceeding.** You will have the right to be represented by legal counsel at any arbitration proceeding. The arbitrator shall: (a) have the authority to compel adequate discovery for the resolution of the dispute and to award such relief as would otherwise be permitted by law; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award. The arbitrator shall be authorized to award any or all remedies that you or the Company would be entitled to seek in a court of law. The Company shall pay all JAMS' arbitration fees in excess of the amount of court fees that would be required of you if the dispute were decided in a court of law. Nothing in this letter is intended to prevent either you or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration. Any awards or orders in such arbitrations may be entered and enforced as judgments in the federal and state courts of any competent jurisdiction.

**17. Miscellaneous.** This offer is contingent upon a background check clearance, reference checks clearance, and satisfactory proof of your identity and right to work in the United States. This Agreement, together with your Confidentiality Agreement, forms the complete and exclusive statement of your employment agreement with the Company. It supersedes any other agreements or promises made to you by anyone, whether oral or written. Changes in your employment terms, other than those changes expressly reserved to the Company's or Board's discretion in this Agreement, require a written modification approved by the Company and signed by a duly authorized officer of the Company. This Agreement will bind the heirs, personal representatives, successors and assigns of both you and the Company, and inure to the benefit of both you and the Company, their heirs, successors and assigns. If any provision of this Agreement is determined to be invalid or unenforceable, in whole or in part, this determination shall not affect any other provision of this Agreement and the provision in question shall be modified so as to be rendered enforceable in a manner consistent with the intent of the parties insofar as possible under applicable law. This Agreement shall be construed and enforced in accordance with the laws of the State of California without regard to conflicts of law principles. Any ambiguity in this Agreement shall not be construed against either party as the drafter. Any waiver of a breach of this Agreement, or rights hereunder, shall be in writing and shall not be deemed to be a waiver of any successive breach or rights hereunder. This Agreement may be executed in counterparts which shall be deemed to be part of one original, and facsimile and electronic image copies of signatures shall be equivalent to original signatures.

Please sign and date this Agreement and the enclosed Confidentiality Agreement and return them to me on the date hereof if you wish to accept employment at the Company under the terms described above. The offer of employment herein will expire if I do not receive this signed letter by that date. I would be happy to discuss any questions that you may have about these terms.

We are delighted to be making this offer and the Company looks forward to your favorable reply and to a productive and enjoyable work relationship.

Sincerely,

/s/ Jeffrey Peterson
Jeffrey Peterson, Chief Financial Officer, Secretary and Treasurer

**PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT**

This PROPRIETARY INFORMATION AND INVENTION ASSIGNMENT AGREEMENT (this "Agreement"), dated as of April ____, 2017 (the "Effective Date"), is made and entered into by and between (i) Hydrofarm, Inc., a California corporation ("Company"), and (ii) _____, an individual resident in the State of _____ ("Employee").

**AGREEMENT**

In consideration of Employee's employment with Company, Employee's receipt of the compensation paid to Employee by Company and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. Employment; Compensation**

(a) Employee understands and acknowledges that Employee's employment with the Company is for an unspecified duration and constitutes "at-will" employment. Employee acknowledges that this employment relationship may be terminated at any time, with or without good cause or for any or no cause, at the option either of the Company or employee, with or without notice.

(b) During the term of Employee's employment with the Company, Employee will not engage in any other employment, occupation, consulting or other business activity related to the business in which the Company is now involved or becomes involved during the term of Employee's employment; and, Employee will not engage in any other activities that conflict with Employee's obligations to the Company.

(c) In consideration for the covenants and obligations set forth herein, the Company will pay Employee the compensation set forth on **Appendix A**.

**2. Confidential Information**

(a) **Company Information**. During the term of Employee's employment (Employee's "Relationship with the Company"), Employee will have access to Confidential Information and Trade Secrets of the Company (collectively, the "Proprietary Information"). Employee acknowledges that all Proprietary Information that may exist from time to time is a valuable, special and unique asset of the Company, and access to and knowledge of which is essential to the performance of Employee's employment duties. Employee will keep confidential and not disclose (during the period of employment and thereafter, except that Employee is only required to hold any Proprietary Information that is not a Trade Secret in confidence for the maximum extent permitted by applicable law) to any other person or entity and will not use for Employee's own benefit or the benefit of any other person or entity (other than the Company) any Proprietary Information, except in a manner that has been expressly authorized by the formal written policies of the Company. "Confidential Information" means any Company proprietary information, technical data, or know-how, including, but not limited to, research, business plans, product plans, products, services, customer lists and customers (including, but not limited to, customers of the Company on whom Employee called or with whom Employee became acquainted during the term of Employee's Relationship with the Company), market research, works of original authorship, intellectual property (including, but not limited to, unpublished works and undisclosed patents), photographs, negatives, digital images, software, computer programs, ideas, developments, inventions (whether or not patentable), processes, formulas, technology, designs, drawings and engineering, hardware configuration information, forecasts, strategies, marketing, finances or other business information disclosed to Employee by the Company either directly or indirectly in writing, orally or by drawings or observation or inspection of parts or equipment. Confidential Information does not include any of the foregoing items that has become publicly known and made generally available through no wrongful act of Employee or of others who were under confidentiality obligations as to the item or items involved. "Trade Secrets" means, collectively, information, including a formula, pattern, compilation, program, device, method, technique or process, that: (i) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use; and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(b) **Other Employer Information**. Employee will not improperly use or disclose to any member of the Company, or to any employee, officer, director, manager, equityholder, financing source, lender, partner, agent, contractor or representative of any member of the Company, any confidential or proprietary information (including unpublished patent applications or invention disclosures) belonging to any former employer of Employee or to any other person or entity to which Employee owes a duty of nondisclosure, unless consented to in writing by such employer, person or entity.

(c) **Third Party Information**. Employee recognizes that the Company has received and in the future will receive from third parties their confidential or proprietary information subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. Employee will hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm or corporation or to use it except as necessary in carrying out Employee's duties to the Company consistent with the Company's agreement with such third party.

(d) **Defend Trade Secrets** Act. Notwithstanding any other provision of this Agreement to the contrary, pursuant to 18 USC Section 1833(b), Employee shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that is made: (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (ii) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. 18 USC Section 1833(b) does not, however, preclude the trade secret owner from seeking breach of contract remedies.

**3. Intellectual Property**

(a) **Assignment of Intellectual Property**. Employee will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assigns to the Company, or its designee, all of Employee's right, title and interest in and to any original works of authorship, trademarks, domain names, inventions (including the right to claim priority), concepts, improvements, processes, methods or Proprietary Information , whether or not patentable or registrable under copyright or similar laws that Employee may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during the period of Employee's Relationship with the Company, including such intellectual property developed by Employee for the Company prior to the Effective Date (collectively referred to as "Intellectual Property") and that (i) are developed using the equipment, supplies, facilities or Confidential Information of the Company, (ii) result from or are suggested by work performed by Employee for the Company, or (iii) relate to the Company business or to the actual or demonstrably anticipated research or development of the Company. All original works of authorship that are created by Employee (solely or jointly with others) within the scope of and during the period of Employee's Relationship with the Company and that are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act. Any assignment of copyright hereunder includes all rights of paternity, integrity, disclosure and withdrawal, and any other rights that may be known as or referred to as "moral rights" (collectively, "Moral Rights"). To the extent such Moral Rights cannot be assigned under applicable law and to the extent the following is allowed by the laws in the various countries where Moral Rights exist, Employee hereby waives such Moral Rights and consents to any action of Company that would violate such Moral Rights in the absence of such consent.

(b) **Patent and Copyright Registrations**. Employee will assist the Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in the Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto in any and all countries, including the disclosure to the Company of all pertinent information and data with respect thereto and the execution of all applications, specifications, oaths, assignments and other instruments that the Company deems necessary in order to apply for and obtain such rights and in order to assign and convey to the Company and its successors, assigns and nominees the sole and exclusive right, title and interest in and to such Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto. Employee's obligation to execute or cause to be executed, when it is in Employee's power to do so, any such instrument or papers continues after the termination of this Agreement. In the event the Company is unable because of Employee's mental or physical incapacity or for any other reason to secure Employee's assistance in perfecting the rights transferred in this Agreement, Employee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Employee's agent and attorney in fact, to act for and in Employee's behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent and copyright, trademark or domain name registrations thereon with the same legal force and effect as if executed by Employee. The designation and appointment of the Company and its duly authorized officers and agents as Employee's agent and attorney in fact is deemed to be coupled with an interest and therefore irrevocable.

(c) **Maintenance of Records**. Employee will keep and maintain adequate and current written records of all Intellectual Property created by Employee (solely or jointly with others) during the term of Employee's Relationship with the Company. The records will be in the form of notes, sketches, drawings, works of original authorship, photographs, negatives or digital images or in any other format that may be specified by the Company. The records will be available to and remain the sole property of the Company at all times.

(d) **Intellectual Property Retained and Licensed**. To the extent permitted by Section 2(b), Employee has accurately identified on Schedule 1 all ideas, methodologies, processes, inventions, discoveries and works of authorship, and all rights in any trademarks, service marks, trade secrets, copyrights, and patents, that Employee created prior to Employee's employment with the Company (collectively "Pre-Existing Work Product") that may reasonably relate to the current or future business of the Company. Except as provided herein, Employee will retain all right, title and interest in and to such Pre-Existing Work Product. Employee will promptly disclose to the Company any modifications or improvements to any Pre-Existing Work Product that fall within the definition of Intellectual Property (and hereby assigns rights thereto to the Company pursuant to Section 3(a)). If Employee, during the course of or resulting from employment with the Company, uses, creates, or otherwise provides Confidential Information, Intellectual Property or other works that incorporate or reasonably require the use of any of Employee's Pre-Existing Work Product, then Employee will promptly disclose such and hereby grants the Company an unrestricted, royalty-free, perpetual, irrevocable, transferable, license to make, have made, use, market, import, distribute, copy, modify, prepare derivative works, perform, display, disclose, sublicense and otherwise exploit any and all such Pre-Existing Work Product, to the extent such grant of rights does not conflict with any contractual obligations of Employee existing prior to the Effective Date.

(e) **Exception to Assignments.** The foregoing provisions of this Agreement requiring assignment of Intellectual Property to the Company do not apply to any invention or Intellectual Property that cannot be assigned to the Company under the laws of the state in which Employee resides, and the notices set forth as **Appendix B** pertaining to Employee's state of residence applies to Employee and any such inventions and Intellectual Property.

(f) **Return of Company Documents**. At the time of leaving the employ of the Company and at other times as requested by Company, Employee will deliver to the Company (and will not keep in Employee's possession, recreate or deliver to anyone else) any and all works of original authorship, domain names, original registration certificates, photographs, negatives, digital images, devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment or other documents or property, or reproductions of any aforementioned items, developed by Employee pursuant to Employee's Relationship with the Company or otherwise belonging to the Company or its successors or assigns. In the event of the termination of Employee's Relationship with the Company, Employee agrees to execute and deliver the "Termination Certificate" attached hereto as **Appendix C**.

**4. Notification of New Employer**

In the event that Employee leaves the employ of the Company, Employee hereby grants consent to notification by the Company to Employee's new employer or consulting client of Employee's rights and obligations under this Agreement.

**5. No Solicitation of Employees**

In consideration for Employee's Relationship with the Company and other valuable consideration, receipt of which is hereby acknowledged, Employee agrees that, during the period of Employee's Relationship with the Company as an employee, consultant, officer and/or director and for a period of twelve (12) months thereafter, Employee will not solicit the employment of any person who is then employed by the Company (as an employee or consultant), on behalf of Employee or any other person, firm, corporation, association or other entity, directly or indirectly.

**6. Representations and Warranties**

Employee represents and warrants that Employee's performance of all the terms of this Agreement will not breach any agreement to keep in confidence proprietary information acquired by Employee in confidence or in trust prior to Employee's Relationship with the Company. Employee has not entered into, and Employee will not enter into, any oral or written agreement in conflict herewith. Employee agrees to execute any proper oath or verify any proper document required to carry out the terms of this Agreement.

**7. Equitable Relief**

Any disputes relating to or arising out of a breach of the covenants contained in this Agreement may cause the Company or Employee, as applicable, to suffer irreparable harm and to have no adequate remedy at law. In the event of any such breach or default by a party, or any threat of such breach or default, the other party will be entitled to injunctive relief, specific performance and other equitable relief. No bond or other security is required in obtaining such equitable relief (unless such bond or security is otherwise required by law, in which event, Company and Employee hereby agree that a $5,000 US bond will be sufficient) and hereby consents to the issuance of such injunction and to the ordering of specific performance.

**8. General Provisions**

(a) **Governing Law; Consent to Personal Jurisdiction**. This Agreement and any controversy related to or arising, directly or indirectly, out of, caused by or resulting from this Agreement will be governed by and construed in accordance with the domestic laws of Employee's residence as of the Effective Date of this Agreement (as identified in the caption of this Agreement), without giving effect to any choice or conflict of law provision or rule (whether of such state or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than such state. Employee hereby expressly consents to the nonexclusive personal jurisdiction and venue of the state and federal courts located in the federal Northern District of California for any lawsuit filed there by either party arising from or relating to this Agreement.

(b) **Entire Agreement**. This Agreement sets forth the entire agreement and understanding between the Company and Employee relating to the subject matter herein and merges all prior discussions between the parties. No modification of or amendment to this Agreement, or any waiver of any rights under this Agreement, will be effective unless in writing signed by the party to be charged. Any subsequent change or changes in Employee's duties, salary or compensation will not affect the validity or scope of this Agreement.

(c) **Severability**. If one or more of the provisions in this Agreement are deemed void by law, then the remaining provisions will continue in full force and effect.

(d) **Successors and Assigns**. Employee may not assign any of Employee's rights or delegate any of its obligations under this Agreement without the prior written consent of the Company. The Company may freely assign any of the Company's rights or delegate any of its obligations under this Agreement. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon and inure to the benefit of the successors, heirs and permitted assigns of the parties

Notwithstanding anything to the contrary in this Release or the Offer Letter, the foregoing release shall not cover, and Employee does not intend to release, any rights of indemnification under the Company's Charter Documents (defined below) or rights to directors and officers liability insurance. The Company's charter documents include, as applicable, Articles of Incorporation, Articles of Organization, Certificate of Formation, Bylaws or Limited Liability Company Agreement (collectively the "Charter Documents"). Employee further acknowledges that the Company's obligations under the Charter Documents with respect to indemnification are, to the extent required therein, conditioned upon receipt by the Company of an undertaking by Employee to repay any advanced or received amounts if it shall be determined by a court of competent jurisdiction by final judicial determination that Employee is not entitled to be indemnified by the Company under the Charter Documents.

**HYDROFARM HOLDINGS LLC**

**UNIT AWARD AGREEMENT**

This UNIT AWARD AGREEMENT (this "**Agreement**") is entered into as of [_____], 2017 (the "**Effective Date**"), by and between Hydrofarm Holdings LLC, a Delaware limited liability company (the "**Company**"), and [_____] (the "**Participant**"). Capitalized terms that are used but not defined herein have the meanings ascribed to them in the LLC Agreement (as defined below).

WHEREAS, the Company is governed by that certain Limited Liability Company Agreement of Hydrofarm Holdings LLC, dated as of [_____], 2017, by and among the Company and the Members from time to time party thereto, a copy of which is attached hereto as **Exhibit A** (as amended, supplemented or otherwise modified from time to time, the "**LLC Agreement**");

WHEREAS, pursuant to the LLC Agreement, the Company is authorized to grant Class P Units ("**Class P Units**") that are intended to constitute "profits interests" for applicable income tax purposes;

WHEREAS, this Agreement is intended to qualify for the exemption from registration under Section 4(2) or Rule 701 under the Securities Act or such other exemptions as may be available under the Securities Act; and

WHEREAS, as additional compensation for services provided by the Participant to the Company, the Company desires to grant Class P Units of the Company to the Participant on the terms and subject to the conditions set forth in this Agreement.

NOW, THEREFORE, the parties hereto hereby agree as follows:

**1. Defined Terms**.

"**Fair Market Value**" means the fair market value of the Class P Units, as determined in the good faith discretion of the Board as of the last day of the month completed most recently before any notice to repurchase the Class P Units is delivered.

"**Net Return**" means, as of the applicable date of determination, the return on investment realized by Hydrofarm Investment Corp., a Delaware corporation ("**Hawthorn**") with respect to all Units (regardless of class) held by Hawthorn, equal to the quotient of (a) the aggregate amount actually realized by Hawthorn and (b) the aggregate amount paid by Hawthorn for all Units held. The Net Return shall be calculated after taking into account the Class P Units, if any, which will vest pursuant to **Section 4**. Additionally, if contingent payments are to be received in connection with a Sale Event, the Net Return shall be calculated once such contingent payments are received; *provided*, *however*, that the Board in its good faith determination may, in its sole discretion, estimate such contingent payments and include such estimated contingent payments in its calculations of Net Return at the time of the Sale Event. For the avoidance of doubt, to the extent that Hawthorn owns Units indirectly through one or more other entities, such other entities shall be included within the definition of "Hawthorn" hereunder and any payment in respect of the Units owned by them shall be included for purposes of calculating Net Return.

"**Sale Event**" means any Approved Sale or, if not an Approved Sale, then any (a) Sale Transaction, (b) Corporate Conversion (*provided* such Corporate Conversion actually results in an initial Public Offering pursuant to Section 9.11 of the LLC Agreement) or (c) dissolution of the Company pursuant to Section 12.1 of the LLC Agreement.

**2. Grant of Units**. Upon the terms and conditions set forth in this Agreement, the Company hereby grants to the Participant effective as of the Effective Date (the "**Grant Date**"), [_____] Class P Units of the Company (the "**Granted Units**"). Such Granted Units are subject to the restrictions provided in this Agreement.

**3. Profits Interests; Initial Capital Account**. The Granted Units are each intended to constitute a "profits interest" in the Company within the meaning of Internal Revenue Service Revenue Procedures 93-27 and 2001-43. On the Grant Date, the Capital Account attributable to the Granted Units shall be zero.

**4. Vesting Conditions for Class P Units**. The Granted Units will vest and no longer be subject to forfeiture, in each case subject to the Participant's continued employment through the applicable vesting dates, as follows:

(a) fifty percent (50%) of the Granted Units will vest over a four-year period (the "**Time Vesting Units**"), whereby twenty-five percent (25%) of the Time Vesting Units will vest on the one (1) year anniversary of the Grant Date, with the remaining Time Vesting Units vesting in thirty-six (36) equal monthly installments thereafter, in each case subject to the Participant's continued employment through the applicable vesting dates; and

(b) fifty percent (50%) of the Granted Units will vest based on the following Company performance thresholds (the "**Performance Vesting Units**") measured as of the occurrence of a Sale Event:

(i) If the Net Return is less than 2.0:1.0, none of the Performance Vesting Units held by the Participant will vest.

(ii) If the Net Return is greater than or equal to 2.0:1.0, but less than 3.0:1.0, a portion of the Performance Vesting Units held by the Participant shall vest, which portion shall be determined by the following formula:

(A) the Net Return *minus* 2.0; *multiplied by*

(B) the total Performance Vesting Units held by the Participant.

(iii) If the Net Return is greater than or equal to 3.0:1.0, all of the Performance Vesting Units held by the Participant shall vest.

All of the Time Vesting Units will vest immediately prior to a Sale Event; provided that, in the case of each of clause (a) and (b) above, the Participant has provided continuous employment or service to the Company or any Related Company through such vesting date (the "**Vesting Schedule**"). The Board, in its sole discretion, at any time may accelerate vesting of the Granted Units. The Granted Units that have vested and are no longer subject to forfeiture according to the Vesting Schedule are referred to herein as "**Vested Units**." Granted Units that have not vested and remain subject to forfeiture under the Vesting Schedule are referred to herein as "**Unvested Units**."

**5. Forfeiture; Termination**.

**(a) Treatment of Units on Termination**.

(i) *Unvested Units*. If the Participant's employment with the Company or any of its Subsidiaries is terminated by the Company or any such Subsidiary, if the Participant terminates employment with the Company or any of its Subsidiaries, or if the Participant dies or becomes disabled, the Participant shall immediately forfeit all of the Unvested Units previously granted to the Participant pursuant to this Agreement.

(ii) *Vested Units*. If the Participant's employment with the Company or any of its Subsidiaries is terminated by the Company or any such Subsidiary without Cause (as defined in such Participant's employment agreement with the Company), if the Participant terminates employment with the Company or any of its Subsidiaries for Good Reason (as defined in such Participant's employment agreement with the Company) or if the Participant dies or becomes disabled, the Company may, in its sole discretion, within ninety (90) days following such termination, purchase any of the Vested Units for a price equal to the Fair Market Value on the date of termination. If the Company does not so purchase a Vested Unit, the Participant shall retain such Vested Unit. If the Participant resigns without Good Reason or the Company terminates the Participant's employment for Cause, all Vested Units previously granted to the Participant pursuant to this Agreement will be forfeited.

**(b) Effect of Forfeiture**. Upon the forfeiture of any Granted Units pursuant to this Agreement, the Participant (and the Participant's heirs, successors and assigns) shall thereafter have no right, title or interest whatsoever in such forfeited Granted Units and, if the Company does not have custody of any and all certificates representing such Granted Units, then the Participant shall immediately return to the Company any and all certificates representing the Granted Units so forfeited. The Participant will receive no payment from the Company in connection with the forfeiture of any Granted Units, including no distribution or payment in respect of the Participant's Capital Account or as a result of the Participant withdrawing or resigning as a Member of the Company. If the Granted Units granted hereunder have been forfeited, and the Participant owns no other Units of the Company, then the Participant will be automatically deemed to have withdrawn and resigned as a Member of the Company.

**6. LLC Agreement; Participation Threshold**. The terms and conditions of the Granted Units shall be as set forth herein and in the LLC Agreement. As a condition to the grant of the Granted Units pursuant to this Agreement, the Participant shall execute a counterpart signature page to the LLC Agreement, attached hereto as **Exhibit B**, agreeing to become a Member of the Company on the terms and subject to the conditions set forth in the LLC Agreement. If the Participant has a spouse, such spouse shall execute a spousal consent, attached hereto as **Exhibit C**. The Participation Threshold with respect to the Granted Units will be $**[0]** per Granted Unit.

**7. Limitations on Transfer**. In addition to the restrictions on transfer set forth in the LLC Agreement, the Participant may not Transfer any rights under this Agreement and the Participant's rights hereunder shall not be subject to pledge, encumbrance, hypothecation, execution, attachment or similar process, in each case whether voluntarily or involuntarily, by operation of law or otherwise. Any attempt to Transfer any of the rights under this Agreement or any of the Granted Units contrary to the provisions hereof and the levy of any attachment or similar process upon the Participant's rights hereunder or the Granted Units will be null and void.

**8. Representations and Warranties of the Participant**. The Participant hereby represents and warrants to the Company as of this date as follows:

(a) The Participant's residence and domicile is the State set forth on the signature page hereof and all discussions related to this Agreement and the Granted Units, and the offer and acceptance of this Agreement and the Granted Units, occurred in such State.

(b) The Participant is acquiring the Granted Units for the Participant's own account for investment and not with any view to, or for resale in connection with, any distribution or public offering thereof within the meaning of the Securities Act. The Participant hereby consents to an appropriate legend on the certificates, if any, evidencing such Granted Units to such effect and to the effect that Granted Units may not be disposed of except in compliance with all federal and state securities laws. The Participant acknowledges and agrees that the Company shall have no obligation to register Granted Units granted to the Participant under federal or state securities laws either at the time the Granted Units are issued and delivered to the Participant or are proposed to be disposed of by the Participant unless otherwise expressly provided to the contrary in written agreements to which the Company and the Participant are parties.

(c) The Participant understands that (i) the Granted Units have not been registered under the Securities Act or applicable state securities laws, in reliance on exemptions from registration under the Securities Act and applicable state securities laws and (ii) no federal or state agency has made any finding or determination as to the fairness for investment, nor any recommendation or endorsement, of the Granted Units.

(d) The Participant acknowledges and agrees that (i) except as expressly provided for in this Agreement, no representations or warranties with respect to the Granted Units have been made to the Participant by the Company, any manager, officer, agent, employee, Subsidiary or Affiliate of the Company, or any other Persons, (ii) except for this Agreement and the LLC Agreement, there are no agreements, contracts, understandings or commitments between the Participant, on the one hand, and the Company, any Manager, Officer, agent, employee, Subsidiary or Affiliate of the Company, on the other hand, with respect to the Granted Units, (iii) in entering into this transaction the Participant is not relying upon any information, other than that contained in the LLC Agreement, this Agreement and the results of the Participant's own independent investigation, (iv) any future economic return with respect to the Granted Units is speculative and subject to a high degree of risk, and (v) the Granted Units are subject to forfeiture as set forth herein, are subject to dilution by the issuance of additional Units by the Company, and the Participant is not entitled to any preemptive, tag-along, information or other minority investor rights with respect to either the Granted Units, other than as expressly set forth in the LLC Agreement or as otherwise provided under applicable law.

(e) The Participant is fully informed and aware of the circumstances under which the Granted Units must be held and the restrictions upon the resale of the Granted Units under the LLC Agreement and the Securities Act and any applicable state securities laws. The Participant acknowledges that (i) the Granted Units have not been registered under the Securities Act and, therefore, cannot be sold unless they are registered under the Securities Act and any applicable state securities laws or unless an exemption from such registration is available, (ii) the availability of an exemption may depend on factors over which the Participant or the Company has no control, (iii) unless so registered or exempt from registration the Granted Units may be required to be held for an indefinite period and (iv) the reliance of the Company and others upon the exemptions from registration referred to in the recitals is predicated in part upon this representation and warranty. The Participant understands that an exemption from registration is not presently available pursuant to Rule 144 promulgated under the Securities Act by the U.S. Securities and Exchange Commission, that there is no assurance that such exemption will ever become available to the Participant and that even if it were to become available, sales pursuant to Rule 144 would be limited in amount and could only be made in full compliance with the provisions of Rule 144.

(f) The Participant has full authority to enter into this Agreement and the LLC Agreement and perform the Participant's obligations hereunder and thereunder. This Agreement has been, and the LLC Agreement, upon the execution and delivery of the counterpart signature pages referred to in **Section 6**, will have been, duly and validly executed and delivered by the Participant and constitute or will constitute legal, valid and binding obligations of the Participant, enforceable against the Participant in accordance with their terms, subject, as to the enforcement of remedies, to the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or other similar law of general application affecting creditors and general principles of equity. The execution, delivery and performance of this Agreement does not and will not, and the execution and delivery of the LLC Agreement will not, conflict with, violate or cause a breach of any agreement, contract or instrument to which the Participant is a party or any judgment, order, decree or law to which the Participant is subject.

(g) The Participant understands that the Company's agreement to grant the Granted Units to the Participant is predicated, in part, on the representations, warranties and covenants of the Participant contained herein.

**9. Section 83(b) Election for Granted Units**.

(a) The Participant understands that under Section 83(a) of the Code, the excess (if any) of the Fair Market Value of the unvested Granted Units on the date the unvested Granted Units become vested over the purchase price, if any, paid for such Granted Units could be taxed as ordinary income subject to employment or self-employment taxes and tax reporting, as applicable. The unvested Granted Units are intended to qualify as "profits interests" in the Company for income tax purposes. Provided that the unvested Granted Units qualify as profits interests, the Fair Market Value of the unvested Granted Units on the Grant Date is deemed to be zero ($0) (and thus no tax generally would be payable by reason of the filing of the election). By filing a protective election within the 30-day period described below, the Participant should avoid the risk of adverse tax consequences in the future. The Participant understands that the Participant may elect under Section 83(b) of the Code to recognize income (in the amount of zero ($0)) at the time the unvested Granted Units are acquired, rather than when and as the unvested Granted Units vest. Such election (an "**83(b) Election**") must be filed with the Internal Revenue Service within thirty (30) days from the Grant Date of the Granted Units.

(b) THE FORM FOR MAKING AN 83(b) ELECTION IS ATTACHED TO THIS AGREEMENT AS **EXHIBIT D**. THE PARTICIPANT UNDERSTANDS THAT FAILURE TO FILE SUCH AN ELECTION WITHIN THE THIRTY (30)-DAY PERIOD MAY RESULT IN THE RECOGNITION OF ORDINARY INCOME BY THE PARTICIPANT AS THE FORFEITURE RESTRICTIONS LAPSE. THE PARTICIPANT FURTHER UNDERSTANDS THAT AN ADDITIONAL COPY OF SUCH ELECTION FORM SHOULD BE FILED WITH THE PARTICIPANT'S FEDERAL INCOME TAX RETURN FOR THE CALENDAR YEAR IN WHICH THE DATE OF THIS AGREEMENT FALLS. THE PARTICIPANT ACKNOWLEDGES THAT THE FOREGOING IS ONLY A SUMMARY OF THE FEDERAL INCOME TAX LAWS THAT APPLY TO THE RECEIPT OF THE UNVESTED UNITS UNDER THIS AGREEMENT AND DOES NOT PURPORT TO BE COMPLETE. THE PARTICIPANT FURTHER ACKNOWLEDGES THAT THE COMPANY HAS DIRECTED THE PARTICIPANT TO SEEK INDEPENDENT ADVICE REGARDING THE APPLICABLE PROVISIONS OF THE CODE, THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH PARTICIPANT MAY RESIDE, AND THE TAX CONSEQUENCES OF THE PARTICIPANT'S DEATH.

(c) The Participant agrees that the Participant will execute and deliver to the Company with this Agreement a copy of the 83(b) Election attached hereto as **Exhibit D**.

**10. Survival of Representations and Warranties; Indemnification**. All representations and warranties contained herein shall survive the execution of this Agreement and the grant of the Granted Units contemplated hereby. Each party agrees to indemnify and hold harmless the other from any liability, loss or expense (including reasonable attorneys' fees) if such party has breached any representation, warranty or agreement hereunder.

**11. Governing Law**. This Agreement is entered into under the laws of the State of Delaware and this Agreement (and any controversy or action arising out of or relating hereto) shall be construed and interpreted in accordance therewith.

**12. Discontinuance of Employment**. Neither this Agreement nor the issuance of the Granted Units shall give the Participant any right to continued employment by the Company or any of its Subsidiaries, or any of their respective Affiliates, and subject to the terms of any employment agreement among such parties, the Company, any of its Subsidiaries, and their Affiliates may terminate the Participant's employment for any reason whatsoever, with or without Cause, and otherwise deal with the Participant as an employee without regard to the effect any such action may have on the Participant's rights under this Agreement or the LLC Agreement. The Participant represents that the Participant is acquiring the Granted Units without any expectation that the ownership of any Granted Units will entitle the Participant to any rights as an employee of the Company, any of its Subsidiaries, or any of their Affiliates that would not exist if the Participant were not the owner of the Granted Units. The Participant further agrees that no change in his expectations concerning employment will have a reasonable basis unless set forth in a written agreement expressly giving the Participant additional rights as to such matters.

**13. Additional Securities**. Any additional securities issued to the Participant in respect of the Granted Units, will be subject to the terms and conditions contained herein in the same manner as the Granted Units, including forfeiture under **Section 5**.

**14. Review of Agreement; Complete Agreement**. The Participant confirms that the Participant has carefully reviewed this Agreement and the LLC Agreement and understands their terms. The Participant confirms that the Participant has consulted with legal counsel, or had ample opportunity to consult with legal counsel, representing Participant concerning this Agreement, the LLC Agreement and any other agreements between or among the Participant, the Company, and any of its or their present or prospective members, managers, officers or employees. This Agreement, together with the LLC Agreement, contains the complete agreement among the parties with respect to the grant of the Granted Units or any other incentive arrangement and supersedes all prior agreements and understandings among the parties hereto with respect hereto and thereto.

**15. Tax Acknowledgement**. Participant will pay to the Company, or the Company may deduct from any amounts payable to Participant, the amount of any applicable federal, state, local or foreign taxes that the Company determines is required to be withheld in connection with the issuance, vesting, forfeiture or purchase of the Granted Units, the distribution of any cash or other property on account of the Granted Units, or otherwise as a result of Participant's relationship with the Company. The Participant acknowledges and agrees that none of the Company, any of its Subsidiaries or any of their respective Affiliates has made any representations or warranties hereunder with respect to the economic or tax effect of the grant of the Granted Units (or any other incentive arrangements). The Participant has made his or her own independent evaluation of the Granted Units, including the economic and tax effect of them, either through his or her own analysis or through representatives such as legal counsel or accountants.

**16.** **Miscellaneous**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and, except as otherwise expressly provided herein, their respective heirs, executors, administrators, representatives, successors and permitted assigns. This Agreement may not be assigned, transferred or otherwise disposed of by the Participant, whether voluntarily or involuntarily, by operation of law or otherwise, without the prior written consent of the Company. No waiver of any provision of this Agreement is valid unless in writing and signed by the party against whom or which enforcement is sought and any such waiver is effective only in the specific instance described and for the purpose for which the waiver was given. The failure of any party to this Agreement to insist upon or enforce strict performance by any other party to this Agreement of any provision of this Agreement shall not be construed as a waiver or relinquishment of such right or related remedy. Whenever the context of this Agreement requires, the gender of all words herein shall include the masculine, feminine, and neuter, and the number of all words herein shall include the singular and plural. The word "including" and words of similar import when used in this Agreement will mean "including, without limitation," unless otherwise specified. The word "or" will not be exclusive.

[*The remainder of this page is intentionally left blank*]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the day and year first written above.

**Re: Employment Terms**

Dear Robert Clamp:

On behalf of Hydrofarm, LLC (the "**Company**"), I am pleased to offer you employment at the Company on the terms set forth in this offer letter agreement (the "**Agreement**"), which will govern your employment with the Company.

It is anticipated that your employment will commence on **April 30, 2018**, although you and the Company may determine an alternative date for your employment to start (such actual date of your commencement of employment shall be referred to herein as the "**Start Date**").

**1. Employment by the Company.**

**(a) Position.** You will serve as the Company's **Chief Operating Office**. During the term of your employment with the Company, you will devote your best efforts and substantially all of your business time and attention to the business of the Company, except for approved vacation periods and reasonable periods of illness or other incapacities permitted by the Company's general employment policies.

**(b) Duties and Location.** You will perform those duties and responsibilities as are customary for your position, as may be directed by the Chief Executive Officer, to whom you will report. Your primary office location will be the Company's offices in Petaluma, California. Notwithstanding the foregoing, the Company reserves the right to reasonably require you to perform your duties at places other than your primary office location from time to time, and to require reasonable business travel. The Company may modify your job title and duties as it deems necessary and appropriate in light of the Company's needs and interests from time to time.

**2. Base Salary and Employee Benefits.**

**(a) Salary.** You will receive for services to be rendered hereunder base salary paid at no less than the rate of $300,000 per year. Your base salary will be paid, less standard payroll deductions and tax withholdings, on the Company's ordinary payroll cycle. As an exempt salaried employee, you will be required to work the Company's normal business hours, and such additional time as appropriate for your work assignments and position, and you will not be entitled to overtime compensation.

**(b) Benefits.** As a regular full-time employee, you will be eligible to participate in the Company's standard employee benefits (pursuant to the terms and conditions of the benefit plans and applicable policies), which will include, but not be limited to: paid holidays; paid sick time; paid vacation time; medical, dental and vision insurance, group life insurance; short-term and long-term disability insurance; a 401(k) plan; and supplemental benefits through BeniComp Insurance Company. Such benefits are or will be described in summary plan descriptions and policies that will be available or provided to you by the Company.

**3. Annual Bonus.** You will be eligible to earn an annual performance and retention bonus of up to twenty five percent (25%) of your base salary rate (the "**Annual Bonus**"). The Annual Bonus will be based upon the assessment of the Company's Board of Directors (or its designee) (the "**Board**") of your performance and the Company's attainment of goals as mutually agreed between you and the Board. Bonus payments, if any, will be subject to applicable payroll deductions and withholdings. Following the close of each calendar year, the Board will determine whether you have earned an Annual Bonus, and the amount of any such bonus, based on the achievement of such goals. You must remain an active employee through the end of any given calendar year in order to earn an Annual Bonus for that year and any such bonus will be paid no later than March 15th of the year following the year in which your right to such amount became vested.

**4. Expenses.** The Company will reimburse you for reasonable travel, entertainment or other expenses incurred by you in furtherance or in connection with the performance of your duties hereunder, in accordance with the Company's expense reimbursement policy as in effect from time to time.

**5. Compliance with Proprietary Information Agreement and Company Policies.** You acknowledge that the Proprietary Information and Invention Assignment Agreement which you signed in connection with your employment with Hydrofarrn, Inc. (the "**Confidentiality Agreement**," a copy of which is attached hereto as ***Exhibit A)*** will remain in full force and effect during your Company employment. In addition, you are required to abide by the Company's policies and procedures, as modified from time to time within the Company's discretion; *provided, however,* that in the event the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control. Nothing in this Agreement or your Confidentiality Agreement, is intended to or will be used in any way to limit your rights to communicate with a government agency, as provided for, protected under or warranted by applicable law.

**6. Protection of Third Party Information**. In your work for the Company, you will be expected not to make any unauthorized use or disclosure of any confidential or proprietary information, including trade secrets, of any former employer or other third party to whom you have contractual obligations to protect such information. Rather, you will be expected to use only that information which is generally known and used by persons with training and experience comparable to your own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided or developed by the Company. You represent that you are able to perform your job duties within these guidelines, and you are not in unauthorized possession of any unpublished documents, materials, electronically-recorded information, or other property belonging to any former employer or other third party to whom you have a contractual obligation to protect such property. In addition, you represent and warrant that your employment by the Company will not conflict with any prior employment or consulting agreement or other agreement with any third party, that you will perform your duties to the Company without violating any such agreement(s), and that you have disclosed to the Company in writing any contract you have signed that may restrict your activities on behalf of the Company.

**7. At-Will Employment Relationship.** Your employment relationship with the Company is at-will. Accordingly, you may terminate your employment with the Company at any time and for any reason whatsoever simply by notifying the Company; and the Company may terminate your employment at any time, with or without Cause or advance notice.

**8. Severance.** if, at any time, the Company terminates your employment without Cause (other than as a result of your death or disability) or you resign for Good Reason (either such termination referred to as a "**Qualifying Termination**"), provided such termination or resignation constitutes a Separation from Service (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "**Separation from Service**"), then subject to Sections 10 and 11 below and your continued compliance with the terms of this Agreement (including without limitation Section 5 above), the Company will provide you with the following severance benefits (the "**Severance Benefits**"):

**(a) Cash Severance.** The Company will pay you, as cash severance, (i) an amount equal to six (6) months of your base salary in effect as of your Separation from Service date *(provided that* if your employment termination is due to your resignation for Good Reason in connection with the reduction of your base salary, then the cash severance payment herein will be based upon your base salary rate as of immediately prior to such reduction), and (ii) an amount equal to your target Annual Bonus for the calendar year in which your employment termination occurs (collectively, the "**Severance**"). The Severance will be paid, less standard payroll deductions and tax withholdings, in a lump sum payment on or before the day that is sixty (60) days following your Separation from Service date.

**(b) COBRA Severance.** As an additional Severance Benefit, the Company will continue to pay the cost of your health care coverage in effect at the time of your Separation from Service for a maximum of six (6) months, either under the Company's regular health plan (if permitted), or by paying your COBRA premiums (the "**COBRA Severanc**e"). The Company's obligation to pay the COBRA Severance on your behalf will cease if you obtain health care coverage from another source (e.g., a new employer or spouse's benefit plan), unless otherwise prohibited by applicable law. You must notify the Company within two (2) weeks if you obtain coverage from a new source. This payment of COBRA Severance by the Company would not expand or extend the maximum period of COBRA coverage to which you would otherwise be entitled under applicable law. Notwithstanding the above, if the Company determines in its sole discretion that it cannot provide the foregoing COBRA Severance without potentially violating applicable law (including, without limitation, Section 2716 of the Public Health Service Act), the Company shall in lieu thereof provide to you a taxable monthly payment in an amount equal to the monthly COBRA premium that you would be required to pay to continue your group health coverage in effect on the date of your termination (which amount shall be based on the premium for the first month of COBRA coverage), which payments shall be made on the last day of each month regardless of whether you elect COBRA continuation coverage and shall end on the earlier of (x) the date upon which you obtain other coverage or (y) the last day of the twenty-fourth (20) calendar month following your Separation from Service date.

**9. Resignation Without Good Reason; Termination for Cause; Death or Disability.** If, at any time, you resign your employment without Good Reason, or the Company terminates your employment for Cause, or if either party terminates your employment as a result of your death or disability, you will receive your base salary accrued through your last day of employment, as well as any unused vacation (if applicable) accrued through your last day of employment. Under these circumstances, you will not be entitled to any other form of compensation from the Company, including any Severance Benefits, other than any rights to which you are entitled under the Company's benefit programs, stock option plan or equity grant documents between you and the Company.

**10. Conditions to Receipt of Severance Benefits.** Prior to and as a condition to your receipt of the Severance Benefits described above, you shall execute and deliver to the Company an effective release of claims in favor of the Company, in substantially the form attached hereto as ***Exhibit B*** (the "**Release**") within the timeframe set forth therein, but not later than forty-five (45) days following your Separation from Service date, and allow the Release to become effective according to its terms (by not invoking any legal right to revoke it) within any applicable time period set forth therein (such latest permitted effective date, the "**Release Deadline**").

**11. Return of Company Property.** Upon the termination of your employment for any reason, as a precondition to your receipt of the Severance Benefits (if applicable), within five (5) days after your Separation from Service Date (or earlier if requested by the Company), you will return to the Company all Company documents (and all copies thereof) and other Company property within your possession, custody or control, including, but not limited to, Company files, notes, financial and operational information, customer lists and contact information, product and services information, research and development information, drawings, records, plans, forecasts, reports, payroll information, spreadsheets, studies, analyses, compilations of data, proposals, agreements, sales and marketing information, personnel information, specifications, code, software, databases, computer-recorded information, tangible property and equipment (including, but not limited to, computers, facsimile machines, mobile telephones, tablets, handheld devices, and servers), credit cards, entry cards, identification badges and keys, and any materials of any kind which contain or embody any proprietary or confidential information of the Company, and all reproductions thereof in whole or in part and in any medium. You further agree that you will make a diligent search to locate any such documents, property and information and return them to the Company within the timeframe provided above. In addition, if you have used any personally-owned computer, server, or e-mail system to receive, store, review, prepare or transmit any confidential or proprietary data, materials or information of the Company, then upon the termination of your employment for any reason within five (5) days after your Separation from Service date, you must provide the Company with a computer-useable copy of such information and permanently delete and expunge such confidential or proprietary information from those systems without retaining any reproductions (in whole or in part); and you agree to provide the Company access to your system, as requested, to verify that the necessary copying and deletion is done. You shall deliver to the Company a signed statement certifying compliance with this Section 11 prior to the receipt of the Severance Benefits.

**12.** **Outside Activities**. Throughout your employment with the Company, you may engage in civic and not-for-profit activities so long as such activities do not interfere with the performance of your duties hereunder or present a conflict of interest with the Company, or otherwise compete with the Company. Subject to the restrictions set forth herein and with the prior written consent of the Board, you may serve as a director of other corporations and may devote a reasonable amount of your time to other types of business or public activities not expressly mentioned in this paragraph. The Board may rescind its consent to your service as a director of all other corporations or participation in other business or public activities, if the Board, in its sole discretion, determines that such activities compromise or threaten to compromise the Company's business interests or conflict with your duties to the Company.

**13.** **Definitions.** For purposes of this Agreement, the following terms shall have the following meanings:

"**Cause**" for termination will mean your: (a) willful and continued failure to substantially perform your duties (other than as a result of incapacity due to physical or mental illness); (b) gross negligence or willful misconduct in the course of your employment with the Company that causes or is likely to cause material harm to the Company; (c) conviction of, or plea of guilty or *nolo contendere* to, a crime involving moral turpitude; (d) intentional, material breach of this Agreement that causes or is likely to cause material harm to the Company; (e) intentional, material violation of the written policies of the Company, to the extent you have reasonable notice of such policies, that causes or is likely to cause material harm to the Company; or (f) material fraud with respect to, or embezzlement of material funds or property belonging to, the Company. Notwithstanding the foregoing, "Cause" shall not exist with respect to the events or circumstances described in sections (a), (b), (d), (e) or (f) of this paragraph unless and until the Company has given you written notice of the applicable event or circumstance within sixty (60) days of the date the Company has actual knowledge thereof, which notice specifically delineates such claimed misconduct or breach and informs you that you are required to cure such misconduct or breach (if curable) within thirty (30) days (the "**Executive Cure Period**") of the date of such notice, and such breach is not cured to the extent curable within the Executive Cure Period. If Cause exists pursuant to the preceding sentence in respect of an event described in sections (a), (b), (d), (e) or (f) of this paragraph, the Company may terminate your employment for Cause within forty-five (45) days after the end of the Executive Cure Period. If such curable misconduct or breach is cured within the Executive Cure Period, Cause shall be deemed not to exist. The Company shall not be permitted to terminate your employment for Cause in respect of an event described in sections (a), (b), (d), (e) or (f) of this paragraph if the Company fails to either (x) provide written notice of the applicable event or circumstance within sixty (60) days of the date the Board (other than you, if you are a member of the Board) has actual knowledge thereof, or (y) terminate your employment within the forty-five (45)-day period following the end of the applicable Executive Cure Period.

You shall have "**Good Reason**" for resigning from employment with the Company if any of the following actions are taken by the Company without your prior written consent: (a) a material reduction in your base salary, which the parties agree is a reduction of at least ten percent (10%) of your base salary; (b) a material reduction in your position, duties, responsibilities and/or authorities; (c) relocation of your principal place of employment to a place that increases your one-way commute by more than twenty-five (25) miles as compared to your then-current principal place of employment immediately prior to such relocation; or (d) any material breach of this Agreement by the Company. In order to resign for Good Reason, you must provide written notice to the Board within sixty (60) days after the first occurrence of the event giving rise to Good Reason setting forth the basis for your resignation, allow the Company at least thirty (30) days from receipt of such written notice to cure such event, and if such event is not reasonably cured within such period, you must resign from all positions you then hold with the Company not later than forty-five (45) days after the expiration of the cure period.

**14. Compliance with Section 409A.** It is intended that the Severance Benefits set forth in this Agreement satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Internal Revenue Code of 1986, as amended, (the "Code") (Section 409A, together with any state law of similar effect, "**Section 409A**") provided under Treasury Regulations 1.409A-1(b)(4), 1.409A-1(b)(5) and l.409A-l(b)(9). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations 1.409A-2(b)(2)(iii)), your right to receive any installment payments under this Agreement (whether severance payments, reimbursements or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. Notwithstanding any provision to the contrary in this Agreement, if the Company (or, if applicable, the successor entity thereto) determines that the Severance Benefits constitute "deferred compensation" under Section 409A and you are, on the date of your Separation from Service, a "specified employee" of the Company or any successor entity thereto, as such term is defined in Section 409A(a)(2)(B)(i) of the Code, then, solely to the extent necessary to avoid the incurrence of adverse personal tax consequences under Section 409A, the timing of the Severance Benefits shall be delayed until the earliest of: (i) the date that is six (6) months and one (1) day after your Separation from Service date, (ii) the date of your death, or (iii) such earlier date as permitted under Section 409A without the imposition of adverse taxation. Upon the first business day following the expiration of such applicable Code Section 409A(a)(2)(B)(i) period, all payments or benefits deferred pursuant to this Section 14 shall be paid in a lump sum or provided in full by the Company (or the successor entity thereto, as applicable), and any remaining payments due shall be paid as otherwise provided herein. No interest shall be due on any amounts so deferred. If the Severance Benefits are not covered by one or more exemptions from the application of Section 409A and the Release could become effective in the calendar year following the calendar year in which you have a Separation from Service, the Release will not be deemed effective any earlier than the Release Deadline. The Severance Benefits are intended to qualify for an exemption from application of Section 409A or comply with its requirements to the extent necessary to avoid adverse personal tax consequences under Section 409A, and any ambiguities herein shall be interpreted accordingly.

**15. Section 280G; Parachute Payments.**

**(a)** If any payment or benefit you will or may receive from the Company or otherwise (a "**280G Payment**") would (i) constitute a "parachute payment" within the meaning of Section 280G of the Code, and (ii) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "**Excise Tax**"), then any such 280G Payment provided pursuant to this Agreement (a "**Payment**") shall be equal to the Reduced Amount. The "Reduced Amount" shall be either (x) the largest portion of the Payment that would result in no portion of the Payment (after reduction) being subject to the Excise Tax or (y) the largest portion, up to and including the total, of the Payment, whichever amount (i.e., the amount determined by clause (x) or by clause (y)), after taking into account all applicable federal, state and local employment taxes, income taxes, and the Excise Tax (all computed at the highest applicable marginal rate), results in your receipt, on an after-tax basis, of the greater economic benefit notwithstanding that all or some portion of the Payment may be subject to the Excise Tax. If a reduction in a Payment is required pursuant to the preceding sentence and the Reduced Amount is determined pursuant to clause (x) of the preceding sentence, the reduction shall occur in the manner (the "**Reduction Method**") that results in the greatest economic benefit for you. If more than one method of reduction will result in the same economic benefit, the items so reduced will be reduced pro rata (the "**Pro Rata Reduction Method**").

**(b)** Notwithstanding any provision of subsection (a) above to the contrary, if the Reduction Method or the Pro Rata Reduction Method would result in any portion of the Payment being subject to taxes pursuant to Section 409A that would not otherwise be subject to taxes pursuant to Section 409A, then the Reduction Method and/or the Pro Rata Reduction Method, as the case may be, shall be modified so as to avoid the imposition of taxes pursuant to Section 409A as follows: (A) as a first priority, the modification shall preserve to the greatest extent possible, the greatest economic benefit for you as determined on an after-tax basis; (B) as a second priority, Payments that are contingent on future events (e.g., being terminated without Cause), shall be reduced (or eliminated) before Payments that are not contingent on future events; and (C) as a third priority, Payments that are "deferred compensation" within the meaning of Section 409A shall be reduced (or eliminated) before Payments that are not deferred compensation within the meaning of Section 409A.

**(c)** Unless you and the Company agree on an alternative accounting firm or law firm, the accounting firm engaged by the Company for general tax compliance purposes as of the day prior to the effective date of the applicable change in control transaction shall perform the foregoing calculations. If the accounting firm so engaged by the Company is serving as accountant or auditor for the individual, entity or group effecting such change in control transaction, the Company shall appoint a nationally recognized accounting or law firm to make the determinations required by this Section l5. The Company shall bear all expenses with respect to the determinations by such accounting or law firm required to be made hereunder. The Company shall use commercially reasonable efforts to cause the accounting or law firm engaged to make the determinations hereunder to provide its calculations, together with detailed supporting documentation, to you and the Company within fifteen (15) calendar days after the date on which your right to a 280G Payment becomes reasonably likely to occur (if requested at that time by you or the Company) or such other time as requested by you or the Company.

**(d)** If you receive a Payment for which the Reduced Amount was determined pursuant to clause (x) of Section 15(a) and the Internal Revenue Service determines thereafter that some portion of the Payment is subject to the Excise Tax, you agree to promptly return to the Company a sufficient amount of the Payment (after reduction pursuant to clause (x) of Section 15(a)) so that no portion of the remaining Payment is subject to the Excise Tax. For the avoidance of doubt, if the Reduced Amount was determined pursuant to clause (y) of Section 15(a), you shall have no obligation to return any portion of the Payment pursuant to the preceding sentence.

**16. Dispute Resolution.** To ensure the timely and economical resolution of disputes that may arise in connection with your employment with the Company, you and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance, negotiation, execution, or interpretation of this Agreement, your employment, or the termination of your employment, including but not limited to statutory claims (including, without limitation, discrimination, harassment, wrongful termination or wage claims under the Labor Code), will be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in the San Francisco Bay Area, California, conducted by JAMS, Inc. ("**JAMS**") under the then-applicable JAMS rules (available at the following web address: http://www.jamsadr.com/rulesclauses, and which will be provided to you on request). By agreeing to this arbitration procedure, both you and the Company waive the right to resolve any such dispute through a trial by jury or judge or administrative proceeding. You will have the right to be represented by legal counsel at any arbitration proceeding. The arbitrator shall: (a) have the authority to compel adequate discovery for the resolution of the dispute and to award such relief as would otherwise be permitted by law; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award. The arbitrator shall be authorized to award any or all remedies that you or the Company would be entitled to seek in a court of law. The Company shall pay all JAMS' arbitration fees in excess of the amount of court fees that would be required of you if the dispute were decided in a court of law. Nothing in this letter is intended to prevent either you or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration. Any awards or orders in such arbitrations may be entered and enforced as judgments in the federal and state courts of any competent jurisdiction.

**17. Miscellaneous.** This offer is contingent upon a background check clearance, reference checks clearance, and satisfactory proof of your identity and right to work in the United States. This Agreement, together with your Confidentiality Agreement, forms the complete and exclusive statement of your employment agreement with the Company. It supersedes any other agreements or promises made to you by anyone, whether oral or written. Changes in your employment terms, other than those changes expressly reserved to the Company's or Board's discretion in this Agreement, require a written modification approved by the Company and signed by a duly authorized officer of the Company. This Agreement will bind the heirs, personal representatives, successors and assigns of both you and the Company, and inure to the benefit of both you and the Company, their heirs, successors and assigns. If any provision of this Agreement is determined to be invalid or unenforceable, in whole or in part, this determination shall not affect any other provision of this Agreement and the provision in question shall be modified so as to be rendered enforceable in a manner consistent with the intent of the parties insofar as possible under applicable law. This Agreement shall be construed and enforced in accordance with the laws of the State of California without regard to conflicts of law principles. Any ambiguity in this Agreement shall not be construed against either party as the drafter. Any waiver of a breach of this Agreement, or rights hereunder, shall be in writing and shall not be deemed to be a waiver of any successive breach or rights hereunder. This Agreement may be executed in counterparts which shall be deemed to be part of one original, and facsimile and electronic image copies of signatures shall be equivalent to original signatures.

Please sign and date this Agreement and the enclosed Confidentiality Agreement and return them to me on the date hereof if you wish to accept employment at the Company under the terms described above. The offer of employment herein will expire if I do not receive this signed letter by that date. I would be happy to discuss any questions that you may have about these terms.

We are delighted to be making this offer and the Company looks forward to your favorable reply and to a productive and enjoyable work relationship.

Sincerely,

/s/ Peter Wardenburg

**Exhibit A: Proprietary Information and Invention Assignment Agreement**
**[Exhibit B: Release]**

**EXHIBIT A**

**PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT**

This PROPRIETARY INFORMATION AND INVENTION ASSIGNMENT AGREEMENT (this "Agreement"), dated as of April _____, 2017 (the "Effective Date"), is made and entered into by and between (i) Hydrofarm, Inc., a California corporation ("Company"), and (ii) _____, an individual resident in the State of _____ ("Employee").

**AGREEMENT**

In consideration of Employee's employment with Company, Employee's receipt of the compensation paid to Employee by Company and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. Employment; Compensation**

(a) Employee understands and acknowledges that Employee's employment with the Company is for an unspecified duration and constitutes "at-will" employment. Employee acknowledges that this employment relationship may be terminated at any time, with or without good cause or for any or no cause, at the option either of the Company or employee, with or without notice.

(b) During the term of Employee's employment with the Company, Employee will not engage in any other employment, occupation, consulting or other business activity related to the business in which the Company is now involved or becomes involved during the term of Employee's employment; and, Employee will not engage in any other activities that conflict with Employee's obligations to the Company.

(c) In consideration for the covenants and obligations set forth herein, the Company will pay Employee the compensation set forth on **Appendix A**.

**2. Confidential Information**

(a) **Company Information**. During the term of Employee's employment (Employee's "Relationship with the Company"), Employee will have access to Confidential Information and Trade Secrets of the Company (collectively, the "Proprietary Information"). Employee acknowledges that all Proprietary Information that may exist from time to time is a valuable, special and unique asset of the Company, and access to and knowledge of which is essential to the performance of Employee's employment duties. Employee will keep confidential and not disclose (during the period of employment and thereafter, except that Employee is only required to hold any Proprietary Information that is not a Trade Secret in confidence for the maximum extent permitted by applicable law) to any other person or entity and will not use for Employee's own benefit or the benefit of any other person or entity (other than the Company) any Proprietary Information, except in a manner that has been expressly authorized by the formal written policies of the Company. "Confidential Information" means any Company proprietary information, technical data, or know-how, including, but not limited to, research, business plans, product plans, products, services, customer lists and customers (including, but not limited to, customers of the Company on whom Employee called or with whom Employee became acquainted during the term of Employee's Relationship with the Company), market research, works of original authorship, intellectual property (including, but not limited to, unpublished works and undisclosed patents), photographs, negatives, digital images, software, computer programs, ideas, developments, inventions (whether or not patentable), processes, formulas, technology, designs, drawings and engineering, hardware configuration information, forecasts, strategies, marketing, finances or other business information disclosed to Employee by the Company either directly or indirectly in writing, orally or by drawings or observation or inspection of parts or equipment. Confidential Information does not include any of the foregoing items that has become publicly known and made generally available through no wrongful act of Employee or of others who were under confidentiality obligations as to the item or items involved. "Trade Secrets" means, collectively, information, including a formula, pattern, compilation, program, device, method, technique or process, that: (i) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use; and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(b) **Other Employer Information**. Employee will not improperly use or disclose to any member of the Company, or to any employee, officer, director, manager, equityholder, financing source, lender, partner, agent, contractor or representative of any member of the Company, any confidential or proprietary information (including unpublished patent applications or invention disclosures) belonging to any former employer of Employee or to any other person or entity to which Employee owes a duty of nondisclosure, unless consented to in writing by such employer, person or entity.

(c) **Third Party Information**. Employee recognizes that the Company has received and in the future will receive from third parties their confidential or proprietary information subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. Employee will hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm or corporation or to use it except as necessary in carrying out Employee's duties to the Company consistent with the Company's agreement with such third party.

(d) **Defend Trade Secrets** Act. Notwithstanding any other provision of this Agreement to the contrary, pursuant to 18 USC Section 1833(b), Employee shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that is made: (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (ii) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. 18 USC Section 1833(b) does not, however, preclude the trade secret owner from seeking breach of contract remedies.

**3. Intellectual Property**

(a) **Assignment of Intellectual Property**. Employee will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assigns to the Company, or its designee, all of Employee's right, title and interest in and to any original works of authorship, trademarks, domain names, inventions (including the right to claim priority), concepts, improvements, processes, methods or Proprietary Information , whether or not patentable or registrable under copyright or similar laws that Employee may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during the period of Employee's Relationship with the Company, including such intellectual property developed by Employee for the Company prior to the Effective Date (collectively referred to as "Intellectual Property") and that (i) are developed using the equipment, supplies, facilities or Confidential Information of the Company, (ii) result from or are suggested by work performed by Employee for the Company, or (iii) relate to the Company business or to the actual or demonstrably anticipated research or development of the Company. All original works of authorship that are created by Employee (solely or jointly with others) within the scope of and during the period of Employee's Relationship with the Company and that are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act. Any assignment of copyright hereunder includes all rights of paternity, integrity, disclosure and withdrawal, and any other rights that may be known as or referred to as "moral rights" (collectively, "Moral Rights"). To the extent such Moral Rights cannot be assigned under applicable law and to the extent the following is allowed by the laws in the various countries where Moral Rights exist, Employee hereby waives such Moral Rights and consents to any action of Company that would violate such Moral Rights in the absence of such consent.

(b) **Patent and Copyright Registrations**. Employee will assist the Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in the Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto in any and all countries, including the disclosure to the Company of all pertinent information and data with respect thereto and the execution of all applications, specifications, oaths, assignments and other instruments that the Company deems necessary in order to apply for and obtain such rights and in order to assign and convey to the Company and its successors, assigns and nominees the sole and exclusive right, title and interest in and to such Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto. Employee's obligation to execute or cause to be executed, when it is in Employee's power to do so, any such instrument or papers continues after the termination of this Agreement. In the event the Company is unable because of Employee's mental or physical incapacity or for any other reason to secure Employee's assistance in perfecting the rights transferred in this Agreement, Employee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Employee's agent and attorney in fact, to act for and in Employee's behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent and copyright, trademark or domain name registrations thereon with the same legal force and effect as if executed by Employee. The designation and appointment of the Company and its duly authorized officers and agents as Employee's agent and attorney in fact is deemed to be coupled with an interest and therefore irrevocable.

(c) **Maintenance of Records**. Employee will keep and maintain adequate and current written records of all Intellectual Property created by Employee (solely or jointly with others) during the term of Employee's Relationship with the Company. The records will be in the form of notes, sketches, drawings, works of original authorship, photographs, negatives or digital images or in any other format that may be specified by the Company. The records will be available to and remain the sole property of the Company at all times.

(d) **Intellectual Property Retained and Licensed**. To the extent permitted by Section 2(b), Employee has accurately identified on Schedule 1 all ideas, methodologies, processes, inventions, discoveries and works of authorship, and all rights in any trademarks, service marks, trade secrets, copyrights, and patents, that Employee created prior to Employee's employment with the Company (collectively "Pre-Existing Work Product") that may reasonably relate to the current or future business of the Company. Except as provided herein, Employee will retain all right, title and interest in and to such Pre-Existing Work Product. Employee will promptly disclose to the Company any modifications or improvements to any Pre-Existing Work Product that fall within the definition of Intellectual Property (and hereby assigns rights thereto to the Company pursuant to Section 3(a)). If Employee, during the course of or resulting from employment with the Company, uses, creates, or otherwise provides Confidential Information, Intellectual Property or other works that incorporate or reasonably require the use of any of Employee's Pre-Existing Work Product, then Employee will promptly disclose such and hereby grants the Company an unrestricted, royalty-free, perpetual, irrevocable, transferable, license to make, have made, use, market, import, distribute, copy, modify, prepare derivative works, perform, display, disclose, sublicense and otherwise exploit any and all such Pre-Existing Work Product, to the extent such grant of rights does not conflict with any contractual obligations of Employee existing prior to the Effective Date.

(e) **Exception to Assignments.** The foregoing provisions of this Agreement requiring assignment of Intellectual Property to the Company do not apply to any invention or Intellectual Property that cannot be assigned to the Company under the laws of the state in which Employee resides, and the notices set forth as **Appendix B** pertaining to Employee's state of residence applies to Employee and any such inventions and Intellectual Property.

(f) **Return of Company Documents**. At the time of leaving the employ of the Company and at other times as requested by Company, Employee will deliver to the Company (and will not keep in Employee's possession, recreate or deliver to anyone else) any and all works of original authorship, domain names, original registration certificates, photographs, negatives, digital images, devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment or other documents or property, or reproductions of any aforementioned items, developed by Employee pursuant to Employee's Relationship with the Company or otherwise belonging to the Company or its successors or assigns. In the event of the termination of Employee's Relationship with the Company, Employee agrees to execute and deliver the "Termination Certificate" attached hereto as **Appendix C**.

**4. Notification of New Employer**

In the event that Employee leaves the employ of the Company, Employee hereby grants consent to notification by the Company to Employee's new employer or consulting client of Employee's rights and obligations under this Agreement.

**5. No Solicitation of Employees**

In consideration for Employee's Relationship with the Company and other valuable consideration, receipt of which is hereby acknowledged, Employee agrees that, during the period of Employee's Relationship with the Company as an employee, consultant, officer and/or director and for a period of twelve (12) months thereafter, Employee will not solicit the employment of any person who is then employed by the Company (as an employee or consultant), on behalf of Employee or any other person, firm, corporation, association or other entity, directly or indirectly.

**6. Representations and Warranties**

Employee represents and warrants that Employee's performance of all the terms of this Agreement will not breach any agreement to keep in confidence proprietary information acquired by Employee in confidence or in trust prior to Employee's Relationship with the Company. Employee has not entered into, and Employee will not enter into, any oral or written agreement in conflict herewith. Employee agrees to execute any proper oath or verify any proper document required to carry out the terms of this Agreement.

**7. Equitable Relief**

Any disputes relating to or arising out of a breach of the covenants contained in this Agreement may cause the Company or Employee, as applicable, to suffer irreparable harm and to have no adequate remedy at law. In the event of any such breach or default by a party, or any threat of such breach or default, the other party will be entitled to injunctive relief, specific performance and other equitable relief. No bond or other security is required in obtaining such equitable relief (unless such bond or security is otherwise required by law, in which event, Company and Employee hereby agree that a $5,000 US bond will be sufficient) and hereby consents to the issuance of such injunction and to the ordering of specific performance.

**8. General Provisions**

(a) **Governing Law; Consent to Personal Jurisdiction**. This Agreement and any controversy related to or arising, directly or indirectly, out of, caused by or resulting from this Agreement will be governed by and construed in accordance with the domestic laws of Employee's residence as of the Effective Date of this Agreement (as identified in the caption of this Agreement), without giving effect to any choice or conflict of law provision or rule (whether of such state or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than such state. Employee hereby expressly consents to the nonexclusive personal jurisdiction and venue of the state and federal courts located in the federal Northern District of California for any lawsuit filed there by either party arising from or relating to this Agreement.

(b) **Entire Agreement**. This Agreement sets forth the entire agreement and understanding between the Company and Employee relating to the subject matter herein and merges all prior discussions between the parties. No modification of or amendment to this Agreement, or any waiver of any rights under this Agreement, will be effective unless in writing signed by the party to be charged. Any subsequent change or changes in Employee's duties, salary or compensation will not affect the validity or scope of this Agreement.

(c) **Severability**. If one or more of the provisions in this Agreement are deemed void by law, then the remaining provisions will continue in full force and effect.

(d) **Successors and Assigns**. Employee may not assign any of Employee's rights or delegate any of its obligations under this Agreement without the prior written consent of the Company. The Company may freely assign any of the Company's rights or delegate any of its obligations under this Agreement. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon and inure to the benefit of the successors, heirs and permitted assigns of the parties

**HYDROFARM, INC.**

April 10, 2017

Jeffrey Peterson

**Re: Employment Terms**

Dear Jeff:

On behalf of Hydrofarm, Inc., which shall be known as Hydrofarm, LLC at the closing of the Transaction (as defined below) (the "**Company**"), I am pleased to offer you employment at the Company on the terms set forth in this offer letter agreement (the "**Agreement**"), which will govern your employment with the Company. As you know, the Company is entering into a Securities Purchase Agreement (the "**Purchase Agreement**"), dated April 10, 2017, by and among Hydrofarm Holdings LLC (the "**Buyer**"), Hydrofarm, Inc. Employee Stock Ownership Plan and Trust, as amended and restated effective January 1, 2013 and all amendments thereto, the Wardenburg 2009 Family Trust, and PCBO, Inc., a Delaware corporation, pursuant to the Joinder (as defined in the Purchase Agreement), pursuant to which the Buyer will purchase all of the issued and outstanding membership interests of Hydrofarm, LLC (the "**Transaction**"). You acknowledge and agree that the offer of employment herein is conditioned upon the successful closing of the Transaction, and if the Transaction does not close, this Agreement, and any offer of employment to you, will be null and void and of no effect, even if it has been executed.

It is anticipated that your employment will commence on the effective closing date of the Transaction, although you and the Company may determine an alternative date for your employment to start (such actual date of your commencement of employment shall be referred to herein as the "**Start Date**").

**1. Employment by the Company.**

**(a) Position.** You will serve as the Company's Chief Financial Officer. During the term of your employment with the Company, you will devote your best efforts and substantially all of your business time and attention to the business of the Company, except for approved vacation periods and reasonable periods of illness or other incapacities permitted by the Company's general employment policies.

**(b) Duties and Location.** You will perform those duties and responsibilities as are customary for your position, as you have been performing in your employment with the Company prior to the Transaction, and as may be directed by the President and Chief Executive Officer, to whom you will report. Your primary office location will be the Company's offices in Petaluma, California. Notwithstanding the foregoing, the Company reserves the right to reasonably require you to perform your duties at places other than your primary office location from time to time, and to require reasonable business travel. The Company may modify your job title and duties as it deems necessary and appropriate in light of the Company's needs and interests from time to time.

**2. Base Salary and Employee Benefits.**

**(a) Salary.** You will receive for services to be rendered hereunder base salary paid at no less than the rate of $250,000 per year. Your base salary will be paid, less standard payroll deductions and tax withholdings, on the Company's ordinary payroll cycle. As an exempt salaried employee, you will be required to work the Company's normal business hours, and such additional time as appropriate for your work assignments and position, and you will not be entitled to overtime compensation.

**(b) Benefits.** As a regular full-time employee, you will be eligible to participate in the Company's standard employee benefits (pursuant to the terms and conditions of the benefit plans and applicable policies), which the Company agrees will be at the same level as or increased from the benefits provided during your employment with Hydrofarm, Inc. as of prior to the Transaction, and which will include, but not be limited to: paid holidays; paid sick time; paid vacation time; medical, dental and vision insurance, group life insurance; short-term and long-term disability insurance; a 401(k) plan; and supplemental benefits through BeniComp Insurance Company. Such benefits are or will be described in summary plan descriptions and policies that will be available or provided to you by the Company.

**(c) Equity Awards.** You shall be granted the equity award set forth as ***Exhibit C*** hereto.

**3. Annual Bonus.** You will be eligible to earn an annual performance and retention bonus of up to twenty-five percent (25%) of your base salary rate (the "**Annual Bonus**"). The Annual Bonus will be based upon the assessment of the Company's Board of Directors (or its designee) (the "**Board**") of your performance and the Company's attainment of goals as mutually agreed between you and the Board. Bonus payments, if any, will be subject to applicable payroll deductions and withholdings. Following the close of each calendar year, the Board will determine whether you have earned an Annual Bonus, and the amount of any such bonus, based on the achievement of such goals. You must remain an active employee through the end of any given calendar year in order to earn an Annual Bonus for that year and any such bonus will be paid no later than March 15th of the year following the year in which your right to such amount became vested. If your employment terminates for any reason before the end of a given calendar year, you will be eligible for a prorated Annual Bonus for such employment termination year.

**4. Expenses.** The Company will reimburse you for reasonable travel, entertainment or other expenses incurred by you in furtherance or in connection with the performance of your duties hereunder, in accordance with the Company's expense reimbursement policy as in effect from time to time. Travel accommodations shall be provided consistent with prior practices.

**5. Compliance with Confidentiality Information Agreement and Company Policies.** You acknowledge that the Confidentiality and Invention Assignment Agreement which you signed in connection with your employment with Hydrofarm, Inc. (the "**Confidentiality Agreement**," a copy of which is attached hereto as ***Exhibit A***) will remain in full force and effect during your Company employment. In addition, you are required to abide by the Company's policies and procedures, as modified from time to time within the Company's discretion; *provided*, *however*, that in the event the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control. Nothing in this Agreement or your Confidentiality Agreement, is intended to or will be used in any way to limit your rights to communicate with a government agency, as provided for, protected under or warranted by applicable law.

**6. Protection of Third Party Information.** In your work for the Company, you will be expected not to make any unauthorized use or disclosure of any confidential or proprietary information, including trade secrets, of any former employer or other third party to whom you have contractual obligations to protect such information. Rather, you will be expected to use only that information which is generally known and used by persons with training and experience comparable to your own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided or developed by the Company. You represent that you are able to perform your job duties within these guidelines, and you are not in unauthorized possession of any unpublished documents, materials, electronically-recorded information, or other property belonging to any former employer or other third party to whom you have a contractual obligation to protect such property. In addition, you represent and warrant that your employment by the Company will not conflict with any prior employment or consulting agreement or other agreement with any third party, that you will perform your duties to the Company without violating any such agreement(s), and that you have disclosed to the Company in writing any contract you have signed that may restrict your activities on behalf of the Company.

**7. At-Will Employment Relationship.** Your employment relationship with the Company is at-will. Accordingly, you may terminate your employment with the Company at any time and for any reason whatsoever simply by notifying the Company; and the Company may terminate your employment at any time, with or without Cause or advance notice.

**8. Severance.** If, at any time, the Company terminates your employment without Cause (other than as a result of your death or disability) or you resign for Good Reason (either such termination referred to as a "**Qualifying Termination**"), provided such termination or resignation constitutes a Separation from Service (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "**Separation from Service**"), then subject to Sections 10 and 11 below and your continued compliance with the terms of this Agreement (including without limitation Section 5 above), the Company will provide you with the following severance benefits (the "**Severance Benefits**"):

**(a) Cash Severance**. The Company will pay you, as cash severance, (i) an amount equal to six (6) months of your base salary in effect as of your Separation from Service date (*provided that* if your employment termination is due to your resignation for Good Reason in connection with the reduction of your base salary, then the cash severance payment herein will be based upon your base salary rate as of immediately prior to such reduction), and (ii) an amount equal to your target Annual Bonus for the calendar year in which your employment termination occurs (collectively, the "**Severance**"). The Severance will be paid, less standard payroll deductions and tax withholdings, in a lump sum payment on or before the day that is sixty (60) days following your Separation from Service date.

**(b) COBRA Severance.** As an additional Severance Benefit, the Company will continue to pay the cost of your health care coverage in effect at the time of your Separation from Service for a maximum of six (6) months, either under the Company's regular health plan (if permitted), or by paying your COBRA premiums (the "**COBRA Severance**") . The Company's obligation to pay the COBRA Severance on your behalf will cease if you obtain health care coverage from another source (e.g., a new employer or spouse's benefit plan), unless otherwise prohibited by applicable law. You must notify the Company within two (2) weeks if you obtain coverage from a new source. This payment of COBRA Severance by the Company would not expand or extend the maximum period of COBRA coverage to which you would otherwise be entitled under applicable law. Notwithstanding the above, if the Company determines in its sole discretion that it cannot provide the foregoing COBRA Severance without potentially violating applicable law (including, without limitation, Section 2716 of the Public Health Service Act), the Company shall in lieu thereof provide to you a taxable monthly payment in an amount equal to the monthly COBRA premium that you would be required to pay to continue your group health coverage in effect on the date of your termination (which amount shall be based on the premium for the first month of COBRA coverage), which payments shall be made on the last day of each month regardless of whether you elect COBRA continuation coverage and shall end on the earlier of (x) the date upon which you obtain other coverage or (y) the last day of the twenty-fourth ($24^{th}$) calendar month following your Separation from Service date.

**9. Resignation Without Good Reason; Termination for Cause; Death or Disability.** If, at any time, you resign your employment without Good Reason, or the Company terminates your employment for Cause, or if either party terminates your employment as a result of your death or disability, you will receive your base salary accrued through your last day of employment, as well as any unused vacation (if applicable) accrued through your last day of employment. Under these circumstances, you will not be entitled to any other form of compensation from the Company, including any Severance Benefits, other than any rights to which you are entitled under the Company's benefit programs, stock option plan or equity grant documents between you and the Company.

**10. Conditions to Receipt of Severance Benefits.** Prior to and as a condition to your receipt of the Severance Benefits described above, you shall execute and deliver to the Company an effective release of claims in favor of the Company, in substantially the form attached hereto as ***Exhibit B*** (the "**Release**") within the timeframe set forth therein, but not later than forty-five (45) days following your Separation from Service date, and allow the Release to become effective according to its terms (by not invoking any legal right to revoke it) within any applicable time period set forth therein (such latest permitted effective date, the "**Release Deadline**").

**11. Return of Company Property.** Upon the termination of your employment for any reason, as a precondition to your receipt of the Severance Benefits (if applicable), within five (5) days after your Separation from Service Date (or earlier if requested by the Company), you will return to the Company all Company documents (and all copies thereof) and other Company property within your possession, custody or control, including, but not limited to, Company files, notes, financial and operational information, customer lists and contact information, product and services information, research and development information, drawings, records, plans, forecasts, reports, payroll information, spreadsheets, studies, analyses, compilations of data, proposals, agreements, sales and marketing information, personnel information, specifications, code, software, databases, computer-recorded information, tangible property and equipment (including, but not limited to, computers, facsimile machines, mobile telephones, tablets, handheld devices, and servers), credit cards, entry cards, identification badges and keys, and any materials of any kind which contain or embody any proprietary or confidential information of the Company, and all reproductions thereof in whole or in part and in any medium. You further agree that you will make a diligent search to locate any such documents, property and information and return them to the Company within the timeframe provided above. In addition, if you have used any personally-owned computer, server, or e-mail system to receive, store, review, prepare or transmit any confidential or proprietary data, materials or information of the Company, then within five (5) days after your Separation from Service date you must provide the Company with a computer-useable copy of such information and permanently delete and expunge such confidential or proprietary information from those systems without retaining any reproductions (in whole or in part); and you agree to provide the Company access to your system, as requested, to verify that the necessary copying and deletion is done. You shall deliver to the Company a signed statement certifying compliance with this Section 11 prior to the receipt of the Severance Benefits.

**12. Outside Activities.** Throughout your employment with the Company, you may engage in civic and not-for-profit activities so long as such activities do not interfere with the performance of your duties hereunder or present a conflict of interest with the Company, or otherwise compete with the Company. Subject to the restrictions set forth herein and with the prior written consent of the Board, you may serve as a director of other corporations and may devote a reasonable amount of your time to other types of business or public activities not expressly mentioned in this paragraph. The Board may rescind its consent to your service as a director of all other corporations or participation in other business or public activities, if the Board, in its sole discretion, determines that such activities compromise or threaten to compromise the Company's business interests or conflict with your duties to the Company.

**13. Definitions.** For purposes of this Agreement, the following terms shall have the following meanings:

"**Cause**" for termination will mean your: (a) willful and continued failure to substantially perform your duties (other than as a result of incapacity due to physical or mental illness); (b) gross negligence or willful misconduct in the course of your employment with the Company that causes or is likely to cause material harm to the Company; (c) conviction of, or plea of guilty or *nolo contendere* to, a crime involving moral turpitude; (d) intentional, material breach of this Agreement that causes or is likely to cause material harm to the Company; (e) intentional, material violation of the written policies of the Company, to the extent you have reasonable notice of such policies, that causes or is likely to cause material harm to the Company; or (f) material fraud with respect to, or embezzlement of material funds or property belonging to, the Company. Notwithstanding the foregoing, "Cause" shall not exist with respect to the events or circumstances described in sections (a), (b), (d), (e) or (f) of this paragraph unless and until the Company has given you written notice of the applicable event or circumstance within sixty (60) days of the date the Company has actual knowledge thereof, which notice specifically delineates such claimed misconduct or breach and informs you that you are required to cure such misconduct or breach (if curable) within thirty (30) days (the " **Executive Cure Period**") of the date of such notice, and such breach is not cured to the extent curable within the Executive Cure Period. If Cause exists pursuant to the preceding sentence in respect of an event described in sections (a), (b), (d), (e) or (f) of this paragraph, the Company may terminate your employment for Cause within forty-five (45) days after the end of the Executive Cure Period. If such curable misconduct or breach is cured within the Executive Cure Period, Cause shall be deemed not to exist. The Company shall not be permitted to terminate your employment for Cause in respect of an event described in sections (a), (b), (d), (e) or (f) of this paragraph if the Company fails to either (x) provide written notice of the applicable event or circumstance within sixty (60) days of the date the Board (other than you, if you are a member of the Board) has actual knowledge thereof, or (y) terminate your employment within the forty-five (45)-day period following the end of the applicable Executive Cure Period.

You shall have "**Good Reason**" for resigning from employment with the Company if any of the following actions are taken by the Company without your prior written consent: (a) a material reduction in your base salary, which the parties agree is a reduction of at least ten percent (10%) of your base salary; (b) a material reduction in your position, duties, responsibilities and/or authorities; (c) relocation of your principal place of employment to a place that increases your one-way commute by more than twenty-five (25) miles as compared to your then-current principal place of employment immediately prior to such relocation; or (d) any material breach of this Agreement by the Company. In order to resign for Good Reason, you must provide written notice to the Board within sixty (60) days after the first occurrence of the event giving rise to Good Reason setting forth the basis for your resignation, allow the Company at least thirty (30) days from receipt of such written notice to cure such event, and if such event is not reasonably cured within such period, you must resign from all positions you then hold with the Company not later than forty-five (45) days after the expiration of the cure period.

**14. Compliance with Section 409A.** It is intended that the Severance Benefits set forth in this Agreement satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Internal Revenue Code of 1986, as amended, (the "**Code**") (Section 409A, together with any state law of similar effect, "**Section 409A**") provided under Treasury Regulations 1.409A-1(b)(4), 1.409A-1(b)(5) and 1.409A-1(b)(9). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations 1.409A-2(b)(2)(iii)), your right to receive any installment payments under this Agreement (whether severance payments, reimbursements or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. Notwithstanding any provision to the contrary in this Agreement, if the Company (or, if applicable, the successor entity thereto) determines that the Severance Benefits constitute "deferred compensation" under Section 409A and you are, on the date of your Separation from Service, a "specified employee" of the Company or any successor entity thereto, as such term is defined in Section 409A(a)(2)(B)(i) of the Code, then, solely to the extent necessary to avoid the incurrence of adverse personal tax consequences under Section 409A, the timing of the Severance Benefits shall be delayed until the earliest of: (i) the date that is six (6) months and one (1) day after your Separation from Service date, (ii) the date of your death, or (iii) such earlier date as permitted under Section 409A without the imposition of adverse taxation. Upon the first business day following the expiration of such applicable Code Section 409A(a)(2)(B)(i) period, all payments or benefits deferred pursuant to this Section 14 shall be paid in a lump sum or provided in full by the Company (or the successor entity thereto, as applicable), and any remaining payments due shall be paid as otherwise provided herein. No interest shall be due on any amounts so deferred. If the Severance Benefits are not covered by one or more exemptions from the application of Section 409A and the Release could become effective in the calendar year following the calendar year in which you have a Separation from Service, the Release will not be deemed effective any earlier than the Release Deadline. The Severance Benefits are intended to qualify for an exemption from application of Section 409A or comply with its requirements to the extent necessary to avoid adverse personal tax consequences under Section 409A, and any ambiguities herein shall be interpreted accordingly.

**15. Section 280G; Parachute Payments.**

**(a)** If any payment or benefit you will or may receive from the Company or otherwise (a "**280G Payment**") would (i) constitute a "parachute payment" within the meaning of Section 280G of the Code, and (ii) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "**Excise Tax**"), then any such 280G Payment provided pursuant to this Agreement (a "**Payment**") shall be equal to the Reduced Amount. The "Reduced Amount" shall be either (x) the largest portion of the Payment that would result in no portion of the Payment (after reduction) being subject to the Excise Tax or (y) the largest portion, up to and including the total, of the Payment, whichever amount (i.e., the amount determined by clause (x) or by clause (y)), after taking into account all applicable federal, state and local employment taxes, income taxes, and the Excise Tax (all computed at the highest applicable marginal rate), results in your receipt, on an after-tax basis, of the greater economic benefit notwithstanding that all or some portion of the Payment may be subject to the Excise Tax. If a reduction in a Payment is required pursuant to the preceding sentence and the Reduced Amount is determined pursuant to clause (x) of the preceding sentence, the reduction shall occur in the manner (the "**Reduction Method**") that results in the greatest economic benefit for you. If more than one method of reduction will result in the same economic benefit, the items so reduced will be reduced pro rata (the "**Pro Rata Reduction Method**").

**(b)** Notwithstanding any provision of subsection (a) above to the contrary, if the Reduction Method or the Pro Rata Reduction Method would result in any portion of the Payment being subject to taxes pursuant to Section 409A that would not otherwise be subject to taxes pursuant to Section 409A, then the Reduction Method and/or the Pro Rata Reduction Method, as the case may be, shall be modified so as to avoid the imposition of taxes pursuant to Section 409A as follows: (A) as a first priority, the modification shall preserve to the greatest extent possible, the greatest economic benefit for you as determined on an after-tax basis; (B) as a second priority, Payments that are contingent on future events (e.g., being terminated without Cause), shall be reduced (or eliminated) before Payments that are not contingent on future events; and (C) as a third priority, Payments that are "deferred compensation" within the meaning of Section 409A shall be reduced (or eliminated) before Payments that are not deferred compensation within the meaning of Section 409A.

**(c)** Unless you and the Company agree on an alternative accounting firm or law firm, the accounting firm engaged by the Company for general tax compliance purposes as of the day prior to the effective date of the Change in Control transaction shall perform the foregoing calculations. If the accounting firm so engaged by the Company is serving as accountant or auditor for the individual, entity or group effecting the change in control transaction, the Company shall appoint a nationally recognized accounting or law firm to make the determinations required by this Section 15. The Company shall bear all expenses with respect to the determinations by such accounting or law firm required to be made hereunder. The Company shall use commercially reasonable efforts to cause the accounting or law firm engaged to make the determinations hereunder to provide its calculations, together with detailed supporting documentation, to you and the Company within fifteen (15) calendar days after the date on which your right to a 280G Payment becomes reasonably likely to occur (if requested at that time by you or the Company) or such other time as requested by you or the Company.

**(d)** If you receive a Payment for which the Reduced Amount was determined pursuant to clause( x) of Section 15(a) and the Internal Revenue Service determines thereafter that some portion of the Payment is subject to the Excise Tax, you agree to promptly return to the Company a sufficient amount of the Payment (after reduction pursuant to clause (x) of Section 15(a)) so that no portion of the remaining Payment is subject to the Excise Tax. For the avoidance of doubt, if the Reduced Amount was determined pursuant to clause (y) of Section 15(a), you shall have no obligation to return any portion of the Payment pursuant to the preceding sentence.

**16. Dispute Resolution.** To ensure the timely and economical resolution of disputes that may arise in connection with your employment with the Company, you and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance, negotiation, execution, or interpretation of this Agreement, your employment, or the termination of your employment, including but not limited to statutory claims (including, without limitation, discrimination, harassment, wrongful termination or wage claims under the Labor Code), will be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in the San Francisco Bay Area, California, conducted by JAMS, Inc. ("**JAMS**") under the then-applicable JAMS rules (available at the following web address: http://www.jamsadr.com/rulesclauses, and which will be provided to you on request). **By agreeing to this arbitration procedure, both you and the Company waive the right to resolve any such dispute through a trial by jury or judge or administrative proceeding.** You will have the right to be represented by legal counsel at any arbitration proceeding. The arbitrator shall: (a) have the authority to compel adequate discovery for the resolution of the dispute and to award such relief as would otherwise be permitted by law; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award. The arbitrator shall be authorized to award any or all remedies that you or the Company would be entitled to seek in a court of law. The Company shall pay all JAMS' arbitration fees in excess of the amount of court fees that would be required of you if the dispute were decided in a court of law. Nothing in this letter is intended to prevent either you or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration. Any awards or orders in such arbitrations may be entered and enforced as judgments in the federal and state courts of any competent jurisdiction.

**17. Miscellaneous.** This offer is contingent upon a background check clearance, reference checks clearance, and satisfactory proof of your identity and right to work in the United States. This Agreement, together with your Confidentiality Agreement, forms the complete and exclusive statement of your employment agreement with the Company. It supersedes any other agreements or promises made to you by anyone, whether oral or written. Changes in your employment terms, other than those changes expressly reserved to the Company's or Board's discretion in this Agreement, require a written modification approved by the Company and signed by a duly authorized officer of the Company. This Agreement will bind the heirs, personal representatives, successors and assigns of both you and the Company, and inure to the benefit of both you and the Company, their heirs, successors and assigns. If any provision of this Agreement is determined to be invalid or unenforceable, in whole or in part, this determination shall not affect any other provision of this Agreement and the provision in question shall be modified so as to be rendered enforceable in a manner consistent with the intent of the parties insofar as possible under applicable law. This Agreement shall be construed and enforced in accordance with the laws of the State of California without regard to conflicts of law principles. Any ambiguity in this Agreement shall not be construed against either party as the drafter. Any waiver of a breach of this Agreement, or rights hereunder, shall be in writing and shall not be deemed to be a waiver of any successive breach or rights hereunder. This Agreement may be executed in counterparts which shall be deemed to be part of one original, and facsimile and electronic image copies of signatures shall be equivalent to original signatures.

Please sign and date this Agreement and the enclosed Confidentiality Agreement and return them to me on the date hereof if you wish to accept employment at the Company under the terms described above. The offer of employment herein will expire if I do not receive this signed letter by that date. I would be happy to discuss any questions that you may have about these terms.

We are delighted to be making this offer and the Company looks forward to your favorable reply and to a productive and enjoyable work relationship.

Sincerely,

/s/ Peter Wardenburg

**PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT**

This PROPRIETARY INFORMATION AND INVENTION ASSIGNMENT AGREEMENT (this "Agreement"), dated as of April _____, 2017 (the "Effective Date"), is made and entered into by and between (i) Hydrofarm, Inc., a California corporation ("Company"), and (ii) _____, an individual resident in the State of _____ ("Employee").

**AGREEMENT**

In consideration of Employee's employment with Company, Employee's receipt of the compensation paid to Employee by Company and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. Employment; Compensation**

(a) Employee understands and acknowledges that Employee's employment with the Company is for an unspecified duration and constitutes "at-will" employment. Employee acknowledges that this employment relationship may be terminated at any time, with or without good cause or for any or no cause, at the option either of the Company or employee, with or without notice.

(b) During the term of Employee's employment with the Company, Employee will not engage in any other employment, occupation, consulting or other business activity related to the business in which the Company is now involved or becomes involved during the term of Employee's employment; and, Employee will not engage in any other activities that conflict with Employee's obligations to the Company.

(c) In consideration for the covenants and obligations set forth herein, the Company will pay Employee the compensation set forth on **Appendix A**.

**2. Confidential Information**

(a) **Company Information**. During the term of Employee's employment (Employee's "Relationship with the Company"), Employee will have access to Confidential Information and Trade Secrets of the Company (collectively, the "Proprietary Information"). Employee acknowledges that all Proprietary Information that may exist from time to time is a valuable, special and unique asset of the Company, and access to and knowledge of which is essential to the performance of Employee's employment duties. Employee will keep confidential and not disclose (during the period of employment and thereafter, except that Employee is only required to hold any Proprietary Information that is not a Trade Secret in confidence for the maximum extent permitted by applicable law) to any other person or entity and will not use for Employee's own benefit or the benefit of any other person or entity (other than the Company) any Proprietary Information, except in a manner that has been expressly authorized by the formal written policies of the Company. "Confidential Information" means any Company proprietary information, technical data, or know-how, including, but not limited to, research, business plans, product plans, products, services, customer lists and customers (including, but not limited to, customers of the Company on whom Employee called or with whom Employee became acquainted during the term of Employee's Relationship with the Company), market research, works of original authorship, intellectual property (including, but not limited to, unpublished works and undisclosed patents), photographs, negatives, digital images, software, computer programs, ideas, developments, inventions (whether or not patentable), processes, formulas, technology, designs, drawings and engineering, hardware configuration information, forecasts, strategies, marketing, finances or other business information disclosed to Employee by the Company either directly or indirectly in writing, orally or by drawings or observation or inspection of parts or equipment. Confidential Information does not include any of the foregoing items that has become publicly known and made generally available through no wrongful act of Employee or of others who were under confidentiality obligations as to the item or items involved. "Trade Secrets" means, collectively, information, including a formula, pattern, compilation, program, device, method, technique or process, that: (i) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use; and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(b) **Other Employer Information**. Employee will not improperly use or disclose to any member of the Company, or to any employee, officer, director, manager, equityholder, financing source, lender, partner, agent, contractor or representative of any member of the Company, any confidential or proprietary information (including unpublished patent applications or invention disclosures) belonging to any former employer of Employee or to any other person or entity to which Employee owes a duty of nondisclosure, unless consented to in writing by such employer, person or entity.

(c) **Third Party Information**. Employee recognizes that the Company has received and in the future will receive from third parties their confidential or proprietary information subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. Employee will hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm or corporation or to use it except as necessary in carrying out Employee's duties to the Company consistent with the Company's agreement with such third party.

(d) **Defend Trade Secrets** Act. Notwithstanding any other provision of this Agreement to the contrary, pursuant to 18 USC Section 1833(b), Employee shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that is made: (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (ii) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. 18 USC Section 1833(b) does not, however, preclude the trade secret owner from seeking breach of contract remedies.

**3. Intellectual Property**

(a) **Assignment of Intellectual Property**. Employee will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assigns to the Company, or its designee, all of Employee's right, title and interest in and to any original works of authorship, trademarks, domain names, inventions (including the right to claim priority), concepts, improvements, processes, methods or Proprietary Information , whether or not patentable or registrable under copyright or similar laws that Employee may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during the period of Employee's Relationship with the Company, including such intellectual property developed by Employee for the Company prior to the Effective Date (collectively referred to as "Intellectual Property") and that (i) are developed using the equipment, supplies, facilities or Confidential Information of the Company, (ii) result from or are suggested by work performed by Employee for the Company, or (iii) relate to the Company business or to the actual or demonstrably anticipated research or development of the Company. All original works of authorship that are created by Employee (solely or jointly with others) within the scope of and during the period of Employee's Relationship with the Company and that are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act. Any assignment of copyright hereunder includes all rights of paternity, integrity, disclosure and withdrawal, and any other rights that may be known as or referred to as "moral rights" (collectively, "Moral Rights"). To the extent such Moral Rights cannot be assigned under applicable law and to the extent the following is allowed by the laws in the various countries where Moral Rights exist, Employee hereby waives such Moral Rights and consents to any action of Company that would violate such Moral Rights in the absence of such consent.

(b) **Patent and Copyright Registrations**. Employee will assist the Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in the Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto in any and all countries, including the disclosure to the Company of all pertinent information and data with respect thereto and the execution of all applications, specifications, oaths, assignments and other instruments that the Company deems necessary in order to apply for and obtain such rights and in order to assign and convey to the Company and its successors, assigns and nominees the sole and exclusive right, title and interest in and to such Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto. Employee's obligation to execute or cause to be executed, when it is in Employee's power to do so, any such instrument or papers continues after the termination of this Agreement. In the event the Company is unable because of Employee's mental or physical incapacity or for any other reason to secure Employee's assistance in perfecting the rights transferred in this Agreement, Employee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Employee's agent and attorney in fact, to act for and in Employee's behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent and copyright, trademark or domain name registrations thereon with the same legal force and effect as if executed by Employee. The designation and appointment of the Company and its duly authorized officers and agents as Employee's agent and attorney in fact is deemed to be coupled with an interest and therefore irrevocable.

(c) **Maintenance of Records**. Employee will keep and maintain adequate and current written records of all Intellectual Property created by Employee (solely or jointly with others) during the term of Employee's Relationship with the Company. The records will be in the form of notes, sketches, drawings, works of original authorship, photographs, negatives or digital images or in any other format that may be specified by the Company. The records will be available to and remain the sole property of the Company at all times.

(d) **Intellectual Property Retained and Licensed**. To the extent permitted by Section 2(b), Employee has accurately identified on Schedule 1 all ideas, methodologies, processes, inventions, discoveries and works of authorship, and all rights in any trademarks, service marks, trade secrets, copyrights, and patents, that Employee created prior to Employee's employment with the Company (collectively "Pre-Existing Work Product") that may reasonably relate to the current or future business of the Company. Except as provided herein, Employee will retain all right, title and interest in and to such Pre-Existing Work Product. Employee will promptly disclose to the Company any modifications or improvements to any Pre-Existing Work Product that fall within the definition of Intellectual Property (and hereby assigns rights thereto to the Company pursuant to Section 3(a)). If Employee, during the course of or resulting from employment with the Company, uses, creates, or otherwise provides Confidential Information, Intellectual Property or other works that incorporate or reasonably require the use of any of Employee's Pre-Existing Work Product, then Employee will promptly disclose such and hereby grants the Company an unrestricted, royalty-free, perpetual, irrevocable, transferable, license to make, have made, use, market, import, distribute, copy, modify, prepare derivative works, perform, display, disclose, sublicense and otherwise exploit any and all such Pre-Existing Work Product, to the extent such grant of rights does not conflict with any contractual obligations of Employee existing prior to the Effective Date.

(e) **Exception to Assignments.** The foregoing provisions of this Agreement requiring assignment of Intellectual Property to the Company do not apply to any invention or Intellectual Property that cannot be assigned to the Company under the laws of the state in which Employee resides, and the notices set forth as **Appendix B** pertaining to Employee's state of residence applies to Employee and any such inventions and Intellectual Property.

(f) **Return of Company Documents**. At the time of leaving the employ of the Company and at other times as requested by Company, Employee will deliver to the Company (and will not keep in Employee's possession, recreate or deliver to anyone else) any and all works of original authorship, domain names, original registration certificates, photographs, negatives, digital images, devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment or other documents or property, or reproductions of any aforementioned items, developed by Employee pursuant to Employee's Relationship with the Company or otherwise belonging to the Company or its successors or assigns. In the event of the termination of Employee's Relationship with the Company, Employee agrees to execute and deliver the "Termination Certificate" attached hereto as **Appendix C**.

**4. Notification of New Employer**

In the event that Employee leaves the employ of the Company, Employee hereby grants consent to notification by the Company to Employee's new employer or consulting client of Employee's rights and obligations under this Agreement.

**5. No Solicitation of Employees**

In consideration for Employee's Relationship with the Company and other valuable consideration, receipt of which is hereby acknowledged, Employee agrees that, during the period of Employee's Relationship with the Company as an employee, consultant, officer and/or director and for a period of twelve (12) months thereafter, Employee will not solicit the employment of any person who is then employed by the Company (as an employee or consultant), on behalf of Employee or any other person, firm, corporation, association or other entity, directly or indirectly.

**6. Representations and Warranties**

Employee represents and warrants that Employee's performance of all the terms of this Agreement will not breach any agreement to keep in confidence proprietary information acquired by Employee in confidence or in trust prior to Employee's Relationship with the Company. Employee has not entered into, and Employee will not enter into, any oral or written agreement in conflict herewith. Employee agrees to execute any proper oath or verify any proper document required to carry out the terms of this Agreement.

**7. Equitable Relief**

Any disputes relating to or arising out of a breach of the covenants contained in this Agreement may cause the Company or Employee, as applicable, to suffer irreparable harm and to have no adequate remedy at law. In the event of any such breach or default by a party, or any threat of such breach or default, the other party will be entitled to injunctive relief, specific performance and other equitable relief. No bond or other security is required in obtaining such equitable relief (unless such bond or security is otherwise required by law, in which event, Company and Employee hereby agree that a $5,000 US bond will be sufficient) and hereby consents to the issuance of such injunction and to the ordering of specific performance.

**8. General Provisions**

(a) **Governing Law; Consent to Personal Jurisdiction**. This Agreement and any controversy related to or arising, directly or indirectly, out of, caused by or resulting from this Agreement will be governed by and construed in accordance with the domestic laws of Employee's residence as of the Effective Date of this Agreement (as identified in the caption of this Agreement), without giving effect to any choice or conflict of law provision or rule (whether of such state or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than such state. Employee hereby expressly consents to the nonexclusive personal jurisdiction and venue of the state and federal courts located in the federal Northern District of California for any lawsuit filed there by either party arising from or relating to this Agreement.

(b) **Entire Agreement**. This Agreement sets forth the entire agreement and understanding between the Company and Employee relating to the subject matter herein and merges all prior discussions between the parties. No modification of or amendment to this Agreement, or any waiver of any rights under this Agreement, will be effective unless in writing signed by the party to be charged. Any subsequent change or changes in Employee's duties, salary or compensation will not affect the validity or scope of this Agreement.

(c) **Severability**. If one or more of the provisions in this Agreement are deemed void by law, then the remaining provisions will continue in full force and effect.

(d) **Successors and Assigns**. Employee may not assign any of Employee's rights or delegate any of its obligations under this Agreement without the prior written consent of the Company. The Company may freely assign any of the Company's rights or delegate any of its obligations under this Agreement. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon and inure to the benefit of the successors, heirs and permitted assigns of the parties

**APPENDIX C**

**TERMINATION CERTIFICATE**

This is to certify that I do not have in my possession, nor have I failed to return, any and all works of original authorship, domain names, original registration certificates, photographs, negatives, digital images, devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment, or other documents or property, or reproductions of any aforementioned items, belonging to Hydrofarm, LLC and its subsidiaries, affiliates, successors or assigns (collectively, the "Company").

I further certify that I have complied with all the terms of the Company's Proprietary Information and Inventions Agreement signed by me (the "Agreement"), including the reporting of any Intellectual Property (as defined therein) conceived or made by me (solely or jointly with others) covered by the Agreement.

I further agree that, in compliance with the Agreement, I will preserve as confidential all trade secrets, confidential knowledge, data or other proprietary information relating to products, processes, methods, know-how, designs, formulas, developmental or experimental work, computer programs, databases, other original works of authorship, customer lists, business plans, financial information or other subject matter pertaining to any business of the Company or any of its employees, clients, consultants or licensees.

I agree that for twelve (12) months from this date, I will not to divert or attempt to divert from the Company any business the Company enjoyed or solicited from its customers during the prior twelve (12)-month period, nor will I solicit or attempt to induce any customer, supplier, partner or other person or entity with whom the Company has, or is attempting to establish, a commercial relationship to cease or refrain from doing business with the Company or to alter its relationship with the Company in any way adverse to the Company.

I agree that for twelve (12) months from this date, I will not (a) make any false, misleading or disparaging representations or statements with regard to the Company or the products or services of the Company to any third party or (b) make any statement to any third party that may impair or otherwise adversely affect the goodwill or reputation of the Company.

I further agree that for twelve (12) months from this date, I will not solicit the employment of any person who will then be employed by the Company (as an employee or consultant) or who will have been employed by the Company (as an employee or consultant) within the prior twelve (12) month period, on behalf of myself or any other person, firm, corporation, association or other entity, directly or indirectly, all as provided more fully in the Agreement.

**EXHIBIT C**

**HYDROFARM HOLDINGS LLC**

**UNIT AWARD AGREEMENT**

This UNIT AWARD AGREEMENT (this " **Agreement**") is entered into as of [_____], 2017 (the "**Effective Date**"), by and between Hydrofarm Holdings LLC, a Delaware limited liability company (the "**Company**"), and [_____] (the "**Participant**"). Capitalized terms that are used but not defined herein have the meanings ascribed to them in the LLC Agreement (as defined below).

WHEREAS, the Company is governed by that certain Limited Liability Company Agreement of Hydrofarm Holdings LLC, dated as of [_____], 2017, by and among the Company and the Members from time to time party thereto, a copy of which is attached hereto as **Exhibit A** (as amended, supplemented or otherwise modified from time to time, the "**LLC Agreement**");

WHEREAS, pursuant to the LLC Agreement, the Company is authorized to grant Class P Units ("**Class P Units**") that are intended to constitute "profits interests" for applicable income tax purposes;

WHEREAS, this Agreement is intended to qualify for the exemption from registration under Section 4(2) or Rule 701 under the Securities Act or such other exemptions as may be available under the Securities Act; and

WHEREAS, as additional compensation for services provided by the Participant to the Company, the Company desires to grant Class P Units of the Company to the Participant on the terms and subject to the conditions set forth in this Agreement.

NOW, THEREFORE, the parties hereto hereby agree as follows:

**1. Defined Terms**.

"**Fair Market Value**" means the fair market value of the Class P Units, as determined in the good faith discretion of the Board as of the last day of the month completed most recently before any notice to repurchase the Class P Units is delivered.

"**Net Return**" means, as of the applicable date of determination, the return on investment realized by Hydrofarm Investment Corp., a Delaware corporation ("**Hawthorn**") with respect to all Units (regardless of class) held by Hawthorn, equal to the quotient of (a) the aggregate amount actually realized by Hawthorn and (b) the aggregate amount paid by Hawthorn for all Units held. The Net Return shall be calculated after taking into account the Class P Units, if any, which will vest pursuant to **Section 4**. Additionally, if contingent payments are to be received in connection with a Sale Event, the Net Return shall be calculated once such contingent payments are received; *provided*, *however*, that the Board in its good faith determination may, in its sole discretion, estimate such contingent payments and include such estimated contingent payments in its calculations of Net Return at the time of the Sale Event. For the avoidance of doubt, to the extent that Hawthorn owns Units indirectly through one or more other entities, such other entities shall be included within the definition of "Hawthorn" hereunder and any payment in respect of the Units owned by them shall be included for purposes of calculating Net Return.

"**Sale Event**" means any Approved Sale or, if not an Approved Sale, then any (a) Sale Transaction, (b) Corporate Conversion (*provided* such Corporate Conversion actually results in an initial Public Offering pursuant to Section 9.11 of the LLC Agreement) or (c) dissolution of the Company pursuant to Section 12.1 of the LLC Agreement.

**2. Grant of Units**. Upon the terms and conditions set forth in this Agreement, the Company hereby grants to the Participant effective as of the Effective Date (the "**Grant Date**"), [_____] Class P Units of the Company (the "**Granted Units**"). Such Granted Units are subject to the restrictions provided in this Agreement.

**3. Profits Interests; Initial Capital Account**. The Granted Units are each intended to constitute a "profits interest" in the Company within the meaning of Internal Revenue Service Revenue Procedures 93-27 and 2001-43. On the Grant Date, the Capital Account attributable to the Granted Units shall be zero.

**4. Vesting Conditions for Class P Units**. The Granted Units will vest and no longer be subject to forfeiture, in each case subject to the Participant's continued employment through the applicable vesting dates, as follows:

(a) fifty percent (50%) of the Granted Units will vest over a four-year period (the "**Time Vesting Units**"), whereby twenty-five percent (25%) of the Time Vesting Units will vest on the one (1) year anniversary of the Grant Date, with the remaining Time Vesting Units vesting in thirty-six (36) equal monthly installments thereafter, in each case subject to the Participant's continued employment through the applicable vesting dates; and

(b) fifty percent (50%) of the Granted Units will vest based on the following Company performance thresholds (the "**Performance Vesting Units**") measured as of the occurrence of a Sale Event:

(i) If the Net Return is less than 2.0:1.0, none of the Performance Vesting Units held by the Participant will vest.

(ii) If the Net Return is greater than or equal to 2.0:1.0, but less than 3.0:1.0, a portion of the Performance Vesting Units held by the Participant shall vest, which portion shall be determined by the following formula:

(A) the Net Return *minus* 2.0; *multiplied by*

(B) the total Performance Vesting Units held by the Participant.

(iii) If the Net Return is greater than or equal to 3.0:1.0, all of the Performance Vesting Units held by the Participant shall vest.

All of the Time Vesting Units will vest immediately prior to a Sale Event; provided that, in the case of each of clause (a) and (b) above, the Participant has provided continuous employment or service to the Company or any Related Company through such vesting date (the " **Vesting Schedule**"). The Board, in its sole discretion, at any time may accelerate vesting of the Granted Units. The Granted Units that have vested and are no longer subject to forfeiture according to the Vesting Schedule are referred to herein as "**Vested Units**." Granted Units that have not vested and remain subject to forfeiture under the Vesting Schedule are referred to herein as "**Unvested Units**."

**5. Forfeiture; Termination**.

**(a) Treatment of Units on Termination**.

(i) *Unvested Units.* If the Participant's employment with the Company or any of its Subsidiaries is terminated by the Company or any such Subsidiary, if the Participant terminates employment with the Company or any of its Subsidiaries, or if the Participant dies or becomes disabled, the Participant shall immediately forfeit all of the Unvested Units previously granted to the Participant pursuant to this Agreement.

(ii) *Vested Units.* If the Participant's employment with the Company or any of its Subsidiaries is terminated by the Company or any such Subsidiary without Cause (as defined in such Participant's employment agreement with the Company), if the Participant terminates employment with the Company or any of its Subsidiaries for Good Reason (as defined in such Participant's employment agreement with the Company) or if the Participant dies or becomes disabled, the Company may, in its sole discretion, within ninety (90) days following such termination, purchase any of the Vested Units for a price equal to the Fair Market Value on the date of termination. If the Company does not so purchase a Vested Unit, the Participant shall retain such Vested Unit. If the Participant resigns without Good Reason or the Company terminates the Participant's employment for Cause, all Vested Units previously granted to the Participant pursuant to this Agreement will be forfeited.

**(b) Effect of Forfeiture**. Upon the forfeiture of any Granted Units pursuant to this Agreement, the Participant (and the Participant's heirs, successors and assigns) shall thereafter have no right, title or interest whatsoever in such forfeited Granted Units and, if the Company does not have custody of any and all certificates representing such Granted Units, then the Participant shall immediately return to the Company any and all certificates representing the Granted Units so forfeited. The Participant will receive no payment from the Company in connection with the forfeiture of any Granted Units, including no distribution or payment in respect of the Participant's Capital Account or as a result of the Participant withdrawing or resigning as a Member of the Company. If the Granted Units granted hereunder have been forfeited, and the Participant owns no other Units of the Company, then the Participant will be automatically deemed to have withdrawn and resigned as a Member of the Company.

**6. LLC Agreement; Participation Threshold**. The terms and conditions of the Granted Units shall be as set forth herein and in the LLC Agreement. As a condition to the grant of the Granted Units pursuant to this Agreement, the Participant shall execute a counterpart signature page to the LLC Agreement, attached hereto as **Exhibit B**, agreeing to become a Member of the Company on the terms and subject to the conditions set forth in the LLC Agreement. If the Participant has a spouse, such spouse shall execute a spousal consent, attached hereto as **Exhibit C**. The Participation Threshold with respect to the Granted Units will be $**[0]** per Granted Unit.

**7. Limitations on Transfer**. In addition to the restrictions on transfer set forth in the LLC Agreement, the Participant may not Transfer any rights under this Agreement and the Participant's rights hereunder shall not be subject to pledge, encumbrance, hypothecation, execution, attachment or similar process, in each case whether voluntarily or involuntarily, by operation of law or otherwise. Any attempt to Transfer any of the rights under this Agreement or any of the Granted Units contrary to the provisions hereof and the levy of any attachment or similar process upon the Participant's rights hereunder or the Granted Units will be null and void.

**8. Representations and Warranties of the Participant**. The Participant hereby represents and warrants to the Company as of this date as follows:

(a) The Participant's residence and domicile is the State set forth on the signature page hereof and all discussions related to this Agreement and the Granted Units, and the offer and acceptance of this Agreement and the Granted Units, occurred in such State.

(b) The Participant is acquiring the Granted Units for the Participant's own account for investment and not with any view to, or for resale in connection with, any distribution or public offering thereof within the meaning of the Securities Act. The Participant hereby consents to an appropriate legend on the certificates, if any, evidencing such Granted Units to such effect and to the effect that Granted Units may not be disposed of except in compliance with all federal and state securities laws. The Participant acknowledges and agrees that the Company shall have no obligation to register Granted Units granted to the Participant under federal or state securities laws either at the time the Granted Units are issued and delivered to the Participant or are proposed to be disposed of by the Participant unless otherwise expressly provided to the contrary in written agreements to which the Company and the Participant are parties.

(c) The Participant understands that (i) the Granted Units have not been registered under the Securities Act or applicable state securities laws, in reliance on exemptions from registration under the Securities Act and applicable state securities laws and (ii) no federal or state agency has made any finding or determination as to the fairness for investment, nor any recommendation or endorsement, of the Granted Units.

(d) The Participant acknowledges and agrees that (i) except as expressly provided for in this Agreement, no representations or warranties with respect to the Granted Units have been made to the Participant by the Company, any manager, officer, agent, employee, Subsidiary or Affiliate of the Company, or any other Persons, (ii) except for this Agreement and the LLC Agreement, there are no agreements, contracts, understandings or commitments between the Participant, on the one hand, and the Company, any Manager, Officer, agent, employee, Subsidiary or Affiliate of the Company, on the other hand, with respect to the Granted Units, (iii) in entering into this transaction the Participant is not relying upon any information, other than that contained in the LLC Agreement, this Agreement and the results of the Participant's own independent investigation, (iv) any future economic return with respect to the Granted Units is speculative and subject to a high degree of risk, and (v) the Granted Units are subject to forfeiture as set forth herein, are subject to dilution by the issuance of additional Units by the Company, and the Participant is not entitled to any preemptive, tag-along, information or other minority investor rights with respect to either the Granted Units, other than as expressly set forth in the LLC Agreement or as otherwise provided under applicable law.

(e) The Participant is fully informed and aware of the circumstances under which the Granted Units must be held and the restrictions upon the resale of the Granted Units under the LLC Agreement and the Securities Act and any applicable state securities laws. The Participant acknowledges that (i) the Granted Units have not been registered under the Securities Act and, therefore, cannot be sold unless they are registered under the Securities Act and any applicable state securities laws or unless an exemption from such registration is available, (ii) the availability of an exemption may depend on factors over which the Participant or the Company has no control, (iii) unless so registered or exempt from registration the Granted Units may be required to be held for an indefinite period and (iv) the reliance of the Company and others upon the exemptions from registration referred to in the recitals is predicated in part upon this representation and warranty. The Participant understands that an exemption from registration is not presently available pursuant to Rule 144 promulgated under the Securities Act by the U.S. Securities and Exchange Commission, that there is no assurance that such exemption will ever become available to the Participant and that even if it were to become available, sales pursuant to Rule 144 would be limited in amount and could only be made in full compliance with the provisions of Rule 144.

(f) The Participant has full authority to enter into this Agreement and the LLC Agreement and perform the Participant's obligations hereunder and thereunder. This Agreement has been, and the LLC Agreement, upon the execution and delivery of the counterpart signature pages referred to in **Section 6**, will have been, duly and validly executed and delivered by the Participant and constitute or will constitute legal, valid and binding obligations of the Participant, enforceable against the Participant in accordance with their terms, subject, as to the enforcement of remedies, to the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or other similar law of general application affecting creditors and general principles of equity. The execution, delivery and performance of this Agreement does not and will not, and the execution and delivery of the LLC Agreement will not, conflict with, violate or cause a breach of any agreement, contract or instrument to which the Participant is a party or any judgment, order, decree or law to which the Participant is subject.

(g) The Participant understands that the Company's agreement to grant the Granted Units to the Participant is predicated, in part, on the representations, warranties and covenants of the Participant contained herein.

**9. Section 83(b) Election for Granted Units**.

(a) The Participant understands that under Section 83(a) of the Code, the excess (if any) of the Fair Market Value of the unvested Granted Units on the date the unvested Granted Units become vested over the purchase price, if any, paid for such Granted Units could be taxed as ordinary income subject to employment or self-employment taxes and tax reporting, as applicable. The unvested Granted Units are intended to qualify as "profits interests" in the Company for income tax purposes. Provided that the unvested Granted Units qualify as profits interests, the Fair Market Value of the unvested Granted Units on the Grant Date is deemed to be zero ($0) (and thus no tax generally would be payable by reason of the filing of the election). By filing a protective election within the 30-day period described below, the Participant should avoid the risk of adverse tax consequences in the future. The Participant understands that the Participant may elect under Section 83(b) of the Code to recognize income (in the amount of zero ($0)) at the time the unvested Granted Units are acquired, rather than when and as the unvested Granted Units vest. Such election (an "**83(b) Election**") must be filed with the Internal Revenue Service within thirty (30) days from the Grant Date of the Granted Units.

(b) THE FORM FOR MAKING AN 83(b) ELECTION IS ATTACHED TO THIS AGREEMENT AS **EXHIBIT D**. THE PARTICIPANT UNDERSTANDS THAT FAILURE TO FILE SUCH AN ELECTION WITHIN THE THIRTY (30)-DAY PERIOD MAY RESULT IN THE RECOGNITION OF ORDINARY INCOME BY THE PARTICIPANT AS THE FORFEITURE RESTRICTIONS LAPSE. THE PARTICIPANT FURTHER UNDERSTANDS THAT AN ADDITIONAL COPY OF SUCH ELECTION FORM SHOULD BE FILED WITH THE PARTICIPANT'S FEDERAL INCOME TAX RETURN FOR THE CALENDAR YEAR IN WHICH THE DATE OF THIS AGREEMENT FALLS. THE PARTICIPANT ACKNOWLEDGES THAT THE FOREGOING IS ONLY A SUMMARY OF THE FEDERAL INCOME TAX LAWS THAT APPLY TO THE RECEIPT OF THE UNVESTED UNITS UNDER THIS AGREEMENT AND DOES NOT PURPORT TO BE COMPLETE. THE PARTICIPANT FURTHER ACKNOWLEDGES THAT THE COMPANY HAS DIRECTED THE PARTICIPANT TO SEEK INDEPENDENT ADVICE REGARDING THE APPLICABLE PROVISIONS OF THE CODE, THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH PARTICIPANT MAY RESIDE, AND THE TAX CONSEQUENCES OF THE PARTICIPANT'S DEATH.

(c) The Participant agrees that the Participant will execute and deliver to the Company with this Agreement a copy of the 83(b) Election attached hereto as **Exhibit D**.

**10. Survival of Representations and Warranties; Indemnification**. All representations and warranties contained herein shall survive the execution of this Agreement and the grant of the Granted Units contemplated hereby. Each party agrees to indemnify and hold harmless the other from any liability, loss or expense (including reasonable attorneys' fees) if such party has breached any representation, warranty or agreement hereunder.

**11. Governing Law**. This Agreement is entered into under the laws of the State of Delaware and this Agreement (and any controversy or action arising out of or relating hereto) shall be construed and interpreted in accordance therewith.

**12. Discontinuance of Employment**. Neither this Agreement nor the issuance of the Granted Units shall give the Participant any right to continued employment by the Company or any of its Subsidiaries, or any of their respective Affiliates, and subject to the terms of any employment agreement among such parties, the Company, any of its Subsidiaries, and their Affiliates may terminate the Participant's employment for any reason whatsoever, with or without Cause, and otherwise deal with the Participant as an employee without regard to the effect any such action may have on the Participant's rights under this Agreement or the LLC Agreement. The Participant represents that the Participant is acquiring the Granted Units without any expectation that the ownership of any Granted Units will entitle the Participant to any rights as an employee of the Company, any of its Subsidiaries, or any of their Affiliates that would not exist if the Participant were not the owner of the Granted Units. The Participant further agrees that no change in his expectations concerning employment will have a reasonable basis unless set forth in a written agreement expressly giving the Participant additional rights as to such matters.

**13. Additional Securities**. Any additional securities issued to the Participant in respect of the Granted Units, will be subject to the terms and conditions contained herein in the same manner as the Granted Units, including forfeiture under **Section 5**.

**14. Review of Agreement; Complete Agreement**. The Participant confirms that the Participant has carefully reviewed this Agreement and the LLC Agreement and understands their terms. The Participant confirms that the Participant has consulted with legal counsel, or had ample opportunity to consult with legal counsel, representing Participant concerning this Agreement, the LLC Agreement and any other agreements between or among the Participant, the Company, and any of its or their present or prospective members, managers, officers or employees. This Agreement, together with the LLC Agreement, contains the complete agreement among the parties with respect to the grant of the Granted Units or any other incentive arrangement and supersedes all prior agreements and understandings among the parties hereto with respect hereto and thereto.

**15. Tax Acknowledgement**. Participant will pay to the Company, or the Company may deduct from any amounts payable to Participant, the amount of any applicable federal, state, local or foreign taxes that the Company determines is required to be withheld in connection with the issuance, vesting, forfeiture or purchase of the Granted Units, the distribution of any cash or other property on account of the Granted Units, or otherwise as a result of Participant's relationship with the Company. The Participant acknowledges and agrees that none of the Company, any of its Subsidiaries or any of their respective Affiliates has made any representations or warranties hereunder with respect to the economic or tax effect of the grant of the Granted Units (or any other incentive arrangements). The Participant has made his or her own independent evaluation of the Granted Units, including the economic and tax effect of them, either through his or her own analysis or through representatives such as legal counsel or accountants.

**16. Miscellaneous**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and, except as otherwise expressly provided herein, their respective heirs, executors, administrators, representatives, successors and permitted assigns. This Agreement may not be assigned, transferred or otherwise disposed of by the Participant, whether voluntarily or involuntarily, by operation of law or otherwise, without the prior written consent of the Company. No waiver of any provision of this Agreement is valid unless in writing and signed by the party against whom or which enforcement is sought and any such waiver is effective only in the specific instance described and for the purpose for which the waiver was given. The failure of any party to this Agreement to insist upon or enforce strict performance by any other party to this Agreement of any provision of this Agreement shall not be construed as a waiver or relinquishment of such right or related remedy. Whenever the context of this Agreement requires, the gender of all words herein shall include the masculine, feminine, and neuter, and the number of all words herein shall include the singular and plural. The word "including" and words of similar import when used in this Agreement will mean "including, without limitation," unless otherwise specified. The word "or" will not be exclusive.

[*The remainder of this page is intentionally left blank*]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the day and year first written above.

**Re: Employment Terms**

Dear Bill:

On behalf of Hydrofarm Holdings Group, Inc. (the "**Company**"), I am pleased to offer you employment at the Company on the terms set forth in this offer letter agreement (the "**Agreement**"), which will govern your employment with the Company. As you know, the Company is currently undergoing a registration of its securities with the U.S. Securities and Exchange Commission pursuant to which the Company will become a public reporting company under the Securities Exchange Act of 1934, as amended (the "**Registration**").

It is anticipated that your employment will commence on the date hereof (the "**Start Date**").

**1. Employment by the Company.**

(a) **Position.** You will serve as the Company's Chairman and Chief Executive Officer. During the term of your employment with the Company, you will devote your reasonable best efforts and substantially all of your business time and attention to the business of the Company, except for approved vacation periods and reasonable periods of illness or other incapacities permitted by the Company's general employment policies.

(b) **Duties and Location.** You will perform those duties and responsibilities as are customary for your position, and as may be directed by Company's Board of Directors (the "**Board**"), to whom you will report. Your primary office location will be your home office (or other remote office location reasonably chosen by you) in Florida. Notwithstanding the foregoing, the Company reserves the right to reasonably require you to perform your duties at places other than your primary office location from time to time, including, without limitation, at the Company's offices in Petaluma, California, and to require reasonable business travel.

(c) **Service on the Board.** Effective on the Start Date, you will be appointed to serve as a member and Chairman of the Board and you agree to serve in such capacity without additional compensation. At each meeting of the Company's stockholders prior to the end of the Term at which your director term is expiring, the Company will nominate you to serve as a member of the Board, subject to required stockholder approval and compliance with the Company's policies and procedures regarding service as a member of the Board. Upon the termination of your employment for any reason, unless otherwise requested by the Board, you agree to resign from the Board (and all other positions held at the Company and its affiliates), and you will execute any documents necessary to reflect your resignation.

**2. Base Salary and Employee Benefits.**

(a) **Salary.** From the Start Date until the earlier to occur of (i) completion of the Registration or (ii) September 30, 2019 (such earlier date the "**Salary Change Date**"), you will receive for services to be rendered hereunder base salary paid at the annualized rate of $150,000. Commencing on the day following the Salary Change Date, your base salary will be increased to the annualized rate of $500,000. Your base salary may be increased (but not decreased below $500,000 following the Salary Change Date without your written consent) by the Board in its sole discretion. Your base salary will be paid, less standard payroll deductions and tax withholdings, on the Company's ordinary payroll cycle. As an exempt salaried employee, you are expected to work the Company's normal business hours, and such additional time as appropriate for your work assignments and position, and you will not be entitled to overtime compensation.

(b) **Benefits.** As a regular full-time employee, you will be eligible to participate in the Company's standard employee benefits (pursuant to the terms and conditions of the benefit plans and applicable policies) that are available to the Company's employees from time to time.

(c) **Equity Awards.**

(i) **Restricted Stock Unit Awards**. On the Start Date, you will be granted an award of restricted stock units (the "**Sign-On RSU Award**") pursuant to the Restricted Stock Unit Award Notice and Restricted Stock Unit Agreement attached hereto as ***Exhibit C***. Prior to completion of the Registration and subject to approval by the Board at the time and in accordance with the terms of this Agreement, in the event that the Company issues additional shares of common stock with a value at the time of issuance up to an aggregate of $225,000,000 in connection with any merger or acquisition, you will be granted additional restricted stock units (each, a "**Follow-On RSU Award,**" and together with the Sign-On RSU Award, the "**RSU Awards**") in an amount equal to 5% of any such newly issued shares of common stock, in substantially similar form to ***Exhibit C,*** with the Start Date as the vesting commencement date of each Follow-On RSU Award. For the avoidance of doubt, in no event shall the Company be required to grant you additional restricted stock units pursuant to the immediately preceding sentence with respect to any shares of the Company's common stock newly issued in connection with any merger or acquisition that are in excess of $225,000,000 in value at the time of issuance.

(ii) **Stock Options**. On (A) the date on which the Registration is completed and (B) if the Registration is not completed as of October 1, 2019, on October 1, 2019, subject to approval by the Board at the time and in accordance with the terms of this Agreement the Company will grant you an award of stock options (the "**Options**") to purchase that number of shares of the Company's common stock equal to the difference between the number of shares of the Company's common stock underlying the RSU Awards and 5% of the Company's total outstanding common stock on each such date. The specific terms and conditions (including the vesting schedule and the exercise price for the Options (which will be the fair market value of the Company's common stock on the date of grant, as determined by the Board in accordance with the Company's 2018 Equity Incentive Plan)) will be set forth in a Stock Option Grant Notice and Stock Option Agreement in substantially the form attached hereto as ***Exhibit D***.

(d) **Salary True-Up Bonus.** If you are actively employed by the Company from the Start Date through the Salary Change Date, you will receive a cash bonus (the "**Salary True-Up Bonus**") in an amount equal to (i) $350,000, multiplied by (ii) a fraction, the numerator of which is the number of calendar days that have elapsed between the Start Date and the Salary Change Date, and the denominator of which is 365. The Salary True-Up Bonus will be paid in a lump sum payment, less standard payroll deductions and tax withholdings, no later than October 31, 2019.

**3.** **Annual Bonus.** For each calendar year during the term of this Agreement, you will be eligible to earn an annual performance and retention bonus of up to fifty percent (50%) of your base salary rate (which, for the 2019 calendar year, shall be deemed to be $500,000) (the "**Annual Bonus**"). The Annual Bonus will be based upon the Board's assessment of your performance and the Company's attainment of goals, including annual EBITDA versus target EBITDA, as determined by the Board in consultation with you. Bonus payments, if any, will be subject to applicable payroll deductions and withholdings. Following the close of each calendar year, the Board will determine whether you have earned an Annual Bonus, and the amount of any such bonus, based on the achievement of such goals. You must remain an active employee through the end of any given calendar year in order to earn an Annual Bonus for that year and any such bonus will be paid no later than March 15th of the year following the year in which your right to such amount became vested.

**4. Expenses.** The Company will reimburse you for reasonable business travel, entertainment or other expenses incurred by you in furtherance or in connection with the performance of your duties hereunder, in accordance with the Company's expense reimbursement policy as in effect from time to time.

**5. Compliance with Confidentiality and Invention Assignment Agreement and Company Policies.**

(a) **Confidentiality and Invention Assignment Agreement.** You acknowledge that the Confidentiality and Invention Assignment Agreement (the "**Confidentiality Agreement**," a copy of which is attached hereto as ***Exhibit A***) executed in connection herewith is an integral component of your employment by the Company and is made a part of this Agreement by incorporation.

(b) **Non-Disclosure and Non-Use of Confidential Information.** At all times both during your employment with the Company, and after your employment relationship with the Company has ended for any reason, you agree that you will not, either directly or indirectly, and you will not permit any Covered Entity which you control to, either directly or indirectly, (i) divulge, use, disclose (in any way or in any manner, including by posting on the Internet), reproduce, distribute, or reverse engineer or otherwise provide Confidential Information to any person or entity; (ii) take any action that would make available Confidential Information to the general public in any form; or (iii) take any action that uses Confidential Information for solicitation or marketing for any service or product on your behalf or on behalf of any person or entity other than the Company or any of its Affiliates, except (A) as required in connection with the performance of your duties to the Company, (B) as required to be included in any report, statement or testimony requested by any municipal, state or national regulatory body having jurisdiction over you or any Covered Entity which is controlled by you, (C) as required in response to any summons or subpoena or in connection with any litigation, (D) to the extent necessary in order to comply with any law, order, regulation, ruling or governmental request applicable to you or any Covered Entity which is controlled by you, (E) as required in connection with an audit by any taxing authority, or (F) as permitted by the express written consent of the Board. In the event that you or any such Covered Entity that is controlled by you are required to disclose Confidential Information pursuant to the foregoing exceptions, you shall promptly notify the Company of such pending disclosure and assist the Company (at the Company's expense) in seeking a protective order or in objecting to such request, summons or subpoena with regard to the Confidential Information. If the Company does not obtain such relief prior to the time that you (or such Covered Entity) are legally compelled to disclose such Confidential Information, you (or such Covered Entity) may disclose that portion of the Confidential Information that your counsel advises you are legally compelled to disclose or else stand liable for contempt or suffer censure or penalty. In such cases, you shall promptly provide the Company with a copy of the Confidential Information so disclosed. This provision applies without limitation to unauthorized use of Confidential Information in any medium, including film, videotape, audiotape and writings of any kind (including books, articles, e-mails, texts, blogs and websites).

(c) **Compliance with Company Policies.** In addition, you are required to abide by the Company's policies and procedures, as modified from time to time within the Company's discretion including without limitation such policies with respect to legal compliance, conflicts of interest, confidentiality, compensation recovery (clawback), professional conduct and business ethics as are from time to time in effect; *provided*, *however*, that in the event the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control. Nothing in this Agreement, or your Confidentiality Agreement, is intended to or will be used in any way to limit your rights to communicate with a government agency, as provided for, protected under or warranted by applicable law. Notwithstanding any other provision in this Agreement to the contrary and without limiting the foregoing sentence, pursuant to 18 USC Section 1833(b), you shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that is made (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (ii) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. An individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual files any document containing the trade secret under seal and does not disclose the trade secret, except pursuant to a court order. 18 USC Section 1833(b) does not preclude the trade secret owner from seeking breach of contract remedies.

**6. Protection of Third Party Information.** In your work for the Company, you will be expected not to make any unauthorized use or disclosure of any confidential or proprietary information, including trade secrets, of any former employer or other third party to whom you have contractual obligations to protect such information. Rather, you will be expected to use only that information which is generally known and used by persons with training and experience comparable to your own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided or developed by the Company. You represent that you are able to perform your job duties within these guidelines, and you are not in unauthorized possession of any unpublished documents, materials, electronically-recorded information, or other property belonging to any former employer or other third party to whom you have a contractual obligation to protect such property. In addition, you represent and warrant that your employment by the Company will not conflict with any prior employment or consulting agreement or other agreement with any third party, that you will perform your duties to the Company without violating any such agreement(s), and that you have disclosed to the Company in writing any contract you have signed that may restrict your activities on behalf of the Company.

**7. Term.** The initial term of this Agreement shall be two (2) years commencing on the Start Date, unless terminated earlier pursuant to the terms herein (the "**Initial Term**"). This Agreement shall remain in force after the end of the Initial Term unless either party gives notice of non-renewal at least ninety (90) days prior to the end of the Initial Term or at any time after the end of the Initial Term, as applicable. The Initial Term or, in the event that your employment hereunder is terminated earlier pursuant to the terms hereof or continues thereafter pursuant to this Section 7, such shorter or longer period, as the case may be, is referred to herein as the "**Term**." Notwithstanding the foregoing, your employment relationship with the Company is at-will. Accordingly, subject to the terms set forth in this Agreement, you may terminate your employment with the Company at any time and for any reason whatsoever simply by notifying the Company; and the Company may terminate your employment at any time, with or without Cause or advance notice.

**8. Severance.** If, at any time, the Company terminates your employment without Cause (other than as a result of your death or disability), you resign for Good Reason, or your employment hereunder terminates due to the Company's non-renewal of this Agreement (whether at or after the end of the Initial Term) (each such termination referred to as a "**Qualifying Termination**"), provided such termination or resignation constitutes a Separation from Service (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "**Separation from Service**"), then you will receive the Accrued Amounts (as defined in Section 9) and subject to Sections 10 and 11 below and your continued compliance with the terms of this Agreement (including without limitation Section 5 above), the Company will provide you with the following severance benefits (the "**Severance Benefits**"):

(a) **Cash Severance**. The Company will pay you, as cash severance, an amount equal to the greater of $250,000 or six (6) months of your base salary in effect as of your Separation from Service date (*provided that* if your employment termination is due to your resignation for Good Reason in connection with the reduction of your base salary, then the cash severance payment herein will be based upon your base salary rate as of immediately prior to such reduction) (collectively, the "**Severance**"). The Severance will be paid, less standard payroll deductions and tax withholdings, in a lump sum payment on or before the day that is sixty (60) days following your Separation from Service date.

(b) **COBRA Severance**. As an additional Severance Benefit, if you timely (and properly) elect to continue your coverage under the Company's group health plan pursuant to Code Section 4980B(f) ("**COBRA**"), the Company will reimburse you for (or will pay directly, in the discretion of the Company) the premium charged for such coverage until the earliest to occur of (i) the six (6) month anniversary of your Separation from Service date, (ii) the date on which you obtain health care coverage from another source (e.g., a new employer or spouse's benefit plan), and (iii) the date on which you cease to be entitled to COBRA continuation coverage under the Company's group health plan; provided, however, that the Company may unilaterally amend or eliminate the benefit provided under this Section 8(b) to the extent it deems necessary to avoid imposition of excise taxes, penalties or similar charges on the Company or any of its Affiliates (or any of their respective successors), including, without limitation, under Code Section 4680D or 4980H. You must notify the Company within two (2) weeks if you obtain coverage from a new source.

(c) **Salary True-Up Bonus**. If your employment terminates before September 30, 2019 (for the avoidance of doubt as a result of the Company terminating your employment without Cause (other than as a result of your death or disability) or your resignation for Good Reason), the Company will pay you an amount equal to (i) $350,000, multiplied by (ii) a fraction, the numerator of which is the number of calendar days that have elapsed between the Start Date and your Separation from Service date, and the denominator of which is 365. This amount will be paid, less standard payroll deductions and tax withholdings, in a lump sum payment on or before the day that is sixty (60) days following your Separation from Service date.

(d) **Accelerated Vesting**. All unvested time-based RSU Awards and all Stock Options held by you that by their terms vest over the twelve month period immediately following your Qualifying Termination shall immediately and automatically vest in full and, in the case of the Stock Options, shall remain exercisable for the period of time set forth in the applicable award agreements. All unvested time-based RSU Awards and all Stock Options held by you that by their terms vest following such twelve month period shall immediately terminate and be forfeited.

**9. Resignation Without Good Reason; Termination for Cause; Death or Disability.** If, at any time, you resign your employment without Good Reason, or the Company terminates your employment for Cause, or if either party terminates your employment as a result of your death or disability, you will receive (a) your base salary accrued through your last day of employment, (b) any unused vacation (if applicable) accrued through your last day of employment, (c) any earned but unpaid Annual Bonus for the calendar year ended immediately prior to your Separation from Service date (provided that any such Annual Bonus will be paid at the same time it would have been paid had your employment not terminated), and (d) reimbursement of any unreimbursed business expenses (collectively, the "**Accrued Amounts**"). Under these circumstances, you will not be entitled to any other form of compensation from the Company, including any Severance Benefits, other than any rights to which you are entitled under the Company's benefit programs, stock option plan or equity grant documents between you and the Company.

**10. Conditions to Receipt of Severance Benefits.** Prior to and as a condition to your receipt of the Severance Benefits described above, you shall execute and deliver to the Company an effective release of claims in favor of the Company, in substantially the form attached hereto as ***Exhibit B*** (the "**Release**") within the timeframe set forth therein, but not later than forty-five (45) days following your Separation from Service date, and allow the Release to become effective according to its terms (by not invoking any legal right to revoke it) within any applicable time period set forth therein (such latest permitted effective date, the "**Release Deadline**"). Receipt of Severance Benefits is further subject to Section 11(d) below. Notwithstanding anything in this Agreement to the contrary, in no event will any Severance Benefits be paid prior to the first business day of the calendar year in which the Release Deadline occurs.

**11. Restrictive Covenants.** In recognition of the consideration set forth herein, the sufficiency of which is hereby acknowledged, and to protect the Confidential Information, goodwill and Customer and business relationships of the Company, you hereby covenant and agree that:

(a) **Non-Competition.** While employed and for six months after termination of your employment for any reason (the "**Restricted Term**"), you shall not, either directly or indirectly, individually or by or through any Covered Entity, whether for consideration or otherwise: (1) engage in (except on behalf of the Company or any of its Affiliates), or compete with the Company or any of its Affiliates in, a Competing Business anywhere in the Territory; or (2) form or assist others in forming, be employed by, perform services for, become an officer, director, member or partner of, or participant in, or consultant or independent contractor to, invest in or own any interest in (whether through equity or debt securities), assist (financially or otherwise) or lend your name, counsel or assistance to any entity engaged in a Competing Business anywhere in the Territory.

(b) **Non-Solicitation.** While employed and during the Restricted Term, you shall not, either directly or indirectly, individually or by or through any Covered Entity, whether for consideration or otherwise: (A) knowingly solicit or actually accept business from any Customer or Prospective Customer, in each case, for the purpose of providing goods or services on behalf of a Competing Business, (B) knowingly solicit or induce any Customer to terminate, reduce or alter, in a manner adverse to the Company or any of its Affiliates, any existing or potential business arrangement or agreement with the Company or any of its Affiliates, or (C) solicit, hire, attempt to solicit or attempt to hire any person who is or was an employee, third party consultant or independent contractor of the Company or any of its Affiliates at any time during the 12 months prior to such solicitation or hiring. The restrictions set forth in this Section 11(b) shall not prohibit any form of general advertising or solicitation that is not directed at a specific person or entity and does not relate to a Competing Business.

(c) **Non-Disparagement.** You will not, in any manner, directly or indirectly, on your own behalf or in conjunction with or for the benefit of any other person or entity, disparage, defame, or denigrate the Company or any of its Affiliates or their respective officers, directors, employees, stockholders, products or services in any manner harmful to their business reputation. The Company agrees that its officers and directors will not, in any manner, directly or indirectly, disparage, defame, or denigrate you in any manner harmful to your business or personal reputation. Notwithstanding the foregoing, nothing in this Section 11(c) shall prohibit any person from making truthful statements when required by order of a court or other governmental or regulatory body having jurisdiction or to enforce any legal right including, without limitation, the terms of this Agreement.

(d) **Conditional Severance Benefits.** You agree that the payment of any Severance Benefits is conditioned on your compliance with Sections 11(a), (b) and (c) and that, if you breach any of those sections, you (A) forfeit your rights to receive any Severance Benefits, and (B) will repay, or cause to be repaid, to the Company the full amount of any Severance Benefits paid by the Company to you prior to the date of such breach.

(e) **Enforcement.** You acknowledge that the covenants set forth in Sections 5, 6 and 11(a), (b) and (c) impose a reasonable restraint on you in light of the business and activities of the Company and its Affiliates. You acknowledge that your expertise is of a special and unique character which gives this expertise a particular value, and that a breach of Sections 5, 6 or 11(a), (b) or (c) by you will cause serious and potentially irreparable harm to the Company and its Affiliates. You therefore acknowledge that a breach of Sections 5, 6 or 11(a), (b) or (c) by you cannot be adequately compensated in an action for damages at law, and equitable relief would be necessary to protect the Company and its Affiliates from a violation of this Agreement and from the harm which this Agreement is intended to prevent. By reason thereof, you acknowledge that, notwithstanding any provision contained herein to the contrary, the Company and its Affiliates are entitled, in addition to any other remedies they may have under this Agreement or otherwise, to temporary, preliminary and permanent injunctive and other equitable relief (without the necessity of showing economic loss or other actual damages) to prevent or curtail any breach of this Agreement in any court of competent jurisdiction, in addition to any other legal or equitable remedies they may have. You acknowledge, however, that no specification in this Agreement of a specific legal or equitable remedy may be construed as a waiver of or prohibition against pursuing other legal or equitable remedies in the event of a breach of this Agreement by you. In the event of a breach or violation by you of any of the provisions of Section 11(a) or (b), the running of the Restricted Term shall be tolled during the continuance of any actual breach or violation. Other than with respect to a Company violation of Section 11(c) above, your sole and exclusive remedy in the event of a breach of this Agreement by the Company shall be payment of Severance Benefits.

(f) **Modification.** In the event that any provision or term of Section 11(a) or (b), or any word, phrase, clause, sentence or other portion thereof (including, without limitation, the geographic and temporal restrictions and provisions contained in Section 11(a) or (b)) is held to be unenforceable or invalid for any reason, such provision or portion thereof will be modified or deleted in such a manner as to be effective for the maximum period of time for which it/they may be enforceable and over the maximum geographical area as to which it/they may be enforceable and to the maximum extent in all other respects as to which it/they may be enforceable. Such modified restriction(s) shall be enforced by the court or adjudicator. In the event that modification is not possible, because each of your obligations in Section 11 is a separate and independent covenant, any unenforceable obligation shall be severed and all remaining obligations shall be enforced.

**12. Return of Company Property.** Upon the termination of your employment for any reason, as a precondition to your receipt of the Severance Benefits (if applicable), within five (5) days after your Separation from Service Date (or earlier if requested by the Company), you will return to the Company all Company documents (and all copies thereof) and other Company property within your possession, custody or control, including, but not limited to, Company files, notes, financial and operational information, Customer lists and contact information, product and services information, research and development information, drawings, records, plans, forecasts, reports, payroll information, spreadsheets, studies, analyses, compilations of data, proposals, agreements, sales and marketing information, personnel information, specifications, code, software, databases, computer-recorded information, tangible property and equipment (including, but not limited to, computers, facsimile machines, mobile telephones, tablets, handheld devices, and servers), credit cards, entry cards, identification badges and keys, and any materials of any kind which contain or embody any proprietary or confidential information of the Company, and all reproductions thereof in whole or in part and in any medium. You further agree that you will make a diligent search to locate any such documents, property and information and return them to the Company within the timeframe provided above. In addition, if you have used any personally-owned computer, server, or e-mail system to receive, store, review, prepare or transmit any confidential or proprietary data, materials or information of the Company, then within five (5) days after your Separation from Service date you must permanently delete and expunge such confidential or proprietary information from those systems without retaining any reproductions (in whole or in part). You shall deliver to the Company a signed statement certifying compliance with this Section 12 prior to the receipt of the Severance Benefits.

**13. Definitions.** For purposes of this Agreement, the following terms shall have the following meanings:

"**Affiliate**" means with respect to any party, any corporation, limited liability company, partnership, joint venture, firm and/or other entity that directly or indirectly controls, is controlled by or is under common control with such party, including any subsidiaries.

"**Cause**" for termination will mean your: (a) willful and continued failure to substantially perform your duties (other than as a result of incapacity due to physical or mental illness or other approved leave of absence); (b) gross negligence or willful misconduct in the course of your employment with the Company that causes or is likely to cause material harm to the Company; (c) engagement in conduct that discriminates or harasses another employee or contractor of the Company or any of its Affiliates on the basis of gender, race, color, creed, religion or sexual orientation; (d) conviction of, or plea of guilty or *nolo contendere* to, a crime involving moral turpitude; (e) intentional, material breach of this Agreement that causes or is likely to cause material harm to the Company; (f) intentional, material violation of the written policies of the Company, to the extent you have reasonable notice of such policies, that causes or is likely to cause material harm to the Company; or (g) material fraud with respect to, or embezzlement of material funds or property belonging to, the Company. Notwithstanding the foregoing, "Cause" shall not exist with respect to the events or circumstances described in sections (a), (b), (e), (f) or (g) of this paragraph unless and until the Company has given you written notice of the applicable event or circumstance within sixty (60) days of the date the Company has actual knowledge thereof, which notice specifically delineates such claimed misconduct or breach and informs you that you are required to cure such misconduct or breach (if curable) within thirty (30) days (the "**Executive Cure Period**") of the date of such notice, and such breach is not cured to the extent curable within the Executive Cure Period. If Cause exists pursuant to the preceding sentence in respect of an event described in sections (a), (b), (e), (f) or (g) of this paragraph, the Company may terminate your employment for Cause within forty-five (45) days after the end of the Executive Cure Period. If such curable misconduct or breach is cured within the Executive Cure Period, Cause shall be deemed not to exist. The Company shall not be permitted to terminate your employment for Cause in respect of an event described in sections (a), (b), (e), (f) or (g) of this paragraph if the Company fails to either (x) provide written notice of the applicable event or circumstance within sixty (60) days of the date the Board (other than you, if you are a member of the Board) has actual knowledge thereof, or (y) terminate your employment within the forty-five (45)-day period following the end of the applicable Executive Cure Period.

"**Competing Business**" means (i) any business involving or relating to the sale, distribution, marketing, wholesaling or manufacturing of hydroponic and similar products, including the acquisition and operation of any wholesaler or distributor of hydroponic equipment or any subsidiaries or Affiliates thereof, and (ii) any other business in which the Company or any of its Affiliates is engaged during the Term (as defined in Section 7).

"**Confidential Information**" means confidential or proprietary information and/or techniques of the Company or any of its Affiliates entrusted to, developed by, or made available to you, whether in writing, in computer form, reduced to a tangible form in any medium, or conveyed orally, that is not generally known by others in the form in which it is or was used by the Company or any of its Affiliates. Examples of Confidential Information include, without limitation: (i) sales, sales volume, sales methods, sales proposals, business plans or statements of work; (ii) Customers, Prospective Customers, and Customer records, including contact, preference and other Customer information; (iii) costs and general price lists and prices charged to specific Customers; (iv) the names, addresses, contact information and other information concerning any and all brokers, vendors and suppliers and prospective brokers, vendors and suppliers; (v) terms of contracts; (vi) non-public information and materials describing or relating to the business or financial affairs of the Company or any of its Affiliates, including but not limited to, financial statements, budgets, projections, financial and/or investment performance information, research reports, personnel matters, products, services, operating procedures, organizational responsibilities and marketing matters, policies or procedures; (vii) information and materials describing existing or new processes, products and services of the Company or any of its Affiliates, including marketing materials, analytical data and techniques, and product, service or marketing concepts under development by or for the Company or any of its Affiliates, and the status of such development; (viii) the business or strategic plans of the Company or any of its Affiliates; (ix) the information technology systems, network designs, computer program code, and application practices of the Company or any of its Affiliates; and (x) acquisition candidates of the Company or any of its Affiliates or any studies or assessments relating thereto. Confidential Information does not include information that becomes generally known to and available for use by the public other than as a result of your acts or omissions to act, including any breach of this Agreement.

"**Covered Entity**" means all of your Affiliates, and every business, association, trust, corporation, partnership, limited liability company, proprietorship or other entity in or to which you have an investment (whether through debt or equity securities), maintain any capital contribution or have made any advances, or in which any Affiliate of you has an ownership interest or profit sharing percentage. Your agreements contained herein specifically apply to each entity which is presently a Covered Entity or which becomes a Covered Entity subsequent to the date of this Agreement. Notwithstanding the foregoing, nothing contained in this Agreement prohibits you from owning less than 3% of any class of voting securities, publicly held and quoted on a recognized securities exchange or inter-dealer quotation system, of any issuer, and no such issuer shall be considered a Covered Entity solely by virtue of such ownership or the incidents thereof.

"**Customer**" means any person or entity for whom the Company or any of its Affiliates (i) provides (or is contracted to provide) goods or services as of the date hereof or at any time during the Term, or (ii) has provided goods or services at any time during the one-year period prior to the date hereof.

"**Good Reason**" for resigning from employment with the Company shall exist if any of the following actions are taken by the Company without your prior written consent: (a) a material reduction in your base salary which the parties agree is a reduction of at least ten percent (10%) of your base salary; (b) a material reduction in your duties, responsibilities and/or authority; or (c) any material breach of this Agreement by the Company. In order to resign for Good Reason, you must provide written notice to the Board within sixty (60) days after the first occurrence of the event giving rise to Good Reason setting forth the basis for your resignation, allow the Company at least thirty (30) days from receipt of such written notice to cure such event, and if such event is not cured within such period, you must resign from all positions you then hold with the Company not later than forty-five (45) days after the expiration of the cure period.

"**Prospective Customer**" means any person or entity with whom the Company or any of its Affiliates has communicated or whom the Company or any of its Affiliates has solicited for the purposes of obtaining such person or entity as a Customer and/or whom the Company or any of its Affiliates has analyzed concerning the potential of such person or entity to become a Customer, at any time during the one-year period prior to the date hereof or at any time during the Term.

"**Territory**" means anywhere in the world.

**14. Compliance with Section 409A.** It is intended that the payments and benefits set forth in this Agreement (including, without limitation, the Severance Benefits) satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Internal Revenue Code of 1986, as amended, (the "**Code**") (Section 409A, together with any state law of similar effect, "**Section 409A**"). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations 1.409A-2(b)(2)(iii)), your right to receive any installment payments under this Agreement (whether severance payments, reimbursements or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. Notwithstanding any provision to the contrary in this Agreement, (a) except to the extent any expense or reimbursement provided pursuant to this Agreement does not constitute a "deferral of compensation" within the meaning of Section 409A, (i) the amount of expenses eligible for reimbursement during any calendar year will not affect the amount of expenses eligible for reimbursement in any other calendar year, (ii) the reimbursements for expenses for which you are entitled to be reimbursed will be made on or before the last day of the calendar year following the calendar year in which the applicable expense is incurred, and (iii) the right to payment or reimbursement hereunder may not be liquidated or exchanged for any other benefit and (b) if the Company (or, if applicable, the successor entity thereto) determines that the Severance Benefits constitute "deferred compensation" under Section 409A and you are, on the date of your Separation from Service, a "specified employee" of the Company or any successor entity thereto, as such term is defined in Section 409A(a)(2)(B)(i) of the Code, then, solely to the extent necessary to avoid the incurrence of adverse personal tax consequences under Section 409A, the timing of the Severance Benefits shall be delayed until the earliest of: (i) the date that is six (6) months and one (1) day after your Separation from Service date, (ii) the date of your death, or (iii) such earlier date as permitted under Section 409A without the imposition of adverse taxation. Upon the first business day following the expiration of such applicable Code Section 409A(a)(2)(B)(i) period, all payments or benefits deferred pursuant to this Section 14 shall be paid in a lump sum or provided in full by the Company (or the successor entity thereto, as applicable), and any remaining payments due shall be paid as otherwise provided herein. No interest shall be due on any amounts so deferred. If the Severance Benefits are not covered by one or more exemptions from the application of Section 409A and the Release could become effective in the calendar year following the calendar year in which you have a Separation from Service, the Release will not be deemed effective any earlier than the Release Deadline. The Severance Benefits are intended to qualify for an exemption from application of Section 409A or comply with its requirements to the extent necessary to avoid adverse personal tax consequences under Section 409A, and any ambiguities herein shall be interpreted accordingly.

**15. Section 280G; Parachute Payments.**

(a) If any payment or benefit you will or may receive from the Company or otherwise (a "**280G Payment**") would (i) constitute a "parachute payment" within the meaning of Section 280G of the Code, and (ii) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "**Excise Tax**"), then any such 280G Payment shall be equal to the Reduced Amount. The "**Reduced Amount**" shall be either (x) the largest portion of the 280G Payment that would result in no portion of the 280G Payment (after reduction) being subject to the Excise Tax or (y) the largest portion, up to and including the total, of the 280G Payment, whichever amount (i.e., the amount determined by clause (x) or by clause (y)), after taking into account all applicable federal, state and local employment taxes, income taxes, and the Excise Tax, results in your receipt, on an after-tax basis, of the greater economic benefit notwithstanding that all or some portion of the 280G Payment may be subject to the Excise Tax. If a reduction in a 280G Payment is required pursuant to the preceding sentence and the Reduced Amount is determined pursuant to clause (x) of the preceding sentence, the reduction shall occur in the manner (the "**Reduction Method**") that results in the greatest economic benefit for you. If more than one method of reduction will result in the same economic benefit, the items so reduced will be reduced pro rata (the "**Pro Rata Reduction Method**").

(b) Notwithstanding any provision of subsection (a) above to the contrary, if the Reduction Method or the Pro Rata Reduction Method would result in any portion of the 280G Payment being subject to taxes pursuant to Section 409A that would not otherwise be subject to taxes pursuant to Section 409A, then the Reduction Method and/or the Pro Rata Reduction Method, as the case may be, shall be modified so as to avoid the imposition of taxes pursuant to Section 409A as follows: (A) as a first priority, the modification shall preserve to the greatest extent possible, the greatest economic benefit for you as determined on an after-tax basis; (B) as a second priority, 280G Payments that are contingent on future events (e.g., being terminated without Cause), shall be reduced (or eliminated) before 280G Payments that are not contingent on future events; and (C) as a third priority, 280G Payments that are "deferred compensation" within the meaning of Section 409A shall be reduced (or eliminated) before 280G Payments that are not deferred compensation within the meaning of Section 409A.

(c) Unless you and the Company agree on an alternative accounting firm or law firm, the accounting firm engaged by the Company for general tax compliance purposes as of the day prior to the effective date of the change in control transaction shall perform the foregoing calculations. If the accounting firm so engaged by the Company is serving as accountant or auditor for the individual, entity or group effecting the change in control transaction, the Company shall appoint a nationally recognized accounting or law firm to make the determinations required by this Section 15. For purposes of making the determinations required by this Section 15, the accounting or law firm may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. Executive and the Company agree to furnish such information and documents as the accounting or law firm may reasonably request in order to make a determination under this Section 15. The Company shall bear all expenses with respect to the determinations by such accounting or law firm required to be made hereunder. The Company shall use commercially reasonable efforts to cause the accounting or law firm engaged to make the determinations hereunder to provide its calculations, together with detailed supporting documentation, to you and the Company within fifteen (15) calendar days after the date on which your right to a 280G Payment becomes reasonably likely to occur (if requested at that time by you or the Company) or such other time as requested by you or the Company.

(d) If you receive a 280G Payment for which the Reduced Amount was determined pursuant to clause (x) of Section 15(a) and the Internal Revenue Service determines thereafter that some portion of the 280G Payment is subject to the Excise Tax, you agree to promptly return to the Company a sufficient amount of the 280G Payment (after reduction pursuant to clause (x) of Section 15(a)) so that no portion of the remaining 280G Payment is subject to the Excise Tax. For the avoidance of doubt, if the Reduced Amount was determined pursuant to clause (y) of Section 15(a), you shall have no obligation to return any portion of the 280G Payment pursuant to the preceding sentence.

**16. Dispute Resolution.** To ensure the timely and economical resolution of disputes that may arise in connection with your employment with the Company, you and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance, negotiation, execution, or interpretation of this Agreement, your employment, or the termination of your employment, including but not limited to statutory claims (including, without limitation, discrimination, harassment, wrongful termination or wage claims under the Labor Code), will be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in Florida, conducted by JAMS, Inc. ("**JAMS**") under the then-applicable JAMS rules (available at the following web address: http://www.jamsadr.com/rulesclauses, and which will be provided to you on request). **By agreeing to this arbitration procedure, both you and the Company waive the right to resolve any such dispute through a trial by jury or judge or administrative proceeding.** You will have the right to be represented by legal counsel at any arbitration proceeding. The arbitrator shall: (a) have the authority to compel adequate discovery for the resolution of the dispute and to award such relief as would otherwise be permitted by law; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award. The arbitrator shall be authorized to award any or all remedies that you or the Company would be entitled to seek in a court of law. The prevailing party in the arbitration may be entitled to an award of reasonable attorneys' fees incurred in connection with the arbitration in such amount, if any, as determined by the arbitrator. The costs of the arbitration shall be borne equally by the parties unless otherwise determined by the arbitrator in its award. Nothing in this letter is intended to prevent either you or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration. Any awards or orders in such arbitrations may be entered and enforced as judgments in the federal and state courts of any competent jurisdiction.

**17. Clawback.** You hereby acknowledge and agree that any payment hereunder will be subject to recovery by the Company pursuant to applicable law and any applicable Company compensation recovery policy as may be from time to time in effect.

**18. Reimbursement of Legal Expenses.** The Company shall pay directly, or reimburse you for, all reasonable legal expenses incurred by you in the negotiation and execution of this Agreement (including any exhibits hereto). Such payments and/or reimbursements shall occur within ten business days after you provide documentation to the Company of the legal expenses incurred.

**19. Confidentiality of this Agreement.** You agree to keep confidential the terms of this Agreement, unless and until such terms have been disclosed publicly other than through a breach by you of this covenant. This provision does not prohibit you from providing this information on a confidential and privileged basis to your attorneys or accountants for purposes of obtaining legal or tax advice or as otherwise required by law.

**20. Miscellaneous.** This Agreement (including exhibits), together with your Confidentiality Agreement, forms the complete and exclusive statement of your employment agreement with the Company. It supersedes any other agreements or promises made to you by anyone, whether oral or written. Changes in your employment terms, other than those changes expressly reserved to the Company's or Board's discretion in this Agreement, require a written modification approved by the Company and signed by a duly authorized officer of the Company. This Agreement will bind the heirs, personal representatives, successors and assigns of both you and the Company, and inure to the benefit of both you and the Company, their heirs, successors and assigns. If any provision of this Agreement is determined to be invalid or unenforceable, in whole or in part, this determination shall not affect any other provision of this Agreement and the provision in question shall be modified so as to be rendered enforceable in a manner consistent with the intent of the parties insofar as possible under applicable law. The Company represents and warrants that it is free to enter into this Agreement and has taken all corporate action necessary to authorize the execution and delivery of this Agreement and the performance of all of its obligations under this Agreement. This Agreement shall be construed and enforced in accordance with the laws of the State of Florida without regard to conflicts of law principles. Any ambiguity in this Agreement shall not be construed against either party as the drafter. Any waiver of a breach of this Agreement, or rights hereunder, shall be in writing and shall not be deemed to be a waiver of any successive breach or rights hereunder. This Agreement may be executed in counterparts which shall be deemed to be part of one original, and facsimile and electronic image copies of signatures shall be equivalent to original signatures.

Please sign and date this Agreement and the enclosed Confidentiality Agreement and return them to me. I would be happy to discuss any questions that you may have about these terms.

**PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT**

This PROPRIETARY INFORMATION AND INVENTION ASSIGNMENT AGREEMENT (this "Agreement"), dated as of April _____, 2017 (the "Effective Date"), is made and entered into by and between (i) Hydrofarm, Inc., a California corporation ("Company"), and (ii) _____, an individual resident in the State of _____ ("Employee").

**AGREEMENT**

In consideration of Employee's employment with Company, Employee's receipt of the compensation paid to Employee by Company and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. Employment; Compensation**

(a) Employee understands and acknowledges that Employee's employment with the Company is for an unspecified duration and constitutes "at-will" employment. Employee acknowledges that this employment relationship may be terminated at any time, with or without good cause or for any or no cause, at the option either of the Company or employee, with or without notice.

(b) During the term of Employee's employment with the Company, Employee will not engage in any other employment, occupation, consulting or other business activity related to the business in which the Company is now involved or becomes involved during the term of Employee's employment; and, Employee will not engage in any other activities that conflict with Employee's obligations to the Company.

(c) In consideration for the covenants and obligations set forth herein, the Company will pay Employee the compensation set forth on **Appendix A**.

**2. Confidential Information**

(a) **Company Information**. During the term of Employee's employment (Employee's "Relationship with the Company"), Employee will have access to Confidential Information and Trade Secrets of the Company (collectively, the "Proprietary Information"). Employee acknowledges that all Proprietary Information that may exist from time to time is a valuable, special and unique asset of the Company, and access to and knowledge of which is essential to the performance of Employee's employment duties. Employee will keep confidential and not disclose (during the period of employment and thereafter, except that Employee is only required to hold any Proprietary Information that is not a Trade Secret in confidence for the maximum extent permitted by applicable law) to any other person or entity and will not use for Employee's own benefit or the benefit of any other person or entity (other than the Company) any Proprietary Information, except in a manner that has been expressly authorized by the formal written policies of the Company. "Confidential Information" means any Company proprietary information, technical data, or know-how, including, but not limited to, research, business plans, product plans, products, services, customer lists and customers (including, but not limited to, customers of the Company on whom Employee called or with whom Employee became acquainted during the term of Employee's Relationship with the Company), market research, works of original authorship, intellectual property (including, but not limited to, unpublished works and undisclosed patents), photographs, negatives, digital images, software, computer programs, ideas, developments, inventions (whether or not patentable), processes, formulas, technology, designs, drawings and engineering, hardware configuration information, forecasts, strategies, marketing, finances or other business information disclosed to Employee by the Company either directly or indirectly in writing, orally or by drawings or observation or inspection of parts or equipment. Confidential Information does not include any of the foregoing items that has become publicly known and made generally available through no wrongful act of Employee or of others who were under confidentiality obligations as to the item or items involved. "Trade Secrets" means, collectively, information, including a formula, pattern, compilation, program, device, method, technique or process, that: (i) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use; and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(b) **Other Employer Information**. Employee will not improperly use or disclose to any member of the Company, or to any employee, officer, director, manager, equityholder, financing source, lender, partner, agent, contractor or representative of any member of the Company, any confidential or proprietary information (including unpublished patent applications or invention disclosures) belonging to any former employer of Employee or to any other person or entity to which Employee owes a duty of nondisclosure, unless consented to in writing by such employer, person or entity.

(c) **Third Party Information**. Employee recognizes that the Company has received and in the future will receive from third parties their confidential or proprietary information subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. Employee will hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm or corporation or to use it except as necessary in carrying out Employee's duties to the Company consistent with the Company's agreement with such third party.

(d) **Defend Trade Secrets** Act. Notwithstanding any other provision of this Agreement to the contrary, pursuant to 18 USC Section 1833(b), Employee shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that is made: (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (ii) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. 18 USC Section 1833(b) does not, however, preclude the trade secret owner from seeking breach of contract remedies.

**3. Intellectual Property**

(a) **Assignment of Intellectual Property**. Employee will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assigns to the Company, or its designee, all of Employee's right, title and interest in and to any original works of authorship, trademarks, domain names, inventions (including the right to claim priority), concepts, improvements, processes, methods or Proprietary Information , whether or not patentable or registrable under copyright or similar laws that Employee may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during the period of Employee's Relationship with the Company, including such intellectual property developed by Employee for the Company prior to the Effective Date (collectively referred to as "Intellectual Property") and that (i) are developed using the equipment, supplies, facilities or Confidential Information of the Company, (ii) result from or are suggested by work performed by Employee for the Company, or (iii) relate to the Company business or to the actual or demonstrably anticipated research or development of the Company. All original works of authorship that are created by Employee (solely or jointly with others) within the scope of and during the period of Employee's Relationship with the Company and that are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act. Any assignment of copyright hereunder includes all rights of paternity, integrity, disclosure and withdrawal, and any other rights that may be known as or referred to as "moral rights" (collectively, "Moral Rights"). To the extent such Moral Rights cannot be assigned under applicable law and to the extent the following is allowed by the laws in the various countries where Moral Rights exist, Employee hereby waives such Moral Rights and consents to any action of Company that would violate such Moral Rights in the absence of such consent.

(b) **Patent and Copyright Registrations**. Employee will assist the Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in the Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto in any and all countries, including the disclosure to the Company of all pertinent information and data with respect thereto and the execution of all applications, specifications, oaths, assignments and other instruments that the Company deems necessary in order to apply for and obtain such rights and in order to assign and convey to the Company and its successors, assigns and nominees the sole and exclusive right, title and interest in and to such Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto. Employee's obligation to execute or cause to be executed, when it is in Employee's power to do so, any such instrument or papers continues after the termination of this Agreement. In the event the Company is unable because of Employee's mental or physical incapacity or for any other reason to secure Employee's assistance in perfecting the rights transferred in this Agreement, Employee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Employee's agent and attorney in fact, to act for and in Employee's behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent and copyright, trademark or domain name registrations thereon with the same legal force and effect as if executed by Employee. The designation and appointment of the Company and its duly authorized officers and agents as Employee's agent and attorney in fact is deemed to be coupled with an interest and therefore irrevocable.

(c) **Maintenance of Records**. Employee will keep and maintain adequate and current written records of all Intellectual Property created by Employee (solely or jointly with others) during the term of Employee's Relationship with the Company. The records will be in the form of notes, sketches, drawings, works of original authorship, photographs, negatives or digital images or in any other format that may be specified by the Company. The records will be available to and remain the sole property of the Company at all times.

(d) **Intellectual Property Retained and Licensed**. To the extent permitted by Section 2(b), Employee has accurately identified on Schedule 1 all ideas, methodologies, processes, inventions, discoveries and works of authorship, and all rights in any trademarks, service marks, trade secrets, copyrights, and patents, that Employee created prior to Employee's employment with the Company (collectively "Pre-Existing Work Product") that may reasonably relate to the current or future business of the Company. Except as provided herein, Employee will retain all right, title and interest in and to such Pre-Existing Work Product. Employee will promptly disclose to the Company any modifications or improvements to any Pre-Existing Work Product that fall within the definition of Intellectual Property (and hereby assigns rights thereto to the Company pursuant to Section 3(a)). If Employee, during the course of or resulting from employment with the Company, uses, creates, or otherwise provides Confidential Information, Intellectual Property or other works that incorporate or reasonably require the use of any of Employee's Pre-Existing Work Product, then Employee will promptly disclose such and hereby grants the Company an unrestricted, royalty-free, perpetual, irrevocable, transferable, license to make, have made, use, market, import, distribute, copy, modify, prepare derivative works, perform, display, disclose, sublicense and otherwise exploit any and all such Pre-Existing Work Product, to the extent such grant of rights does not conflict with any contractual obligations of Employee existing prior to the Effective Date.

(e) **Exception to Assignments.** The foregoing provisions of this Agreement requiring assignment of Intellectual Property to the Company do not apply to any invention or Intellectual Property that cannot be assigned to the Company under the laws of the state in which Employee resides, and the notices set forth as **Appendix B** pertaining to Employee's state of residence applies to Employee and any such inventions and Intellectual Property.

(f) **Return of Company Documents**. At the time of leaving the employ of the Company and at other times as requested by Company, Employee will deliver to the Company (and will not keep in Employee's possession, recreate or deliver to anyone else) any and all works of original authorship, domain names, original registration certificates, photographs, negatives, digital images, devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment or other documents or property, or reproductions of any aforementioned items, developed by Employee pursuant to Employee's Relationship with the Company or otherwise belonging to the Company or its successors or assigns. In the event of the termination of Employee's Relationship with the Company, Employee agrees to execute and deliver the "Termination Certificate" attached hereto as **Appendix C**.

**4. Notification of New Employer**

In the event that Employee leaves the employ of the Company, Employee hereby grants consent to notification by the Company to Employee's new employer or consulting client of Employee's rights and obligations under this Agreement.

**5. No Solicitation of Employees**

In consideration for Employee's Relationship with the Company and other valuable consideration, receipt of which is hereby acknowledged, Employee agrees that, during the period of Employee's Relationship with the Company as an employee, consultant, officer and/or director and for a period of twelve (12) months thereafter, Employee will not solicit the employment of any person who is then employed by the Company (as an employee or consultant), on behalf of Employee or any other person, firm, corporation, association or other entity, directly or indirectly.

**6. Representations and Warranties**

Employee represents and warrants that Employee's performance of all the terms of this Agreement will not breach any agreement to keep in confidence proprietary information acquired by Employee in confidence or in trust prior to Employee's Relationship with the Company. Employee has not entered into, and Employee will not enter into, any oral or written agreement in conflict herewith. Employee agrees to execute any proper oath or verify any proper document required to carry out the terms of this Agreement.

**7. Equitable Relief**

Any disputes relating to or arising out of a breach of the covenants contained in this Agreement may cause the Company or Employee, as applicable, to suffer irreparable harm and to have no adequate remedy at law. In the event of any such breach or default by a party, or any threat of such breach or default, the other party will be entitled to injunctive relief, specific performance and other equitable relief. No bond or other security is required in obtaining such equitable relief (unless such bond or security is otherwise required by law, in which event, Company and Employee hereby agree that a $5,000 US bond will be sufficient) and hereby consents to the issuance of such injunction and to the ordering of specific performance.

**8. General Provisions**

(a) **Governing Law; Consent to Personal Jurisdiction**. This Agreement and any controversy related to or arising, directly or indirectly, out of, caused by or resulting from this Agreement will be governed by and construed in accordance with the domestic laws of Employee's residence as of the Effective Date of this Agreement (as identified in the caption of this Agreement), without giving effect to any choice or conflict of law provision or rule (whether of such state or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than such state. Employee hereby expressly consents to the nonexclusive personal jurisdiction and venue of the state and federal courts located in the federal Northern District of California for any lawsuit filed there by either party arising from or relating to this Agreement.

(b) **Entire Agreement**. This Agreement sets forth the entire agreement and understanding between the Company and Employee relating to the subject matter herein and merges all prior discussions between the parties. No modification of or amendment to this Agreement, or any waiver of any rights under this Agreement, will be effective unless in writing signed by the party to be charged. Any subsequent change or changes in Employee's duties, salary or compensation will not affect the validity or scope of this Agreement.

(c) **Severability**. If one or more of the provisions in this Agreement are deemed void by law, then the remaining provisions will continue in full force and effect.

(d) **Successors and Assigns**. Employee may not assign any of Employee's rights or delegate any of its obligations under this Agreement without the prior written consent of the Company. The Company may freely assign any of the Company's rights or delegate any of its obligations under this Agreement. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon and inure to the benefit of the successors, heirs and permitted assigns of the parties

Notwithstanding anything to the contrary in this Release or the Offer Letter, the foregoing release shall not cover, and Employee does not intend to release, any rights of indemnification under the Company's Charter Documents (defined below) or rights to directors and officers liability insurance. The Company's charter documents include, as applicable, Articles of Incorporation, Articles of Organization, Certificate of Formation, Bylaws or Limited Liability Company Agreement (collectively the "Charter Documents"). **EXHIBIT C**

**HYDROFARM HOLDINGS LLC**

**UNIT AWARD AGREEMENT**

This UNIT AWARD AGREEMENT (this " **Agreement**") is entered into as of [_____], 2017 (the "**Effective Date**"), by and between Hydrofarm Holdings LLC, a Delaware limited liability company (the "**Company**"), and [_____] (the "**Participant**"). Capitalized terms that are used but not defined herein have the meanings ascribed to them in the LLC Agreement (as defined below).

WHEREAS, the Company is governed by that certain Limited Liability Company Agreement of Hydrofarm Holdings LLC, dated as of [_____], 2017, by and among the Company and the Members from time to time party thereto, a copy of which is attached hereto as **Exhibit A** (as amended, supplemented or otherwise modified from time to time, the "**LLC Agreement**");

WHEREAS, pursuant to the LLC Agreement, the Company is authorized to grant Class P Units ("**Class P Units**") that are intended to constitute "profits interests" for applicable income tax purposes;

WHEREAS, this Agreement is intended to qualify for the exemption from registration under Section 4(2) or Rule 701 under the Securities Act or such other exemptions as may be available under the Securities Act; and

WHEREAS, as additional compensation for services provided by the Participant to the Company, the Company desires to grant Class P Units of the Company to the Participant on the terms and subject to the conditions set forth in this Agreement.

NOW, THEREFORE, the parties hereto hereby agree as follows:

**1. Defined Terms**.

"**Fair Market Value** " means the fair market value of the Class P Units, as determined in the good faith discretion of the Board as of the last day of the month completed most recently before any notice to repurchase the Class P Units is delivered.

"**Net Return**" means, as of the applicable date of determination, the return on investment realized by Hydrofarm Investment Corp., a Delaware corporation ("**Hawthorn**") with respect to all Units (regardless of class) held by Hawthorn, equal to the quotient of (a) the aggregate amount actually realized by Hawthorn and (b) the aggregate amount paid by Hawthorn for all Units held. The Net Return shall be calculated after taking into account the Class P Units, if any, which will vest pursuant to **Section 4**. Additionally, if contingent payments are to be received in connection with a Sale Event, the Net Return shall be calculated once such contingent payments are received; *provided*, *however*, that the Board in its good faith determination may, in its sole discretion, estimate such contingent payments and include such estimated contingent payments in its calculations of Net Return at the time of the Sale Event. For the avoidance of doubt, to the extent that Hawthorn owns Units indirectly through one or more other entities, such other entities shall be included within the definition of "Hawthorn" hereunder and any payment in respect of the Units owned by them shall be included for purposes of calculating Net Return.

"**Sale Event**" means any Approved Sale or, if not an Approved Sale, then any (a) Sale Transaction, (b) Corporate Conversion (*provided* such Corporate Conversion actually results in an initial Public Offering pursuant to Section 9.11 of the LLC Agreement) or (c) dissolution of the Company pursuant to Section 12.1 of the LLC Agreement.

**2. Grant of Units**. Upon the terms and conditions set forth in this Agreement, the Company hereby grants to the Participant effective as of the Effective Date (the "**Grant Date**"), [_____] Class P Units of the Company (the "**Granted Units**"). Such Granted Units are subject to the restrictions provided in this Agreement.

**3. Profits Interests; Initial Capital Account**. The Granted Units are each intended to constitute a "profits interest" in the Company within the meaning of Internal Revenue Service Revenue Procedures 93-27 and 2001-43. On the Grant Date, the Capital Account attributable to the Granted Units shall be zero.

**4. Vesting Conditions for Class P Units**. The Granted Units will vest and no longer be subject to forfeiture, in each case subject to the Participant's continued employment through the applicable vesting dates, as follows:

(a) fifty percent (50%) of the Granted Units will vest over a four -year period (the "**Time Vesting Units**"), whereby twenty-five percent (25%) of the Time Vesting Units will vest on the one (1) year anniversary of the Grant Date, with the remaining Time Vesting Units vesting in thirty-six (36) equal monthly installments thereafter, in each case subject to the Participant's continued employment through the applicable vesting dates; and

(b) fifty percent (50%) of the Granted Units will vest based on the following Company performance thresholds (the "**Performance Vesting Units**") measured as of the occurrence of a Sale Event:

(i) If the Net Return is less than 2.0:1.0, none of the Performance Vesting Units held by the Participant will vest.

(ii) If the Net Return is greater than or equal to 2.0:1.0, but less than 3.0:1.0, a portion of the Performance Vesting Units held by the Participant shall vest, which portion shall be determined by the following formula:

(A) the Net Return *minus* 2.0; *multiplied by*

(B) the total Performance Vesting Units held by the Participant.

(iii) If the Net Return is greater than or equal to 3.0:1.0, all of the Performance Vesting Units held by the Participant shall vest.

All of the Time Vesting Units will vest immediately prior to a Sale Event; provided that, in the case of each of clause (a) and (b) above, the Participant has provided continuous employment or service to the Company or any Related Company through such vesting date (the " **Vesting Schedule**"). The Board, in its sole discretion, at any time may accelerate vesting of the Granted Units. The Granted Units that have vested and are no longer subject to forfeiture according to the Vesting Schedule are referred to herein as "**Vested Units**." Granted Units that have not vested and remain subject to forfeiture under the Vesting Schedule are referred to herein as "**Unvested Units**."

**5. Forfeiture; Termination**.

**(a) Treatment of Units on Termination**.

(i) *Unvested Units.* If the Participant's employment with the Company or any of its Subsidiaries is terminated by the Company or any such Subsidiary, if the Participant terminates employment with the Company or any of its Subsidiaries, or if the Participant dies or becomes disabled, the Participant shall immediately forfeit all of the Unvested Units previously granted to the Participant pursuant to this Agreement.

(ii) *Vested Units.* If the Participant's employment with the Company or any of its Subsidiaries is terminated by the Company or any such Subsidiary without Cause (as defined in such Participant's employment agreement with the Company), if the Participant terminates employment with the Company or any of its Subsidiaries for Good Reason (as defined in such Participant's employment agreement with the Company) or if the Participant dies or becomes disabled, the Company may, in its sole discretion, within ninety (90) days following such termination, purchase any of the Vested Units for a price equal to the Fair Market Value on the date of termination. If the Company does not so purchase a Vested Unit, the Participant shall retain such Vested Unit. If the Participant resigns without Good Reason or the Company terminates the Participant's employment for Cause, all Vested Units previously granted to the Participant pursuant to this Agreement will be forfeited.

**(b) Effect of Forfeiture**. Upon the forfeiture of any Granted Units pursuant to this Agreement, the Participant (and the Participant's heirs, successors and assigns) shall thereafter have no right, title or interest whatsoever in such forfeited Granted Units and, if the Company does not have custody of any and all certificates representing such Granted Units, then the Participant shall immediately return to the Company any and all certificates representing the Granted Units so forfeited. The Participant will receive no payment from the Company in connection with the forfeiture of any Granted Units, including no distribution or payment in respect of the Participant's Capital Account or as a result of the Participant withdrawing or resigning as a Member of the Company. If the Granted Units granted hereunder have been forfeited, and the Participant owns no other Units of the Company, then the Participant will be automatically deemed to have withdrawn and resigned as a Member of the Company.

**6. LLC Agreement; Participation Threshold**. The terms and conditions of the Granted Units shall be as set forth herein and in the LLC Agreement. As a condition to the grant of the Granted Units pursuant to this Agreement, the Participant shall execute a counterpart signature page to the LLC Agreement, attached hereto as **Exhibit B**, agreeing to become a Member of the Company on the terms and subject to the conditions set forth in the LLC Agreement. If the Participant has a spouse, such spouse shall execute a spousal consent, attached hereto as **Exhibit C**. The Participation Threshold with respect to the Granted Units will be $**[0]** per Granted Unit.

**7. Limitations on Transfer**. In addition to the restrictions on transfer set forth in the LLC Agreement, the Participant may not Transfer any rights under this Agreement and the Participant's rights hereunder shall not be subject to pledge, encumbrance, hypothecation, execution, attachment or similar process, in each case whether voluntarily or involuntarily, by operation of law or otherwise. Any attempt to Transfer any of the rights under this Agreement or any of the Granted Units contrary to the provisions hereof and the levy of any attachment or similar process upon the Participant's rights hereunder or the Granted Units will be null and void.

**8. Representations and Warranties of the Participant**. The Participant hereby represents and warrants to the Company as of this date as follows:

(a) The Participant's residence and domicile is the State set forth on the signature page hereof and all discussions related to this Agreement and the Granted Units, and the offer and acceptance of this Agreement and the Granted Units, occurred in such State.

(b) The Participant is acquiring the Granted Units for the Participant's own account for investment and not with any view to, or for resale in connection with, any distribution or public offering thereof within the meaning of the Securities Act. The Participant hereby consents to an appropriate legend on the certificates, if any, evidencing such Granted Units to such effect and to the effect that Granted Units may not be disposed of except in compliance with all federal and state securities laws. The Participant acknowledges and agrees that the Company shall have no obligation to register Granted Units granted to the Participant under federal or state securities laws either at the time the Granted Units are issued and delivered to the Participant or are proposed to be disposed of by the Participant unless otherwise expressly provided to the contrary in written agreements to which the Company and the Participant are parties.

(c) The Participant understands that (i) the Granted Units have not been registered under the Securities Act or applicable state securities laws, in reliance on exemptions from registration under the Securities Act and applicable state securities laws and (ii) no federal or state agency has made any finding or determination as to the fairness for investment, nor any recommendation or endorsement, of the Granted Units.

(d) The Participant acknowledges and agrees that (i) except as expressly provided for in this Agreement, no representations or warranties with respect to the Granted Units have been made to the Participant by the Company, any manager, officer, agent, employee, Subsidiary or Affiliate of the Company, or any other Persons, (ii) except for this Agreement and the LLC Agreement, there are no agreements, contracts, understandings or commitments between the Participant, on the one hand, and the Company, any Manager, Officer, agent, employee, Subsidiary or Affiliate of the Company, on the other hand, with respect to the Granted Units, (iii) in entering into this transaction the Participant is not relying upon any information, other than that contained in the LLC Agreement, this Agreement and the results of the Participant's own independent investigation, (iv) any future economic return with respect to the Granted Units is speculative and subject to a high degree of risk, and (v) the Granted Units are subject to forfeiture as set forth herein, are subject to dilution by the issuance of additional Units by the Company, and the Participant is not entitled to any preemptive, tag-along, information or other minority investor rights with respect to either the Granted Units, other than as expressly set forth in the LLC Agreement or as otherwise provided under applicable law.

(e) The Participant is fully informed and aware of the circumstances under which the Granted Units must be held and the restrictions upon the resale of the Granted Units under the LLC Agreement and the Securities Act and any applicable state securities laws. The Participant acknowledges that (i) the Granted Units have not been registered under the Securities Act and, therefore, cannot be sold unless they are registered under the Securities Act and any applicable state securities laws or unless an exemption from such registration is available, (ii) the availability of an exemption may depend on factors over which the Participant or the Company has no control, (iii) unless so registered or exempt from registration the Granted Units may be required to be held for an indefinite period and (iv) the reliance of the Company and others upon the exemptions from registration referred to in the recitals is predicated in part upon this representation and warranty. The Participant understands that an exemption from registration is not presently available pursuant to Rule 144 promulgated under the Securities Act by the U.S. Securities and Exchange Commission, that there is no assurance that such exemption will ever become available to the Participant and that even if it were to become available, sales pursuant to Rule 144 would be limited in amount and could only be made in full compliance with the provisions of Rule 144.

(f) The Participant has full authority to enter into this Agreement and the LLC Agreement and perform the Participant's obligations hereunder and thereunder. This Agreement has been, and the LLC Agreement, upon the execution and delivery of the counterpart signature pages referred to in **Section 6**, will have been, duly and validly executed and delivered by the Participant and constitute or will constitute legal, valid and binding obligations of the Participant, enforceable against the Participant in accordance with their terms, subject, as to the enforcement of remedies, to the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or other similar law of general application affecting creditors and general principles of equity. The execution, delivery and performance of this Agreement does not and will not, and the execution and delivery of the LLC Agreement will not, conflict with, violate or cause a breach of any agreement, contract or instrument to which the Participant is a party or any judgment, order, decree or law to which the Participant is subject.

(g) The Participant understands that the Company's agreement to grant the Granted Units to the Participant is predicated, in part, on the representations, warranties and covenants of the Participant contained herein.

**9. Section 83(b) Election for Granted Units**.

(a) The Participant understands that under Section 83(a) of the Code, the excess (if any) of the Fair Market Value of the unvested Granted Units on the date the unvested Granted Units become vested over the purchase price, if any, paid for such Granted Units could be taxed as ordinary income subject to employment or self-employment taxes and tax reporting, as applicable. The unvested Granted Units are intended to qualify as "profits interests" in the Company for income tax purposes. Provided that the unvested Granted Units qualify as profits interests, the Fair Market Value of the unvested Granted Units on the Grant Date is deemed to be zero ($0) (and thus no tax generally would be payable by reason of the filing of the election). By filing a protective election within the 30-day period described below, the Participant should avoid the risk of adverse tax consequences in the future. The Participant understands that the Participant may elect under Section 83(b) of the Code to recognize income (in the amount of zero ($0)) at the time the unvested Granted Units are acquired, rather than when and as the unvested Granted Units vest. Such election (an "**83(b) Election**") must be filed with the Internal Revenue Service within thirty (30) days from the Grant Date of the Granted Units.

(b) THE FORM FOR MAKING AN 83(b) ELECTION IS ATTACHED TO THIS AGREEMENT AS **EXHIBIT D**. THE PARTICIPANT UNDERSTANDS THAT FAILURE TO FILE SUCH AN ELECTION WITHIN THE THIRTY (30)-DAY PERIOD MAY RESULT IN THE RECOGNITION OF ORDINARY INCOME BY THE PARTICIPANT AS THE FORFEITURE RESTRICTIONS LAPSE. THE PARTICIPANT FURTHER UNDERSTANDS THAT AN ADDITIONAL COPY OF SUCH ELECTION FORM SHOULD BE FILED WITH THE PARTICIPANT'S FEDERAL INCOME TAX RETURN FOR THE CALENDAR YEAR IN WHICH THE DATE OF THIS AGREEMENT FALLS. THE PARTICIPANT ACKNOWLEDGES THAT THE FOREGOING IS ONLY A SUMMARY OF THE FEDERAL INCOME TAX LAWS THAT APPLY TO THE RECEIPT OF THE UNVESTED UNITS UNDER THIS AGREEMENT AND DOES NOT PURPORT TO BE COMPLETE. THE PARTICIPANT FURTHER ACKNOWLEDGES THAT THE COMPANY HAS DIRECTED THE PARTICIPANT TO SEEK INDEPENDENT ADVICE REGARDING THE APPLICABLE PROVISIONS OF THE CODE, THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH PARTICIPANT MAY RESIDE, AND THE TAX CONSEQUENCES OF THE PARTICIPANT'S DEATH.

(c) The Participant agrees that the Participant will execute and deliver to the Company with this Agreement a copy of the 83(b) Election attached hereto as **Exhibit D**.

**10. Survival of Representations and Warranties; Indemnification**. All representations and warranties contained herein shall survive the execution of this Agreement and the grant of the Granted Units contemplated hereby. Each party agrees to indemnify and hold harmless the other from any liability, loss or expense (including reasonable attorneys' fees) if such party has breached any representation, warranty or agreement hereunder.

**11. Governing Law**. This Agreement is entered into under the laws of the State of Delaware and this Agreement (and any controversy or action arising out of or relating hereto) shall be construed and interpreted in accordance therewith.

**12. Discontinuance of Employment**. Neither this Agreement nor the issuance of the Granted Units shall give the Participant any right to continued employment by the Company or any of its Subsidiaries, or any of their respective Affiliates, and subject to the terms of any employment agreement among such parties, the Company, any of its Subsidiaries, and their Affiliates may terminate the Participant's employment for any reason whatsoever, with or without Cause, and otherwise deal with the Participant as an employee without regard to the effect any such action may have on the Participant's rights under this Agreement or the LLC Agreement. The Participant represents that the Participant is acquiring the Granted Units without any expectation that the ownership of any Granted Units will entitle the Participant to any rights as an employee of the Company, any of its Subsidiaries, or any of their Affiliates that would not exist if the Participant were not the owner of the Granted Units. The Participant further agrees that no change in his expectations concerning employment will have a reasonable basis unless set forth in a written agreement expressly giving the Participant additional rights as to such matters.

**13. Additional Securities**. Any additional securities issued to the Participant in respect of the Granted Units, will be subject to the terms and conditions contained herein in the same manner as the Granted Units, including forfeiture under **Section 5**.

**14. Review of Agreement; Complete Agreement**. The Participant confirms that the Participant has carefully reviewed this Agreement and the LLC Agreement and understands their terms. The Participant confirms that the Participant has consulted with legal counsel, or had ample opportunity to consult with legal counsel, representing Participant concerning this Agreement, the LLC Agreement and any other agreements between or among the Participant, the Company, and any of its or their present or prospective members, managers, officers or employees. This Agreement, together with the LLC Agreement, contains the complete agreement among the parties with respect to the grant of the Granted Units or any other incentive arrangement and supersedes all prior agreements and understandings among the parties hereto with respect hereto and thereto.

**15. Tax Acknowledgement**. Participant will pay to the Company, or the Company may deduct from any amounts payable to Participant, the amount of any applicable federal, state, local or foreign taxes that the Company determines is required to be withheld in connection with the issuance, vesting, forfeiture or purchase of the Granted Units, the distribution of any cash or other property on account of the Granted Units, or otherwise as a result of Participant's relationship with the Company. The Participant acknowledges and agrees that none of the Company, any of its Subsidiaries or any of their respective Affiliates has made any representations or warranties hereunder with respect to the economic or tax effect of the grant of the Granted Units (or any other incentive arrangements). The Participant has made his or her own independent evaluation of the Granted Units, including the economic and tax effect of them, either through his or her own analysis or through representatives such as legal counsel or accountants.

**16. Miscellaneous**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and, except as otherwise expressly provided herein, their respective heirs, executors, administrators, representatives, successors and permitted assigns. This Agreement may not be assigned, transferred or otherwise disposed of by the Participant, whether voluntarily or involuntarily, by operation of law or otherwise, without the prior written consent of the Company. No waiver of any provision of this Agreement is valid unless in writing and signed by the party against whom or which enforcement is sought and any such waiver is effective only in the specific instance described and for the purpose for which the waiver was given. The failure of any party to this Agreement to insist upon or enforce strict performance by any other party to this Agreement of any provision of this Agreement shall not be construed as a waiver or relinquishment of such right or related remedy. Whenever the context of this Agreement requires, the gender of all words herein shall include the masculine, feminine, and neuter, and the number of all words herein shall include the singular and plural. The word "including" and words of similar import when used in this Agreement will mean "including, without limitation," unless otherwise specified. The word "or" will not be exclusive.

[*The remainder of this page is intentionally left blank*]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the day and year first written above.

**Settlement Schedule:** With respect to any portion of the RSUs that satisfies both the Time-Based Vesting and Performance-Based Vesting conditions, the Company will settle the vested RSUs in shares of Common Stock as soon as practicable after the applicable vesting date, but in any event not later than March 15 of the year following the calendar year in which the RSUs became vested (that is, the expiration of the period determined under Treasury Regulation Section 1.409A-1(b)(4)).

**Re: Employment Terms**

Dear Terry:

On behalf of Hydrofarm Holdings Group, Inc. (the "**Company**"), I am pleased to offer you employment at the Company on the terms set forth in this offer letter agreement (the "**Agreement**"), which will govern your employment with the Company. As you know, the Company is currently undergoing a registration of its securities with the U.S. Securities and Exchange Commission pursuant to which the Company will become a public reporting company under the Securities Exchange Act of 1934, as amended (the "**Registration**").

It is anticipated that your employment will commence on the date hereof (the "**Start Date**").

**1. Employment by the Company.**

(a) **Position.** You will serve as the Company's President. During the term of your employment with the Company, you will devote your reasonable best efforts and substantially all of your business time and attention to the business of the Company, except for approved vacation periods and reasonable periods of illness or other incapacities permitted by the Company's general employment policies.

(b) **Duties and Location.** You will perform those duties and responsibilities as are customary for your position, and as may be directed by Chief Executive Officer ("CEO"), to whom you will report. Your primary office location will be the Company's Denver, Colorado location. Notwithstanding the foregoing, the Company reserves the right to reasonably require you to perform your duties at places other than your primary office location from time to time, including, without limitation, at the Company's offices in Petaluma, California, and to require reasonable business travel.

**2. Base Salary and Employee Benefits.**

(a) **Salary.** From the Start Date until the earlier to occur of (i) completion of the Registration or (ii) September 30, 2019 (such earlier date the "**Salary Change Date**"), you will receive for services to be rendered hereunder base salary paid at the annualized rate of $150,000. Commencing on the day following the Salary Change Date, your base salary will be increased to the annualized rate of $300,000. Your base salary may be increased (but not decreased below $300,000 following the Salary Change Date without your written consent) by the Board in its sole discretion. Your base salary will be paid, less standard payroll deductions and tax withholdings, on the Company's ordinary payroll cycle. As an exempt salaried employee, you are expected to work the Company's normal business hours, and such additional time as appropriate for your work assignments and position, and you will not be entitled to overtime compensation.

(b) **Benefits.** As a regular full-time employee, you will be eligible to participate in the Company's standard employee benefits (pursuant to the terms and conditions of the benefit plans and applicable policies) that are available to the Company's employees from time to time.

(c) **Equity Awards.**

(i) **Restricted Stock Unit Awards**. On the Start Date, you will be granted an award of restricted stock units (the "**Sign-On RSU Award**") pursuant to the Restricted Stock Unit Award Notice and Restricted Stock Unit Agreement attached hereto as ***Exhibit C***. Prior to completion of the Registration and subject to approval by the Board at the time and in accordance with the terms of this Agreement, in the event that the Company issues additional shares of common stock with a value at the time of issuance up to an aggregate of $225,000,000 in connection with any merger or acquisition, you will be granted additional restricted stock units (each, a "**Follow-On RSU Award,**" and together with the Sign-On RSU Award, the "**RSU Awards**") in an amount equal to 1.8% of any such newly issued shares of common stock, in substantially similar form to ***Exhibit C***, with the Start Date as the vesting commencement date of each Follow-On RSU Award. For the avoidance of doubt, in no event shall the Company be required to grant you additional restricted stock units pursuant to the immediately preceding sentence with respect to any shares of the Company's common stock newly issued in connection with any merger or acquisition that are in excess of $225,000,000 in value at the time of issuance.

(ii) **Stock Options**. On (A) the date on which the Registration is completed and (B) if the Registration is not completed as of October 1, 2019, on October 1, 2019, subject to approval by the Board at the time and in accordance with the terms of this Agreement the Company will grant you an award of stock options (the "**Options**") to purchase that number of shares of the Company's common stock equal to the difference between the number of shares of the Company's common stock underlying the RSU Awards and 1.8% of the Company's total outstanding common stock on each such date. The specific terms and conditions (including the vesting schedule and the exercise price for the Options (which will be the fair market value of the Company's common stock on the date of grant, as determined by the Board in accordance with the Company's 2018 Equity Incentive Plan)) will be set forth in a Stock Option Grant Notice and Stock Option Agreement in substantially the form attached hereto as ***Exhibit D***.

(d) **Salary True-Up Bonus.** If you are actively employed by the Company from the Start Date through the Salary Change Date, you will receive a cash bonus (the "**Salary True-Up Bonus**") in an amount equal to (i) $150,000, multiplied by (ii) a fraction, the numerator of which is the number of calendar days that have elapsed between the Start Date and the Salary Change Date, and the denominator of which is 365. The Salary True-Up Bonus will be paid in a lump sum payment, less standard payroll deductions and tax withholdings, no later than October 31, 2019.

**3.** **Annual Bonus.** For each calendar year during the term of this Agreement, you will be eligible to earn an annual performance and retention bonus of up to fifty percent (50%) of your base salary rate (which, for the 2019 calendar year, shall be deemed to be $300,000) (the "**Annual Bonus**"). The Annual Bonus will be based upon the Board's assessment of your performance and the Company's attainment of goals, including annual EBITDA versus target EBITDA, as determined by the Board in consultation with you. Bonus payments, if any, will be subject to applicable payroll deductions and withholdings. Following the close of each calendar year, the Board will determine whether you have earned an Annual Bonus, and the amount of any such bonus, based on the achievement of such goals. You must remain an active employee through the end of any given calendar year in order to earn an Annual Bonus for that year and any such bonus will be paid no later than March 15th of the year following the year in which your right to such amount became vested.

**4. Expenses.** The Company will reimburse you for reasonable business travel, entertainment or other expenses incurred by you in furtherance or in connection with the performance of your duties hereunder, in accordance with the Company's expense reimbursement policy as in effect from time to time.

**5. Compliance with Confidentiality and Invention Assignment Agreement and Company Policies.**

(a) **Confidentiality and Invention Assignment Agreement.** You acknowledge that the Confidentiality and Invention Assignment Agreement (the "**Confidentiality Agreement**," a copy of which is attached hereto as ***Exhibit A***) executed in connection herewith is an integral component of your employment by the Company and is made a part of this Agreement by incorporation.

(b) **Non-Disclosure and Non-Use of Confidential Information.** At all times both during your employment with the Company, and after your employment relationship with the Company has ended for any reason, you agree that you will not, either directly or indirectly, and you will not permit any Covered Entity which you control to, either directly or indirectly, (i) divulge, use, disclose (in any way or in any manner, including by posting on the Internet), reproduce, distribute, or reverse engineer or otherwise provide Confidential Information to any person or entity; (ii) take any action that would make available Confidential Information to the general public in any form; or (iii) take any action that uses Confidential Information for solicitation or marketing for any service or product on your behalf or on behalf of any person or entity other than the Company or any of its Affiliates, except (A) as required in connection with the performance of your duties to the Company, (B) as required to be included in any report, statement or testimony requested by any municipal, state or national regulatory body having jurisdiction over you or any Covered Entity which is controlled by you, (C) as required in response to any summons or subpoena or in connection with any litigation, (D) to the extent necessary in order to comply with any law, order, regulation, ruling or governmental request applicable to you or any Covered Entity which is controlled by you, (E) as required in connection with an audit by any taxing authority, or (F) as permitted by the express written consent of the Board. In the event that you or any such Covered Entity that is controlled by you are required to disclose Confidential Information pursuant to the foregoing exceptions, you shall promptly notify the Company of such pending disclosure and assist the Company (at the Company's expense) in seeking a protective order or in objecting to such request, summons or subpoena with regard to the Confidential Information. If the Company does not obtain such relief prior to the time that you (or such Covered Entity) are legally compelled to disclose such Confidential Information, you (or such Covered Entity) may disclose that portion of the Confidential Information that your counsel advises you are legally compelled to disclose or else stand liable for contempt or suffer censure or penalty. In such cases, you shall promptly provide the Company with a copy of the Confidential Information so disclosed. This provision applies without limitation to unauthorized use of Confidential Information in any medium, including film, videotape, audiotape and writings of any kind (including books, articles, e-mails, texts, blogs and websites).

(c) **Compliance with Company Policies.** In addition, you are required to abide by the Company's policies and procedures, as modified from time to time within the Company's discretion including without limitation such policies with respect to legal compliance, conflicts of interest, confidentiality, compensation recovery (clawback), professional conduct and business ethics as are from time to time in effect; *provided*, *however*, that in the event the terms of this Agreement differ from or are in conflict with the Company's general employment policies or practices, this Agreement shall control. Nothing in this Agreement, or your Confidentiality Agreement, is intended to or will be used in any way to limit your rights to communicate with a government agency, as provided for, protected under or warranted by applicable law. Notwithstanding any other provision in this Agreement to the contrary and without limiting the foregoing sentence, pursuant to 18 USC Section 1833(b), you shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that is made (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (ii) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. An individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual files any document containing the trade secret under seal and does not disclose the trade secret, except pursuant to a court order. 18 USC Section 1833(b) does not preclude the trade secret owner from seeking breach of contract remedies.

**6. Protection of Third Party Information.** In your work for the Company, you will be expected not to make any unauthorized use or disclosure of any confidential or proprietary information, including trade secrets, of any former employer or other third party to whom you have contractual obligations to protect such information. Rather, you will be expected to use only that information which is generally known and used by persons with training and experience comparable to your own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided or developed by the Company. You represent that you are able to perform your job duties within these guidelines, and you are not in unauthorized possession of any unpublished documents, materials, electronically-recorded information, or other property belonging to any former employer or other third party to whom you have a contractual obligation to protect such property. In addition, you represent and warrant that your employment by the Company will not conflict with any prior employment or consulting agreement or other agreement with any third party, that you will perform your duties to the Company without violating any such agreement(s), and that you have disclosed to the Company in writing any contract you have signed that may restrict your activities on behalf of the Company.

**7. Term.** The initial term of this Agreement shall be three (3) years commencing on the Start Date, unless terminated earlier pursuant to the terms herein (the "**Initial Term**"). This Agreement shall remain in force after the end of the Initial Term unless either party gives notice of non-renewal at least ninety (90) days prior to the end of the Initial Term or at any time after the end of the Initial Term, as applicable. The Initial Term or, in the event that your employment hereunder is terminated earlier pursuant to the terms hereof or continues thereafter pursuant to this Section 7, such shorter or longer period, as the case may be, is referred to herein as the "**Term**." Notwithstanding the foregoing, your employment relationship with the Company is at-will. Accordingly, subject to the terms set forth in this Agreement, you may terminate your employment with the Company at any time and for any reason whatsoever simply by notifying the Company; and the Company may terminate your employment at any time, with or without Cause or advance notice.

**8. Severance.** If, at any time, the Company terminates your employment without Cause (other than as a result of your death or disability), you resign for Good Reason, or your employment hereunder terminates due to the Company's non-renewal of this Agreement (whether at or after the end of the Initial Term) (each such termination referred to as a "**Qualifying Termination**"), provided such termination or resignation constitutes a Separation from Service (as defined under Treasury Regulation Section 1.409A-1(h), without regard to any alternative definition thereunder, a "**Separation from Service**"), then you will receive the Accrued Amounts (as defined in Section 9) and subject to Sections 10 and 11 below and your continued compliance with the terms of this Agreement (including without limitation Section 5 above), the Company will provide you with the following severance benefits (the "**Severance Benefits**"):

(a) **Cash Severance**. The Company will pay you, as cash severance, an amount equal to the greater of $150,000 or six (6) months of your base salary in effect as of your Separation from Service date (*provided that* if your employment termination is due to your resignation for Good Reason in connection with the reduction of your base salary, then the cash severance payment herein will be based upon your base salary rate as of immediately prior to such reduction) (collectively, the "**Severance**"). The Severance will be paid, less standard payroll deductions and tax withholdings, in a lump sum payment on or before the day that is sixty (60) days following your Separation from Service date.

(b) **COBRA Severance**. As an additional Severance Benefit, if you timely (and properly) elect to continue your coverage under the Company's group health plan pursuant to Code Section 4980B(f) ("**COBRA**"), the Company will reimburse you for (or will pay directly, in the discretion of the Company) the premium charged for such coverage until the earliest to occur of (i) the six (6) month anniversary of your Separation from Service date, (ii) the date on which you obtain health care coverage from another source (e.g., a new employer or spouse's benefit plan), and (iii) the date on which you cease to be entitled to COBRA continuation coverage under the Company's group health plan; provided, however, that the Company may unilaterally amend or eliminate the benefit provided under this Section 8(b) to the extent it deems necessary to avoid imposition of excise taxes, penalties or similar charges on the Company or any of its Affiliates (or any of their respective successors), including, without limitation, under Code Section 4680D or 4980H. You must notify the Company within two (2) weeks if you obtain coverage from a new source.

(c) **Salary True-Up Bonus**. If your employment terminates before September 30, 2019 (for the avoidance of doubt as a result of the Company terminating your employment without Cause (other than as a result of your death or disability) or your resignation for Good Reason), the Company will pay you an amount equal to (i) $150,000, multiplied by (ii) a fraction, the numerator of which is the number of calendar days that have elapsed between the Start Date and your Separation from Service date, and the denominator of which is 365. This amount will be paid, less standard payroll deductions and tax withholdings, in a lump sum payment on or before the day that is sixty (60) days following your Separation from Service date.

(d) **Accelerated Vesting**. All unvested time-based RSU Awards and all Stock Options held by you that by their terms vest over the twelve month period immediately following your Qualifying Termination shall immediately and automatically vest in full and, in the case of the Stock Options, shall remain exercisable for the period of time set forth in the applicable award agreements. All unvested time-based RSU Awards and all Stock Options held by you that by their terms vest following such twelve month period shall immediately terminate and be forfeited.

**9. Resignation Without Good Reason; Termination for Cause; Death or Disability.** If, at any time, you resign your employment without Good Reason, or the Company terminates your employment for Cause, or if either party terminates your employment as a result of your death or disability, you will receive (a) your base salary accrued through your last day of employment, (b) any unused vacation (if applicable) accrued through your last day of employment, (c) any earned but unpaid Annual Bonus for the calendar year ended immediately prior to your Separation from Service date (provided that any such Annual Bonus will be paid at the same time it would have been paid had your employment not terminated), and (d) reimbursement of any unreimbursed business expenses (collectively, the "**Accrued Amounts**"). Under these circumstances, you will not be entitled to any other form of compensation from the Company, including any Severance Benefits, other than any rights to which you are entitled under the Company's benefit programs, stock option plan or equity grant documents between you and the Company.

**10. Conditions to Receipt of Severance Benefits.** Prior to and as a condition to your receipt of the Severance Benefits described above, you shall execute and deliver to the Company an effective release of claims in favor of the Company, in substantially the form attached hereto as ***Exhibit B*** (the "**Release**") within the timeframe set forth therein, but not later than forty-five (45) days following your Separation from Service date, and allow the Release to become effective according to its terms (by not invoking any legal right to revoke it) within any applicable time period set forth therein (such latest permitted effective date, the "**Release Deadline**"). Receipt of Severance Benefits is further subject to Section 11(d) below. Notwithstanding anything in this Agreement to the contrary, in no event will any Severance Benefits be paid prior to the first business day of the calendar year in which the Release Deadline occurs.

**11. Restrictive Covenants.** In recognition of the consideration set forth herein, the sufficiency of which is hereby acknowledged, and to protect the Confidential Information, goodwill and Customer and business relationships of the Company, you hereby covenant and agree that:

(a) **Non-Competition.** While employed and for six months after termination of your employment for any reason (the "**Restricted Term**"), you shall not, either directly or indirectly, individually or by or through any Covered Entity, whether for consideration or otherwise: (1) engage in (except on behalf of the Company or any of its Affiliates), or compete with the Company or any of its Affiliates in, a Competing Business anywhere in the Territory; or (2) form or assist others in forming, be employed by, perform services for, become an officer, director, member or partner of, or participant in, or consultant or independent contractor to, invest in or own any interest in (whether through equity or debt securities), assist (financially or otherwise) or lend your name, counsel or assistance to any entity engaged in a Competing Business anywhere in the Territory.

(b) **Non-Solicitation.** While employed and during the Restricted Term, you shall not, either directly or indirectly, individually or by or through any Covered Entity, whether for consideration or otherwise: (A) knowingly solicit or actually accept business from any Customer or Prospective Customer, in each case, for the purpose of providing goods or services on behalf of a Competing Business, (B) knowingly solicit or induce any Customer to terminate, reduce or alter, in a manner adverse to the Company or any of its Affiliates, any existing or potential business arrangement or agreement with the Company or any of its Affiliates, or (C) solicit, hire, attempt to solicit or attempt to hire any person who is or was an employee, third party consultant or independent contractor of the Company or any of its Affiliates at any time during the 12 months prior to such solicitation or hiring. The restrictions set forth in this Section 11(b) shall not prohibit any form of general advertising or solicitation that is not directed at a specific person or entity and does not relate to a Competing Business.

(c) **Non-Disparagement.** You will not, in any manner, directly or indirectly, on your own behalf or in conjunction with or for the benefit of any other person or entity, disparage, defame, or denigrate the Company or any of its Affiliates or their respective officers, directors, employees, stockholders, products or services in any manner harmful to their business reputation. The Company agrees that its officers and directors will not, in any manner, directly or indirectly, disparage, defame, or denigrate you in any manner harmful to your business or personal reputation. Notwithstanding the foregoing, nothing in this Section 11(c) shall prohibit any person from making truthful statements when required by order of a court or other governmental or regulatory body having jurisdiction or to enforce any legal right including, without limitation, the terms of this Agreement.

(d) **Conditional Severance Benefits.** You agree that the payment of any Severance Benefits is conditioned on your compliance with Sections 11(a), (b) and (c) and that, if you breach any of those sections, you (A) forfeit your rights to receive any Severance Benefits, and (B) will repay, or cause to be repaid, to the Company the full amount of any Severance Benefits paid by the Company to you prior to the date of such breach.

(e) **Enforcement.** You acknowledge that the covenants set forth in Sections 5, 6 and 11(a), (b) and (c) impose a reasonable restraint on you in light of the business and activities of the Company and its Affiliates. You acknowledge that your expertise is of a special and unique character which gives this expertise a particular value, and that a breach of Sections 5, 6 or 11(a), (b) or (c) by you will cause serious and potentially irreparable harm to the Company and its Affiliates. You therefore acknowledge that a breach of Sections 5, 6 or 11(a), (b) or (c) by you cannot be adequately compensated in an action for damages at law, and equitable relief would be necessary to protect the Company and its Affiliates from a violation of this Agreement and from the harm which this Agreement is intended to prevent. By reason thereof, you acknowledge that, notwithstanding any provision contained herein to the contrary, the Company and its Affiliates are entitled, in addition to any other remedies they may have under this Agreement or otherwise, to temporary, preliminary and permanent injunctive and other equitable relief (without the necessity of showing economic loss or other actual damages) to prevent or curtail any breach of this Agreement in any court of competent jurisdiction, in addition to any other legal or equitable remedies they may have. You acknowledge, however, that no specification in this Agreement of a specific legal or equitable remedy may be construed as a waiver of or prohibition against pursuing other legal or equitable remedies in the event of a breach of this Agreement by you. In the event of a breach or violation by you of any of the provisions of Section 11(a) or (b), the running of the Restricted Term shall be tolled during the continuance of any actual breach or violation. Other than with respect to a Company violation of Section 11(c) above, your sole and exclusive remedy in the event of a breach of this Agreement by the Company shall be payment of Severance Benefits.

(f) **Modification.** In the event that any provision or term of Section 11(a) or (b), or any word, phrase, clause, sentence or other portion thereof (including, without limitation, the geographic and temporal restrictions and provisions contained in Section 11(a) or (b)) is held to be unenforceable or invalid for any reason, such provision or portion thereof will be modified or deleted in such a manner as to be effective for the maximum period of time for which it/they may be enforceable and over the maximum geographical area as to which it/they may be enforceable and to the maximum extent in all other respects as to which it/they may be enforceable. Such modified restriction(s) shall be enforced by the court or adjudicator. In the event that modification is not possible, because each of your obligations in Section 11 is a separate and independent covenant, any unenforceable obligation shall be severed and all remaining obligations shall be enforced.

**12. Return of Company Property.** Upon the termination of your employment for any reason, as a precondition to your receipt of the Severance Benefits (if applicable), within five (5) days after your Separation from Service Date (or earlier if requested by the Company), you will return to the Company all Company documents (and all copies thereof) and other Company property within your possession, custody or control, including, but not limited to, Company files, notes, financial and operational information, Customer lists and contact information, product and services information, research and development information, drawings, records, plans, forecasts, reports, payroll information, spreadsheets, studies, analyses, compilations of data, proposals, agreements, sales and marketing information, personnel information, specifications, code, software, databases, computer-recorded information, tangible property and equipment (including, but not limited to, computers, facsimile machines, mobile telephones, tablets, handheld devices, and servers), credit cards, entry cards, identification badges and keys, and any materials of any kind which contain or embody any proprietary or confidential information of the Company, and all reproductions thereof in whole or in part and in any medium. You further agree that you will make a diligent search to locate any such documents, property and information and return them to the Company within the timeframe provided above. In addition, if you have used any personally-owned computer, server, or e-mail system to receive, store, review, prepare or transmit any confidential or proprietary data, materials or information of the Company, then within five (5) days after your Separation from Service date you must permanently delete and expunge such confidential or proprietary information from those systems without retaining any reproductions (in whole or in part). You shall deliver to the Company a signed statement certifying compliance with this Section 12 prior to the receipt of the Severance Benefits.

**13. Definitions.** For purposes of this Agreement, the following terms shall have the following meanings:

"**Affiliate**" means with respect to any party, any corporation, limited liability company, partnership, joint venture, firm and/or other entity that directly or indirectly controls, is controlled by or is under common control with such party, including any subsidiaries.

"**Cause**" for termination will mean your: (a) willful and continued failure to substantially perform your duties (other than as a result of incapacity due to physical or mental illness or other approved leave of absence); (b) gross negligence or willful misconduct in the course of your employment with the Company that causes or is likely to cause material harm to the Company; (c) engagement in conduct that discriminates or harasses another employee or contractor of the Company or any of its Affiliates on the basis of gender, race, color, creed, religion or sexual orientation; (d) conviction of, or plea of guilty or *nolo contendere* to, a crime involving moral turpitude; (e) intentional, material breach of this Agreement that causes or is likely to cause material harm to the Company; (f) intentional, material violation of the written policies of the Company, to the extent you have reasonable notice of such policies, that causes or is likely to cause material harm to the Company; or (g) material fraud with respect to, or embezzlement of material funds or property belonging to, the Company. Notwithstanding the foregoing, "Cause" shall not exist with respect to the events or circumstances described in sections (a), (b), (e), (f) or (g) of this paragraph unless and until the Company has given you written notice of the applicable event or circumstance within sixty (60) days of the date the Company has actual knowledge thereof, which notice specifically delineates such claimed misconduct or breach and informs you that you are required to cure such misconduct or breach (if curable) within thirty (30) days (the "**Executive Cure Period**") of the date of such notice, and such breach is not cured to the extent curable within the Executive Cure Period. If Cause exists pursuant to the preceding sentence in respect of an event described in sections (a), (b), (e), (f) or (g) of this paragraph, the Company may terminate your employment for Cause within forty-five (45) days after the end of the Executive Cure Period. If such curable misconduct or breach is cured within the Executive Cure Period, Cause shall be deemed not to exist. The Company shall not be permitted to terminate your employment for Cause in respect of an event described in sections (a), (b), (e), (f) or (g) of this paragraph if the Company fails to either (x) provide written notice of the applicable event or circumstance within sixty (60) days of the date the Board (other than you, if you are a member of the Board) has actual knowledge thereof, or (y) terminate your employment within the forty-five (45)-day period following the end of the applicable Executive Cure Period.

"**Competing Business**" means (i) any business involving or relating to the sale, distribution, marketing, wholesaling or manufacturing of hydroponic and similar products, including the acquisition and operation of any wholesaler or distributor of hydroponic equipment or any subsidiaries or Affiliates thereof, and (ii) any other business in which the Company or any of its Affiliates is engaged during the Term (as defined in Section 7).

"**Confidential Information**" means confidential or proprietary information and/or techniques of the Company or any of its Affiliates entrusted to, developed by, or made available to you, whether in writing, in computer form, reduced to a tangible form in any medium, or conveyed orally, that is not generally known by others in the form in which it is or was used by the Company or any of its Affiliates. Examples of Confidential Information include, without limitation: (i) sales, sales volume, sales methods, sales proposals, business plans or statements of work; (ii) Customers, Prospective Customers, and Customer records, including contact, preference and other Customer information; (iii) costs and general price lists and prices charged to specific Customers; (iv) the names, addresses, contact information and other information concerning any and all brokers, vendors and suppliers and prospective brokers, vendors and suppliers; (v) terms of contracts; (vi) non-public information and materials describing or relating to the business or financial affairs of the Company or any of its Affiliates, including but not limited to, financial statements, budgets, projections, financial and/or investment performance information, research reports, personnel matters, products, services, operating procedures, organizational responsibilities and marketing matters, policies or procedures; (vii) information and materials describing existing or new processes, products and services of the Company or any of its Affiliates, including marketing materials, analytical data and techniques, and product, service or marketing concepts under development by or for the Company or any of its Affiliates, and the status of such development; (viii) the business or strategic plans of the Company or any of its Affiliates; (ix) the information technology systems, network designs, computer program code, and application practices of the Company or any of its Affiliates; and (x) acquisition candidates of the Company or any of its Affiliates or any studies or assessments relating thereto. Confidential Information does not include information that becomes generally known to and available for use by the public other than as a result of your acts or omissions to act, including any breach of this Agreement.

"**Covered Entity**" means all of your Affiliates, and every business, association, trust, corporation, partnership, limited liability company, proprietorship or other entity in or to which you have an investment (whether through debt or equity securities), maintain any capital contribution or have made any advances, or in which any Affiliate of you has an ownership interest or profit sharing percentage. Your agreements contained herein specifically apply to each entity which is presently a Covered Entity or which becomes a Covered Entity subsequent to the date of this Agreement. Notwithstanding the foregoing, nothing contained in this Agreement prohibits you from owning less than 3% of any class of voting securities, publicly held and quoted on a recognized securities exchange or inter-dealer quotation system, of any issuer, and no such issuer shall be considered a Covered Entity solely by virtue of such ownership or the incidents thereof.

"**Customer**" means any person or entity for whom the Company or any of its Affiliates (i) provides (or is contracted to provide) goods or services as of the date hereof or at any time during the Term, or (ii) has provided goods or services at any time during the one-year period prior to the date hereof.

"**Good Reason**" for resigning from employment with the Company shall exist if any of the following actions are taken by the Company without your prior written consent: (a) a material reduction in your base salary which the parties agree is a reduction of at least ten percent (10%) of your base salary; (b) a material reduction in your duties, responsibilities and/or authority; or (c) any material breach of this Agreement by the Company. In order to resign for Good Reason, you must provide written notice to the Board within sixty (60) days after the first occurrence of the event giving rise to Good Reason setting forth the basis for your resignation, allow the Company at least thirty (30) days from receipt of such written notice to cure such event, and if such event is not cured within such period, you must resign from all positions you then hold with the Company not later than forty-five (45) days after the expiration of the cure period.

"**Prospective Customer**" means any person or entity with whom the Company or any of its Affiliates has communicated or whom the Company or any of its Affiliates has solicited for the purposes of obtaining such person or entity as a Customer and/or whom the Company or any of its Affiliates has analyzed concerning the potential of such person or entity to become a Customer, at any time during the one-year period prior to the date hereof or at any time during the Term.

"**Territory**" means anywhere in the world.

**14. Compliance with Section 409A.** It is intended that the payments and benefits set forth in this Agreement (including, without limitation, the Severance Benefits) satisfy, to the greatest extent possible, the exemptions from the application of Section 409A of the Internal Revenue Code of 1986, as amended, (the "**Code**") (Section 409A, together with any state law of similar effect, "**Section 409A**"). For purposes of Section 409A (including, without limitation, for purposes of Treasury Regulations 1.409A-2(b)(2)(iii)), your right to receive any installment payments under this Agreement (whether severance payments, reimbursements or otherwise) shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment. Notwithstanding any provision to the contrary in this Agreement, (a) except to the extent any expense or reimbursement provided pursuant to this Agreement does not constitute a "deferral of compensation" within the meaning of Section 409A, (i) the amount of expenses eligible for reimbursement during any calendar year will not affect the amount of expenses eligible for reimbursement in any other calendar year, (ii) the reimbursements for expenses for which you are entitled to be reimbursed will be made on or before the last day of the calendar year following the calendar year in which the applicable expense is incurred, and (iii) the right to payment or reimbursement hereunder may not be liquidated or exchanged for any other benefit and (b) if the Company (or, if applicable, the successor entity thereto) determines that the Severance Benefits constitute "deferred compensation" under Section 409A and you are, on the date of your Separation from Service, a "specified employee" of the Company or any successor entity thereto, as such term is defined in Section 409A(a)(2)(B)(i) of the Code, then, solely to the extent necessary to avoid the incurrence of adverse personal tax consequences under Section 409A, the timing of the Severance Benefits shall be delayed until the earliest of: (i) the date that is six (6) months and one (1) day after your Separation from Service date, (ii) the date of your death, or (iii) such earlier date as permitted under Section 409A without the imposition of adverse taxation. Upon the first business day following the expiration of such applicable Code Section 409A(a)(2)(B)(i) period, all payments or benefits deferred pursuant to this Section 14 shall be paid in a lump sum or provided in full by the Company (or the successor entity thereto, as applicable), and any remaining payments due shall be paid as otherwise provided herein. No interest shall be due on any amounts so deferred. If the Severance Benefits are not covered by one or more exemptions from the application of Section 409A and the Release could become effective in the calendar year following the calendar year in which you have a Separation from Service, the Release will not be deemed effective any earlier than the Release Deadline. The Severance Benefits are intended to qualify for an exemption from application of Section 409A or comply with its requirements to the extent necessary to avoid adverse personal tax consequences under Section 409A, and any ambiguities herein shall be interpreted accordingly.

**15. Section 280G; Parachute Payments.**

(a) If any payment or benefit you will or may receive from the Company or otherwise (a "**280G Payment**") would (i) constitute a "parachute payment" within the meaning of Section 280G of the Code, and (ii) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "**Excise Tax**"), then any such 280G Payment shall be equal to the Reduced Amount. The "**Reduced Amount**" shall be either (x) the largest portion of the 280G Payment that would result in no portion of the 280G Payment (after reduction) being subject to the Excise Tax or (y) the largest portion, up to and including the total, of the 280G Payment, whichever amount (i.e., the amount determined by clause (x) or by clause (y)), after taking into account all applicable federal, state and local employment taxes, income taxes, and the Excise Tax, results in your receipt, on an after-tax basis, of the greater economic benefit notwithstanding that all or some portion of the 280G Payment may be subject to the Excise Tax. If a reduction in a 280G Payment is required pursuant to the preceding sentence and the Reduced Amount is determined pursuant to clause (x) of the preceding sentence, the reduction shall occur in the manner (the "**Reduction Method**") that results in the greatest economic benefit for you. If more than one method of reduction will result in the same economic benefit, the items so reduced will be reduced pro rata (the "**Pro Rata Reduction Method**").

(b) Notwithstanding any provision of subsection (a) above to the contrary, if the Reduction Method or the Pro Rata Reduction Method would result in any portion of the 280G Payment being subject to taxes pursuant to Section 409A that would not otherwise be subject to taxes pursuant to Section 409A, then the Reduction Method and/or the Pro Rata Reduction Method, as the case may be, shall be modified so as to avoid the imposition of taxes pursuant to Section 409A as follows: (A) as a first priority, the modification shall preserve to the greatest extent possible, the greatest economic benefit for you as determined on an after-tax basis; (B) as a second priority, 280G Payments that are contingent on future events (e.g., being terminated without Cause), shall be reduced (or eliminated) before 280G Payments that are not contingent on future events; and (C) as a third priority, 280G Payments that are "deferred compensation" within the meaning of Section 409A shall be reduced (or eliminated) before 280G Payments that are not deferred compensation within the meaning of Section 409A.

(c) Unless you and the Company agree on an alternative accounting firm or law firm, the accounting firm engaged by the Company for general tax compliance purposes as of the day prior to the effective date of the change in control transaction shall perform the foregoing calculations. If the accounting firm so engaged by the Company is serving as accountant or auditor for the individual, entity or group effecting the change in control transaction, the Company shall appoint a nationally recognized accounting or law firm to make the determinations required by this Section 15. For purposes of making the determinations required by this Section 15, the accounting or law firm may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. Executive and the Company agree to furnish such information and documents as the accounting or law firm may reasonably request in order to make a determination under this Section 15. The Company shall bear all expenses with respect to the determinations by such accounting or law firm required to be made hereunder. The Company shall use commercially reasonable efforts to cause the accounting or law firm engaged to make the determinations hereunder to provide its calculations, together with detailed supporting documentation, to you and the Company within fifteen (15) calendar days after the date on which your right to a 280G Payment becomes reasonably likely to occur (if requested at that time by you or the Company) or such other time as requested by you or the Company.

(d) If you receive a 280G Payment for which the Reduced Amount was determined pursuant to clause (x) of Section 15(a) and the Internal Revenue Service determines thereafter that some portion of the 280G Payment is subject to the Excise Tax, you agree to promptly return to the Company a sufficient amount of the 280G Payment (after reduction pursuant to clause (x) of Section 15(a)) so that no portion of the remaining 280G Payment is subject to the Excise Tax. For the avoidance of doubt, if the Reduced Amount was determined pursuant to clause (y) of Section 15(a), you shall have no obligation to return any portion of the 280G Payment pursuant to the preceding sentence.

**16. Dispute Resolution.** To ensure the timely and economical resolution of disputes that may arise in connection with your employment with the Company, you and the Company agree that any and all disputes, claims, or causes of action arising from or relating to the enforcement, breach, performance, negotiation, execution, or interpretation of this Agreement, your employment, or the termination of your employment, including but not limited to statutory claims (including, without limitation, discrimination, harassment, wrongful termination or wage claims under the Labor Code), will be resolved to the fullest extent permitted by law by final, binding and confidential arbitration, by a single arbitrator, in California, conducted by JAMS, Inc. ("**JAMS**") under the then-applicable JAMS rules (available at the following web address: http://www.jamsadr.com/rulesclauses, and which will be provided to you on request). **By agreeing to this arbitration procedure, both you and the Company waive the right to resolve any such dispute through a trial by jury or judge or administrative proceeding.** You will have the right to be represented by legal counsel at any arbitration proceeding. The arbitrator shall: (a) have the authority to compel adequate discovery for the resolution of the dispute and to award such relief as would otherwise be permitted by law; and (b) issue a written arbitration decision, to include the arbitrator's essential findings and conclusions and a statement of the award.

The arbitrator shall be authorized to award any or all remedies that you or the Company would be entitled to seek in a court of law. The prevailing party in the arbitration may be entitled to an award of reasonable attorneys' fees incurred in connection with the arbitration in such amount, if any, as determined by the arbitrator. The costs of the arbitration shall be borne equally by the parties unless otherwise determined by the arbitrator in its award. Nothing in this letter is intended to prevent either you or the Company from obtaining injunctive relief in court to prevent irreparable harm pending the conclusion of any such arbitration. Any awards or orders in such arbitrations may be entered and enforced as judgments in the federal and state courts of any competent jurisdiction.

**17. Clawback.** You hereby acknowledge and agree that any payment hereunder will be subject to recovery by the Company pursuant to applicable law and any applicable Company compensation recovery policy as may be from time to time in effect.

**18. Reimbursement of Legal Expenses.** The Company shall pay directly, or reimburse you for, all reasonable legal expenses incurred by you in the negotiation and execution of this Agreement (including any exhibits hereto). Such payments and/or reimbursements shall occur within ten business days after you provide documentation to the Company of the legal expenses incurred.

**19. Confidentiality of this Agreement.** You agree to keep confidential the terms of this Agreement, unless and until such terms have been disclosed publicly other than through a breach by you of this covenant. This provision does not prohibit you from providing this information on a confidential and privileged basis to your attorneys or accountants for purposes of obtaining legal or tax advice or as otherwise required by law.

**20. Miscellaneous.** This Agreement (including exhibits), together with your Confidentiality Agreement, forms the complete and exclusive statement of your employment agreement with the Company. It supersedes any other agreements or promises made to you by anyone, whether oral or written. Changes in your employment terms, other than those changes expressly reserved to the Company's or Board's discretion in this Agreement, require a written modification approved by the Company and signed by a duly authorized officer of the Company. This Agreement will bind the heirs, personal representatives, successors and assigns of both you and the Company, and inure to the benefit of both you and the Company, their heirs, successors and assigns. If any provision of this Agreement is determined to be invalid or unenforceable, in whole or in part, this determination shall not affect any other provision of this Agreement and the provision in question shall be modified so as to be rendered enforceable in a manner consistent with the intent of the parties insofar as possible under applicable law. The Company represents and warrants that it is free to enter into this Agreement and has taken all corporate action necessary to authorize the execution and delivery of this Agreement and the performance of all of its obligations under this Agreement. This Agreement shall be construed and enforced in accordance with the laws of the State of California without regard to conflicts of law principles. Any ambiguity in this Agreement shall not be construed against either party as the drafter. Any waiver of a breach of this Agreement, or rights hereunder, shall be in writing and shall not be deemed to be a waiver of any successive breach or rights hereunder. This Agreement may be executed in counterparts which shall be deemed to be part of one original, and facsimile and electronic image copies of signatures shall be equivalent to original signatures.

Please sign and date this Agreement and the enclosed Confidentiality Agreement and return them to me. I would be happy to discuss any questions that you may have about these terms.

**PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT**

This PROPRIETARY INFORMATION AND INVENTION ASSIGNMENT AGREEMENT (this "Agreement"), dated as of April _____, 2017 (the "Effective Date"), is made and entered into by and between (i) Hydrofarm, Inc., a California corporation ("Company"), and (ii) _____, an individual resident in the State of _____ ("Employee").

**AGREEMENT**

In consideration of Employee's employment with Company, Employee's receipt of the compensation paid to Employee by Company and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. Employment; Compensation**

(a) Employee understands and acknowledges that Employee's employment with the Company is for an unspecified duration and constitutes "at-will" employment. Employee acknowledges that this employment relationship may be terminated at any time, with or without good cause or for any or no cause, at the option either of the Company or employee, with or without notice.

(b) During the term of Employee's employment with the Company, Employee will not engage in any other employment, occupation, consulting or other business activity related to the business in which the Company is now involved or becomes involved during the term of Employee's employment; and, Employee will not engage in any other activities that conflict with Employee's obligations to the Company.

(c) In consideration for the covenants and obligations set forth herein, the Company will pay Employee the compensation set forth on **Appendix A**.

**2. Confidential Information**

(a) **Company Information**. During the term of Employee's employment (Employee's "Relationship with the Company"), Employee will have access to Confidential Information and Trade Secrets of the Company (collectively, the "Proprietary Information"). Employee acknowledges that all Proprietary Information that may exist from time to time is a valuable, special and unique asset of the Company, and access to and knowledge of which is essential to the performance of Employee's employment duties. Employee will keep confidential and not disclose (during the period of employment and thereafter, except that Employee is only required to hold any Proprietary Information that is not a Trade Secret in confidence for the maximum extent permitted by applicable law) to any other person or entity and will not use for Employee's own benefit or the benefit of any other person or entity (other than the Company) any Proprietary Information, except in a manner that has been expressly authorized by the formal written policies of the Company. "Confidential Information" means any Company proprietary information, technical data, or know-how, including, but not limited to, research, business plans, product plans, products, services, customer lists and customers (including, but not limited to, customers of the Company on whom Employee called or with whom Employee became acquainted during the term of Employee's Relationship with the Company), market research, works of original authorship, intellectual property (including, but not limited to, unpublished works and undisclosed patents), photographs, negatives, digital images, software, computer programs, ideas, developments, inventions (whether or not patentable), processes, formulas, technology, designs, drawings and engineering, hardware configuration information, forecasts, strategies, marketing, finances or other business information disclosed to Employee by the Company either directly or indirectly in writing, orally or by drawings or observation or inspection of parts or equipment. Confidential Information does not include any of the foregoing items that has become publicly known and made generally available through no wrongful act of Employee or of others who were under confidentiality obligations as to the item or items involved. "Trade Secrets" means, collectively, information, including a formula, pattern, compilation, program, device, method, technique or process, that: (i) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure or use; and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(b) **Other Employer Information**. Employee will not improperly use or disclose to any member of the Company, or to any employee, officer, director, manager, equityholder, financing source, lender, partner, agent, contractor or representative of any member of the Company, any confidential or proprietary information (including unpublished patent applications or invention disclosures) belonging to any former employer of Employee or to any other person or entity to which Employee owes a duty of nondisclosure, unless consented to in writing by such employer, person or entity.

(c) **Third Party Information**. Employee recognizes that the Company has received and in the future will receive from third parties their confidential or proprietary information subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. Employee will hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm or corporation or to use it except as necessary in carrying out Employee's duties to the Company consistent with the Company's agreement with such third party.

(d) **Defend Trade Secrets** Act. Notwithstanding any other provision of this Agreement to the contrary, pursuant to 18 USC Section 1833(b), Employee shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that is made: (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and solely for the purpose of reporting or investigating a suspected violation of law; or (ii) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. 18 USC Section 1833(b) does not, however, preclude the trade secret owner from seeking breach of contract remedies.

**3. Intellectual Property**

(a) **Assignment of Intellectual Property**. Employee will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assigns to the Company, or its designee, all of Employee's right, title and interest in and to any original works of authorship, trademarks, domain names, inventions (including the right to claim priority), concepts, improvements, processes, methods or Proprietary Information , whether or not patentable or registrable under copyright or similar laws that Employee may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during the period of Employee's Relationship with the Company, including such intellectual property developed by Employee for the Company prior to the Effective Date (collectively referred to as "Intellectual Property") and that (i) are developed using the equipment, supplies, facilities or Confidential Information of the Company, (ii) result from or are suggested by work performed by Employee for the Company, or (iii) relate to the Company business or to the actual or demonstrably anticipated research or development of the Company. All original works of authorship that are created by Employee (solely or jointly with others) within the scope of and during the period of Employee's Relationship with the Company and that are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act. Any assignment of copyright hereunder includes all rights of paternity, integrity, disclosure and withdrawal, and any other rights that may be known as or referred to as "moral rights" (collectively, "Moral Rights"). To the extent such Moral Rights cannot be assigned under applicable law and to the extent the following is allowed by the laws in the various countries where Moral Rights exist, Employee hereby waives such Moral Rights and consents to any action of Company that would violate such Moral Rights in the absence of such consent.

(b) **Patent and Copyright Registrations**. Employee will assist the Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in the Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto in any and all countries, including the disclosure to the Company of all pertinent information and data with respect thereto and the execution of all applications, specifications, oaths, assignments and other instruments that the Company deems necessary in order to apply for and obtain such rights and in order to assign and convey to the Company and its successors, assigns and nominees the sole and exclusive right, title and interest in and to such Intellectual Property and any copyrights, patents, trademarks, domain names or other intellectual property rights relating thereto. Employee's obligation to execute or cause to be executed, when it is in Employee's power to do so, any such instrument or papers continues after the termination of this Agreement. In the event the Company is unable because of Employee's mental or physical incapacity or for any other reason to secure Employee's assistance in perfecting the rights transferred in this Agreement, Employee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Employee's agent and attorney in fact, to act for and in Employee's behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent and copyright, trademark or domain name registrations thereon with the same legal force and effect as if executed by Employee. The designation and appointment of the Company and its duly authorized officers and agents as Employee's agent and attorney in fact is deemed to be coupled with an interest and therefore irrevocable.

(c) **Maintenance of Records**. Employee will keep and maintain adequate and current written records of all Intellectual Property created by Employee (solely or jointly with others) during the term of Employee's Relationship with the Company. The records will be in the form of notes, sketches, drawings, works of original authorship, photographs, negatives or digital images or in any other format that may be specified by the Company. The records will be available to and remain the sole property of the Company at all times.

(d) **Intellectual Property Retained and Licensed**. To the extent permitted by Section 2(b), Employee has accurately identified on Schedule 1 all ideas, methodologies, processes, inventions, discoveries and works of authorship, and all rights in any trademarks, service marks, trade secrets, copyrights, and patents, that Employee created prior to Employee's employment with the Company (collectively "Pre-Existing Work Product") that may reasonably relate to the current or future business of the Company. Except as provided herein, Employee will retain all right, title and interest in and to such Pre-Existing Work Product. Employee will promptly disclose to the Company any modifications or improvements to any Pre-Existing Work Product that fall within the definition of Intellectual Property (and hereby assigns rights thereto to the Company pursuant to Section 3(a)). If Employee, during the course of or resulting from employment with the Company, uses, creates, or otherwise provides Confidential Information, Intellectual Property or other works that incorporate or reasonably require the use of any of Employee's Pre-Existing Work Product, then Employee will promptly disclose such and hereby grants the Company an unrestricted, royalty-free, perpetual, irrevocable, transferable, license to make, have made, use, market, import, distribute, copy, modify, prepare derivative works, perform, display, disclose, sublicense and otherwise exploit any and all such Pre-Existing Work Product, to the extent such grant of rights does not conflict with any contractual obligations of Employee existing prior to the Effective Date.

(e) **Exception to Assignments.** The foregoing provisions of this Agreement requiring assignment of Intellectual Property to the Company do not apply to any invention or Intellectual Property that cannot be assigned to the Company under the laws of the state in which Employee resides, and the notices set forth as **Appendix B** pertaining to Employee's state of residence applies to Employee and any such inventions and Intellectual Property.

(f) **Return of Company Documents**. At the time of leaving the employ of the Company and at other times as requested by Company, Employee will deliver to the Company (and will not keep in Employee's possession, recreate or deliver to anyone else) any and all works of original authorship, domain names, original registration certificates, photographs, negatives, digital images, devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment or other documents or property, or reproductions of any aforementioned items, developed by Employee pursuant to Employee's Relationship with the Company or otherwise belonging to the Company or its successors or assigns. In the event of the termination of Employee's Relationship with the Company, Employee agrees to execute and deliver the "Termination Certificate" attached hereto as **Appendix C**.

**4. Notification of New Employer**

In the event that Employee leaves the employ of the Company, Employee hereby grants consent to notification by the Company to Employee's new employer or consulting client of Employee's rights and obligations under this Agreement.

**5. No Solicitation of Employees**

In consideration for Employee's Relationship with the Company and other valuable consideration, receipt of which is hereby acknowledged, Employee agrees that, during the period of Employee's Relationship with the Company as an employee, consultant, officer and/or director and for a period of twelve (12) months thereafter, Employee will not solicit the employment of any person who is then employed by the Company (as an employee or consultant), on behalf of Employee or any other person, firm, corporation, association or other entity, directly or indirectly.

**6. Representations and Warranties**

Employee represents and warrants that Employee's performance of all the terms of this Agreement will not breach any agreement to keep in confidence proprietary information acquired by Employee in confidence or in trust prior to Employee's Relationship with the Company. Employee has not entered into, and Employee will not enter into, any oral or written agreement in conflict herewith. Employee agrees to execute any proper oath or verify any proper document required to carry out the terms of this Agreement.

**7. Equitable Relief**

Any disputes relating to or arising out of a breach of the covenants contained in this Agreement may cause the Company or Employee, as applicable, to suffer irreparable harm and to have no adequate remedy at law. In the event of any such breach or default by a party, or any threat of such breach or default, the other party will be entitled to injunctive relief, specific performance and other equitable relief. No bond or other security is required in obtaining such equitable relief (unless such bond or security is otherwise required by law, in which event, Company and Employee hereby agree that a $5,000 US bond will be sufficient) and hereby consents to the issuance of such injunction and to the ordering of specific performance.

**8. General Provisions**

(a) **Governing Law; Consent to Personal Jurisdiction**. This Agreement and any controversy related to or arising, directly or indirectly, out of, caused by or resulting from this Agreement will be governed by and construed in accordance with the domestic laws of Employee's residence as of the Effective Date of this Agreement (as identified in the caption of this Agreement), without giving effect to any choice or conflict of law provision or rule (whether of such state or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than such state. Employee hereby expressly consents to the nonexclusive personal jurisdiction and venue of the state and federal courts located in the federal Northern District of California for any lawsuit filed there by either party arising from or relating to this Agreement.

(b) **Entire Agreement**. This Agreement sets forth the entire agreement and understanding between the Company and Employee relating to the subject matter herein and merges all prior discussions between the parties. No modification of or amendment to this Agreement, or any waiver of any rights under this Agreement, will be effective unless in writing signed by the party to be charged. Any subsequent change or changes in Employee's duties, salary or compensation will not affect the validity or scope of this Agreement.

(c) **Severability**. If one or more of the provisions in this Agreement are deemed void by law, then the remaining provisions will continue in full force and effect.

(d) **Successors and Assigns**. Employee may not assign any of Employee's rights or delegate any of its obligations under this Agreement without the prior written consent of the Company. The Company may freely assign any of the Company's rights or delegate any of its obligations under this Agreement. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon and inure to the benefit of the successors, heirs and permitted assigns of the parties

**CONFIDENTIAL**

**HYDROFARM HOLDINGS LLC**

**UNIT AWARD AGREEMENT**

This UNIT AWARD AGREEMENT (this " **Agreement**") is entered into as of [ _____], 2017 (the "**Effective Date**"), by and between Hydrofarm Holdings LLC, a Delaware limited liability company (the "**Company**"), and [_____] (the "**Participant**"). Capitalized terms that are used but not defined herein have the meanings ascribed to them in the LLC Agreement (as defined below).

WHEREAS, the Company is governed by that certain Limited Liability Company Agreement of Hydrofarm Holdings LLC, dated as of [_____], 2017, by and among the Company and the Members from time to time party thereto, a copy of which is attached hereto as **Exhibit A** (as amended, supplemented or otherwise modified from time to time, the "**LLC Agreement**");

WHEREAS, pursuant to the LLC Agreement, the Company is authorized to grant Class P Units ("**Class P Units**") that are intended to constitute "profits interests" for applicable income tax purposes;

WHEREAS, this Agreement is intended to qualify for the exemption from registration under Section 4(2) or Rule 701 under the Securities Act or such other exemptions as may be available under the Securities Act; and

WHEREAS, as additional compensation for services provided by the Participant to the Company, the Company desires to grant Class P Units of the Company to the Participant on the terms and subject to the conditions set forth in this Agreement.

NOW, THEREFORE, the parties hereto hereby agree as follows:

**1. Defined Terms**.

"**Fair Market Value** " means the fair market value of the Class P Units, as determined in the good faith discretion of the Board as of the last day of the month completed most recently before any notice to repurchase the Class P Units is delivered.

"**Net Return**" means, as of the applicable date of determination, the return on investment realized by Hydrofarm Investment Corp., a Delaware corporation ("**Hawthorn**") with respect to all Units (regardless of class) held by Hawthorn, equal to the quotient of (a) the aggregate amount actually realized by Hawthorn and (b) the aggregate amount paid by Hawthorn for all Units held. The Net Return shall be calculated after taking into account the Class P Units, if any, which will vest pursuant to **Section 4**. Additionally, if contingent payments are to be received in connection with a Sale Event, the Net Return shall be calculated once such contingent payments are received; *provided*, *however*, that the Board in its good faith determination may, in its sole discretion, estimate such contingent payments and include such estimated contingent payments in its calculations of Net Return at the time of the Sale Event. For the avoidance of doubt, to the extent that Hawthorn owns Units indirectly through one or more other entities, such other entities shall be included within the definition of "Hawthorn" hereunder and any payment in respect of the Units owned by them shall be included for purposes of calculating Net Return.

"**Sale Event**" means any Approved Sale or, if not an Approved Sale, then any (a) Sale Transaction, (b) Corporate Conversion (*provided* such Corporate Conversion actually results in an initial Public Offering pursuant to Section 9.11 of the LLC Agreement) or (c) dissolution of the Company pursuant to Section 12.1 of the LLC Agreement.

**2. Grant of Units**. Upon the terms and conditions set forth in this Agreement, the Company hereby grants to the Participant effective as of the Effective Date (the "**Grant Date**"), [_____] Class P Units of the Company (the "**Granted Units**"). Such Granted Units are subject to the restrictions provided in this Agreement.

**3. Profits Interests; Initial Capital Account**. The Granted Units are each intended to constitute a "profits interest" in the Company within the meaning of Internal Revenue Service Revenue Procedures 93-27 and 2001-43. On the Grant Date, the Capital Account attributable to the Granted Units shall be zero.

**4. Vesting Conditions for Class P Units**. The Granted Units will vest and no longer be subject to forfeiture, in each case subject to the Participant's continued employment through the applicable vesting dates, as follows:

(a) fifty percent (50%) of the Granted Units will vest over a four -year period (the "**Time Vesting Units**"), whereby twenty-five percent (25%) of the Time Vesting Units will vest on the one (1) year anniversary of the Grant Date, with the remaining Time Vesting Units vesting in thirty-six (36) equal monthly installments thereafter, in each case subject to the Participant's continued employment through the applicable vesting dates; and

(b) fifty percent (50%) of the Granted Units will vest based on the following Company performance thresholds (the "**Performance Vesting Units**") measured as of the occurrence of a Sale Event:

(i) If the Net Return is less than 2.0:1.0, none of the Performance Vesting Units held by the Participant will vest.

(ii) If the Net Return is greater than or equal to 2.0:1.0, but less than 3.0:1.0, a portion of the Performance Vesting Units held by the Participant shall vest, which portion shall be determined by the following formula:

(A) the Net Return *minus* 2.0; *multiplied by*

(B) the total Performance Vesting Units held by the Participant.

(iii) If the Net Return is greater than or equal to 3.0:1.0, all of the Performance Vesting Units held by the Participant shall vest.

All of the Time Vesting Units will vest immediately prior to a Sale Event; provided that, in the case of each of clause (a) and (b) above, the Participant has provided continuous employment or service to the Company or any Related Company through such vesting date (the " **Vesting Schedule**"). The Board, in its sole discretion, at any time may accelerate vesting of the Granted Units. The Granted Units that have vested and are no longer subject to forfeiture according to the Vesting Schedule are referred to herein as "**Vested Units**." Granted Units that have not vested and remain subject to forfeiture under the Vesting Schedule are referred to herein as "**Unvested Units**."

**5. Forfeiture; Termination**.

**(a) Treatment of Units on Termination**.

(i) *Unvested Units.* If the Participant's employment with the Company or any of its Subsidiaries is terminated by the Company or any such Subsidiary, if the Participant terminates employment with the Company or any of its Subsidiaries, or if the Participant dies or becomes disabled, the Participant shall immediately forfeit all of the Unvested Units previously granted to the Participant pursuant to this Agreement.

(ii) *Vested Units.* If the Participant's employment with the Company or any of its Subsidiaries is terminated by the Company or any such Subsidiary without Cause (as defined in such Participant's employment agreement with the Company), if the Participant terminates employment with the Company or any of its Subsidiaries for Good Reason (as defined in such Participant's employment agreement with the Company) or if the Participant dies or becomes disabled, the Company may, in its sole discretion, within ninety (90) days following such termination, purchase any of the Vested Units for a price equal to the Fair Market Value on the date of termination. If the Company does not so purchase a Vested Unit, the Participant shall retain such Vested Unit. If the Participant resigns without Good Reason or the Company terminates the Participant's employment for Cause, all Vested Units previously granted to the Participant pursuant to this Agreement will be forfeited.

**(b) Effect of Forfeiture**. Upon the forfeiture of any Granted Units pursuant to this Agreement, the Participant (and the Participant's heirs, successors and assigns) shall thereafter have no right, title or interest whatsoever in such forfeited Granted Units and, if the Company does not have custody of any and all certificates representing such Granted Units, then the Participant shall immediately return to the Company any and all certificates representing the Granted Units so forfeited. The Participant will receive no payment from the Company in connection with the forfeiture of any Granted Units, including no distribution or payment in respect of the Participant's Capital Account or as a result of the Participant withdrawing or resigning as a Member of the Company. If the Granted Units granted hereunder have been forfeited, and the Participant owns no other Units of the Company, then the Participant will be automatically deemed to have withdrawn and resigned as a Member of the Company.

**6. LLC Agreement; Participation Threshold**. The terms and conditions of the Granted Units shall be as set forth herein and in the LLC Agreement. As a condition to the grant of the Granted Units pursuant to this Agreement, the Participant shall execute a counterpart signature page to the LLC Agreement, attached hereto as **Exhibit B**, agreeing to become a Member of the Company on the terms and subject to the conditions set forth in the LLC Agreement. If the Participant has a spouse, such spouse shall execute a spousal consent, attached hereto as **Exhibit C**. The Participation Threshold with respect to the Granted Units will be $**[0]** per Granted Unit.

**7. Limitations on Transfer**. In addition to the restrictions on transfer set forth in the LLC Agreement, the Participant may not Transfer any rights under this Agreement and the Participant's rights hereunder shall not be subject to pledge, encumbrance, hypothecation, execution, attachment or similar process, in each case whether voluntarily or involuntarily, by operation of law or otherwise. Any attempt to Transfer any of the rights under this Agreement or any of the Granted Units contrary to the provisions hereof and the levy of any attachment or similar process upon the Participant's rights hereunder or the Granted Units will be null and void.

**8. Representations and Warranties of the Participant**. The Participant hereby represents and warrants to the Company as of this date as follows:

(a) The Participant's residence and domicile is the State set forth on the signature page hereof and all discussions related to this Agreement and the Granted Units, and the offer and acceptance of this Agreement and the Granted Units, occurred in such State.

(b) The Participant is acquiring the Granted Units for the Participant's own account for investment and not with any view to, or for resale in connection with, any distribution or public offering thereof within the meaning of the Securities Act. The Participant hereby consents to an appropriate legend on the certificates, if any, evidencing such Granted Units to such effect and to the effect that Granted Units may not be disposed of except in compliance with all federal and state securities laws. The Participant acknowledges and agrees that the Company shall have no obligation to register Granted Units granted to the Participant under federal or state securities laws either at the time the Granted Units are issued and delivered to the Participant or are proposed to be disposed of by the Participant unless otherwise expressly provided to the contrary in written agreements to which the Company and the Participant are parties.

(c) The Participant understands that (i) the Granted Units have not been registered under the Securities Act or applicable state securities laws, in reliance on exemptions from registration under the Securities Act and applicable state securities laws and (ii) no federal or state agency has made any finding or determination as to the fairness for investment, nor any recommendation or endorsement, of the Granted Units.

(d) The Participant acknowledges and agrees that (i) except as expressly provided for in this Agreement, no representations or warranties with respect to the Granted Units have been made to the Participant by the Company, any manager, officer, agent, employee, Subsidiary or Affiliate of the Company, or any other Persons, (ii) except for this Agreement and the LLC Agreement, there are no agreements, contracts, understandings or commitments between the Participant, on the one hand, and the Company, any Manager, Officer, agent, employee, Subsidiary or Affiliate of the Company, on the other hand, with respect to the Granted Units, (iii) in entering into this transaction the Participant is not relying upon any information, other than that contained in the LLC Agreement, this Agreement and the results of the Participant's own independent investigation, (iv) any future economic return with respect to the Granted Units is speculative and subject to a high degree of risk, and (v) the Granted Units are subject to forfeiture as set forth herein, are subject to dilution by the issuance of additional Units by the Company, and the Participant is not entitled to any preemptive, tag-along, information or other minority investor rights with respect to either the Granted Units, other than as expressly set forth in the LLC Agreement or as otherwise provided under applicable law.

(e) The Participant is fully informed and aware of the circumstances under which the Granted Units must be held and the restrictions upon the resale of the Granted Units under the LLC Agreement and the Securities Act and any applicable state securities laws. The Participant acknowledges that (i) the Granted Units have not been registered under the Securities Act and, therefore, cannot be sold unless they are registered under the Securities Act and any applicable state securities laws or unless an exemption from such registration is available, (ii) the availability of an exemption may depend on factors over which the Participant or the Company has no control, (iii) unless so registered or exempt from registration the Granted Units may be required to be held for an indefinite period and (iv) the reliance of the Company and others upon the exemptions from registration referred to in the recitals is predicated in part upon this representation and warranty. The Participant understands that an exemption from registration is not presently available pursuant to Rule 144 promulgated under the Securities Act by the U.S. Securities and Exchange Commission, that there is no assurance that such exemption will ever become available to the Participant and that even if it were to become available, sales pursuant to Rule 144 would be limited in amount and could only be made in full compliance with the provisions of Rule 144.

(f) The Participant has full authority to enter into this Agreement and the LLC Agreement and perform the Participant's obligations hereunder and thereunder. This Agreement has been, and the LLC Agreement, upon the execution and delivery of the counterpart signature pages referred to in **Section 6**, will have been, duly and validly executed and delivered by the Participant and constitute or will constitute legal, valid and binding obligations of the Participant, enforceable against the Participant in accordance with their terms, subject, as to the enforcement of remedies, to the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or other similar law of general application affecting creditors and general principles of equity. The execution, delivery and performance of this Agreement does not and will not, and the execution and delivery of the LLC Agreement will not, conflict with, violate or cause a breach of any agreement, contract or instrument to which the Participant is a party or any judgment, order, decree or law to which the Participant is subject.

(g) The Participant understands that the Company's agreement to grant the Granted Units to the Participant is predicated, in part, on the representations, warranties and covenants of the Participant contained herein.

**9. Section 83(b) Election for Granted Units**.

(a) The Participant understands that under Section 83(a) of the Code, the excess (if any) of the Fair Market Value of the unvested Granted Units on the date the unvested Granted Units become vested over the purchase price, if any, paid for such Granted Units could be taxed as ordinary income subject to employment or self-employment taxes and tax reporting, as applicable. The unvested Granted Units are intended to qualify as "profits interests" in the Company for income tax purposes. Provided that the unvested Granted Units qualify as profits interests, the Fair Market Value of the unvested Granted Units on the Grant Date is deemed to be zero ($0) (and thus no tax generally would be payable by reason of the filing of the election). By filing a protective election within the 30-day period described below, the Participant should avoid the risk of adverse tax consequences in the future. The Participant understands that the Participant may elect under Section 83(b) of the Code to recognize income (in the amount of zero ($0)) at the time the unvested Granted Units are acquired, rather than when and as the unvested Granted Units vest. Such election (an "**83(b) Election**") must be filed with the Internal Revenue Service within thirty (30) days from the Grant Date of the Granted Units.

(b) THE FORM FOR MAKING AN 83(b) ELECTION IS ATTACHED TO THIS AGREEMENT AS **EXHIBIT D**. THE PARTICIPANT UNDERSTANDS THAT FAILURE TO FILE SUCH AN ELECTION WITHIN THE THIRTY (30)-DAY PERIOD MAY RESULT IN THE RECOGNITION OF ORDINARY INCOME BY THE PARTICIPANT AS THE FORFEITURE RESTRICTIONS LAPSE. THE PARTICIPANT FURTHER UNDERSTANDS THAT AN ADDITIONAL COPY OF SUCH ELECTION FORM SHOULD BE FILED WITH THE PARTICIPANT'S FEDERAL INCOME TAX RETURN FOR THE CALENDAR YEAR IN WHICH THE DATE OF THIS AGREEMENT FALLS. THE PARTICIPANT ACKNOWLEDGES THAT THE FOREGOING IS ONLY A SUMMARY OF THE FEDERAL INCOME TAX LAWS THAT APPLY TO THE RECEIPT OF THE UNVESTED UNITS UNDER THIS AGREEMENT AND DOES NOT PURPORT TO BE COMPLETE. THE PARTICIPANT FURTHER ACKNOWLEDGES THAT THE COMPANY HAS DIRECTED THE PARTICIPANT TO SEEK INDEPENDENT ADVICE REGARDING THE APPLICABLE PROVISIONS OF THE CODE, THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH PARTICIPANT MAY RESIDE, AND THE TAX CONSEQUENCES OF THE PARTICIPANT'S DEATH.

(c) The Participant agrees that the Participant will execute and deliver to the Company with this Agreement a copy of the 83(b) Election attached hereto as **Exhibit D**.

**10. Survival of Representations and Warranties; Indemnification**. All representations and warranties contained herein shall survive the execution of this Agreement and the grant of the Granted Units contemplated hereby. Each party agrees to indemnify and hold harmless the other from any liability, loss or expense (including reasonable attorneys' fees) if such party has breached any representation, warranty or agreement hereunder.

**11. Governing Law**. This Agreement is entered into under the laws of the State of Delaware and this Agreement (and any controversy or action arising out of or relating hereto) shall be construed and interpreted in accordance therewith.

**12. Discontinuance of Employment**. Neither this Agreement nor the issuance of the Granted Units shall give the Participant any right to continued employment by the Company or any of its Subsidiaries, or any of their respective Affiliates, and subject to the terms of any employment agreement among such parties, the Company, any of its Subsidiaries, and their Affiliates may terminate the Participant's employment for any reason whatsoever, with or without Cause, and otherwise deal with the Participant as an employee without regard to the effect any such action may have on the Participant's rights under this Agreement or the LLC Agreement. The Participant represents that the Participant is acquiring the Granted Units without any expectation that the ownership of any Granted Units will entitle the Participant to any rights as an employee of the Company, any of its Subsidiaries, or any of their Affiliates that would not exist if the Participant were not the owner of the Granted Units. The Participant further agrees that no change in his expectations concerning employment will have a reasonable basis unless set forth in a written agreement expressly giving the Participant additional rights as to such matters.

**13. Additional Securities**. Any additional securities issued to the Participant in respect of the Granted Units, will be subject to the terms and conditions contained herein in the same manner as the Granted Units, including forfeiture under **Section 5**.

**14. Review of Agreement; Complete Agreement**. The Participant confirms that the Participant has carefully reviewed this Agreement and the LLC Agreement and understands their terms. The Participant confirms that the Participant has consulted with legal counsel, or had ample opportunity to consult with legal counsel, representing Participant concerning this Agreement, the LLC Agreement and any other agreements between or among the Participant, the Company, and any of its or their present or prospective members, managers, officers or employees. This Agreement, together with the LLC Agreement, contains the complete agreement among the parties with respect to the grant of the Granted Units or any other incentive arrangement and supersedes all prior agreements and understandings among the parties hereto with respect hereto and thereto.

**15. Tax Acknowledgement**. Participant will pay to the Company, or the Company may deduct from any amounts payable to Participant, the amount of any applicable federal, state, local or foreign taxes that the Company determines is required to be withheld in connection with the issuance, vesting, forfeiture or purchase of the Granted Units, the distribution of any cash or other property on account of the Granted Units, or otherwise as a result of Participant's relationship with the Company. The Participant acknowledges and agrees that none of the Company, any of its Subsidiaries or any of their respective Affiliates has made any representations or warranties hereunder with respect to the economic or tax effect of the grant of the Granted Units (or any other incentive arrangements). The Participant has made his or her own independent evaluation of the Granted Units, including the economic and tax effect of them, either through his or her own analysis or through representatives such as legal counsel or accountants.

**16. Miscellaneous**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and, except as otherwise expressly provided herein, their respective heirs, executors, administrators, representatives, successors and permitted assigns. This Agreement may not be assigned, transferred or otherwise disposed of by the Participant, whether voluntarily or involuntarily, by operation of law or otherwise, without the prior written consent of the Company. No waiver of any provision of this Agreement is valid unless in writing and signed by the party against whom or which enforcement is sought and any such waiver is effective only in the specific instance described and for the purpose for which the waiver was given. The failure of any party to this Agreement to insist upon or enforce strict performance by any other party to this Agreement of any provision of this Agreement shall not be construed as a waiver or relinquishment of such right or related remedy. Whenever the context of this Agreement requires, the gender of all words herein shall include the masculine, feminine, and neuter, and the number of all words herein shall include the singular and plural. The word "including" and words of similar import when used in this Agreement will mean "including, without limitation," unless otherwise specified. The word "or" will not be exclusive.

[*The remainder of this page is intentionally left blank*]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the day and year first written above.

Subject to the terms and conditions set forth in this Agreement and the Plan, the Option granted hereby shall become vested and exercisable as set forth in the Stock Option Grant Notice and is subject to the other terms and conditions of this Agreement and the Plan.

4. TERM OF OPTION.

This Option shall terminate on the Option Expiration Date as specified in the Stock Option Grant Notice but shall be subject to earlier termination as provided herein or in the Plan.

If the Participant ceases to be an Employee, director or Consultant of the Company or of an Affiliate for any reason other than the death or Disability of the Participant, or termination of the Participant for Cause (the "Termination Date"), the Option to the extent then vested and exercisable pursuant to Section 3 hereof as of the Termination Date, and not previously terminated in accordance with this Agreement, may be exercised within three months after the Termination Date, or on or prior to the Option Expiration Date as specified in the Stock Option Grant Notice, whichever is earlier, but may not be exercised thereafter except as set forth below. In such event, the unvested portion of the Option shall not be exercisable and shall expire and be cancelled on the Termination Date.

Notwithstanding the foregoing, in the event of the Participant's death within three (3) months after the Termination Date, the Participant's Survivors may exercise the Option within one (1) year after the Termination Date, but in no event after the Option Expiration Date as specified in the Stock Option Grant Notice, and this Option shall thereupon terminate.

In the event the Participant's service is terminated by the Company or an Affiliate for Cause, the Participant's right to exercise any unexercised portion of this Option even if vested shall cease immediately as of the time the Participant is notified his or her service is terminated for Cause, and this Option shall thereupon terminate. Notwithstanding anything herein to the contrary, if subsequent to the Participant's termination, but prior to the exercise of the Option, the Administrator determines that, either prior or subsequent to the Participant's termination, the Participant engaged in conduct which would constitute Cause, then the Participant shall immediately cease to have any right to exercise the Option and this Option shall thereupon terminate.

In the event of the Disability of the Participant while an Employee, director or Consultant of the Company or of an Affiliate, as determined in accordance with the Plan, the Option shall be exercisable within one (1) year after the Participant's termination of service due to Disability or, if earlier, on or prior to the Option Expiration Date as specified in the Stock Option Grant Notice. In such event, the Option shall be exercisable:

(a) to the extent that the Option has become exercisable but has not been exercised as of the date of the Participant's termination of service due to Disability; and

(b) in the event rights to exercise the Option accrue periodically, to the extent of a pro rata portion through the date of the Participant's termination of service due to Disability of any additional vesting rights that would have accrued on the next vesting date had the Participant not become Disabled. The proration shall be based upon the number of days accrued in the current vesting period prior to the date of the Participant's termination of service due to Disability.

In the event of the death of the Participant while an Employee, director or Consultant of the Company or of an Affiliate, the Option shall be exercisable by the Participant's Survivors within one year after the date of death of the Participant or, if earlier, on or prior to the Option Expiration Date as specified in the Stock Option Grant Notice. In such event, the Option shall be exercisable:

(x) to the extent that the Option has become exercisable but has not been exercised as of the date of death; and

(y) in the event rights to exercise the Option accrue periodically, to the extent of a pro rata portion through the date of death of any additional vesting rights that would have accrued on the next vesting date had the Participant not died. The proration shall be based upon the number of days accrued in the current vesting period prior to the Participant's date of death.

5. METHOD OF EXERCISING OPTION.

Subject to the terms and conditions of this Agreement, the Option may be exercised by written notice to the Company or its designee, in substantially the form of Exhibit A attached hereto (or in such other form acceptable to the Company, which may include electronic notice). Such notice shall state the number of Shares with respect to which the Option is being exercised and shall be signed by the person exercising the Option (which signature may be provided electronically in a form acceptable to the Company). Payment of the Exercise Price for such Shares shall be made in accordance with Paragraph 9 of the Plan. The Company shall deliver such Shares as soon as practicable after the notice shall be received, provided, however, that the Company may delay issuance of such Shares until completion of any action or obtaining of any consent, which the Company deems necessary under any applicable law (including, without limitation, state securities or "blue sky" laws). The Shares as to which the Option shall have been so exercised shall be registered in the Company's share register in the name of the person so exercising the Option (or, if the Option shall be exercised by the Participant and if the Participant shall so request in the notice exercising the Option, shall be registered in the Company's share register in the name of the Participant and another person jointly, with right of survivorship) and shall be delivered as provided above to or upon the written order of the person exercising the Option. In the event the Option shall be exercised, pursuant to Section 4 hereof, by any person other than the Participant, such notice shall be accompanied by appropriate proof of the right of such person to exercise the Option. All Shares that shall be purchased upon the exercise of the Option as provided herein shall be fully paid and nonassessable.

6. PARTIAL EXERCISE.

Exercise of this Option to the extent above stated may be made in part at any time and from time to time within the above limits, except that no fractional share shall be issued pursuant to this Option.

7. NON-ASSIGNABILITY.

The Option shall not be transferable by the Participant otherwise than by will or by the laws of descent and distribution, or as otherwise provided in the Plan and approved by the Administrator. Except as provided above in this paragraph, the Option shall be exercisable, during the Participant's lifetime, only by the Participant (or, in the event of legal incapacity or incompetency, by the Participant's guardian or representative) and shall not be assigned, pledged or hypothecated in any way (whether by operation of law or otherwise) and shall not be subject to execution, attachment or similar process. Any attempted transfer, assignment, pledge, hypothecation or other disposition of the Option or of any rights granted hereunder contrary to the provisions of this Section 7, or the levy of any attachment or similar process upon the Option shall be null and void.

8. NO RIGHTS AS STOCKHOLDER UNTIL EXERCISE.

The Participant shall have no rights as a stockholder with respect to Shares subject to this Agreement until registration of the Shares in the Company's share register in the name of the Participant. Except as is expressly provided in the Plan with respect to certain changes in the capitalization of the Company, no adjustment shall be made for dividends or similar rights for which the record date is prior to the date of such registration.

9. ADJUSTMENTS.

The Plan contains provisions covering the treatment of Options in a number of contingencies such as stock splits and mergers. Provisions in the Plan for adjustment with respect to stock subject to Options and the related provisions with respect to successors to the business of the Company are hereby made applicable hereunder and are incorporated herein by reference.

10. TAXES.

The Participant acknowledges and agrees that (i) any income or other taxes due from the Participant with respect to this Option or the Shares issuable upon exercise of this Option shall be the Participant's responsibility; (ii) the Participant was free to use professional advisors of his or her choice in connection with this Agreement, has received advice from his or her professional advisors in connection with this Agreement, understands its meaning and import, and is entering into this Agreement freely and without coercion or duress; (iii) the Participant has not received and is not relying upon any advice, representations or assurances made by or on behalf of the Company or any Affiliate or any Employee of or counsel to the Company or any Affiliate regarding any tax or other effects or implications of the Option, the Shares or other matters contemplated by this Agreement and (iv) neither the Administrator, the Company, its Affiliates, nor any of its officers or directors, shall be held liable for any applicable costs, taxes, or penalties associated with the Option if, in fact, the Internal Revenue Service were to determine that the Option constitutes deferred compensation under Section 409A of the Code.

This Option is designated in the Stock Option Grant Notice as a Non-Qualified Option and when such Non-Qualified Option is exercised, the Participant agrees that the Company may withhold from the Participant's remuneration, if any, the minimum statutory amount of federal, state and local withholding taxes attributable to such amount that is considered compensation includable in such person's gross income. At the Company's discretion, the amount required to be withheld may be withheld in cash from such remuneration, or in kind from the Shares otherwise deliverable to the Participant on exercise of the Option. The Participant further agrees that, if the Company does not withhold an amount from the Participant's remuneration sufficient to satisfy the Company's income tax withholding obligation, the Participant will reimburse the Company on demand, in cash, for the amount under-withheld.

11. PURCHASE FOR INVESTMENT.

Unless the offering and sale of the Shares to be issued upon the particular exercise of the Option shall have been effectively registered under the Securities Act of 1933, as now in force or hereafter amended (the "1933 Act"), the Company shall be under no obligation to issue the Shares covered by such exercise unless the Company has determined that such exercise and issuance would be exempt from the registration requirements of the 1933 Act and until the following conditions have been fulfilled:

(a) The person(s) who exercise the Option shall warrant to the Company, at the time of such exercise, that such person(s) are acquiring such Shares for their own respective accounts, for investment, and not with a view to, or for sale in connection with, the distribution of any such Shares, in which event the person(s) acquiring such Shares shall be bound by the provisions of the following legend which shall be endorsed upon any certificate(s) evidencing the Shares issued pursuant to such exercise:

"The shares represented by this certificate have been taken for investment and they may not be sold or otherwise transferred by any person, including a pledgee, unless (1) either (a) a Registration Statement with respect to such shares shall be effective under the Securities Act of 1933, as amended, or (b) the Company shall have received an opinion of counsel satisfactory to it that an exemption from registration under such Act is then available, and (2) there shall have been compliance with all applicable state securities laws;" and

(b) If the Company so requires, the Company shall have received an opinion of its counsel that the Shares may be issued upon such particular exercise in compliance with the 1933 Act without registration thereunder. Without limiting the generality of the foregoing, the Company may delay issuance of the Shares until completion of any action or obtaining of any consent, which the Company deems necessary under any applicable law (including without limitation state securities or "blue sky" laws).

12. RESTRICTIONS ON TRANSFER OF SHARES.

12.1 The Shares acquired by the Participant pursuant to the exercise of the Option granted hereby shall not be transferred by the Participant except as permitted **[herein] [in the Stockholders Agreement dated _____ between the Company and its stockholders (the "Stockholders Agreement")] [if the Participant becomes a party thereto, as set forth in the in the Stockholders Agreement dated _____ between the Company and its stockholders (the "Stockholders Agreement")]. If the Participant becomes a party to the Stockholders' Agreement by executing a signature page thereto and the terms of this Agreement and the Stockholders' Agreement conflict, the terms contained in the Stockholders' Agreement shall govern and supersede any conflicting provision contained in this Section 12].**[1]

[1] The first bracket should be used if the Participant is not a party to and not expected to become a party to a stockholders' agreement containing transfer restrictions and/or buyback provisions. The second bracket should be used if the Participant is or will become a party to a stockholders' agreement. In such case other portions of this section 12 should be deleted so that there is no conflict between the stockholders' agreement and the terms of this agreement. The third bracket and additional language regarding conflicting provisions should be used, together with the "herein" language if the Company wants to use a generic option agreement and some Participants are or will become a party to the stockholders agreement.

12.2 In the event of the Participant's termination of service for any reason, the Company shall have the option, but not the obligation, to repurchase all or any part of the Shares issued pursuant to this Agreement (including, without limitation, Shares purchased after termination of service, Disability or death in accordance with Section 4 hereof). In the event the Company does not, upon the termination of service of the Participant (as described above), exercise its option pursuant to this Section 12.2, the restrictions set forth in the balance of this Agreement shall not thereby lapse, and the Participant for himself or herself, his or her heirs, legatees, executors, administrators and other successors in interest, agrees that the Shares shall remain subject to such restrictions. The following provisions shall apply to a repurchase under this Section 12.2:

(i) The per share repurchase price of the Shares to be sold to the Company upon exercise of its option under this Section 12.2 shall be equal to the Fair Market Value of each such Share determined in accordance with the Plan as of the date of repurchase provided, however, in the event of a termination by the Company for Cause, the per share repurchase price of the Shares to be sold to the Company upon exercise of its option under this Section 12.2 shall be equal to **[the lesser of the Exercise Price and the Fair Market Value on the date of the repurchase] OR [par value]]**.[2]

(ii) The Company's option to repurchase the Participant's Shares in the event of termination of service shall be valid for a period of [**twelve**]([**12]**) months commencing with the date of such termination of service.[3]

(iii) In the event the Company shall be entitled to and shall elect to exercise its option to repurchase the Participant's Shares under this Section 12.2, the Company shall notify the Participant, or in case of death, his or her Survivor, in writing of its intent to repurchase the Shares. Such written notice may be mailed or sent by email by the Company up to and including the last day of the time period provided for in Section 12.2(ii) above for exercise of the Company's option to repurchase.

[2] Consider alternate price for termination for Cause.

[3] If the Company repurchases a participant's shares within six months of their issuance the company will incur a variable accounting charge. Therefore the repurchase period should be not less than nine months so the repurchase can occur after the participant has held the shares for six months.

(iv) The notice to the Participant shall specify the address at, and the time and date on, which payment of the repurchase price is to be made (the "Closing"). The date specified shall not be less than ten (10) days nor more than sixty (60) days from the date of the mailing of the notice, and the Participant or his or her successor in interest with respect to the Shares shall have no further rights as the owner thereof from and after the date specified in the notice. At the Closing, the repurchase price shall be delivered to the Participant or his or her successor in interest and the Shares being purchased, duly endorsed for transfer, shall, to the extent that they are not then in the possession of the Company, be delivered to the Company by the Participant or his or her successor in interest.

12.3 **[Alternative 1 –** As a condition precedent to the exercise of the Option, the Participant agrees to become a party to the Stockholders Agreement.**] [Alternative 2]** It shall be a condition precedent to the validity of any sale or other transfer of any Shares by the Participant that the following restrictions be complied with (except as otherwise provided in this Section 12)[4]:

(i) No Shares owned by the Participant may be sold, pledged or otherwise transferred (including by gift or devise) to any person or entity, voluntarily, or by operation of law, except in accordance with the terms and conditions hereinafter set forth.

(ii) Before selling or otherwise transferring all or part of the Shares, the Participant shall give written notice of such intention to the Company, which notice shall include the name of the proposed transferee, the proposed purchase price per share, the terms of payment of such purchase price and all other matters relating to such sale or transfer and shall be accompanied by a copy of the binding written agreement of the proposed transferee to purchase the Shares of the Participant. Such notice shall constitute a binding offer by the Participant to sell to the Company such number of the Shares then held by the Participant as are proposed to be sold in the notice at the monetary price per share designated in such notice, payable on the terms offered to the Participant by the proposed transferee (provided, however, that the Company shall not be required to meet any non-monetary terms of the proposed transfer, including, without limitation, delivery of other securities in exchange for the Shares proposed to be sold). The Company shall give written notice to the Participant as to whether such offer has been accepted in whole by the Company within sixty (60) days after its receipt of written notice from the Participant. The Company may only accept such offer in whole and may not accept such offer in part. Such acceptance notice shall fix a time, location and date for the Closing on such purchase ("Closing Date") which shall not be less than ten (10) nor more than sixty (60) days after the giving of the acceptance notice, provided, however, if any of the Shares to be sold pursuant to this Section 12.3 have been held by the Participant for less than six (6) months, then the Closing Date may be extended by the Company until no more than ten (10) days after such Shares have been held by the Participant for six (6) months if required under applicable accounting rules in effect at the time.5. The place for such Closing shall be at the Company's principal office. At such Closing, the Participant shall accept payment as set forth herein and shall deliver to the Company in exchange therefor certificates for the number of Shares stated in the notice accompanied by duly executed instruments of transfer.

[4] Conform with Section 12.1.

[5] If the Company repurchases a Participant's shares within six months of their issuance, the Company will incur a variable accounting charge. Accordingly, the Company should have the option to extend the Closing to avoid the variable accounting charge if it so desires.

(iii) If the Company shall fail to accept any such offer, the Participant shall be free to sell all, but not less than all, of the Shares set forth in his or her notice to the designated transferee at the price and terms designated in the Participant's notice, provided that (i) such sale is consummated within six (6) months after the giving of notice by the Participant to the Company as aforesaid, and (ii) the transferee first agrees in writing to be bound by the provisions of this Section 12 so that such transferee (and all subsequent transferees) shall thereafter only be permitted to sell or transfer the Shares in accordance with the terms hereof, and the Company's right of repurchase set forth in Section 12.2 above shall continue in accordance with its terms. After the expiration of such six (6) months, the provisions of this Section 12.3 shall again apply with respect to any proposed voluntary transfer of the Participant's Shares.

(iv) The restrictions on transfer contained in this Section 12.3 shall not apply to (a) transfers by the Participant to his or her spouse or children or to a trust for the benefit of his or her spouse or children, (b) transfers by the Participant to his or her guardian or conservator, and (c) transfers by the Participant, in the event of his or her death, to his or her executor(s) or administrator(s) or to trustee(s) under his or her will (collectively, "Permitted Transferees"); provided however, that in any such event the Shares so transferred in the hands of each such Permitted Transferee shall remain subject to this Agreement, and each such Permitted Transferee shall so acknowledge in writing as a condition precedent to the effectiveness of such transfer.

(v) The provisions of this Section 12.3 may be waived by the Company. Any such waiver may be unconditional or based upon such conditions as the Company may impose.

12.4 In the event that the Participant or his or her successor in interest fails to deliver the Shares to be repurchased by the Company under this Agreement, the Company may elect (a) to establish a segregated account in the amount of the repurchase price, such account to be turned over to the Participant or his or her successor in interest upon delivery of such Shares, and (b) immediately to take such action as is appropriate to transfer record title of such Shares from the Participant to the Company and to treat the Participant and such Shares in all respects as if delivery of such Shares had been made as required by this Agreement. The Participant hereby irrevocably grants the Company a power of attorney which shall be coupled with an interest for the purpose of effectuating the preceding sentence.

12.5 [In the event that (i) the Board of Directors and (ii) the holders of a majority of the then outstanding shares of Common Stock approve a Sale of the Company (as defined below), specifying that this Section 12.5 shall apply, then the Participant hereby agrees as follows with respect to the Shares and any other equity securities of the Company which the Participant holds or otherwise exercises dispositive power (the "Drag Along Shares"):

(i) in the event such Sale of the Company requires the approval of stockholders, (1) if the matter is to be brought to a vote at a stockholder meeting, after receiving proper notice of any meeting of stockholders of the Company to vote on the approval of a Sale of the Company, to be present, in person or by proxy, as a holder of Shares, at all such meetings and be counted for the purposes of determining the presence of a quorum at such meetings; and (2) to vote (in person, by proxy or by action by written consent, as applicable) all Shares in favor of such Sale of the Company and in opposition of any and all other proposals that could reasonably be expected to delay or impair the ability of the Company to consummate such Sale of the Company;

(ii) to refrain from exercising any dissenters' rights or rights of appraisal under applicable law at any time with respect to such Sale of the Company; and

(iii) to sell to such third party on the terms offered by such third party the Drag Along Shares, or if such Sale of the Company involves less than all of the outstanding capital stock of the Company, the Participant's pro rata share of the Drag Along Shares, and to execute and deliver all related documentation and take such other action in support of the Sale of the Company as shall reasonably be requested by the Company.

As used herein, the following terms shall have the following respective meanings:

"Sale of the Company" means:

(i) a merger or consolidation in which (A) the Company is a constituent party or (B) a subsidiary of the Company is a constituent party and the Company issues shares of its capital stock pursuant to such merger or consolidation, except any such merger or consolidation involving the Company or a subsidiary in which the shares of capital stock of the Company outstanding immediately prior to such merger or consolidation continue to represent, or are converted into or exchanged for shares of capital stock that represent, immediately following such merger or consolidation, at least a majority, by voting power, of the capital stock of (1) the surviving or resulting corporation or (2) if the surviving or resulting corporation is a wholly owned subsidiary of another corporation immediately following such merger or consolidation, the parent corporation of such surviving or resulting corporation (provided that, for the purpose of this clause (i) all shares of Common Stock issuable upon exercise of options or warrants outstanding immediately prior to such merger or consolidation or upon conversion of convertible securities immediately prior to such merger or consolidation shall be deemed to be outstanding immediately prior to such merger or consolidation and, if applicable, converted or exchanged in such merger or consolidation on the same terms as the actual outstanding shares of Common Stock are converted or exchanged);

(ii) the sale, lease, transfer, exclusive license (other than an exclusive license approved by the Board of Directors) or other disposition of all or substantially all the assets of the Company and its subsidiaries taken as a whole, in a single transaction or series of related transactions, by the Company or any subsidiary of the Company, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Company if substantially all of the assets of the Company and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where such sale, lease, transfer, exclusive license (other than an exclusive license approved by the Board of Directors) or other disposition is to a wholly owned subsidiary of the Company[; or

(iii) any transaction or series of related transactions to which the Company is a party in which in excess of fifty percent (50%) of the Company's voting power is transferred such that the stockholders of the Company immediately prior to the transaction or series of related transactions do not own a majority of the voting power of the surviving or acquiring entity following such transaction or series of transactions; other than any transaction or series of transactions principally for bona fide equity financing purposes in which cash is received by the Company or any successor or indebtedness of the Company is cancelled or converted or a combination thereof].]

12.6 If the Company shall pay a stock dividend or declare a stock split on or with respect to any of its Common Stock, or otherwise distribute securities of the Company to the holders of its Common Stock, the number of shares of stock or other securities of the Company issued with respect to the shares then subject to the restrictions contained in this Agreement shall be added to the Shares subject to the Company's rights to repurchase pursuant to this Agreement. If the Company shall distribute to its stockholders shares of stock of another corporation or equity in another entity, the shares of stock of such other corporation or equity in such other entity, distributed with respect to the Shares then subject to the restrictions contained in this Agreement, shall be added to the Shares subject to the Company's rights to repurchase pursuant to this Agreement.

12.7 If the outstanding shares of Common Stock of the Company shall be subdivided into a greater number of shares or combined into a smaller number of shares, or in the event of a reclassification of the outstanding shares of Common Stock of the Company, or if the Company shall be a party to a merger, consolidation or capital reorganization, there shall be substituted for the Shares then subject to the restrictions contained in this Agreement such amount and kind of securities as are issued in such subdivision, combination, reclassification, merger, consolidation or capital reorganization in respect of the Shares subject immediately prior thereto to the Company's rights to repurchase pursuant to this Agreement.

12.8 The Company shall not be required to transfer any Shares on its books which shall have been sold, assigned or otherwise transferred in violation of this Agreement, or to treat as owner of such Shares, or to accord the right to vote as such owner or to pay dividends to, any person or organization to which any such Shares shall have been so sold, assigned or otherwise transferred, in violation of this Agreement.

12.9 The provisions of Sections 12.1, 12.2 and 12.3 shall terminate upon the effective date of the registration of the Shares pursuant to the Securities Exchange Act of 1934.

12.10 The Participant agrees that in the event the Company proposes to offer for sale to the public any of its equity securities and such Participant is requested by the Company and any underwriter engaged by the Company in connection with such offering to sign an agreement restricting the sale or other transfer of Shares, then it will promptly sign such agreement and will not transfer, whether in privately negotiated transactions or to the public in open market transactions or otherwise, any Shares or other securities of the Company held by him or her during such period as is determined by the Company and the underwriters, not to exceed 180 days following the closing of the offering, plus such additional period of time as may be required to comply with FINRA Rules or similar rules promulgated by another regulatory authority (such period, the "Lock-Up Period"). Such agreement shall be in writing and in form and substance reasonably satisfactory to the Company and such underwriter and pursuant to customary and prevailing terms and conditions. Notwithstanding whether the Participant has signed such an agreement, the Company may impose stop-transfer instructions with respect to the Shares or other securities of the Company subject to the foregoing restrictions until the end of the Lock-Up Period.

12.11 The Participant acknowledges and agrees that neither the Company, its shareholders nor its directors and officers, has any duty or obligation to disclose to the Participant any material information regarding the business of the Company or affecting the value of the Shares before, at the time of, or following a termination of the service of the Participant by the Company, including, without limitation, any information concerning plans for the Company to make a public offering of its securities or to be acquired by or merged with or into another firm or entity.

12.12 All certificates representing the Shares to be issued to the Participant pursuant to this Agreement shall have endorsed thereon a legend substantially as follows: "The shares represented by this certificate are subject to restrictions set forth in a Stock Option Agreement dated [Date] with this Company, a copy of which Agreement is available for inspection at the offices of the Company or will be made available upon request."

13. NO OBLIGATION TO MAINTAIN RELATIONSHIP.

The Participant acknowledges that: (i) the Company is not by the Plan or this Option Agreement obligated to continue the Participant as an Employee, director or Consultant of the Company or an Affiliate; (ii) the Plan is discretionary in nature and may be suspended or terminated by the Company at any time; (iii) the grant of the Option is a one-time benefit which does not create any contractual or other right to receive future grants of options, or benefits in lieu of options; (iv) all determinations with respect to any such future grants, including, but not limited to, the times when options shall be granted, the number of shares subject to each option, the option price, and the time or times when each option shall be exercisable, will be at the sole discretion of the Company; (v) the Participant's participation in the Plan is voluntary; (vi) the value of the Option is an extraordinary item of compensation which is outside the scope of the Participant's employment or consulting contract, if any; and (vii) the Option is not part of normal or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments.

**Exhibit A**

NOTICE OF EXERCISE OF STOCK OPTION

**[Form for Unregistered Shares]**

To: Hydrofarm Holdings Group, Inc.

Ladies and Gentlemen:

I hereby exercise my Stock Option to purchase [#] shares (the "Shares") of the common stock, $.0001 par value, of Hydrofarm Holdings Group, Inc. (the "Company"), at the exercise price of $[_____] per share, pursuant to and subject to the terms of that certain Stock Option Agreement between the undersigned and the Company dated [Date].

I am aware that the Shares have not been registered under the Securities Act of 1933, as amended (the "1933 Act"), or any state securities laws. I understand that the reliance by the Company on exemptions under the 1933 Act is predicated in part upon the truth and accuracy of the statements by me in this Notice of Exercise.

I hereby represent and warrant that (1) I have been furnished with all information which I deem necessary to evaluate the merits and risks of the purchase of the Shares; (2) I have had the opportunity to ask questions concerning the Shares and the Company and all questions posed have been answered to my satisfaction; (3) I have been given the opportunity to obtain any additional information I deem necessary to verify the accuracy of any information obtained concerning the Shares and the Company; and (4) I have such knowledge and experience in financial and business matters that I am able to evaluate the merits and risks of purchasing the Shares and to make an informed investment decision relating thereto.

I hereby represent and warrant that I am purchasing the Shares for my own personal account for investment and not with a view to the sale or distribution of all or any part of the Shares.

I understand that because the Shares have not been registered under the 1933 Act, I must continue to bear the economic risk of the investment for an indefinite time and the Shares cannot be sold unless the Shares are subsequently registered under applicable federal and state securities laws or an exemption from such registration requirements is available.

I agree that I will in no event sell or distribute or otherwise dispose of all or any part of the Shares unless (1) there is an effective registration statement under the 1933 Act and applicable state securities laws covering any such transaction involving the Shares or (2) the Company receives an opinion of my legal counsel (concurred in by legal counsel for the Company) stating that such transaction is exempt from registration or the Company otherwise satisfies itself that such transaction is exempt from registration.

I consent to the placing of a legend on my certificate for the Shares stating that the Shares have not been registered and setting forth the restrictions on transfer contemplated hereby and to the placing of a stop transfer order on the books of the Company and with any transfer agents against the Shares until the Shares may be legally resold or distributed without restriction.

I understand that at the present time Rule 144 of the Securities and Exchange Commission (the "SEC") may not be relied on for the resale or distribution of the Shares by me. I understand that the Company has no obligation to me to register the sale of the Shares with the SEC and has not represented to me that it will register the sale of the Shares.

I understand the terms and restrictions on the right to dispose of the Shares set forth in the 2019 Employee, Director and Consultant Equity Incentive Plan and the Stock Option Agreement, both of which I have carefully reviewed. I consent to the placing of a legend on my certificate for the Shares referring to such restriction and the placing of stop transfer orders until the Shares may be transferred in accordance with the terms of such restrictions.

**[I understand and agree that the Shares are subject to the NAME OF Stockholders' Agreement dated _____ between the Company and its stockholders (the "Stockholders' Agreement"), and if I am not already a party to the Stockholders' Agreement [and if the Company so requests] I agree to become a party to such agreement by execution of the counterpart signature page enclosed herewith. I acknowledge that I have read and understand the Stockholders' Agreement which sets forth certain restrictions and limitations on the Shares, including the ability to transfer or sell them in the future.][I further acknowledge and agree that to the extent the terms of Section 12 of the Option Agreement conflict with the Stockholders' Agreement, the terms contained in the Stockholders' Agreement shall govern.][6]**

I have considered the Federal, state and local income tax implications of the exercise of my Option and the purchase and subsequent sale of the Shares.

I am paying the option exercise price for the Shares as follows:

**HYDROFARM HOLDINGS GROUP, INC.**

**2018 EQUITY INCENTIVE PLAN**

## SECTION 1. PURPOSE

The purpose of the Hydrofarm Holdings Group, Inc. 2018 Equity Incentive Plan is to attract, retain and motivate employees, officers, directors, consultants, agents, advisors and independent contractors of the Company and its Related Companies by providing them the opportunity to acquire a proprietary interest in the Company and to align their interests and efforts to the long-term interests of the Company's stockholders.

## SECTION 2. DEFINITIONS

Certain capitalized terms used in the Plan have the meanings set forth in ***Appendix A***.

## SECTION 3. ADMINISTRATION

### 3.1 Administration of the Plan

(a) The Plan shall be administered by the Board. Notwithstanding the foregoing, the Board may delegate concurrent responsibility for administering the Plan, including with respect to designated classes of Eligible Persons, to a committee or committees (which term includes subcommittees) consisting of one or more members of the Board, subject to such limitations as the Board deems appropriate. Members of any committee shall serve for such term as the Board may determine, subject to removal by the Board at any time.

(b) If and so long as the Common Stock is registered under Section 12(b) or 12(g) of the Exchange Act, the Board shall consider in selecting the members of any committee acting as the Plan Administrator, (i) the provisions regarding "non-employee directors" as contemplated by Rule 16b-3(b)(3) under the Exchange Act, or any successor provision thereto, and (ii) the director independence requirements under stock exchange listing rules or rules of a similar regulatory authority applicable to the Company.

(c) To the extent consistent with applicable law, the Board (or an authorized committee thereof) may authorize one or more officers of the Company to grant Awards to designated classes of Eligible Persons, within limits specifically prescribed by the Board (or authorized committee); provided, however, that no such officer shall have or obtain authority to grant Awards to himself or herself or to any person subject to Section 16 of the Exchange Act.

(d) References in the Plan to the "***Plan Administrator***" shall be, as applicable, to the Board and, subject to the limits of any delegated authority, any committee of the Board or officer to whom authority to administer the Plan has been delegated.

**3.2 Administration and Interpretation by Plan Administrator**

(a) Except for the terms and conditions explicitly set forth in the Plan and to the extent permitted by applicable law, the Plan Administrator shall have full power and exclusive authority, subject to such orders or resolutions not inconsistent with the provisions of the Plan as may from time to time be adopted by the Board or a committee composed of members of the Board, to (i) select the Eligible Persons to whom Awards may from time to time be granted under the Plan; (ii) determine the type or types of Awards to be granted to each Participant under the Plan; (iii) determine the number of shares of Common Stock to be covered by each Award granted under the Plan; (iv) determine the terms and conditions of any Award granted under the Plan; (v) approve the forms of notice or agreement for use under the Plan; (vi) determine whether, to what extent and under what circumstances Awards may be settled in cash, shares of Common Stock or other property or canceled or suspended; (vii) interpret and administer the Plan and any instrument evidencing an Award, notice or agreement executed or entered into under the Plan; (viii) establish such rules and regulations as it shall deem appropriate for the proper administration of the Plan; (ix) delegate ministerial duties to such of the Company's employees as it so determines; and (x) make any other determination and take any other action that the Plan Administrator deems necessary or desirable for administration of the Plan.

(b) Notwithstanding the foregoing, the Plan Administrator shall not have the right, without stockholder approval, to (i) reduce the exercise or grant price of an Option or SAR after it is granted; (ii) cancel an Option or SAR at a time when its exercise or grant price exceeds the Fair Market Value of the underlying stock, in exchange for cash, another option or stock appreciation right, restricted stock, or other equity award; or (iii) take any other action that is treated as a repricing under U.S. generally accepted accounting principles.

(c) The effect on the vesting of an Award of a Company-approved leave of absence or a Participant's reduction in hours of employment or service shall be determined by the Company's chief human resources officer or other person performing that function or, with respect to directors or executive officers, by the Plan Administrator, whose determination shall be final.

(d) Decisions of the Plan Administrator shall be final, conclusive and binding on all persons, including the Company, any Participant, any stockholder and any Eligible Person. A majority of the members of the Plan Administrator may determine its actions.

## SECTION 4. SHARES SUBJECT TO THE PLAN

**4.1 Authorized Number of Shares**

Subject to adjustment from time to time as provided in Section 15.1, the number of shares of Common Stock available for issuance under the Plan shall be:

(a) 7,350,000 shares; plus

(b) as of the Final Close Date, that number of additional shares such that the total number of shares available for issuance under the Plan as of the Final Close Date equals 12.5% of the then issued and outstanding shares of Common Stock (rounded up to the nearest whole share).

Shares issued under the Plan shall be drawn from authorized and unissued shares or shares now held or subsequently acquired by the Company as treasury shares.

**4.2 Share Usage**

(a) If any Award lapses, expires, terminates or is canceled prior to the issuance of shares thereunder or if shares of Common Stock are issued under the Plan to a Participant and thereafter are forfeited to or otherwise reacquired by the Company, the shares subject to such Awards and the forfeited or reacquired shares shall again be available for issuance under the Plan. Any shares of Common Stock (i) tendered by a Participant or retained by the Company as full or partial payment to the Company for the purchase price of an Award or to satisfy tax withholding obligations in connection with an Award, or (ii) covered by an Award that is settled in cash or in a manner such that some or all of the shares of Common Stock covered by the Award are not issued, shall be available for Awards under the Plan. The number of shares of Common Stock available for issuance under the Plan shall not be reduced to reflect any dividends or dividend equivalents that are reinvested into additional shares of Common Stock or credited as additional shares of Common Stock subject or paid with respect to an Award.

(b) Notwithstanding any other provision of the Plan to the contrary, the Plan Administrator may grant Substitute Awards under the Plan. Substitute Awards shall not reduce the number of shares authorized for issuance under the Plan. In the event that an Acquired Entity has shares available for awards or grants under one or more preexisting plans not adopted in contemplation of such acquisition or combination and previously approved by the Acquired Entity's stockholders, then, to the extent determined by the Board, the shares available for grant pursuant to the terms of such preexisting plans (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to holders of securities of the entities that are parties to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the number of shares of Common Stock authorized for issuance under the Plan; provided, however, that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of such preexisting plans, absent the acquisition or combination, and shall only be made to individuals who were not employees or directors of the Company or a Related Company prior to such acquisition or combination. In the event that the Board approves a written agreement between the Company and an Acquired Entity pursuant to which a merger or consolidation is completed and that agreement sets forth the terms and conditions of the substitution for or assumption of outstanding awards of the Acquired Entity, those terms and conditions shall be deemed to be the action of the Plan Administrator without any further action by the Plan Administrator, and the persons holding such awards shall be deemed to be Participants.

(c) Notwithstanding any other provision of this Section 4.2 to the contrary, the maximum number of shares that may be issued upon the exercise of Incentive Stock Options shall be 10,250,000 shares, subject to adjustment as provided in Section 15.1.

**4.3 Limits on Non-Employee Director Awards**

Notwithstanding any other provision of the Plan to the contrary, during any single calendar year, no member of the Board who is not also an employee of the Company or a Related Company may be granted Awards and cash compensation solely with respect to service as a member of the Board that exceeds in the aggregate $350,000 in value (such value for Awards that are denominated in shares of Common Stock computed as of the Grant Date of such Awards in accordance with applicable financial accounting standards). For purposes of the foregoing limit, Awards granted in previous calendar years shall not count against the Award limits in subsequent calendar years, even if the Awards from previous calendar years are earned, vest or are otherwise settled in calendar years following the calendar year in which they are granted.

## SECTION 5. ELIGIBILITY

An Award may be granted to any employee, officer or director of the Company or a Related Company whom the Plan Administrator from time to time selects. An Award may also be granted to any consultant, agent, advisor or independent contractor for bona fide services rendered to the Company or any Related Company that (a) are not in connection with the offer and sale of the Company's securities in a capital-raising transaction and (b) do not directly or indirectly promote or maintain a market for the Company's securities.

## SECTION 6. AWARDS

**6.1 Form, Grant and Settlement of Awards**

The Plan Administrator shall have the authority, in its sole discretion, to determine the type or types of Awards to be granted under the Plan. Such Awards may be granted either alone or in addition to or in tandem with any other type of Award. Any Award settlement may be subject to such conditions, restrictions and contingencies as the Plan Administrator shall determine.

**6.2 Evidence of Awards**

Awards granted under the Plan shall be evidenced by a written, including an electronic, instrument that shall contain such terms, conditions, limitations and restrictions as the Plan Administrator shall deem advisable and that are not inconsistent with the Plan.

**6.3 Dividends and Distributions**

Participants may, if the Plan Administrator so determines, be credited with dividends or dividend equivalents paid with respect to shares of Common Stock underlying an Award in a manner determined by the Plan Administrator in its sole discretion. The Plan Administrator may apply any restrictions to the dividends or dividend equivalents that the Plan Administrator deems appropriate. The Plan Administrator, in its sole discretion, may determine the form of payment of dividends or dividend equivalents, including cash, shares of Common Stock, Restricted Stock or Stock Units. Notwithstanding the foregoing, the right to any dividends or dividend equivalents declared and paid on the number of shares underlying an Option or Stock Appreciation Right may not be contingent, directly or indirectly, on the exercise of the Option or Stock Appreciation Right, and must comply with or qualify for an exemption under Section 409A. Also notwithstanding the foregoing, the right to any dividends or dividend equivalents declared and paid on Restricted Stock must comply with or qualify for an exemption under Section 409A.

## SECTION 7. OPTIONS

**7.1 Grant of Options**

The Plan Administrator may grant Options designated as Incentive Stock Options or Nonqualified Stock Options.

**7.2 Option Exercise Price**

Options shall be granted with an exercise price per share not less than 100% of the Fair Market Value of the Common Stock on the Grant Date (and not less than the minimum exercise price required by Section 422 of the Code with respect to Incentive Stock Options), except in the case of Substitute Awards.

**7.3 Term of Options**

Subject to earlier termination in accordance with the terms of the Plan and the instrument evidencing the Option, the maximum term of an Option (the "***Option Term***") shall be ten years from the Grant Date. For Incentive Stock Options, the Option Term shall be as specified in Section 8.4.

**7.4 Exercise of Options**

(a) The Plan Administrator shall establish and set forth in each instrument that evidences an Option the time at which, or the installments in which, the Option shall vest and become exercisable.

(b) To the extent an Option has become exercisable, the Option may be exercised in whole or from time to time in part by delivery to or as directed or approved by the Company of a properly executed stock option exercise agreement or notice, in a form and in accordance with procedures established by the Plan Administrator, setting forth the number of shares with respect to which the Option is being exercised, the restrictions imposed on the shares purchased under such exercise agreement or notice, if any, and such representations and agreements as may be required by the Plan Administrator, accompanied by payment in full as described in Section 7.5. An Option may be exercised only for whole shares and may not be exercised for less than a reasonable number of shares at any one time, as determined by the Plan Administrator.

**7.5 Payment of Exercise Price**

The exercise price for shares purchased under an Option shall be paid in full to the Company by delivery of consideration equal to the product of the Option exercise price and the number of shares purchased. Such consideration must be paid before the Company will issue the shares being purchased and must be in a form or a combination of forms acceptable to the Plan Administrator for that purchase, which forms may include:

(a) cash;

(b) check or wire transfer;

(c) having the Company withhold shares of Common Stock that would otherwise be issued on exercise of a Nonqualified Stock Option that have an aggregate Fair Market Value equal to the aggregate exercise price of the shares being purchased under the Option;

(d) tendering (either actually or, if and for as long as the Common Stock is registered under Section 12(b) or 12(g) of the Exchange Act, by attestation) shares of Common Stock owned by the Participant that have an aggregate Fair Market Value equal to the aggregate exercise price of the shares being purchased under the Option;

(e) if and so long as the Common Stock is registered under Section 12(b) or 12(g) of the Exchange Act, and to the extent permitted by law, delivery of a properly executed exercise agreement or notice, together with irrevocable instructions to a brokerage firm designated or approved by the Company to deliver promptly to the Company the aggregate amount of proceeds to pay the Option exercise price and any tax withholding obligations that may arise in connection with the exercise, all in accordance with the regulations of the Federal Reserve Board; or

(f) such other consideration as the Plan Administrator may permit.

**7.6 Effect of Termination of Service**

The Plan Administrator shall establish and set forth in each instrument that evidences an Option whether the Option shall continue to be exercisable, and the terms and conditions of such exercise, after a Termination of Service, any of which provisions may be waived or modified by the Plan Administrator at any time. If not so established and set forth in the instrument evidencing the Option, the Option shall be exercisable according to the following terms and conditions, which may be waived or modified by the Plan Administrator at any time:

(a) Any portion of an Option that is not vested and exercisable on the date of a Participant's Termination of Service shall expire on such date.

(b) Any portion of an Option that is vested and exercisable on the date of a Participant's Termination of Service shall expire on the earliest to occur of:

(i) if the Participant's Termination of Service occurs for reasons other than Cause, Disability or death, the date that is three months after such Termination of Service;

(ii) if the Participant's Termination of Service occurs by reason of Disability or death, the one-year anniversary of such Termination of Service; and

(iii) the Option Expiration Date.

Notwithstanding the foregoing, if a Participant dies after the Participant's Termination of Service but while an Option is otherwise exercisable, the portion of the Option that is vested and exercisable on the date of such Termination of Service shall expire upon the earlier to occur of (y) the Option Expiration Date and (z) the one-year anniversary of the date of death, unless the Plan Administrator determines otherwise.

Also notwithstanding the foregoing, in case a Participant's Termination of Service occurs for Cause, all Options granted to the Participant, whether vested or unvested, shall automatically expire and terminate upon first notification to the Participant of such termination, unless the Plan Administrator determines otherwise. If a Participant's employment or service relationship with the Company is suspended pending an investigation of whether the Participant shall be terminated for Cause, all the Participant's rights under any Option shall likewise be suspended during the period of investigation. If any facts that would constitute termination for Cause are discovered after a Participant's Termination of Service, any Option then held by the Participant may be immediately terminated by the Plan Administrator, in its sole discretion.

(c) If, following the date on which the initial registration of the Common Stock under Section 12(b) or 12(g) of the Exchange Act first becomes effective, the exercise of an Option following a Participant's Termination of Service, but while the Option is otherwise exercisable, would be prohibited solely because the issuance of Common Stock would violate either the registration requirements under the Securities Act or any similar requirements under the laws of any state or foreign jurisdiction, then the Option shall remain exercisable until the earlier of (i) the Option Expiration Date and (ii) the expiration of a period of three months (or such longer period of time as determined by the Plan Administrator in its sole discretion) after the Participant's Termination of Service during which the exercise of the Option would not be in violation of such Securities Act or similar requirements.

## SECTION 8. INCENTIVE STOCK OPTION LIMITATIONS

Notwithstanding any other provision of the Plan to the contrary, the terms and conditions of any Incentive Stock Options shall in addition comply in all respects with Section 422 of the Code, or any successor provision, and any applicable regulations thereunder, including, to the extent required thereunder, the following:

### 8.1 Dollar Limitation

To the extent the aggregate Fair Market Value (determined as of the Grant Date) of Common Stock with respect to which a Participant's Incentive Stock Options become exercisable for the first time during any calendar year (under the Plan and all other stock option plans of the Company and its parent and subsidiary corporations) exceeds $100,000, such portion in excess of $100,000 shall be treated as a Nonqualified Stock Option. In the event the Participant holds two or more such Options that become exercisable for the first time in the same calendar year, such limitation shall be applied on the basis of the order in which such Options are granted.

### 8.2 Eligible Employees

Individuals who are not employees of the Company or one of its parent or subsidiary corporations may not be granted Incentive Stock Options.

### 8.3 Exercise Price

Incentive Stock Options shall be granted with an exercise price per share not less than 100% of the Fair Market Value of the Common Stock on the Grant Date, and in the case of an Incentive Stock Option granted to a Participant who owns more than 10% of the total combined voting power of all classes of the stock of the Company or of its parent or subsidiary corporations (a "***Ten Percent Stockholder***"), shall be granted with an exercise price per share not less than 110% of the Fair Market Value of the Common Stock on the Grant Date. The determination of more than 10% ownership shall be made in accordance with Section 422 of the Code.

### 8.4 Option Term

Subject to earlier termination in accordance with the terms of the Plan and the instrument evidencing the Option, the maximum term of an Incentive Stock Option shall not exceed ten years, and in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, shall not exceed five years.

### 8.5 Exercisability

An Option designated as an Incentive Stock Option shall cease to qualify for favorable tax treatment as an Incentive Stock Option to the extent it is exercised (if permitted by the terms of the Option) (a) more than three months after the date of a Participant's termination of employment if termination was for reasons other than death or disability, (b) more than one year after the date of a Participant's termination of employment if termination was by reason of disability, or (c) more than six months following the first day of a Participant's leave of absence that exceeds three months, unless the Participant's reemployment rights are guaranteed by statute or contract.

**8.6 Taxation of Incentive Stock Options**

In order to obtain certain tax benefits afforded to Incentive Stock Options under Section 422 of the Code, the Participant must hold the shares acquired upon the exercise of an Incentive Stock Option for two years after the Grant Date and one year after the date of exercise.

A Participant may be subject to the alternative minimum tax at the time of exercise of an Incentive Stock Option. The Participant shall give the Company prompt notice of any disposition of shares acquired on the exercise of an Incentive Stock Option prior to the expiration of such holding periods.

**8.7 Code Definitions**

For the purposes of this Section 8, "disability," "parent corporation" and "subsidiary corporation" shall have the meanings attributed to those terms for purposes of Section 422 of the Code.

**8.8 Stockholder Approval**

If the stockholders of the Company do not approve the Plan within 12 months after the Board's adoption of the Plan (or the Board's adoption of any amendment to the Plan that constitutes the adoption of a new plan for purposes of Section 422 of the Code), Incentive Stock Options granted under the Plan after the date of the Board's adoption (or approval) will be treated as Nonqualified Stock Options. No Incentive Stock Options may be granted more than ten years after the earlier of the approval by the Board or the stockholders of the Plan (or any amendment to the Plan that constitutes the adoption of a new plan for purposes of Section 422 of the Code).

## SECTION 9. STOCK APPRECIATION RIGHTS

**9.1 Grant of Stock Appreciation Rights**

The Plan Administrator may grant Stock Appreciation Rights to Participants at any time on such terms and conditions as the Plan Administrator shall determine in its sole discretion. An SAR may be granted in tandem with an Option ("***tandem SAR***") or alone ("***freestanding SAR***"). The grant price of a tandem SAR shall be equal to the exercise price of the related Option. The grant price of a freestanding SAR shall be established in accordance with procedures for Options set forth in Section 7.2. An SAR may be exercised upon such terms and conditions and for the term as the Plan Administrator determines in its sole discretion; provided, however, that, subject to earlier termination in accordance with the terms of the Plan and the instrument evidencing the SAR, the maximum term of a freestanding SAR shall be ten years, and in the case of a tandem SAR, (a) the term shall not exceed the term of the related Option and (b) the tandem SAR may be exercised for all or part of the shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option, except that the tandem SAR may be exercised only with respect to the shares for which its related Option is then exercisable.

**9.2 Payment of SAR Amount**

Upon the exercise of an SAR, a Participant shall be entitled to receive payment in an amount determined by multiplying: (a) the difference between the Fair Market Value of the Common Stock on the date of exercise over the grant price of the SAR by (b) the number of shares with respect to which the SAR is exercised. At the discretion of the Plan Administrator as set forth in the instrument evidencing the Award, the payment upon exercise of an SAR may be in cash, in shares, in some combination thereof or in any other manner approved by the Plan Administrator in its sole discretion.

**9.3 Waiver of Restrictions**

The Plan Administrator, in its sole discretion, may waive any other terms, conditions or restrictions on any SAR under such circumstances and subject to such terms and conditions as the Plan Administrator shall deem appropriate.

**SECTION 10. STOCK AWARDS, RESTRICTED STOCK AND STOCK UNITS**

**10.1 Grant of Stock Awards, Restricted Stock and Stock Units**

The Plan Administrator may grant Stock Awards, Restricted Stock and Stock Units on such terms and conditions and subject to such repurchase or forfeiture restrictions, if any, which may be based on continuous service with the Company or a Related Company or the achievement of any performance goals, as the Plan Administrator shall determine in its sole discretion, which terms, conditions and restrictions shall be set forth in the instrument evidencing the Award.

**10.2 Vesting of Restricted Stock and Stock Units**

Upon the satisfaction of any terms, conditions and restrictions prescribed with respect to Restricted Stock or Stock Units, or upon a Participant's release from any terms, conditions and restrictions on Restricted Stock or Stock Units, as determined by the Plan Administrator,

(a) the shares covered by each Award of Restricted Stock shall become freely transferable by the Participant subject to the terms and conditions of the Plan, the instrument evidencing the Award, and applicable securities laws, and (b) Stock Units shall be paid in shares of Common Stock or, if set forth in the instrument evidencing the Awards, in cash or a combination of cash and shares of Common Stock. Any fractional shares subject to such Awards shall be paid to the Participant in cash.

**10.3 Waiver of Restrictions**

The Plan Administrator, in its sole discretion, may waive the repurchase or forfeiture period and any other terms, conditions or restrictions on any Restricted Stock or Stock Unit under such circumstances and subject to such terms and conditions as the Plan Administrator shall deem appropriate.

## SECTION 11. PERFORMANCE AWARDS

**11.1 Performance Shares**

The Plan Administrator may grant Awards of Performance Shares, designate the Participants to whom Performance Shares are to be awarded and determine the number of Performance Shares and the terms and conditions of each such Award. Performance Shares shall consist of a unit valued by reference to a designated number of shares of Common Stock, the value of which may be paid to the Participant by delivery of shares of Common Stock or, if set forth in the instrument evidencing the Award, of such property as the Plan Administrator shall determine, including, without limitation, cash, shares of Common Stock, other property, or any combination thereof, upon the attainment of performance goals, as established by the Plan Administrator, and other terms and conditions specified by the Plan Administrator. The amount to be paid under an Award of Performance Shares may be adjusted on the basis of such further consideration as the Plan Administrator shall determine in its sole discretion.

**11.2 Performance Units**

The Plan Administrator may grant Awards of Performance Units, designate the Participants to whom Performance Units are to be awarded and determine the number of Performance Units and the terms and conditions of each such Award. Performance Units shall consist of a unit valued by reference to a designated amount of property other than shares of Common Stock, which value may be paid to the Participant by delivery of such property as the Plan Administrator shall determine, including, without limitation, cash, shares of Common Stock, other property, or any combination thereof, upon the attainment of performance goals, as established by the Plan Administrator, and other terms and conditions specified by the Plan Administrator. The amount to be paid under an Award of Performance Units may be adjusted on the basis of such further consideration as the Plan Administrator shall determine in its sole discretion.

## SECTION 12. OTHER STOCK OR CASH-BASED AWARDS

Subject to the terms of the Plan and such other terms and conditions as the Plan Administrator deems appropriate, the Plan Administrator may grant other incentives payable in cash or in shares of Common Stock under the Plan.

## SECTION 13. WITHHOLDING

(a) The Company may require the Participant to pay to the Company or a Related Company, as applicable, the amount of (i) any taxes that the Company or a Related Company is required by applicable federal, state, local or foreign law to withhold with respect to the grant, vesting or exercise of an Award ("***tax withholding obligations***") and (ii) any amounts due from the Participant to the Company or to any Related Company ("***other obligations***"). Notwithstanding any other provision of the Plan to the contrary, the Company shall not be required to issue any shares of Common Stock or otherwise settle an Award under the Plan until such tax withholding obligations and other obligations are satisfied.

(b) The Plan Administrator, in its sole discretion, may permit or require a Participant to satisfy all or part of the Participant's tax withholding obligations and other obligations by (i) paying cash to the Company or a Related Company, as applicable, (ii) having the Company or a Related Company, as applicable, withhold an amount from any cash amounts otherwise due or to become due from the Company or a Related Company to the Participant, (iii) having the Company withhold a number of shares of Common Stock that would otherwise be issued to the Participant (or become vested, in the case of Restricted Stock) having a Fair Market Value equal to the tax withholding obligations and other obligations, or (iv) surrendering a number of shares of Common Stock the Participant already owns having a value equal to the tax withholding obligations and other obligations. The value of any shares so withheld or tendered may not exceed the employer's applicable minimum required tax withholding rate or other applicable rate as is necessary to avoid adverse treatment for financial accounting purposes, as determined by the Plan Administrator in its sole discretion.

## SECTION 14. RESTRICTIONS ON TRANSFER OF AWARDS

No Award or interest in an Award may be sold, assigned, pledged (as collateral for a loan or as security for the performance of an obligation or for any other purpose) or transferred by a Participant or made subject to attachment or similar proceedings otherwise than by will or by the applicable laws of descent and distribution, except to the extent the Participant designates one or more beneficiaries on a Company-approved form who may exercise the Award or receive payment under the Award after the Participant's death. During a Participant's lifetime, an Award may be exercised only by the Participant. Notwithstanding the foregoing, and to the extent permitted by Section 422 of the Code with respect to Incentive Stock Options, the Plan Administrator, in its sole discretion, may permit a Participant to assign or transfer an Award, subject to such terms and conditions as the Plan Administrator shall specify.

## SECTION 15. ADJUSTMENTS

### 15.1 Adjustment of Shares

In the event that, at any time or from time to time, a stock dividend, stock split, spin-off, combination or exchange of shares, recapitalization, merger, consolidation, distribution to stockholders other than a normal cash dividend, or other change in the Company's corporate or capital structure results in (a) outstanding shares of Common Stock, or any securities exchanged therefor or received in their place, being exchanged for a different number or kind of securities of the Company or any other company or (b) new, different or additional securities of the Company or any other company being received by the holders of shares of Common Stock, then the Plan Administrator shall make proportional adjustments in (i) the maximum number and kind of securities available for issuance under the Plan; (ii) the maximum number and kind of securities issuable as Incentive Stock Options as set forth in Section 4.2(c); and (iii) the number and kind of securities that are subject to any outstanding Award and the per share price of such securities, without any change in the aggregate price to be paid therefor. The determination by the Plan Administrator as to the terms of any of the foregoing adjustments shall be conclusive and binding.

Notwithstanding the foregoing, the issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services rendered, either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, outstanding Awards. Also notwithstanding the foregoing, a dissolution or liquidation of the Company or a Change in Control shall not be governed by this Section 15.1 but shall be governed by Sections 15.2 and 15.3, respectively.

### 15.2 Dissolution or Liquidation

To the extent not previously exercised or settled, and unless otherwise determined by the Plan Administrator in its sole discretion, Awards shall terminate immediately prior to the dissolution or liquidation of the Company. To the extent a vesting condition, forfeiture provision or repurchase right applicable to an Award has not been waived by the Plan Administrator, the Award shall be forfeited immediately prior to the consummation of the dissolution or liquidation.

### 15.3 Change in Control

Notwithstanding any other provision of the Plan to the contrary, unless the Plan Administrator shall determine otherwise in the instrument evidencing the Award or in a written employment, services or other agreement between a Participant and the Company or a Related Company, in the event of a Change in Control:

(a) If the Change in Control is a Company Transaction in which Awards, other than Performance Shares, Performance Units or other performance-based Awards, could be converted, assumed, substituted for or replaced by the Successor Company, then, if and to the extent that the Successor Company converts, assumes, substitutes for or replaces an Award, the vesting restrictions and/or forfeiture provisions applicable to such Award shall not be accelerated or lapse, and all such vesting restrictions and/or forfeiture provisions shall continue with respect to any shares of the Successor Company or other consideration that may be received with respect to such Award. If and to the extent that such Awards are not converted, assumed, substituted for or replaced by the Successor Company or the Change in Control is not a Company Transaction in which Awards could be converted, assumed, substituted for or replaced, such outstanding Awards, other than Performance Shares, Performance Units or other performance-based Awards, shall become fully vested and exercisable or payable, and all applicable restrictions or forfeiture provisions shall lapse, immediately prior to the Change in Control and such Awards shall terminate at the effective time of the Change in Control.

For the purposes of this Section 15.3(a), an Award shall be considered converted, assumed, substituted for or replaced by the Successor Company if following the Change in Control, the Award confers the right to purchase or receive, for each share of Common Stock subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash or other securities or property) received in the Change in Control by holders of Common Stock for each share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the Successor Company, the Plan Administrator may, with the consent of the Successor Company, provide for the consideration to be received pursuant to the Award, for each share of Common Stock subject thereto, to be solely common stock of the Successor Company substantially equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control. The determination of such substantial equality of value of consideration shall be made by the Plan Administrator, and its determination shall be conclusive and binding.

(b) All Performance Shares, Performance Units or other performance-based Awards earned and outstanding as of the date the Change in Control is determined to have occurred and for which the payout level has been determined shall be payable in full in accordance with the payout schedule pursuant to the instrument evidencing the Award. Any outstanding Performance Shares, Performance Units or other performance-based Awards (including with respect to any applicable performance period) for which the payout level has not been determined shall be prorated at the target payout level up to and including the date of such Change in Control and shall be payable in accordance with the payout schedule pursuant to the instrument evidencing the Award. Any existing deferrals or other restrictions not waived by the Plan Administrator in its sole discretion shall remain in effect.

(c) Notwithstanding the foregoing, the Plan Administrator, in its sole discretion, may instead provide in the event of a Change in Control that a Participant's outstanding Awards shall terminate upon or immediately prior to such Change in Control and that such Participant shall receive, in exchange therefor, a cash payment equal to the amount (if any) by which (x) the Acquisition Price, multiplied by the number of shares of Common Stock subject to such outstanding Awards (to the extent then vested and exercisable or whether or not then vested and exercisable, as determined by the Plan Administrator in its sole discretion), exceeds (y) if applicable, the respective aggregate exercise price or grant price for such Awards. For the avoidance of doubt, if the Plan Administrator determines in good faith that no amount would be payable pursuant to this provision, then such Awards may be terminated without payment of any consideration therefor.

(d) For the avoidance of doubt, nothing in this Section 15.3 requires all outstanding Awards (or portions thereof) to be treated similarly.

**15.4 Further Adjustment of Awards**

Subject to Sections 15.2 and 15.3, the Plan Administrator shall have the discretion, exercisable at any time before a sale, merger, consolidation, reorganization, liquidation, dissolution or other similar transaction, as defined by the Plan Administrator, to take such further action as it determines to be necessary or advisable with respect to Awards. Such authorized action may include (but shall not be limited to) establishing, amending or waiving the type, terms, conditions or duration of, or restrictions on, Awards so as to provide for earlier, later, extended or additional time for exercise, lifting restrictions and other modifications, and the Plan Administrator may take such actions with respect to all Participants, to certain categories of Participants or only to individual Participants. The Plan Administrator may take such action before or after granting Awards to which the action relates and before or after any public announcement with respect to such sale, merger, consolidation, reorganization, liquidation, dissolution or other similar transaction that is the reason for such action.

**15.5 No Limitations**

The grant of Awards shall in no way affect the Company's right to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

**15.6 Fractional Shares**

In the event of any adjustment in the number of shares covered by any Award, each such Award shall cover only the number of full shares resulting from such adjustment, and any fractional shares resulting from such adjustment shall be disregarded.

**15.7 Section 409A**

Subject to Section 18.5, but notwithstanding any other provision of the Plan to the contrary, (a) any adjustments made pursuant to this Section 15 to Awards that are considered "deferred compensation" within the meaning of Section 409A shall be made in compliance with the requirements of Section 409A and (b) any adjustments made pursuant to this Section 15 to Awards that are not considered "deferred compensation" subject to Section 409A shall be made in such a manner as to ensure that after such adjustment the Awards either (i) continue not to be subject to Section 409A or (ii) comply with the requirements of Section 409A.

## SECTION 16. MARKET STANDOFF

In the event of an underwritten public offering by the Company of its equity securities pursuant to an effective registration statement filed under the Securities Act, including the Company's initial public offering, a Participant shall not sell, make any short sale of, loan, hypothecate, pledge, grant any option for the purchase of, or otherwise dispose of or transfer for value or otherwise agree to engage in any of the foregoing transactions with respect to any securities of the Company however or whenever acquired (except for those being registered) without the prior written consent of the Company or the underwriters. Such limitations shall be in effect for such period of time as may be requested by the Company or such underwriters; provided, however, that in no event shall such period exceed (a) 180 days after the effective date of the registration statement for such public offering or (b) such longer period requested by the underwriters as is necessary to comply with regulatory restrictions on the publication of research reports (including, but not limited to, FINRA Rule 2241, or any amendments or successor rules). The Participant shall execute an agreement reflecting the limitation of this Section 16 as may be requested by the underwriters at the time of such public offering. The limitations of this Section 16 shall in all events terminate two years after the effective date of the registration statement for the Company's initial public offering pursuant to an effective registration statement filed under the Securities Act.

In the event of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the Company's outstanding Common Stock effected as a class without the Company's receipt of consideration, any new, substituted or additional securities distributed with respect to the shares issued under the Plan shall be immediately subject to the provisions of this Section 16, to the same extent the shares issued under the Plan are at such time covered by such provisions.

In order to enforce the limitations of this Section 16, the Company may impose stop-transfer instructions with respect to the shares until the end of the applicable standoff period.

## SECTION 17. AMENDMENT AND TERMINATION

### 17.1 Amendment, Suspension or Termination

The Board or an authorized committee thereof may amend, suspend or terminate the Plan or any portion of the Plan at any time and in such respects as it shall deem advisable; provided, however, that, to the extent required by applicable law, regulation or stock exchange rule, stockholder approval shall be required for any amendment to the Plan; and provided, further, that the Board shall be required to approve any amendment that requires stockholder approval. Subject to Section 17.3, the Board or an authorized committee thereof may amend the terms of any outstanding Award, prospectively or retroactively.

### 17.2 Term of the Plan

Unless sooner terminated as provided herein, the Plan shall automatically terminate on the tenth anniversary of the earlier of (a) the date the Board adopted the Plan and (b) the date stockholders approved the Plan. After the Plan is terminated, no future Awards may be granted, but Awards previously granted shall remain outstanding in accordance with their applicable terms and conditions and the Plan's terms and conditions.

**17.3 Consent of Participant**

The amendment, suspension or termination of the Plan or a portion thereof or the amendment of an outstanding Award shall not, without the Participant's consent, materially adversely affect any rights under any Award theretofore granted to the Participant under the Plan. Any change or adjustment to an outstanding Incentive Stock Option shall not, without the consent of the Participant, be made in a manner so as to constitute a "modification" that would cause such Incentive Stock Option to fail to continue to qualify as an Incentive Stock Option. Notwithstanding the foregoing, any adjustments made pursuant to Section 15 shall not be subject to these restrictions.

Subject to Section 18.5, but notwithstanding any other provision of the Plan to the contrary, the Board or an authorized committee thereof shall have broad authority to amend the Plan or any outstanding Award without the consent of any Participant to the extent deemed necessary or advisable to comply with, or take into account, changes in applicable tax laws, securities laws, accounting rules or other applicable law, rule or regulation.

## SECTION 18. GENERAL

**18.1 No Individual Rights**

No individual or Participant shall have any claim to be granted any Award under the Plan, and the Company has no obligation for uniformity of treatment of Participants under the Plan.

Furthermore, nothing in the Plan or any Award granted under the Plan shall be deemed to constitute an employment contract or confer or be deemed to confer on any Participant any right to continue in the employ of, or to continue any other relationship with, the Company or any Related Company or limit in any way the right of the Company or any Related Company to terminate a Participant's employment or other relationship at any time, with or without cause.

**18.2 Issuance of Shares**

(a) Notwithstanding any other provision of the Plan to the contrary, the Company shall have no obligation to issue or deliver any shares of Common Stock under the Plan or make any other distribution of benefits under the Plan unless, in the opinion of the Company's counsel, such issuance, delivery or distribution would comply with all applicable laws (including, without limitation, the requirements of the Securities Act or the laws of any state or foreign jurisdiction) and the applicable requirements of any securities exchange or similar entity.

(b) The Company shall be under no obligation to any Participant to register for offering or resale or to qualify for exemption under the Securities Act, or to register or qualify under the laws of any state or foreign jurisdiction, any shares of Common Stock, security or interest in a security paid or issued under, or created by, the Plan, or to continue in effect any such registrations or qualifications if made.

(c) As a condition to the exercise of an Option or any other receipt of Common Stock pursuant to an Award under the Plan, the Company may require (a) the Participant to represent and warrant at the time of any such exercise or receipt that such shares are being purchased or received only for the Participant's own account and without any present intention to sell or distribute such shares and (b) such other action or agreement by the Participant as may from time to time be necessary to comply with federal, state and foreign securities laws. At the option of the Company, a stop-transfer order against any such shares may be placed on the official stock books and records of the Company, and a legend indicating that such shares may not be pledged, sold or otherwise transferred, unless an opinion of counsel is provided (concurred in by counsel for the Company) stating that such transfer is not in violation of any applicable law or regulation, may be stamped on stock certificates to ensure exemption from registration. The Plan Administrator may also require the Participant to execute and deliver to the Company a purchase agreement or such other agreement as may be in use by the Company at such time that describes certain terms and conditions applicable to the shares.

(d) To the extent the Plan or any instrument evidencing an Award provides for issuance of stock certificates to reflect the issuance of shares of Common Stock, the issuance may be effected on an uncertificated basis, to the extent not prohibited by applicable law or the applicable rules of any stock exchange.

**18.3 Indemnification**

Each person who is or shall have been a member of the Board, or a member of a committee of the Board or an officer of the Company to whom authority to administer the Plan has been delegated in accordance with Section 3.1, shall be indemnified and held harmless by the Company against and from any loss, cost, liability or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit or proceeding to which such person may be a party or in which such person may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by such person in settlement thereof, with the Company's approval, or paid by such person in satisfaction of any judgment in any such claim, action, suit or proceeding against such person, unless such loss, cost, liability or expense is a result of such person's own willful misconduct or except as expressly provided by statute; provided, however, that such person shall give the Company an opportunity, at its own expense, to handle and defend the same before such person undertakes to handle and defend it on such person's own behalf.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such person may be entitled under the Company's certificate of incorporation or bylaws, as a matter of law, or otherwise, or of any power that the Company may have to indemnify or hold harmless.

**18.4 No Rights as a Stockholder**

Unless otherwise provided by the Plan Administrator or in the instrument evidencing the Award or in a written employment, services or other agreement, no Award, other than a Stock Award or an Award of Restricted Stock, shall entitle the Participant to any cash dividend, voting or other right of a stockholder unless and until the date of issuance under the Plan of the shares that are the subject of such Award.

**18.5 Compliance with Laws and Regulations**

(a) In interpreting and applying the provisions of the Plan, any Option granted as an Incentive Stock Option pursuant to the Plan shall, to the extent permitted by law, be construed as an "incentive stock option" within the meaning of Section 422 of the Code.

(b) The Plan and Awards granted under the Plan are intended to be exempt from the requirements of Section 409A to the maximum extent possible, whether pursuant to the short-term deferral exception described in Treasury Regulation Section 1.409A-1(b)(4), the exclusion applicable to stock options, stock appreciation rights and certain other equity-based compensation under Treasury Regulation Section 1.409A-1(b)(5), or otherwise. To the extent Section 409A is applicable to the Plan or any Award granted under the Plan, it is intended that the Plan and any Awards granted under the Plan shall comply with the deferral, payout, plan termination and other limitations and restrictions imposed under Section 409A. Notwithstanding any other provision of the Plan or any Award granted under the Plan to the contrary, the Plan and any Award granted under the Plan shall be interpreted, operated and administered in a manner consistent with such intentions; provided, however, that the Plan Administrator makes no representations that Awards granted under the Plan shall be exempt from or comply with Section 409A and makes no undertaking to preclude Section 409A from applying to Awards granted under the Plan. Without limiting the generality of the foregoing, and notwithstanding any other provision of the Plan or any Award granted under the Plan to the contrary, with respect to any payments and benefits under the Plan or any Award granted under the Plan to which Section 409A applies, all references in the Plan or any Award granted under the Plan to the termination of the Participant's employment or service are intended to mean the Participant's "separation from service," within the meaning of Section 409A(a)(2)(A)(i) to the extent necessary to avoid subjecting the Participant to the imposition of any additional tax under Section 409A. In addition, if the Participant is a "specified employee," within the meaning of Section 409A, then to the extent necessary to avoid subjecting the Participant to the imposition of any additional tax under Section 409A, amounts that would otherwise be payable under the Plan or any Award granted under the Plan during the six-month period immediately following the Participant's "separation from service," within the meaning of Section 409A(a)(2)(A)(i), shall not be paid to the Participant during such period, but shall instead be accumulated and paid to the Participant (or, in the event of the Participant's death, the Participant's estate) in a lump sum on the first business day after the earlier of the date that is six months following the Participant's separation from service or the Participant's death. Notwithstanding any other provision of the Plan to the contrary, the Plan Administrator, to the extent it deems necessary or advisable in its sole discretion, reserves the right, but shall not be required, to unilaterally amend or modify the Plan and any Award granted under the Plan so that the Award qualifies for exemption from or complies with Section 409A.

**18.6 Participants in Other Countries or Jurisdictions**

Without amending the Plan, the Plan Administrator may grant Awards to Eligible Persons who are foreign nationals on such terms and conditions different from those specified in the Plan, as may, in the judgment of the Plan Administrator, be necessary or desirable to foster and promote achievement of the purposes of the Plan and shall have the authority to adopt such modifications, procedures, subplans and the like as may be necessary or desirable to comply with provisions of the laws or regulations of other countries or jurisdictions in which the Company or any Related Company may operate or have employees to ensure the viability of the benefits from Awards granted to Participants employed in such countries or jurisdictions, meet the requirements that permit the Plan to operate in a qualified or tax efficient manner, comply with applicable foreign laws or regulations and meet the objectives of the Plan.

**18.7 No Trust or Fund**

The Plan is intended to constitute an "unfunded" plan. Nothing contained herein shall require the Company to segregate any monies or other property, or shares of Common Stock, or to create any trusts, or to make any special deposits for any immediate or deferred amounts payable to any Participant, and no Participant shall have any rights that are greater than those of a general unsecured creditor of the Company.

**18.8 Successors**

All obligations of the Company under the Plan with respect to Awards shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all the business and/or assets of the Company.

**18.9 Severability**

If any provision of the Plan or any Award is determined to be invalid, illegal or unenforceable in any jurisdiction, or as to any person, or would disqualify the Plan or any Award under any law deemed applicable by the Plan Administrator, such provision shall be construed or deemed amended to conform to applicable laws, or, if it cannot be so construed or deemed amended without, in the Plan Administrator's determination, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, person or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.

**18.10 Choice of Law and Venue**

The Plan, all Awards granted thereunder and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by the laws of the United States, shall be governed by the laws of the State of Delaware without giving effect to principles of conflicts of law. Participants irrevocably consent to the nonexclusive jurisdiction and venue of the state and federal courts located in the State of California.

**18.11 Legal Requirements**

The granting of Awards and the issuance of shares of Common Stock under the Plan are subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

**18.12 California Appendix Provisions**

To the extent required by applicable law, Participants who are residents of the State of California shall be subject to the additional terms and conditions set forth in ***Appendix B*** to the Plan until such time as the Common Stock becomes a "listed" security under the Securities Act.

**18.13 Recoupment**

Awards shall be subject to the requirements of (a) Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (regarding recovery of erroneously awarded compensation) and any implementing rules and regulations thereunder, (b) similar rules under the laws of any other jurisdiction, (c) any compensation recovery or clawback policies adopted by the Company to implement any such requirements or (d) any other compensation recovery or clawback policies as may be adopted from time to time by the Company, all to the extent determined by the Plan Administrator in its discretion to be applicable to a Participant.

## SECTION 19. EFFECTIVE DATE

The effective date of the Plan (the "***Effective Date***") is the date on which the Plan is adopted by the Board. In addition, to the extent necessary to comply with applicable law, regulation or stock exchange rule, stockholder approval of the Plan shall be obtained.

(c) a sale, lease, exchange or other transfer in one transaction or a series of related transactions undertaken with a common purpose of all or substantially all of the Company's assets, excluding, however, in each case, any such transaction pursuant to which

(i) the Entities who are the beneficial owners of the Outstanding Company Common Stock and the Outstanding Company Voting Securities immediately prior to such transaction will beneficially own, directly or indirectly, at least 50% of the outstanding shares of common stock, and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, of the Successor Company in substantially the same proportions as their ownership, immediately prior to such transaction, of the Outstanding Company Common Stock and the Outstanding Company Voting Securities;

(ii) no Entity (other than the Company, any employee benefit plan (or related trust) of the Company, a Related Company or a Successor Company) will beneficially own, directly or indirectly, more than 50% of the outstanding shares of common stock of the Successor Company or the combined voting power of the outstanding voting securities of the Successor Company entitled to vote generally in the election of directors, unless such ownership resulted solely from ownership of securities of the Company prior to such transaction; and

(iii) individuals who were members of the Incumbent Board will immediately after the consummation of such transaction constitute at least a majority of the members of the board of directors of the Successor Company.

Where a series of transactions undertaken with a common purpose is deemed to be a Company Transaction, the date of such Company Transaction shall be the date on which the last of such transactions is consummated.

**HYDROFARM HOLDINGS GROUP, INC.**
**2018 EQUITY INCENTIVE PLAN**

**STOCK OPTION AGREEMENT**

Pursuant to your Stock Option Grant Notice (the "***Grant Notice***") and this Stock Option Agreement (this "***Agreement***"), Hydrofarm Holdings Group, Inc. (the "***Company***") has granted you an Option under its 2018 Equity Incentive Plan (the "***Plan***") to purchase the number of shares of the Company's Common Stock indicated in your Grant Notice (the "***Shares***") at the exercise price indicated in your Grant Notice. Capitalized terms not defined in this Agreement but defined in the Plan have the same definitions as in the Plan.

The details of the Option are as follows:

1. **Vesting and Exercisability**. Subject to the limitations contained herein, the Option will vest and become exercisable as provided in your Grant Notice, provided that, upon your Termination of Service, vesting will cease and the unvested portion of the Option will terminate.

2. **Securities Law Compliance**. Notwithstanding any other provision of this Agreement, you may not exercise the Option unless the Shares issuable upon exercise are registered under the Securities Act or, if such Shares are not then so registered, the Company has determined that such exercise and issuance would be exempt from the registration requirements of the Securities Act. The exercise of the Option must also comply with other applicable laws and regulations governing the Option, and you may not exercise the Option if the Company determines that such exercise would not be in material compliance with such laws and regulations.

3. **Incentive Stock Option Qualification**. If so designated in your Grant Notice, all or a portion of the Option is intended to qualify as an Incentive Stock Option under federal income tax law, but the Company does not represent or guarantee that the Option qualifies as such.

If the Option has been designated as an Incentive Stock Option and the aggregate Fair Market Value (determined as of the grant date) of the shares of Common Stock subject to the portions of the Option and all other Incentive Stock Options you hold that first become exercisable during any calendar year exceeds $100,000, any excess portion will be treated as a Nonqualified Stock Option, unless the Internal Revenue Service changes the rules and regulations governing the $100,000 limit for Incentive Stock Options. A portion of the Option may be treated as a Nonqualified Stock Option if certain events cause exercisability of the Option to accelerate.

4. **Notice of Disqualifying Disposition**. To the extent the Option has been designated as an Incentive Stock Option, to obtain certain tax benefits afforded to Incentive Stock Options, you must hold the Shares issued upon the exercise of the Option for two years after the Grant Date and one year after the date of exercise. By accepting the Option, you agree to promptly notify the Company if you dispose of any of the Shares within one year from the date you exercise all or part of the Option or within two years from the Grant Date.

5. **Alternative Minimum Tax**. You may be subject to the alternative minimum tax at the time of exercise of an Incentive Stock Option.

6. **Independent Tax Advice**. You should obtain tax advice when exercising the Option and prior to the disposition of the Shares.

7. **Method of Exercise**. You may exercise the Option by giving written notice to the Company, in form and substance satisfactory to the Company, which will state your election to exercise the Option and the number of Shares for which you are exercising the Option. The written notice must be accompanied by full payment of the exercise price for the number of Shares you are purchasing. You may make this payment in any combination of the following:

(a) by cash;

(b) by check acceptable to the Company;

(c) if permitted by the Plan Administrator for Nonqualified Stock Options, by having the Company withhold shares of Common Stock that would otherwise be issued on exercise of the Option that have a Fair Market Value on the date of exercise of the Option equal to the exercise price of the Option;

(d) if permitted by the Plan Administrator, by using shares of Common Stock you already own;

(e) if the Common Stock is registered under the Exchange Act and to the extent permitted by law, by instructing a broker to deliver to the Company the total payment required, all in accordance with the regulations of the Federal Reserve Board; or

(f) by any other method permitted by the Plan Administrator.

**Please note that the Company is under no obligation to issue or deliver Shares under the Plan unless, in the opinion of the Company's counsel, such issuance, delivery or distribution would comply with all applicable laws (including, without limitation, the requirements of the Securities Act or the applicable laws of any U.S. or non-U.S. local, state or federal jurisdiction) and the applicable requirements of any securities exchange or similar entity**.

8. **Market Standoff**. You agree that any Shares received upon exercise of the Option are subject to the market standoff restrictions on transfer set forth in the Plan.

9. **Treatment Upon Termination of Employment or Service Relationship**. The unvested portion of the Option will terminate automatically and without further notice immediately upon your Termination of Service. You may exercise the vested portion of the Option as follows:

(a) **General Rule**. You must exercise the vested portion of the Option on or before the earlier of (i) six months after your Termination of Service and (ii) the Option Expiration Date;

(b) **Disability**. In the event of your Termination of Service due to Disability, you must exercise the vested portion of the Option on or before the earlier of (i) twelve months after your Termination of Service and (ii) the Option Expiration Date;

(c) **Death**. In the event of your Termination of Service due to your death, the vested portion of the Option must be exercised on or before the earlier of (i) one year after your Termination of Service and (ii) the Option Expiration Date. If you die after your Termination of Service but while the Option is still exercisable, the vested portion of the Option may be exercised until the earlier of (x) twelve months after the date of death and (y) the Option Expiration Date; and

(d) **Cause**. The vested portion of the Option will automatically expire at the time the Company first notifies you of your Termination of Service for Cause, unless the Plan Administrator determines otherwise. If your employment or service relationship is suspended pending an investigation of whether you will be terminated for Cause, all your rights under the Option likewise will be suspended during the period of investigation. If any facts that would constitute termination for Cause are discovered after your Termination of Service, any Option you then hold may be immediately terminated by the Plan Administrator.

The Option must be exercised within three months after termination of employment for reasons other than death or disability and one year after termination of employment due to disability to qualify for the beneficial tax treatment afforded Incentive Stock Options. For purposes of the preceding, "disability" has the meaning attributed to that term for purposes of Section 422 of the Code.

**It is your responsibility to be aware of the date the Option terminates and is no longer exercisable.**

10. **Limited Transferability**. During your lifetime only you can exercise the Option. The Option is not transferable except by will or by the applicable laws of descent and distribution. The Plan provides for exercise of the Option by a beneficiary designated on a Company-approved form or the personal representative of your estate. Notwithstanding the foregoing and to the extent permitted by the Plan and Section 422 of the Code with respect to Incentive Stock Options, the Plan Administrator, in its sole discretion, may permit you to assign or transfer the Option, subject to such terms and conditions as specified by the Plan Administrator.

11. **Withholding Taxes**. As a condition to the exercise of any portion of the Option, you must make such arrangements as the Company may require for the satisfaction of any federal, state, local or foreign tax withholding obligations that may arise in connection with such exercise.

12. **Option Not an Employment or Service Contract**. Nothing in the Plan or this Agreement will be deemed to constitute an employment contract or confer or be deemed to confer any right for you to continue in the employ of, or to continue any other relationship with, the Company or any Related Company or limit in any way the right of the Company or any Related Company to terminate your employment or other relationship at any time, with or without cause.

13. **No Right to Damages**. You will have no right to bring a claim or to receive damages if you are required to exercise the vested portion of the Option within three months (one year in the case of Disability or death) of your Termination of Service or if any portion of the Option is cancelled or expires unexercised. The loss of existing or potential profit in the Option will not constitute an element of damages in the event of your Termination of Service for any reason even if the termination is in violation of an obligation of the Company or a Related Company to you.

14. **Binding Effect**. This Agreement will inure to the benefit of the successors and assigns of the Company and be binding upon you and your heirs, executors, administrators, successors and assigns.

15. **Electronic Delivery**. The Company may, in its sole discretion, decide to electronically sign and deliver any documents related to the Option or any notices required by this Agreement, applicable law or the Company's certificate of incorporation or bylaws by email or any other electronic means. By your signature on the Grant Notice, you consent to receive such documents and notices by such electronic delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

16. **No Advice Regarding Grant.** The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding your participation in the Plan or your acquisition or sale of Shares underlying the Option. You should consult with your own personal tax, legal and financial advisors regarding your participation in the Plan before taking any action related to the Plan.

17. **Recovery of Compensation.** In accordance with Section 18.13 of the Plan, the Option is subject to the requirements of (a) Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (regarding recovery of erroneously awarded compensation) and any implementing rules and regulations thereunder, (b) similar rules under the laws of any other jurisdiction, (c) any compensation recovery or clawback policies adopted by the Company to implement any such requirements or (d) any other compensation recovery or clawback policies as may be adopted from time to time by the Company, all to the extent determined by the Plan Administrator in its discretion to be applicable to you and/or required by applicable law.

18. **Section 409A Compliance**. Notwithstanding any provision in the Plan or this Agreement to the contrary, the Plan Administrator may, at any time and without your consent, modify the terms of the Option as it determines appropriate to avoid the imposition of interest or penalties under Section 409A of the Code; *provided*, *however*, that the Plan Administrator makes no representations that the Option will be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to the Option.

(f) Buy out for a payment in cash or Shares, a Stock Right previously granted and/or cancel any such Stock Right and grant in substitution therefor other Stock Rights, covering the same or a different number of Shares and having an exercise price or purchase price per share which may be lower or higher than the exercise price or purchase price of the cancelled Stock Right, based on such terms and conditions as the Administrator shall establish and the Participant shall accept; and

(g) Adopt any sub-plans applicable to residents of any specified jurisdiction as it deems necessary or appropriate in order to comply with or take advantage of any tax or other laws applicable to the Company, any Affiliate or to Participants or to otherwise facilitate the administration of the Plan, which sub-plans may include additional restrictions or conditions applicable to Stock Rights or Shares issuable pursuant to a Stock Right;

provided, however, that all such interpretations, rules, determinations, terms and conditions shall be made and prescribed in the context of potential tax consequences under Section 409A of the Code. Subject to the foregoing, the interpretation and construction by the Administrator of any provisions of the Plan or of any Stock Right granted under it shall be final, unless otherwise determined by the Board of Directors, if the Administrator is the Committee. In addition, if the Administrator is the Committee, the Board of Directors may take any action under the Plan that would otherwise be the responsibility of the Committee.

To the extent permitted under applicable law, the Board of Directors or the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any portion of its responsibilities and powers to any other person selected by it. The Board of Directors or the Committee may revoke any such allocation or delegation at any time.

5. ELIGIBILITY FOR PARTICIPATION.

The Administrator will, in its sole discretion, name the Participants in the Plan; provided, however, that each Participant must be an Employee, director or Consultant of the Company or of an Affiliate at the time a Stock Right is granted. Notwithstanding the foregoing, the Administrator may authorize the grant of a Stock Right to a person not then an Employee, director or Consultant of the Company or of an Affiliate; provided, however, that the actual grant of such Stock Right shall be conditioned upon such person becoming eligible to become a Participant at or prior to the time of the execution of the Agreement evidencing such Stock Right. The granting of any Stock Right to any individual shall neither entitle that individual to, nor disqualify him or her from, participation in any other grant of Stock Rights or any grant under any other benefit plan established by the Company or any Affiliate for Employees, directors or Consultants.

6. TERMS AND CONDITIONS OF OPTIONS.

Each Option shall be set forth in writing in an Option Agreement, duly executed by the Company and, to the extent required by law or requested by the Company, by the Participant. The Administrator may provide that Options be granted subject to such terms and conditions, consistent with the terms and conditions specifically required under this Plan, as the Administrator may deem appropriate. Each Option shall be a Non-Qualified Option and shall be subject to the terms and conditions which the Administrator determines to be appropriate and in the best interest of the Company, subject to the following minimum standards for any such Non-Qualified Option:

(a) *Exercise Price*: Each Option Agreement shall state the exercise price (per share) of the Shares covered by each Option, which exercise price shall be determined by the Administrator and shall be at least equal to the Fair Market Value per share of the Common Stock on the date of grant of the Option.

(b) *Number of Shares*: Each Option Agreement shall state the number of Shares to which it pertains.

(c) *Vesting Periods*: Each Option Agreement shall state the date or dates on which it first is exercisable and the date after which it may no longer be exercised, and may provide that the Option rights accrue or become exercisable in installments over a period of months or years, or upon the occurrence of certain performance conditions or the attainment of stated goals or events. For California Participants, the exercise period of the Option set forth in the Option Agreement shall not be more than 120 months from the date of grant.

(d) *Additional Conditions*: Exercise of any Option may be conditioned upon the Participant's execution of a stockholders agreement in a form satisfactory to the Administrator providing for certain protections for the Company and its other shareholders, including requirements that:

(i) The Participant's or the Participant's Survivors' right to sell or transfer the Shares may be restricted; and

(ii) The Participant or the Participant's Survivors may be required to execute letters of investment intent and must also acknowledge that the Shares will bear legends noting any applicable restrictions.

(e) *Term of Option*: Each Option shall terminate not more than ten years from the date of the grant or at such earlier time as the Option Agreement may provide.

7. TERMS AND CONDITIONS OF STOCK GRANTS.

Each Stock Grant to a Participant shall state the principal terms in an Agreement duly executed by the Company and, to the extent required by law or requested by the Company, by the Participant. For California Participants, each Stock Grant shall be issued within ten (10) years from the date the Plan is adopted. The Agreement shall be in a form approved by the Administrator and shall contain terms and conditions which the Administrator determines to be appropriate and in the best interest of the Company, subject to the following minimum standards:

(a) Each Agreement shall state the purchase price per share, if any, of the Shares covered by each Stock Grant, which purchase price shall be determined by the Administrator but shall not be less than the minimum consideration required by the Delaware General Corporation Law, if any, on the date of the grant of the Stock Grant;

(b) Each Agreement shall state the number of Shares to which the Stock Grant pertains; and

(c) Each Agreement shall include the terms of any right of the Company to restrict or reacquire the Shares subject to the Stock Grant, including the time and events upon which such rights shall accrue and the purchase price therefor, if any.

8. TERMS AND CONDITIONS OF OTHER STOCK-BASED AWARDS.

The Administrator shall have the right to grant other Stock-Based Awards based upon the Common Stock having such terms and conditions as the Administrator may determine, including, without limitation, the grant of Shares based upon certain conditions, the grant of securities convertible into Shares and the grant of stock appreciation rights, phantom stock awards or stock units. The principal terms of each Stock-Based Award shall be set forth in an Agreement, duly executed by the Company and, to the extent required by law or requested by the Company, by the Participant. The Agreement shall be in a form approved by the Administrator and shall contain terms and conditions which the Administrator determines to be appropriate and in the best interest of the Company. Each Agreement shall include the terms of any right of the Company including the right to terminate the Stock-Based Award without the issuance of Shares, the terms of any vesting conditions or events upon which Shares shall be issued. Under no circumstances may the Agreement covering stock appreciation rights (a) have a base price (per share) that is less than the Fair Market Value per share of Common Stock on the date of grant or (b) expire more than ten years following the date of grant.

The Company intends that the Plan and any Stock-Based Awards granted hereunder be exempt from the application of Section 409A of the Code or meet the requirements of paragraphs (2), (3) and (4) of subsection (a) of Section 409A of the Code, to the extent applicable, and be operated in accordance with Section 409A so that any compensation deferred under any Stock-Based Award (and applicable investment earnings) shall not be included in income under Section 409A of the Code. Any ambiguities in the Plan shall be construed to effect the intent as described in this Paragraph 8.

9. EXERCISE OF OPTIONS AND ISSUE OF SHARES.

An Option (or any part or installment thereof) shall be exercised by giving written notice to the Company or its designee (in a form acceptable to the Administrator, which may include electronic notice), together with provision for payment of the aggregate exercise price in accordance with this Paragraph for the Shares as to which the Option is being exercised, and upon compliance with any other condition(s) set forth in the Option Agreement. Such notice shall be signed by the person exercising the Option (which signature may be provided electronically in a form acceptable to the Administrator), shall state the number of Shares with respect to which the Option is being exercised and shall contain any representation required by the Plan or the Option Agreement. Payment of the exercise price for the Shares as to which such Option is being exercised shall be made (a) in United States dollars in cash or by check, or (b) at the discretion of the Administrator, through delivery of shares of Common Stock held for at least six months (if required to avoid negative accounting treatment) having a Fair Market Value equal as of the date of the exercise to the aggregate cash exercise price for the number of Shares as to which the Option is being exercised, or (c) at the discretion of the Administrator, by having the Company retain from the Shares otherwise issuable upon exercise of the Option, a number of Shares having a Fair Market Value equal as of the date of exercise to the aggregate exercise price for the number of Shares as to which the Option is being exercised, or (d) at the discretion of the Administrator (after consideration of applicable securities, tax and accounting implications), by delivery of the grantee's personal recourse note bearing interest payable not less than annually at no less than one hundred (100%) of the applicable Federal rate, as defined in Section 1274(d) of the Code, or (e) at the discretion of the Administrator, in accordance with a cashless exercise program established with a securities brokerage firm, and approved by the Administrator, or (f) at the discretion of the Administrator, by any combination of (a), (b), (c), (d) and (e) above or (g) at the discretion of the Administrator, by payment of such other lawful consideration as the Administrator may determine.

The Company shall then reasonably promptly deliver the Shares as to which such Option was exercised to the Participant (or to the Participant's Survivors, as the case may be). In determining what constitutes "reasonably promptly," it is expressly understood that the issuance and delivery of the Shares may be delayed by the Company in order to comply with any law or regulation (including, without limitation, state securities or "blue sky" laws) which requires the Company to take any action with respect to the Shares prior to their issuance. The Shares shall, upon delivery, be fully paid, non-assessable Shares.

10. PAYMENT IN CONNECTION WITH THE ISSUANCE OF STOCK GRANTS AND STOCK-BASED AWARDS AND ISSUE OF SHARES.

Any Stock Grant or Stock-Based Award requiring payment of a purchase price for the Shares as to which such Stock Grant or Stock-Based Award is being granted shall be made (a) in United States dollars in cash or by check, or (b) at the discretion of the Administrator, through delivery of shares of Common Stock held for at least six months (if required to avoid negative accounting treatment) and having a Fair Market Value equal as of the date of payment to the purchase price of the Stock Grant or Stock-Based Award, or (c) at the discretion of the Administrator (after consideration of applicable securities, tax and accounting implications), by delivery of the grantee's personal recourse note bearing interest payable not less than annually at no less than one hundred percent (100%) of the applicable Federal rate, as defined in Section 1274(d) of the Code, or (d) at the discretion of the Administrator, by any combination of (a), (b) and (c) above; or (e) at the discretion of the Administrator, by payment of such other lawful consideration as the Administrator may determine.

The Company shall when required by the applicable Agreement, reasonably promptly deliver the Shares as to which such Stock Grant or Stock-Based Award was made to the Participant (or to the Participant's Survivors, as the case may be), subject to any escrow provision set forth in the applicable Agreement. In determining what constitutes "reasonably promptly," it is expressly understood that the issuance and delivery of the Shares may be delayed by the Company in order to comply with any law or regulation (including, without limitation, state securities or "blue sky" laws) which requires the Company to take any action with respect to the Shares prior to their issuance.

11. RIGHTS AS A SHAREHOLDER.

No Participant to whom a Stock Right has been granted shall have rights as a shareholder with respect to any Shares covered by such Stock Right except after due exercise of an Option or issuance of Shares as set forth in any Agreement, tender of the aggregate exercise or purchase price, if any, for the Shares being purchased and registration of the Shares in the Company's share register in the name of the Participant.

12. ASSIGNABILITY AND TRANSFERABILITY OF STOCK RIGHTS.

By its terms, a Stock Right granted to a Participant shall not be transferable by the Participant other than (i) by will or by the laws of descent and distribution, or (ii) as approved by the Administrator in its discretion and set forth in the applicable Agreement, provided that no Stock Right may be transferred by a Participant for value. For California Participants, Stock Rights shall not be transferable by the Participant other than by will or by the laws of descent and distribution, to a revocable trust, or as permitted by Rule 701 of the Securities Act. The designation of a beneficiary of a Stock Right by a Participant, with the prior approval of the Administrator and in such form as the Administrator shall prescribe, shall not be deemed a transfer prohibited by this Paragraph. Except as provided above during the Participant's lifetime a Stock Right shall only be exercisable by or issued to such Participant (or his or her legal representative) and shall not be assigned, pledged or hypothecated in any way (whether by operation of law or otherwise) and shall not be subject to execution, attachment or similar process. Any attempted transfer, assignment, pledge, hypothecation or other disposition of any Stock Right or of any rights granted thereunder contrary to the provisions of this Plan, or the levy of any attachment or similar process upon a Stock Right, shall be null and void.

13. EFFECT ON OPTIONS OF TERMINATION OF SERVICE OTHER THAN FOR CAUSE OR DEATH OR DISABILITY.

Except as otherwise provided in a Participant's Option Agreement, in the event of a termination of service (whether as an Employee, director or Consultant) with the Company or an Affiliate before the Participant has exercised an Option, the following rules apply:

(a) A Participant who ceases to be an Employee, director or Consultant of the Company or of an Affiliate (for any reason other than termination for Cause, Disability, or death for which events there are special rules in Paragraphs 14, 15, and 16, respectively), may exercise any Option granted to him or her to the extent that the Option is exercisable on the date of such termination of service, but only within such term as the Administrator has designated in a Participant's Option Agreement. For Options granted to California Participants, notwithstanding the terms of any Option Agreement, such Option shall be exercisable for at least thirty (30) days from the date of a Participant's termination of employment other than for Cause, but in no event later than the originally prescribed term of the Option.

(b) The provisions of this Paragraph, and not the provisions of Paragraph 15 or 16, shall apply to a Participant who subsequently becomes Disabled or dies after the termination of employment, director status or consultancy; provided, however, in the case of a Participant's Disability or death within three months after the termination of employment, director status or consultancy, the Participant or the Participant's Survivors may exercise the Option within one year after the date of the Participant's termination of service, but in no event after the date of expiration of the term of the Option.

(c) Notwithstanding anything herein to the contrary, if subsequent to a Participant's termination of employment, termination of director status or termination of consultancy, but prior to the exercise of an Option, the Administrator determines that, either prior or subsequent to the Participant's termination, the Participant engaged in conduct which would constitute Cause, then such Participant shall forthwith cease to have any right to exercise any Option.

(d) A Participant to whom an Option has been granted under the Plan who is absent from the Company or an Affiliate because of temporary disability (any disability other than a Disability as defined in Paragraph 1 hereof), or who is on leave of absence for any purpose, shall not, during the period of any such absence, be deemed, by virtue of such absence alone, to have terminated such Participant's employment, director status or consultancy with the Company or with an Affiliate, except as the Administrator may otherwise expressly provide.

(e) Except as required by law or as set forth in a Participant's Option Agreement, Options granted under the Plan shall not be affected by any change of a Participant's status within or among the Company and any Affiliates, so long as the Participant continues to be an Employee, director or Consultant of the Company or any Affiliate.

14. EFFECT ON OPTIONS OF TERMINATION OF SERVICE FOR CAUSE.

Except as otherwise provided in a Participant's Option Agreement, the following rules apply if the Participant's service (whether as an Employee, director or Consultant) with the Company or an Affiliate is terminated for Cause prior to the time that all of his or her outstanding Options have been exercised:

(a) All outstanding and unexercised Options as of the time the Participant is notified his or her service is terminated for Cause will immediately be forfeited.

(b) Cause is not limited to events which have occurred prior to a Participant's termination of service, nor is it necessary that the Administrator's finding of Cause occur prior to termination. If the Administrator determines, subsequent to a Participant's termination of service but prior to the exercise of an Option, that either prior or subsequent to the Participant's termination the Participant engaged in conduct which would constitute Cause, then the right to exercise any Option is forfeited.

15. EFFECT ON OPTIONS OF TERMINATION OF SERVICE FOR DISABILITY.

Except as otherwise provided in a Participant's Option Agreement,

(a) A Participant who ceases to be an Employee, director or Consultant of the Company or of an Affiliate by reason of Disability may exercise any Option granted to such Participant:

(i) To the extent that the Option has become exercisable but has not been exercised on the date of the Participant's termination of service due to Disability; and

(ii) In the event rights to exercise the Option accrue periodically, to the extent of a pro rata portion through the date of the Participant's termination of service due to Disability of any additional vesting rights that would have accrued on the next vesting date had the Participant not become Disabled. The proration shall be based upon the number of days accrued in the current vesting period prior to the date of the Participant's termination of service due to Disability.

(b) A Disabled Participant may exercise the Option only within the period ending one year after the date of the Participant's termination of service due to Disability, notwithstanding that the Participant might have been able to exercise the Option as to some or all of the Shares on a later date if the Participant had not been terminated due to Disability and had continued to be an Employee, director or Consultant or, if earlier, within the originally prescribed term of the Option. Notwithstanding the terms of any Option Agreement, for Options granted to California Participants, a Participant may exercise such rights for at least six (6) months from the date of termination of service due to Disability but in no event later than the originally prescribed term of the Option.

(c) The Administrator shall make the determination both of whether Disability has occurred and the date of its occurrence (unless a procedure for such determination is set forth in another agreement between the Company and such Participant, in which case such procedure shall be used for such determination). If requested, the Participant shall be examined by a physician selected or approved by the Administrator, the cost of which examination shall be paid for by the Company.

16. EFFECT ON OPTIONS OF DEATH WHILE AN EMPLOYEE, DIRECTOR OR CONSULTANT.

Except as otherwise provided in a Participant's Option Agreement,

(a) In the event of the death of a Participant while the Participant is an Employee, director or Consultant of the Company or of an Affiliate, such Option may be exercised by the Participant's Survivors:

(i) To the extent that the Option has become exercisable but has not been exercised on the date of death; and

(ii) In the event rights to exercise the Option accrue periodically, to the extent of a pro rata portion through the date of death of any additional vesting rights that would have accrued on the next vesting date had the Participant not died. The proration shall be based upon the number of days accrued in the current vesting period prior to the Participant's date of death.

(b) If the Participant's Survivors wish to exercise the Option, they must take all necessary steps to exercise the Option within one year after the date of death of such Participant, notwithstanding that the decedent might have been able to exercise the Option as to some or all of the Shares on a later date if he or she had not died and had continued to be an Employee, director or Consultant or, if earlier, within the originally prescribed term of the Option. For Options granted to California Participants, notwithstanding the terms of any Option Agreement, the Participant's Survivors shall be allowed to take all necessary steps to exercise the Option for at least six (6) months from the date of death of such Participant but in no event later than the originally prescribed term of the Option.

17. EFFECT OF TERMINATION OF SERVICE ON UNACCEPTED STOCK GRANTS AND STOCK-BASED AWARDS.

In the event of a termination of service (whether as an Employee, director or Consultant) with the Company or an Affiliate for any reason before the Participant has accepted a Stock Grant or a Stock-Based Award and paid the purchase price, if required at the time, such grant shall terminate.

For purposes of this Paragraph 17 and Paragraph 18 below, a Participant to whom a Stock Grant or a Stock-Based Award has been issued under the Plan who is absent from work with the Company or with an Affiliate because of temporary disability (any disability other than a Disability as defined in Paragraph 1 hereof), or who is on leave of absence for any purpose, shall not, during the period of any such absence, be deemed, by virtue of such absence alone, to have terminated such Participant's employment, director status or consultancy with the Company or with an Affiliate, except as the Administrator may otherwise expressly provide.

In addition, for purposes of this Paragraph 17 and Paragraph 18 below, any change of employment or other service within or among the Company and any Affiliates shall not be treated as a termination of employment, director status or consultancy so long as the Participant continues to be an Employee, director or Consultant of the Company or any Affiliate.

18. EFFECT ON STOCK GRANTS AND STOCK-BASED AWARDS OF TERMINATION OF SERVICE OTHER THAN FOR CAUSE, DEATH OR DISABILITY.

Except as otherwise provided in a Participant's Agreement, in the event of a termination of service (whether as an Employee, director or Consultant), other than termination for Cause, death or Disability for which events there are special rules in Paragraphs 19, 20, and 21, respectively, before all forfeiture provisions or Company rights of repurchase shall have lapsed, then the Company shall have the right to cancel or repurchase that number of Shares subject to a Stock Grant or Stock-Based Award as to which the Company's forfeiture or repurchase rights have not lapsed.

19. EFFECT ON STOCK GRANTS AND STOCK-BASED AWARDS OF TERMINATION OF SERVICE FOR CAUSE.

Except as otherwise provided in a Participant's Agreement, the following rules apply if the Participant's service (whether as an Employee, director or Consultant) with the Company or an Affiliate is terminated for Cause:

(a) All Shares subject to any Stock Grant or Stock-Based Award that remain subject to forfeiture provisions or as to which the Company shall have a repurchase right shall be immediately forfeited to the Company as of the time the Participant is notified his or her service is terminated for Cause.

(b) Cause is not limited to events which have occurred prior to a Participant's termination of service, nor is it necessary that the Administrator's finding of Cause occur prior to termination. If the Administrator determines, subsequent to a Participant's termination of service, that either prior or subsequent to the Participant's termination the Participant engaged in conduct which would constitute Cause, then all Shares subject to any Stock Grant or Stock-Based Award that remained subject to forfeiture provisions or as to which the Company had a repurchase right on the date of termination shall be immediately forfeited to the Company.

20. EFFECT ON STOCK GRANTS AND STOCK-BASED AWARDS OF TERMINATION OF SERVICE FOR DISABILITY.

Except as otherwise provided in a Participant's Agreement, the following rules apply if a Participant ceases to be an Employee, director or Consultant of the Company or of an Affiliate by reason of Disability: to the extent the forfeiture provisions or the Company's rights of repurchase have not lapsed on the date of Disability, they shall be exercisable; provided, however, that in the event such forfeiture provisions or rights of repurchase lapse periodically, such provisions or rights shall lapse to the extent of a pro rata portion of the Shares subject to such Stock Grant or Stock-Based Award through the date of Disability as would have lapsed had the Participant not become Disabled. The proration shall be based upon the number of days accrued prior to the date of Disability.

The Administrator shall make the determination both as to whether Disability has occurred and the date of its occurrence (unless a procedure for such determination is set forth in another agreement between the Company and such Participant, in which case such procedure shall be used for such determination). If requested, the Participant shall be examined by a physician selected or approved by the Administrator, the cost of which examination shall be paid for by the Company.

21. EFFECT ON STOCK GRANTS AND STOCK-BASED AWARDS OF DEATH WHILE AN EMPLOYEE, DIRECTOR OR CONSULTANT.

Except as otherwise provided in a Participant's Agreement, the following rules apply in the event of the death of a Participant while the Participant is an Employee, director or Consultant of the Company or of an Affiliate: to the extent the forfeiture provisions or the Company's rights of repurchase have not lapsed on the date of death, they shall be exercisable; provided, however, that in the event such forfeiture provisions or rights of repurchase lapse periodically, such provisions or rights shall lapse to the extent of a pro rata portion of the Shares subject to such Stock Grant or Stock-Based Award through the date of death as would have lapsed had the Participant not died. The proration shall be based upon the number of days accrued prior to the Participant's date of death.

22. PURCHASE FOR INVESTMENT.

Unless the offering and sale of the Shares shall have been effectively registered under the Securities Act, the Company shall be under no obligation to issue Shares under the Plan unless and until the following conditions have been fulfilled:

(a) The person who receives a Stock Right shall warrant to the Company, prior to the receipt of Shares, that such person is acquiring such Shares for his or her own account, for investment, and not with a view to, or for sale in connection with, the distribution of any such Shares, in which event the person acquiring such Shares shall be bound by the provisions of the following legend (or a legend in substantially similar form) which shall be endorsed upon the certificate evidencing the Shares issued pursuant to such exercise or such grant:

> "The shares represented by this certificate have been taken for investment and they may not be sold or otherwise transferred by any person, including a pledgee, unless (1) either (a) a Registration Statement with respect to such shares shall be effective under the Securities Act of 1933, as amended, or (b) the Company shall have received an opinion of counsel satisfactory to it that an exemption from registration under such Act is then available, and (2) there shall have been compliance with all applicable state securities laws."

(b) At the discretion of the Administrator, the Company shall have received an opinion of its counsel that the Shares may be issued in compliance with the Securities Act without registration thereunder.

23. DISSOLUTION OR LIQUIDATION OF THE COMPANY.

Upon the dissolution or liquidation of the Company, all Options granted under this Plan which as of such date shall not have been exercised and all Stock Grants and Stock-Based Awards which have not been accepted, to the extent required under the applicable Agreement, will terminate and become null and void; provided, however, that if the rights of a Participant or a Participant's Survivors have not otherwise terminated and expired, the Participant or the Participant's Survivors will have the right immediately prior to such dissolution or liquidation to exercise or accept any Stock Right to the extent that the Stock Right is exercisable or subject to acceptance as of the date immediately prior to such dissolution or liquidation. Upon the dissolution or liquidation of the Company, any outstanding Stock-Based Awards shall immediately terminate unless otherwise determined by the Administrator or specifically provided in the applicable Agreement.

24. ADJUSTMENTS.

Upon the occurrence of any of the following events, a Participant's rights with respect to any Stock Right granted to him or her hereunder shall be adjusted as hereinafter provided, unless otherwise specifically provided in a Participant's Agreement:

(a) Stock Dividends and Stock Splits. If (i) the shares of Common Stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of Common Stock as a stock dividend on its outstanding Common Stock, or (ii) additional shares or new or different shares or other securities of the Company or other non-cash assets are distributed with respect to such shares of Common Stock, each Stock Right and the number of shares of Common Stock deliverable thereunder shall be appropriately increased or decreased proportionately, and appropriate adjustments shall be made including, to the exercise, base or purchase price per share, to reflect such events. The number of Shares subject to the limitations in Paragraphs 3 and 4 shall also be proportionately adjusted upon the occurrence of such events.

(b) Corporate Transactions. In the event of a Change of Control, or if the Company is to be consolidated with or acquired by another entity in a merger, consolidation, sale of all or substantially all of the Company's assets or the acquisition of all of the outstanding voting stock of the Company in a single transaction or a series of related transactions by a single entity other than a transaction to merely change the state of incorporation (a "Corporate Transaction"), the Administrator or the board of directors of any entity assuming the obligations of the Company hereunder (the "Successor Board"), may, as to outstanding Options, either (i) make appropriate provision for the continuation of such Options by substituting on an equitable basis for the Shares then subject to such Options either the consideration payable with respect to the outstanding shares of Common Stock in connection with the Corporate Transaction or securities of any successor or acquiring entity; or (ii) upon written notice to the Participants, provide that such Options must be exercised (either (A) to the extent then exercisable or, (B) at the discretion of the Administrator, any such Options being made partially or fully exercisable for purposes of this Subparagraph), within a specified number of days of the date of such notice, at the end of which period such Options which have not been exercised shall terminate; or (iii) terminate such Options in exchange for payment of an amount equal to the consideration payable upon consummation of such Change in Control or Corporate Transaction to a holder of the number of shares of Common Stock into which such Option would have been exercisable (either (A) to the extent then exercisable or, (B) at the discretion of the Administrator, any such Options being made partially or fully exercisable for purposes of this Subparagraph) less the aggregate exercise price thereof. For purposes of determining the payments to be made pursuant to Subclause (iii) above, in the case of a Change in Control or Corporate Transaction the consideration for which, in whole or in part, is other than cash, the consideration other than cash shall be valued at the fair value thereof as determined in good faith by the Board of Directors.

With respect to outstanding Stock Grants, the Administrator or the Successor Board, shall make appropriate provision for the continuation of such Stock Grants on the same terms and conditions by substituting on an equitable basis for the Shares then subject to such Stock Grants either the consideration payable with respect to the outstanding Shares of Common Stock in connection with the Corporate Transaction or securities of any successor or acquiring entity. In lieu of the foregoing, in connection with any Corporate Transaction, the Administrator may provide that, upon consummation of the Corporate Transaction, each outstanding Stock Grant shall be terminated in exchange for payment of an amount equal to the consideration payable upon consummation of such Corporate Transaction to a holder of the number of shares of Common Stock comprising such Stock Grant (to the extent such Stock Grant is no longer subject to any forfeiture or repurchase rights then in effect or, at the discretion of the Administrator, all forfeiture and repurchase rights being waived upon such Corporate Transaction). For purposes of determining such payments, in the case of a Corporate Transaction the consideration for which, in whole or in part, is other than cash, the consideration other than cash shall be valued at the fair value thereof as determined in good faith by the Board of Directors.

In taking any of the actions permitted under this Paragraph 24(b), the Administrator shall not be obligated by the Plan to treat all Stock Rights, all Stock Rights held by a Participant, or all Stock Rights of the same type, identically.

(c) Recapitalization or Reorganization. In the event of a recapitalization or reorganization of the Company other than a Corporate Transaction pursuant to which securities of the Company or of another corporation are issued with respect to the outstanding shares of Common Stock, a Participant upon exercising an Option or accepting a Stock Grant after the recapitalization or reorganization shall be entitled to receive for the price paid upon such exercise or acceptance if any, the number of replacement securities which would have been received if such Option had been exercised or Stock Grant accepted prior to such recapitalization or reorganization.

(d) Adjustments to Stock-Based Awards. Upon the happening of any of the events described in Subparagraphs (a), (b) or (c) above, any outstanding Stock-Based Award shall be appropriately adjusted to reflect the events described in such Subparagraphs. The Administrator or the Successor Board shall determine the specific adjustments to be made under this Paragraph 24, including, but not limited to the effect of any Corporate Transaction **a**nd Change of Control and, subject to Paragraph 4, its determination shall be conclusive.

(e) Modification of Options. Notwithstanding the foregoing, any adjustments made pursuant to Subparagraph (a), (b) or (c) above with respect to Options shall be made only after the Administrator determines whether such adjustments would cause any adverse tax consequences for the holders of such Options, including, but not limited to, pursuant to Section 409A of the Code. If the Administrator determines that such adjustments made with respect to Options would cause an adverse tax consequence, it may in its discretion refrain from making such adjustments, unless the holder of an Option specifically agrees in writing that such adjustment be made and such writing indicates that the holder has full knowledge of the consequences of such adjustment on his or her income tax treatment with respect to the Option.

25. ISSUANCES OF SECURITIES.

Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares subject to Stock Rights. Except as expressly provided herein, no adjustments shall be made for dividends paid in cash or in property (including without limitation, securities) of the Company prior to any issuance of Shares pursuant to a Stock Right.

26. FRACTIONAL SHARES.

No fractional shares shall be issued under the Plan and the person exercising a Stock Right shall receive from the Company cash in lieu of such fractional shares equal to the Fair Market Value thereof.

27. WITHHOLDING.

In the event that any federal, state, or local income taxes, employment taxes, Federal Insurance Contributions Act withholdings or other amounts are required by applicable law or governmental regulation to be withheld from the Participant's salary, wages or other remuneration in connection with the issuance of a Stock Right or Shares under the Plan or for any other reason required by law, the Company may withhold from the Participant's compensation, if any, or may require that the Participant advance in cash to the Company, or to any Affiliate of the Company which employs or employed the Participant, the statutory minimum amount of such withholdings unless a different withholding arrangement, including the use of shares of the Company's Common Stock or a promissory note, is authorized by the Administrator (and permitted by law). For purposes hereof, the fair market value of the shares withheld for purposes of payroll withholding shall be determined in the manner set forth under the definition of Fair Market Value provided in Paragraph 1 above, as of the most recent practicable date prior to the date of exercise. If the Fair Market Value of the shares withheld is less than the amount of payroll withholdings required, the Participant may be required to advance the difference in cash to the Company or the Affiliate employer.

28. TERMINATION OF THE PLAN.

The Plan will terminate on December 19, 2029, the date which is ten years from the date of its adoption by the Board of Directors. The Plan may be terminated at an earlier date by vote of the Board of Directors of the Company; provided, however, that any such earlier termination shall not affect any Agreements executed prior to the effective date of such termination. Termination of the Plan shall not affect any Stock Rights theretofore granted.

29. AMENDMENT OF THE PLAN AND AGREEMENTS.

The Plan may be amended by the Board of Directors of the Company. The Plan may also be amended by the Administrator, including, without limitation, to the extent necessary to qualify the Shares issuable under the Plan for listing on any national securities exchange or quotation in any national automated quotation system of securities dealers. Any amendment approved by the Administrator which the Administrator determines is of a scope that requires shareholder approval shall be subject to obtaining such shareholder approval. Any modification or amendment of the Plan shall not, without the consent of a Participant, adversely affect his or her rights under a Stock Right previously granted to him or her, unless such amendment is required by applicable law or necessary to preserve the economic value of such Stock Right. With the consent of the Participant affected, the Administrator may amend outstanding Agreements in a manner which may be adverse to the Participant but which is not inconsistent with the Plan. In the discretion of the Administrator, outstanding Agreements may be amended by the Administrator in a manner which is not adverse to the Participant. Nothing in this Paragraph 29 shall limit the Administrator's authority to take any action permitted pursuant to Paragraph 24.

30. EMPLOYMENT OR OTHER RELATIONSHIP.

Nothing in this Plan or any Agreement shall be deemed to prevent the Company or an Affiliate from terminating the employment, consultancy or director status of a Participant, nor to prevent a Participant from terminating his or her own employment, consultancy or director status or to give any Participant a right to be retained in employment or other service by the Company or any Affiliate for any period of time.

31. GOVERNING LAW.

This Plan shall be construed and enforced in accordance with the law of the State of Delaware.

**STOCK OPTION AGREEMENT- INCORPORATED TERMS AND CONDITIONS**

AGREEMENT made as of the date of grant set forth in the Stock Option Grant Notice by and between (the "Company"), a Delaware corporation, and the individual whose name appears on the Stock Option Grant Notice (the "Participant").

WHEREAS, the Company desires to grant to the Participant an Option to purchase shares of its common stock, $.0001 par value per share (the "Shares"), under and for the purposes set forth in the Company's 2019 Employee, Director and Consultant Equity Incentive Plan (the "Plan");

WHEREAS, the Company and the Participant understand and agree that any terms used and not defined herein have the same meanings as in the Plan; and

WHEREAS, the Company and the Participant each intend that the Option granted herein shall be a Non-Qualified Stock Option.

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth and for other good and valuable consideration, the parties hereto agree as follows:

1. GRANT OF OPTION.

The Company hereby grants to the Participant the right and option to purchase all or any part of an aggregate of the number of Shares set forth in the Stock Option Grant Notice, on the terms and conditions and subject to all the limitations set forth herein, under United States securities and tax laws, and in the Plan, which is incorporated herein by reference. The Participant acknowledges receipt of a copy of the Plan.

2. EXERCISE PRICE.

The exercise price of the Shares covered by the Option shall be the amount per Share set forth in the Stock Option Grant Notice, subject to adjustment, as provided in the Plan, in the event of a stock split, reverse stock split or other events affecting the holders of Shares after the date hereof (the "Exercise Price"). Payment shall be made in accordance with Paragraph 9 of the Plan.

3. EXERCISABILITY OF OPTION.

Subject to the terms and conditions set forth in this Agreement and the Plan, the Option granted hereby shall become vested and exercisable as set forth in the Stock Option Grant Notice and is subject to the other terms and conditions of this Agreement and the Plan.

4. TERM OF OPTION.

This Option shall terminate on the Option Expiration Date as specified in the Stock Option Grant Notice but shall be subject to earlier termination as provided herein or in the Plan.

If the Participant ceases to be an Employee, director or Consultant of the Company or of an Affiliate for any reason other than the death or Disability of the Participant, or termination of the Participant for Cause (the "Termination Date"), the Option to the extent then vested and exercisable pursuant to Section 3 hereof as of the Termination Date, and not previously terminated in accordance with this Agreement, may be exercised within three months after the Termination Date, or on or prior to the Option Expiration Date as specified in the Stock Option Grant Notice, whichever is earlier, but may not be exercised thereafter except as set forth below. In such event, the unvested portion of the Option shall not be exercisable and shall expire and be cancelled on the Termination Date.

Notwithstanding the foregoing, in the event of the Participant's death within three (3) months after the Termination Date, the Participant's Survivors may exercise the Option within one (1) year after the Termination Date, but in no event after the Option Expiration Date as specified in the Stock Option Grant Notice, and this Option shall thereupon terminate.

In the event the Participant's service is terminated by the Company or an Affiliate for Cause, the Participant's right to exercise any unexercised portion of this Option even if vested shall cease immediately as of the time the Participant is notified his or her service is terminated for Cause, and this Option shall thereupon terminate. Notwithstanding anything herein to the contrary, if subsequent to the Participant's termination, but prior to the exercise of the Option, the Administrator determines that, either prior or subsequent to the Participant's termination, the Participant engaged in conduct which would constitute Cause, then the Participant shall immediately cease to have any right to exercise the Option and this Option shall thereupon terminate.

In the event of the Disability of the Participant while an Employee, director or Consultant of the Company or of an Affiliate, as determined in accordance with the Plan, the Option shall be exercisable within one (1) year after the Participant's termination of service due to Disability or, if earlier, on or prior to the Option Expiration Date as specified in the Stock Option Grant Notice. In such event, the Option shall be exercisable:

(a) to the extent that the Option has become exercisable but has not been exercised as of the date of the Participant's termination of service due to Disability; and

(b) in the event rights to exercise the Option accrue periodically, to the extent of a pro rata portion through the date of the Participant's termination of service due to Disability of any additional vesting rights that would have accrued on the next vesting date had the Participant not become Disabled. The proration shall be based upon the number of days accrued in the current vesting period prior to the date of the Participant's termination of service due to Disability.

In the event of the death of the Participant while an Employee, director or Consultant of the Company or of an Affiliate, the Option shall be exercisable by the Participant's Survivors within one year after the date of death of the Participant or, if earlier, on or prior to the Option Expiration Date as specified in the Stock Option Grant Notice. In such event, the Option shall be exercisable:

(x) to the extent that the Option has become exercisable but has not been exercised as of the date of death; and

(y) in the event rights to exercise the Option accrue periodically, to the extent of a pro rata portion through the date of death of any additional vesting rights that would have accrued on the next vesting date had the Participant not died. The proration shall be based upon the number of days accrued in the current vesting period prior to the Participant's date of death.

5. METHOD OF EXERCISING OPTION.

Subject to the terms and conditions of this Agreement, the Option may be exercised by written notice to the Company or its designee, in substantially the form of Exhibit A attached hereto (or in such other form acceptable to the Company, which may include electronic notice). Such notice shall state the number of Shares with respect to which the Option is being exercised and shall be signed by the person exercising the Option (which signature may be provided electronically in a form acceptable to the Company). Payment of the Exercise Price for such Shares shall be made in accordance with Paragraph 9 of the Plan. The Company shall deliver such Shares as soon as practicable after the notice shall be received, provided, however, that the Company may delay issuance of such Shares until completion of any action or obtaining of any consent, which the Company deems necessary under any applicable law (including, without limitation, state securities or "blue sky" laws). The Shares as to which the Option shall have been so exercised shall be registered in the Company's share register in the name of the person so exercising the Option (or, if the Option shall be exercised by the Participant and if the Participant shall so request in the notice exercising the Option, shall be registered in the Company's share register in the name of the Participant and another person jointly, with right of survivorship) and shall be delivered as provided above to or upon the written order of the person exercising the Option. In the event the Option shall be exercised, pursuant to Section 4 hereof, by any person other than the Participant, such notice shall be accompanied by appropriate proof of the right of such person to exercise the Option. All Shares that shall be purchased upon the exercise of the Option as provided herein shall be fully paid and nonassessable.

6. PARTIAL EXERCISE.

Exercise of this Option to the extent above stated may be made in part at any time and from time to time within the above limits, except that no fractional share shall be issued pursuant to this Option.

7. NON-ASSIGNABILITY.

The Option shall not be transferable by the Participant otherwise than by will or by the laws of descent and distribution, or as otherwise provided in the Plan and approved by the Administrator. Except as provided above in this paragraph, the Option shall be exercisable, during the Participant's lifetime, only by the Participant (or, in the event of legal incapacity or incompetency, by the Participant's guardian or representative) and shall not be assigned, pledged or hypothecated in any way (whether by operation of law or otherwise) and shall not be subject to execution, attachment or similar process. Any attempted transfer, assignment, pledge, hypothecation or other disposition of the Option or of any rights granted hereunder contrary to the provisions of this Section 7, or the levy of any attachment or similar process upon the Option shall be null and void.

8. NO RIGHTS AS STOCKHOLDER UNTIL EXERCISE.

The Participant shall have no rights as a stockholder with respect to Shares subject to this Agreement until registration of the Shares in the Company's share register in the name of the Participant. Except as is expressly provided in the Plan with respect to certain changes in the capitalization of the Company, no adjustment shall be made for dividends or similar rights for which the record date is prior to the date of such registration.

9. ADJUSTMENTS.

The Plan contains provisions covering the treatment of Options in a number of contingencies such as stock splits and mergers. Provisions in the Plan for adjustment with respect to stock subject to Options and the related provisions with respect to successors to the business of the Company are hereby made applicable hereunder and are incorporated herein by reference.

10. TAXES.

The Participant acknowledges and agrees that (i) any income or other taxes due from the Participant with respect to this Option or the Shares issuable upon exercise of this Option shall be the Participant's responsibility; (ii) the Participant was free to use professional advisors of his or her choice in connection with this Agreement, has received advice from his or her professional advisors in connection with this Agreement, understands its meaning and import, and is entering into this Agreement freely and without coercion or duress; (iii) the Participant has not received and is not relying upon any advice, representations or assurances made by or on behalf of the Company or any Affiliate or any Employee of or counsel to the Company or any Affiliate regarding any tax or other effects or implications of the Option, the Shares or other matters contemplated by this Agreement and (iv) neither the Administrator, the Company, its Affiliates, nor any of its officers or directors, shall be held liable for any applicable costs, taxes, or penalties associated with the Option if, in fact, the Internal Revenue Service were to determine that the Option constitutes deferred compensation under Section 409A of the Code.

This Option is designated in the Stock Option Grant Notice as a Non-Qualified Option and when such Non-Qualified Option is exercised, the Participant agrees that the Company may withhold from the Participant's remuneration, if any, the minimum statutory amount of federal, state and local withholding taxes attributable to such amount that is considered compensation includable in such person's gross income. At the Company's discretion, the amount required to be withheld may be withheld in cash from such remuneration, or in kind from the Shares otherwise deliverable to the Participant on exercise of the Option. The Participant further agrees that, if the Company does not withhold an amount from the Participant's remuneration sufficient to satisfy the Company's income tax withholding obligation, the Participant will reimburse the Company on demand, in cash, for the amount under-withheld.

11. PURCHASE FOR INVESTMENT.

Unless the offering and sale of the Shares to be issued upon the particular exercise of the Option shall have been effectively registered under the Securities Act of 1933, as now in force or hereafter amended (the "1933 Act"), the Company shall be under no obligation to issue the Shares covered by such exercise unless the Company has determined that such exercise and issuance would be exempt from the registration requirements of the 1933 Act and until the following conditions have been fulfilled:

(a) The person(s) who exercise the Option shall warrant to the Company, at the time of such exercise, that such person(s) are acquiring such Shares for their own respective accounts, for investment, and not with a view to, or for sale in connection with, the distribution of any such Shares, in which event the person(s) acquiring such Shares shall be bound by the provisions of the following legend which shall be endorsed upon any certificate(s) evidencing the Shares issued pursuant to such exercise:

"The shares represented by this certificate have been taken for investment and they may not be sold or otherwise transferred by any person, including a pledgee, unless (1) either (a) a Registration Statement with respect to such shares shall be effective under the Securities Act of 1933, as amended, or (b) the Company shall have received an opinion of counsel satisfactory to it that an exemption from registration under such Act is then available, and (2) there shall have been compliance with all applicable state securities laws;" and

(b) If the Company so requires, the Company shall have received an opinion of its counsel that the Shares may be issued upon such particular exercise in compliance with the 1933 Act without registration thereunder. Without limiting the generality of the foregoing, the Company may delay issuance of the Shares until completion of any action or obtaining of any consent, which the Company deems necessary under any applicable law (including without limitation state securities or "blue sky" laws).

12. RESTRICTIONS ON TRANSFER OF SHARES.

12.1 The Shares acquired by the Participant pursuant to the exercise of the Option granted hereby shall not be transferred by the Participant except as permitted **[herein] [in the Stockholders Agreement dated _____ between the Company and its stockholders (the "Stockholders Agreement")] [if the Participant becomes a party thereto, as set forth in the in the Stockholders Agreement dated _____ between the Company and its stockholders (the "Stockholders Agreement")]. If the Participant becomes a party to the Stockholders' Agreement by executing a signature page thereto and the terms of this Agreement and the Stockholders' Agreement conflict, the terms contained in the Stockholders' Agreement shall govern and supersede any conflicting provision contained in this Section 12].**[1]

12.2 In the event of the Participant's termination of service for any reason, the Company shall have the option, but not the obligation, to repurchase all or any part of the Shares issued pursuant to this Agreement (including, without limitation, Shares purchased after termination of service, Disability or death in accordance with Section 4 hereof). In the event the Company does not, upon the termination of service of the Participant (as described above), exercise its option pursuant to this Section 12.2, the restrictions set forth in the balance of this Agreement shall not thereby lapse, and the Participant for himself or herself, his or her heirs, legatees, executors, administrators and other successors in interest, agrees that the Shares shall remain subject to such restrictions. The following provisions shall apply to a repurchase under this Section 12.2:

(i) The per share repurchase price of the Shares to be sold to the Company upon exercise of its option under this Section 12.2 shall be equal to the Fair Market Value of each such Share determined in accordance with the Plan as of the date of repurchase provided, however, in the event of a termination by the Company for Cause, the per share repurchase price of the Shares to be sold to the Company upon exercise of its option under this Section 12.2 shall be equal to **[the lesser of the Exercise Price and the Fair Market Value on the date of the repurchase] OR [par value]]**.[2]

(ii) The Company's option to repurchase the Participant's Shares in the event of termination of service shall be valid for a period of [**twelve**]([**12]**) months commencing with the date of such termination of service.[3]

(iii) In the event the Company shall be entitled to and shall elect to exercise its option to repurchase the Participant's Shares under this Section 12.2, the Company shall notify the Participant, or in case of death, his or her Survivor, in writing of its intent to repurchase the Shares. Such written notice may be mailed or sent by email by the Company up to and including the last day of the time period provided for in Section 12.2(ii) above for exercise of the Company's option to repurchase.

(iv) The notice to the Participant shall specify the address at, and the time and date on, which payment of the repurchase price is to be made (the "Closing"). The date specified shall not be less than ten (10) days nor more than sixty (60) days from the date of the mailing of the notice, and the Participant or his or her successor in interest with respect to the Shares shall have no further rights as the owner thereof from and after the date specified in the notice. At the Closing, the repurchase price shall be delivered to the Participant or his or her successor in interest and the Shares being purchased, duly endorsed for transfer, shall, to the extent that they are not then in the possession of the Company, be delivered to the Company by the Participant or his or her successor in interest.

---

[1] The first bracket should be used if the Participant is not a party to and not expected to become a party to a stockholders' agreement containing transfer restrictions and/or buyback provisions. The second bracket should be used if the Participant is or will become a party to a stockholders' agreement. In such case other portions of this section 12 should be deleted so that there is no conflict between the stockholders' agreement and the terms of this agreement. The third bracket and additional language regarding conflicting provisions should be used, together with the "herein" language if the Company wants to use a generic option agreement and some Participants are or will become a party to the stockholders agreement.

[2] Consider alternate price for termination for Cause.

[3] If the Company repurchases a participant's shares within six months of their issuance the company will incur a variable accounting charge. Therefore the repurchase period should be not less than nine months so the repurchase can occur after the participant has held the shares for six months.

12.3 **[Alternative 1 –** As a condition precedent to the exercise of the Option, the Participant agrees to become a party to the Stockholders Agreement.**] [Alternative 2]** It shall be a condition precedent to the validity of any sale or other transfer of any Shares by the Participant that the following restrictions be complied with (except as otherwise provided in this Section 12)[4]:

(i) No Shares owned by the Participant may be sold, pledged or otherwise transferred (including by gift or devise) to any person or entity, voluntarily, or by operation of law, except in accordance with the terms and conditions hereinafter set forth.

(ii) Before selling or otherwise transferring all or part of the Shares, the Participant shall give written notice of such intention to the Company, which notice shall include the name of the proposed transferee, the proposed purchase price per share, the terms of payment of such purchase price and all other matters relating to such sale or transfer and shall be accompanied by a copy of the binding written agreement of the proposed transferee to purchase the Shares of the Participant. Such notice shall constitute a binding offer by the Participant to sell to the Company such number of the Shares then held by the Participant as are proposed to be sold in the notice at the monetary price per share designated in such notice, payable on the terms offered to the Participant by the proposed transferee (provided, however, that the Company shall not be required to meet any non-monetary terms of the proposed transfer, including, without limitation, delivery of other securities in exchange for the Shares proposed to be sold). The Company shall give written notice to the Participant as to whether such offer has been accepted in whole by the Company within sixty (60) days after its receipt of written notice from the Participant. The Company may only accept such offer in whole and may not accept such offer in part. Such acceptance notice shall fix a time, location and date for the Closing on such purchase ("Closing Date") which shall not be less than ten (10) nor more than sixty (60) days after the giving of the acceptance notice, provided, however, if any of the Shares to be sold pursuant to this Section 12.3 have been held by the Participant for less than six (6) months, then the Closing Date may be extended by the Company until no more than ten (10) days after such Shares have been held by the Participant for six (6) months if required under applicable accounting rules in effect at the time. 5. The place for such Closing shall be at the Company's principal office. At such Closing, the Participant shall accept payment as set forth herein and shall deliver to the Company in exchange therefor certificates for the number of Shares stated in the notice accompanied by duly executed instruments of transfer.

(iii) If the Company shall fail to accept any such offer, the Participant shall be free to sell all, but not less than all, of the Shares set forth in his or her notice to the designated transferee at the price and terms designated in the Participant's notice, provided that (i) such sale is consummated within six (6) months after the giving of notice by the Participant to the Company as aforesaid, and (ii) the transferee first agrees in writing to be bound by the provisions of this Section 12 so that such transferee (and all subsequent transferees) shall thereafter only be permitted to sell or transfer the Shares in accordance with the terms hereof, and the Company's right of repurchase set forth in Section 12.2 above shall continue in accordance with its terms. After the expiration of such six (6) months, the provisions of this Section 12.3 shall again apply with respect to any proposed voluntary transfer of the Participant's Shares.

[4] Conform with Section 12.1.

(iv) The restrictions on transfer contained in this Section 12.3 shall not apply to (a) transfers by the Participant to his or her spouse or children or to a trust for the benefit of his or her spouse or children, (b) transfers by the Participant to his or her guardian or conservator, and (c) transfers by the Participant, in the event of his or her death, to his or her executor(s) or administrator(s) or to trustee(s) under his or her will (collectively, "Permitted Transferees"); provided however, that in any such event the Shares so transferred in the hands of each such Permitted Transferee shall remain subject to this Agreement, and each such Permitted Transferee shall so acknowledge in writing as a condition precedent to the effectiveness of such transfer.

(v) The provisions of this Section 12.3 may be waived by the Company. Any such waiver may be unconditional or based upon such conditions as the Company may impose.

12.4 In the event that the Participant or his or her successor in interest fails to deliver the Shares to be repurchased by the Company under this Agreement, the Company may elect (a) to establish a segregated account in the amount of the repurchase price, such account to be turned over to the Participant or his or her successor in interest upon delivery of such Shares, and (b) immediately to take such action as is appropriate to transfer record title of such Shares from the Participant to the Company and to treat the Participant and such Shares in all respects as if delivery of such Shares had been made as required by this Agreement. The Participant hereby irrevocably grants the Company a power of attorney which shall be coupled with an interest for the purpose of effectuating the preceding sentence.

12.5 [In the event that (i) the Board of Directors and (ii) the holders of a majority of the then outstanding shares of Common Stock approve a Sale of the Company (as defined below), specifying that this Section 12.5 shall apply, then the Participant hereby agrees as follows with respect to the Shares and any other equity securities of the Company which the Participant holds or otherwise exercises dispositive power (the "Drag Along Shares"):

(i) in the event such Sale of the Company requires the approval of stockholders, (1) if the matter is to be brought to a vote at a stockholder meeting, after receiving proper notice of any meeting of stockholders of the Company to vote on the approval of a Sale of the Company, to be present, in person or by proxy, as a holder of Shares, at all such meetings and be counted for the purposes of determining the presence of a quorum at such meetings; and (2) to vote (in person, by proxy or by action by written consent, as applicable) all Shares in favor of such Sale of the Company and in opposition of any and all other proposals that could reasonably be expected to delay or impair the ability of the Company to consummate such Sale of the Company;

[5] If the Company repurchases a Participant's shares within six months of their issuance, the Company will incur a variable accounting charge. Accordingly, the Company should have the option to extend the Closing to avoid the variable accounting charge if it so desires.

(ii) to refrain from exercising any dissenters' rights or rights of appraisal under applicable law at any time with respect to such Sale of the Company; and

(iii) to sell to such third party on the terms offered by such third party the Drag Along Shares, or if such Sale of the Company involves less than all of the outstanding capital stock of the Company, the Participant's pro rata share of the Drag Along Shares, and to execute and deliver all related documentation and take such other action in support of the Sale of the Company as shall reasonably be requested by the Company.

As used herein, the following terms shall have the following respective meanings:

"Sale of the Company" means:

(i) a merger or consolidation in which (A) the Company is a constituent party or (B) a subsidiary of the Company is a constituent party and the Company issues shares of its capital stock pursuant to such merger or consolidation, except any such merger or consolidation involving the Company or a subsidiary in which the shares of capital stock of the Company outstanding immediately prior to such merger or consolidation continue to represent, or are converted into or exchanged for shares of capital stock that represent, immediately following such merger or consolidation, at least a majority, by voting power, of the capital stock of (1) the surviving or resulting corporation or (2) if the surviving or resulting corporation is a wholly owned subsidiary of another corporation immediately following such merger or consolidation, the parent corporation of such surviving or resulting corporation (provided that, for the purpose of this clause (i) all shares of Common Stock issuable upon exercise of options or warrants outstanding immediately prior to such merger or consolidation or upon conversion of convertible securities immediately prior to such merger or consolidation shall be deemed to be outstanding immediately prior to such merger or consolidation and, if applicable, converted or exchanged in such merger or consolidation on the same terms as the actual outstanding shares of Common Stock are converted or exchanged);

(ii) the sale, lease, transfer, exclusive license (other than an exclusive license approved by the Board of Directors) or other disposition of all or substantially all the assets of the Company and its subsidiaries taken as a whole, in a single transaction or series of related transactions, by the Company or any subsidiary of the Company, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Company if substantially all of the assets of the Company and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where such sale, lease, transfer, exclusive license (other than an exclusive license approved by the Board of Directors) or other disposition is to a wholly owned subsidiary of the Company[; or

(iii) any transaction or series of related transactions to which the Company is a party in which in excess of fifty percent (50%) of the Company's voting power is transferred such that the stockholders of the Company immediately prior to the transaction or series of related transactions do not own a majority of the voting power of the surviving or acquiring entity following such transaction or series of transactions; other than any transaction or series of transactions principally for bona fide equity financing purposes in which cash is received by the Company or any successor or indebtedness of the Company is cancelled or converted or a combination thereof].]

12.6 If the Company shall pay a stock dividend or declare a stock split on or with respect to any of its Common Stock, or otherwise distribute securities of the Company to the holders of its Common Stock, the number of shares of stock or other securities of the Company issued with respect to the shares then subject to the restrictions contained in this Agreement shall be added to the Shares subject to the Company's rights to repurchase pursuant to this Agreement. If the Company shall distribute to its stockholders shares of stock of another corporation or equity in another entity, the shares of stock of such other corporation or equity in such other entity, distributed with respect to the Shares then subject to the restrictions contained in this Agreement, shall be added to the Shares subject to the Company's rights to repurchase pursuant to this Agreement.

12.7 If the outstanding shares of Common Stock of the Company shall be subdivided into a greater number of shares or combined into a smaller number of shares, or in the event of a reclassification of the outstanding shares of Common Stock of the Company, or if the Company shall be a party to a merger, consolidation or capital reorganization, there shall be substituted for the Shares then subject to the restrictions contained in this Agreement such amount and kind of securities as are issued in such subdivision, combination, reclassification, merger, consolidation or capital reorganization in respect of the Shares subject immediately prior thereto to the Company's rights to repurchase pursuant to this Agreement.

12.8 The Company shall not be required to transfer any Shares on its books which shall have been sold, assigned or otherwise transferred in violation of this Agreement, or to treat as owner of such Shares, or to accord the right to vote as such owner or to pay dividends to, any person or organization to which any such Shares shall have been so sold, assigned or otherwise transferred, in violation of this Agreement.

12.9 The provisions of Sections 12.1, 12.2 and 12.3 shall terminate upon the effective date of the registration of the Shares pursuant to the Securities Exchange Act of 1934.

12.10 The Participant agrees that in the event the Company proposes to offer for sale to the public any of its equity securities and such Participant is requested by the Company and any underwriter engaged by the Company in connection with such offering to sign an agreement restricting the sale or other transfer of Shares, then it will promptly sign such agreement and will not transfer, whether in privately negotiated transactions or to the public in open market transactions or otherwise, any Shares or other securities of the Company held by him or her during such period as is determined by the Company and the underwriters, not to exceed 180 days following the closing of the offering, plus such additional period of time as may be required to comply with FINRA Rules or similar rules promulgated by another regulatory authority (such period, the "Lock-Up Period"). Such agreement shall be in writing and in form and substance reasonably satisfactory to the Company and such underwriter and pursuant to customary and prevailing terms and conditions. Notwithstanding whether the Participant has signed such an agreement, the Company may impose stop-transfer instructions with respect to the Shares or other securities of the Company subject to the foregoing restrictions until the end of the Lock-Up Period.

12.11 The Participant acknowledges and agrees that neither the Company, its shareholders nor its directors and officers, has any duty or obligation to disclose to the Participant any material information regarding the business of the Company or affecting the value of the Shares before, at the time of, or following a termination of the service of the Participant by the Company, including, without limitation, any information concerning plans for the Company to make a public offering of its securities or to be acquired by or merged with or into another firm or entity.

12.12 All certificates representing the Shares to be issued to the Participant pursuant to this Agreement shall have endorsed thereon a legend substantially as follows: "The shares represented by this certificate are subject to restrictions set forth in a Stock Option Agreement dated [Date] with this Company, a copy of which Agreement is available for inspection at the offices of the Company or will be made available upon request."

13. NO OBLIGATION TO MAINTAIN RELATIONSHIP.

The Participant acknowledges that: (i) the Company is not by the Plan or this Option Agreement obligated to continue the Participant as an Employee, director or Consultant of the Company or an Affiliate; (ii) the Plan is discretionary in nature and may be suspended or terminated by the Company at any time; (iii) the grant of the Option is a one-time benefit which does not create any contractual or other right to receive future grants of options, or benefits in lieu of options; (iv) all determinations with respect to any such future grants, including, but not limited to, the times when options shall be granted, the number of shares subject to each option, the option price, and the time or times when each option shall be exercisable, will be at the sole discretion of the Company; (v) the Participant's participation in the Plan is voluntary; (vi) the value of the Option is an extraordinary item of compensation which is outside the scope of the Participant's employment or consulting contract, if any; and (vii) the Option is not part of normal or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments.

NOTICE OF EXERCISE OF STOCK OPTION

**[Form for Unregistered Shares]**

To: Hydrofarm Holdings Group, Inc.

Ladies and Gentlemen:

I hereby exercise my Stock Option to purchase [#] shares (the "Shares") of the common stock, $.0001 par value, of Hydrofarm Holdings Group, Inc. (the "Company"), at the exercise price of $[_____] per share, pursuant to and subject to the terms of that certain Stock Option Agreement between the undersigned and the Company dated [Date].

I am aware that the Shares have not been registered under the Securities Act of 1933, as amended (the "1933 Act"), or any state securities laws. I understand that the reliance by the Company on exemptions under the 1933 Act is predicated in part upon the truth and accuracy of the statements by me in this Notice of Exercise.

I hereby represent and warrant that (1) I have been furnished with all information which I deem necessary to evaluate the merits and risks of the purchase of the Shares; (2) I have had the opportunity to ask questions concerning the Shares and the Company and all questions posed have been answered to my satisfaction; (3) I have been given the opportunity to obtain any additional information I deem necessary to verify the accuracy of any information obtained concerning the Shares and the Company; and (4) I have such knowledge and experience in financial and business matters that I am able to evaluate the merits and risks of purchasing the Shares and to make an informed investment decision relating thereto.

I hereby represent and warrant that I am purchasing the Shares for my own personal account for investment and not with a view to the sale or distribution of all or any part of the Shares.

I understand that because the Shares have not been registered under the 1933 Act, I must continue to bear the economic risk of the investment for an indefinite time and the Shares cannot be sold unless the Shares are subsequently registered under applicable federal and state securities laws or an exemption from such registration requirements is available.

I agree that I will in no event sell or distribute or otherwise dispose of all or any part of the Shares unless (1) there is an effective registration statement under the 1933 Act and applicable state securities laws covering any such transaction involving the Shares or (2) the Company receives an opinion of my legal counsel (concurred in by legal counsel for the Company) stating that such transaction is exempt from registration or the Company otherwise satisfies itself that such transaction is exempt from registration.

I consent to the placing of a legend on my certificate for the Shares stating that the Shares have not been registered and setting forth the restrictions on transfer contemplated hereby and to the placing of a stop transfer order on the books of the Company and with any transfer agents against the Shares until the Shares may be legally resold or distributed without restriction.

I understand that at the present time Rule 144 of the Securities and Exchange Commission (the "SEC") may not be relied on for the resale or distribution of the Shares by me. I understand that the Company has no obligation to me to register the sale of the Shares with the SEC and has not represented to me that it will register the sale of the Shares.

I understand the terms and restrictions on the right to dispose of the Shares set forth in the 2019 Employee, Director and Consultant Equity Incentive Plan and the Stock Option Agreement, both of which I have carefully reviewed. I consent to the placing of a legend on my certificate for the Shares referring to such restriction and the placing of stop transfer orders until the Shares may be transferred in accordance with the terms of such restrictions.

**[I understand and agree that the Shares are subject to the NAME OF Stockholders' Agreement dated _____ between the Company and its stockholders (the "Stockholders' Agreement"), and if I am not already a party to the Stockholders' Agreement [and if the Company so requests] I agree to become a party to such agreement by execution of the counterpart signature page enclosed herewith. I acknowledge that I have read and understand the Stockholders' Agreement which sets forth certain restrictions and limitations on the Shares, including the ability to transfer or sell them in the future.][I further acknowledge and agree that to the extent the terms of Section 12 of the Option Agreement conflict with the Stockholders' Agreement, the terms contained in the Stockholders' Agreement shall govern.][6]**

I have considered the Federal, state and local income tax implications of the exercise of my Option and the purchase and subsequent sale of the Shares.

I am paying the option exercise price for the Shares as follows:

**INDEMNIFICATION AGREEMENT**

This Indemnification Agreement ("Agreement") is made as of _____, 20__, by and between Hydrofarm Holdings Group, Inc., a Delaware corporation (the "Company"), and _____ ("Indemnitee").

**RECITALS:**

WHEREAS, directors, officers, and other persons in service to corporations or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the Company or business enterprise itself;

WHEREAS, highly competent persons have become more reluctant to serve as directors or in other capacities unless they are provided with adequate protection through insurance and adequate indemnification against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of the corporation;

WHEREAS, the Board of Directors of the Company (the "Board") has determined that the increased difficulty in attracting and retaining such persons is detrimental to the best interests of the Company and that the Company should act to assure such persons that there will be increased certainty of such protection in the future;

WHEREAS, (i) the certificate of incorporation of the Company (the "Certificate of Incorporation") authorizes and the bylaws of the Company (the "Bylaws") require indemnification of the directors and officers of the Company, (ii) Indemnitee may also be entitled to indemnification pursuant to the General Corporation Law of the State of Delaware (the "DGCL") and (iii) the indemnification provisions set forth in the Certificate of Incorporation, the Bylaws and the DGCL are not exclusive and contemplate that contracts may be entered into between the Company and members of the Board, officers and other persons with respect to indemnification;

WHEREAS, this Agreement is a supplement to and in furtherance of the Certificate of Incorporation and the Bylaws and any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefore, nor to diminish or abrogate any rights of Indemnitee thereunder, and

WHEREAS, (i) Indemnitee does not regard the protections available under the Certificate of Incorporation, the Bylaws and insurance as adequate in the present circumstances, (ii) Indemnitee may not be willing to serve or continue to serve as **[a director] [and] [an officer]** without adequate protections, (iii) the Company desires Indemnitee to serve in such **[capacity] [or] [capacities]**, and (iv) the parties by this Agreement desire to set forth their agreement regarding indemnification and advance of Expenses.

**AGREEMENT:**

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

Section 1. Definitions. (a) As used in this Agreement:

"Affiliate" of any specified Person shall mean any other Person controlling, controlled by or under common control with such specified Person.

"Change in Control" means a change in control of the Company occurring after the date hereof of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or in response to any similar item on any similar schedule or form) promulgated under the Exchange Act, whether or not the Company is then subject to such reporting requirement; provided, however, that, without limitation, such a Change in Control shall be deemed to have occurred if, after the date hereof (i) any "person" (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) is or becomes the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 15% or more of the combined voting power of all of the Company's then-outstanding securities entitled to vote generally in the election of directors without the prior approval of at least two-thirds of the members of the Board in office immediately prior to such person's attaining such percentage interest; (ii) the Company is a party to a merger, consolidation, sale of assets, plan of liquidation or other reorganization not approved by at least two-thirds of the members of the Board then in office, as a consequence of which members of the Board in office immediately prior to such transaction or event constitute less than a majority of the Board thereafter; or (iii) at any time, a majority of the members of the Board are not individuals (A) who were directors as of the date hereof or (B) whose election by the Board or nomination for election by the Company's stockholders was approved by the affirmative vote of at least two-thirds of the directors then in office who were directors as of the date hereof or whose election or nomination for election was previously so approved.

"Corporate Status" describes the status of a person who is or was (i) a director, officer, employee or agent of the Company or (ii) a director, officer, manager, member, partner, trustee, fiduciary, employee or agent of any other Enterprise which such person is or was serving in such capacity at the request of the Company. As a clarification and without limiting the circumstances in which Indemnitee may be serving at the request of the Company, service by Indemnitee shall be deemed to be at the request of the Company if Indemnitee serves or served as a director, trustee, officer, partner, manager, managing member, fiduciary, employee or agent of any other Enterprise (i) of which a majority of the voting power or equity interest is owned directly or indirectly by the Company or (ii) the management of which is controlled directly or indirectly by the Company.

"Disinterested Director" means a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification and/or advance of Expenses is sought by Indemnitee.

"Enterprise" shall mean the Company and any other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise of which Indemnitee is or was serving at the request of the Company as a director, officer, manager, member, partner, trustee, fiduciary, employee or agent.

"Expenses" shall mean all reasonable costs, expenses, fees and charges (including without limitation) attorneys' fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, or otherwise participating in, a Proceeding. Expenses also shall include, without limitation, (i) expenses incurred in connection with any appeal resulting from, incurred by Indemnitee in connection with, arising out of respect of or relating to, any Proceeding, including without limitation, the premium, security for, and other costs relating to any cost bond, supersedes bond, or other appeal bond or its equivalent, (ii) for purposes of Section 12(e) only, expenses incurred by Indemnitee in connection with the interpretation, enforcement or defense of Indemnitee's rights under this Agreement, by litigation or otherwise, (iii) any federal, state, local or foreign taxes imposed on Indemnitee as a result of the actual or deemed receipt of any payments under this Agreement, and (iv) any interest, assessments or other charges in respect of the foregoing.

"Exchange Act" shall mean the Securities Exchange Act of 1934, as amended.

"Indemnity Obligations" shall mean all obligations of the Company to Indemnitee under this Agreement, including the Company's obligations to provide indemnification to Indemnitee and advance Expenses to Indemnitee under this Agreement.

"Independent Counsel" shall mean a law firm, or a member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent: (i) the Company or Indemnitee in any matter material to either such party (other than with respect to matters concerning the Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements), or (ii) any other party to or participant or witness in the Proceeding giving rise to a claim for indemnification or advance of Expenses hereunder; provided, however, that the term "Independent Counsel" shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee's rights under this Agreement.

"Liabilities" means all claims, liabilities, damages, losses, judgments, orders, fines, penalties and other amounts payable that are actually incurred by Indemnitee in connection with, arising out of, or in respect of or relating to any Proceeding, including, without limitation, amounts paid in settlement in any Proceeding and all costs and expenses in complying with any judgment, order or decree issued or entered in connection with any Proceeding or any settlement agreement, stipulation or consent decree entered into or issued in settlement of any Proceeding. For the purpose hereof, references to "fines" shall include any excise tax assessed with respect to any employee benefit plan.

"Person" shall mean any individual, corporation, partnership, limited partnership, limited liability company, trust, governmental agency or body or any other legal entity.

"Proceeding" shall mean any threatened, pending or completed action, claim, suit, arbitration, alternate dispute resolution mechanism, formal or informal hearing, inquiry or investigation, litigation, inquiry, administrative hearing, demand or discovery request or any other actual, threatened or completed judicial, administrative or arbitration proceeding (including, without limitation, any such proceeding under the Securities Act of 1933, as amended, or the Exchange Act or any other federal law, state law, statute or regulation), including any appeal therefrom, whether brought in the right of the Company or otherwise, and whether of a civil, criminal, administrative or investigative nature, in each case, in which Indemnitee was, is or will be, or is threatened to be, involved as a party, witness or otherwise by reason of the Indemnitee's Corporate Status, by reason of any actual or alleged action taken or omission by Indemnitee or of any action or omission on Indemnitee's part while acting in Indemnitee's Corporate Status, in each case whether or not Indemnitee still has such Corporate Status at the time any Liability or Expense is incurred for which indemnification, reimbursement, or advancement of Expenses can be provided under this Agreement. If Indemnitee reasonably believes that a given situation may lead to or culminate in the institution of a Proceeding, such situation shall also be considered a Proceeding.

"Sponsor Entities" means (i) 2118769 Ontario Inc., (ii) Fruzer Inc., (iii) 2208742 Ontario Inc., (iv) 2208744 Ontario Inc., (v) HF I Investments LLC, (vi) HF II Investments LLC, (vii) HF III Investments LLC, (viii) Hawthorn Limited Partnership, (ix) Hydrofarm Co-Investment Fund, LP, (x) Arch Street Holdings I, LLC and (xi) Payne Capital Corp. (collectively, the "Sponsor Group") and (ii) any Affiliate of the Sponsor Group, provided, however, that neither the Company nor any of its subsidiaries shall be considered Sponsor Entities hereunder.

Section 2. General. The Company shall indemnify, and advance Expenses to, Indemnitee (a) as provided in this Agreement and (b) otherwise to the maximum extent permitted by Delaware law in effect on the date hereof and as amended from time to time; provided, however, that no change in Delaware law shall have the effect of reducing the benefits available to Indemnitee hereunder based on Delaware law as in effect on the date hereof. The rights of Indemnitee provided in this Section 2 shall include, without limitation, the rights set forth in the other sections of this Agreement, including any additional indemnification permitted by the DGCL, including, without limitation, Sections 102 and 145 of the DGCL.

Section 3. Standard for Indemnification. If, by reason of Indemnitee's Corporate Status, Indemnitee is, or is threatened to be, made a party to any Proceeding, Indemnitee shall be indemnified against all Expenses and Liabilities incurred by Indemnitee or on Indemnitee's behalf in connection with any such Proceeding unless it is established that (a) the act or omission of Indemnitee was material to the matter giving rise to the Proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty, (b) Indemnitee actually received an improper personal benefit in money, property or services or (c) in the case of any criminal Proceeding, Indemnitee had reasonable cause to believe that Indemnitee's conduct was unlawful.

Section 4. Certain Limits on Indemnification. Notwithstanding any other provision of this Agreement (other than Section 5), Indemnitee shall not be entitled to:

(a) indemnification hereunder if the Proceeding was one by or in the right of the Company and Indemnitee is adjudged, in a final adjudication of the Proceeding not subject to further appeal, to be liable to the Company;

(b) indemnification hereunder if Indemnitee is adjudged, in a final adjudication of the Proceeding not subject to further appeal, to be liable on the basis that personal benefit in money, property or services was improperly received in any Proceeding charging improper personal benefit to Indemnitee, whether or not involving action in Indemnitee's Corporate Status; or

(c) indemnification or advance of Expenses hereunder if the Proceeding was brought by Indemnitee unless: (i) the Proceeding was brought to enforce indemnification under this Agreement, but then only to the extent in accordance with and as authorized by Section 7 and Section 12 of this Agreement, or (ii) the Certificate of Incorporation or the Bylaws, a resolution of the stockholders entitled to vote generally in the election of directors or of the Board or an agreement approved by the Board to which the Company is a party expressly provide otherwise.

Section 5. Court-Ordered Indemnification. Notwithstanding any other provision of this Agreement, a court of appropriate jurisdiction, upon application of Indemnitee and such notice as the court shall require, may order indemnification in the following circumstances:

(a) if it determines Indemnitee is entitled to reimbursement under the DGCL, the court shall order indemnification, in which case Indemnitee shall be entitled to recover the Expenses of securing such reimbursement; or

(b) if it determines that Indemnitee is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not Indemnitee (i) has met the standards of conduct set forth in the DGCL or (ii) has been adjudged liable for receipt of an improper personal benefit under the DGCL, the court may order such indemnification as the court shall deem proper without regard to any limitation on such court-ordered indemnification contemplated by the DGCL.

Section 6. Indemnification for Expenses of a Party Who is Wholly or Partly Successful. Notwithstanding any other provision of this Agreement, and without limiting any such provision, to the extent that Indemnitee was or is, by reason of Indemnitee's Corporate Status, made a party to (or otherwise becomes a participant in) any Proceeding and is successful, on the merits or otherwise, in the defense of such Proceeding, the Company shall indemnify Indemnitee for all Expenses and Liabilities incurred by Indemnitee or on Indemnitee's behalf in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall indemnify Indemnitee under this Section 6 for all Liabilities and Expenses incurred by Indemnitee or on Indemnitee's behalf in connection with each such claim, issue or matter, allocated on a reasonable and proportionate basis. For purposes of this Section 6 and, without limitation, Indemnitee will be deemed to have been "successful on the merits" in circumstances including, but not limited to, the termination of any Proceeding or of any claim, issue or matter therein, by the winning of a dismissal (with or without prejudice), motion for summary Judgment, settlement (with or without court approval), or upon a plea of nolo contendere or its equivalent. For the avoidance of doubt, this Section 6 shall in no way be deemed to limit the circumstances in which Indemnitee may be indemnified or advanced Expenses pursuant to this Agreement, the DGCL, the Certificate of Incorporation, the Bylaws or otherwise.

Section 7. Advances of Expenses. Notwithstanding any provision of this Agreement to the contrary, the Company shall advance the Expenses incurred by Indemnitee in connection with any Proceeding, and such advancement shall be made within ten (10) days after the receipt by the Company of a statement or statements requesting such advances from time to time, whether prior to or after final disposition of any Proceeding. Advances shall be unsecured and interest free.

Advances shall be made without requiring a preliminary determination of Indemnitee's ultimate entitlement to indemnification under the other provisions of this Agreement. Advances shall include any and all Expenses incurred pursuing an action to enforce this right of advancement, including Expenses incurred preparing and forwarding statements to the Company to support the advances claimed. Such statement or statements shall reasonably evidence the Expenses incurred by Indemnitee and shall include or be preceded or accompanied by a written affirmation by Indemnitee and a written undertaking by or on behalf of Indemnitee, in substantially the form attached hereto as Exhibit A or in such form as may be required under applicable law as in effect at the time of the execution thereof. To the extent that Expenses advanced to Indemnitee do not relate to a specific claim, issue or matter in the Proceeding, such Expenses shall be allocated on a reasonable and proportionate basis. The undertaking required by this Section 7 shall be an unlimited general obligation by or on behalf of Indemnitee and shall be accepted without reference to Indemnitee's financial ability to repay such advanced Expenses and without any requirement to post security therefor.

Section 8. Indemnification and Advance of Expenses as a Witness or Other Participant. Notwithstanding any other provision of this Agreement, to the fullest extent permitted by applicable law and to the extent that Indemnitee is or may be, by reason of Indemnitee's Corporate Status, made a witness or otherwise asked to participate in any Proceeding to which Indemnitee is not a party, Indemnitee shall be advanced and indemnified against all Expenses and Liabilities suffered or incurred by Indemnitee or on Indemnitee's behalf in connection therewith within ten (10) days after the receipt by the Company of a statement or statements requesting any such advance or indemnification from time to time, whether prior to or after final disposition of such Proceeding. Such statement or statements shall reasonably evidence the Expenses incurred by Indemnitee. In connection with any such advance of Expenses, the Company may require Indemnitee to provide an undertaking and affirmation substantially in the form attached hereto as Exhibit A or in such form as may be required under applicable law as in effect at the time of execution thereof.

Section 9. Procedure for Notification and Defense of Claim.

(a) Indemnitee shall notify the Company in writing of any Proceeding with respect to which Indemnitee intends to seek indemnification or advancement of Expenses hereunder as soon as reasonably practicable following the receipt by Indemnitee of written notice thereof. Indemnitee shall submit to the Company a written request, including therein or therewith such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification following the final disposition of such action, suit or Proceeding. Any delay or failure by Indemnitee to notify the Company hereunder will not relieve the Company from any liability which it may have to Indemnitee hereunder or otherwise under this Agreement, and any delay or failure in so notifying the Company shall not constitute a waiver by Indemnitee of any rights under this Agreement unless the Company's ability to defend in such Proceeding or to obtain proceeds under any insurance policy is materially and adversely prejudiced thereby, and then only to the extent the Company is thereby actually so prejudiced. The Secretary of the Company shall, promptly upon receipt of such a request for indemnification, advise the Board in writing that Indemnitee has requested indemnification.

(b) In the event Indemnitee is entitled to indemnification and/or advancement of Expenses with respect to any Proceeding, Indemnitee may, at Indemnitee's option, (i) retain counsel selected by Indemnitee and approved by the Company (which approval shall not to be unreasonably withheld, conditioned or delayed) to defend Indemnitee in such Proceeding, at the sole expense of the Company, or (ii) have the Company assume the defense of Indemnitee in such Proceeding, in which case the Company shall assume the defense of such Proceeding with counsel selected by the Company and approved by Indemnitee (which approval shall not be unreasonably withheld, conditioned or delayed) within ten (10) days of the Company's receipt of written notice of Indemnitee's election to cause the Company to do so. Indemnitee agrees that any such separate counsel retained by Indemnitee will be a member of any approved list of panel counsel under the Company's applicable directors and officers liability insurance policy, should the applicable policy provide for a panel of approved counsel and should such approved panel list comprise law firms with well-established reputations in the type of litigation at issue (for clarity, the fact of a firm's being part of a panel shall not be evidence of a firm's having a well-established national reputation for the type of litigation at issue). If the Company is required to assume the defense of any such Proceeding, it shall engage legal counsel for such defense, and the Company shall be solely responsible for all fees and expenses of such legal counsel and otherwise of such defense. Such legal counsel may represent both Indemnitee and the Company (and/or any other party or parties entitled to be indemnified by the Company with respect to such matter) unless, in the reasonable opinion of legal counsel to Indemnitee, there is a conflict of interest between Indemnitee and the Company (or any other such party or parties) or there are legal defenses available to Indemnitee that are not available to the Company (or any such other party or parties). Notwithstanding either party's assumption of responsibility for defense of a Proceeding, each party shall have the right to engage separate counsel at its own expense. The party having responsibility for defense of a Proceeding shall provide the other party and its counsel with all copies of pleadings and material correspondence relating to the proceeding. Indemnitee and the Company shall reasonably cooperate in the defense of any Proceeding with respect to which indemnification is sought hereunder, regardless of whether the Company or Indemnitee assumes the defense thereof. Indemnitee may not settle or compromise any Proceeding without the prior written consent of the Company, which consent shall not be unreasonably withheld, conditioned or delayed. The Company may not settle or compromise any proceeding without the prior written consent of Indemnitee, which consent shall not be unreasonably withheld, conditioned or delayed. In addition, if the Company fails to comply with any of its obligations under this Agreement or in the event that the Company or any other person takes any action to declare this Agreement void or unenforceable, or institutes any Proceeding to deny or to recover from Indemnitee the benefits intended to be provided to Indemnitee hereunder, Indemnitee shall have the right to retain counsel of Indemnitee's choice, subject to the prior approval of the Company, which approval shall not be unreasonably withheld, conditioned or delayed, at the expense of the Company (subject to Section 12(e) of this Agreement), to represent Indemnitee in connection with any such matter.

Section 10. Procedure Upon Application for Indemnification.

(a) Upon written request by Indemnitee for indemnification pursuant to Section 9(a) above, a determination, if required by applicable law, with respect to Indemnitee's entitlement thereto shall promptly be made in the specific case: (i) if a Change in Control shall have occurred, by Independent Counsel, in a written opinion to the Board, a copy of which shall be delivered to Indemnitee, which Independent Counsel shall be selected by the Indemnitee and approved by the Board in accordance with the DGCL, which approval will not be unreasonably withheld; or (ii) if a Change in Control shall not have occurred, (A) by the Board by a majority vote of a quorum consisting of Disinterested Directors or, if such a quorum cannot be obtained, then by a majority vote of a duly authorized committee of the Board consisting solely of one or more Disinterested Directors, (B) if Independent Counsel has been selected by the Board in accordance with the DGCL and approved by the Indemnitee, which approval shall not be unreasonably withheld, conditioned or delayed, by Independent Counsel, in a written opinion to the Board, a copy of which shall be delivered to Indemnitee or (C) if so directed by a majority of the members of the Board, by the stockholders of the Company. If it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten (10) days after such determination. Indemnitee shall cooperate with the person, persons or entity making such determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination in the discretion of the Board or Independent Counsel if retained pursuant to clause (ii)(B) of this Section 10(a). Any Expenses incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee's entitlement to indemnification) and the Company shall indemnify and hold Indemnitee harmless therefrom.

(b) The Company shall pay the reasonable fees and expenses of Independent Counsel, if one is appointed.

(c) In the event the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 10(a) hereof, (i) the Independent Counsel shall be selected by the Company within ten (10) days of the Submission Date (the cost of each such counsel to be paid by the Company), (ii) shall give written notice to Indemnitee advising it of the identity of the Independent Counsel so selected and (iii) Indemnitee may, within ten (10) days after such written notice of selection shall have been given, deliver to the Company Indemnitee's written objection to such selection. Absent a timely objection, the person so selected shall act as Independent Counsel. If a written objection is so made by Indemnitee, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn. If no Independent Counsel shall have been selected and not objected to before the later of (i) thirty (30) days after the later of submission by Indemnitee of a written request for indemnification pursuant to Section 9(a) hereof (the "Submission Date") and (ii) ten (10) days after the final disposition of the Proceeding, each of the Company and Indemnitee shall select a law firm or member of a law firm meeting the qualifications to serve as Independent Counsel, and such law firms or members of law firms shall select the Independent Counsel. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 12(a) of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

(d) Determination of Good Faith/Safe Harbor. For purposes of any determination of good faith, Indemnitee shall be presumed to have acted in good faith if Indemnitee's action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise or the Board or counsel selected by any committee of the Board or on information or records given or reports made to the Enterprise by an independent certified public accountant or by an appraiser, investment banker, compensation consultant, or other expert selected with reasonable care by the Company or the Board or any committee of the Board. The provisions of this Section 10(d) shall not be deemed to be exclusive or to limit in any way the other circumstances in which the Indemnitee may be deemed to have met the applicable standard of conduct. Whether or not the foregoing provisions of this Section are satisfied, it shall in any event be presumed that Director has at all times acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company.

Section 11. Presumptions and Effect of Certain Proceedings.

(a) In making a determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination shall, to the fullest extent not prohibited by law, presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 9(a) of this Agreement, and the Company shall, to the fullest extent not prohibited by law, have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption. Neither the failure of the Company (including by its directors or independent legal counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its directors or independent legal counsel) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

(b) Subject to Section 12(e), if the person, persons or entity empowered or selected under Section 10 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within sixty (60) days after receipt by the Company of the request therefore, the requisite determination of entitlement to indemnification shall, to the fullest extent not prohibited by law, be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent a prohibition of such indemnification under applicable law; provided, however, that such 60-day period may be extended for a reasonable time, not to exceed an additional sixty (60) days, if (i) the determination is to be made by Independent Counsel and Indemnitee objects to the Company's selection of Independent Counsel and (ii) the Independent Counsel ultimately selected requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto.

(c) The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, or entry of an order of probation prior to judgment, shall not (except as otherwise expressly provided in this Agreement) adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not meet the requisite standard of conduct described herein for indemnification.

(d) The knowledge and/or actions, or failure to act, of any other director, officer, manager, member, partner, trustee, fiduciary agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.

Section 12. Remedies of Indemnitee.

(a) Subject to Section 12(e), in the event that (i) a determination is made pursuant to Section 10(a) of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Sections 7 or 8 of this Agreement, (iii) no determination of entitlement to indemnification shall have been made pursuant to Section 10(a) of this Agreement within sixty (60) days or one-hundred and twenty (120) days, as applicable, after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to Sections 6 or 8 of this Agreement within ten (10) days after receipt by the Company of a written request therefor, (v) payment of indemnification pursuant to any other section of this Agreement, the Certificate of Incorporation or the Bylaws is not made within ten (10) days after a determination has been made that Indemnitee is entitled to indemnification, or (vi) that the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action orProceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to the Indemnitee hereunder, Indemnitee shall be entitled to an adjudication by a court of Indemnitee's entitlement to such indemnification and/or advancement of Expenses. Alternatively, Indemnitee, at Indemnitee's option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association. The Company shall not oppose Indemnitee's right to seek any such adjudication or award in arbitration.

(b) In the event that a determination shall have been made pursuant to Section 10(a) of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 12 shall be conducted in all respects as a *de novo* trial, or arbitration, on the merits and Indemnitee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Section 12, Indemnitee shall be presumed to be entitled to indemnification or advance of Expenses, as the case may be, under this Agreement and the Company shall have the burden of proving Indemnitee is not entitled to indemnification or advancement of Expenses, as the case may be.

(c) If Indemnitee commences a judicial proceeding or arbitration pursuant to this Section 12, Indemnitee shall not be required to reimburse the Company for any advances pursuant to Sections 7 or 8 of this Agreement until a final determination is made with respect to Indemnitee's entitlement to indemnification (as to which all rights of appeal have been exhausted or lapsed). If a determination shall have been made pursuant to Section 10(a) of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 12, absent a prohibition of such indemnification under applicable law or a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification that was not disclosed in connection with the determination.

(d) The Company shall, to the fullest extent not prohibited by law, be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 12 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement.

(e) In the event that Indemnitee, pursuant to this Section 12, seeks a judicial adjudication of or an award in arbitration to enforce Indemnitee's rights under, or to recover damages for breach of, this Agreement, if Indemnitee is successful, Indemnitee shall be entitled to recover from the Company, and shall be indemnified by the Company for, any and all Expenses actually and reasonably incurred by Indemnitee in such judicial adjudication or arbitration. If it shall be determined in such judicial adjudication or arbitration that Indemnitee is entitled to receive part but not all of the indemnification or advance of Expenses sought, the Expenses incurred by Indemnitee in connection with such judicial adjudication or arbitration shall be appropriately prorated.

(f) Interest shall be paid by the Company to Indemnitee at the maximum rate allowed to be charged for judgments under Delaware law for amounts which the Company pays or is obligated to pay for the period commencing with the date on which the Company was requested to advance expenses in accordance with Sections 7 or 8 of this Agreement or to make the determination of entitlement to indemnification under Section 10(a) above and ending on the date such payment is made to Indemnitee by the Company.

Section 13. Non-exclusivity; Survival of Rights; Insurance; Privacy of Indemnification; Subrogation.

(a) The rights of indemnification and to receive advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the Certificate of Incorporation, the Bylaws, any agreement, a vote of stockholders or a resolution of the Board, or otherwise. No amendment, alteration or repeal of the Certificate of Incorporation or the Bylaws, this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in Indemnitee's Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in Delaware law, whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the Certificate of Incorporation, the Bylaws and/or this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change. No right or remedy herein conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in not prevent the concurrent assertion or employment of any other right or remedy.

(b) The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable or payable or reimbursable as Expenses hereunder if and to the extent that Indemnitee has otherwise actually received such payment under any corporate insurance policy, contract, agreement or otherwise; provided, however, that payment made to Indemnitee pursuant to an insurance policy purchased and maintained by Indemnitee at his or her own expense of any amounts otherwise indemnifiable or obligated to be made pursuant to this Agreement shall not reduce the Company's obligations to Indemnitee pursuant to this Agreement.

(c) The Company will use its reasonable best efforts to acquire and maintain directors and officers liability insurance, on terms and conditions deemed appropriate by the Board, with the advice of counsel, covering Indemnitee or any claim made against Indemnitee by reason of Indemnitee's Corporate Status and covering the Company for any indemnification or advance of Expenses made by the Company to Indemnitee for any claims made against Indemnitee by reason of Indemnitee's Corporate Status. Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, officer, employee or agent under such policy or policies. If, at the time of the receipt of a notice of a claim pursuant to the terms hereof, the Company has director and officer liability insurance in effect, the Company shall give prompt notice of the commencement of such proceeding to the insurers in accordance with the procedures set forth in the respective policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of the Indemnitee, all amounts payable as a result of such proceeding in accordance with the terms of such policies. In the event of a Change in Control, the Company shall maintain in force any and all directors and officers liability insurance policies that were maintained by the Company immediately prior to the Change in Control for a period of six years with the insurance carrier or carriers and through the insurance broker in place at the time of the Change in Control; provided, however, (i) if the carriers will not offer the same policy and an expiring policy needs to be replaced, a policy substantially comparable in scope and amount shall be obtained and (ii) if any replacement insurance carrier is necessary to obtain a policy substantially comparable in scope and amount, such insurance carrier shall have an AM Best rating that is the same or better than the AM Best rating of the existing insurance carrier; provided, further, however, in no event shall the Company be required to expend in the aggregate in excess of 300% of the annual premium or premiums paid by the Company for directors and officers liability insurance in effect on the date of the Change in Control. In the event that 300% of the annual premium paid by the Company for such existing directors and officers liability insurance is insufficient for such coverage, the Company shall spend up to that amount to purchase such lesser coverage as may be obtained with such amount.

(d) Without in any way limiting any other obligation under this Agreement, the Company shall indemnify Indemnitee for any payment by Indemnitee which would otherwise be indemnifiable hereunder arising out of the amount of any deductible or retention and the amount of any excess of the aggregate of all judgments, penalties, fines, settlements and Expenses incurred by Indemnitee in connection with a Proceeding over the coverage of any insurance referred to in Section 13(a). The purchase, establishment and maintenance of any such insurance shall not in any way limit or affect the rights or obligations of the Company or Indemnitee under this Agreement except as expressly provided herein, and the execution and delivery of this Agreement by the Company and Indemnitee shall not in any way limit or affect the rights or obligations of the Company under any such insurance policies.

(e) The Indemnitee shall reasonably cooperate with the Company or any insurance carrier of the Company with respect to any Proceeding.

(f) The indemnification provided for in this Agreement will remain in full force and effect regardless of any investigation made by or on behalf of Indemnitee.

Section 14. Duration of Agreement; Not Employment Contract.

(a) This Agreement shall continue until and terminate on the date that Indemnitee is no longer subject to any actual or possible Proceeding (including any rights of appeal thereto and any Proceeding commenced by Indemnitee pursuant to Section 12 of this Agreement). This Agreement shall be binding upon the Company and its successors and assigns and shall inure to the benefit of Indemnitee and Indemnitee's heirs, executors and administrators. The Company shall require and cause any successor (whether direct or indirect by purchase, merger, consolidation or otherwise) to all, substantially all or a substantial part, of the business and/or assets of the Company, by written agreement in form and substance satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement to the fullest extent permitted by law. This Agreement shall not be deemed an employment contract between the Company (or any of its subsidiaries or any Enterprise) and Indemnitee. Indemnitee specifically acknowledges that Indemnitee's employment with the Company (or any of its subsidiaries or any Enterprise), if any, is at will, and the Indemnitee may be discharged at any time for any reason, with or without cause, except as may be otherwise provided in any written employment contract between Indemnitee and the Company (or any of its subsidiaries or any Enterprise), other applicable formal severance policies duly adopted by the Board, or, with respect to service as a director of the Company, by the Certificate of Incorporation, the Bylaws and the DGCL.

(b) The Company and Indemnitee agree that a monetary remedy for breach of this Agreement, at some later date, may be inadequate, impracticable and difficult of proof, and further agree that such breach may cause Indemnitee irreparable harm. Accordingly, the parties hereto agree that Indemnitee may enforce this Agreement by seeking injunctive relief and/or specific performance hereof, without any necessity of showing actual damage or irreparable harm and that by seeking injunctive relief and/or specific performance, Indemnitee shall not be precluded from seeking or obtaining any other relief to which Indemnitee may be entitled. Indemnitee shall further be entitled to such specific performance and injunctive relief, including temporary restraining orders, preliminary injunctions and permanent injunctions, without the necessity of posting bonds or other undertakings in connection therewith. The Company acknowledges that, in the absence of a waiver, a bond or undertaking may be required of Indemnitee by a court, and the Company hereby waives any such requirement of such a bond or undertaking.

Section 15. Notice by Company. If the Indemnitee is the subject of, or is, to the knowledge of the Company, implicated in any way during an investigation, whether formal or informal, that is related to Indemnitee's Corporate Status and that reasonably could lead to a Proceeding for which indemnification can be provided under this Agreement, the Company shall notify the Indemnitee of such investigation and shall share (to the extent legally permissible) with Indemnitee any information it has provided to any third parties concerning the investigation ("Shared Information"). By executing this Agreement, Indemnitee agrees that such Shared Information is material non-public information that Indemnitee is obligated to hold in confidence and may not disclose publicly; provided, however, that Indemnitee may use the Shared Information and disclose such Shared Information to Indemnitee's legal counsel and third parties, in each case solely in connection with defending Indemnitee from legal liability.

Section 16. Severability. If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and shall remain enforceable to the fullest extent permitted by law; (b) such provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

Section 17. Enforcement.

(a) The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as **[a director] [and] [an officer]** of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving as **[a director] [and] [an officer]** of the Company.

(b) This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof; provided, however, that this Agreement is a supplement to and in furtherance of the Certificate of Incorporation, the Bylaws and applicable law, and shall not be deemed a substitute therefore, nor to diminish or abrogate any rights of Indemnitee thereunder.

Section 18. Modification and Waiver. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by the parties thereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions of this Agreement nor shall any waiver constitute a continuing waiver.

Section 19. Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given if (a) delivered by hand and receipted for by the party to whom said notice or other communication shall have been directed, (b) mailed by certified or registered mail with postage prepaid, on the third business day after the date on which it is so mailed, (c) mailed by reputable overnight courier and receipted for by the party to whom said notice or other communication shall have been directed or (d) sent by facsimile transmission, with receipt of oral confirmation that such transmission has been received:

(a) If to Indemnitee, at the address indicated on the signature page of this Agreement, or such other address as Indemnitee shall provide to the Company.

(b) If to the Company to

or to any other address as may have been furnished to Indemnitee by the Company.

Section 20. Applicable Law and Consent to Jurisdiction. This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. The Company and Indemnitee hereby irrevocably and unconditionally (i) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought in the Court of Chancery of the State of Delaware (the "Delaware Court"), and not in any other state or federal court in the United States of America or any court in any other country, (ii) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court, and (iv) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum.

Section 21. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

Section 22. Third-Party Beneficiaries. The Sponsor Entities are intended third-party beneficiaries of this Agreement.

Section 23. Miscellaneous. Use of the masculine pronoun shall be deemed to include usage of the feminine pronoun where appropriate. The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

IN WITNESS WHEREOF, the parties have caused this Agreement to be signed as of the day and year first above written.

Re: Hydrofarm Holdings Group, Inc.

Ladies and Gentlemen:

This Placement Agency Agreement ("**Agreement**") sets forth the terms upon which A.G.P./Alliance Global Partners, a California corporation ("**AGP**"), as lead placement agent and Aegis Capital Corp., a New York corporation which does business from time to time under the name SternAegis Ventures, as co- placement agent ("**Aegis**"), both registered broker-dealers and members of the Financial Industry Regulatory Authority ("**FINRA**") (hereinafter together, unless the context otherwise requires, the "**Placement Agent**"), shall be engaged by Hydrofarm Holdings Group, Inc., a Delaware corporation (the "**Issuer**"), and Hydrofarm Investment Corp., a Delaware corporation ("**Hydrofarm**" or "**Operating Company**") to act as exclusive Placement Agent in connection with the private placement (the "**Offering**"), of units of securities of the Issuer ("**Units**"), priced at $2.50 per Unit, with each Unit consisting of (i) one (1) share of common stock, par value $0.0001 ("**Common Stock**" or "**Shares**") and (ii) one warrant (each an "**Investor Warrant**" and collectively, the "**Investor Warrants**"), entitling the holder to purchase one- half (1/2) share of Common Stock at an initial exercise price of $ 5.00 per full Share. The Offering will consist of a minimum of 6,000,000 Units ($15,000,000) (the "**Minimum Offering Amount**") and up to a maximum of 14,000,000 Units ($35,000,000) (the "Maximum Offering Amount"). In the event that the Maximum Offering Amount is sold, the Placement Agent and the Issuer shall have the right to sell up to an additional 6,000,000 Units ($15,000,000) to cover over-allotments. Concurrently with the initial closing of the Minimum Offering Amount (the "**First Closing**"), Hydrofarm Merger Sub, Inc., a Delaware Corporation and wholly-owned subsidiary of the Issuer ("**Merger Sub**"), will merge with and into Hydrofarm and will continue the existing operations of Hydrofarm as a wholly-owned subsidiary of the Issuer (the "**Merger**").

As part of or in conjunction with the Merger, the Issuer will issue shares of its Common Stock and warrants to purchase its Common Stock to the Operating Company's then -existing security holders pursuant to the terms of an Agreement and Plan of Merger dated as of the date hereof and to be consummated on or prior to the date of the First Closing, among the Operating Company, the Issuer and Merger Sub (the "**Merger Agreement**"). As used in this Agreement, unless the context otherwise requires, the term **"Company"** refers to the Issuer and the Operating Company on a combined basis after giving effect to the Offering and the Merger.

The purchase price for the Units will be $2.50 per Unit (the "**Offering Price**"), with a minimum investment of $250,000; *provided, however*, that subscriptions for lesser amounts may be accepted in the Issuer's and Placement Agent's joint discretion. The Placement Agent shall accept subscriptions only from persons or entities who qualify as "accredited investors," as such term is defined in Rule 501 of Regulation D ("**Regulation D**") as promulgated by the United States Securities and Exchange Commission (the "**SEC**") under Section 4(a)(2) of the Securities Act of 1933, as amended (the "**Act**"). The Units will be offered until the earlier of (i) the termination of the Offering as provided herein, (ii) the time that all Units offered in the Offering are sold or (iii) October 17, 2018 ("**Initial Offering Period**), which date may be extended by Placement Agent and the Issuer in their joint discretion until January 18, 2019 (this additional period and the Initial Offering Period shall be referred to as the "**Offering Period**"). The date on which the Offering expires or is terminated shall be referred to as the "**Termination Date**."

With respect to the Offering, the Issuer shall provide the Placement Agent, on terms set forth herein, the right to offer and sell all of the Units being offered. Purchases of Units may be made by the Placement Agent and their respective officers, directors, employees and affiliates. All such purchases, together with purchases by officers, directors, employees and affiliates of the Operating Company and the Issuer, shall be included in calculations as to whether the Minimum Amount has been sold in the Offering. The Issuer may, in its sole discretion, accept or reject, in whole or in part, any prospective investment in the Units. Notwithstanding anything to the contrary set forth herein, it is understood that no sale shall be regarded as effective unless and until accepted by the Issuer. The Issuer and the Placement Agent shall mutually agree with respect to allotting any prospective subscriber less than the number of Units that such subscriber desires to purchase.

The Offering will be made by the Issuer solely pursuant to the Memorandum (as defined below), which at all times will be in form and substance reasonably acceptable to the Operating Company, the Issuer, the Placement Agent and their respective counsel and contain such legends and other information as the Operating Company, the Issuer, the Placement Agent and their respective counsel, may, from time to time, deem necessary and desirable to be set forth therein. "**Memorandum**" as used in this Agreement means the Issuer's Confidential Private Placement Memorandum dated August 3, 2018, inclusive of all annexes, and all amendments, supplements and appendices thereto.

The Placement Agent acknowledges that it is aware that the Operating Company is conducting a concurrent private placement to existing Hydrofarm investors, of between $15 - $20 million of units in Hydrofarm which, in connection with the Merger, will ultimately be exchanged for securities with identical terms to the securities comprising the Units being offered in the Offering (the "**Concurrent Offering**"). The Placement Agent acknowledges and agrees that it shall not be entitled to receive the Agent Compensation (as hereinafter defined), or any other compensation in respect of, the Concurrent Offering.

1. Appointment of Placement Agent. On the basis of the representations and warranties provided herein, and subject to the terms and conditions set forth herein, the Placement Agent is appointed as exclusive Placement Agent for the Issuer during the Offering Period to assist the Issuer in finding qualified subscribers for the Offering. The Placement Agent may sell Units through other broker-dealers who are FINRA members, as well as through foreign finders pursuant to applicable FINRA rules, and may reallow all or a portion of the Agent Compensation (as defined in Section 3(b) below) it receives to such other broker- dealers or foreign finders. On the basis of such representations and warranties and subject to such terms and conditions, the Placement Agent hereby accepts such appointment and agrees to perform its services hereunder diligently and in good faith and in a professional and businesslike manner and to use its reasonable efforts to assist the Issuer in (A) finding subscribers of Units who qualify as "accredited investors," as such term is defined in Rule 501 of Regulation D, and (B) completing the Offering. The Placement Agent has no obligation to purchase any of the Units. Unless sooner terminated in accordance with this Agreement, the engagement of the Placement Agent hereunder shall continue until the later of the Termination Date or the Final Closing (as defined below).

2. Representations, Warranties and Covenants of Operating Company. Except as set forth in the schedule of exceptions delivered to the Placement Agent on the date hereof (the "**Schedule of Exceptions**") or in the Memorandum, the representations and warranties of the Operating Company contained in this Section 2 are true and correct as of the date of this Agreement.

(a) The Memorandum has been prepared in conformity with all applicable laws, and is in compliance in all material respects with Regulation D and Section 4(a)(2) of the Act and the requirements of all other rules and regulations (the "**Regulations**") of the SEC relating to offerings of the type contemplated by the Offering. The Units will be offered and sold pursuant to the registration exemptions provided by Regulation D and Section 4(a)(2) of the Act as a transaction not involving a public offering and the requirements of any other applicable state securities laws and the respective rules and regulations thereunder in those United States jurisdictions in which the Placement Agent notifies the Issuer that the Units are being offered for sale. To the extent that Units are offered in jurisdictions outside of the United States, such Units will be offered and sold in compliance, in all material respects, with all applicable laws that govern private securities offerings in the applicable country and in all local jurisdictions in which such Units are offered. None of the Issuer, the Operating Company, their respective affiliates, or any person acting on their behalf (other than the Placement Agent, its affiliates or any person acting on their behalf, in respect of which no representation is made) has taken nor will it take any action that conflicts with the conditions and requirements of, or that would make unavailable with respect to the Offering, the exemption(s) from registration available pursuant to Rule 506(b) of Regulation D or Section 4(a)(2) of the Act, or knows of any reason why any such exemption would be otherwise unavailable to it.

(b) As to the Operating Company only, the Memorandum does not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided*, *however*, the foregoing does not apply to any statements or omissions made (i) by the Issuer therein or (ii) solely in reliance on and in conformity with written information furnished to the Issuer by the Placement Agent specifically for use therein. To the knowledge of the Operating Company, none of the statements, documents, certificates or other items made, prepared or supplied by the Operating Company with respect to the transactions contemplated hereby contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. There are no facts, circumstances or conditions which the Operating Company has not furnished to the Issuer to be disclosed in the Memorandum and of which the Operating Company is aware that materially adversely affects or that could reasonably be expected to have an Operating Company Group Material Adverse Effect (as defined below). Notwithstanding anything to the contrary herein, the Operating Company makes no representation or warranty with respect to any estimates, projections and other forecasts and plans (including the reasonableness of the assumptions underlying such estimates, projections and other forecasts and plans) that may have been delivered to the Placement Agent, except that such estimates, projections and other forecasts and plans have been prepared in good faith on the basis of assumptions stated therein, which assumptions were believed to be reasonable at the time of such preparation.

(c) The Operating Company is a corporation duly incorporated and validly existing in good standing under the laws of the State of Delaware and has the requisite power and authority to own its properties and to carry on its business as described in the Memorandum. Section 2(c) of the Schedule of Exceptions lists each entity owned or controlled, directly or indirectly by the Operating Company (each a "**Subsidiary**" and collectively, the "**Subsidiaries**"). Each Subsidiary is duly incorporated or formed, as applicable, validly existing and in good standing under the laws of the state or foreign jurisdiction of its incorporation or formation, as applicable, as set forth in Section 2(c) of the Schedule of Exceptions. Except as set forth on Section 2(c) of the Schedule of Exceptions, neither the Operating Company nor any Subsidiary (i) owns or controls, directly or indirectly, any interest in any other corporation, association or other business entity or (ii) participates in any joint venture, partnership or similar arrangement. Each Subsidiary has the requisite company power to own, operate and lease its properties and to carry out its business as described in the Memorandum. Each of the Operating Company and the Subsidiaries (collectively, the "**Operating Company Group)** is qualified or licensed to do business in the jurisdictions listed in Section 2(c) of the Schedule of Exceptions, except for any failure to be so qualified or licensed that would not have an Operating Company Group Material Adverse Effect. Each member of the Operating Company Group is qualified or licensed to do business in all jurisdictions in which the character of the properties owned or held under lease by it or the nature of its business makes qualification necessary, except for any failure to be so qualified or licensed that would not have an Operating Company Group Material Adverse Effect. The Operating Company has delivered to the Placement Agent a true, correct and complete copy of the organizational documents of each member of the Operating Company Group. No member of the Operating Company Group is in material violation of any provision of any of its organizational documents. As used in this Agreement, "**Operating Company Group Material Adverse Effect"** means any material adverse effect on the business, properties, assets, operations, results of operations or condition (financial or otherwise) of the Operating Company Group taken as a whole, or on the transactions contemplated hereby and the other Op Co Transaction Documents (as defined below) or by the agreements and instruments to be entered into in connection herewith or therewith, or on the authority or ability of the Operating Company to perform its obligations under the Op Co Transaction Documents.

(d) The Operating Company has all requisite corporate power and authority to enter into and perform its obligations under this Agreement, the Subscription Agreement substantially in the form of Annex C to the Memorandum (the "**Subscription Agreement**") and the other agreements contemplated hereby (this Agreement and the other agreements contemplated hereby that the Operating Company is executing and delivering hereunder are collectively referred to herein as the "**Op Co Transaction Documents**"). Prior to the First Closing, each of the Op Co Transaction Documents (other than this Agreement, which has already been authorized) will have been duly authorized. This Agreement has been duly authorized, executed and delivered and constitutes, and each of the other Op Co Transaction Documents, upon due execution and delivery, will constitute, valid and binding obligations of the Operating Company, enforceable against the Operating Company in accordance with their respective terms (i) except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect related to laws affecting creditors' rights generally, including the effect of statutory and other laws regarding fraudulent conveyances and preferential transfers, and except that no representation is made herein regarding the enforceability of the Operating Company's obligations to provide indemnification and contribution remedies under the securities laws and (ii) subject to the limitations imposed by general equitable principles (regardless of whether such enforceability is considered in a proceeding at law or in equity).

(e) Except as set forth on Section 2(e) of the Schedule of Exceptions, neither the execution and the delivery of this Agreement or any Op Co Transaction Document, nor the consummation of the transactions contemplated hereby, will (with or without the passage of time or giving of notice): (i) violate any injunction, judgment, order, decree, ruling, charge or other restriction, or any law applicable to any member of the Operating Company Group, (ii) violate any provisions of any of the charter documents of any member of the Operating Company Group, (iii) violate or constitute a default (or any event which, with or without due notice or lapse of time, or both, would constitute a violation or default) under, result in the termination of, accelerate the performance required by any of the terms, conditions or provisions of any Material Contract (as defined in Section 2(k) below) of any member of the Operating Company Group, or by which any member of the Operating Company Group, or any of its respective operating assets, is bound or (iv) result in the creation of any lien, charge or other encumbrance on the assets or properties of any member of the Operating Company Group.

(f) The financial statements of Hydrofarm, LLC (one of the entities in the Operating Company Group) and its subsidiaries, together with the related notes and supporting schedules, if any, included in the Memorandum, present fairly, in all material respects, the financial condition of Hydrofarm, LLC and its subsidiaries as of the dates specified and the results of operations, statements of cash flow and members' equity for the periods covered thereby. Such financial statements and related notes were prepared to conform with United States generally accepted accounting principles applied on a consistent basis throughout the periods indicated. Except as set forth in such financial statements or otherwise disclosed in the Memorandum, no member of the Operating Company Group has any known material liabilities of any kind, whether accrued, absolute or contingent, or otherwise, and subsequent to the date of the Memorandum and prior to the date of the First Closing none of such entities shall enter into any material transactions or commitments without promptly thereafter notifying the Placement Agent in writing of any such material transaction or commitment. The other financial and statistical information with respect to any members of the Operating Company Group included in the Memorandum present fairly in all material respects the information shown therein on a basis consistent with the financial statements of Hydrofarm, LLC and its subsidiaries included in the Memorandum. To the knowledge of the Operating Company, there are no facts, circumstances or conditions that could reasonably be expected to have an Operating Company Group Material Adverse Effect that have not been fully disclosed in the Memorandum.

(g) Since the date of Hydrofarm, LLC's most recent financial statements contained in the Memorandum, there has been no Operating Company Group Material Adverse Effect. Except as disclosed in the Memorandum or in Section 2(g) of the Schedule of Exceptions, since the date of Hydrofarm, LLC's most recent financial statements contained in the Memorandum, no member of the Operating Company Group has (i) declared or paid any dividends, (ii) sold any assets, individually or in the aggregate, in excess of $300,000 outside of the ordinary course of business or (iii) had capital expenditures, individually or in the aggregate, in excess of $300,000. No member of the Operating Company Group has taken any steps to seek protection pursuant to any bankruptcy law nor does any member of the Operating Company Group have any actual knowledge or reason to believe that its creditors intend to initiate involuntary bankruptcy proceedings or any actual knowledge of any fact which would reasonably lead a creditor to do so.

(h) Except as described in the Memorandum, in the financial statements of Hydrofarm, LLC or in Section 2(h) of the Schedule of Exceptions, no member of the Operating Company Group has outstanding Indebtedness (as defined below) in excess of $100,000 or is in violation of any term of or in default under any contract, agreement or instrument relating to any Indebtedness. For purposes of this Agreement: (a) "**Indebtedness**" means, with respect to any Person, without duplication, (i) indebtedness for borrowed money, (ii) amounts owing as deferred purchase price for property or services, including "earn- out" payments, (iii) indebtedness for borrowed money evidenced by any note, bond, debenture, mortgage or other debt instrument or debt security, (iv) obligations under any interest rate, currency or other hedging or similar agreement, (v) obligations under any performance bond, surety bond, letter of credit or similar instrument, but only to the extent drawn or called as of such time, (vi) all liabilities secured by any lien or other encumbrance on the assets or property owned or held by the Person, (viii) all equityholder loans and employee advances, (ix) all accrued (or earned) and unpaid employee salaries and all accrued (or earned) and unpaid employee bonus payments related to any period of time prior to the date hereof, (x) any indebtedness guaranteed for which the Person is liable, (xi) all accrued and unpaid taxes of such Person and its predecessors, related to any period of time prior to the date hereof, and (xii) deferred revenue of such Person and (b) "**Person**" means an individual, a limited liability company, a partnership, a joint venture, a corporation, a trust, an unincorporated organization and a government or any department or agency thereof.

(i) The conduct of business by members of the Operating Company Group as presently and proposed to be conducted is not subject to continuing oversight, supervision, regulation or examination by any governmental official or body of the United States, or any other jurisdiction wherein any such members currently conduct such business, except as described in the Memorandum or in Section 2(i) of the Schedule of Exceptions. Neither the Operating Company, nor any other member of the Operating Company Group has received any notice of any violation of, or noncompliance with, any federal, state, local or foreign laws, ordinances, regulations and orders (including, without limitation, those relating to environmental protection, occupational safety and health, securities laws, equal employment opportunity, consumer protection, credit reporting, "truth-in-lending", and warranties and trade practices) applicable to its business, the violation of, or noncompliance with, would have an Operating Company Group Material Adverse Effect, and the Operating Company knows of no facts or set of circumstances which could give rise to such a notice.

(j) Each member of the Operating Company Group has all franchises, permits, licenses, and any similar authority necessary for the conduct of its business as described in the Memorandum, except as would not, individually or in the aggregate, reasonably be expected to have an Operating Company Group Material Adverse Effect. Except as disclosed in the Memorandum, no member of the Operating Company Group has received written notice of (i) any pending proceedings which could reasonably be expected to result in the revocation, cancellation, suspension of any adverse modification of any such franchises, permits, licenses or other similar authority or (ii) any default under any of such franchises, permits, licenses or other similar authority, except as would not, individually or in the aggregate, reasonably be expected to have an Operating Company Group Material Adverse Effect.

(k) Except as disclosed in the Memorandum or in Section 2(k) of the Schedule of Exceptions, no breach or default by any member of the Operating Company Group or, to the knowledge of the Operating Company, any other party, exists in the due performance under any of the terms of any note, bond, indenture, mortgage, deed of trust, lease, rental agreement, material contract, material purchase or sales order or other material agreement or instrument to which any member of the Operating Company Group is a party or by which it or its property is bound or affected (each of the foregoing, a "**Material Contract**"), and there exists no condition, event or act which constitutes, nor which after notice, the lapse of time or both, could constitute a default under any of the foregoing, except as would not, individually or in the aggregate, reasonably be expected to have an Operating Company Group Material Adverse Effect. The Material Contracts disclosed in the Memorandum are accurately described in the Memorandum and are in full force and effect in accordance with their respective terms, subject to any applicable bankruptcy, insolvency or other laws affecting the rights of creditors generally and to general equitable principles and the availability of specific performance.

(l) The members of the Operating Company Group collectively, solely and exclusively own all right, title and interest in, or possesses enforceable rights to use, all patents, patent applications, trademarks, service marks, copyrights, rights, licenses, franchises, trade secrets, confidential information, processes and formulations necessary for the conduct of its business as now conducted (collectively, the "**Intangibles**"), except where the failure to own or possess such rights would not, individually or in the aggregate, reasonably be expected to have an Operating Company Group Material Adverse Effect. To the Operating Company's knowledge, no member of the Operating Company Group has infringed upon the rights of others with respect to the Intangibles and, except as disclosed in the Memorandum, no member of the Operating Company Group has received any notice that such member has or may have infringed or is infringing upon the rights of others with respect to the Intangibles, nor has such member received any written notice of conflict with the asserted rights of others with respect to the Intangibles. To the knowledge of the Operating Company, all such Intangibles are enforceable and no others have infringed upon the rights of any members of the Operating Company Group with respect to the Intangibles. None of the Operating Company Group's Intangibles have expired or terminated, or are expected to expire or terminate, within three years from the date of this Agreement. No current or former employee, officer, director, consultant or independent contractor of any member of the Operating Company Group has any right, license, claim or interest whatsoever in or with respect to any Intangibles.

(m) To the Operating Company's knowledge, all computer, information technology and data processing systems, facilities and services used by each member of the Operating Company Group, including all software, hardware, networks, communications facilities, platforms and related systems and services used by each such member (collectively, "**Systems**") operate and perform in accordance with their documentation and functional specifications and otherwise as required by each such member and are free of (i) any critical defects, including any critical error or critical omission in the processing of any transactions and (ii) any disabling codes or instructions and any "back door," "time bomb, "Trojan Horse," "worm," "drop dead device," "virus," or hardware components (collectively, "**Contaminants**") that would permit or cause unauthorized access or the unauthorized disruption, impairment, disablement of such Systems (or any parts thereof) or erasure of any Personally Identifiable Information (as defined below), except as would not, individually or in the aggregate, reasonably be expected to have an Operating Company Group Material Adverse Effect. Each member of the Operating Company Group takes and has taken reasonable steps and implements and has implemented reasonable procedures designed to (x) ensure that their Systems are free from Contaminants, (y) ensure the security and integrity of any Personally Identifiable Information and protect against hazards or threats to the security or integrity of any Personally Identifiable Information and (z) prevent unauthorized access to Personally Identifiable Information, except as would not, individually or in the aggregate, reasonably be expected to have an Operating Company Group Material Adverse Effect. Each member of the Operating Company Group has reasonable disaster recovery plans, procedures and facilities in place.

(n) Except as set forth in the Memorandum or Section 2(n) of the Schedule of Exceptions, no member of the Operating Company Group is a party to any collective bargaining agreement nor does it employ any member of a union. No executive officer of any member of the Operating Company Group has provided written notice that such officer intends to leave the Operating Company Group or otherwise terminate such officer's employment with the Operating Company Group. No executive officer of any member of the Operating Company Group, to the knowledge of the Operating Company, is in violation of any material term of any employment contract, confidentiality, disclosure or proprietary information agreement, non-competition agreement, or any other contract or agreement or any restrictive covenant, and the continued employment of each such executive officer does not subject the Operating Company Group to any material liability with respect to any of the foregoing matters. Each member of the Operating Company Group is in compliance with all federal, state, local and foreign laws and regulations respecting labor, employment and employment practices and benefits, terms and conditions of employment and wages and hours, except where failure to be in compliance would not, either individually or in the aggregate, reasonably be expected to result in an Operating Company Group Material Adverse Effect.

(r) Except as set forth in the Memorandum or in Section 2(r) of the Schedule of Exceptions, there are no actions, suits, claims, hearings or proceedings pending before any court or governmental authority or, to the knowledge of Operating Company, threatened, against any members of the Operating Company Group, or involving its assets or any of its officers or directors (in their capacity as such) which, if determined adversely to such member of the Operating Company Group or such officer or director, could reasonably be expected to have an Operating Company Group Material Adverse Effect. No member of the Operating Company Group is a party or subject to the provisions of any material order, writ, injunction, judgment or decree of any governmental authority that has not been satisfied in full or otherwise discharged.

(s) No member of the Operating Company Group is in violation of any: (i) statute, rule or regulation applicable to such member, the violation of which would have an Operating Company Group Material Adverse Effect; or (ii) judgment, decree or order of any court or governmental body having jurisdiction over such member of the Operating Company Group, which violation or violations individually, or in the aggregate, could reasonably be expected to have an Operating Company Group Material Adverse Effect.

(t) Except as disclosed in the Memorandum or in Section 2(t) of the Schedule of Exceptions, none of the stockholders of the Operating Company, or any director, officer or manager of the Operating Company or any Subsidiary (i) owns, directly or indirectly, any interest in any Person which is a competitor, supplier or customer of any member of the Operating Company Group (unless such person is a publicly traded company), (ii) owns, directly or indirectly, in whole or in part, any property, asset or right, real, personal or mixed, tangible or intangible (including any of the Intangibles) which is utilized by or in connection with the business of any member of the Operating Company Group, (iii) is a customer of, or supplier to, any member of the Operating Company Group or (iv) directly or indirectly has an interest in or is a party to any Material Contract pertaining or relating to any member of the Operating Company Group. The real property, improvements, equipment and personal property held under lease by each of the Operating Company and the Subsidiaries are held under valid and enforceable leases, with such exceptions as are not material, and do not materially interfere with the use made or proposed to be made of such real property, improvements, equipment or personal property. With respect to the property and assets leased, each member of the Operating Company Group is in compliance with such leases.

(x) Each member of the Operating Company Group and any "employee benefit plan" (as defined under the Employee Retirement Income Security Act of 1974, as amended, and the regulations and published interpretations thereunder (collectively, "**ERISA**")) established or maintained by the Operating Company, the Subsidiaries or their "ERISA Affiliates" (as defined below) are in compliance in all material respects with ERISA. Each "employee benefit plan" established or maintained by the Operating Company, its Subsidiaries or any of their ERISA Affiliates that is intended to be qualified under Section 401(a) of the Code is so qualified and nothing has occurred, whether by action or failure to act, which would cause the loss of such qualification.

(y) Neither the Operating Company, any Subsidiary, nor, to the knowledge of the Operating Company or any Subsidiary, any director, officer, agent, employee or other Person acting on behalf of any of such entities has, in the course of its actions for, or on behalf of, the Operating Company or any Subsidiary (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity; (ii) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; (iii) violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended; or (iv) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any foreign or domestic government official or employee.

(dd) The Operating Company and the Subsidiaries have established or are in the process of establishing "disclosure controls and procedures" (as such term is defined in Rule 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934 (the "**Exchange Act**")), which (i) are designed to ensure that material information relating to the Operating Company and the Subsidiaries is made known to the Operating Company's or the Subsidiaries' principal executive officer and its principal financial officer by others within those entities, particularly during the periods in which the periodic reports required under the Exchange Act would be prepared, and (ii) such disclosure controls and procedures are effective to perform the functions for which they were established. The Operating Company is not aware of any fraud, whether or not material, that involves management or other employees who have a role in the Operating Company's or Subsidiaries' internal controls.

(ee) The Operating Company, as well as all Operating Company Related Persons (as defined below) are not subject to any of the disqualifications set forth in Rule 506(d) of Regulation D (each a "**Disqualification Event**"). The Operating Company has exercised reasonable care to determine whether any Operating Company Related Person is subject to a Disqualification Event. The Memorandum contains a true and complete description of the matters required to be disclosed with respect to the Operating Company and the Operating Company Related Persons pursuant to the disclosure requirements of Rule 506(e) of Regulation D, to the extent applicable. The Operating Company agrees to promptly notify the Placement Agent in writing of (i) any Disqualification Event relating to any Operating Company Related Person and (ii) any event that would, with the passage of time, become a Disqualification Event relating to any Operating Company Related Person.

(ff) [Reserved].

(gg) No representation or warranty by the Operating Company contained in Section 2 of this Agreement and no statement by the Operating Company contained in the Schedule of Exceptions to this Agreement contains any untrue statement of a material fact, or omits to state a material fact necessary to make the statements contained therein, in the light of the circumstances in which they are made, not misleading.

2A. Representations, Warranties and Covenants of the Issuer. The representations and warranties of the Issuer (as used in this Section 2A, "Issuer" refers to Hydrofarm Holdings Group, Inc. and its subsidiaries) contained in this Section 2A are true and correct as of the date of this Agreement.

(a) The Memorandum has been prepared in conformity with all applicable laws, and is in compliance in all material respects with Regulation D and Section 4(a)(2) of Act and the requirements of all other Regulations of the SEC relating to offerings of the type contemplated by the Offering. The Units will be offered and sold pursuant to the registration exemptions provided by Regulation D and Section 4(a)(2) of the Act as a transaction not involving a public offering and the requirements of any other applicable state securities laws and the respective Regulations thereunder in those United States jurisdictions in which the Placement Agent notifies the Issuer that the Units are being offered for sale. To the extent that Units are offered in jurisdictions outside of the United States, such Units will be offered and sold in compliance, in all material respects, with all applicable laws that govern private securities offerings in the applicable country and in all local jurisdictions in which such Units are offered. None of the Issuer, its affiliates, or any person acting on its or their behalf (other than the Placement Agent, its affiliates or any person acting on its behalf, in respect of which no representation is made) has taken nor will it take any action that conflicts with the conditions and requirements of, or that would make unavailable with respect to the Offering, the exemption(s) from registration available pursuant to Rule 506(b) of Regulation D or Section 4(a)(2) of the Act, or knows of any reason why any such exemption would be otherwise unavailable to it. None of the Issuer, its predecessors or affiliates has been subject to any order, judgment or decree of any court of competent jurisdiction temporarily, preliminarily or permanently enjoining such person for failing to comply with Section 503 of Regulation D.

(b) The Issuer is duly incorporated and validly existing in good standing under the laws of the jurisdiction in which it was formed, and has the requisite power and authority to own its properties and to carry on its business as described in the Memorandum. The Issuer is not a participant in any joint venture, partnership or similar arrangement and, except for Merger Sub, does not directly or indirectly own any subsidiaries or otherwise own or hold capital stock or an equity or similar interest in any entity. The Issuer is duly qualified as a foreign entity to do business and is in good standing in every jurisdiction in which its ownership of property or the nature of the business conducted by it makes such qualification necessary, except to the extent that the failure to be so qualified or be in good standing would not have an Issuer Material Adverse Effect. As used in this Agreement, "**Issuer Material Adverse Effect"** means any material adverse effect on the business, properties, assets, operations, results of operations or condition (financial or otherwise) of the Issuer, taken as a whole, or on the transactions contemplated hereby and the other Issuer Transaction Documents (as defined below) or by the agreements and instruments to be entered into in connection herewith or therewith, or on the authority or ability of the Issuer to perform its obligations under the Issuer Transaction Documents (as defined below).

(c) As to the Issuer only, the Memorandum does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading: provided, however, the foregoing does not apply to any statements or omissions made (i) by the Operating Company, or (ii) solely in reliance on and in conformity with written information furnished to the Issuer by the Operating Company or the Placement Agent specifically for use in the preparation thereof. To the knowledge of the Issuer, none of the statements, documents, certificates or other items made, prepared or supplied by the Issuer with respect to the transactions contemplated hereby contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances in which they were made, not misleading. There is no fact which the Issuer has not disclosed in the Memorandum and of which the Issuer is aware that could reasonably be expected to have an Issuer Material Adverse Effect. Notwithstanding anything to the contrary herein, the Issuer makes no representation or warranty with respect to any estimates, projections and other forecasts and plans (including the reasonableness of the assumptions underlying such estimates, projections and other forecasts and plans) that may have been delivered to the Placement Agent or its representatives by the Issuer, except that such estimates, projections and other forecasts and plans have been prepared in good faith on the basis of assumptions stated therein, which assumptions were believed to be reasonable at the time of such preparation.

(d) The Issuer has all requisite corporate power and authority to conduct its business as presently conducted and as proposed to be conducted (as described in the Memorandum), to enter into and perform its obligations under this Agreement, the Subscription Agreement, the Registration Rights Agreement substantially in the form of Annex B to the Memorandum (the "**Registration Rights Agreement**"), the Escrow Agreement (as hereinafter defined) and the other agreements contemplated hereby (this Agreement, the Subscription Agreement, the Registration Rights Agreement, the Escrow Agreement and the other agreements contemplated hereby that the Issuer is executing and delivering hereunder are collectively referred to herein as the "**Issuer Transaction Documents** ") and subject to necessary Board and stockholder approvals, to issue, sell and deliver the Units, the shares of Common Stock and Investor Warrants comprising the Units, the Agent Warrants (as defined in Section 3(b)) and the Agent Warrant Shares (as defined in Section 3(b)). Prior to the First Closing, each of the Issuer Transaction Documents (other than this Agreement, which has already been authorized) will have been duly authorized. This Agreement has been duly authorized, executed and delivered and constitutes, and each of the other Issuer Transaction Documents, upon due execution and delivery, will constitute, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms (i) except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect related to laws affecting creditors' rights generally, including the effect of statutory and other laws regarding fraudulent conveyances and preferential transfers, and except that no representation is made herein regarding the enforceability of the Issuer's obligations to provide indemnification and contribution remedies under the securities laws and (ii) subject to the limitations imposed by general equitable principles (regardless of whether such enforceability is considered in a proceeding at law or in equity).

(e) None of the execution and delivery of, or performance by the Issuer under this Agreement or any of the other Issuer Transaction Documents or the consummation of the transactions herein or therein contemplated conflicts with or violates, or will result in the creation or imposition of, any lien, charge or other encumbrance upon any of the assets of the Issuer under any agreement or other instrument to which the Issuer is a party or by which the Issuer or its assets may be bound, or any term of the certificate of incorporation or by-laws of the Issuer, or any license, permit, judgment, decree, order, statute, rule or regulation applicable to the Issuer or any of its assets, except in the case of a conflict, violation, lien, charge or other encumbrance (except with respect to the Issuer's certificate of incorporation or by-laws) which would not, or could not reasonably be expected to, have an Issuer Material Adverse Effect.

(f) As of the date of the First Closing, the Issuer will have the authorized and outstanding capital stock as set forth under the heading "Capitalization" in the Memorandum. All outstanding shares of capital stock of the Issuer are duly authorized, validly issued and outstanding, fully paid and nonassessable. Except as described in the Memorandum, as of the date of the First Closing: (i) there will be no outstanding options, stock subscription agreements, warrants or other rights permitting or requiring the Issuer or others to purchase or acquire any shares of capital stock or other equity securities of the Issuer or to pay any dividend or make any other distribution in respect thereof; (ii) there will be no securities issued or outstanding which are convertible into or exchangeable for any of the foregoing and there are no contracts, commitments or understandings, whether or not in writing, to issue or grant any such option, warrant, right or convertible or exchangeable security; (iii) no shares of stock or other securities of the Issuer are reserved for issuance for any purpose; (iv) there will be no voting trusts or other contracts, commitments, understandings, arrangements or restrictions of any kind with respect to the ownership, voting or transfer of shares of stock or other securities of the Issuer, including, without limitation, any preemptive rights, rights of first refusal, proxies or similar rights, and (v) no person holds a right to require the Issuer to register any securities of the Issuer under the Act or to participate in any such registration. As of the date of the First Closing, the issued and outstanding shares of capital stock of the Issuer will conform in all material respects to all statements in relation thereto contained in the Memorandum and the Memorandum describes all material terms and conditions thereof. All issuances by the Issuer of its securities prior to the Offering have been, at the times of their issuance, exempt from registration under the Act and any applicable state securities laws.

(g) Immediately prior to the First Closing, the shares of Common Stock and Investor Warrants comprising the Units, the Agent Warrants and the Agent Warrant Shares will have been duly authorized and, when issued and delivered against payment therefor as provided in the Issuer Transaction Documents, will be validly issued, fully paid and nonassessable. No holder of any of the shares of Common Stock and Investor Warrants comprising the Units, the Agent Warrants or the Agent Warrant Shares will be subject to personal liability solely by reason of being such a holder, and except as described in the Memorandum, none of the shares of Common Stock underlying the Investor Warrants the Agent Warrants or the Agent Warrant Shares are subject to preemptive or similar rights of any stockholder or security holder of the Issuer or an adjustment under the anti-dilution or exercise rights of any holders of any outstanding shares of capital stock, options, warrants or other rights to acquire any securities of the Issuer. Immediately prior to the First Closing, a sufficient number of authorized but unissued shares of Common Stock will have been reserved for issuance upon the exercise of the Investor Warrants and the Agent Warrants.

(h) Except (i) as set forth in the Memorandum, (ii) as set forth on Section 2A(H) of the Schedule of Exceptions, (iii) as may be required for under state securities or Blue Sky laws, (iv) for filings that may be required to be made with the SEC, or (v) as will have been made on or prior to the First Closing, no consent, authorization or filing of or with any court or governmental authority is required in connection with the issuance or the consummation of the transactions contemplated herein or in the other Issuer Transaction Documents.

(i) Subsequent to the respective dates as of which information is given in the Memorandum, the Issuer has operated its business in the ordinary course and, except as may otherwise be set forth in the Memorandum, there has been no: (i) Issuer Material Adverse Effect; (ii) transaction otherwise than in the ordinary course of business consistent with past practice; (iii) issuance of any securities (debt or equity) or any rights to acquire any such securities other than pursuant to equity incentive plans approved by its Board of Directors; (iv) damage, loss or destruction, whether or not covered by insurance, with respect to any asset or property of the Issuer; or (v) agreement to permit any of the foregoing.

(j) Except as set forth in the Memorandum, there are no actions, suits, claims, hearings or proceedings pending before any court or governmental authority or, to the knowledge of the Issuer, threatened, against the Issuer, or involving its assets or any of its officers or directors (in their capacity as such) which, if determined adversely to the Issuer or such officer or director, could reasonably be expected to have an Issuer Material Adverse Effect or adversely affect the transactions contemplated by this Agreement or the Merger Agreement or the enforceability thereof.

(k) The Issuer is not obligated to pay, and has not obligated the Placement Agent to pay, a finder's or origination fee in connection with the Offering (other than to the Placement Agent), and hereby agrees to indemnify the Placement Agent from any such claim made by any other person, as more fully set forth in Section 8 hereof. The Issuer has not offered for sale or solicited offers to purchase the Units except for negotiations with the Placement Agent. Except as set forth in the Memorandum, no other person has any right to participate in any offer, sale or distribution of the Issuer's securities to which the Placement Agent's rights, described herein, shall apply.

(l) Neither the sale of the Units by the Issuer nor its use of the proceeds thereof will violate the Trading with the Enemy Act, as amended, or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) or any enabling legislation or executive order relating thereto. Without limiting the foregoing, the Issuer is not (a) a person whose property or interests in property are blocked pursuant to Section 1 of Executive Order 13224 of September 23, 2001 Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)) or (b) a person who engages in any dealings or transactions, or be otherwise associated, with any such person. The Issuer and its subsidiaries, if any, are in compliance, in all material respects, with the USA Patriot Act of 2001 (signed into law October 26, 2001).

(m) Until the earlier of (i) the Termination Date and (ii) the Final Closing, the Issuer will not issue any press release, grant any interview, or otherwise communicate with the media in any manner whatsoever with respect to the Offering without the Placement Agent's prior consent.

(n) Following the First Closing, the Issuer will coordinate with Operating Company to establish internal accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management's general or specific authorization; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain accountability for assets; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(o) Following the First Closing, the Issuer will coordinate with the Operating Company to establish "disclosure controls and procedures" (as such term is defined in Rule 13a-15(e) and 15d-15(e) under the Exchange Act)), which (i) are designed to ensure that material information relating to the Issuer is made known to the Issuer's principal executive officer and its principal financial officer by others within those entities, particularly during the periods in which the periodic reports required under the Exchange Act would be prepared, and (ii) such disclosure controls and procedures are effective to perform the functions for which they were established. The Issuer is not aware of any fraud, whether or not material, that involves management or other employees who have a role in the Issuer's internal controls.

(p) Neither the Issuer nor any Issuer Related Persons (as defined below) are subject to any Disqualification Event. Issuer has exercised reasonable care to determine whether any Issuer Covered Person is subject to a Disqualification Event. The Memorandum contains a true and complete description of the matters required to be disclosed with respect to the Issuer and Issuer Related Persons pursuant to the disclosure requirements of Rule 506(e) of Regulation D, to the extent applicable. As used herein, "**Issuer Related Persons** " means any predecessor of the Issuer, any affiliated issuer, any director, executive officer, other officer of Issuer participating in the Offering, any general partner or managing member of the Issuer, any beneficial owner of 20% or more of the Issuer's outstanding voting equity securities, calculated on the basis of voting power, and any "promoter" (as defined in Rule 405 under the Act) connected with the Issuer in any capacity. The Issuer agrees to promptly notify the Placement Agent in writing of (i) any Disqualification Event relating to any Issuer Related Person and (ii) any event that would, with the passage of time, become a Disqualification Event relating to any Issuer Related Person.

(q) [RESERVED]

(r) Full Disclosure. No representation or warranty contained in Section 2A of this Agreement contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements herein not misleading in the context of such representations and warranties.

2B. Representations, Warranties and Covenants of Placement Agent. The Placement Agent represents and warrants to each of the Operating Company and the Issuer that the following representations and warranties are true and correct as of the date of this Agreement:

(a) AGP is a corporation duly organized, validly existing and in good standing under the laws of the State of California and has all requisite corporate power and authority to enter into this Agreement and to carry out and perform its obligations under the terms of this Agreement.

(b) Aegis is a corporation duly organized, validly existing and in good standing under the laws of the State of New York and has all requisite corporate power and authority to enter into this Agreement and to carry out and perform its obligations under the terms of this Agreement.

(c) This Agreement has been duly authorized, executed and delivered by the Placement Agent, and upon due execution and delivery by each of the Operating Company and the Issuer, this Agreement will be a valid and binding agreement of the Placement Agent enforceable against it in accordance with its terms, except as may be limited by principles of public policy and, as to enforceability, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws relating to or affecting creditor's rights from time to time in effect and subject to general equity principles.

(d) None of the execution and delivery of or performance by the Placement Agent under this Agreement or any other agreement or document entered into by the Placement Agent in connection herewith or the consummation of the transactions herein or therein contemplated conflicts with or violates, any agreement or other instrument to which the Placement Agent is a party or by which its assets may be bound, or any term of its certificate of incorporation or by-laws, or any license, permit, judgment, decree, order, statute, rule or regulation applicable to Placement Agent or any of its assets, except in each case as would not have a material adverse effect on the transactions contemplated hereby.

(e) Each Placement Agent is a member in good standing of FINRA and is registered as a broker-dealer under the Exchange Act, and under the securities acts of each state into which it is making offers or sales of the Units. Each Placement Agent is in compliance with all applicable rules and regulations of the SEC and FINRA, except to the extent that such noncompliance would not have a material adverse effect on the transactions contemplated hereby. None of the Placement Agent or its affiliates, or any person acting on behalf of the foregoing (other than the Issuer, the Operating Company, or their affiliates or any person acting on its or their behalf, in respect of which no representation is made) has taken nor will it take any action that conflicts with the conditions and requirements of, or that would make unavailable with respect to the Offering, the exemption(s) from registration available pursuant to Rule 506 of Regulation D or Section 4(a)(2) of the Act, or knows of any reason why any such exemption would be otherwise unavailable to it.

(f) Except as set forth below, neither Placement Agent nor any Placement Agent Related Persons (as defined below) are subject to any Disqualification Event. Placement Agent has exercised reasonable care to determine whether any Placement Agent Covered Person is subject to a Disqualification Event. The Memorandum contains a true and complete description of the matters required to be disclosed with respect to Placement Agent and Placement Agent Related Persons pursuant to the disclosure requirements of Rule 506(e) of Regulation D, to the extent applicable. As used herein, "Placement Agent Related Persons" means any director, general partner, managing member, executive officer, or other officer of Placement Agent participating in the Offering. Placement Agent agrees to promptly notify the Issuer and the Operating Company in writing of (i) any Disqualification Event relating to any Placement Agent Related Person and (ii) any event that would, with the passage of time, become a Disqualification Event relating to any Placement Agent Related Person. On March 28, 2018, Aegis entered into an Order of Settlement (the "**Order**") with the SEC, which would constitute a Disqualification Event under Rule 506(d) of Regulation D. Aegis has been granted a waiver by the SEC from any disqualification that would arise as to Aegis under Rule 506 of Regulation D by reason of the entry of the Order on the terms set forth in a letter from the SEC dated March 28, 2018.

3. Placement Agent Compensation.

(a) In connection with the Offering, the Issuer will pay at each Closing (as defined in Section 4(e) below) a cash fee (the "**Agent Cash Fee**") to the Placement Agent equal to 7% of the gross proceeds from the sale of the Units consummated at such Closing (subject to reduction at the sole discretion of the Placement Agent). For clarification purposes only, the Placement Agent shall not be entitled to the Agent Compensation, or any other compensation in respect of, the Concurrent Offering.

(b) As additional compensation, at or within ten (10) business days following the Final Closing, the Issuer will issue to the Placement Agent (or its designee(s)) for nominal consideration), warrants (the "**Agent Warrants**"). The Agent Warrants shall be exercisable for the same time period as the Investor Warrants and for that number of shares of Common Stock equaling 7% of the number of shares of Common Stock (i) included in the Units at an exercise price of $2.50 per share and (ii) issuable upon exercise of the Investor Warrants, at an exercise price of $5.00 per share. The Agent's Warrants shall provide for a cashless exercise right and shall not be callable by the Company. The Agent Warrants shall be allocated and disbursed between AGP, Aegis and their respective designees per the written instructions of the Placement Agent (the "**Agent Warrant Instruction Letter**") to be delivered to the Company promptly following the Final Closing. The Company shall deliver such Agent Warrants to the Placement Agent within ten (10) business days following the delivery of the Agent Warrant Instruction Letter. The Agent Cash Fee and Agent Warrants are sometimes referred to herein collectively as "**Agent Compensation.**"

(c) At each Closing, the Issuer will pay Placement Agent a non-accountable expense allowance equal to 3% of the aggregate purchase price of the Units sold at such closing (the **"Agent Expense Allowance"**). The Placement Agent will not bear any of the Issuer's or the Operating Company's legal, accounting, printing or other expenses in connection with any transaction contemplated hereby. The Placement Agent will pay for its own expenses, including its legal fees and expenses, from the Agent Expense Allowance.

(d) The Company shall also pay and issue to the Placement Agent the Agent Compensation calculated according to the percentages set forth in Sections 3(a) and (b) of this Agreement, if any person or entity contacted by the Placement Agent and provided with a Memorandum during the Offering Period (other than existing shareholders, officers and directors of the Operating Company) and with whom the Placement Agent has discussions regarding a potential investment in the Offering, invests in the Company (other than through open market purchases or securities purchased in any underwritten public offering) and irrespective of whether such potential investor purchased Units in the Offering (the "**Tail Investors**") at any time prior to the earlier of the date that is twelve (12) months after the Termination Date or the Final Closing ("**Tail Period**"), whichever is applicable. The names of Tail Investors shall be provided in writing by the Placement Agent to the Company upon written request within 10 days following the Termination Date or the Final Closing, as the case may be (the "**Tail Investor List**"). The Company acknowledges and agrees that the Tail Investor List is proprietary to the Placement Agent, shall be maintained in strict confidence by the Company and those persons/entities on such list shall not be contacted by the Company without the Placement Agent's prior written consent; *provided*, *however*, that such restrictions shall not apply to ordinary course stockholder communications by the Company to its stockholders. In the event AGP exercises its ROFR (as defined below) with respect to an offering pursuant to the provisions of Section 3(e), the specific compensation terms to the Placement Agent that are negotiated in such offering shall govern and the provisions of this Section 3(d) will not be operative with respect to such offering.

(e) Effective upon the sale of the Minimum Amount, the Company hereby grants to AGP, for a period of twelve (12) months following the Final Closing (the "**ROFR Term** "), the irrevocable preferential right of first refusal ("**ROFR**") solely to act as lead placement agent or underwriter for any proposed private placement or public offering of the Company's securities (equity or debt, but excluding any institutional bank debt and any securities sold directly to investors without the assistance of a registered broker-dealer). In that regard, it is understood that if the Company determines to pursue a financing during the ROFR Term in which a third party placement agent or underwriter will be engaged, the Company shall promptly provide AGP with a written notice of such intention and statement of terms (the "**Notice**"). If, within ten (10) business days of the receipt of the Notice, AGP does not accept in writing such offer to act as lead placement agent or underwriter with respect to such offering upon the terms proposed, then the Company shall be entitled to engage a placement agent or underwriter other than AGP; provided that the terms of the compensation to be paid to such other placement agent or underwriter are not materially less favorable to the Company than the terms included in the Notice. AGP's failure to exercise these preferential rights in any situation shall not affect its preferential rights to any subsequent offering during the ROFR Term. Each of Operating Company and the Issuer represent and warrant that no other person has any right to participate in any offer, sale or distribution of Operating Company's or the Issuer's securities to which AGP's preferential rights shall apply.

(f) In the event the First Closing is consummated, the Issuer agrees that it shall take, and shall cause its board of directors (the "**Board of Directors**") to take, all action within its powers to nominate (i) one (1) representative designated by the Placement Agent (the "**PA Director**") as a member of the Board of Directors of the Issuer and (ii) one designee (the "**PA Observer**") to attend all meetings of the Board of Directors in a nonvoting observer capacity. In this regard, the Company shall give the PA Director and PA Observer copies of all notices, minutes, consents, and other materials that it provides to its directors at the same time and in the same manner as provided to such directors; provided, however, that the PA Director and PA Observer shall agree to hold in confidence and trust and to act in a fiduciary manner with respect to all information so provided; and provided further, that the Company reserves the right to withhold any information and to exclude the PA Observer from any meeting or portion thereof if access to such information or attendance at such meeting could adversely affect the attorney-client privilege between the Company and its counsel. In addition, as a Board of Directors designee and observer, PA Director and PA Observer shall be entitled to receive reimbursement for all reasonable costs incurred in attending such meetings, including but not limited to, meals, lodging and transportation. The PA Director shall be entitled to (i) the same indemnification protections afforded to other directors of the Issuer, including the Issuer's maintenance of an insurance policy providing liability insurance for directors and officers of the Issuer, (ii) cash compensation commensurate to what is provided to other board members of Issuer and (iii) equity compensation in amounts to be determined based on the pool that is made available to non-employee directors of the Company. This provision shall terminate three years from the date of the First Closing.

(g) In the event the Issuer elects to redeem the Investor Warrants pursuant to the provisions thereto, the Placement Agent will be engaged as exclusive warrant solicitation agent at least 20 calendar days prior to the time notice of redemption is delivered to holders of Investor Warrants. The engagement letter will provide for the payment to the Placement Agent of a cash fee of 5% of the net cash proceeds from the exercise of each Investor Warrant exercised by an Investor Warrant holder that has been solicited by the Placement Agent following a redemption notice, together with a mutually agreeable expense reimbursement cap.

4. Subscription and Closing Procedures.

(a) The Issuer shall cause to be delivered to the Placement Agent copies of the Memorandum and each of the Operating Company and the Issuer have consented, and hereby consent, to the use of such copies for the purposes permitted by the Act and applicable securities laws and in accordance with the terms and conditions of this Agreement, and hereby each authorize the Placement Agent and its agents and employees to use the Memorandum in connection with the offering of the Units until the earlier of (i) the Termination Date or (ii) the Final Closing, and no person or entity is or will be authorized to give any information or make any representations other than those contained in the Memorandum or to use any offering materials other than those contained in the Memorandum in connection with the sale of the Units.

(b) During the Offering Period, each of the Operating Company and the Issuer shall make available to the Placement Agent and its representatives such information as may be reasonably requested in making a reasonable investigation of the Operating Company and the Issuer and their respective affairs and shall provide access to such employees during normal business hours as shall be reasonably requested by the Placement Agent.

(c) Each prospective purchaser will be required to complete and execute an original omnibus signature page, for each of the Subscription Agreement and the Registration Rights Agreement (together, the "**Subscription Documents**"), which will be forwarded or delivered to the Placement Agent at the Placement Agent's offices at the address set forth in Section 12 hereof, together with the subscriber's wire transfer in the full amount of the purchase price for the number of Units desired to be purchased to the Escrow Account (defined below), subject to the Escrow Agent's (as defined below) right to accept a check in lieu of a wire transfer.

(d) All funds for subscriptions received by the Placement Agent from the Offering (not otherwise wired directly to the Escrow Agent), if any, will be promptly forwarded by the Placement Agent and deposited into a non-interest bearing escrow account (the "**Escrow Account**") established for such purpose with Signature Bank (the "**Escrow Agent**") . All such funds for subscriptions will be held in the Escrow Account pursuant to the terms of an escrow agreement among the Issuer**,** the Placement Agent and the Escrow Agent (the "**Escrow Agreement**"). The Issuer will pay all fees related to the establishment and maintenance of the Escrow Account. The Issuer will either accept or reject, for any or no reason, the Subscription Documents in a timely fashion and at each Closing, the Issuer and the Operating Company will countersign the Subscription Documents and provide duplicate copies of such documents to the Placement Agent for distribution to the subscribers. The Placement Agent on the Issuer's behalf, will promptly return to subscribers incomplete, improperly completed, improperly executed and rejected subscriptions.

(e) If subscriptions for at least the Minimum Amount have been accepted prior to the Termination Date, the funds therefor have been collected by the Escrow Agent and all of the conditions set forth elsewhere in this Agreement are fulfilled, the funds therefor have been collected by the Escrow Agent and all of the conditions set forth elsewhere in this Agreement are fulfilled, the First Closing shall be held promptly with respect to Units sold. Thereafter remaining Units will continue to be offered and sold until the Termination Date and additional closings (each a "**Closing**") may from time to time be conducted at times mutually agreed to by the Placement Agent and the Issuer with respect to additional Units sold, with the final closing ("**Final Closing**") to occur within ten (10) days after the earlier of the Termination Date and the date on which the all Units has been fully subscribed for. Delivery of payment for the accepted subscriptions for Units from funds held in the Escrow Account will be made at each Closing against delivery of the Shares and Investor Warrants by the Issuer. The Issuer shall deliver the original Shares and Investor Warrants to investors per instructions to be provided by Placement Agent within ten (10) business days following each Closing. The date of any Closing hereunder is sometimes referred to herein as a "**Closing Date**").

(f) If Subscription Documents for at least the Minimum Amount have not been received and accepted by the Issuer on or before the Termination Date for any reason, the Offering will be terminated, no Units will be sold, and the Escrow Agent will, at the request of the Placement Agent, cause all monies received from subscribers for the Units to be promptly returned to such subscribers without interest, penalty, expense or deduction.

5. Further Covenants. The Operating Company and the Issuer, jointly and severally, hereby covenant and agree that:

(a) Except upon prior written notice to the Placement Agent, neither the Operating Company nor the Issuer shall, at any time prior to the Final Closing, knowingly take any action which would cause any of the representations and warranties made by it in this Agreement not to be complete and correct in all material respects on and as of each Closing Date with the same force and effect as if such representations and warranties had been made on and as of each such date (except to the extent any representation or warranty relates to an earlier date).

(b) If, at any time prior to the Final Closing, any event shall occur that causes (i) an Operating Company Group Material Adverse Effect or (ii) an Issuer Material Adverse Effect Material Adverse Effect, which as a result it becomes necessary to amend or supplement the Memorandum so that the representations and warranties herein remain true and correct in all material respects, or in case it shall be necessary to amend or supplement the Memorandum to comply with Regulation D or any other applicable securities laws or regulations, either the Operating Company, in the case of an Operating Company Group Material Adverse Effect, or the Issuer, in the case of an Issuer Company Material Adverse Effect, will promptly notify the Placement Agent and shall, at its sole cost, prepare and furnish to the Placement Agent copies of appropriate amendments and/or supplements in such quantities as the Placement Agent may reasonably request for delivery by the Placement Agent to potential subscribers. Neither the Operating Company nor the Issuer will at any time before the Final Closing prepare or use any amendment or supplement to the Memorandum of which the Placement Agent will not previously have been advised and furnished with a copy, or which is not in compliance in all material respects with the Act and other applicable securities laws. As soon as the Operating Company or the Issuer is advised thereof, the Operating Company or the Issuer, as applicable, will advise the Placement Agent and its counsel, and confirm the advice in writing, of any order preventing or suspending the use of the Memorandum, or the suspension of any exemption for such qualification or registration thereof for offering in any jurisdiction, or of the institution or threatened institution of any proceedings for any of such purposes, and the Operating Company and the Issuer will use their reasonable best efforts to prevent the issuance of any such order and, if issued, to obtain as soon as reasonably possible the lifting thereof.

(c) The Operating Company and the Issuer shall comply with the Act, the Exchange Act and the rules and regulations thereunder, all applicable state securities laws and the rules and regulations thereunder in the states in which the Issuer's Blue Sky counsel has advised the Placement Agent, the Operating Company and/or the Issuer that the Units are qualified or registered for sale or exempt from such qualification or registration, so as to permit the continuance of the sales of the Units, and will file or cause to be filed with the SEC, and shall promptly thereafter forward or cause to be forwarded to the Placement Agent, any and all reports on Form D as are required.

Except as set forth in the Memorandum, the Issuer shall not use any of the net proceeds of the Offering to repay indebtedness to officers, directors or stockholders of the Issuer without the prior written consent of the Placement Agent.

(g) During the Offering Period, the Operating Company and the Issuer shall afford each prospective purchaser of Units the opportunity to ask questions of and receive answers from an officer of the Operating Company or the Issuer, as applicable, concerning the terms and conditions of the Offering and the opportunity to obtain such other additional information necessary to verify the accuracy of the Memorandum to the extent the Operating Company or the Issuer possesses such information or can acquire it without unreasonable expense.

(h) Except upon obtaining the prior written consent of the Placement Agent, which consent shall not be unreasonably withheld, the Operating Company and the Issuer shall not, at any time prior to the earlier of the Final Closing or the Termination Date, except as contemplated by the Memorandum or with respect to the Concurrent Offering (i) engage in or commit to engage in any transaction outside the ordinary course of business as described in the Memorandum; (ii) issue, agree to issue or set aside for issuance any securities (debt or equity) or any rights to acquire any such securities; *provided* that (a) the Issuer shall be permitted to issue stock options, restricted stock and/or restricted stock units, including such as are convertible into, or exercisable for, shares of Common Stock to officers, directors and employees of the Issuer as described in the Memorandum, (b) the Issuer may adopt an equity incentive plan (the "**Equity Incentive Plan**") providing for the grant of awards to qualified participants of up to 12.5% of its fully-diluted capitalization after final closing of the Offering, (c) after the Final Closing or Termination Date, the Issuer may file a registration statement on Form S-8 in connection with the registration of Common Stock issuable under the Equity Incentive Plan, (d) the Issuer may conduct and direct the issuance of equity of the Operating Company Group in connection with the potential acquisition of BWGS, LLC; (iii) incur, outside the ordinary course of business, any material indebtedness, (iv) dispose of any material assets, (v) make any acquisition or (vi) change its business or operations.

All Blue Sky filings related to this Offering shall be prepared by the Operating Company's counsel, on behalf of the Issuer, at the Issuer's expense, with copies of all filings to be promptly forwarded to the Placement Agent. Further, as promptly as practicable after the Final Closing, the Issuer shall prepare, at its own expense, velobound "closing binders" relating to the Offering and will distribute one such binder to each of the Placement Agent and its counsel.

(j) Until the earlier of (i) the Termination Date and (ii) the Final Closing, neither the Operating Company, the Issuer nor any person or entity acting on such person's behalf will negotiate with any other placement agent or underwriter with respect to a private offering of such entity's debt or equity securities. Neither the Operating Company nor the Issuer nor anyone acting on the such person's behalf will, until the earlier of the Termination Date or the Final Closing, without the prior written consent of the Placement Agent, offer for sale to, or solicit offers to subscribe for any securities of the Issuer from, or otherwise approach or negotiate in respect thereof with, any other person.

5.A. Placement Agent Further Covenants.

The Placement Agent shall not, at any time during the Offering Period, knowingly take any action which would cause any of the representations and warranties made by it in this Agreement not to be complete and correct in all material respects on and as of each Closing Date with the same force and effect as if such representations and warranties had been made on and as of each such date (except to the extent any representation or warranty relates to an earlier date). (o) Within five (5) business days prior to the First Closing, the Placement Agent shall have received a "cold comfort letter" from MNP LLP, the Operating Company Group's independent public accountants (the "**Auditor**"), containing statements and information of the type customarily included in accountants' comfort letters with respect to the financial statements and certain financial information contained in the Memorandum addressed to the Placement Agent and in form and substance reasonably satisfactory to the Placement Agent and the Auditor; provided, however that the Auditor shall not be required to provide comfort with respect to the unaudited financial statements for the six month period ended June 30, 2018 ("**Stub Period FS**") or references to such Stub Period FS that appear in the Memorandum (such statements shall be covered internally by the Chief Financial officer of the Hydrofarm). As of each Closing Date, the Placement Agent shall have received from the Auditor a letter, dated as of such date to the effect that the Auditor reaffirms the statements made in the letter furnished pursuant to the prior sentence, except that the specified date referred to therein shall be a date not more than three (3) business days prior to such Closing Date and comfort shall be provided by the Auditor on the Stub Period FS and references to such Stub Period FS that appear in the Memorandum in the first bring down letter that follows its review of the Stub Period FS and in any event no later than the bring down letter that is delivered in connection with the Final Closing.

7. Conditions of the Issuer's and the Operating Company's Obligations. The obligations of the Issuer and the Operating Company hereunder to effect a Closing are subject to the fulfillment, at or before each Closing, of the following additional conditions or subject to the waiver of such condition or conditions by the Issuer:

(a) Each of the representations and warranties made by the Placement Agent shall be true and correct at all times prior to and on each Closing Date.

(b) The Placement Agent shall have performed and complied in all material respects with all agreements, covenants and conditions required to be performed and complied with by it at or before the Closing.

(c) The Issuer shall have received a certificate of an officer of the Placement Agent, dated as of the Closing Date, certifying, as to the fulfillment of the conditions set forth in subparagraphs (a) and (b) above.

(d) No order suspending the use of the Memorandum or enjoining the Offering or sale of the Units shall have been issued, and no proceedings for that purpose or a similar purpose shall have been initiated or pending, or, to the Issuer's knowledge, be contemplated or threatened.

(e) Lock-up agreements with all stockholders of the Issuer prior to the consummation of the Merger, which include but are not limited to employees and affiliates of the Placement Agent in form and substance reasonably acceptable to the Operating Company and consistent with the terms set forth in the Memorandum, shall have been executed and delivered to the Operating Company and the Issuer.

8. Indemnification.

(a) The Issuer and the Operating Company, severally if the Mergers do not occur, and jointly and severally following the consummation of the Mergers will: (i) indemnify and hold harmless the Placement Agent, its agents and their respective officers, directors, employees, selected dealers and each person, if any, who controls the Placement Agent within the meaning of the Section 15 of the Act or Section 20(a) of the Exchange Act and such selected dealers (each an "**Indemnitee**" or a "**Placement Agent Party**") against, and pay or reimburse each Indemnitee for, any and all losses, claims, damages, liabilities or expenses whatsoever (or actions or proceedings or investigations in respect thereof), joint or several (which will, for all purposes of this Agreement, include, but not be limited to, all reasonable costs of defense and investigation and all reasonable attorneys' fees, including appeals), to which any Indemnitee may become subject (x) under the Act or otherwise, in connection with the offer and sale of the Units and (y) as a result of the breach of any representation, warranty or covenant made by any of the Operating Company or the Issuer herein, regardless of whether such losses, claims, damages, liabilities or expenses shall result from any claim by any Indemnitee or by any third party; and (ii) reimburse each Indemnitee for any legal or other expenses reasonably incurred in connection with investigating or defending against any such loss, claim, action, proceeding or investigation; *provided*, *however*, that the Issuer and the Operating Company will not be liable in any such case to the extent that any such claim, damage or liability is finally judicially determined to have resulted primarily from (A) an untrue statement or alleged untrue statement of a material fact made in the Memorandum, or an omission or alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, made solely in reliance upon and in conformity with written information furnished to the Issuer and/or the Operating Company by the Placement Agent specifically for use in the Memorandum, (B) any violations by the Placement Agent of the Act, state securities laws or any rules or regulations of FINRA, which does not result from a violation thereof by the Operating Company, Issuer, or any of their respective affiliates or (C) the Placement Agent's willful misconduct or gross negligence. In addition to the foregoing agreement to indemnify and reimburse, the Issuer and the Operating Company jointly and severally will indemnify and hold harmless each Indemnitee against any and all losses, claims, damages, liabilities or expenses whatsoever (or actions or proceedings or investigations in respect thereof), joint or several (which shall, for all purposes of this Agreement, include, but not be limited to, all reasonable costs of defense and investigation and all reasonable attorneys' fees, including appeals) to which any Indemnitee may become subject insofar as such costs, expenses, losses, claims, damages or liabilities arise out of or are based upon the claim of any person or entity that he or it is entitled to broker's or finder's fees from any Indemnitee in connection with the Offering, other than fees due to the Placement Agent. The foregoing indemnity agreements will be in addition to any liability the Issuer and the Operating Company may otherwise have.

(b) Each of AGP and Aegis will severally and not jointly indemnify and hold harmless the Issuer and the Operating Company, their respective officers, directors, and each person, if any, who controls such entity within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act against, and pay or reimburse any such person for, any and all losses, claims, damages, liabilities or expenses whatsoever (or actions, proceedings or investigations in respect thereof) to which the Issuer or the Operating Company or any such person may become subject under the Act or otherwise, whether such losses, claims, damages, liabilities or expenses shall result from any claim of the Issuer or the Operating Company or any such person who controls the Issuer or the Operating Company within the meaning of the Act or by any third party, but only to the extent that such losses, claims, damages or liabilities results from (i) an untrue statement or alleged untrue statement of a material fact made in the Memorandum, or an omission or alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, made in reliance upon and in conformity with written information furnished to the Issuer and/or the Operating Company by the Placement Agent, specifically for use in the Memorandum or (ii) any violations by the Placement Agent of the Act or state securities laws which does not result from a violation thereof by the Issuer, the Operating Company or any of their respective affiliates. The Placement Agent will reimburse the Issuer or any such person for any legal or other expenses reasonably incurred in connection with investigating or defending against any such loss, claim, damage, liability or action, proceeding or investigation to which such indemnity obligation applies. The foregoing indemnity agreements are in addition to any liability which the Placement Agent may otherwise have. Notwithstanding the foregoing, in no event (except in the event of gross negligence or willful misconduct by the Placement Agent to the extent and only to the extent if found in a final judgment by a court of competent jurisdiction) shall AGP's or Aegis' indemnification obligation hereunder exceed the amount of Agent Cash Fees actually received by AGP or Aegis hereunder.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, claim, proceeding or investigation (the "**Action**"), such indemnified party, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, will notify the indemnifying party of the commencement thereof, but the omission to so notify the indemnifying party will not relieve it from any liability that it may have to any indemnified party under this Section 8 unless the indemnifying party has been substantially prejudiced by such omission. The indemnifying party will be entitled to participate in and, to the extent that it may wish, jointly with any other indemnifying party, to assume the defense thereof subject to the provisions herein stated, with counsel reasonably satisfactory to such indemnified party. The indemnified party will have the right to employ separate counsel in any such Action and to participate in the defense thereof, but the fees and expenses of such counsel will not be at the expense of the indemnifying party if the indemnifying party has assumed the defense of the Action with counsel reasonably satisfactory to the indemnified party, *provided*, *however*, that if the indemnified party shall be requested by the indemnifying party to participate in the defense thereof or shall have concluded in good faith and specifically notified the indemnifying party either that there may be specific defenses available to it that are different from or additional to those available to the indemnifying party or that such Action involves or could have a material adverse effect upon it with respect to matters beyond the scope of the indemnity agreements contained in this Agreement, then the counsel representing it, to the extent made necessary by such defenses, shall have the right to direct such defenses of such Action on its behalf and in such case the reasonable fees and expenses of such counsel in connection with any such participation or defenses shall be paid by the indemnifying party. No settlement of any Action against an indemnified party will be made without the consent of the indemnifying party and the indemnified party, which consent shall not be unreasonably withheld, delayed or conditioned in light of all factors of importance to such party, and no indemnifying party shall be liable to indemnify any person for any settlement of any such claim effected without such indemnifying party's consent.

9. Contribution. To provide for just and equitable contribution, if: (i) an indemnified party makes a claim for indemnification pursuant to Section 8 hereof and it is finally determined, by a judgment, order or decree not subject to further appeal that such claims for indemnification may not be enforced, even though this Agreement expressly provides for indemnification in such case; or (ii) any indemnified or indemnifying party seeks contribution under the Act, the Exchange Act, or otherwise, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Issuer on the one hand and the Placement Agent on the other in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Issuer on the one hand and the Placement Agent on the other shall be deemed to be in the same proportion as the total net proceeds from the Offering (before deducting expenses) received by the Issuer bear to the total Agent Cash Fees received by the Placement Agent. The relative fault, in the case of an untrue statement, alleged untrue statement, omission or alleged omission will be determined by, among other things, whether such statement, alleged statement, omission or alleged omission relates to information supplied by the Issuer or by the Placement Agent, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement, alleged statement, omission or alleged omission. The Issuer and the Placement Agent agree that it would be unjust and inequitable if the respective obligations of the Issuer and the Placement Agent for contribution were determined by *pro rata* allocation of the aggregate losses, liabilities, claims, damages and expenses or by any other method or allocation that does not reflect the equitable considerations referred to in this Section 9. No person guilty of a fraudulent misrepresentation (within the meaning of Section 10(f) of the Act) will be entitled to contribution from any person who is not guilty of such fraudulent misrepresentation. For purposes of this Section 9, each person, if any, who controls the Placement Agent within the meaning of the Act will have the same rights to contribution as the Placement Agent, and each person, if any, who controls the Issuer within the meaning of the Act will have the same rights to contribution as the Issuer, subject in each case to the provisions of this Section 9. Anything in this Section 9 to the contrary notwithstanding, no party will be liable for contribution with respect to the settlement of any claim or action effected without its written consent. This Section 9 is intended to supersede, to the extent permitted by law, any right to contribution under the Act, the Exchange Act or otherwise available.

10. Termination.

(a) The Offering may be terminated by AGP on behalf of the Placement Agent at any time prior to the expiration of the Offering Period in the event that: (i) any of the representations, warranties or covenants of the Operating Company or the Issuer contained herein or in the Memorandum shall prove to have been false or misleading in any material respect when actually made; (ii) the Operating Company or the Issuer shall have failed to perform any of their respective material obligations hereunder or under any other Op Co Transaction Document or Issuer Transaction Document, as applicable, or any other transaction document; (iii) there shall occur any event that could reasonably be expected to result in an Operating Company Group Material Adverse Effect; (iv) there shall occur any event that could reasonably be expected to result in an Issuer Material Adverse Effect; or (v) the Placement Agent determines that it is reasonably likely that any of the conditions to Closing set forth herein will not, or cannot, be satisfied. In the event of any such termination by the Placement Agent pursuant to clauses (i), (ii), (iii) or (iv) of this Section 10(a), the Placement Agent shall be entitled to retain any Agent Compensation already earned (if any, at such point in time) and receive from the Operating Company, within five (5) business days of the Termination Date, in addition to other rights and remedies it may have hereunder, at law or otherwise, an amount equal to the sum of $ 250,000 if such termination occurs prior to the First Closing (the "**Termination Amount**") and the provisions of Sections 3(d), 3(e) and 3(f) shall survive in full force and effect. In the event of a termination by the Placement Agent under Section 10(a)(v) that occurs prior to the First Closing (but excluding such a termination that relates to the failure of the Operating Company to obtain the Lender Consents (such event shall be governed by Section 10(d) below), the Placement Agent shall not be entitled to any further compensation pursuant to these termination provisions, except for reimbursement of its out- of-pocket legal expenses incurred in connection with the Offering (not to exceed $75,000) and the provisions of Sections 3(d), 3(e) and 3(f) shall survive in full force and effect.

(b) This Offering may be terminated by either the Operating Company or the Issuer at any time prior to the expiration of the Offering Period (i) in the event that the Placement Agent shall have failed to perform any of its material obligations hereunder, (ii) on account of the Placement Agent's fraud, willful misconduct or gross negligence or (iii) as provided in Section 10(c) . In the event of a termination pursuant to this Section 10(b) (i) or (ii), the Placement Agent shall not be entitled to any further compensation pursuant to these termination provisions.

(c) In the event the Operating Company (or any other member of the Operating Company Group) unilaterally decides for any reason (including, without limitation, the failure to obtain requisite consents from Bank of America, N.A. and Brightwood Loan Services, LLC with respect to the Offering and the Merger (the "**Lender Consents**") to terminate the Offering at any time prior to the First Closing (other than pursuant to Section 10(b) (i) or (ii) above) (the "**Unilateral Termination**"), the Placement Agent shall be entitled to receive the applicable amount described below (the "**Unilateral Termination Amount**") within five (5) business days of the applicable Termination Date:

(i) In the event Operating Company terminates the Offering on or before September 3, 2018 and less than $10 million is in the Escrow Account, the Unilateral Termination Amount shall be $1,000,000.

(ii) In the event Operating Company terminates the Offering on or before September 3, 2018 and $10 million or more is in the Escrow Account, the Unilateral Termination Amount shall be $2,000,000.

(iii) In the event Operating Company terminates the Offering on or before October 17, 2018 and $20 million or more is in the Escrow Account, the Unilateral Termination Amount shall be $4,000,000.

Payment of the amounts referenced in (i), (ii) and (iii) above shall be made to the Placement Agent in common units of Hydrofarm Holdings, LLC based upon an equity value of $115,000,000, or $140,000,000 if Hydrofarm or one of its subsidiaries has, at such Termination Date, consummated its business combination with BWGS, LLC. The parties acknowledge that Placement Agent would suffer substantial harm as a consequence of a termination under such circumstances and the amount of damages is not capable of being accurately quantified. Accordingly, the above payments that would be due to Placement Agent under this provision is intended to be liquidated damages and not a penalty.

(d) If any time after September 3, 2018, the Minimum Offering Amount is deposited into the Escrow Account and the Placement Agent is prepared to conduct a Closing on such amounts, but the Operating Company has not obtained the Lender Consents, the Placement Agent may unilaterally terminate the Offering and shall be entitled to receive the amount of $1,000,000 within five (5) business days of such decision to terminate the Offering. Payment of the amounts referenced in this Section 10(d) shall be made to the Placement Agent in common units of Hydrofarm Holdings, LLC based upon an equity value of $115,000,000, or $140,000,000 if Hydrofarm or one of its subsidiaries has, at such Termination Date, consummated its business combination with BWGS, LLC.

(e) This Offering may be terminated upon mutual agreement of the Issuer, the Operating Company and the Placement Agent, at any time prior to the expiration of the Offering Period. In addition, upon the expiration of the Offering Period, the Offering shall terminate without any further action of the parties hereto. If the Offering is terminated pursuant to this Section 10(e), then in cases in which no Closing had been theretofore consummated, unless otherwise agreed to by the parties hereto, each party shall pay its own respective expenses.

(f) Before any termination by the Placement Agent under Section 10(a) or 10(d) or by the Operating Company or the Issuer under Section 10(b) shall become effective, the terminating party shall give written notice to the other party of its intention to terminate the Offering, which shall set forth the specific grounds for the proposed termination (the "**Termination Notice**"). If the specified grounds for termination, or their resulting adverse effect on the transactions contemplated hereby, are curable, then the other party shall have ten (10) days from the Termination Notice within which to remove such grounds or to eliminate all of their material adverse effects on the transactions contemplated hereby; otherwise, the Offering shall terminate.

(g) Upon any termination pursuant to this Section 10, the applicable parties to this Agreement will instruct Escrow Agent to cause all monies received with respect to the subscriptions for Units not closed upon to be promptly returned to such subscribers without interest, penalty or deduction.

11. Survival.

(a) The obligations of the parties to pay any costs and expenses hereunder and to provide indemnification and contribution as provided herein shall survive any termination hereunder. In addition, the provisions of Sections 3(d), 3(e), 3(f), 3(g) and 8 through 16 shall survive the sale of the Units or any termination of the Offering hereunder.

(b) The respective indemnities, covenants, representations, warranties and other statements of the Issuer, the Operating Company and the Placement Agent set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of, and regardless of any access to information by, the Issuer, the Operating Company or the Placement Agent, or any of their officers or directors or any controlling person thereof, and will survive the sale of the Units or any termination of the Offering hereunder for a period of two (2) years from the earlier to occur of the Final Closing or the termination of the Offering.

12. Notices. All notices and other communications given or made pursuant hereto shall be in writing and shall be deemed to have been duly given or made as of the date delivered personally, or the date mailed if mailed by registered or certified mail (postage prepaid, return receipt requested) to the parties at the following addresses (or at such other address for a party as shall be specified by like changes of address which shall be effective upon receipt) or sent by facsimile transmission, with confirmation received, if sent to the Placement Agent, will be mailed, delivered or telefaxed and confirmed to (i) Alliance Global Partners, 590 Madison Avenue, 36th floor, New York, New York 10022, Attention: David Bocchi, telefax number (212) 481-1206, and (ii) Aegis Capital Corp., 810 Seventh Ave, 11th Floor, New York, New York 10019, Attention: Adam K. 13. Governing Law, Jurisdiction. This Agreement shall be deemed to have been made and delivered in New York City and shall be governed as to validity, interpretation, construction, affect and in all other respects by the internal laws of the State of New York. **THE PARTIES AGREE THAT ANY DISPUTE, CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY RELATING TO OR ARISING OUT OF THIS AGREEMENT, THE TERMINATION OR VALIDITY HEREOF, ANY ALLEGED BREACH OF THIS AGREEMENT OR THE ENGAGEMENT CONTEMPLATED HEREBY (ANY OF THE FOREGOING, A "CLAIM") SHALL BE SUBMITTED TO THE JUDICIAL ARBITRATION AND MEDIATION SERVICES, INC ("JAMS"), OR ITS SUCCESSOR, IN NEW YORK, FOR FINAL AND BINDING ARBITRATION IN FRONT OF A PANEL OF THREE ARBITRATORS WITH JAMS IN NEW YORK, NEW YORK UNDER THE JAMS COMPREHENSIVE ARBITRATION RULES AND PROCEDURES (WITH EACH OF THE PLACEMENT AGENT AND THE ISSUER CHOOSING ONE ARBITRATOR, AND THE CHOSEN ARBITRATORS CHOOSING THE THIRD ARBITRATOR). 14. Miscellaneous. No provision of this Agreement may be changed or terminated except by a writing signed by the party or parties to be charged therewith. Unless expressly so provided, no party to this Agreement will be liable for the performance of any other party's obligations hereunder. Either party hereto may waive compliance by the other with any of the terms, provisions and conditions set forth herein; *provided*, *however*, that any such waiver shall be in writing specifically setting forth those provisions waived thereby. No such waiver shall be deemed to constitute or imply waiver of any other term, provision or condition of this Agreement. Neither party may assign its rights or obligations under this Agreement to any other person or entity without the prior written consent of the other party.

15. Entire Agreement; Severability. This Agreement together with any other agreement referred to herein supersedes all prior understandings and written or oral agreements between the parties with respect to the Offering and the subject matter hereof. If any portion of this Agreement shall be held invalid or unenforceable, then so far as is reasonable and possible (i) the remainder of this Agreement shall be considered valid and enforceable and (ii) effect shall be given to the intent manifested by the portion held invalid or unenforceable.

Based solely on the Foreign Qualification Certificates, the Operating Company is [qualified] [registered] to transact business as a foreign corporation in the states of [•].

2. The authorized capital stock of the Operating Company immediately prior to the Closing is as follows: [100,000,000] shares of Common Stock.

3. The Operating Company has the corporate power and authority to execute and deliver, and perform all of its obligations under, the Placement Agency Agreement and to conduct its business and own its properties as described in the Memorandum.

4. The Placement Agency Agreement has been duly authorized by all necessary corporate action on the part of the Operating Company, and has been duly executed and delivered by the Operating Company.

5. The Operating Company's execution and delivery of the Placement Agency Agreement and performance of its obligations thereunder do not: (a) violate statutory laws that counsel exercising customary professional judgment would in our experience reasonably recognize as typically applicable to agreements similar to the Placement Agency Agreement and transactions similar to the Transactions; (b) violate the Certificate of Incorporation or the Bylaws; (c) breach or result in a default under any Material Agreement (as defined below); or (d) breach or violate any court order listed on Exhibit B hereto (the "Material Court Orders"). "Material Agreement" means any agreement to which the Operating Company is party or bound that is listed on Schedule [1] hereto, which list was provided by the Operating Company in response to our request for a list of the Operating Company's agreements material to this opinion. "Material Court Order" means any order or decree of any court, arbitrator or governmental agency that is binding upon the Operating Company or its property listed on Schedule [2] hereto, which list was provided by the Operating Company in response to our request for a list of all material court orders binding on the Operating Company or its property.

2.1 Based solely upon our review of the Issuer Organizational Documents, the Issuer is duly organized as a corporation and is validly existing and in good standing under the laws of the State of Delaware as of the date of the Delaware Certificate.

2.2 Based solely upon our review of the Certificate of Incorporation, the authorized capital stock of the Issuer on the date hereof consists of _____ shares of common stock, $____ par value per share, and _____ shares of preferred stock, $0____ par value per share.

2.3 The issuance of the Common Stock and Investor Warrants constituting the Units being sold in the Offering (collectively, the "Offering Securities"), the Agent Warrants, and the shares of Common Stock issuable upon exercise of the Investor Warrants and the Agent Warrants have been duly authorized by all necessary corporate action on the part of the Company. The Offering Securities and the shares of Common Stock issuable upon exercise of the Investor Warrants and the Agent Warrants when issued, sold and delivered against payment therefore in accordance with the provisions of the Memorandum, the Subscription Agreements, the Investor Warrants or the Agent Warrants, as applicable, will be duly and validly issued, fully paid and non-assessable. The issuance of the Offering Securities and the Agent Warrants and the shares of Common Stock issuable upon exercise of the Investor Warrants and Agent Warrants are not subject to any statutory or, to our knowledge, contractual or other preemptive rights under any agreement. A sufficient number of authorized but unissued shares of Common Stock have been reserved for issuance upon exercise of the Investor Warrants and Agent Warrants.

2.4 The execution and delivery by the Issuer of the Transaction Documents to which they are a party and the consummation by the Issuer of the transactions contemplated thereby have been duly authorized by all necessary corporate action on the part of the Issuer, and duly executed and delivered by the Issuer, as applicable. Each of the Transaction Documents to which it is a party constitutes the legal, valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms.

2.5 The execution and delivery by the Issuer of the Transaction Documents[3] to which it is a party and the consummation by the Issuer of the transactions contemplated thereby will not (i) violate the provisions of the Delaware General Corporation Law or any United States federal or state law, rule or regulation known to us to be currently applicable to the Issuer, (ii) violate the provisions of the Issuer's Certificate of Incorporation or By-Laws; (iii) violate any judgment, decree, order or award known to us of any court, governmental body or arbitrator having jurisdiction over the Issuer; or (iv) result in the breach or termination of any material term or provision of an agreement known to us to which the Issuer is a party, except in the case of clauses (iii) or (iv) where the breach or violation would not have a Material Adverse Effect on the Issuer or its ability to perform its obligations under the Transaction Documents.

---

3 Transaction Documents include the Placement Agency Agreement, Escrow Deposit Agreement, Registration Rights Agreement, Investor Warrants, Placement Agent Warrants, and Subscription Agreements.

2.6 To our knowledge, there is no action, proceeding or litigation pending or threatened against the Issuer before any court, governmental or administrative agency or body that would materially adversely affect the Issuer's ability to consummate the transactions contemplated by the Transaction Documents.

2.7 The execution and delivery by the Issuer of, and the performance by the Issuer of its obligations under, the Transaction Documents do not require the Issuer to obtain any approval by or make any filing with any governmental authority under the General Corporation Law of the State of Delaware or any statute, rule or regulation of the State of Delaware or of the federal law of the United States of America, other than approvals and filings previously obtained or made and that are in full force and effect as of the date hereof.

2.8 The offer and sale of the Offering Securities in the Offering pursuant to, and in accordance with, the Subscription Agreements do not require registration under the Securities Act of 1933, as amended ("1933 Act") and assuming that the Offering Securities were sold only to "accredited investors" (as defined in Rule 501 of Regulation D promulgated under the 1933 Act) and the Placement Agent complied in all material respects with Rule 506(b) of Regulation D and the terms and conditions of the Offering set forth in the Placement Agency Agreement and the Memorandum, such sales were made in conformity in all material respects with the requirements of Section 4(a)(2) of the 1933 Act and Rule 506(b) of Regulation D.
