(b) Joint and Several Liability of Canadian Borrowers. Each Canadian Borrower agrees that it is jointly and severally liable for, and absolutely and unconditionally guarantees to Agent and Canadian Lenders the prompt payment and performance of, all Canadian Obligations, except its Excluded Swap Obligations. Each Canadian Borrower agrees that its guaranty obligations hereunder constitute a continuing guaranty of payment and not of collection, that such obligations shall not be discharged until Full Payment of the Canadian Obligations, and that such obligations are absolute and unconditional, irrespective of (i) the genuineness, validity, regularity, enforceability, subordination or any future modification of, or change in, any Canadian Obligations or Loan Document, or any other document, instrument or agreement to which any Canadian Borrower is or may become a party or be bound; (ii) the absence of any action to enforce this Agreement (including this Section) or any other Loan Document, or any waiver, consent or indulgence of any kind by Agent or any Canadian Lender with respect thereto; (iii) the existence, value or condition of, or failure to perfect a Lien or to preserve rights against, any security or guaranty for any Canadian Obligations or any action, or the absence of any action, by Agent or any Canadian Lender in respect thereof (including the release of any security or guaranty); (iv) the insolvency of any Canadian Obligor; (v) any election by Agent or any Canadian Lender in an Insolvency Proceeding for the application of Section 1111(b)(2) of the Bankruptcy Code or similar provision of other Applicable Law; (vi) any borrowing or grant of a Lien by any other Canadian Borrower, as debtor-in-possession under the BIA, the Companies' Creditors Arrangement Act (Canada), Section 364 of the Bankruptcy Code or otherwise; (vii) the disallowance of any claims of Agent or any Canadian Lender against any Canadian Obligor for the repayment of any Canadian Obligations under the BIA, the Companies' Creditors Arrangement Act (Canada), Section 502 of the Bankruptcy Code or otherwise; or (viii) any other action or circumstances that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, except Full Payment of the Canadian Obligations.

(c) Waivers.

(i) Each Canadian Obligor expressly waives all rights that it may have now or in the future under any statute, at common law, in equity or otherwise, to compel Agent or Canadian Lenders to marshal assets or to proceed against any Canadian Obligor, other Person or security for the payment or performance of any Canadian Obligations before, or as a condition to, proceeding against such Canadian Obligor. Each Canadian Obligor waives all defenses available to a surety, guarantor or accommodation co-obligor other than Full Payment of Canadian Obligations and waives, to the maximum extent permitted by law, any right to revoke any guaranty of Canadian Obligations as long as it is an Canadian Obligor. It is agreed among each Canadian Obligor, Agent and Canadian Lenders that the provisions of this **Section 5.11** are of the essence of the transaction contemplated by the Loan Documents and that, but for such provisions, Agent and Canadian Lenders would decline to make Canadian Revolver Loans and issue Letters of Credit to Canadian Borrowers. Each Canadian Obligor acknowledges that its guaranty pursuant to this Section is necessary to the conduct and promotion of its business, and can be expected to benefit such business.

(ii) Agent and Canadian Lenders may, in their discretion, pursue such rights and remedies as they deem appropriate, including realization upon Canadian Collateral or any Real Estate of Canadian Borrowers by judicial foreclosure or nonjudicial sale or enforcement, without affecting any rights and remedies under this **Section 5.11**. If, in taking any action in connection with the exercise of any rights or remedies, Agent or any Canadian Lender shall forfeit any other rights or remedies, including the right to enter a deficiency judgment against any Canadian Obligor or other Person, whether because of any Applicable Laws pertaining to "election of remedies" or otherwise, each Canadian Obligor consents to such action and waives any claim based upon it, even if the action may result in loss of any rights of subrogation that any Canadian Obligor might otherwise have had. Any election of remedies that results in denial or impairment of the right of Agent or any Canadian Lender to seek a deficiency judgment against any Canadian Obligor shall not impair any other Canadian Obligor's obligation to pay the full amount of the Canadian Obligations. Each Canadian Obligor waives all rights and defenses arising out of an election of remedies, such as nonjudicial foreclosure with respect to any security for Canadian Obligations, even though that election of remedies destroys such Canadian Obligor's rights of subrogation against any other Person. Agent may bid Canadian Obligations, in whole or part, at any foreclosure, trustee or other sale, including any private sale, and the amount of such bid need not be paid by Agent but shall be credited against the Canadian Obligations. The amount of the successful bid at any such sale, whether Agent or any other Person is the successful bidder, shall be conclusively deemed to be the fair market value of the Canadian Collateral, and the difference between such bid amount and the remaining balance of the Canadian Obligations shall be conclusively deemed to be the amount of the Canadian Obligations guaranteed under this **Section 5.11**, notwithstanding that any present or future law or court decision may have the effect of reducing the amount of any deficiency claim to which Agent or any Lender might otherwise be entitled but for such bidding at any such sale.

(iii) Each U.S. Obligor expressly waives all rights that it may have now or in the future under any statute, at common law, in equity or otherwise, to compel Agent or U.S. Lenders to marshal assets or to proceed against any U.S. Obligor, other Person or security for the payment or performance of any U.S. Obligations before, or as a condition to, proceeding against such U.S. Obligor. Each U.S. Obligor waives all defenses available to a surety, guarantor or accommodation co-obligor other than Full Payment of U.S. Obligations and waives, to the maximum extent permitted by law, any right to revoke any guaranty of U.S. Obligations as long as it is a U.S. Obligor. It is agreed among each U.S. Obligor, Agent and U.S. Lenders that the provisions of this **Section 5.11** are of the essence of the transaction contemplated by the Loan Documents and that, but for such provisions, Agent and U.S. Lenders would decline to make U.S. Revolver Loans and issue Letters of Credit at the request of U.S. Borrowers. Each U.S. Obligor acknowledges that its guaranty pursuant to this Section is necessary to the conduct and promotion of its business, and can be expected to benefit such business.

(iv) Agent and U.S. Lenders may, in their discretion, pursue such rights and remedies as they deem appropriate, including realization upon U.S. Collateral or any Real Estate of U.S. Borrowers by judicial foreclosure or nonjudicial sale or enforcement, without affecting any rights and remedies under this **Section 5.11**. If, in taking any action in connection with the exercise of any rights or remedies, Agent or any U.S. Lender shall forfeit any other rights or remedies, including the right to enter a deficiency judgment against any U.S. Obligor or other Person, whether because of any Applicable Laws pertaining to "election of remedies" or otherwise, each U.S. Obligor consents to such action and waives any claim based upon it, even if the action may result in loss of any rights of subrogation that any U.S. Obligor might otherwise have had. Any election of remedies that results in denial or impairment of the right of Agent or any U.S. Lender to seek a deficiency judgment against any U.S. Obligor shall not impair any other U.S. Obligor's obligation to pay the full amount of the U.S. Obligations. Each U.S. Obligor waives all rights and defenses arising out of an election of remedies, such as nonjudicial foreclosure with respect to any security for U.S. Obligations, even though that election of remedies destroys such U.S. Obligor's rights of subrogation against any other Person. Agent may bid U.S. Obligations, in whole or part, at any foreclosure, trustee or other sale, including any private sale, and the amount of such bid need not be paid by Agent but shall be credited against the U.S. Obligations. The amount of the successful bid at any such sale, whether Agent or any other Person is the successful bidder, shall be conclusively deemed to be the fair market value of the U.S. Collateral, and the difference between such bid amount and the remaining balance of the U.S. Obligations shall be conclusively deemed to be the amount of the U.S. Obligations guaranteed under this **Section 5.11**, notwithstanding that any present or future law or court decision may have the effect of reducing the amount of any deficiency claim to which Agent or any U.S. Lender might otherwise be entitled but for such bidding at any such sale.

(d) Extent of Liability; Contribution.

(i) Notwithstanding anything herein to the contrary, each U.S. Obligor's liability under this **Section 5.11** shall not exceed the greater of (A) all amounts for which such Obligor is primarily liable, as described in clause (iii) below, and (B) such Obligor's Allocable Amount.

(ii) If any U.S. Obligor makes a payment under this **Section 5.11** of any Obligations (other than amounts for which such Obligor is primarily liable) (a "Guarantor Payment") that, taking into account all other Guarantor Payments previously or concurrently made by any other Obligor, exceeds the amount that such Obligor would otherwise have paid if each Obligor had paid the aggregate Obligations satisfied by such Guarantor Payments in the same proportion that such Obligor's Allocable Amount bore to the total Allocable Amounts of all Obligors, then such U.S. Obligor shall be entitled to receive contribution and indemnification payments from, and to be reimbursed by, each other Obligor for the amount of such excess, ratably based on their respective Allocable Amounts in effect immediately prior to such Guarantor Payment. The "Allocable Amount" for any Obligor shall be the maximum amount that could then be recovered from such Obligor under this **Section 5.11** without rendering such payment voidable under Section 548 of the Bankruptcy Code or under any applicable state fraudulent transfer or conveyance act, or similar statute or common law.

(iii) **Section 5.11(d)(i)** shall not limit the liability of any Obligor to pay or guarantee Revolver Loans made directly or indirectly to it (including Revolver Loans advanced hereunder to any other Person and then re-loaned or otherwise transferred to, or for the benefit of, such Obligor), LC Obligations relating to Letters of Credit issued to support its business, Secured Bank Product Obligations incurred to support its business, and all accrued interest, fees, expenses and other related Obligations with respect thereto, for which such Obligor shall be primarily liable for all purposes hereunder. Agent and Lenders shall have the right, at any time in their discretion, to condition Revolver Loans and Letters of Credit upon a separate calculation of borrowing availability for each Obligor and to restrict the disbursement and use of Revolver Loans and Letters of Credit to an Obligor based on that calculation.

(iv) Each Obligor that is a Qualified ECP when its guaranty of or grant of Lien as security for a Swap Obligation becomes effective hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide funds or other support to each Specified Obligor with respect to such Swap Obligation as may be needed by such Specified Obligor from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP's obligations and undertakings under this **Section 5.11** voidable under any applicable fraudulent transfer or conveyance act). The obligations and undertakings of each Qualified ECP under this Section shall remain in full force and effect until Full Payment of all Obligations. Each Obligor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support or other agreement" for the benefit of, each Obligor for all purposes of the Commodity Exchange Act.

(e) Joint Enterprise.

(i) Each Canadian Borrower has requested that Agent and Canadian Lenders make this credit facility available to Canadian Borrowers on a combined basis, in order to finance Canadian Borrowers' business most efficiently and economically. Canadian Borrowers' business is a mutual and collective enterprise, and the successful operation of each Canadian Borrower is dependent upon the successful performance of the integrated group. Canadian Borrowers believe that consolidation of their credit facility will enhance the borrowing power of each Canadian Borrower and ease administration of the facility, all to their mutual advantage. Canadian Borrowers acknowledge that Agent's and Canadian Lenders' willingness to extend credit and to administer the Canadian Collateral on a combined basis hereunder is done solely as an accommodation to Canadian Borrowers and at Canadian Borrowers' request.

(ii) Each U.S. Borrower has requested that Agent and U.S. Lenders make this credit facility available to U.S. Borrowers on a combined basis, in order to finance U.S. Borrowers' business most efficiently and economically. U.S. Borrowers' business is a mutual and collective enterprise, and the successful operation of each U.S. Borrower is dependent upon the successful performance of the integrated group. U.S. Borrowers believe that consolidation of their credit facility will enhance the borrowing power of each U.S. Borrower and ease administration of the facility, all to their mutual advantage. U.S. Borrowers acknowledge that Agent's and U.S. Lenders' willingness to extend credit and to administer the U.S. Collateral on a combined basis hereunder is done solely as an accommodation to U.S. Borrowers and at U.S. Borrowers' request.

(f) Subordination. Each Obligor hereby subordinates any claims, including any rights at law or in equity to payment, subrogation, reimbursement, exoneration, contribution, indemnification or set off, that it may have at any time against any other Obligor, howsoever arising, to the Full Payment of its Obligations.

**5.12. Currency Matters**. Dollars are the currency of account and payment for each and every sum at any time due from the Borrowers hereunder; provided that:

(a) except as expressly provided in this Agreement, each repayment of a Revolver Loan or a part thereof shall be made in the currency in which such Revolver Loan is denominated at the time of that repayment;

(b) each payment of interest shall be made in the currency in which such principal or other sum in respect of which such interest is payable, is denominated;

(c) each payment of any Letter of Credit Fees (and any other fees payable by the Borrowers under **Section 3.2**) and all other amounts due hereunder (unless the provisions of the Loan Agreement require otherwise) shall be in Dollars (if the Letter of Credit is denominated in Dollars) or Canadian Dollars (if the Letter of Credit is denominated in Canadian Dollars), as applicable;

(d) each payment in respect of costs, expenses and indemnities shall be made in the currency in which the same were incurred; and

(e) any amount expressed to be payable in Canadian Dollars shall be paid in Canadian Dollars.

No payment to Agent or any Lender (whether under any judgment or court order or otherwise) shall discharge the obligation or liability in respect of which it was made unless and until Agent or such Lender shall have received payment in full in the currency in which such obligation or liability was incurred, and to the extent that the amount of any such payment shall, on actual conversion into such currency, fall short of such obligation or liability actual or contingent expressed in that currency, each Borrower, severally and not jointly, agrees to indemnify and hold harmless Agent or such Lender, as the case may be, with respect to the amount of the shortfall with respect to amounts payable by such Borrower hereunder, with such indemnity surviving the termination of this Agreement and any legal proceeding, judgment or court order pursuant to which the original payment was made which resulted in the shortfall.

**5.13. Collection Allocation Mechanism (CAM) and Lender Loss Sharing Agreement**.

(a) CAM Exchange. On the CAM Exchange Date, (i) each U.S. Lender shall fund its participation in any outstanding U.S. Protective Advances and unreimbursed drawings made under Letters of Credit issued at the request of U.S. Borrowers, (ii) each Canadian Lender shall fund its participation in any outstanding Canadian Protective Advances and unreimbursed drawings made under Letters of Credit issued at the request of Canadian Borrowers, and the Lenders shall purchase at par interests in the Designated Obligations (and shall make payments to Agent for reallocation to other Lenders to the extent necessary to give effect to such purchases) and shall assume the obligations to reimburse LC Issuer for unreimbursed drawings under outstanding Letters of Credit such that, in lieu of the interests of each Lender in the Designated Obligations under the U.S. Revolver Commitments and the Canadian Revolver Commitments, in which it shall participate immediately prior to the CAM Exchange Date, such Lender shall own an interest equal to such Lender's CAM Percentage in each component of the Designated Obligations immediately following the CAM Exchange.

(b) Consents; Delivery of Notes. Each Lender and each Person acquiring a participation from any Lender as contemplated by **Section 13.2** hereby consents and agrees to the CAM Exchange. Each Borrower agrees from time to time to execute and deliver to Lenders all such promissory notes and other instruments and documents as Agent shall reasonably request to evidence and confirm the respective interests and obligations of Lenders after giving effect to the CAM Exchange, and each Lender agrees to surrender any promissory notes originally received by it in connection with its Revolver Loans under this Agreement to Agent against delivery of any promissory notes so executed and delivered; provided that the failure of any Lender to deliver or accept any such promissory note, instrument or document shall not affect the validity or effectiveness of the CAM Exchange.

(c) Distribution of Payments. As a result of the CAM Exchange, from and after the CAM Exchange Date, each payment received by Agent pursuant to any Loan Document in respect of any of the Designated Obligations shall be distributed to Lenders, pro rata in accordance with their respective CAM Percentages.

(d) Post-CAM Exchange Date LC Drawings. In the event that on or after the CAM Exchange Date, the aggregate amount of the Designated Obligations shall change as a result of the making of a disbursement under a Letter of Credit by a LC Issuer that is not reimbursed by a Borrower, then each Lender shall promptly reimburse LC Issuer for its CAM Percentage of such unreimbursed payment.

(e) Withholding and Deductions. Notwithstanding any other provision of this **Section 5.13**, Agent and each Lender agree that if Agent or a Lender is required under Applicable Law to withhold or deduct any taxes or other amounts from payments made by it hereunder or as a result hereof, such Person shall be entitled to withhold or deduct such amounts and pay over such taxes or other amounts to the applicable Governmental Authority imposing such tax without any obligation to indemnify Agent or any Lender with respect to such amounts and without any other obligation of gross up or offset with respect thereto and there shall be no recourse whatsoever by Agent or any Lender subject to such withholding to Agent or any other Lender making such withholding and paying over such amounts, but without diminution of the rights of Agent or such Lender subject to such withholding as against the applicable Borrower or Obligor to the extent (if any) provided in this Agreement and the other Loan Documents. Any amounts so withheld or deducted shall be treated as, for the purpose of this **Section 5.14**, having been paid to Agent or such Lender with respect to which such withholding or deduction was made.

(b) Cash Collateral. Cash Collateral may be invested, at Agent's discretion (with the consent of Obligors, provided no Event of Default exists), but Agent shall have no duty to do so, regardless of any agreement or course of dealing with any Obligor, and shall have no responsibility for any investment or loss. As security for its applicable Obligations, each Obligor hereby grants to Agent a security interest in and Lien upon all Cash Collateral delivered hereunder from time to time and all proceeds thereof, whether held in a Cash Collateral Account or otherwise. Agent may apply Cash Collateral to payment of such Obligations as they become due, in such order as Agent may elect. Each Cash Collateral Account and all Cash Collateral shall be under the sole dominion and control of Agent, and no Obligor or other Person shall have any right to any Cash Collateral until Full Payment of the Obligations.

**7.4. Real Estate Collateral**.

(a) Lien on Real Estate. If any Obligor acquires owned Real Estate after the Closing Date with a value in excess of $1,000,000, Obligors shall, upon the written request of Agent (in its sole discretion), within 30 days of such request, execute, deliver and record a Mortgage sufficient to create a second priority Lien (subject only to first priority Lien of Term Loan Agent for the Term Loan Facility) in favor of Agent on such Real Estate, and shall deliver all Related Real Estate Documents. The Mortgages shall be duly recorded, at Obligors' expense, in each office where such recording is required to constitute a fully perfected Lien on the Real Estate covered thereby.

(b) Flood-Related Matters. Notwithstanding the foregoing, the Agent shall not enter into any Mortgage in respect of any real property acquired by any Borrower or any other Obligor after the Closing Date until (1) the date that occurs 45 days after the Agent has delivered to the Lenders (which may be delivered electronically) the following documents in respect of such real property: (i) a completed flood hazard determination from a third party vendor; (ii) if such real property is located in a "special flood hazard area", (A) a notification to the Borrower Agent (or applicable Obligor) of that fact and (if applicable) notification to the Borrower Agent (or applicable Obligor) that flood insurance coverage is not available and (B) evidence of the receipt by the Borrower Agent (or applicable Obligor) of such notice; and (iii) if such notice is required to be provided to the Borrower Agent (or applicable Obligor) and flood insurance is available in the community in which such real property is located, evidence of required flood insurance and (2) the Agent shall have received written confirmation from the Lenders that flood insurance due diligence and flood insurance compliance have been completed by Lenders (such written confirmation not to be unreasonably conditioned, withheld or delayed).

(c) MIRE Events. If there are any Mortgaged Properties, any increase, extension or renewal of any of the Revolver Loan (including the provision of any other incremental credit facilities hereunder, but excluding (i) any continuation or conversion of borrowings, (ii) the making of any Revolver Loan or (iii) the issuance, renewal or extension of Letters of Credit) shall be subject to (and conditioned upon): (1) the prior delivery of all flood hazard determination certifications, acknowledgements and evidence of flood insurance and other flood-related documentation with respect to such Mortgaged Properties as required by Flood Insurance Laws and as otherwise reasonably required by the Agent and (2) the Agent shall have received written confirmation from the Lenders, flood insurance due diligence and flood insurance compliance has been completed by the Lenders (such written confirmation not to be unreasonably withheld, conditioned or delayed).

**7.5. Other Collateral**.

(a) Commercial Tort Claims. U.S. Obligors shall promptly notify Agent in writing if any such Obligor has a Commercial Tort Claim (other than, as long as no Default or Event of Default exists, a Commercial Tort Claim for less than $100,000), shall promptly amend **Schedule 9.1.16** to include such claim, and shall take such actions as Agent deems appropriate to subject such claim to a duly perfected, first priority Lien in favor of Agent.

(b) Certain After-Acquired Collateral . Obligors shall promptly notify Agent in writing if, after the Closing Date, any Obligor obtains any interest in any Collateral consisting of Deposit Accounts, Chattel Paper, Documents, Instruments, Intellectual Property, Investment Property or Letter-of-Credit Rights and, upon Agent's request, shall promptly take such actions as Agent deems appropriate to effect Agent's duly perfected, first priority Lien upon such Collateral, including obtaining any appropriate possession, control agreement or Lien Waiver. If any Collateral is in the possession of a third party, at Agent's request, Obligors shall obtain an acknowledgment that such third party holds the Collateral for the benefit of Agent.

(c) Equity Interests. Each Obligor shall, and will cause each of its Subsidiaries to, take such action from time to time as shall be necessary to ensure that each of its Subsidiaries is a wholly-owned Subsidiary and that Agent shall have, (i) for the benefit of Agent and U.S. Lenders, a first priority Lien (subject to Permitted Liens) on all Equity Interests of each Subsidiary of a U.S. Obligor, provided that neither U.S. Obligor nor any Foreign Subsidiary shall be required to pledge more than 65% of the voting Equity Interests of any such Foreign Subsidiary as Collateral for the U.S. Obligations and (ii) for the benefit of Agent and Canadian Lenders, a first priority Lien (subject to Permitted Liens) on all Equity Interests of each Subsidiary of a Canadian Obligor and Guarantor of the Canadian Obligations. In the event that any additional Equity Interests shall be issued by any Subsidiary, the applicable Obligor shall or shall cause each of its Subsidiaries to, concurrently with such issuance, deliver to Agent to the extent required by the applicable Loan Documents the certificates evidencing such Equity Interests, accompanied by undated powers executed in blank and to take such other action as Agent shall reasonably request to perfect the security interest created therein pursuant to such Loan Documents.

**7.6.** **Limitations**. The Liens on Collateral granted hereunder are given as security only and shall not subject Agent or any Lender to, or in any way modify, any obligation or liability of Obligors relating to any Collateral. In no event shall the grant of any Lien under any Loan Document secure an Excluded Swap Obligation of the granting Obligor.

**7.7.** **Further Assurances**. All Liens granted to Agent under the Loan Documents are for the benefit of Secured Parties. Promptly upon request, Obligors shall deliver such instruments and agreements, and shall take such actions, as Agent deems appropriate under Applicable Law to evidence or perfect its Liens on any Collateral, or otherwise to give effect to the intent of this Agreement. Each Obligor authorizes Agent to file any financing statement that describes the Collateral as "all assets" or "all personal property" of such Obligor, or words to similar effect, and ratifies any action taken by Agent before the Closing Date to effect or perfect its Liens on any Collateral.

**7.8.** **Excluded Property**. Notwithstanding anything in **Section 7.1** or **Section 7.2** or any other provision of this Agreement or any other Loan Document, the "Collateral" shall exclude any Excluded Property; provided, if and when any Property shall cease to be Excluded Property, such Property shall be deemed, at all times from and after such date and so long as such Property of the type set forth in **clauses (a)** through **(q)** of **Section 7.1** or **clauses (a)** through **(q)** of **Section 7.2** does not at any time thereafter become an Excluded Property, to constitute Collateral. For the avoidance of doubt, Excluded Property shall not include any proceeds, products, substitutions or replacements of Excluded Property (unless such proceeds, products, substitutions or replacements would otherwise constitute Excluded Property).

**7.9.** **Intercreditor Agreement**. The security interests and Liens granted by the U.S. Obligors pursuant to this **Section 7** are subject to the Intercreditor Agreement.

**7.10.** **ULC Limitation**. Notwithstanding any provisions to the contrary contained in this Agreement or any other Loan Document, as regards each applicable Obligor who is a registered and beneficial owner of Pledged ULC Shares, such Obligor owns and will remain so until such time as such Pledged ULC Shares are fully and effectively transferred into the name of Agent or any other person on the books and records of such ULC. Nothing in this Agreement or any other Loan Document is intended to or shall constitute Agent or any person other than an Obligor to be a member or shareholder of any ULC until such time as written notice is given to the applicable Obligor and all further steps are taken so as to register Agent or other person as holder of the Pledged ULC Shares. The granting of the pledge and security interest pursuant to Sections 7.1 and 7.2 or in any other Loan Document does not make Agent a successor to any Obligor as a member or shareholder of any ULC, and neither Agent nor any of its respective successors or assigns hereunder shall be deemed to become a member or shareholder of any ULC by accepting this Agreement or any other Loan Document or exercising any right granted herein unless and until such time, if any, when Agent or any successor or assign expressly becomes a registered member or shareholder of any ULC. Each applicable Obligor shall be entitled to receive and retain for its own account any dividends or other distributions if any, in respect of the Collateral, and shall have the right to vote such Pledged ULC Shares and to control the direction, management and policies of the ULC issuing such Pledged ULC Shares to the same extent as such Obligor would if such Pledged ULC Shares were not pledged to Agent or to any other person pursuant hereto. To the extent any provision herein or in any other Loan Document would have the effect of constituting Agent to be a member or shareholder of any ULC prior to such time, such provision shall be severed herefrom and therefrom and ineffective with respect to the relevant Pledged ULC Shares without otherwise invalidating or rendering unenforceable this Agreement or any other Loan Document or invalidating or rendering unenforceable such provision insofar as it relates to Collateral other than Pledged ULC Shares. Notwithstanding anything herein or in any other Loan Document to the contrary (except to the extent, if any, that Agent or any of its successors or assigns hereafter expressly becomes a registered member or shareholder of any ULC), neither Agent nor any of its respective successors or assigns shall be deemed to have assumed or otherwise become liable for any debts or obligations of any ULC. Except upon the exercise by Agent or other persons of rights to sell or otherwise dispose of Pledged ULC Shares or other remedies following the occurrence and during the continuance of an Event of Default, each applicable Obligor shall not cause or permit, or enable any ULC in which it holds Pledged ULC Shares to cause or permit, Agent to: (a) be registered as member or shareholder of such ULC; (b) have any notation entered in its favor in the share register of such ULC; (c) be held out as member or shareholder of such ULC; (d) receive, directly or indirectly, any dividends, property or other distributions from such ULC by reason of Agent or other person holding a security interest in the Pledged ULC Shares; or (e) act as a member or shareholder of such ULC, or exercise any rights of a member or shareholder of such ULC, including the right to attend a meeting of such ULC or vote the shares of such ULC.

**SECTION 8. COLLATERAL ADMINISTRATION**

**8.1.** **Borrowing Base Reports**

(a) **Canadian Borrowers**. By the 15th day of each calendar month, Canadian Borrowers shall deliver to Agent (and Agent shall promptly deliver same to Canadian Lenders) a Canadian Borrowing Base Report as of the close of business of the previous calendar month, and at such other times as Agent may request in its Permitted Discretion; provided, that, notwithstanding the foregoing, during any Reporting Trigger Period, the Canadian Borrowers shall deliver a Canadian Borrowing Base Report prepared as of the close of business each previous Friday, not later than the following Tuesday after each such Friday. All information (including calculation of Canadian Availability and Global Availability) in a Canadian Borrowing Base Report shall be certified by Canadian Borrowers. Agent may from time to time in its Permitted Discretion adjust any such report (i) to reflect Agent's reasonable estimate of declines in value of Canadian Collateral, due to collections received in the Dominion Account or otherwise; (ii) to adjust advance rates to reflect changes in dilution, quality, mix and other factors affecting Canadian Collateral; and (iii) to the extent any information or calculation does not comply with this Agreement.

(b) **U.S. Borrowers**. By the 15th day of each calendar month, U.S. Borrowers shall deliver to Agent (and Agent shall promptly deliver same to U.S. Lenders) a U.S. Borrowing Base Report as of the close of business of the previous calendar month, and at such other times as Agent may request in its Permitted Discretion; provided, that, notwithstanding the foregoing, during any Reporting Trigger Period, the U.S. Borrowers shall deliver a U.S. Borrowing Base Report prepared as of the close of business each previous Friday, not later than the following Tuesday after each such Friday. All information (including calculation of U.S. Availability and Global Availability) in a U.S. Borrowing Base Report shall be certified by U.S. Borrowers. Agent may from time to time in its Permitted Discretion adjust any such report (i) to reflect Agent's reasonable estimate of declines in value of ABL Priority Collateral, due to collections received in the Dominion Account or otherwise; (ii) to adjust advance rates to reflect changes in dilution, quality, mix and other factors affecting ABL Priority Collateral; and (iii) to the extent any information or calculation does not comply with this Agreement.

**8.2. Accounts**.

(a) Records and Schedules of Accounts. Each Obligor shall keep accurate and complete records of its Accounts, including all payments and collections thereon, and shall submit to Agent sales, collection, reconciliation and other reports in form reasonably satisfactory to Agent, on such periodic basis as Agent may request, but not more frequently than once per calendar month or more frequently during the continuation of an Event of Default or a Reporting Trigger Period. Each Obligor shall also provide to Agent, on or before the 15th day of each calendar month, a detailed aged trial balance of all Accounts as of the end of the preceding calendar month, specifying each Account's Account Debtor name and address, amount, invoice date and due date, showing any discount, allowance, credit, authorized return or dispute, and including such proof of delivery, copies of invoices and invoice registers, copies of related documents, repayment histories, status reports and other information as Agent may request. If Accounts in an aggregate face amount of $500,000 or more cease to be Eligible Accounts, Obligors shall notify Agent of such occurrence promptly (and in any event within one Business Day) after any Obligor has knowledge thereof.

(b) Taxes. If an Account of any Obligor includes a charge for any Taxes, Agent is authorized, in its discretion, to pay the amount thereof to the proper taxing authority for the account of such Obligor and to charge Obligors therefor; provided, however, that neither Agent nor Lenders shall be liable for any Taxes that may be due from Obligors or with respect to any Collateral.

(c) Account Verification. Whether or not a Default or Event of Default exists, Agent shall have the right at any time, in the name of Agent, any designee of Agent or any Obligor, to verify the validity, amount or any other matter relating to any Accounts of Obligors by mail, telephone or otherwise. Obligors shall cooperate fully with Agent in an effort to facilitate and promptly conclude any such verification process.

(d) Maintenance of Dominion Account. Each Obligor shall maintain (i) all of its Deposit Accounts, including for the maintenance of operating, lockbox administration, funds transfer, information reporting services and other treasury management services, (other than Excluded Accounts) with Bank of America and its branches; provided, that the Canadian Obligors shall have 120 days after the Closing Date (or such longer period as Agent may determine in its sole discretion) to migrate its respective Deposit Accounts (other than Excluded Accounts) listed on **Schedule 8.5** to Bank of America-Canada Branch; and (ii) each of its Dominion Accounts with Bank of America pursuant to lockbox or other arrangements reasonably acceptable to Agent. Each U.S. Obligor, and within 30 days after the Closing Date, each Canadian Obligor, shall obtain an agreement (in form and substance reasonably satisfactory to Agent) from each lockbox servicer and each Deposit Account bank, establishing Agent's control over and Lien on the lockbox or Deposit Account, which may be exercised by Agent during any Cash Dominion Trigger Period, requiring immediate deposit of all remittances received in the lockbox or Deposit Account to a Dominion Account, and waiving offset rights of such servicer or bank, except for customary administrative charges. Agent and Lenders assume no responsibility to Obligors for any lockbox arrangement or Dominion Account, including any claim of accord and satisfaction or release with respect to any Payment Items accepted by any bank.

(e) Proceeds of Collateral. Each Obligor shall request in writing and otherwise take all necessary steps to ensure that all payments on Accounts or otherwise relating to ABL Priority Collateral are made directly to a Dominion Account (or a lockbox relating to a Dominion Account). If any Obligor or Subsidiary receives cash or Payment Items with respect to any ABL Priority Collateral, it shall hold same in trust for Agent and promptly (not later than the next Business Day) deposit same into a Dominion Account.

**8.3. Inventory**.

(a) Records and Reports of Inventory. Each Obligor shall keep accurate and complete records of its Inventory, including costs and daily withdrawals and additions, and shall submit to Agent inventory and reconciliation reports in form satisfactory to Agent, on or before the 15th day of each calendar month or more frequently, as requested by Agent, during the continuation of an Event of Default or a Reporting Trigger Period. Each Obligor shall conduct a physical inventory at least once per calendar year (and on a more frequent basis if requested by Agent when an Event of Default exists) and periodic cycle counts consistent with historical practices, and shall provide to Agent a report based on each such inventory and count promptly upon completion thereof, together with such supporting information as Agent may request. Agent may participate in and observe each physical count.

(b) Returns of Inventory. No Obligor shall return any Inventory to a supplier, vendor or other Person, whether for cash, credit or otherwise, unless (a) such return is in the Ordinary Course of Business; (b) no Default, Event of Default, Canadian Overadvance, U.S. Overadvance or Overadvance exists or would result therefrom; (c) Agent is promptly notified if the aggregate Value of all Inventory returned in any calendar month exceeds $500,000; and (d) any payment received by an Obligor for a return is promptly remitted to Agent for application to the Obligations.

(c) Acquisition, Sale and Maintenance . No Obligor shall acquire or accept any Inventory on consignment or approval, and shall take all steps to assure that all Inventory is produced in accordance with Applicable Law, including the FLSA. No Obligor shall sell any Inventory on consignment or approval or any other basis under which the customer may return or require an Obligor to repurchase such Inventory. Obligors shall use, store and maintain all Inventory with reasonable care and caution, in accordance with applicable standards of any insurance and in conformity with all Applicable Law, and shall make current rent payments (within applicable grace periods provided for in leases) at all locations where any Collateral is located.

**8.4. Equipment**.

(a) Records and Schedules of Equipment. Each Obligor shall keep accurate and complete records of its Equipment, including kind, quality, quantity, cost, acquisitions and dispositions thereof, and shall submit to Agent, on such periodic basis as Agent may request, but not more frequently than once per calendar month or more frequently during the continuation of an Event of Default or a Reporting Trigger Period, a current schedule thereof, in form satisfactory to Agent in its Permitted Discretion. Promptly upon request, Obligors shall deliver to Agent evidence of their ownership or interests in any material Equipment.

(b) Dispositions of Equipment. No Obligor shall sell, lease or otherwise dispose of any Equipment, without the prior written consent of Agent, other than a Permitted Asset Disposition.

(c) Condition of Equipment. The Equipment is in good operating condition and repair, and all necessary replacements and repairs have been made so that the value and operating efficiency of the Equipment is preserved at all times, reasonable wear and tear excepted. Each Obligor shall ensure that the Equipment is mechanically and structurally sound, and capable of performing the functions for which it was designed, in accordance with manufacturer specifications. No Obligor shall permit any Equipment to become affixed to real Property unless any landlord or mortgagee delivers a Lien Waiver.

**8.5. Deposit Accounts**. Set forth on Schedule 8.5 are all Deposit Accounts maintained by Obligors as of the Closing Date, including all Dominion Accounts and Excluded Accounts. Each Obligor shall provide Agent with prompt written notice upon establishing any Deposit Account (other than Excluded Accounts and Deposit Accounts previously set forth on Schedule 8.5) and shall take all actions necessary to establish Agent's control of each such Deposit Account (other than an Excluded Account). One or more Obligors shall be the sole account holders of each Deposit Account and shall not allow any other Person (other than Agent) to have control over a Deposit Account or any Property deposited therein. Each Obligor shall promptly notify Agent of any opening or closing of a Deposit Account and, with the consent of Agent, will amend Schedule 8.5 to reflect same.

**8.6. General Provisions**.

(a) Location of Collateral. All tangible items of Collateral, other than Inventory in transit, shall at all times be kept by Obligors at the business locations set forth in **Schedule 8.6.1**, except that Obligors may (i) make sales or other dispositions of Collateral in accordance with **Section 10.2(f)**; (ii) move Collateral to another location set forth on **Schedule 8.6.1**, (iii) move Collateral to another location in the United States or Canada, upon 30 Business Days' prior written notice to Agent, (iv) transport Collateral to trade shows or other industry expositions for marketing purposes in the Ordinary Course of Business, (v) send Equipment to repair facilities in the Ordinary Course of Business, and (vi) allow employees to utilize Collateral at remote locations in the Ordinary Course of Business.

(b) Insurance of Collateral; Condemnation Proceeds. Subject to the Intercreditor Agreement:

(i) Each Obligor shall maintain insurance with respect to the Collateral, covering casualty, hazard, theft, malicious mischief, flood and other risks, in amounts, with endorsements and with insurers (with a Best rating of at least A+, unless otherwise approved by Agent in its discretion) reasonably satisfactory to Agent; provided, that if Real Estate secures any Obligations, flood hazard diligence, documentation and insurance shall comply with the Flood Disaster Protection Act or otherwise shall be satisfactory to all Lenders. All proceeds under each policy shall be payable to Agent. From time to time upon request, Obligors shall deliver to Agent certified copies of its insurance policies and updated flood plain searches. Unless Agent shall agree otherwise, each policy shall include endorsements in form and substance reasonably satisfactory to it (A) showing Agent as loss payee (other than with respect to workers' compensation, D&O insurance, kidnap, ransom and terrorism policies); (B) requiring 30 days' prior written notice to Agent in the event of cancellation of the policy for any reason whatsoever; and (C) specifying that the interest of Agent shall not be impaired or invalidated by any act or neglect of any Obligor or the owner of the Property, nor by the occupation of the premises for purposes more hazardous than are permitted by the policy. If any Obligor fails to provide and pay for any insurance, Agent may, at its option, but shall not be required to, procure the insurance and charge Obligors therefor. Each Obligor agrees to deliver to Agent, promptly as rendered, copies of all reports made to insurance companies (other than with respect to workers' compensation, D&O insurance, kidnap, ransom and terrorism policies). While no Event of Default exists, Obligors may settle, adjust or compromise any insurance claim, as long as the proceeds (other than with respect to workers' compensation, D&O insurance, kidnap, ransom and terrorism policies) are delivered to Agent, subject to Obligor reinvestment rights in accordance with this Agreement. If an Event of Default exists, only Agent shall be authorized to settle, adjust and compromise such claims (other than with respect to workers' compensation, D&O insurance, kidnap, ransom and terrorism policies).

(ii) Any proceeds of insurance (other than proceeds from workers' compensation or D&O insurance or kidnap, ransom and terrorism policies) and any awards arising from condemnation or expropriation of any Collateral shall be paid to Agent upon receipt thereof; provided that, so long as no Event of Default exists, Borrowers shall have the right to elect to reinvest such proceeds in replacement assets within one hundred eighty (180) days following the occurrence of the claim or casualty event. Subject to the Intercreditor Agreement, any such proceeds or awards that relate to any Collateral and not so reinvested shall be applied to payment of the Revolver Loans, and then to other Obligations.

(iii) [Reserved].

(iv) If at any time the improvements on a Mortgaged Property are located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a "special flood hazard area" with respect to which flood insurance has been made available under Flood Insurance Laws, then the applicable Obligor (A) has obtained and will maintain, with financially sound and reputable insurance companies (except to the extent that any insurance company insuring the Mortgaged Property of such Obligor ceases to be financially sound and reputable after the Closing Date, in which case, Holdings or such Obligor shall promptly replace such insurance company with a financially sound and reputable insurance company), such flood insurance in such reasonable total amount as the Agent and the Lenders may from time to time reasonably require, and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws and (B) promptly upon request of the Agent or any Lender, will deliver to the Agent or such Lender, as applicable, evidence of such compliance in form and substance reasonably acceptable to the Agent and such Lender, including, without limitation, evidence of annual renewals of such insurance.

(c) Protection of Collateral. All expenses of protecting, storing, warehousing, insuring, handling, maintaining and shipping any Collateral, all Taxes payable with respect to any Collateral (including any sale thereof), and all other payments required to be made by Agent to any Person to realize upon any Collateral, shall be borne and paid by Obligors. Agent shall not be liable or responsible in any way for the safekeeping of any Collateral, for any loss or damage thereto (except for reasonable care in its custody while Collateral is in Agent's actual possession), for any diminution in the value thereof, or for any act or default of any warehouseman, carrier, forwarding agency or other Person whatsoever, but the same shall be at Obligors' sole risk.

(d) Defense of Title. Each Obligor shall defend its title to Collateral and Agent's Liens thereon against all Persons, claims and demands, except Permitted Liens.

**8.7. Power of Attorney**. Each Obligor hereby irrevocably constitutes and appoints Agent (and all Persons designated by Agent) as such Obligor's true and lawful attorney (and agent-in-fact) for the purposes provided in this Section. Agent, or Agent's designee, may, without notice and in either its or an Obligor's name, but at the cost and expense of Obligors:

(a) Endorse an Obligor's name on any Payment Item or other proceeds of Collateral (including proceeds of insurance) that come into Agent's possession or control; and

(b) During an Event of Default, (i) notify any Account Debtors of the assignment of their Accounts, demand and enforce payment of Accounts by legal proceedings or otherwise, and generally exercise any rights and remedies with respect to Accounts; (ii) settle, adjust, modify, compromise, discharge or release any Accounts or other Collateral, or any legal proceedings brought to collect Accounts or Collateral; (iii) sell or assign any Accounts and other Collateral upon such terms, for such amounts and at such times as Agent deems advisable; (iv) collect, liquidate and receive balances in Deposit Accounts or investment accounts, and take control, in any manner, of proceeds of Collateral; (v) prepare, file and sign an Obligor's name to a proof of claim or other document in a bankruptcy of an Account Debtor, or to any notice, assignment or satisfaction of Lien or similar document; (vi) receive, open and dispose of mail addressed to an Obligor, and notify postal authorities to deliver any such mail to an address designated by Agent; (vii) endorse any Chattel Paper, Document, Instrument, bill of lading, or other document or agreement relating to any Accounts, Inventory or other Collateral; (viii) use an Obligor's stationery and sign its name to verifications of Accounts and notices to Account Debtors; (ix) use information contained in any data processing, electronic or information systems relating to Collateral; (x) make and adjust claims under insurance policies; (xi) take any action as may be necessary or appropriate to obtain payment under any letter of credit, banker's acceptance or other instrument for which an Obligor is a beneficiary; and (xii) take all other actions as Agent deems appropriate to fulfill any Obligor's obligations under the Loan Documents.

## SECTION 9. REPRESENTATIONS AND WARRANTIES

**9.1.** **General Representations and Warranties**. To induce Agent and Lenders to enter into this Agreement and to make available the Revolver Commitments, Revolver Loans and Letters of Credit, each Obligor represents and warrants that:

(a) Organization and Qualification. Each Obligor and Subsidiary is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization. Each Obligor and Subsidiary is duly qualified, authorized to do business and in good standing as a foreign corporation in each jurisdiction where failure to be so qualified, authorized or in good standing could reasonably be expected to have a Material Adverse Effect. No Obligor is an EEA Financial Institution.

(b) Power and Authority. Each Obligor is duly authorized to execute, deliver and perform its Loan Documents. The execution, delivery and performance of the Loan Documents and the consummation of the Transactions have been duly authorized by all necessary action, and do not (i) require any consent or approval of any holders of Equity Interests of any Obligor, except those already obtained; (ii) contravene the Organic Documents of any Obligor; (iii) violate any Applicable Law or cause a default under any Material Contract; or (iv) result in or require imposition of a Lien (other than Permitted Liens) on any Obligor's Property.

(c) Enforceability. Each Loan Document is a legal, valid and binding obligation of each Obligor party thereto, enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally.

(d) Capital Structure. **Schedule 9.1.4** shows, for each Obligor and Subsidiary, its name, jurisdiction of organization, authorized and issued Equity Interests, holders of its Equity Interests, and agreements binding on such holders with respect to such Equity Interests as of the Closing Date (immediately after giving effect to the Asset Acquisition) and upon giving effect to the Share Acquisition. Except as disclosed on **Schedule 9.1.4**, in the five years preceding the Closing Date, no Obligor or Subsidiary has acquired any substantial assets from any other Person nor been the surviving entity in a merger or combination. Each Obligor has good title to its Equity Interests in its Subsidiaries, subject only to Agent's Lien and the Term Loan Agent's Lien, and all such Equity Interests are duly issued, fully paid and non-assessable. There are no outstanding purchase options, warrants, subscription rights, agreements to issue or sell, convertible interests, phantom rights or powers of attorney relating to Equity Interests of any Obligor or Subsidiary.

(e) Title to Properties; Priority of Liens. Each Obligor and Subsidiary has good and marketable title to (or valid leasehold interests in) all of its Real Estate, and good title to all of its personal Property, including all Property reflected in any financial statements delivered to Agent or Lenders, in each case free of Liens except Permitted Liens. No Real Estate is located in a special flood hazard zone, except as disclosed on **Schedule 9.1.5**. Each Obligor and Subsidiary has paid and discharged all lawful claims that, if unpaid, could become a Lien on its Properties, other than Permitted Liens. All Liens of Agent on the ABL Priority Collateral are duly perfected, first priority Liens and all Liens of Agent on the Term Loan Priority Collateral are duly perfected Liens having the priority set forth in the Intercreditor Agreement, in each case, subject only to Permitted Liens that are expressly allowed to have priority over Agent's Liens. Accounts. Agent may rely, in determining which Accounts are Eligible Accounts, on all statements and representations made by Obligors with respect thereto. Each Obligor warrants, with respect to each Account shown as an Eligible Account in a Borrowing Base Report, that:

(i) it is genuine and in all respects what it purports to be;

(ii) it arises out of a completed, bona fide sale and delivery of goods or rendition of services in the Ordinary Course of Business, and substantially in accordance with any purchase order, contract or other document relating thereto;

(iii) it is for a sum certain, maturing as stated in the applicable invoice, a copy of which has been furnished or is available to Agent on request;

(iv) it is not subject to any offset, Lien (other than Agent's Lien and the Term Loan Agent's Lien), deduction, defense, dispute, counterclaim or other adverse condition except as arising in the Ordinary Course of Business and disclosed to Agent; and it is absolutely owing by the Account Debtor, without contingency of any kind;

(v) no purchase order, agreement, document or Applicable Law restricts assignment of the Account to Agent (regardless of whether, under the UCC or similar provisions of the PPSA, as applicable, the restriction is ineffective), and the applicable Obligor is the sole payee or remittance party shown on the invoice;

(vi) no extension, compromise, settlement, modification, credit, deduction or return has been authorized or is in process with respect to the Account, except discounts or allowances granted in the Ordinary Course of Business for prompt payment that are reflected on the face of the invoice related thereto and in the reports submitted to Agent hereunder; and

(vii) to the best of Obligors' knowledge, (A) there are no facts or circumstances that are reasonably likely to impair the enforceability or collectability of such Account; (B) the Account Debtor had the capacity to contract when the Account arose, continues to meet the applicable Obligor's customary credit standards, is Solvent, is not contemplating or subject to an Insolvency Proceeding, and has not failed, or suspended or ceased doing business; and (C) there are no proceedings or actions threatened or pending against any Account Debtor that could reasonably be expected to have a material adverse effect on the Account Debtor's financial condition.

(f) Financial Statements. The consolidated and consolidating balance sheets, and related statements of income, cash flow and shareholders equity, of Hydrofarm and its Subsidiaries have been delivered and of Obligors and Subsidiaries that are hereafter delivered to Agent and Lenders, are prepared in accordance with GAAP, and fairly present the financial positions and results of operations of Obligors and Subsidiaries at the dates and for the periods indicated, subject to the lack of footnotes and year end audit adjustments, if any. All projections delivered from time to time to Agent and Lenders have been prepared in good faith, based on reasonable assumptions in light of the circumstances at such time, it being acknowledged and agreed by Agent and Lenders that projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by such projections may differ widely from projected results. Since December 31, 2016, there has been no change in the condition, financial or otherwise, of (i) Hydrofarm and its Subsidiaries or (ii) any Obligor or Subsidiary that, in any case, could reasonably be expected to have a Material Adverse Effect. No financial statement delivered to Agent or Lenders at any time contains any untrue statement of a material fact, nor fails to disclose any material fact necessary to make such statement not materially misleading. Agent may request instructions from Required Lenders or other Secured Parties with respect to any act (including the failure to act) in connection with any Loan Documents or Collateral, and may seek assurances to its satisfaction from Secured Parties of their indemnification obligations against Claims that could be incurred by Agent. Agent may refrain from any act until it has received such instructions or assurances, and shall not incur liability to any Person by reason of so refraining. Instructions of Canadian Required Lenders and U.S. Required Lenders shall be binding upon all Canadian Secured Parties and U.S. Secured Parties, respectively, and no Secured Party shall have any right of action whatsoever against Agent as a result of Agent acting or refraining from acting pursuant to instructions of the applicable Required Lenders. Reports and other Borrower Materials may be made available to Lenders by providing access to them on the Platform, but Agent shall not be responsible for system failures or access issues that may occur from time to time. Each Lender agrees (i) that Reports are not intended to be comprehensive audits or examinations, and that Agent or any other Person performing an audit or examination will inspect only limited information and will rely significantly upon Obligors' books, records and representations; (ii) that Agent makes no representation or warranty as to the accuracy or completeness of any Borrower Materials and shall not be liable for any information contained in or omitted from any Borrower Materials, including any Report; and (iii) to keep all Borrower Materials confidential and strictly for such Lender's internal use, not to distribute any Report or other Borrower Materials (or the contents thereof) to any Person (except to such Lender's Participants, attorneys and accountants), and to use all Borrower Materials solely for administration of the Obligations. Agent shall have a reasonable and practicable amount of time to act upon any instruction, notice or other communication under any Loan Document, and shall not be liable for any delay in acting.

**12.4.** **Action Upon Default**. Agent shall not be deemed to have knowledge of any Default or Event of Default, or of any failure to satisfy any conditions in **Section 6**, unless it has received written notice from a Borrower or Required Lenders specifying the occurrence and nature thereof. If a Lender acquires knowledge of a Default, Event of Default or failure of such conditions, it shall promptly notify Agent and the other Lenders thereof in writing. Each Secured Party agrees that, except as otherwise provided in any Loan Documents or with the written consent of Agent and Required Lenders, it will not take any Enforcement Action, accelerate Obligations (other than Secured Bank Product Obligations) or assert any rights relating to any Collateral.

**12.5.** **Ratable Sharing**. If any Lender obtains any payment or reduction of any Obligation, whether through set-off or otherwise, in excess of its ratable share of such Obligation, such Lender shall forthwith purchase from Secured Parties participations in the affected Obligation as are necessary to share the excess payment or reduction on a Pro Rata basis or in accordance with **Section 5.6(b)**, as applicable. If any of such payment or reduction is thereafter recovered from the purchasing Lender, the purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest. Notwithstanding the foregoing, if a Defaulting Lender obtains a payment or reduction of any Obligation, it shall immediately turn over the full amount thereof to Agent for application under **Section 4.2(b)** and it shall provide a written statement to Agent describing the Obligation affected by such payment or reduction. No Lender shall set off against a Dominion Account without Agent's prior consent.

**12.6.** **Indemnification**. EACH SECURED PARTY SHALL INDEMNIFY AND HOLD HARMLESS AGENT INDEMNITEES AND ISSUING BANK INDEMNITEES, TO THE EXTENT NOT REIMBURSED BY OBLIGORS, ON A PRO RATA BASIS, AGAINST ALL CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY SUCH INDEMNITEE, PROVIDED THAT ANY CLAIM AGAINST AN AGENT INDEMNITEE RELATES TO OR ARISES FROM ITS ACTING AS OR FOR AGENT (IN THE CAPACITY OF AGENT). In Agent's discretion, it may reserve for any Claims made against an Agent Indemnitee or Issuing Bank Indemnitee, and may satisfy any judgment, order or settlement relating thereto, from proceeds of Collateral prior to making any distribution of Collateral proceeds to Secured Parties. If Agent is sued by any receiver, trustee or other Person for any alleged preference or fraudulent transfer, then any monies paid by Agent in settlement or satisfaction of such proceeding, together with all interest, costs and expenses (including attorneys' fees) incurred in the defense of same, shall be promptly reimbursed to Agent by each Secured Party to the extent of its Pro Rata share.

**12.7. Limitation on Responsibilities of Agent**. Agent shall not be liable to any Secured Party for any action taken or omitted to be taken under the Loan Documents, except for losses directly and solely caused by Agent's gross negligence or willful misconduct. Agent does not assume any responsibility for any failure or delay in performance or any breach by any Obligor, Lender or other Secured Party of any obligations under the Loan Documents. Agent does not make any express or implied representation, warranty or guarantee to Secured Parties with respect to any Obligations, Collateral, Liens, Loan Documents or Obligor. No Agent Indemnitee shall be responsible to Secured Parties for any recitals, statements, information, representations or warranties contained in any Loan Documents or Borrower Materials; the execution, validity, genuineness, effectiveness or enforceability of any Loan Documents; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Obligor or Account Debtor. No Agent Indemnitee shall have any obligation to any Secured Party to ascertain or inquire into the existence of any Default or Event of Default, the observance by any Obligor of any terms of the Loan Documents, or the satisfaction of any conditions precedent contained in any Loan Documents.

**12.8. Successor Agent and Co-Agents**.

(a) Resignation; Successor Agent. Agent may resign at any time by giving at least 30 days written notice thereof to Lenders and Borrowers. Required Lenders may appoint a successor to replace the resigning Agent, which successor shall be (i) a Lender or an Affiliate of a Lender; or (ii) a financial institution reasonably acceptable to Required Lenders and (provided no Default or Event of Default exists) Borrowers. If no successor agent is appointed prior to the effective date of Agent's resignation, then Agent may appoint a successor agent that is a financial institution acceptable to it (which shall be a Lender unless no Lender accepts the role) or in the absence of such appointment, Required Lenders shall on such date assume all rights and duties of Agent hereunder. Upon acceptance by any successor Agent of its appointment hereunder, such successor Agent shall thereupon succeed to and become vested with all the powers and duties of the retiring Agent without further act. On the effective date of its resignation, the retiring Agent shall be discharged from its duties and obligations hereunder but shall continue to have all rights and protections under the Loan Documents with respect to actions taken or omitted to be taken by it while Agent, including the indemnification set forth in **Sections 12.6** and **14.2**, and all rights and protections under this **Section 12**. Any successor to Bank of America by merger or acquisition of stock or this loan shall continue to be Agent hereunder without further act on the part of any Secured Party or Obligor.

(b) Co-Collateral Agent. If appropriate under Applicable Law, Agent may appoint a Person to serve as a co- collateral agent or separate collateral agent under any Loan Document. Each right, remedy and protection intended to be available to Agent under the Loan Documents shall also be vested in such agent. Secured Parties shall execute and deliver any instrument or agreement that Agent may request to effect such appointment. If any such agent shall die, dissolve, become incapable of acting, resign or be removed, then all the rights and remedies of the agent, to the extent permitted by Applicable Law, shall vest in and be exercised by Agent until appointment of a new agent.

**12.9. Due Diligence and Non-Reliance**. Each Lender acknowledges and agrees that it has, independently and without reliance upon Agent or any other Lenders, and based upon such documents, information and analyses as it has deemed appropriate, made its own credit analysis of each Obligor and its own decision to enter into this Agreement and to fund Revolver Loans and participate in LC Obligations hereunder. Each Secured Party has made such inquiries as it feels necessary concerning the Loan Documents, Collateral and Obligors. Each Secured Party acknowledges and agrees that the other Secured Parties have made no representations or warranties concerning any Obligor, any Collateral or the legality, validity, sufficiency or enforceability of any Loan Documents or Obligations. Each Secured Party will, independently and without reliance upon any other Secured Party, and based upon such financial statements, documents and information as it deems appropriate at the time, continue to make and rely upon its own credit decisions in making Revolver Loans and participating in LC Obligations, and in taking or refraining from any action under any Loan Documents. Except for notices, reports and other information expressly requested by a Lender, Agent shall have no duty or responsibility to provide any Secured Party with any notices, reports or certificates furnished to Agent by any Obligor or any credit or other information concerning the affairs, financial condition, business or Properties of any Obligor (or any of its Affiliates) which may come into possession of Agent or its Affiliates.

**12.10. Remittance of Payments and Collections**.

(a) Remittances Generally. All payments by any Lender to Agent shall be made by the time and date provided herein, in immediately available funds. If no time for payment is specified or if payment is due on demand and request for payment is made by Agent by 1:00 p.m. (in the Applicable Time Zone) on a Business Day, then payment shall be made by the Secured Party by 3:00 p.m. on such day, and if request is made after 1:00 p.m. (in the Applicable Time Zone), then payment shall be made by 11:00 a.m. (in the Applicable Time Zone) on the next Business Day. Payment by Agent to any Secured Party shall be made by wire transfer, in the type of funds received by Agent. Any such payment shall be subject to Agent's right of offset for any amounts due from such payee under the Loan Documents.

(b) Failure to Pay. If any Secured Party fails to deliver when due any amount payable by it to Agent hereunder, such amount shall bear interest, from the due date until paid in full, at the greater of the Federal Funds Rate or the rate determined by Agent as customary for interbank compensation for two Business Days and thereafter at the Default Rate for Floating Rate Loans. In no event shall Borrowers be entitled to credit for any interest paid by a Secured Party to Agent, nor shall a Defaulting Lender be entitled to interest on amounts held by Agent pursuant to **Section 4.2**.

(c) Recovery of Payments. If Agent pays an amount to a Secured Party in the expectation that a related payment will be received by Agent from an Obligor and such related payment is not received, then Agent may recover such amount from the Secured Party. If Agent determines that an amount received by it must be returned or paid to an Obligor or other Person pursuant to Applicable Law or otherwise, then Agent shall not be required to distribute such amount to any Secured Party. If Agent is required to return any amounts applied by it to Obligations held by a Secured Party, such Secured Party shall pay to Agent, **on demand**, its share of the amounts required to be returned.

**12.11.** **Individual Capacities**. As a Lender, Bank of America shall have the same rights and remedies under the Loan Documents as any other Lender, and the terms "Lenders," "Required Lenders" or any similar term shall include Bank of America in its capacity as a Lender. Agent, Lenders and their Affiliates may accept deposits from, lend money to, provide Bank Products to, act as financial or other advisor to, and generally engage in any kind of business with, Obligors and their Affiliates, as if they were not Agent or Lenders hereunder, without any duty to account therefor to any Secured Party. In their individual capacities, Agent, Lenders and their Affiliates may receive information regarding Obligors, their Affiliates and their Account Debtors (including information subject to confidentiality obligations), and shall have no obligation to provide such information to any Secured Party.

**12.12.** **Titles**. Each Lender, other than Bank of America, that is designated in connection with this credit facility as an "Arranger," "Bookrunner" or "Agent" of any kind shall have no right or duty under any Loan Documents other than those applicable to all Lenders, and shall in no event have any fiduciary duty to any Secured Party.

**12.13.** **Bank Product Providers**. Each Secured Bank Product Provider, by delivery of a notice to Agent of a Bank Product, agrees to be bound by the Loan Documents, including **Sections 5.6**, **14.3(c)** and **12**. Each Secured Bank Product Provider shall indemnify and hold harmless Agent Indemnitees, to the extent not reimbursed by Obligors, against all Claims that may be incurred by or asserted against any Agent Indemnitee in connection with such provider's Secured Bank Product Obligations.

**12.14.** **No Third Party Beneficiaries**. This **Section 12** is an agreement solely among Secured Parties and Agent, and shall survive Full Payment of the Obligations. This **Section 12** does not confer any rights or benefits upon Borrowers or any other Person. As between Borrowers and Agent, any action that Agent may take under any Loan Documents or with respect to any Obligations shall be conclusively presumed to have been authorized and directed by Secured Parties.

**12.15.** **Quebec Liens (Hypothecs)**. In its capacity as Agent, for the purposes of holding any hypothec granted pursuant to the laws of the Province of Québec, each of the Secured Parties hereby irrevocably appoints and authorizes Agent and, to the extent necessary, ratifies the appointment and authorization of Agent, to act as the hypothecary representative of the applicable Secured Parties as contemplated under Article 2692 of the Civil Code of Québec, and to enter into, to take and to hold on their behalf, and for their benefit, any hypothec, and to exercise such powers and duties that are conferred upon Agent under any related deed of hypothec. Agent shall have the sole and exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to Agent pursuant to any such deed of hypothec and Applicable Law. Any person who becomes a Secured Party shall, by its execution of an Assignment and Acceptance, be deemed to have consented to and confirmed Agent as the person acting as hypothecary representative holding the aforesaid hypothecs as aforesaid and to have ratified, as of the date it becomes a Secured Party, all actions taken by Agent in such capacity. The substitution of Agent pursuant to the provisions of this **Section 12** also constitute the substitution of Agent as hypothecary representative as aforesaid.

**SECTION 13. BENEFIT OF AGREEMENT; ASSIGNMENTS**

**13.1.** **Successors and Assigns**. This Agreement shall be binding upon and inure to the benefit of Obligors, Agent, Lenders, Secured Parties, and their respective successors and assigns, except that (a) no Obligor shall have the right to assign its rights or delegate its obligations under any Loan Documents; and (b) any assignment by a Lender must be made in compliance with **Section 13.3**. Agent may treat the Person which made any Revolver Loan as the owner thereof for all purposes until such Person makes an assignment in accordance with **Section 13.3**. Any authorization or consent of a Lender shall be conclusive and binding on any subsequent transferee or assignee of such Lender.

**13.2.** **Participations**.

(a) Permitted Participants; Effect. Subject to **Section 13.3(c)**, any Lender may sell to a financial institution ("Participant") a participating interest in the rights and obligations of such Lender under any Loan Documents. Despite any sale by a Lender of participating interests to a Participant, such Lender's obligations under the Loan Documents shall remain unchanged, it shall remain solely responsible to the other parties hereto for performance of such obligations, it shall remain the holder of its Revolver Loans and Revolver Commitments for all purposes, all amounts payable by Obligors shall be determined as if it had not sold such participating interests, and Obligors and Agent shall continue to deal solely and directly with such Lender in connection with the Loan Documents. Each Lender shall be solely responsible for notifying its Participants of any matters under the Loan Documents, and Agent and the other Lenders shall not have any obligation or liability to any such Participant. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of **Section 5.9** unless Borrowers agree otherwise in writing.

(b) Voting Rights. Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, waiver or other modification of a Loan Document other than that which forgives principal, interest or fees, reduces the stated interest rate or fees payable with respect to any Revolver Loan or Revolver Commitment in which such Participant has an interest, postpones the Commitment Termination Date or any date fixed for any regularly scheduled payment of principal, interest or fees on such Revolver Loan or Revolver Commitment, or releases any Borrower, Guarantor or substantially all Collateral.

(c) Participant Register. Each Lender that sells a participation shall, acting as a non-fiduciary agent of Borrowers, maintain a register in which it enters the Participant's name, address and interest in Revolver Commitments, Revolver Loans (and stated interest) and LC Obligations. Entries in the register shall be conclusive, absent manifest error, and such Lender shall treat each Person recorded in the register as the owner of the participation for all purposes, notwithstanding any notice to the contrary. The parties hereto agree and intend that the LC Obligations shall be treated as being in "registered form" for the purposes of the Code. No Lender shall have an obligation to disclose any information in such register except to the extent necessary to establish that a Participant's interest is in registered form under the Code. For the avoidance of doubt, Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant register.

(d) Benefit of Setoff. Obligors agree that each Participant shall have a right of set-off in respect of its participating interest to the same extent as if such interest were owing directly to a Lender, and each Lender shall also retain the right of set-off with respect to any participating interests sold by it. By exercising any right of set-off, a Participant agrees to share with Lenders all amounts received through its set-off, in accordance with **Section 12.5** as if such Participant were a Lender.

**13.3. Assignments**.

(a) Permitted Assignments. A Lender may assign to an Eligible Assignee any of its rights and obligations under the Loan Documents, as long as (i) each assignment is of a constant, and not a varying, percentage of the transferor Lender's rights and obligations under the Loan Documents and, in the case of a partial assignment, is in a minimum principal amount of $5,000,000 (unless otherwise agreed by Agent in its discretion) and integral multiples of $1,000,000 in excess of that amount; (ii) except in the case of an assignment in whole of a Lender's rights and obligations, the aggregate amount of the Revolver Commitments retained by the transferor Lender is at least $5,000,000 (unless otherwise agreed by Agent in its discretion); and (iii) the parties to each such assignment shall execute and deliver an Assignment and Acceptance to Agent for acceptance and recording. Nothing herein shall limit the right of a Lender to pledge or assign any rights under the Loan Documents to secure obligations of such Lender, including a pledge or assignment to a Federal Reserve Bank; provided, however, that no such pledge or assignment shall release the Lender from its obligations hereunder nor substitute the pledge or assignee for such Lender as a party hereto.

(b) Effect; Effective Date. Upon delivery to Agent of an assignment notice in the form of **Exhibit B** and a processing fee of $3,500 (unless otherwise agreed by Agent in its discretion), the assignment shall become effective as specified in the notice, if it complies with this **Section 13.3**. From such effective date, the Eligible Assignee shall for all purposes be a Lender under the Loan Documents, and shall have all rights and obligations of a Lender thereunder. Upon consummation of an assignment, the transferor Lender, Agent and Borrowers shall make appropriate arrangements for issuance of replacement and/or new notes, if applicable. The transferee Lender shall comply with **Section 5.10** and deliver, upon request, an administrative questionnaire satisfactory to Agent.

(c) Certain Assignees. No assignment or participation may be made to an Obligor, Affiliate of an Obligor, Defaulting Lender or natural person. Agent shall have no obligation to determine whether any assignment is permitted under the Loan Documents. Any assignment by a Defaulting Lender must be accompanied by satisfaction of its outstanding obligations under the Loan Documents in a manner satisfactory to Agent, including payment by the Defaulting Lender or Eligible Assignee of an amount sufficient upon distribution (through direct payment, purchases of participations or other methods acceptable to Agent in its discretion) to satisfy all funding and payment liabilities of the Defaulting Lender. If any assignment by a Defaulting Lender (by operation of law or otherwise) does not comply with the foregoing, the assignee shall be deemed a Defaulting Lender for all purposes until compliance occurs.

(d) Register. Agent, acting as a non-fiduciary agent of Borrowers, shall maintain (a) a copy (or electronic equivalent) of each Assignment and Acceptance delivered to it, and (b) a register for recordation of the names, addresses and Revolver Commitments of, and the principal amounts (and stated interest) of the Revolver Loans, interest and LC Obligations owing to, each Lender. Entries in the register shall be conclusive, absent manifest error, and Borrowers, Agent and Lenders shall treat each Person recorded in such register as a Lender for all purposes under the Loan Documents, notwithstanding any notice to the contrary. Agent may choose to show only one Borrower as the borrower in the register, without any effect on the liability of any Obligor with respect to the Obligations. The register shall be available for inspection by Borrowers or any Lender, from time to time upon reasonable notice. The parties hereto agree and intend that the Obligations shall be treated as being in "registered form" for the purposes of the Code.

**13.4.** **Replacement of Certain Lenders**. If a Lender (a) within the last 120 days failed to give its consent to any amendment, waiver or action for which consent of all Lenders was required and Canadian Required Lenders or U.S. Required Lenders, as applicable, consented, (b) is a Defaulting Lender, or (c) within the last 120 days gave a notice under **Section 3.5** or requested payment or compensation under **Section 3.7** or **5.9** (and has not designated a different Lending Office pursuant to **Section 3.8**), then Agent or Borrower Agent may, at Borrower's sole expense, upon 10 days notice to such Lender and Agent, require such Lender to assign its rights and obligations under the Loan Documents to Eligible Assignee(s), pursuant to appropriate Assignment and Acceptance(s), within 20 days after the notice. Agent is irrevocably appointed as attorney-in-fact to execute any such Assignment and Acceptance if the Lender fails to execute it. Such Lender shall be entitled to receive, in cash, concurrently with such assignment, all amounts owed to it under the Loan Documents through the date of assignment. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower Agent to require such assignment and delegation cease to apply.

**SECTION 14. MISCELLANEOUS**

**14.1.** **Consents, Amendments and Waivers**.

(a) Amendment. No modification of any Loan Document, including any extension or amendment of a Loan Document or any waiver of a Default or Event of Default, shall be effective without the prior written agreement of Agent (with the consent of Required Lenders) and each Obligor party to such Loan Document; provided, however, that

(i) without the prior written consent of Agent, no modification shall alter any provision in a Loan Document that relates to any rights, duties or discretion of Agent;

(ii) without the prior written consent of Issuing Bank, no modification shall alter **Section 2.3** or any other provision in a Loan Document that relates to Letters of Credit or any rights, duties or discretion of Issuing Bank;

(iii) without the prior written consent of each affected Lender, including a Defaulting Lender, no modification shall (A) increase the Revolver Commitment of such Lender; (B) reduce the amount of, or waive or delay payment of, any principal, interest or fees payable to such Lender (except as provided in **Section 4.2**); (C) extend the Revolver Termination Date applicable to such Lender's Obligations; or (D) amend this clause (iii);

(iv) without the prior written consent of all Canadian Lenders (except any Canadian Lender which is a Defaulting Lender), no modification shall (A) alter **Section 5.6(b)**, **7.1** (except to add Collateral) or **14.1(a)**; (B) amend the definition of Canadian Borrowing Base, Canadian Accounts Formula Amount, or Canadian Inventory Formula Amount (or any defined term used in such definition) if the effect of such amendment is to increase borrowing availability of Canadian Borrowers, Pro Rata or Canadian Required Lenders; (C) release all or substantially all Canadian Collateral; or (D) except in connection with a merger, amalgamation, disposition or similar transaction expressly permitted hereby, release any Canadian Obligor from liability for any Canadian Obligations;

(v) without the prior written consent of all U.S. Lenders (except any U.S. Lender which is a Defaulting Lender), no modification shall (A) alter **Section 5.6(b)**, **7.1** (except to add Collateral) or **14.1.1**; (B) amend the definition of U.S. Borrowing Base, U.S. Accounts Formula Amount, or U.S. Inventory Formula Amount (or any defined term used in such definition) if the effect of such amendment is to increase borrowing availability for U.S Borrowers, Pro Rata or U.S. Required Lenders; (C) release all or substantially all U.S. Collateral; or (D) except in connection with a merger, amalgamation, disposition or similar transaction expressly permitted hereby, release any U.S. Obligor from liability for any Obligations; and

(vi) without the prior written consent of a Secured Bank Product Provider, no modification shall affect its relative payment priority under **Section 5.6(b)**.

(vii) if Real Estate secures any Obligations, no modification of a Loan Document shall add, increase, renew or extend any credit line unless the conditions set forth in **Section 7.4(c)** are satisfied.

Notwithstanding the foregoing, (x) any provision of this Agreement may be amended by an agreement in writing entered into by Obligors, the Required Lenders and Agent (and, if their rights or obligations are affected thereby, Issuing Bank) if (i) by the terms of such agreement the Revolver Commitment of each Lender not consenting to the amendment provided for therein shall terminate upon the effectiveness of such amendment and (ii) at the time such amendment becomes effective, each Lender not consenting thereto receives payment (including pursuant to an assignment to a replacement Lender in accordance with **Section 13.4**) in full of this principal of and interest accrued on each Revolver Loan made by it and all other amounts owing to it or accrued for its account under this Agreement and (y) this Agreement and any other Loan Document may be amended, modified or supplemented solely with the consent of Agent and Obligors, each in their sole discretion, without the need to obtain the consent of any other Lender if such amendment, modification or supplement is delivered in order to cure ambiguities, defects, errors, mistakes, omissions in this Agreement or the applicable Loan Document.

(b) Limitations. The agreement of Obligors shall not be required for any modification of a Loan Document that deals solely with the rights and duties of Lenders, Agent and/or Issuing Bank as among themselves. Only the consent of the parties to any agreement relating to fees or a Bank Product shall be required for modification of such agreement, and no Bank Product provider (in such capacity) shall have any right to consent to modification of any Loan Document other than its Bank Product agreement. Any waiver or consent granted by Agent or Lenders hereunder shall be effective only if in writing and only for the matter specified.

(c) Payment for Consents. No Obligor will, directly or indirectly, pay any remuneration or other thing of value, whether by way of additional interest, fee or otherwise, to any Lender (in its capacity as a Lender hereunder) as consideration for agreement by such Lender with any modification of any Loan Documents, unless such remuneration or value is concurrently paid, on the same terms, on a Pro Rata basis to all Lenders providing their consent.

**14.2. Indemnity**. EACH OBLIGOR SHALL INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST ANY CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE, INCLUDING CLAIMS ASSERTED BY ANY OBLIGOR OR OTHER PERSON OR ARISING FROM THE NEGLIGENCE OF AN INDEMNITEE. In no event shall any party to a Loan Document have any obligation thereunder to indemnify or hold harmless an Indemnitee with respect to a Claim that is determined in a final, non-appealable judgment by a court of competent jurisdiction to result from the gross negligence or willful misconduct of such Indemnitee.

**14.3. Notices and Communications**.

(a) Notice Address. Subject to **Section 14.3(b)**, all notices and other communications by or to a party hereto shall be in writing and shall be given to any Obligor, at Borrower Agent's address shown on the signature pages hereof, and to any other Person at its address shown on the signature pages hereof (or, in the case of a Person who becomes a Lender after the Closing Date, at the address shown on its Assignment and Acceptance), or at such other address as a party may hereafter specify by notice in accordance with this **Section 14.3**. Each communication shall be effective only (i) if given by facsimile transmission, when transmitted to the applicable facsimile number, if confirmation of receipt is received; (ii) if given by mail, three Business Days after deposit in the U.S. mail, with first-class postage pre-paid, addressed to the applicable address; or (iii) if given by personal delivery, when duly delivered to the notice address with receipt acknowledged. Notwithstanding the foregoing, no notice to Agent pursuant to **Section 2.1(d)**, **2.3**, **3.1(b)**, **4.1(a)**, or **4.3(b)** shall be effective until actually received by the individual to whose attention at Agent such notice is required to be sent. Any written communication that is not sent in conformity with the foregoing provisions shall nevertheless be effective on the date actually received by the noticed party. Any notice received by Borrower Agent shall be deemed received by all Obligors.

(b) Communications. Electronic and telephonic communications (including e-mail, messaging and websites) may be used only in a manner acceptable to Agent and only for routine communications, such as delivery of Borrower Materials, administrative matters, distribution of Loan Documents and matters permitted under **Section 4.1(d)**. Secured Parties make no assurance as to the privacy or security of electronic or telephonic communications. E-mail and voice mail shall not be effective notices under the Loan Documents.

(c) Platform. Borrower Materials shall be delivered pursuant to procedures approved by Agent, including electronic delivery (if possible) upon request by Agent to an electronic system maintained by Agent ("Platform"). Borrowers shall notify Agent of each posting of Borrower Materials on the Platform and the materials shall be deemed received by Agent only upon its receipt of such notice. Borrower Materials and other information relating to this credit facility may be made available to Secured Parties on the Platform. The Platform is provided "as is" and "as available." Agent does not warrant the accuracy or completeness of any information on the Platform nor the adequacy or functioning of the Platform, and expressly disclaims liability for any errors or omissions in the Borrower Materials or any issues involving the Platform. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS, OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY AGENT WITH RESPECT TO BORROWER MATERIALS OR THE PLATFORM. No Agent Indemnitee shall have any liability to Obligors, Secured Parties or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) relating to use by any Person of the Platform, including any unintended recipient, nor for delivery of Borrower Materials and other information via the Platform, internet, e-mail, or any other electronic platform or messaging system.

(d) Public Information. Obligors and Secured Parties acknowledge that "public" information may not be segregated from material non-public information on the Platform. Secured Parties acknowledge that Borrower Materials may include Obligors' material non-public information, and should not be made available to personnel who do not wish to receive such information or may be engaged in investment or other market-related activities with respect to an Obligor's securities.

(e) Non-Conforming Communications. Agent and Lenders may rely upon any communications purportedly given by or on behalf of any Obligor even if they were not made in a manner specified herein, were incomplete or were not confirmed, or if the terms thereof, as understood by the recipient, varied from a later confirmation. Each Obligor shall indemnify and hold harmless each Indemnitee from any liabilities, losses, costs and expenses arising from any electronic or telephonic communication purportedly given by or on behalf of an Obligor.

**14.4. Performance of Borrowers' Obligations**. Agent may, in its discretion at any time and from time to time, at Obligors' expense, pay any amount or do any act required of a Borrower under any Loan Documents or otherwise lawfully requested by Agent to (a) enforce any Loan Documents or collect any Obligations; (b) protect, insure, maintain or realize upon any Collateral; or (c) defend or maintain the validity or priority of Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien. All payments, costs and expenses (including Extraordinary Expenses) of Agent under this Section shall be reimbursed to Agent by Obligors, **on demand**, with interest from the date incurred until paid in full, at the Default Rate applicable to Floating Loans, as applicable. Any payment made or action taken by Agent under this Section shall be without prejudice to any right to assert an Event of Default or to exercise any other rights or remedies under the Loan Documents.

**14.5.** **Credit Inquiries**. Agent and Lenders may (but shall have no obligation) to respond to usual and customary credit inquiries from third parties concerning any Obligor or Subsidiary.

**14.6.** **Severability**. Wherever possible, each provision of the Loan Documents shall be interpreted in such manner as to be valid under Applicable Law. If any provision is found to be invalid under Applicable Law, it shall be ineffective only to the extent of such invalidity and the remaining provisions of the Loan Documents shall remain in full force and effect.

**14.7.** **Cumulative Effect; Conflict of Terms**. The provisions of the Loan Documents are cumulative. The parties acknowledge that the Loan Documents may use several limitations or measurements to regulate similar matters, and they agree that these are cumulative and that each must be performed as provided. Except as otherwise provided in another Loan Document (by specific reference to the applicable provision of this Agreement), if any provision contained herein is in direct conflict with any provision in another Loan Document, the provision herein shall govern and control.

**14.8.** **Counterparts; Execution**. Any Loan Document may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when Agent has received counterparts bearing the signatures of all parties hereto. Agent may (but shall have no obligation to) accept any signature, contract formation or record-keeping through electronic means, which shall have the same legal validity and enforceability as manual or paper-based methods, to the fullest extent permitted by Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any similar state law based on the Uniform Electronic Transactions Act. Upon request by Agent, any electronic signature or delivery shall be promptly followed by a manually executed or paper document.

**14.9.** **Entire Agreement**. Time is of the essence with respect to all Loan Documents and Obligations. The Loan Documents constitute the entire agreement, and supersede all prior understandings and agreements, among the parties relating to the subject matter thereof.

**14.10.** **Relationship with Lenders**. The obligations of each Lender hereunder are several, and no Lender shall be responsible for the obligations or Revolver Commitments of any other Lender. Amounts payable hereunder to each Lender shall be a separate and independent debt. It shall not be necessary for Agent or any other Lender to be joined as an additional party in any proceeding for such purposes. Nothing in this Agreement and no action of Agent, Lenders or any other Secured Party pursuant to the Loan Documents or otherwise shall be deemed to constitute Agent and any Secured Party to be a partnership, joint venture or similar arrangement, nor to constitute control of any Obligor.

**14.11.** **No Advisory or Fiduciary Responsibility**. In connection with all aspects of each transaction contemplated by any Loan Document, Obligors acknowledge and agree that (a)(i) this credit facility and any arranging or other services by Agent, any Lender, any of their Affiliates or any arranger are arm's-length commercial transactions between Obligors and their Affiliates, on one hand, and Agent, any Lender, any of their Affiliates or any arranger, on the other hand; (ii) Obligors have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate; and (iii) Obligors are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated by the Loan Documents; (b) each of Agent, Lenders, their Affiliates and any arranger is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for Obligors, their Affiliates or any other Person, and has no obligation with respect to the transactions contemplated by the Loan Documents except as expressly set forth therein; and (c) Agent, Lenders, their Affiliates and any arranger may be engaged in a broad range of transactions that involve interests that differ from those of Obligors and their Affiliates, and have no obligation to disclose any of such interests to Obligors or their Affiliates. To the fullest extent permitted by Applicable Law, each Obligor hereby waives and releases any claims that it may have against Agent, Lenders, their Affiliates and any arranger with respect to any breach of agency or fiduciary duty in connection with any transaction contemplated by a Loan Document.

**14.12.** **Confidentiality**. Each of Agent, Lenders and Issuing Bank shall maintain the confidentiality of all Information (as defined below), except that Information may be disclosed (a) to its Affiliates, and to its and their partners, directors, officers, employees, agents, advisors, investors (actual and/or prospective), lenders (actual and/or prospective) and representatives (provided they are informed of the confidential nature of the Information and instructed to keep it confidential); (b) to the extent requested by any governmental, regulatory or self-regulatory authority purporting to have jurisdiction over it or its Affiliates; (c) to the extent required by Applicable Law or by any subpoena or other legal process; (d) to any other party hereto; (e) in connection with any action or proceeding relating to any Loan Documents or Obligations; (f) subject to an agreement containing provisions substantially the same as this Section, to any Transferee or any actual or prospective party (or its advisors) to any Bank Product or to any swap, derivative or other transaction under which payments are to be made by reference to an Obligor or Obligor's obligations; (g) to the extent such Information (i) with the consent of Borrower Agent; (j) to a Person that is a trustee, investment advisor, collateral manager, servicer, noteholder or secured party in a Securitization (as hereinafter defined) in connection with the administration, servicing and reporting on the assets serving as collateral for such Securitization and (k) otherwise to the extent consisting of general portfolio information that does not identify Obligors. For the purposes of this Section, "Securitization" shall mean a public or private offering by a Lender or any of its Affiliates or their respective successors and assigns, of Equity Interests which represent an interest in, or which are collateralized, in whole or in party, by the Revolver Loans. Notwithstanding the foregoing, Agent and Lenders may publish or disseminate general information concerning this credit facility for league table, tombstone and advertising purposes, and may use Obligors' logos, trademarks or product photographs in advertising materials. As used herein, "Information" means information received from an Obligor or Subsidiary relating to it or its business that is identified as confidential when delivered. A Person required to maintain the confidentiality of Information pursuant to this Section shall be deemed to have complied if it exercises a degree of care similar to that accorded its own confidential information. Each of Agent, Lenders and Issuing Bank acknowledges that (i) Information may include material non-public information; (ii) it has developed compliance procedures regarding the use of such information; and (iii) it will handle the material non-public information in accordance with Applicable Law.

**14.13.** **Certifications Regarding Term Loan Documents**. The Obligors certify to Agent and Lenders that neither the execution nor performance of the Loan Documents nor the incurrence of any Obligations by Obligors violates any Term Loan Document.

**14.14.** **GOVERNING LAW**. UNLESS EXPRESSLY PROVIDED IN ANY LOAN DOCUMENT, THIS AGREEMENT, THE OTHER LOAN DOCUMENTS AND ALL CLAIMS SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES EXCEPT FEDERAL LAWS RELATING TO NATIONAL BANKS.

**14.15.** **Consent to Forum; Bail-In of EEA Financial Institutions**.

(a) Forum. EACH OBLIGOR HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF ANY STATE COURT SITTING IN THE STATE OF NEW YORK OR THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, IN ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING RELATING IN ANY WAY TO ANY LOAN DOCUMENTS, AND AGREES THAT ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING SHALL BE BROUGHT BY IT SOLELY IN ANY SUCH COURT. EACH OBLIGOR IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL CLAIMS, OBJECTIONS AND DEFENSES THAT IT MAY HAVE REGARDING ANY SUCH COURT'S PERSONAL OR SUBJECT MATTER JURISDICTION, VENUE OR INCONVENIENT FORUM. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN **SECTION 14.3(a)**. A final judgment in any proceeding of any such court shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or any other manner provided by Applicable Law.

(b) Other Jurisdictions . Nothing herein shall limit the right of Agent or any Lender to bring proceedings against any Obligor in any other court, nor limit the right of any party to serve process in any other manner permitted by Applicable Law. Nothing in this Agreement shall be deemed to preclude enforcement by Agent of any judgment or order obtained in any forum or jurisdiction.

(c) Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among the parties, each party hereto (including each Secured Party) acknowledges that any liability arising under a Loan Document of any Secured Party that is an EEA Financial Institution, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority, and agrees and consents to, and acknowledges and agrees to be bound by, (i) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising under any Loan Documents which may be payable to it by any Secured Party that is an EEA Financial Institution; and (ii) the effects of any Bail-in Action on any such liability, including (A) a reduction in full or in part or cancellation of any such liability; (B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under any Loan Document; or (C) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

**14.16.** **Waivers by Obligors**. To the fullest extent permitted by Applicable Law, each Obligor waives (a) the right to trial by jury (which Agent, Issuing Bank and each Lender hereby also waive) in any proceeding or dispute of any kind relating in any way to any Loan Documents, Obligations or Collateral; (b) presentment, demand, protest, notice of presentment, default, non-payment, maturity, release, compromise, settlement, extension or renewal of any commercial paper, accounts, documents, instruments, chattel paper and guaranties at any time held by Agent on which an Obligor may in any way be liable, and hereby ratifies anything Agent may do in this regard; (c) notice prior to taking possession or control of any Collateral; (d) any bond or security that might be required by a court prior to allowing Agent to exercise any rights or remedies; (e) the benefit of all valuation, appraisement and exemption laws; (f) any claim against Agent, Issuing Bank or any Lender, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) in any way relating to any Enforcement Action, Obligations, Loan Documents or transactions relating thereto; and (g) notice of acceptance hereof. Each Obligor acknowledges that the foregoing waivers are a material inducement to Agent, Issuing Bank and Lenders entering into this Agreement and that they are relying upon the foregoing in their dealings with Obligors. Each Obligor has reviewed the foregoing waivers with its legal counsel and has knowingly and voluntarily waived its jury trial and other rights following consultation with legal counsel. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

**14.17.** **Patriot Act Notice**. Agent and Lenders hereby notify Obligors that pursuant to the Patriot Act, Agent and Lenders are required to obtain, verify and record information that identifies each Obligor, including its legal name, address, tax ID number and other information that will allow Agent and Lenders to identify it in accordance with the Patriot Act. Agent and Lenders will also require information regarding any personal guarantor and may require information regarding Obligors' management and owners, such as legal name, address, social security number and date of birth. Obligors shall, promptly upon request, provide all documentation and other information as Agent, Issuing Bank or any Lender may request from time to time in order to comply with any obligations under any "know your customer," anti-money laundering or other requirements of Applicable Law.

**14.18.** **NO ORAL AGREEMENT**. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

**14.19.** **Assumption by Holdings and Successor Borrower**. Immediately following the consummation of the Share Acquisition and satisfaction of the Share Acquisition Conditions, (a) Holdings shall cause each of Eddi and EWGS to duly execute and deliver to Agent the Assumption Agreement and cause Eddi to assume the rights and obligations of EWGS hereunder as a Canadian Borrower, (b) EWGS shall duly execute and deliver to Agent the Assumption Agreement and become a Canadian Guarantor hereunder and under each other Loan Document applicable to it, and (c) Holdings shall cause each of Eddi and EWGS to duly execute and deliver to Agent each of the agreements, instruments and certificates listed in **Section 6.1** to which EWGS or Eddi is, or is contemplated to be, a party. Immediately upon the completion of the actions set forth in **clauses (a)**, **(b)** and **(c)** above, (x) EWGS shall be automatically released from its obligations as a Canadian Borrower hereunder and shall instead assume the obligations as a Canadian Guarantor hereunder and under the other Loan Documents and (y) Eddi shall become a Canadian Borrower hereunder and under the other Loan Documents. Upon the reasonable request by Agent, Obligors shall take such additional actions and execute such documents as Agent may reasonably request to implement the transactions contemplated by the Assumption Agreement and to reflect the assumption by Eddi of the obligations of EWGS contemplated thereby. Until the Share Acquisition Conditions have been satisfied and Eddi has become a Canadian Borrower as set forth above, EWGS shall not (1) make any requests for Revolver Loans, (2) have any of its Accounts or Inventory in the Canadian Borrowing Base and (3) shall not be deemed an Obligor for the purposes of **Section 10.2**.

**14.20.** **Canadian Anti-Money Laundering Legislation**. If Agent has ascertained the identity of any Obligor or any authorized signatories of any Obligor for the purposes of the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and other anti-terrorism laws and "know your client" policies, regulations, laws or rules applicable in Canada (the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and such other anti-terrorism laws, applicable policies, regulations, laws or rules in Canada, collectively, including any guidelines or orders thereunder, "AML Legislation"), then Agent:

(a) shall be deemed to have done so as an agent for each Lender and this Agreement shall constitute a "written agreement" in such regard between each Lender and Agent within the meaning of the applicable AML Legislation; and

(b) shall provide to the Lenders, copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender agrees that Agent has no obligation to ascertain the identity of the Obligors or any authorized signatories of the Obligors on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Obligor or any such authorized signatory in doing so.

**14.21. INTERCREDITOR AGREEMENT**.

(a) EACH LENDER PARTY HERETO (i) UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE INTERCREDITOR AGREEMENT, (ii) AUTHORIZES AND DIRECTS AGENT TO ENTER INTO THE INTERCREDITOR AGREEMENT ON ITS BEHALF, AND (iii) AGREES THAT ANY ACTION TAKEN BY AGENT PURSUANT TO THE INTERCREDITOR AGREEMENT SHALL BE BINDING UPON SUCH LENDER.

(b) THE PROVISIONS OF THIS **SECTION 14.21** ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT THEMSELVES TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT OR ANY OF AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE INTERCREDITOR AGREEMENT. A COPY OF THE INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM AGENT.

(c) THE INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE SECURED PARTIES (AS DEFINED IN THE INTERCREDITOR AGREEMENT) AND THEIR RESPECTIVE AGENTS (INCLUDING THEIR SUCCESSORS AND ASSIGNS) AND IS ACKNOWLEDGED AND AGREED TO BY THE OBLIGORS AS PARTY THERETO. AS MORE FULLY PROVIDED THEREIN, THE INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

(d) IN THE EVENT OF ANY CONFLICT BETWEEN THIS AGREEMENT AND THE INTERCREDITOR AGREEMENT, THE INTERCREDITOR AGREEMENT SHALL GOVERN.

**14.22. Amendment and Restatement of Original Loan Agreement**. This Agreement constitutes an amendment and restatement of the Original Loan Agreement effective from and after the Closing Date. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby are not intended by the parties to be, and shall not constitute, a novation or an accord and satisfaction of the Obligations or any other obligations owing to Agent or Lenders under the Original Loan Agreement or any other existing Original Loan Document. On the Closing Date, the credit facilities and the terms and conditions thereof described in the Original Loan Agreement shall be amended and replaced in their entirety by the credit facilities and the terms and conditions described herein, and all Revolver Loans and other Obligations of the Obligors outstanding as of such date under the Original Loan Agreement shall be deemed to be Revolver Loans, Letters of Credit and Obligations outstanding under the corresponding facilities described herein (such that all Obligations which are outstanding on the Closing Date under the Original Loan Agreement shall become Obligations under this Agreement), without further action by any Person. Each of the parties hereto hereby acknowledges and agrees that the grant of the security interests in the Collateral pursuant to the this Agreement and in any other Loan Document (unless explicitly agreed to by Lender in writing) is not intended to, nor shall it be construed, as constituting a release of any prior security interests granted by the Obligors in favor of Lender in or to any Collateral or any other property of Obligors, but is intended to constitute a restatement and reconfirmation of the prior security interests granted by Obligors in favor of Lender in and to the Collateral and a grant of a new security interest in any Collateral that is not included in the prior security grants by Obligors and in favor of Lender to the extent such grant was not included in the prior security grants.

EXHIBIT E
to
Amended and Restated Loan and Security Agreement

**FORM OF LANDLORD WAIVER**[2]

This Landlord Waiver (the "Waiver") is entered into as of _____, 20[____] between _____ (the "Landlord"), Bank of America, N.A., as agent (the "Revolving Agent") and Brightwood Loan Services LLC, as agent (the "Term Agent" together with "Revolving Agent" the "Agents" and each an "Agent") under the Loan Documents described below.

W I T N E S S E T H :

**WHEREAS**, [_____] ("Tenant"), entered into that certain Lease dated [_____], 20[___] (as amended, the "Lease"), a copy of which is attached hereto as Exhibit A, for the premises located at [_____] (the "Premises"); and

**WHEREAS**, the Tenant and certain of its affiliates have entered, and may from time to time enter, into a revolving loan and security agreement and other documents (as the same may be amended, restated, amended and restated, supplemented and otherwise modified from time to time, the " Revolving Loan Documents") evidencing a financing arrangement with the Revolving Agent and have entered, and may from time to time enter, into a term loan, security and guaranty agreement and other documents (as the same may be amended, restated, amended and restated, supplemented and otherwise modified from time to time, the " Term Loan Documents" and collectively with the Revolving Loan Documents, the "Loan Documents") evidencing a financing arrangement with the Term Agent. The Tenant has also agreed to secure its obligations and liabilities under the Loan Documents (the "Obligations") by granting a security interest to the Agents, in certain of the Tenant's property and all products and proceeds of the foregoing, as more fully described in the Loan Documents, some of which is located at the Premises (the "Collateral").

**WHEREAS**, in order to enter into the Loan Documents, the Agents have required that the Tenant obtain this Waiver from the Landlord in connection with its Lease of the Premises.

**NOW, THEREFORE**, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Landlord does hereby consent to Tenant's granting of a security interest in its personal property to the Agents and does hereby subordinate its security rights in such personal property under the Lease to Agents' liens, subject to the following terms and conditions:

1. The Landlord acknowledges that the Lease is in full force and effect and is not aware of any existing default under the Lease.

2. The Landlord acknowledges the validity of each Agent's lien on the Collateral and waives any interest in the Collateral and agrees not to levy or distrain upon any Collateral or to claim or assert any lien, right or other claim against any Collateral for any reason.

[2] Subject to Canadian law adaptation as required

3. The Landlord agrees to give notice to each Agent of the occurrence of any default by the Tenant under the Lease resulting in termination of the Lease (a "Default Notice") and agrees to permit the Agents to cure any such default within 30 days of the Agents' receipt of such Default Notice, but the Agents shall not be under any obligation to cure any default by the Tenant under the Lease. No action by the Agents pursuant to this Waiver shall be deemed to be an assumption by the Agents of any obligation under the Lease, and except as expressly provided in paragraphs 7 and 8 below, the Agents shall not have any obligation to the Landlord.

4. The Landlord agrees that the Collateral is and shall remain personal property of the Tenant regardless of the manner or mode of attachment of any item of Collateral to the Premises and shall not be deemed to be fixtures.

5. The Landlord agrees that the Collateral may be inspected and evaluated by either Agent or its designee, without necessity of court order, at any time without payment of any fee.

6. Each Agent shall have the right to enter the Premises and remove Tenant's personal property or trade fixtures to which it has rights, and Landlord waives any rights it may have to prevent such removal, from the Premises before the expiration of the lease term. In the event of default by the Tenant in the payment or performance of the Obligations or if the lease term is terminated earlier due to Tenant's default (each a "Disposition Event"), the Landlord agrees that, at either Agent's option, the Collateral may remain upon the Premises for a period not to exceed one hundred twenty (120) days (the "Disposition Period") after (a) either Agent takes possession of the Premises or (b) receipt by the Agents of a Default Notice; provided that the applicable Agent pay rent on a per diem basis for the period of time such Agent remains on the Premises, based upon the amount of rent set forth in the Lease. If any injunction or stay is issued (including an automatic stay due to a bankruptcy proceeding) that prohibits either Agent from removing the Collateral, commencement of the Disposition Period shall be deferred until such injunction or stay is lifted or removed.

7. During any Disposition Period, the Agents or their designee (a) may, without necessity of court order, enter upon the Premises at any time to inspect or remove all or any Collateral from the Premises without interference by the Landlord, and the Agents or their designee may sell, transfer, or otherwise dispose of that Collateral free of all liens, claims, demands, rights and interests that the Landlord may have in that Collateral by law or agreement, including, without limitation, by public auction or private sale (and the Agents may advertise and conduct such auction or sale at the Premises, and shall use reasonable efforts to notify the Landlord of its intention to hold any such auction or sale), in each case, without interference by the Landlord and (b) shall make the Premises available for inspection by the Landlord and prospective tenants and shall cooperate in Landlord's reasonable efforts to re-lease the Premises.

8. Each Agent shall promptly repair, at such Agent's expense, or reimburse the Landlord for any physical damage to the Premises actually caused by the conduct of any auction or sale and any removal of the Collateral by or through such Agent (ordinary wear and tear excluded). The Agents shall not (a) be liable to the Landlord for any diminution in value caused by the absence of any removed Collateral or for any other matter except as specifically set forth herein or (b) have any duty or obligation to remove or dispose of any Collateral or other property left on the Premises by the Tenant.

9. Without affecting the validity of this Waiver, any of the Obligations may be extended, amended, or otherwise modified without the consent of the Landlord and without giving notice thereof to the Landlord. This Waiver shall inure to the benefit of the successor and assigns of the Agents and shall be binding upon the heirs, personal representatives, successors and assigns of the Landlord. The person signing this Waiver on behalf of the Landlord represents to the Agents that he/she has the authority to do so on behalf of the Landlord. Notwithstanding any provision of the Lease to the contrary, Tenant expressly acknowledges and agrees that the prior written consent of each Agent shall be required for any of the following:

    a. Any assignment or subletting of Tenant’s interest under the Lease; and

    b. Other than as set forth herein, any material modification or alteration of the Lease, except for extension or renewal options as provided for in the Lease when such modification or alteration has a material adverse effect on either Agent and its right with respect to the Collateral.

    Neither Agent shall unreasonably withhold or delay its consent to any of the foregoing.

10. Landlord hereby consents to Tenant’s present or future assignment to the Agents of Tenant’s interest in the Lease as security for Tenant’s obligations to the Agents pursuant to a leasehold mortgage or other instruments(s).

11. Landlord agrees to disclose this Waiver to any purchaser or successor to Landlord’s interest in the Premises.

12. In the event of any conflict between the terms of the Lease and the terms of this Waiver, the terms of this Waiver shall control and prevail.

13. All notices hereunder shall be in writing and sent by certified mail (return receipt requested), overnight mail or facsimile (with a copy to be sent by certified or overnight mail), to the other party at the address set forth on the signature page hereto or at such other address as such other party shall otherwise designate in accordance with this paragraph.

14. This Waiver and all claims shall be governed by the laws of the State of New York, without giving effect to any conflict of law principles except federal laws relating to national banks. The Landlord hereby consents to the exclusive jurisdiction of any state court sitting in the State of New York or the United States District Court of the Southern District of New York, in any proceeding or dispute relating in any way to this Waiver, and agrees that any such proceeding shall be brought by it solely in any such court. The Landlord irrevocably waives all claims, objections and defenses that it may have regarding such court's personal or subject matter jurisdiction, venue or inconvenient forum.

15. Landlord agrees to give each Agent notice within (a) two days of termination of, any abandonment or surrender under, or default of any of the provisions of, the Lease (or any other circumstance which could lead to the termination of the Lease prior to the scheduled expiration date thereof), and (b) 30 days prior to any termination of the Lease or repossession of the Premises by Landlord, said notice to be at each Agent's address shown on the signature pages hereof, or such other address as Agent shall designate in a written notice to Landlord. Each Agent shall have the right, without the obligation, to cure any event of default under the Lease within ten days after the receipt of such notice. Any of the foregoing done by any Agent shall be effective to cure an event of default as if the same had been done by Tenant and shall not be deemed an assumption of the Lease or any of Tenant's obligations thereunder by such Agent. Landlord agrees no Agent shall have any obligations to Landlord under the Lease or otherwise or any obligation to assume the Lease or any obligations thereunder.

16. **WAIVER OF SPECIAL DAMAGES**. THE LANDLORD WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT THE LANDLORD MAY HAVE TO CLAIM OR RECOVER FROM THE AGENTS IN ANY LEGAL ACTION OR PROCEEDING ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES.

17. **JURY WAIVER**. THE LANDLORD AND EACH AGENT HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE BETWEEN THE LANDLORD AND ANY AGENT IN ANY WAY RELATED TO THIS WAIVER.

18. This Waiver shall continue in full force and affect until the indefeasible payment in full of all Obligations.

19. Each Agent agrees that as between the Agents, its rights and remedies hereunder are subject to the terms and conditions of that certain Intercreditor Agreement entered into between the Term Loan Agent and the Revolving Agent in connection with the Revolving Credit Documents and the Term Loan Documents.

(i) (x) to the validity, legality and enforceability of each of the guarantees of the Obligations set forth in the Loan Documents; (y) that the reaffirmation of each of the guarantees of the Obligations set forth in the Loan Documents is a material inducement to the Lenders and the Agent; and (z) that it has no defense to the enforcement of each of the guarantees of the Obligations set forth in the Loan Documents and its obligations under each such guarantee shall remain in full force and effect until all the Obligations have been paid in full;

(ii) (x) to the validity, legality and enforceability of each of the Agent's Liens on the assets and property of each of the Obligors pursuant to the Loan Documents; (y) that the reaffirmation of each of the Agent's Liens is a material inducement to the Lenders and the Agent; and (z) that it has no defense to the enforcement of each of the Agent's Liens, and the Agent's Liens shall remain in full force and effect until all the Obligations have been paid in full;

(iii) that each Obligor hereby waives and releases any and all defenses, affirmative defenses, setoffs, claims, counterclaims, and causes of action of any kind or nature which he has asserted, or might assert, against any Lender, the Agent or any of their respective subsidiaries or affiliates, or any of the past, present or future officers, directors, contractors, employees, attorneys or agents of any Lender, the Agent or any such subsidiary or affiliate, which in any way relate to or arise out of the Obligations, the Agent's Liens or any of the Loan Documents;

(iv) that each Obligor consents to the execution and delivery of this Agreement and agrees and acknowledges that the liability of each Obligor under each of the Loan Documents, and the existence, creation, perfection or enforceability of any of the Agent's Liens, shall not be diminished in any way by the execution and delivery of this Agreement or by the consummation of any of the transactions contemplated hereby or thereby;

(vii) no understanding with respect to any other restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents shall constitute a legally binding agreement or contract, or have any force or effect whatsoever, unless and until reduced to writing and signed by authorized representatives of each Obligor, each Lender and the Agent;

(ix) neither any Lender nor the Agent is required to make any loan advance to any Obligor under the Loan Documents or otherwise, and any further loan advances made shall be made in the sole discretion of each such Lender and the Agent and subject to such conditions and the payment of such fees as each such Lender and the Agent requires in their sole discretion.

**SECTION 9. Ratification; Waiver of Defenses; Indemnity and Release**.

(a) Ratification. The Loan Documents remain in full force and effect and are hereby ratified and affirmed by each of the Obligors. Each of the Obligors, jointly and severally, (i) confirms and agrees that it is truly and justly indebted to the Lenders and the Agent in the aggregate amount of the Obligations without defense, counterclaim or offset of any kind whatsoever; and (ii) reaffirms and admits the validity and enforceability of the Loan Documents.

(b) Release.

(i) Each of Obligors, jointly and severally, on behalf of itself and each of its Subsidiaries and affiliates, hereby waives, releases and discharges each Lender and the Agent, and all of the directors, officers, employees, attorneys, agents, successors and assigns of each Lender and the Agent, from any and all claims, demands, actions, causes of action, damages, costs, expenses and liabilities, known or unknown, anticipated or unanticipated, suspected or unsuspected, asserted or unasserted, fixed, contingent or conditional, at law or in equity, arising out of or in any way relating to the Loan Documents or any documents, agreements, dealings or other matters connected with the Loan Documents, in each case to the extent arising (x) on or prior to the date hereof or (y) out of, or relating to, any actions, dealings or matters occurring on or prior to the date hereof. The waivers, releases, and discharges in this Section 9 shall be effective on the Forbearance Effective Date regardless of whether any post-Forbearance Effective Date conditions to this Agreement are satisfied and regardless of any other event that may occur or not occur after the date hereof.

(ii) It is the intention of each Obligor that this Agreement and the release set forth above shall constitute a full and final accord and satisfaction of all claims that may have or hereafter be deemed to have against Releasees as set forth herein. In furtherance of this intention, each Obligor, on behalf of itself and each other Releasor, expressly waives any statutory or common law provision that would otherwise prevent the release set forth above from extending to claims that are not currently known or suspected to exist in any Releasor's favor at the time of executing this Agreement and which, if known by Releasors, might have materially affected the agreement as provided for hereunder. Each Obligor on behalf of itself and each other Releasor, acknowledges that it is familiar with Section 1542 of California Civil Code:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

(iii) Each Obligor, on behalf of itself and each other Releasor, waives and releases any rights or benefits that it may have under Section 1542 to the full extent that it may lawfully waive such rights and benefits, and each Obligor, on behalf of itself and each other Releasor, acknowledges that it understands the significance and consequences of the waiver of the provisions of Section 1542 and that it has been advised by its attorney as to the significance and consequences of this waiver.

(iv) Each Obligor understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

(v) Each Obligor agrees that no fact, event, circumstance, evidence, or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute, and unconditional nature of the release set forth above.

(vi) The waivers, releases, and discharges in this Agreement shall be effective on the Forbearance Effective Date regardless of whether any post-Forbearance Effective Date conditions to this Agreement are satisfied and regardless of any other event that may occur or not occur after the date hereof.

(c) Indemnity. In furtherance of its Obligations under Section 14.2 of the Loan Agreement, each of the Obligors, jointly and severally, agrees to further defend, protect, indemnify and hold harmless each Lender and the Agent and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable fees, costs and expenses of outside counsel) incurred by such Indemnitees, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the execution or performance or enforcement of this Agreement, any other Loan Document or any other document executed in connection with the transactions contemplated by this Agreement; or (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto. This indemnity shall survive the repayment of the Obligations and the discharge of the liens granted under the Loan Documents.

(d) No Waiver. This Agreement shall be limited precisely as written and, except as expressly provided herein, shall not be deemed (i) to be a consent granted pursuant to, or a (other than as set forth in Section 6) waiver, modification or forbearance of, any term or condition of any of the Loan Documents or a waiver of any Default or Event of Default under any of the Loan Documents (including, without limitation, the Specified Defaults), whether or not known to a Lender or the Agent, or (ii) to prejudice any right or remedy which a Lender or the Agent may now have or have in the future under or in connection with the Loan Documents or any of the instruments or agreements referred to therein. Subject to the forbearance in respect of the Specified Defaults set forth in Section 3 and the amendment set forth in Section 6, the Loan Documents shall continue in full force and effect and are hereby ratified and confirmed.

(e) Waiver of Defense. Each of Obligors expressly acknowledges the occurrence and continued existence of the Specified Defaults. The Obligors, jointly and severally, agree that each Lender and the Agent has no obligation (i) to grant the forbearance contemplated by this Agreement, (ii) to enter into discussions with the Obligors with regard to waiving the Specified Defaults, or (iii) to enter into any amendment or modification of the terms and provisions of any Loan Document, and any of the same shall be within the sole discretion of each Lender and the Agent. Each of the Obligors, jointly and severally, acknowledge and agree, as a condition of the Lenders and the Agent entering into this Agreement, that it shall not raise any claim, cause of action or defense based upon any allegations of failure of any Lender or the Agent to do or agree to do any of the foregoing, or failure of any Lender or the Agent to negotiate in good faith to accomplish any of the same.

(f) Waiver of Jury Trial Right and Other Matters. BORROWERS AND THE OTHER OBLIGORS EACH HEREBY WAIVES (i) ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING ARISING OUT OF, IN CONNECTION WITH OR RELATING TO, THIS AGREEMENT, THE OTHER LOAN DOCUMENTS AND ANY OTHER TRANSACTION CONTEMPLATED HEREBY AND THEREBY, WHICH WAIVER APPLIES TO ANY ACTION, SUIT OR PROCEEDING WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE; (ii) PRESENTMENT, DEMAND AND PROTEST, AND NOTICE OF PRESENTMENT, PROTEST, DEFAULT, NONPAYMENT, MATURITY, RELEASE WITH RESPECT TO ALL OR ANY PART OF THE OBLIGATIONS OR ANY COMMERCIAL PAPER, ACCOUNTS, CONTRACT RIGHTS, DOCUMENTS, INSTRUMENTS, CHATTEL PAPER AND GUARANTIES AT ANY TIME HELD BY ANY LENDER PARTY ON WHICH BORROWERS OR ANY OTHER OBLIGOR MAY IN ANY WAY BE LIABLE AND HEREBY RATIFIES AND CONFIRMS WHATEVER SUCH LENDER PARTY MAY DO IN THIS REGARD; (iii) NOTICE PRIOR TO TAKING POSSESSION OR CONTROL OF THE COLLATERAL, THE OTHER COLLATERAL OR ANY BOND OR SECURITY THAT MIGHT BE REQUIRED BY ANY COURT PRIOR TO ALLOWING ANY LENDER PARTY TO EXERCISE ANY OF THEIR RESPECTIVE RIGHTS AND REMEDIES; (iv) THE BENEFIT OF ALL VALUATION, APPRAISEMENT AND EXEMPTION LAWS AND ALL RIGHTS WAIVABLE UNDER ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE; (v) ANY RIGHT BORROWERS OR ANY OTHER OBLIGOR MAY HAVE UPON PAYMENT IN FULL OF THE OBLIGATIONS TO REQUIRE ANY LENDER PARTY TO TERMINATE ITS SECURITY INTEREST IN THE COLLATERAL, OTHER COLLATERAL OR IN ANY OTHER PROPERTY OF BORROWERS OR ANY OTHER OBLIGOR UNTIL TERMINATION OF THE AGREEMENT IN ACCORDANCE WITH ITS TERMS AND THE EXECUTION BY BORROWERS, AND BY ANY PERSON WHO PROVIDES FUNDS TO BORROWERS THAT ARE USED IN WHOLE OR IN PART TO SATISFY THE OBLIGATIONS, OF AN AGREEMENT INDEMNIFYING ANY OR ALL OF THE LENDER PARTIES FROM ANY LOSS OR DAMAGE ANY SUCH PARTY MAY INCUR AS THE RESULT OF DISHONORED CHECKS OR OTHER ITEMS OF PAYMENT RECEIVED BY SUCH LENDER PARTY FROM BORROWERS, OR ANY ACCOUNT DEBTOR AND APPLIED TO THE OBLIGATIONS AND RELEASING AND INDEMNIFYING, IN THE SAME MANNER AS DESCRIBED IN SECTION 9 OF THIS AGREEMENT, THE RELEASEES FROM ALL CLAIMS ARISING ON OR BEFORE THE DATE OF SUCH TERMINATION STATEMENT; AND (vi) NOTICE OF ACCEPTANCE HEREOF, AND BORROWERS AND THE OTHER OBLIGORS EACH ACKNOWLEDGES THAT THE FOREGOING WAIVERS ARE A MATERIAL INDUCEMENT TO AGENT'S AND THE OTHER LENDER PARTIES' ENTERING INTO THIS AGREEMENT AND THAT SUCH PARTIES ARE RELYING UPON THE FOREGOING WAIVERS IN THEIR FUTURE DEALINGS WITH BORROWERS AND THE OTHER OBLIGORS. BORROWERS AND THE OTHER OBLIGORS EACH WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THE FOREGOING WAIVERS WITH ITS LEGAL COUNSEL AND HAS KNOWINGLY AND VOLUNTARILY WAIVED ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

(g) Alternative Dispute Resolution under California Law.

(i) The reference provisions of this Section 9(g) will be applicable only if the jury trial waiver set forth in Section 9(f) hereof is declared invalid or unenforceable and the Agent determines in its sole discretion to proceed as set forth in this Section 9(g).

(ii) Other than (I) nonjudicial foreclosure of security interests in real or personal property, (II) the appointment of a receiver, or (III) the exercise of other provisional remedies (any of which may be initiated pursuant to applicable law), each controversy, dispute or claim (each, a "Disputed Claim") between any or all of the parties hereto arising out of or relating to the Loan Documents, which Disputed Claim is not settled in writing within 30 days after the "Claim Date" (the date on which a party subject to the Loan Documents gives written notice to the other parties that a Disputed Claim exists), will be resolved by a reference proceeding in California in accordance with the provisions of Section 638 et seq. of the California Code of Civil Procedure, or their successor sections ("CCP"), which shall constitute the exclusive remedy for the resolution of any Disputed Claim concerning the Loan Documents, including whether the Disputed Claim is subject to the reference proceeding. Except as set forth in this Section 9(g), the parties hereto waive the right to initiate legal proceedings against each other concerning such Disputed Claims. Venue for these reference proceedings will be in the courts of the State of California sitting in Los Angeles County or such other venue as the parties may agree (the "Court").

(iii) In the event that the enabling legislation which provides for appointment of a referee is repealed (and no successor statute is enacted), any dispute between the parties that would otherwise be determined by reference procedure will be resolved and determined by arbitration. The arbitration will be conducted by a retired judge of the Court, in accordance with the California Arbitration Act § 1280 through § 1294.2 of the CCP as amended from time to time. The limitations with respect to discovery set forth above shall apply to any such arbitration proceeding.

**SECTION 10. No Waiver; No Novation; Reservation of Rights**.

(a) No Waiver. Neither any Lender nor the Agent has waived, nor is any Lender or the Agent by this Agreement waiving, and neither any Lender nor the Agent has any present intention of waiving, any Specified Default, any other Events of Default arising under the Loan Documents which may be continuing on the Forbearance Effective Date or any Events of Default arising under the Loan Documents which may occur after the Forbearance Effective Date (whether the same or similar to any Specified Default or otherwise), and nothing contained herein shall be deemed or constitute any such waiver.

(b) No Novation. This Agreement is not intended to be, and shall not be deemed or construed to be, a satisfaction, reinstatement, novation, or release of the Loan Documents or any of the Obligations. Neither this Agreement nor any payments made or other actions taken pursuant to this Agreement shall be deemed to cure any defaults under any of the Loan Documents, it being the intention of the parties hereto that the Obligors are and shall remain in default and all Obligations are and shall remain immediately due and payable in full notwithstanding this Agreement.

(c) Reservation of Rights. Subject to Section 3 and Section 6, each Lender and the Agent reserves the right, in their sole discretion, to exercise any or all rights or remedies under the Loan Documents, applicable law and otherwise as a result of any Specified Default, any other Events of Default arising under the Loan Documents that may be continuing on the Forbearance Effective Date or any Default or Event of Default arising under the Loan Documents that may occur after the Forbearance Effective Date, and neither any Lender nor the Agent has waived any of such rights or remedies and nothing in this Agreement, and no delay on any Lender's or the Agent's part in exercising such rights or remedies, should be construed as a waiver of any such rights or remedies. Upon the termination of the Forbearance Period, the agreement of the Lenders and the Agent to forbear and the other agreements of the Lenders and the Agent hereunder, in each case as set forth in Section 3 above, shall automatically and without further action terminate and be of no force and effect, it being understood and agreed that the effect of such termination will be to permit the Lenders and the Agent to exercise any and all of its rights and remedies at any time and from time to time thereafter, including, without limitation, the right to accelerate all or any portion of the Obligations, enforce the Agent's Liens and exercise any other rights and remedies set forth in the Loan Documents, applicable law or otherwise.

(d) Notwithstanding anything to the contrary set forth herein (including, without limitation, the provisions of Section 3), nothing in this Agreement shall prohibit, restrict or otherwise limit the right or ability of any Lender or the Agent to take any actions that a Lender or the Agent may take under the Loan Documents, at law, in equity or otherwise to preserve and protect any assets or properties of any Obligor that are subject to the Agent's Liens or the interests (including the Agent's Liens) of the Lenders and the Agent in any such assets or properties, including, without limiting the generality of the foregoing, (i) the filing of actions, or the defending of or intervention in actions (such as foreclosure proceedings) brought by any person or entity (including any Obligor), relating to any such assets or properties or the interests of the Lenders and the Agent therein, (ii) the sending of notices to any persons or entities concerning the existence of security interests or liens in favor of the Lenders and the Agent relating to any such assets or properties or (iii) the filing of financing statements, and the taking of any other required actions, to perfect or continue the perfection of the Agent's Liens in such assets or properties.

(e) The Obligors acknowledge and agree that it shall be an immediate Event of Default under the Loan Documents if (i) any Obligor fails to comply with, or otherwise breaches, any of the obligations or undertakings of such Obligor set forth in this Agreement or (ii) any representation or warranty of any Obligor set forth herein fails to be true and correct in all respects.

**SECTION 11.** **Further Assurances**. Each Obligor hereby agrees that each Obligor shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the Lenders or the Agent may reasonably request to effectuate the purposes and terms of this Agreement and each of the other Loan Documents, including, without limitation, any such instruments, assignments, conveyances or other documents as the Lenders or the Agent reasonably requests to perfect or continue the Agent's Liens on any assets or properties of any Obligor.

**SECTION 12.** **Counterparts**. This Agreement may be executed by the parties hereto individually or in combination, in one or more counterparts, each of which shall be an original and all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or electronic transmission (in pdf format) shall be effective as delivery of a manually executed counterpart of this Agreement.

**SECTION 13.** **Successors and Assigns**. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

**SECTION 14.** **Severability**. If any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or enforceability without in any manner affecting the validity or enforceability of such provision in any other jurisdiction or the remaining provisions of this Agreement in any jurisdiction.

**SECTION 15.** **Governing Law**. **THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. ANY DISPUTE ARISING OUT OF OR CONCERNING THE TERMS OF THIS AGREEMENT SHALL BE RESOLVED IN A COURT OF COMPETENT JURISDICTION LOCATED IN NEW YORK COUNTY, NEW YORK, USA, WHICH SHALL BE THE EXCLUSIVE FORUM FOR THE RESOLUTION OF ANY SUCH DISPUTE.**

**SECTION 16.** **Expenses**. The Obligors, joint and severally, agree to pay, or reimburse, the Agent for all expenses incurred in connection with the preparation and negotiation of this Agreement and related agreements and instruments and the transactions contemplated hereby, including, but not limited to, the fees and expenses of counsel to the Agent.

**SECTION 17.** **Miscellaneous**. The parties hereto shall, at any time and from time to time following the execution of this Agreement, execute and deliver all such further instruments and take all such further action as may be reasonably necessary or appropriate in order to carry out the provisions of this Agreement.

**SECTION 18.** **Headings**. Section headings in this Agreement are included for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

**SECTION 19.** **Entire Agreement**. This Agreement embodies the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreement and understandings relating to the subject matter hereof. All prior statements, representations and warranties, if any, of any Lender or the Agent in respect of the subject matter hereof, and all prior drafts of this Agreement, are totally superseded and merged into this Agreement, which represents the final and sole agreement of the parties hereto with respect to the matters which are the subject hereof. Each of the Obligors hereby acknowledges and agrees that the execution and delivery of this Agreement has not established any course of dealing between the parties hereto and that the parties hereto do not contemplate, and, in entering into this Agreement, the Obligors have not relied upon, any potential extension of the Forbearance Period.

**SECTION 5. Conditions Precedent**. This Forbearance Amendment shall become effective and be deemed effective as of the date when, and only when, all of the following conditions have been satisfied as determined in the Agent's sole discretion (the date of such effectiveness being herein called the "Forbearance Amendment Effective Date"):

(a) the Agent shall have received an executed counterpart of this Forbearance Amendment duly executed by each of the Obligors and each of the Lenders;

(b) the Obligors shall have retained the Financial Advisor on terms and scope acceptable to Agent and shall have delivered to the Agent an engagement letter with the Financial Advisor on terms acceptable to the Agent;

(e) no Default or Event of Default (other than the Specified Defaults) shall have occurred and be continuing under the Loan Agreement or any of the other Loan Documents;

(f) the Obligors shall have paid all costs and expenses of the Agent (including legal fees and expenses) for which summary invoices have then been delivered to Obligors (which delivery of such summary invoices shall not constitute or result in a waiver of any right or privilege).

(g) the Agent shall have received a closing certificate executed by a Senior Officer of the Borrower Agent, certifying that the conditions set forth in this Section 5 have been satisfied.

**SECTION 6. Representations and Warranties**. Each of the Obligors, jointly and severally, represents and warrants (which representations and warranties shall survive the execution and delivery hereof) to the Lenders and the Agent that:

(a) this Forbearance Amendment and each other agreement to be executed and delivered in connection herewith has been duly authorized, executed and delivered by all necessary action on the part of each Obligor which is a party hereto or thereto and, if necessary, their respective members or stockholders, as the case may be, and is in full force and effect as of the Forbearance Amendment Effective Date and the agreements and obligations of Obligors contained herein and therein constitute (or when executed and delivered, will constitute) legal, valid and binding obligations of Obligors enforceable against them in accordance with their terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer or conveyance, moratorium, or other similar laws relating to the enforcement of creditors' rights generally and by general equitable principles;

(b) neither the execution, delivery and performance of this Forbearance Amendment nor the consummation of any of the transactions contemplated hereby (i) are in contravention of any applicable law or any indenture, agreement or undertaking to which any Obligor is a party or by which any Obligor or its property is bound, or (ii) violates any provision of the certificate of incorporation, certificate of formation, by-laws, operating agreement or other governing documents of such Obligor;

(c) no consent of any person or entity (including, without limitation, any of its equity holders or creditors), and no action of, or filing with, any governmental or public body or authority is required to authorize, or is otherwise required in connection with, the execution, delivery and performance of this Forbearance Amendment;

(d) as of the date hereof and after giving effect to this Forbearance Amendment, each of the representations and warranties of the Obligors set forth in the Loan Agreement and the other Loan Documents are true and correct in all material respects, except to the extent such representations and warranties speak as to an earlier date, in which case the same are true, correct and complete as to such earlier date; and

(e) no Default or Event of Default exists under the Loan Agreement or any of the other Loan Documents other than the Specified Defaults.

**SECTION 7. Acknowledgment and Reaffirmation**

(a) Acknowledgment of Debts. Each of the Obligors, jointly and severally, hereby acknowledges, agrees, confirms, reaffirms and stipulates that:

(i) interest has accrued on the Obligations since September 30, 2017 at the Default Rate under the Loan Documents, is due and payable and shall be paid by the Obligors on the Forbearance Amendment Effective Date as a U.S. Base Rate Loan pursuant to Section 4.1(a)(ii) of the Loan Agreement. Interest shall continue to accrue and be due and payable pursuant to the Loan Documents at the Default Rate following the Forbearance Amendment Effective Date;

(ii) fees, late fees, reimbursable and indemnifiable amounts, and other amounts have accrued under each of the Loan Documents and shall continue to accrue and be payable pursuant to the Loan Documents;

(iv) all of the Obligations, including, without limitation, the Obligations described in the foregoing clauses (i) through (iii), are (or, in the case of clause (iii), from and after the Forbearance Amendment Effective Date will be) unconditionally owing by the Obligors to the Lenders and the Agent without offset, defense or counterclaim of any kind, nature or description whatsoever.

(b) Acknowledgment of Guaranties. Each of the Obligors, jointly and severally, hereby acknowledges, agrees, confirms, reaffirms and stipulates:

(i) (x) to the validity, legality and enforceability of each of the guarantees of the Obligations set forth in the Loan Documents; (y) that the reaffirmation of each of the guarantees of the Obligations set forth in the Loan Documents is a material inducement to the Lenders and the Agent; and (z) that it has no defense to the enforcement of each of the guarantees of the Obligations set forth in the Loan Documents and its obligations under each such guarantee shall remain in full force and effect until all the Obligations have been paid in full;

(ii) (x) to the validity, legality and enforceability of each of the Agent's Liens on the assets and property of each of the Obligors pursuant to the Loan Documents; (y) that the reaffirmation of each of the Agent's Liens is a material inducement to the Lenders and the Agent; and (z) that it has no defense to the enforcement of each of the Agent's Liens, and the Agent's Liens shall remain in full force and effect until all the Obligations have been paid in full;

(iii) that each Obligor hereby waives and releases any and all defenses, affirmative defenses, setoffs, claims, counterclaims, and causes of action of any kind or nature which he has asserted, or might assert, against any Lender, the Agent or any of their respective subsidiaries or affiliates, or any of the past, present or future officers, directors, contractors, employees, attorneys or agents of any Lender, the Agent or any such subsidiary or affiliate, which in any way relate to or arise out of the Obligations, the Agent's Liens or any of the Loan Documents;

(iv) that each Obligor consents to the execution and delivery of this Forbearance Amendment and agrees and acknowledges that the liability of each Obligor under each of the Loan Documents, and the existence, creation, perfection or enforceability of any of the Agent's Liens, shall not be diminished in any way by the execution and delivery of this Forbearance Amendment or by the consummation of any of the transactions contemplated hereby or thereby;

(v) that all notices required under the Loan Documents to be given by the Lenders or the Agent have been given by the Lenders or the Agent or validly waived, including, without limitation, all notices of default, and all rights and/or opportunities to cure related thereto have expired or lapsed;

(vi) except as expressly set forth herein, neither any Lender nor the Agent has agreed to (and has no obligation whatsoever to discuss, negotiate or agree to) any restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents;

(vii) no understanding with respect to any other restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents shall constitute a legally binding agreement or contract, or have any force or effect whatsoever, unless and until reduced to writing and signed by authorized representatives of each Obligor, each Lender and the Agent;

(viii) the execution and delivery of this Forbearance Amendment has not established any course of dealing between the parties hereto or created any obligation or agreement of any Lender or the Agent with respect to any future restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents; and

(ix) neither any Lender nor the Agent is required to make any loan advance to any Obligor under the Loan Documents or otherwise, and any further loan advances made shall be made in the sole discretion of each such Lender and the Agent and subject to such conditions and the payment of such fees as each such Lender and the Agent requires in their sole discretion.

**SECTION 8. Ratification; Waiver of Defenses; Indemnity and Release**.

(a) Ratification. The Loan Documents remain in full force and effect and are hereby ratified and affirmed by each of the Obligors. Each of the Obligors, jointly and severally, (i) confirms and agrees that it is truly and justly indebted to the Lenders and the Agent in the aggregate amount of the Obligations without defense, counterclaim or offset of any kind whatsoever; and (ii) reaffirms and admits the validity and enforceability of the Loan Documents.

(b) Release.

(i) Each of Obligors, jointly and severally, on behalf of itself and each of its Subsidiaries and affiliates, hereby waives, releases and discharges each Lender and the Agent, and all of the directors, officers, employees, attorneys, agents, successors and assigns of each Lender and the Agent, from any and all claims, demands, actions, causes of action, damages, costs, expenses and liabilities, known or unknown, anticipated or unanticipated, suspected or unsuspected, asserted or unasserted, fixed, contingent or conditional, at law or in equity, arising out of or in any way relating to the Loan Documents or any documents, agreements, dealings or other matters connected with the Loan Documents, in each case to the extent arising (x) on or prior to the date hereof or (y) out of, or relating to, any actions, dealings or matters occurring on or prior to the date hereof. The waivers, releases, and discharges in this Section 8 shall be effective on the Forbearance Amendment Effective Date regardless of whether any post-Forbearance Amendment Effective Date conditions to this Forbearance Amendment are satisfied and regardless of any other event that may occur or not occur after the date hereof.

(ii) It is the intention of each Obligor that this Forbearance Amendment and the release set forth above shall constitute a full and final accord and satisfaction of all claims that may have or hereafter be deemed to have against Releasees as set forth herein. In furtherance of this intention, each Obligor, on behalf of itself and each other Releasor, expressly waives any statutory or common law provision that would otherwise prevent the release set forth above from extending to claims that are not currently known or suspected to exist in any Releasor's favor at the time of executing this Forbearance Amendment and which, if known by Releasors, might have materially affected the agreement as provided for hereunder. Each Obligor on behalf of itself and each other Releasor, acknowledges that it is familiar with Section 1542 of California Civil Code:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

(iii) Each Obligor, on behalf of itself and each other Releasor, waives and releases any rights or benefits that it may have under Section 1542 to the full extent that it may lawfully waive such rights and benefits, and each Obligor, on behalf of itself and each other Releasor, acknowledges that it understands the significance and consequences of the waiver of the provisions of Section 1542 and that it has been advised by its attorney as to the significance and consequences of this waiver.

(iv) Each Obligor understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as
a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

(v) Each Obligor agrees that no fact, event, circumstance, evidence, or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute, and unconditional nature of the release set forth above.

(vi) The waivers, releases, and discharges in this Forbearance Amendment shall be effective on the Forbearance Amendment Effective Date regardless of whether any post-Forbearance Amendment Effective Date conditions to this Forbearance Amendment are satisfied and regardless of any other event that may occur or not occur after the date hereof.

(c) Indemnity. In furtherance of its Obligations under Section 14.2 of the Loan Agreement, each of the Obligors, jointly and severally, agrees to further defend, protect, indemnify and hold harmless each Lender and the Agent and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable fees, costs and expenses of outside counsel) incurred by such Indemnitees, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the execution or performance or enforcement of this Forbearance Amendment, any other Loan Document or any other document executed in connection with the transactions contemplated by this Forbearance Amendment; or (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto. This indemnity shall survive the repayment of the Obligations and the discharge of the liens granted under the Loan Documents.

(d) No Waiver. This Forbearance Amendment shall be limited precisely as written and, except as expressly provided herein, shall not be deemed (i) to be a consent granted pursuant to, or a (other than as set forth in Section 3 and Section 4) waiver, modification or forbearance of, any term or condition of any of the Loan Documents or a waiver of any Default or Event of Default under any of the Loan Documents (including, without limitation, the Specified Defaults), whether or not known to a Lender or the Agent, or (ii) to prejudice any right or remedy which a Lender or the Agent may now have or have in the future under or in connection with the Loan Documents or any of the instruments or agreements referred to therein. Subject to the forbearance in respect of the Specified Defaults set forth in Section 3 of the Forbearance Agreement and the amendments set forth in Section 3 and Section 4 of this Forbearance Amendment, the Loan Documents shall continue in full force and effect and are hereby ratified and confirmed.

(e) Waiver of Defense. Each of Obligors expressly acknowledges the occurrence and continued existence of the Specified Defaults. The Obligors, jointly and severally, agree that each Lender and the Agent has no obligation (i) to grant the forbearance contemplated by this Forbearance Amendment, (ii) to enter into discussions with the Obligors with regard to waiving the Specified Defaults, or (iii) to enter into any amendment or modification of the terms and provisions of any Loan Document, and any of the same shall be within the sole discretion of each Lender and the Agent. Each of the Obligors, jointly and severally, acknowledge and agree, as a condition of the Lenders and the Agent entering into this Forbearance Amendment, that it shall not raise any claim, cause of action or defense based upon any allegations of failure of any Lender or the Agent to do or agree to do any of the foregoing, or failure of any Lender or the Agent to negotiate in good faith to accomplish any of the same.

(f) Waiver of Jury Trial Right and Other Matters. BORROWERS AND THE OTHER OBLIGORS EACH HEREBY WAIVES (i) ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING ARISING OUT OF, IN CONNECTION WITH OR RELATING TO, THIS FORBEARANCE AMENDMENT, THE OTHER LOAN DOCUMENTS AND ANY OTHER TRANSACTION CONTEMPLATED HEREBY AND THEREBY, WHICH WAIVER APPLIES TO ANY ACTION, SUIT OR PROCEEDING WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE; (ii) PRESENTMENT, DEMAND AND PROTEST, AND NOTICE OF PRESENTMENT, PROTEST, DEFAULT, NONPAYMENT, MATURITY, RELEASE WITH RESPECT TO ALL OR ANY PART OF THE OBLIGATIONS OR ANY COMMERCIAL PAPER, ACCOUNTS, CONTRACT RIGHTS, DOCUMENTS, INSTRUMENTS, CHATTEL PAPER AND GUARANTIES AT ANY TIME HELD BY ANY LENDER PARTY ON WHICH BORROWERS OR ANY OTHER OBLIGOR MAY IN ANY WAY BE LIABLE AND HEREBY RATIFIES AND CONFIRMS WHATEVER SUCH LENDER PARTY MAY DO IN THIS REGARD; (iii) NOTICE PRIOR TO TAKING POSSESSION OR CONTROL OF THE COLLATERAL, THE OTHER COLLATERAL OR ANY BOND OR SECURITY THAT MIGHT BE REQUIRED BY ANY COURT PRIOR TO ALLOWING ANY LENDER PARTY TO EXERCISE ANY OF THEIR RESPECTIVE RIGHTS AND REMEDIES; (iv) THE BENEFIT OF ALL VALUATION, APPRAISEMENT AND EXEMPTION LAWS AND ALL RIGHTS WAIVABLE UNDER ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE; (v) ANY RIGHT BORROWERS OR ANY OTHER OBLIGOR MAY HAVE UPON PAYMENT IN FULL OF THE OBLIGATIONS TO REQUIRE ANY LENDER PARTY TO TERMINATE ITS SECURITY INTEREST IN THE COLLATERAL, OTHER COLLATERAL OR IN ANY OTHER PROPERTY OF BORROWERS OR ANY OTHER OBLIGOR UNTIL TERMINATION OF THE FORBEARANCE AMENDMENT IN ACCORDANCE WITH ITS TERMS AND THE EXECUTION BY BORROWERS, AND BY ANY PERSON WHO PROVIDES FUNDS TO BORROWERS THAT ARE USED IN WHOLE OR IN PART TO SATISFY THE OBLIGATIONS, OF AN AGREEMENT INDEMNIFYING ANY OR ALL OF THE LENDER PARTIES FROM ANY LOSS OR DAMAGE ANY SUCH PARTY MAY INCUR AS THE RESULT OF DISHONORED CHECKS OR OTHER ITEMS OF PAYMENT RECEIVED BY SUCH LENDER PARTY FROM BORROWERS, OR ANY ACCOUNT DEBTOR AND APPLIED TO THE OBLIGATIONS AND RELEASING AND INDEMNIFYING, IN THE SAME MANNER AS DESCRIBED IN SECTION 8 OF THIS FORBEARANCE AMENDMENT, THE RELEASEES FROM ALL CLAIMS ARISING ON OR BEFORE THE DATE OF SUCH TERMINATION STATEMENT; AND (vi) NOTICE OF ACCEPTANCE HEREOF, AND BORROWERS AND THE OTHER OBLIGORS EACH ACKNOWLEDGES THAT THE FOREGOING WAIVERS ARE A MATERIAL INDUCEMENT TO AGENT'S AND THE OTHER LENDER PARTIES' ENTERING INTO THIS FORBEARANCE AMENDMENT AND THAT SUCH PARTIES ARE RELYING UPON THE FOREGOING WAIVERS IN THEIR FUTURE DEALINGS WITH BORROWERS AND THE OTHER OBLIGORS. BORROWERS AND THE OTHER OBLIGORS EACH WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THE FOREGOING WAIVERS WITH ITS LEGAL COUNSEL AND HAS KNOWINGLY AND VOLUNTARILY WAIVED ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. IN THE EVENT OF LITIGATION, THIS FORBEARANCE AMENDMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

(g) Alternative Dispute Resolution under California Law.

(i) The reference provisions of this Section 8(g) will be applicable only if the jury trial waiver set forth in Section 8(f) hereof is declared invalid or unenforceable and the Agent determines in its sole discretion to proceed as set forth in this Section 9(g).

(ii) Other than (I) nonjudicial foreclosure of security interests in real or personal property, (II) the appointment of a receiver, or (III) the exercise of other provisional remedies (any of which may be initiated pursuant to applicable law), each controversy, dispute or claim (each, a "Disputed Claim") between any or all of the parties hereto arising out of or relating to the Loan Documents, which Disputed Claim is not settled in writing within 30 days after the "Claim Date" (the date on which a party subject to the Loan Documents gives written notice to the other parties that a Disputed Claim exists), will be resolved by a reference proceeding in California in accordance with the provisions of Section 638 et seq. of the California Code of Civil Procedure, or their successor sections ("CCP"), which shall constitute the exclusive remedy for the resolution of any Disputed Claim concerning the Loan Documents, including whether the Disputed Claim is subject to the reference proceeding. Except as set forth in this Section 8(g), the parties hereto waive the right to initiate legal proceedings against each other concerning such Disputed Claims. Venue for these reference proceedings will be in the courts of the State of California sitting in Los Angeles County or such other venue as the parties may agree (the "Court").

(iii) In the event that the enabling legislation which provides for appointment of a referee is repealed (and no successor statute is enacted), any dispute between the parties that would otherwise be determined by reference procedure will be resolved and determined by arbitration. The arbitration will be conducted by a retired judge of the Court, in accordance with the California Arbitration Act § 1280 through § 1294.2 of the CCP as amended from time to time. The limitations with respect to discovery set forth above shall apply to any such arbitration proceeding.

**SECTION 9. No Waiver; No Novation; Reservation of Rights**.

(a) No Waiver. Neither any Lender nor the Agent has waived, nor is any Lender or the Agent by this Forbearance Amendment waiving, and neither any Lender nor the Agent has any present intention of waiving, any Specified Default, any other Events of Default arising under the Loan Documents which may be continuing on the Forbearance Amendment Effective Date or any Events of Default arising under the Loan Documents which may occur after the Forbearance Amendment Effective Date (whether the same or similar to any Specified Default or otherwise), and nothing contained herein shall be deemed or constitute any such waiver.

(b) No Novation. This Forbearance Amendment is not intended to be, and shall not be deemed or construed to be, a satisfaction, reinstatement, novation, or release of the Loan Documents or any of the Obligations. Neither this Forbearance Amendment nor any payments made or other actions taken pursuant to this Forbearance Amendment shall be deemed to cure any defaults under any of the Loan Documents, it being the intention of the parties hereto that the Obligors are and shall remain in default and all Obligations are and shall remain immediately due and payable in full notwithstanding this Forbearance Amendment.

(c) Reservation of Rights. Subject to Section 3 of the Forbearance Agreement and Section 3 and Section 4 of this Forbearance Amendment, each Lender and the Agent reserves the right, in their sole discretion, to exercise any or all rights or remedies under the Loan Documents, applicable law and otherwise as a result of any Specified Default, any other Events of Default arising under the Loan Documents that may be continuing on the Forbearance Amendment Effective Date or any Default or Event of Default arising under the Loan Documents that may occur after the Forbearance Amendment Effective Date, and neither any Lender nor the Agent has waived any of such rights or remedies and nothing in this Forbearance Amendment, and no delay on any Lender's or the Agent's part in exercising such rights or remedies, should be construed as a waiver of any such rights or remedies. Upon the termination of the Forbearance Period, the agreement of the Lenders and the Agent to forbear and the other agreements of the Lenders and the Agent hereunder, in each case as set forth in Section 3 above, shall automatically and without further action terminate and be of no force and effect, it being understood and agreed that the effect of such termination will be to permit the Lenders and the Agent to exercise any and all of its rights and remedies at any time and from time to time thereafter, including, without limitation, the right to accelerate all or any portion of the Obligations, enforce the Agent's Liens and exercise any other rights and remedies set forth in the Loan Documents, applicable law or otherwise.

(d) Notwithstanding anything to the contrary set forth herein or in the Forbearance Agreement (including, without limitation, the provisions of Section 3 of the Forbearance Agreement), nothing in this Forbearance Amendment shall prohibit, restrict or otherwise limit the right or ability of any Lender or the Agent to take any actions that a Lender or the Agent may take under the Loan Documents, at law, in equity or otherwise to preserve and protect any assets or properties of any Obligor that are subject to the Agent's Liens or the interests (including the Agent's Liens) of the Lenders and the Agent in any such assets or properties, including, without limiting the generality of the foregoing, (i) the filing of actions, or the defending of or intervention in actions (such as foreclosure proceedings) brought by any person or entity (including any Obligor), relating to any such assets or properties or the interests of the Lenders and the Agent therein, (ii) the sending of notices to any persons or entities concerning the existence of security interests or liens in favor of the Lenders and the Agent relating to any such assets or properties or (iii) the filing of financing statements, and the taking of any other required actions, to perfect or continue the perfection of the Agent's Liens in such assets or properties.

(e) The Obligors acknowledge and agree that it shall be an immediate Event of Default under the Loan Documents if (i) any Obligor fails to comply with, or otherwise breaches, any of the obligations or undertakings of such Obligor set forth in this Forbearance Amendment or (ii) any representation or warranty of any Obligor set forth herein fails to be true and correct in all respects.

**SECTION 10. Loan Document Pursuant to Loan Agreement**. Each of the Obligors, Agent, and the Lenders hereby acknowledge and agree that the Forbearance Agreement, as may be amended, restated, supplemented or otherwise modified from time to time, including by this Forbearance Amendment, constitutes a Loan Document as defined in the Loan Agreement.

**SECTION 11. Further Assurances**. Each Obligor hereby agrees that each Obligor shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the Lenders or the Agent may reasonably request to effectuate the purposes and terms of this Forbearance Amendment and each of the other Loan Documents, including, without limitation, any such instruments, assignments, conveyances or other documents as the Lenders or the Agent reasonably requests to perfect or continue the Agent's Liens on any assets or properties of any Obligor.

**SECTION 12. Counterparts**. This Forbearance Amendment may be executed by the parties hereto individually or in combination, in one or more counterparts, each of which shall be an original and all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Forbearance Amendment by telecopier or electronic transmission (in pdf format) shall be effective as delivery of a manually executed counterpart of this Forbearance Amendment.

**SECTION 13. Successors and Assigns**. The provisions of this Forbearance Amendment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

**SECTION 14. Severability**. If any provision of this Forbearance Amendment shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or enforceability without in any manner affecting the validity or enforceability of such provision in any other jurisdiction or the remaining provisions of this Forbearance Amendment in any jurisdiction.

**SECTION 15. Governing Law**. **THIS FORBEARANCE AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. ANY DISPUTE ARISING OUT OF OR CONCERNING THE TERMS OF THIS FORBEARANCE AMENDMENT SHALL BE RESOLVED IN A COURT OF COMPETENT JURISDICTION LOCATED IN NEW YORK COUNTY, NEW YORK, USA, WHICH SHALL BE THE EXCLUSIVE FORUM FOR THE RESOLUTION OF ANY SUCH DISPUTE.**

**SECTION 16. Expenses**. The Obligors, joint and severally, agree to pay, or reimburse, the Agent for all expenses incurred in connection with the preparation and negotiation of this Forbearance Amendment and related agreements and instruments and the transactions contemplated hereby, including, but not limited to, the fees and expenses of counsel to the Agent.

**SECTION 17. Miscellaneous**. The parties hereto shall, at any time and from time to time following the execution of this Forbearance Amendment, execute and deliver all such further instruments and take all such further action as may be reasonably necessary or appropriate in order to carry out the provisions of this Forbearance Amendment.

**SECTION 18. Headings**. Section headings in this Forbearance Amendment are included for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Forbearance Amendment.

**SECTION 19. Entire Agreement**. This Forbearance Amendment embodies the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreement and understandings relating to the subject matter hereof. All prior statements, representations and warranties, if any, of any Lender or the Agent in respect of the subject matter hereof, and all prior drafts of this Forbearance Amendment, are totally superseded and merged into this Forbearance Amendment, which represents the final and sole agreement of the parties hereto with respect to the matters which are the subject hereof. Each of the Obligors hereby acknowledges and agrees that the execution and delivery of this Forbearance Amendment has not established any course of dealing between the parties hereto and that the parties hereto do not contemplate, and, in entering into this Forbearance Amendment, the Obligors have not relied upon, any potential extension of the Forbearance Period.

(ii) It is the intention of each Obligor that this Waiver and Third Amendment and the release set forth above shall constitute a full and final accord and satisfaction of all claims that may have or hereafter be deemed to have against Releasees as set forth herein. In furtherance of this intention, each Obligor, on behalf of itself and each other Releasor, expressly waives any statutory or common law provision that would otherwise prevent the release set forth above from extending to claims that are not currently known or suspected to exist in any Releasor's favor at the time of executing this Waiver and Third Amendment and which, if known by Releasors, might have materially affected the agreement as provided for hereunder. Each Obligor on behalf of itself and each other Releasor, acknowledges that it is familiar with Section 1542 of California Civil Code:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

(iii) Each Obligor, on behalf of itself and each other Releasor, waives and releases any rights or benefits that it may have under Section 1542 to the full extent that it may lawfully waive such rights and benefits, and each Obligor, on behalf of itself and each other Releasor, acknowledges that it understands the significance and consequences of the waiver of the provisions of Section 1542 and that it has been advised by its attorney as to the significance and consequences of this waiver.

(iv) Each Obligor understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

(v) Each Obligor agrees that no fact, event, circumstance, evidence, or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute, and unconditional nature of the release set forth above.

(vi) The waivers, releases, and discharges in this Waiver and Third Amendment shall be effective on the Waiver and Third Amendment Effective Date regardless of whether any post-Waiver and Third Amendment Effective Date conditions to this Waiver and Third Amendment are satisfied and regardless of any other event that may occur or not occur after the date hereof.

(c) Indemnity. In furtherance of its Obligations under Section 14.2 of the Loan Agreement, each of the Obligors, jointly and severally, agrees to further defend, protect, indemnify and hold harmless each Lender and the Agent and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable fees, costs and expenses of outside counsel) incurred by such Indemnitees, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the execution or performance or enforcement of this Waiver and Third Amendment, any other Loan Document or any other document executed in connection with the transactions contemplated by this Waiver and Third Amendment; or (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto. This indemnity shall survive the repayment of the Obligations and the discharge of the liens granted under the Loan Documents.

(d) No Waiver. This Waiver and Third Amendment shall be limited precisely as written and, except as expressly provided herein, shall not be deemed (i) to be a consent granted pursuant to, or a (other than as set forth in Section 3 or Section 6) waiver, modification or forbearance of, any term or condition of any of the Loan Documents or a waiver of any Default or Event of Default under any of the Loan Documents (including, without limitation, the Specified Defaults), whether or not known to a Lender or the Agent, or (ii) to prejudice any right or remedy which a Lender or the Agent may now have or have in the future under or in connection with the Loan Documents or any of the instruments or agreements referred to therein. Subject to the waiver in respect of the Specified Defaults set forth in Section 3 and the amendment set forth in Section 6, the Loan Documents shall continue in full force and effect and are hereby ratified and confirmed.

(e) Waiver of Defense. Each of Obligors expressly acknowledges the occurrence and continued existence of the Specified Defaults. The Obligors, jointly and severally, agree that each Lender and the Agent has no obligation (i) to grant the waiver contemplated by this Waiver and Third Amendment, (ii) to enter into discussions with the Obligors with regard to waiving the Specified Defaults, or (iii) to enter into any amendment or modification of the terms and provisions of any Loan Document, and any of the same shall be within the sole discretion of each Lender and the Agent. Each of the Obligors, jointly and severally, acknowledge and agree, as a condition of the Lenders and the Agent entering into this Waiver and Third Amendment, that it shall not raise any claim, cause of action or defense based upon any allegations of failure of any Lender or the Agent to do or agree to do any of the foregoing, or failure of any Lender or the Agent to negotiate in good faith to accomplish any of the same.

**SECTION 13.** **Successors and Assigns**. The provisions of this Waiver and Third Amendment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

**SECTION 14.** **Severability**. If any provision of this Waiver and Third Amendment shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or enforceability without in any manner affecting the validity or enforceability of such provision in any other jurisdiction or the remaining provisions of this Waiver and Third Amendment in any jurisdiction.

**SECTION 15.** **Governing Law**. **THIS WAIVER AND THIRD AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. **SECTION 17.** **Miscellaneous**. The parties hereto shall, at any time and from time to time following the execution of this Waiver and Third Amendment, execute and deliver all such further instruments and take all such further action as may be reasonably necessary or appropriate in order to carry out the provisions of this Waiver and Third Amendment.

**SECTION 18.** **Headings**. Section headings in this Waiver and Third Amendment are included for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Waiver and Third Amendment.

Nothing in this Fourth Amendment shall be construed to (i) constitute a waiver with respect to any other default or non-compliance by the Obligors with respect to the Loan Documents; or (ii) impair any right or remedy that the Agent or Lenders may now have or may have in the future under or in connection with any default or non-compliance under any Loan Document.

**SECTION 6.** **Amendment Fee**. An amendment fee in the amount of $100,000 (the "Fourth Amendment Fee") shall be fully earned by the Agent and the Lenders and non-refundable as of the Fourth Amendment Effective Date, and shall be paid by the Obligors on the Fourth Amendment Effective Date as a U.S. Base Rate Loan pursuant to Section 4.1(a)(ii) of the Loan Agreement.

**SECTION 7.** **Conditions Precedent**. This Fourth Amendment shall become effective and be deemed effective as of the date when, and only when, all of the following conditions have been satisfied as determined in the Agent's sole discretion:

(a) the Agent shall have received an executed counterpart of this Fourth Amendment duly executed by each of the Obligors and each of the Lenders;

(b) the Term Loan Agent and each Term Loan Lender shall have entered into the Term Loan Amendment No. 4 and the Obligors shall have delivered a certified copy of such Term Loan Amendment No. 4 to the Agent and each of the Lenders, and such Term Loan Amendment No. 4 shall be in form and substance acceptable to the Agent;

(c) all representations and warranties contained in this Fourth Amendment shall be true and correct in all material respects, except to the extent such representations and warranties speak as to an earlier date, in which case the same are true, correct and complete as to such earlier date;

(d) no Default or Event of Default shall have occurred and be continuing under the Loan Agreement or any of the other Loan Documents; and

(e) the Obligors shall have paid all costs and expenses of the Agent (including legal fees and expenses) for which summary invoices have then been delivered to Obligors (which delivery of such summary invoices shall not constitute or result in a waiver of any right or privilege).

**SECTION 8.** **Representations and Warranties**. Each of the Obligors, jointly and severally, represents and warrants (which representations and warranties shall survive the execution and delivery hereof) to the Lenders and the Agent that:

(a) this Fourth Amendment and each other agreement to be executed and delivered in connection herewith has been duly authorized, executed and delivered by all necessary action on the part of each Obligor which is a party hereto or thereto and, if necessary, their respective members or stockholders, as the case may be, and is in full force and effect as of the Fourth Amendment Effective Date and the agreements and obligations of Obligors contained herein and therein constitute (or when executed and delivered, will constitute) legal, valid and binding obligations of Obligors enforceable against them in accordance with their terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer or conveyance, moratorium, or other similar laws relating to the enforcement of creditors' rights generally and by general equitable principles;

(b) neither the execution, delivery and performance of this Fourth Amendment nor the consummation of any of the transactions contemplated hereby or thereby (i) are in contravention of any applicable law or any indenture, agreement or undertaking to which any Obligor is a party or by which any Obligor or its property is bound, or (ii) violates any provision of the certificate of incorporation, certificate of formation, by-laws, operating agreement or other governing documents of such Obligor;

(c) no consent of any person or entity (including, without limitation, any of its equity holders or creditors), and no action of, or filing with, any governmental or public body or authority is required to authorize, or is otherwise required in connection with, the execution, delivery and performance of this Fourth Amendment;

(d) as of the date hereof and after giving effect to this Fourth Amendment, each of the representations and warranties of the Obligors set forth in the Loan Agreement and the other Loan Documents are true and correct in all material respects, except to the extent such representations and warranties speak as to an earlier date, in which case the same are true, correct and complete as to such earlier date; and

(e) no Default or Event of Default exists under the Loan Agreement or any of the other Loan Documents.

**SECTION 9.** **Acknowledgment and Reaffirmation** Each Obligor, jointly and severally, hereby acknowledges, agrees, confirms, reaffirms and stipulates:

(a) (x) to the validity, legality and enforceability of each of the guarantees of the Obligations set forth in the Loan Documents; (y) that the reaffirmation of each of the guarantees of the Obligations set forth in the Loan Documents is a material inducement to the Lenders and the Agent; and (z) that it has no defense to the enforcement of each of the guarantees of the Obligations set forth in the Loan Documents and its obligations under each such guarantee shall remain in full force and effect until all the Obligations have been paid in full;

(b) (x) to the validity, legality and enforceability of each of the Agent's Liens on the assets and property of each of the Obligors pursuant to the Loan Documents; (y) that the reaffirmation of each of the Agent's Liens is a material inducement to the Lenders and the Agent; and (z) that it has no defense to the enforcement of each of the Agent's Liens, and the Agent's Liens shall remain in full force and effect until all the Obligations have been paid in full;

(c) that each Obligor hereby waives and releases any and all defenses, affirmative defenses, setoffs, claims, counterclaims, and causes of action of any kind or nature which he has asserted, or might assert, against any Lender, the Agent or any of their respective subsidiaries or affiliates, or any of the past, present or future officers, directors, contractors, employees, attorneys or agents of any Lender, the Agent or any such subsidiary or affiliate, which in any way relate to or arise out of the Obligations, the Agent's Liens or any of the Loan Documents;

(d) that each Obligor consents to the execution and delivery of this Fourth Amendment and agrees and acknowledges that the liability of each Obligor under each of the Loan Documents, and the existence, creation, perfection or enforceability of any of the Agent's Liens, shall not be diminished in any way by the execution and delivery of this Fourth Amendment or by the consummation of any of the transactions contemplated hereby or thereby;

(e) that all notices required under the Loan Documents to be given by the Lenders or the Agent have been given by the Lenders or the Agent or validly waived, including, without limitation, all notices of default, and all rights and/or opportunities to cure related thereto have expired or lapsed;

(f) except as expressly set forth herein, neither any Lender nor the Agent has agreed to (and has no obligation whatsoever to discuss, negotiate or agree to) any restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents;

(g) no understanding with respect to any other restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents shall constitute a legally binding agreement or contract, or have any force or effect whatsoever, unless and until reduced to writing and signed by authorized representatives of each Obligor, each Lender and the Agent; and

(h) the execution and delivery of this Fourth Amendment has not established any course of dealing between the parties hereto or created any obligation or agreement of any Lender or the Agent with respect to any future restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents.

**SECTION 10. Ratification; Waiver of Defenses; Indemnity and Release**.

(a) Ratification. The Loan Documents remain in full force and effect and are hereby ratified and affirmed by each of the Obligors. Each of the Obligors, jointly and severally, (i) confirms and agrees that it is truly and justly indebted to the Lenders and the Agent in the aggregate amount of the Obligations without defense, counterclaim or offset of any kind whatsoever; and (ii) reaffirms and admits the validity and enforceability of the Loan Documents.

(b) Release.

(i) Each of Obligors, jointly and severally, on behalf of itself and each of its Subsidiaries and affiliates, hereby waives, releases and discharges each Lender and the Agent, and all of the directors, officers, employees, attorneys, agents, successors and assigns of each Lender and the Agent, from any and all claims, demands, actions, causes of action, damages, costs, expenses and liabilities, known or unknown, anticipated or unanticipated, suspected or unsuspected, asserted or unasserted, fixed, contingent or conditional, at law or in equity, arising out of or in any way relating to the Loan Documents or any documents, agreements, dealings or other matters connected with the Loan Documents, in each case to the extent arising (x) on or prior to the date hereof or (y) out of, or relating to, any actions, dealings or matters occurring on or prior to the date hereof. The waivers, releases, and discharges in this Section 10 shall be effective on the Fourth Amendment Effectiveness Date regardless of any other event that may occur or not occur after the date hereof.

(ii) It is the intention of each Obligor that this Fourth Amendment and the release set forth above shall constitute a full and final accord and satisfaction of all claims that may have or hereafter be deemed to have against Releasees as set forth herein. In furtherance of this intention, each Obligor, on behalf of itself and each other Releasor, expressly waives any statutory or common law provision that would otherwise prevent the release set forth above from extending to claims that are not currently known or suspected to exist in any Releasor's favor at the time of executing this Fourth Amendment and which, if known by Releasors, might have materially affected the agreement as provided for hereunder. Each Obligor on behalf of itself and each other Releasor, acknowledges that it is familiar with Section 1542 of California Civil Code:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

(iii) Each Obligor, on behalf of itself and each other Releasor, waives and releases any rights or benefits that it may have under Section 1542 to the full extent that it may lawfully waive such rights and benefits, and each Obligor, on behalf of itself and each other Releasor, acknowledges that it understands the significance and consequences of the waiver of the provisions of Section 1542 and that it has been advised by its attorney as to the significance and consequences of this waiver.

(iv) Each Obligor understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

(v) Each Obligor agrees that no fact, event, circumstance, evidence, or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute, and unconditional nature of the release set forth above.

(vi) The waivers, releases, and discharges in this Fourth Amendment shall be effective on the Fourth Amendment Effectiveness Date regardless of any other event that may occur or not occur after the date hereof.

(c) Indemnity. In furtherance of its Obligations under Section 14.2 of the Loan Agreement, each of the Obligors, jointly and severally, agrees to further defend, protect, indemnify and hold harmless each Lender and the Agent and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable fees, costs and expenses of outside counsel) incurred by such Indemnitees, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the execution or performance or enforcement of this Fourth Amendment, any other Loan Document or any other document executed in connection with the transactions contemplated by this Fourth Amendment; or (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto. This indemnity shall survive the repayment of the Obligations and the discharge of the liens granted under the Loan Documents.

(d) No Waiver. This Fourth Amendment shall be limited precisely as written and, except as expressly provided herein, shall not be deemed (i) to be a consent granted pursuant to, or a (other than as set forth in Section 6) waiver, modification or forbearance of, any term or condition of any of the Loan Documents or a waiver of any Default or Event of Default under any of the Loan Documents, whether or not known to a Lender or the Agent, or (ii) to prejudice any right or remedy which a Lender or the Agent may now have or have in the future under or in connection with the Loan Documents or any of the instruments or agreements referred to therein. The Loan Documents shall continue in full force and effect and are hereby ratified and confirmed.

(e) Waiver of Defense. The Obligors, jointly and severally, agree that each Lender and the Agent has no obligation to enter into any amendment or modification of the terms and provisions of any Loan Document, and any of the same shall be within the sole discretion of each Lender and the Agent. Each of the Obligors, jointly and severally, acknowledge and agree, as a condition of the Lenders and the Agent entering into this Fourth Amendment, that it shall not raise any claim, cause of action or defense based upon any allegations of failure of any Lender or the Agent to do or agree to do any of the foregoing, or failure of any Lender or the Agent to negotiate in good faith to accomplish any of the same.

(f) Waiver of Jury Trial Right and Other Matters. BORROWERS AND THE OTHER OBLIGORS EACH HEREBY WAIVES (i) ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING ARISING OUT OF, IN CONNECTION WITH OR RELATING TO, THIS FOURTH AMENDMENT, THE OTHER LOAN DOCUMENTS AND ANY OTHER TRANSACTION CONTEMPLATED HEREBY AND THEREBY, WHICH WAIVER APPLIES TO ANY ACTION, SUIT OR PROCEEDING WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE; (ii) PRESENTMENT, DEMAND AND PROTEST, AND NOTICE OF PRESENTMENT, PROTEST, DEFAULT, NONPAYMENT, MATURITY, RELEASE WITH RESPECT TO ALL OR ANY PART OF THE OBLIGATIONS OR ANY COMMERCIAL PAPER, ACCOUNTS, CONTRACT RIGHTS, DOCUMENTS, INSTRUMENTS, CHATTEL PAPER AND GUARANTIES AT ANY TIME HELD BY ANY LENDER PARTY ON WHICH BORROWERS OR ANY OTHER OBLIGOR MAY IN ANY WAY BE LIABLE AND HEREBY RATIFIES AND CONFIRMS WHATEVER SUCH LENDER PARTY MAY DO IN THIS REGARD; (iii) NOTICE PRIOR TO TAKING POSSESSION OR CONTROL OF THE COLLATERAL, THE OTHER COLLATERAL OR ANY BOND OR SECURITY THAT MIGHT BE REQUIRED BY ANY COURT PRIOR TO ALLOWING ANY LENDER PARTY TO EXERCISE ANY OF THEIR RESPECTIVE RIGHTS AND REMEDIES; (iv) THE BENEFIT OF ALL VALUATION, APPRAISEMENT AND EXEMPTION LAWS AND ALL RIGHTS WAIVABLE UNDER ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE; (v) ANY RIGHT BORROWERS OR ANY OTHER OBLIGOR MAY HAVE UPON PAYMENT IN FULL OF THE OBLIGATIONS TO REQUIRE ANY LENDER PARTY TO TERMINATE ITS SECURITY INTEREST IN THE COLLATERAL, OTHER COLLATERAL OR IN ANY OTHER PROPERTY OF BORROWERS OR ANY OTHER OBLIGOR UNTIL TERMINATION OF THE AGREEMENT IN ACCORDANCE WITH ITS TERMS AND THE EXECUTION BY BORROWERS, AND BY ANY PERSON WHO PROVIDES FUNDS TO BORROWERS THAT ARE USED IN WHOLE OR IN PART TO SATISFY THE OBLIGATIONS, OF AN AGREEMENT INDEMNIFYING ANY OR ALL OF THE LENDER PARTIES FROM ANY LOSS OR DAMAGE ANY SUCH PARTY MAY INCUR AS THE RESULT OF DISHONORED CHECKS OR OTHER ITEMS OF PAYMENT RECEIVED BY SUCH LENDER PARTY FROM BORROWERS, OR ANY ACCOUNT DEBTOR AND APPLIED TO THE OBLIGATIONS AND RELEASING AND INDEMNIFYING, IN THE SAME MANNER AS DESCRIBED IN SECTION 9 OF THIS FOURTH AMENDMENT, THE RELEASEES FROM ALL CLAIMS ARISING ON OR BEFORE THE DATE OF SUCH TERMINATION STATEMENT; AND (vi) NOTICE OF ACCEPTANCE HEREOF, AND BORROWERS AND THE OTHER OBLIGORS EACH ACKNOWLEDGES THAT THE FOREGOING WAIVERS ARE A MATERIAL INDUCEMENT TO AGENT'S AND THE OTHER LENDER PARTIES' ENTERING INTO THIS FOURTH AMENDMENT AND THAT SUCH PARTIES ARE RELYING UPON THE FOREGOING WAIVERS IN THEIR FUTURE DEALINGS WITH BORROWERS AND THE OTHER OBLIGORS. BORROWERS AND THE OTHER OBLIGORS EACH WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THE FOREGOING WAIVERS WITH ITS LEGAL COUNSEL AND HAS KNOWINGLY AND VOLUNTARILY WAIVED ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. IN THE EVENT OF LITIGATION, THIS FOURTH AMENDMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

(g) Alternative Dispute Resolution under California Law.

(i) The reference provisions of this Section 9(g) will be applicable only if the jury trial waiver set forth in Section 9(f) hereof is declared invalid or unenforceable and the Agent determines in its sole discretion to proceed as set forth in this Section 9(g).

(ii) Other than (I) nonjudicial foreclosure of security interests in real or personal property, (II) the appointment of a receiver, or (III) the exercise of other provisional remedies (any of which may be initiated pursuant to applicable law), each controversy, dispute or claim (each, a "Disputed Claim") between any or all of the parties hereto arising out of or relating to the Loan Documents, which Disputed Claim is not settled in writing within 30 days after the "Claim Date" (the date on which a party subject to the Loan Documents gives written notice to the other parties that a Disputed Claim exists), will be resolved by a reference proceeding in California in accordance with the provisions of Section 638 et seq. of the California Code of Civil Procedure, or their successor sections ("CCP"), which shall constitute the exclusive remedy for the resolution of any Disputed Claim concerning the Loan Documents, including whether the Disputed Claim is subject to the reference proceeding. Except as set forth in this Section 9(g), the parties hereto waive the right to initiate legal proceedings against each other concerning such Disputed Claims. Venue for these reference proceedings will be in the courts of the State of California sitting in Los Angeles County or such other venue as the parties may agree (the "Court").

(iii) In the event that the enabling legislation which provides for appointment of a referee is repealed (and no successor statute is enacted), any dispute between the parties that would otherwise be determined by reference procedure will be resolved and determined by arbitration. The arbitration will be conducted by a retired judge of the Court, in accordance with the California Arbitration Act § 1280 through § 1294.2 of the CCP as amended from time to time. The limitations with respect to discovery set forth above shall apply to any such arbitration proceeding.

**SECTION 11. No Novation; Reservation of Rights**.

(a) No Novation. This Fourth Amendment is not intended to be, and shall not be deemed or construed to be, a satisfaction, reinstatement, novation, or release of the Loan Documents or any of the Obligations. Neither this Fourth Amendment nor any payments made or other actions taken pursuant to this Fourth Amendment shall be deemed to cure any defaults under any of the Loan Documents, it being the intention of the parties hereto that all Obligations are and shall remain payable in accordance with the terms and conditions of the Loan Agreement and this Fourth Amendment.

(b) Reservation of Rights. Subject to Section 6, each Lender and the Agent reserves the right, in their sole discretion, to exercise any or all rights or remedies under the Loan Documents, applicable law and otherwise as a result of any Events of Default, arising under the Loan Documents that may be continuing on the Fourth Amendment Effectiveness Date or any Default or Event of Default arising under the Loan Documents that may occur after the Fourth Amendment Effectiveness Date, and neither any Lender nor the Agent has waived any of such rights or remedies and nothing in this Fourth Amendment, and no delay on any Lender's or the Agent's part in exercising such rights or remedies, should be construed as a waiver of any such rights or remedies.

(c) Notwithstanding anything to the contrary set forth herein, nothing in this Fourth Amendment shall prohibit, restrict or otherwise limit the right or ability of any Lender or the Agent to take any actions that a Lender or the Agent may take under the Loan Documents, at law, in equity or otherwise to preserve and protect any assets or properties of any Obligor that are subject to the Agent's Liens or the interests (including the Agent's Liens) of the Lenders and the Agent in any such assets or properties, including, without limiting the generality of the foregoing, (i) the filing of actions, or the defending of or intervention in actions (such as foreclosure proceedings) brought by any person or entity (including any Obligor), relating to any such assets or properties or the interests of the Lenders and the Agent therein, (ii) the sending of notices to any persons or entities concerning the existence of security interests or liens in favor of the Lenders and the Agent relating to any such assets or properties or (iii) the filing of financing statements, and the taking of any other required actions, to perfect or continue the perfection of the Agent's Liens in such assets or properties.

(d) The Obligors acknowledge and agree that it shall be an immediate Event of Default under the Loan Documents if (i) any Obligor fails to comply with, or otherwise breaches, any of the obligations or undertakings of such Obligor set forth in this Fourth Amendment or (ii) any representation or warranty of any Obligor set forth herein fails to be true and correct in all respects.

**SECTION 12.** **Further Assurances**. Each Obligor hereby agrees that each Obligor shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the Lenders or the Agent may reasonably request to effectuate the purposes and terms of this Fourth Amendment and each of the other Loan Documents, including, without limitation, any such instruments, assignments, conveyances or other documents as the Lenders or the Agent reasonably requests to perfect or continue the Agent's Liens on any assets or properties of any Obligor.

**SECTION 13.** **Counterparts**. This Fourth Amendment may be executed by the parties hereto individually or in combination, in one or more counterparts, each of which shall be an original and all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Fourth Amendment by telecopier or electronic transmission (in pdf format) shall be effective as delivery of a manually executed counterpart of this Fourth Amendment.

**SECTION 14.** **Successors and Assigns**. The provisions of this Fourth Amendment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

**SECTION 15.** **Severability**. If any provision of this Fourth Amendment shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or enforceability without in any manner affecting the validity or enforceability of such provision in any other jurisdiction or the remaining provisions of this Fourth Amendment in any jurisdiction.

**SECTION 16.** **Governing Law**. **THIS FOURTH AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. ANY DISPUTE ARISING OUT OF OR CONCERNING THE TERMS OF THIS FOURTH AMENDMENT SHALL BE RESOLVED IN A COURT OF COMPETENT JURISDICTION LOCATED IN NEW YORK COUNTY, NEW YORK, USA, WHICH SHALL BE THE EXCLUSIVE FORUM FOR THE RESOLUTION OF ANY SUCH DISPUTE.**

**SECTION 17.** **Expenses**. The Obligors, joint and severally, agree to pay, or reimburse, the Agent for all expenses incurred in connection with the preparation and negotiation of this Fourth Amendment and related agreements and instruments and the transactions contemplated hereby, including, but not limited to, the fees and expenses of counsel to the Agent.

**SECTION 18.** **Miscellaneous**. The parties hereto shall, at any time and from time to time following the execution of this Fourth Amendment, execute and deliver all such further instruments and take all such further action as may be reasonably necessary or appropriate in order to carry out the provisions of this Fourth Amendment.

**SECTION 19.** **Headings**. Section headings in this Fourth Amendment are included for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Fourth Amendment.

**SECTION 20.** **Entire Agreement**. This Fourth Amendment embodies the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreement and understandings relating to the subject matter hereof. All prior statements, representations and warranties, if any, of any Lender or the Agent in respect of the subject matter hereof, and all prior drafts of this Fourth Amendment, are totally superseded and merged into this Fourth Amendment, which represents the final and sole agreement of the parties hereto with respect to the matters which are the subject hereof. Each of the Obligors hereby acknowledges and agrees that the execution and delivery of this Fourth Amendment has not established any course of dealing between the parties hereto.

(d) as of the date hereof and after giving effect to this Fifth Amendment, each of the representations and warranties of the Obligors set forth in the Loan Agreement and the other Loan Documents are true and correct in all material respects, except to the extent such representations and warranties speak as to an earlier date, in which case the same are true, correct and complete as to such earlier date; and

(e) no Default or Event of Default exists under the Loan Agreement or any of the other Loan Documents.

**SECTION 5.** **Acknowledgment and Reaffirmation** Each Obligor, jointly and severally, hereby acknowledges, agrees, confirms, reaffirms and stipulates:

(a) (x) to the validity, legality and enforceability of each of the guarantees of the Obligations set forth in the Loan Documents; (y) that the reaffirmation of each of the guarantees of the Obligations set forth in the Loan Documents is a material inducement to the Lenders and the Agent; and (z) that it has no defense to the enforcement of each of the guarantees of the Obligations set forth in the Loan Documents and its obligations under each such guarantee shall remain in full force and effect until all the Obligations have been paid in full;

(b) (x) to the validity, legality and enforceability of each of the Agent's Liens on the assets and property of each of the Obligors pursuant to the Loan Documents; (y) that the reaffirmation of each of the Agent's Liens is a material inducement to the Lenders and the Agent; and (z) that it has no defense to the enforcement of each of the Agent's Liens, and the Agent's Liens shall remain in full force and effect until all the Obligations have been paid in full;

(c) that each Obligor hereby waives and releases any and all defenses, affirmative defenses, setoffs, claims, counterclaims, and causes of action of any kind or nature which he has asserted, or might assert, against any Lender, the Agent or any of their respective subsidiaries or affiliates, or any of the past, present or future officers, directors, contractors, employees, attorneys or agents of any Lender, the Agent or any such subsidiary or affiliate, which in any way relate to or arise out of the Obligations, the Agent's Liens or any of the Loan Documents;

(d) that each Obligor consents to the execution and delivery of this Fifth Amendment and agrees and acknowledges that the liability of each Obligor under each of the Loan Documents, and the existence, creation, perfection or enforceability of any of the Agent's Liens, shall not be diminished in any way by the execution and delivery of this Fifth Amendment or by the consummation of any of the transactions contemplated hereby or thereby;

(e) that all notices required under the Loan Documents to be given by the Lenders or the Agent have been given by the Lenders or the Agent or validly waived, including, without limitation, all notices of default, and all rights and/or opportunities to cure related thereto have expired or lapsed;

(f) except as expressly set forth herein, neither any Lender nor the Agent has agreed to (and has no obligation whatsoever to discuss, negotiate or agree to) any restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents;

(g) no understanding with respect to any other restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents shall constitute a legally binding agreement or contract, or have any force or effect whatsoever, unless and until reduced to writing and signed by authorized representatives of each Obligor, each Lender and the Agent; and

(h) the execution and delivery of this Fifth Amendment has not established any course of dealing between the parties hereto or created any obligation or agreement of any Lender or the Agent with respect to any future restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents.

**SECTION 6. Ratification; Waiver of Defenses; Indemnity and Release.**

(a) Ratification. The Loan Documents remain in full force and effect and are hereby ratified and affirmed by each of the Obligors. Each of the Obligors, jointly and severally, (i) confirms and agrees that it is truly and justly indebted to the Lenders and the Agent in the aggregate amount of the Obligations without defense, counterclaim or offset of any kind whatsoever; and (ii) reaffirms and admits the validity and enforceability of the Loan Documents.

(b) Release.

(i) Each of Obligors, jointly and severally, on behalf of itself and each of its Subsidiaries and affiliates, hereby waives, releases and discharges each Lender and the Agent, and all of the directors, officers, employees, attorneys, agents, successors and assigns of each Lender and the Agent, from any and all claims, demands, actions, causes of action, damages, costs, expenses and liabilities, known or unknown, anticipated or unanticipated, suspected or unsuspected, asserted or unasserted, fixed, contingent or conditional, at law or in equity, arising out of or in any way relating to the Loan Documents or any documents, agreements, dealings or other matters connected with the Loan Documents, in each case to the extent arising (x) on or prior to the date hereof or (y) out of, or relating to, any actions, dealings or matters occurring on or prior to the date hereof.

The waivers, releases, and discharges in this Section 6 shall be effective on the date hereof regardless of any other event that may occur or not occur after the date hereof.

(ii) It is the intention of each Obligor that this Fifth Amendment and the release set forth above shall constitute a full and final accord and satisfaction of all claims that may have or hereafter be deemed to have against Releasees as set forth herein. In furtherance of this intention, each Obligor, on behalf of itself and each other Releasor, expressly waives any statutory or common law provision that would otherwise prevent the release set forth above from extending to claims that are not currently known or suspected to exist in any Releasor's favor at the time of executing this Fifth Amendment and which, if known by Releasors, might have materially affected the agreement as provided for hereunder. Each Obligor on behalf of itself and each other Releasor, acknowledges that it is familiar with Section 1542 of California Civil Code:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

(iii) Each Obligor, on behalf of itself and each other Releasor, waives and releases any rights or benefits that it may have under Section 1542 to the full extent that it may lawfully waive such rights and benefits, and each Obligor, on behalf of itself and each other Releasor, acknowledges that it understands the significance and consequences of the waiver of the provisions of Section 1542 and that it has been advised by its attorney as to the significance and consequences of this waiver.

(iv) Each Obligor understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

(v) Each Obligor agrees that no fact, event, circumstance, evidence, or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute, and unconditional nature of the release set forth above.

(vi) The waivers, releases, and discharges in this Fifth Amendment shall be effective on the date hereof regardless of any other event that may occur or not occur after the date hereof.

(c) Indemnity. In furtherance of its Obligations under Section 14.2 of the Loan Agreement, each of the Obligors, jointly and severally, agrees to further defend, protect, indemnify and hold harmless each Lender and the Agent and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable fees, costs and expenses of outside counsel) incurred by such Indemnitees, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the execution or performance or enforcement of this Fifth Amendment, any other Loan Document or any other document executed in connection with the transactions contemplated by this Fifth Amendment; or (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto. This indemnity shall survive the repayment of the Obligations and the discharge of the liens granted under the Loan Documents.

(d) No Waiver. This Fifth Amendment shall be limited precisely as written and, except as expressly provided herein, shall not be deemed (i) to be a consent granted pursuant to, or a (other than as set forth in Section 6) waiver, modification or forbearance of, any term or condition of any of the Loan Documents or a waiver of any Default or Event of Default under any of the Loan Documents, whether or not known to a Lender or the Agent, or (ii) to prejudice any right or remedy which a Lender or the Agent may now have or have in the future under or in connection with the Loan Documents or any of the instruments or agreements referred to therein. The Loan Documents shall continue in full force and effect and are hereby ratified and confirmed.

(e) Waiver of Defense. The Obligors, jointly and severally, agree that each Lender and the Agent has no obligation to enter into any amendment or modification of the terms and provisions of any Loan Document, and any of the same shall be within the sole discretion of each Lender and the Agent. Each of the Obligors, jointly and severally, acknowledge and agree, as a condition of the Lenders and the Agent entering into this Fifth Amendment, that it shall not raise any claim, cause of action or defense based upon any allegations of failure of any Lender or the Agent to do or agree to do any of the foregoing, or failure of any Lender or the Agent to negotiate in good faith to accomplish any of the same.

(f) Waiver of Jury Trial Right and Other Matters. BORROWERS AND THE OTHER OBLIGORS EACH HEREBY WAIVES (i) ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING ARISING OUT OF, IN CONNECTION WITH OR RELATING TO, THIS FIFTH AMENDMENT, THE OTHER LOAN DOCUMENTS AND ANY OTHER TRANSACTION CONTEMPLATED HEREBY AND THEREBY, WHICH WAIVER APPLIES TO ANY ACTION, SUIT OR PROCEEDING WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE; (ii) PRESENTMENT, DEMAND AND PROTEST, AND NOTICE OF PRESENTMENT, PROTEST, DEFAULT, NONPAYMENT, MATURITY, RELEASE WITH RESPECT TO ALL OR ANY PART OF THE OBLIGATIONS OR ANY COMMERCIAL PAPER, ACCOUNTS, CONTRACT RIGHTS, DOCUMENTS, INSTRUMENTS, CHATTEL PAPER AND GUARANTIES AT ANY TIME HELD BY ANY LENDER PARTY ON WHICH BORROWERS OR ANY OTHER OBLIGOR MAY IN ANY WAY BE LIABLE AND HEREBY RATIFIES AND CONFIRMS WHATEVER SUCH LENDER PARTY MAY DO IN THIS REGARD; (iii) NOTICE PRIOR TO TAKING POSSESSION OR CONTROL OF THE COLLATERAL, THE OTHER COLLATERAL OR ANY BOND OR SECURITY THAT MIGHT BE REQUIRED BY ANY COURT PRIOR TO ALLOWING ANY LENDER PARTY TO EXERCISE ANY OF THEIR RESPECTIVE RIGHTS AND REMEDIES; (iv) THE BENEFIT OF ALL VALUATION, APPRAISEMENT AND EXEMPTION LAWS AND ALL RIGHTS WAIVABLE UNDER ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE; (v) ANY RIGHT BORROWERS OR ANY OTHER OBLIGOR MAY HAVE UPON PAYMENT IN FULL OF THE OBLIGATIONS TO REQUIRE ANY LENDER PARTY TO TERMINATE ITS SECURITY INTEREST IN THE COLLATERAL, OTHER COLLATERAL OR IN ANY OTHER PROPERTY OF BORROWERS OR ANY OTHER OBLIGOR UNTIL TERMINATION OF THE AGREEMENT IN ACCORDANCE WITH ITS TERMS AND THE EXECUTION BY BORROWERS, AND BY ANY PERSON WHO PROVIDES FUNDS TO BORROWERS THAT ARE USED IN WHOLE OR IN PART TO SATISFY THE OBLIGATIONS, OF AN AGREEMENT INDEMNIFYING ANY OR ALL OF THE LENDER PARTIES FROM ANY LOSS OR DAMAGE ANY SUCH PARTY MAY INCUR AS THE RESULT OF DISHONORED CHECKS OR OTHER ITEMS OF PAYMENT RECEIVED BY SUCH LENDER PARTY FROM BORROWERS, OR ANY ACCOUNT DEBTOR AND APPLIED TO THE OBLIGATIONS AND RELEASING AND INDEMNIFYING, IN THE SAME MANNER AS DESCRIBED IN SECTION 6 OF THIS FIFTH AMENDMENT, THE RELEASEES FROM ALL CLAIMS ARISING ON OR BEFORE THE DATE OF SUCH TERMINATION STATEMENT; AND (vi) NOTICE OF ACCEPTANCE HEREOF, AND BORROWERS AND THE OTHER OBLIGORS EACH ACKNOWLEDGES THAT THE FOREGOING WAIVERS ARE A MATERIAL INDUCEMENT TO AGENT'S AND THE OTHER LENDER PARTIES' ENTERING INTO THIS FIFTH AMENDMENT AND THAT SUCH PARTIES ARE RELYING UPON THE FOREGOING WAIVERS IN THEIR FUTURE DEALINGS WITH BORROWERS AND THE OTHER OBLIGORS. Except as set forth in this Section 6(g), the parties hereto waive the right to initiate legal proceedings against each other concerning such Disputed Claims. Venue for these reference proceedings will be in the courts of the State of California sitting in Los Angeles County or such other venue as the parties may agree (the "Court").

(iii) In the event that the enabling legislation which provides for appointment of a referee is repealed (and no successor statute is enacted), any dispute between the parties that would otherwise be determined by reference procedure will be resolved and determined by arbitration. The arbitration will be conducted by a retired judge of the Court, in accordance with the California Arbitration Act § 1280 through § 1294.2 of the CCP as amended from time to time. The limitations with respect to discovery set forth above shall apply to any such arbitration proceeding.

Each of the Obligors, jointly and severally, (i) confirms and agrees that it is truly and justly indebted to the Lenders and the Agent in the aggregate amount of the Obligations without defense, counterclaim or offset of any kind whatsoever; and (ii) reaffirms and admits the validity and enforceability of the Loan Documents.

(b) Release.

(i) Each of Obligors, jointly and severally, on behalf of itself and each of its Subsidiaries and affiliates, hereby waives, releases and discharges each Lender and the Agent, and all of the directors, officers, employees, attorneys, agents, successors and assigns of each Lender and the Agent, from any and all claims, demands, actions, causes of action, damages, costs, expenses and liabilities, known or unknown, anticipated or unanticipated, suspected or unsuspected, asserted or unasserted, fixed, contingent or conditional, at law or in equity, arising out of or in any way relating to the Loan Documents or any documents, agreements, dealings or other matters connected with the Loan Documents, in each case to the extent arising (x) on or prior to the date hereof or (y) out of, or relating to, any actions, dealings or matters occurring on or prior to the date hereof. The waivers, releases, and discharges in this Section 6 shall be effective on the date hereof regardless of any other event that may occur or not occur after the date hereof.

(ii) It is the intention of each Obligor that this Sixth Amendment and the release set forth above shall constitute a full and final accord and satisfaction of all claims that may have or hereafter be deemed to have against Releasees as set forth herein. In furtherance of this intention, each Obligor, on behalf of itself and each other Releasor, expressly waives any statutory or common law provision that would otherwise prevent the release set forth above from extending to claims that are not currently known or suspected to exist in any Releasor's favor at the time of executing this Sixth Amendment and which, if known by Releasors, might have materially affected the agreement as provided for hereunder. Each Obligor on behalf of itself and each other Releasor, acknowledges that it is familiar with Section 1542 of California Civil Code:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

(iii) Each Obligor, on behalf of itself and each other Releasor, waives and releases any rights or benefits that it may have under Section 1542 to the full extent that it may lawfully waive such rights and benefits, and each Obligor, on behalf of itself and each other Releasor, acknowledges that it understands the significance and consequences of the waiver of the provisions of Section 1542 and that it has been advised by its attorney as to the significance and consequences of this waiver.

(iv) Each Obligor understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

(v) Each Obligor agrees that no fact, event, circumstance, evidence, or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute, and unconditional nature of the release set forth above.

(vi) The waivers, releases, and discharges in this Sixth Amendment shall be effective on the date hereof regardless of any other event that may occur or not occur after the date hereof

(c) Indemnity. In furtherance of its Obligations under Section 14.2 of the Loan Agreement, each of the Obligors, jointly and severally, agrees to further defend, protect, indemnify and hold harmless each Lender and the Agent and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable fees, costs and expenses of outside counsel) incurred by such Indemnitees, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the execution or performance or enforcement of this Sixth Amendment, any other Loan Document or any other document executed in connection with the transactions contemplated by this Sixth Amendment; or (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto. This indemnity shall survive the repayment of the Obligations and the discharge of the liens granted under the Loan Documents.

(d) No Waiver. This Sixth Amendment shall be limited precisely as written and, except as expressly provided herein, shall not be deemed (i) to be a consent granted pursuant to, or a (other than as set forth in Section 6) waiver, modification or forbearance of, any term or condition of any of the Loan Documents or a waiver of any Default or Event of Default under any of the Loan Documents, whether or not known to a Lender or the Agent, or (ii) to prejudice any right or remedy which a Lender or the Agent may now have or have in the future under or in connection with the Loan Documents or any of the instruments or agreements referred to therein. The Loan Documents shall continue in full force and effect and are hereby ratified and confirmed.

(e) Waiver of Defense. The Obligors, jointly and severally, agree that each Lender and the Agent has no obligation to enter into any amendment or modification of the terms and provisions of any Loan Document, and any of the same shall be within the sole discretion of each Lender and the Agent. Each of the Obligors, jointly and severally, acknowledge and agree, as a condition of the Lenders and the Agent entering into this Sixth Amendment, that it shall not raise any claim, cause of action or defense based upon any allegations of failure of any Lender or the Agent to do or agree to do any of the foregoing, or failure of any Lender or the Agent to negotiate in good faith to accomplish any of the same.

(f) Waiver of Jury Trial Right and Other Matters. BORROWERS AND THE OTHER OBLIGORS EACH HEREBY WAIVES (i) ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING ARISING OUT OF, IN CONNECTION WITH OR RELATING TO, THIS SIXTH AMENDMENT, THE OTHER LOAN DOCUMENTS AND ANY OTHER TRANSACTION CONTEMPLATED HEREBY AND THEREBY, WHICH WAIVER APPLIES TO ANY ACTION, SUIT OR PROCEEDING WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE; (ii) PRESENTMENT, DEMAND AND PROTEST, AND NOTICE OF PRESENTMENT, PROTEST, DEFAULT, NONPAYMENT, MATURITY, RELEASE WITH RESPECT TO ALL OR ANY PART OF THE OBLIGATIONS OR ANY COMMERCIAL PAPER, ACCOUNTS, CONTRACT RIGHTS, DOCUMENTS, INSTRUMENTS, CHATTEL PAPER AND GUARANTIES AT ANY TIME HELD BY ANY LENDER PARTY ON WHICH BORROWERS OR ANY OTHER OBLIGOR MAY IN ANY WAY BE LIABLE AND HEREBY RATIFIES AND CONFIRMS WHATEVER SUCH LENDER PARTY MAY DO IN THIS REGARD; (iii) NOTICE PRIOR TO TAKING POSSESSION OR CONTROL OF THE COLLATERAL, THE OTHER COLLATERAL OR ANY BOND OR SECURITY THAT MIGHT BE REQUIRED BY ANY COURT PRIOR TO ALLOWING ANY LENDER PARTY TO EXERCISE ANY OF THEIR RESPECTIVE RIGHTS AND REMEDIES; (iv) THE BENEFIT OF ALL VALUATION, APPRAISEMENT AND EXEMPTION LAWS AND ALL RIGHTS WAIVABLE UNDER ARTICLE 9 OF THE UNIFORM COMMERCIAL CODE; (v) ANY RIGHT BORROWERS OR ANY OTHER OBLIGOR MAY HAVE UPON PAYMENT IN FULL OF THE OBLIGATIONS TO REQUIRE ANY LENDER PARTY TO TERMINATE ITS SECURITY INTEREST IN THE COLLATERAL, OTHER COLLATERAL OR IN ANY OTHER PROPERTY OF BORROWERS OR ANY OTHER OBLIGOR UNTIL TERMINATION OF THE AGREEMENT IN ACCORDANCE WITH ITS TERMS AND THE EXECUTION BY BORROWERS, AND BY ANY PERSON WHO PROVIDES FUNDS TO BORROWERS THAT ARE USED IN WHOLE OR IN PART TO SATISFY THE OBLIGATIONS, OF AN AGREEMENT INDEMNIFYING ANY OR ALL OF THE LENDER PARTIES FROM ANY LOSS OR DAMAGE ANY SUCH PARTY MAY INCUR AS THE RESULT OF DISHONORED CHECKS OR OTHER ITEMS OF PAYMENT RECEIVED BY SUCH LENDER PARTY FROM BORROWERS, OR ANY ACCOUNT DEBTOR AND APPLIED TO THE OBLIGATIONS AND RELEASING AND INDEMNIFYING, IN THE SAME MANNER AS DESCRIBED IN SECTION 6 OF THIS SIXTH AMENDMENT, THE RELEASEES FROM ALL CLAIMS ARISING ON OR BEFORE THE DATE OF SUCH TERMINATION STATEMENT; AND (vi) NOTICE OF ACCEPTANCE HEREOF, AND BORROWERS AND THE OTHER OBLIGORS EACH ACKNOWLEDGES THAT THE FOREGOING WAIVERS ARE A MATERIAL INDUCEMENT TO AGENT'S AND THE OTHER LENDER PARTIFS' ENTERING INTO THIS SIXTH AMENDMENT AND THAT SUCH PARTIES ARE RELYING UPON THE FOREGOING WAIVERS IN THEIR FUTURE DEALINGS WITH BORROWERS AND THE OTHER OBLIGORS. (i) The reference provisions of this Section 6(g) will be applicable only if the jury trial waiver set forth in Section 6(f) hereof is declared invalid or unenforceable and the Agent determines in its sole discretion to proceed as set forth in this Section 6(g).

(ii) Other than (I) nonjudicial foreclosure of security interests in real or personal property, (II) the appointment of a receiver, or (III) the exercise of other provisional remedies (any of which may be initiated pursuant to applicable law), each controversy, dispute or claim (each, a "Disputed Claim") between any or all of the parties hereto arising out of or relating to the Loan Documents, which Disputed Claim is not settled in writing within 30 days after the "Claim Date" (the date on which a party subject to the Loan Documents gives written notice to the other parties that a Disputed Claim exists), will be resolved by a reference proceeding in California in accordance with the provisions of Section 638 et seq. of the California Code of Civil Procedure, or their successor sections ("CCP"), which shall constitute the exclusive remedy for the resolution of any Disputed Claim concerning the Loan Documents, including whether the Disputed Claim is subject to the reference proceeding. Except as set forth in this Section 6(g), the parties hereto waive the right to initiate legal proceedings against each other concerning such Disputed Claims. Venue for these reference proceedings will be in the courts of the State of California sitting in Los Angeles County or such other venue as the parties may agree (the "Court").

(iii) In the event that the enabling legislation which provides for appointment of a referee is repealed (and no successor statute is enacted), any dispute between the parties that would otherwise be determined by reference procedure will be resolved and determined by arbitration. The arbitration will be conducted by a retired judge of the Court, in accordance with the California Arbitration Act § 1280 through § 1294.2 of the CCP as amended from time to time. The limitations with respect to discovery set forth above shall apply to any such arbitration proceeding.

**SECTION 7. No Novation; Reservation of Rights.**

(a) No Novation. This Sixth Amendment is not intended to be, and shall not be deemed or construed to be, a satisfaction, reinstatement, novation, or release of the Loan Documents or any of the Obligations. Neither this Sixth Amendment nor any payments made or other actions taken pursuant to this Sixth Amendment shall be deemed to cure any defaults under any of the Loan Documents, it being the intention of the parties hereto that all Obligations are and shall remain payable in accordance with the terms and conditions of the Loan Agreement and this Sixth Amendment.

(c) Notwithstanding anything to the contrary set forth herein, nothing in this Sixth Amendment shall prohibit, restrict or otherwise limit the right or ability of any Lender or the Agent to take any actions that a Lender or the Agent may take under the Loan Documents, at law, in equity or otherwise to preserve and protect any assets or properties of any Obligor that are subject to the Agent's Liens or the interests (including the Agent's Liens) of the Lenders and the Agent in any such assets or properties, including, without limiting the generality of the foregoing, (i) the filing of actions, or the defending of or intervention in actions (such as foreclosure proceedings) brought by any person or entity (including any Obligor), relating to any such assets or properties or the interests of the Lenders and the Agent therein, (ii) the sending of notices to any persons or entities concerning the existence of security interests or liens in favor of the Lenders and the Agent relating to any such assets or properties or (iii) the filing of financing statements, and the taking of any other required actions, to perfect or continue the perfection of the Agent's Liens in such assets or properties.

(d) The Obligors acknowledge and agree that it shall be an immediate Event of Default under the Loan Documents if (i) any Obligor fails to comply with, or otherwise breaches, any of the obligations or undertakings of such Obligor set forth in this Sixth Amendment or (ii) any representation or warranty of any Obligor set forth herein fails to be true and correct in all respects.

**SECTION 8.** **Further Assurances.** Each Obligor hereby agrees that each Obligor shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the Lenders or the Agent may reasonably request to effectuate the purposes and terms of this Sixth Amendment and each of the other Loan Documents, including, without limitation, any such instruments, assignments, conveyances or other documents as the Lenders or the Agent reasonably requests to perfect or continue the Agent's Liens on any assets or properties of any Obligor.

**SECTION 9.** **Counterparts.** This Sixth Amendment may be executed by the parties hereto individually or in combination, in one or more counterparts, each of which shall be an original and all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Sixth Amendment by telecopier or electronic transmission (in pdf format) shall be effective as delivery of a manually executed counterpart of this Sixth Amendment.

**SECTION 10.** **Successors and Assigns.** The provisions of this Sixth Amendment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

**SECTION 11.** **Severability.** If any provision of this Sixth Amendment shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or enforceability without in any manner affecting the validity or enforceability of such provision in any other jurisdiction or the remaining provisions of this Sixth Amendment in any jurisdiction.

**SECTION 12.** **Governing Law. THIS SIXTH AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. ANY DISPUTE ARISING OUT OF OR CONCERNING THE TERMS OF THIS SIXTH AMENDMENT SHALL BE RESOLVED IN A COURT OF COMPETENT JURISDICTION LOCATED IN NEW YORK COUNTY, NEW YORK, USA, WHICH SHALL BE THE EXCLUSIVE FORUM FOR THE RESOLUTION OF ANY SUCH DISPUTE.**

**SECTION 13.** **Expenses.** The Obligors, joint and severally, agree to pay, or reimburse, the Agent for all expenses incurred in connection with the preparation and negotiation of this Sixth Amendment and related agreements and instruments and the transactions contemplated hereby, including, but not limited to, the fees and expenses of counsel to the Agent.

**SECTION 14.** **Miscellaneous.** The parties hereto shall, at any time and from time to time following the execution of this Sixth Amendment, execute and deliver all such further instruments and take all such further action as may be reasonably necessary or appropriate in order to carry out the provisions of this Sixth Amendment.

**SECTION 16.** **Entire Agreement.** This Sixth Amendment embodies the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreement and understandings relating to the subject matter hereof. All prior statements, representations and warranties, if any, of any Lender or the Agent in respect of the subject matter hereof, and all prior drafts of this Sixth Amendment, are totally superseded and merged into this Sixth Amendment, which represents the final and sole agreement of the parties hereto with respect to the matters which are the subject hereof. (b) (x) to the validity, legality and enforceability of each of the Agent's Liens on the assets and property of each of the Obligors pursuant to the Loan Documents; (y) that the reaffirmation of each of the Agent's Liens is a material inducement to the Lenders and the Agent; and (z) that it has no defense to the enforcement of each of the Agent's Liens, and the Agent's Liens shall remain in full force and effect until all the Obligations have been paid in full;

(c) that each Obligor hereby waives and releases any and all defenses, affirmative defenses, setoffs, claims, counterclaims, and causes of action of any kind or nature which he has asserted, or might assert, against any Lender, the Agent or any of their respective subsidiaries or affiliates, or any of the past, present or future officers, directors, contractors, employees, attorneys or agents of any Lender, the Agent or any such subsidiary or affiliate, which in any way relate to or arise out of the Obligations, the Agent's Liens or any of the Loan Documents;

(g) no understanding with respect to any other restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents shall constitute a legally binding agreement or contract, or have any force or effect whatsoever, unless and until reduced to writing and signed by authorized representatives of each Obligor, each Lender and the Agent; and

(h) the execution and delivery of this Seventh Amendment has not established any course of dealing between the parties hereto or created any obligation or agreement of any Lender or the Agent with respect to any future restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents.

**SECTION 6. Ratification; Waiver of Defenses; Indemnity and Release.**

(a) Ratification. The Loan Documents remain in full force and effect and are hereby ratified and affirmed by each of the Obligors. Each of the Obligors, jointly and severally,(i) confirms and agrees that it is truly and justly indebted to the Lenders and the Agent in the aggregate amount of the Obligations without defense, counterclaim or offset of any kind whatsoever; and (ii) reaffirms and admits the validity and enforceability of the Loan Documents.

(b) Release.

(i) Each of Obligors, jointly and severally, on behalf of itself and each of its Subsidiaries and affiliates, hereby waives, releases and discharges each Lender and the Agent, and all of the directors, officers, employees, attorneys, agents, successors and assigns of each Lender and the Agent, from any and all claims, demands, actions, causes of action, damages, costs, expenses and liabilities, known or unknown, anticipated or unanticipated, suspected or unsuspected, asserted or unasserted, fixed, contingent or conditional, at law or in equity, arising out of or in any way relating to the Loan Documents or any documents, agreements, dealings or other matters connected with the Loan Documents, in each case to the extent arising (x) on or prior to the date hereof or (y) out of, or relating to, any actions, dealings or matters occurring on or prior to the date hereof. The waivers, releases, and discharges in this Section 6 shall be effective on the date hereof regardless of any other event that may occur or not occur after the date hereof.

(ii) It is the intention of each Obligor that this Seventh Amendment and the release set forth above shall constitute a full and final accord and satisfaction of all claims that may have or hereafter be deemed to have against Releasees as set forth herein. In furtherance of this intention, each Obligor, on behalf of itself and each other Releasor,expressly waives any statutory or common law provision that would otherwise prevent the release set forth above from extending to claims that are not currently known or suspected to exist in any Releasor's favor at the time of executing this Seventh Amendment and which, if known by Releasors, might have materially affected the agreement as provided for hereunder. Each Obligor on behalf of itself and each other Releasor, acknowledges that it is familiar with Section 1542 of California Civil Code:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

(iii) Each Obligor, on behalf of itself and each other Releasor, waives and releases any rights or benefits that it may have under Section 1542 to the full extent that it may lawfully waive such rights and benefits, and each Obligor, on behalf of itself and each other Releasor, acknowledges that it understands the significance and consequences of the waiver of the provisions of Section 1542 and that it has been advised by its attorney as to the significance and consequences of this waiver.

(iv) Each Obligor understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as a basis for an injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

(v) Each Obligor agrees that no fact, event, circumstance, evidence, or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute, and unconditional nature of the release set forth above.

(vi) The waivers, releases, and discharges in this Seventh Amendment shall be effective on the date hereof regardless of any other event that may occur or not occur after the date hereof.

(c) Indemnity. In furtherance of its Obligations under Section 14.2 of the Loan Agreement, each of the Obligors, jointly and severally, agrees to further defend, protect, indemnify and hold harmless each Lender and the Agent and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable fees, costs and expenses of outside counsel) incurred by such Indemnitees, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the execution or performance or enforcement of this Seventh Amendment, any other Loan Document or any other document executed in connection with the transactions contemplated by this Seventh Amendment; or (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto. This indemnity shall survive the repayment of the Obligations and the discharge of the liens granted under the Loan Documents.

(d) No Waiver. This Seventh Amendment shall be limited precisely as written and, except as expressly provided herein, shall not be deemed (i) to be a consent granted pursuant to, or a (other than as set forth in Section 6) waiver, modification or forbearance of, any term or condition of any of the Loan Documents or a waiver of any Default or Event of Default under any of the Loan Documents, whether or not known to a Lender or the Agent, or (ii) to prejudice any right or remedy which a Lender or the Agent may now have or have in the future under or in connection with the Loan Documents or any of the instruments or agreements referred to therein. The Loan Documents shall continue in full force and effect and are hereby ratified and confirmed.

(e) Waiver of Defense. Re: Termination of Senior Credit Facility

Ladies and Gentlemen:

Reference is made to that certain Amended and Restated Loan and Security Agreement dated as of November 8, 2017 (as amended, modified, extended, restated, replaced, or supplemented prior to the date hereof, the "Loan Agreement"), by and among Hydrofarm Holdings, LLC, a Delaware limited liability company ("Holdings"), Hydrofarm, LLC, a California limited liability company ("Hydrofarm"), EHH Holdings, LLC, a Delaware limited liability company ("EHH"), Sunblaster LLC, a Delaware limited liability company ("SunBlaster"), and WJCO LLC, a Colorado limited liability company ("WJCO"; together with Hydrofarm, EHH, SunBlaster and any other party joined hereto as a U.S. Borrower, each, a "U.S. Borrower" and collectively, the "U.S. Borrowers"), GS Distribution, Inc., a British Columbia company ("GSD"), EWGS Distribution, Inc., a British Columbia company ("EWGS"), Eddi's Wholesale Garden Supplies Ltd., a British Columbia company ("Eddi") and Sunblaster Holdings ULC, a British Columbia unlimited liability company ("Sunblaster Canada": together with GSD and Eddi and any other party joined hereto as a Canadian Borrower, each, a "Canadian Borrower" and collectively, the "Canadian Borrowers"; and together with U.S. Borrowers, each a "Borrower" and collectively, the "Borrowers"), the other parties from time to time signatory hereto as Obligors, the financial institutions from time to time party thereto as lenders (each, a "Lender" and collectively, the "Lenders") and Bank of America, N.A., as administrative agent for the Lenders (in such capacity, the "Agent"). Capitalized terms used herein without definition have the meanings given to them in the Existing Credit Agreement.

Agent understands that on July 9, 2019 (the "Payoff Date"), the Borrowers intend to cause all indebtedness, liabilities and other obligations (other than contingent reimbursement obligations with respect to the Existing Letters of Credit (as defined below)) of the Borrowers to the Lenders and/or Agent owing under the Loan Documents, including, without limitation, all principal, accrued interest, costs, expenses and fees outstanding, including, without limitation, reasonable attorneys' fees, costs and expenses, to be repaid in full, and terminate the Revolver Commitments, the Loan Agreement and the other Loan Documents.

Notwithstanding the termination of the Credit Facility, the Existing Credit Agreement and the other Loan Documents contemplated herein, each of the outstanding Letters of Credit (the "Existing Letters of Credit") issued by the Issuing Bank under the Existing Credit Agreement, as more specifically set forth on Schedule 1 hereto, will remain outstanding after the Payoff Date in accordance with their respective terms (without giving effect to any extensions or renewals thereof) so long as such Existing Letters of Credit are fully cash collateralized in an amount of at least 105% of the face amount of the Existing Letters of Credit to secure the reimbursement obligations of the Obligors (and its successors and assigns) with respect to the Existing Letters of Credit (such amount necessary to so fully cash collateralize the Existing Letters of Credit, the "Cash Collateral Amount") pursuant to a cash collateral account agreement between the Obligors and the Issuing Bank in all respects satisfactory to the Issuing Bank (the "Cash Collateral Agreement"). The Payoff Amount (as defined below) does not include (a) contingent reimbursement obligations of the Obligors with respect to any drawings or presentations made under the Existing Letters of Credit and (b) letter of credit fees due after the Payoff Date in connection with the Existing Letters of Credit. The parties hereto acknowledge and agree that the Issuing Bank will return the Cash Collateral Amount (deposited pursuant to the Cash Collateral Agreement) to an Obligor (or its successors and assigns) upon the earlier of (i) the return of the Existing Letters of Credit to the Issuing Bank for cancellation from the beneficiary thereof and (ii) the expiration of the Existing Letters of Credit and the rights of the beneficiary thereof to draw on such Existing Letters of Credit.

The Cash Collateral Amount, the amount of the Deposit (as defined below), the total principal balance of the loans and advances made by the Lenders to or for the benefit of the Borrowers under the Loan Agreement, together with all accrued but unpaid interest thereon, and the total amount of all fees, costs, expenses and other amounts owed by the Borrowers with respect to the Loan Agreement (other than contingent reimbursement obligations with respect to the Existing Letters of Credit) and all other Loan Documents, if paid on the Payoff Date by 11:00 a.m. (Pacific Time) (the "Payoff Time"), will be as follows (the "Payoff Amount"):

| | | |
|---|---|---|
| Principal: | $ | 25,762,699.29 |
| Interest: | $ | 50,398.74 |
| Fees: | $ | 2,492.34 |
| Deposit (TRSG exposure): | $ | 160,000.00 |
| Breakage Costs: | $ | 0.00 |
| Existing Letters of Credit (cash collateralized at 105%) | $ | 840,000.00 |
| | | |
| Payoff Amount: | $ | 26,815,590.37 |
| | | |
| Legal Fees | $ | 50,996.00 |

If payment of the Payoff Amount is not made by the Payoff Time on the Payoff Date, the Payoff Amount will be recalculated to include an additional $5,726.51 per day for each day thereafter in accordance with the provisions of the Loan Agreement (the "Per Diem Amount"); provided that Agent receives the Payoff Amount together with all applicable Per Diem Amounts no later than 11:00 a.m. (Pacific Time) on July 11, 2019 (the "Expiration Time") after which time this letter agreement shall have no further force or effect. The Borrowers hereby agree not to request additional Revolver Loans or Letters of Credit under the Loan Agreement on or after the date hereof through the Expiration Time.

Agent hereby instructs the Obligors to pay or cause to be paid the Payoff Amount (other than the Legal Fees) by wire transfer, in immediately available funds, to the following account in accordance with the following wire transfer instructions:

| | | |

| Bank: | Bank of America, N.A. | |

| | Account #: | 936-933-7800 |
| | Account Name: | Bank of America - Southwest Collection |
| | Final Credit to: | Hydrofarm |

Agent hereby instructs the Obligors to pay or cause to be paid the portion of the Payoff Amount consisting of the Legal Fees by wire transfer, in immediately available funds, to McGuireWoods, LLP ("Outside Counsel") in accordance with the following wire transfer instructions:

BANK OF AMERICA
ABA: 026009593 (Domestic Wires)

McGuireWoods Accounting Contact: Jacob Howard (804) 775-1411

The Obligors represent and warrant (the "Secured Obligation Representation") that the only outstanding Obligations owing from any Obligors or any of its Subsidiaries under any Bank Products are set forth on Schedule 2 hereto (collectively, the "Outstanding Obligations"). The Obligors agree that all outstanding Bank Products set forth on Schedule 2 shall be terminated by no later than 60 days after the Payoff Date.

Subject to (a) the receipt by Agent of the Payoff Amount, any applicable Per Diem Amount and receipt by Outside Counsel of the Legal Fees, (b) the accuracy of the Secured Obligation Representation, (a) the receipt by the Issuing Bank of the fully executed Cash Collateral Agreement and the Cash Collateral Amount, and (d) the receipt by Agent of a fully executed copy of this Payoff Letter, duly executed by Borrowers and Agent (collectively, the "Payoff Items"), Agent (on behalf of the Lenders) agrees that all obligations of the Obligors under the Loan Documents other than (i) obligations under the Loan Documents (including contingent reimbursement obligations and indemnity obligations which, by their express terms, survive termination of the Loan Agreement, and (ii) to the extent not paid on the Payoff Date, fees and expenses of counsel to Agent in connection with the termination of the Loan Documents and release of all liens thereunder), including principal, accrued interest, costs, expenses and fees, shall be paid in full, all Loan Documents shall be terminated, all commitments of the Existing Lenders shall be terminated, all participation obligations of the Existing Lenders with respect to the Existing Letters of Credit shall be released, all guarantees provided under the Loan Documents shall be terminated and any security interest or lien granted to the Existing Lenders and/or the Existing Agent in the personal property or real property of the Obligors securing amounts evidenced by the Loan Documents (excluding any lien granted to the Issuing Bank in connection with the Cash Collateral Agreement) shall automatically terminate.

At Obligors' expense (it being understood and agreed that such expense may be in addition to the amounts included in the Payoff Amount), Agent will promptly upon receipt of each of the Payoff Items, (a) execute and deliver to Borrowers (or any designee of Borrowers) any such lien releases, mortgage releases, discharges of security interests, pledges and guarantees and other similar discharge or release documents, as are reasonably requested and necessary to release, as of record, the security interests and all notices of security interests and liens previously filed by Agent under the Loan Documents and (b) deliver to Borrowers (or any designee of the Obligors) all instruments evidencing pledged debt and all equity certificates and any other similar collateral previously delivered in physical form by Borrowers to Agent under the Loan Documents. Upon Agent's receipt of each of the Payoff Items and confirmation by Agent of such receipt, any of the Borrowers or their legal counsel or other designee are authorized to file all termination statements and releases with respect to each financing statement, intellectual property security agreement, pledge agreement, account control agreement, mortgage, assignment and other instrument or document filed to perfect any of the security interests and other liens granted under the Loan Agreement, and Agent agrees to execute and deliver such documents and to take such steps as are reasonably requested by the Borrowers or their legal counsel or other designee, from time to time, to terminate and release all such security interests, assignments, blocked account agreements, control agreements and similar agreements and documents, and other liens of record.

Agent shall retain the Deposit for a period of no longer than ninety (90) days following the Payoff Date and pay all costs, fees, expenses and other amounts owed to Agent from the Deposit. Upon termination of such ninety (90) day period, any unused portion of the Deposit shall be returned to Borrowers.

Notwithstanding the terms of this letter agreement to the contrary, (a) upon any Lender's demand, the Obligors shall promptly compensate such Lender for any breakage costs incurred in connection with the payment of the Payoff Amount and any applicable Per Diem Amount in accordance with the Loan Agreement, and (b) if Agent determines after the Payoff Time that an amount that was due and payable under the Loan Documents or under any Bank Product was mistakenly excluded from the Payoff Amount, each Obligor agrees to promptly pay such excluded amount after Agent provides evidence to the Obligors that such excluded amount is due and payable. Notwithstanding anything herein to the contrary, if at any time all or any part of the Payoff Amount is or must be rescinded or returned by Agent for any reason whatsoever (including the insolvency, bankruptcy, reorganization or similar proceeding involving any of the Borrowers, the Obligations, to the extent that such payment is or must be rescinded or returned, shall be deemed to have continued in existence, notwithstanding such application by Agent, and the Loan Agreement and the other Loan Documents shall continue to be effective or be reinstated, as the case may be, as to such Obligations, all as though such application by Agent had not been made. The provisions of this paragraph shall remain in full force and effect regardless of any termination of the obligations owing under the Loan Documents.

As of the Payoff Date, (a) the Borrowers hereby irrevocably terminate any commitment under the Loan Documents to lend or make advances by Agent or any Lender including the issuance of any new Letter of Credit or the renewal or extension of any Existing Letter of Credit by the Issuing Bank); provided, however, that each Existing Letter of Credit and the corresponding issuer documents shall remain in full force and effect in accordance with their respective terms, and (b) release and forever discharge Agent, each Lender and each of their representatives, assigns, officers, directors, agents, employees and attorneys from any and all claims, demands, debts, liabilities, actions, and causes of action of every kind and character based upon or arising out of the Loan Agreement or any Loan Document.

It is acknowledged and agreed that this document constitutes a "Loan Document" for purposes of Sections **14.14, 14.15** and **14.16** of the Loan Agreement.

This letter agreement (a) shall be governed by and shall be construed and enforced in accordance with, the laws of the State of New York and (b) sets forth the entire agreement among the parties relating to the subject matter pertaining hereto, and no term or provision hereof may be amended, changed, waived, discharged or terminated, except in writing signed by each party.

This letter agreement may be executed in any number of counterparts, and telecopied signatures (or signatures delivered via electronic mail or “pdf”) shall be enforceable as originals. Your signature below shall evidence your agreement with the foregoing.

## ARTICLE II
## THE TERM LOANS

**2.1** **The Term Loans**.

(a) Term Loans. Subject (x) with respect to the conditions to the obligation to make such Term Loans on the Closing Date, only to the conditions precedent set forth in Section 3.1 and (y) otherwise, to the other terms and conditions set forth herein, the Lenders severally agree to make term loans (the "Term Loans") under the Commitments to the Borrowers on the Closing Date in an aggregate principal amount equal to $75,000,000 to fund (i) a portion of the purchase price for the Hydrofarm Acquisition, which will be consummated on the Closing Date substantially concurrently with the funding of the Term Loans, (ii) a portion of the repayment, prepayment or redemption, as applicable, in full of all Indebtedness owing to third parties for borrowed money of the Acquired Company (together with the defeasance, discharge and termination thereof and the related release and termination of all guarantees and security interests granted thereunder, the "Refinancing"), (iii) the payment of fees, premiums, accrued and unpaid interest, expenses and other similar transaction costs related to the foregoing and (iv) to the extent any proceeds of the Term Loans remain after such proceeds are applied to the purposes set forth in the foregoing clauses (i) through (iii), ongoing working capital requirements of the Borrowers and their Subsidiaries and for other general corporate purposes. The Commitments shall be terminated concurrently with the funding of the Term Loans on the Closing Date. The Borrowers' obligation to pay the principal of, and interest on, the Term Loan shall be evidenced by the records of the Lenders and by one or more promissory note(s) in form substantially as attached hereto as **Exhibit A** (the "Notes"). The entries made in the Register shall (absent manifest error) be *prima facie* evidence of the existence and amounts of the obligations of the Borrowers therein recorded; provided, that the failure or delay of the Lenders in maintaining or making entries into any such record or on such schedule or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Term Loan (both principal and unpaid accrued interest) in accordance with the terms of this Agreement.

(b) Notes. If requested by any Lender, the Term Loans made or held by such Lender shall be evidenced by, and be payable in accordance with, the terms of the Note issued to such Lender made by the Borrowers payable to the order of such Lender in a principal amount equal to the Term Loans held by such Lender; subject, however, to the provisions of such Note to the effect that the principal amount payable thereunder at any time shall not exceed the then unpaid principal amount of the Term Loans made or held by such Lender. The Borrowers hereby irrevocably authorize each Lender to make or cause to be made, at or about the time of the Term Loans made by such Lender, an appropriate notation on the records of such Lender, reflecting the principal amount of such Term Loans, and such Lender shall make or cause to be made, on or about the time of receipt of payment of any principal of any Term Loans, an appropriate notation on its records reflecting such payment and such Lender will, prior to any transfer of any of such Note, endorse on the reverse side thereof the outstanding principal amount of the Term Loans evidenced thereby. Failure to make any such notation shall not affect the Loan Parties' obligations in respect of such Term Loans. The aggregate amount of all Term Loans set forth on the Register shall be conclusive evidence of the principal amount owing and unpaid on such Lender's Note, absent manifest error.

(c) Promise to Pay. The Borrowers hereby promise to pay in full to the Administrative Agent for the benefit of the Lenders the amount of all Obligations, including the principal amount of all Term Loans, together with accrued interest, fees and other amounts due thereon, all in accordance with the terms of this Agreement. All outstanding Obligations, including the outstanding principal amount of all Term Loans, together with unpaid accrued interest, fees and other amounts due thereon, shall be due and payable in full on the Maturity Date.

(d) Required Payments.

(1) Amortization. Commencing September 30, 2017, and continuing on the last day of each fiscal quarter of the Borrowers thereafter, the Borrowers shall make quarterly repayments of the principal amount of the Term Loans in the aggregate principal amount equal to 0.625% of the original principal amount of the Term Loans on the Closing Date.

(2) Maturity. The entire remaining unpaid principal balance of the Term Loan, together with accrued but unpaid interest, shall be due and payable in full on the Maturity Date.

(e) Interest. The Borrowers agree to pay interest on the aggregate outstanding principal amount of the Term Loans until paid in full as follows:

(1) Accrual. From the Closing Date through the Maturity Date, the Term Loans shall bear interest at the rate of (i) with respect to LIBOR Rate Loans, the LIBOR Rate plus the Applicable Margin, and (ii) with respect to Base Rate Loans, the Base Rate plus the Applicable Margin.

(2) Default Interest. While any Default or Event of Default exists and is continuing, either (i) from and after the delivery of written notice to the Borrower from the Administrative Agent or the Required Lenders of their election to charge Default Interest until the applicable Event of Default is cured or waived or (ii) immediately upon the occurrence of any Default or Event of Default under Section 7.1(a) or 7.1(j) until the applicable Event of Default is cured or waived, the Borrower shall pay interest ("Default Interest") with respect to each Term Loan, plus any accrued and unpaid interest thereon, then outstanding at the Default Rate. All Default Interest shall be payable on demand.

(3) Payment Dates. Interest accrued on each Term Loan shall be payable, without duplication:

(A) on the Maturity Date;

(B) in respect of any Term Loan, on the date of any payment or prepayment, in whole or in part, of principal outstanding on such Term Loan, on the principal amount so paid or prepaid; and

(C) in respect of (i) any Base Rate Loan, on May 31, 2017 and on the last Business day of each month thereafter and (ii) with respect to any LIBOR Rate Loan, at the end of each Interest Period (together with the Maturity Date, each an "Interest Payment Date");

The Administrative Agent shall determine each interest rate applicable to the Term Loan in accordance with the terms hereof and, upon any rate change, shall promptly notify the Borrower Agent of such rate in writing (or by telephone, promptly confirmed in writing). Any such determination shall be conclusive and binding for all purposes, absent manifest error.

(f) Calculation of Interest. All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the LIBOR Rate) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Term Loan for the day on which the Term Loan is made, and shall not accrue on a Term Loan, or any portion thereof, for the day on which the Term Loan or such portion is paid. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Such fee shall be paid by Borrowers to the Administrative Agent, for the account of the Lenders, on the date of such prepayment. Each partial prepayment shall be in an aggregate principal amount of not less than $1,000,000 and shall be accompanied by accrued interest to the date of prepayment on the amount prepaid. Borrowers shall reimburse the Lenders and the Administrative Agent on demand for any amounts set forth in, and to the extent required by, Section 10.5. Voluntary prepayments of Term Loans shall be applied to reduce the remaining scheduled repayments required by Section 2.1(d)(1) as the Borrower Agent shall direct.

(ii) On or prior to the Equity Prepay Expiration Date, the Borrower Agent shall have the right, by giving written notice to the Administrative Agent (which such written notice shall be in a form approved by the Administrative Agent (including any form on an electronic platform or electronic transmission system as shall be reasonably approved by the Administrative Agent), substantially completed and signed by a Responsible Officer) by not later than 1:00 p.m. on the third (3rd) Business Day preceding the date of such prepayment, to prepay all or any portion of the aggregate principal amount of the Term Loans, without premium or penalty, from the Net Cash Proceeds received by Holdings from a Qualifying Issuance; provided, that (A) the maximum principal amount of the Term Loans that may prepaid pursuant to this Section 2.1(g)(1)(ii) with respect to any Qualifying Issuance shall not exceed fifty percent (50%) of the Net Cash Proceeds received by Holdings from such Qualifying Issuance, (B) the aggregate principal amount of the Term Loans that may prepaid pursuant to this Section 2.1(g)(1)(ii), whether in connection with one or multiple Qualifying Issuances, shall in no event exceed $2,500,000, and (C) in no event shall the Loan Parties be permitted to prepay any Term Loans pursuant to this Section 2.1(g)(1)(ii) after the Equity Prepay Expiration Date. Each partial prepayment shall be in an aggregate principal amount of not less than $1,000,000 and shall be accompanied by accrued interest to the date of prepayment on the amount prepaid. Borrowers shall reimburse the Lenders and the Administrative Agent on demand for any amounts set forth in, and to the extent required by, Section 10.5. **2.2 Election by Borrower Agent**.

(a) Interest Rate for Term Loans. The Borrower Agent may, upon irrevocable written notice to the Administrative Agent delivered at least three Business Days prior to such conversion or continuation, elect (i) as of any Business Day, to convert any Term Loans (or any part thereof in an aggregate amount of not less than $100,000 or a higher integral multiple of $50,000) into Credit Loans of the other type or (ii) as of the last day of the applicable Interest Period, to continue any LIBOR Rate Loans having Interest Periods expiring on such day (or any part thereof in an aggregate amount not less than $100,000 or a higher integral multiple of $50,000) for a new Interest Period; provided, that any conversion of a LIBOR Rate Loan on a day other than the last day of an Interest Period therefor shall be subject to Section 10.5.

The Administrative Agent will promptly thereafter distribute like funds ratably to each Lender (unless such amount is not to be shared ratably in accordance with the terms hereof).

**2.4 Setoff; etc**. Upon the occurrence and during the continuance of an Event of Default, each Lender and the Administrative Agent are hereby authorized at any time and from time to time, without prior notice to the Borrowers (any such notice being expressly waived by the Borrowers), to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or Administrative Agent to or for the credit or the account of any Borrower or any of the other Loan Parties, including specifically any amounts held in any account maintained at such Lender or Administrative Agent, against amounts then due to the Administrative Agent or the Lenders, or any of them, by any Borrower or any of the other Loan Parties in connection with this Agreement or any Loan Document; provided that no Lender shall exercise any such right without the prior written consent of the Administrative Agent (at the direction of the Required Lenders). The rights of the Lenders and the Administrative Agent under this Section 2.4 are in addition to other rights and remedies (including other rights of set-off) which the Lenders and the Administrative Agent may have under applicable law. Each Lender and the Administrative Agent agrees, severally and not jointly, to use reasonable efforts to notify the Borrower Agent of any exercise of its rights pursuant to this Section 2.4, provided, however, that failure to provide such notice shall not affect any Lender's or the Administrative Agent's rights under this Section 2.4 or the effectiveness of any action taken pursuant hereto; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.9 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees to notify the Borrower Agent and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

**2.5** **Sharing**. If any Lender shall obtain any payment (whether voluntary, involuntary, by application of offset or otherwise) on account of the Term Loans made by it in excess of such Lender's ratable share of payments on account of the Term Loans obtained by all the Lenders, such Lender shall purchase from the other Lenders such participations in the Term Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided that, (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and (ii) the provisions of this Section 2.5 shall not be construed to apply to any payment made by or on behalf of a Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender). The Borrowers agree that any Lender so purchasing a participation from another Lender pursuant to this Section 2.5 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right to setoff) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation.

**2.6** **Fees**. The Borrowers shall pay to the Administrative Agent for its own account or for the account of the Lenders, as specified therein, fees in the amounts and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

**2.7** **Lending Branch**. Subject to the provisions of Section 10.6(a), each Lender may, at its option, elect to make, fund or maintain its Term Loans hereunder at the branch or office specified on the signature pages hereto or such other of its branches or offices as such Lender may from time to time elect.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(1) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" and Section 9.1.

(2) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 2.4 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower Agent may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower Agent, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise as may be required under the Loan Documents in connection with any Lien conferred thereunder or directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Term Loans were made at a time when the conditions set forth in Section 3.1 were satisfied or waived, such payment shall be applied solely to pay the Term Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Term Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders pro rata in accordance with the Commitments hereunder. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(b) Defaulting Lender Cure. If the Borrower Agent and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Term Loans to be held on a pro rata basis by the Lenders in accordance with their respective Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of a Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

**2.10 Joint and Several Liability**.

(a) Joint and Several Liability. All Term Loans made to the Borrowers (or assumed by the Borrowers pursuant to the Assumption Agreement) and all of the other Obligations of the Borrowers, including all interest, fees and expenses with respect thereto and all indemnity and reimbursement obligations hereunder, shall constitute one joint and several direct and general obligation of all of the Borrowers. Notwithstanding anything to the contrary contained herein, each of the Borrowers shall be jointly and severally, with each other Borrower, directly and unconditionally, liable for all Obligations, it being understood that the advances to each Borrower inure to the benefit of all Borrowers, and that the Administrative Agent and the Lenders are relying on the joint and several liability of the Borrowers as co-makers in extending the Term Loans hereunder. Each Borrower hereby unconditionally and irrevocably agrees that upon default in the payment when due (whether at stated maturity, by acceleration or otherwise) of any principal of, or interest on, any Obligation, it will forthwith pay the same, without notice or demand, unless such payment is then prohibited by applicable Law.

(b) No Reduction in Obligations. No payment or payments made by any of the Borrowers or any other Person or received or collected by the Administrative Agent or any Lender from any of the Borrowers or any Person by virtue of any action or proceeding or any setoff or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of each Borrower under this Agreement for the remaining Obligations, which shall remain liable for all remaining and thereafter arising Obligations until the payment in full in cash of the Obligations and the Commitments are terminated.

(c) Obligations Absolute. Each Borrower agrees that the Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Administrative Agent or any Lender with respect thereto, unless such payment is then prohibited by applicable Law. All Obligations shall be conclusively presumed to have been created in reliance hereon. The liabilities of the Borrowers under this Agreement shall be absolute and unconditional irrespective of: (i) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto, (ii) any change in the time, manner or place of payments of, or in any other term of, all or any part of the Obligations, or any other amendment or waiver thereof or any consent to departure therefrom, including any increase in the Obligations resulting from the extension of additional credit to any Borrower or otherwise, (iii) any taking, exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from any guaranty for all or any of the Obligations, (iv) any change, restructuring or termination of the corporate structure or existence of any Loan Party, or (v) any other circumstance which would otherwise constitute a defense available to, or a discharge of, any Loan Party, other than payment in full in cash of the Obligations.

(d) Waiver of Suretyship Defenses. Each Borrower agrees that the joint and several liability of the Borrowers provided for in this Section 2.10 shall not be impaired or affected by any modification, supplement, extension or amendment of any contract or agreement to which the other Borrowers may hereafter agree (other than an agreement signed by the Administrative Agent and the Lenders specifically releasing such liability), nor by any delay, extension of time, renewal, compromise or other indulgence granted by the Agent or any Lender with respect to any of the Obligations, nor by any other agreements or arrangements whatever with the other Borrowers or with anyone else, each Borrower hereby waiving all notice of such delay, extension, release, substitution, renewal, compromise or other indulgence, and hereby consenting to be bound thereby as fully and effectually as if it had expressly agreed thereto in advance. The liability of each Borrower is direct and unconditional as to all of the Obligations, and may be enforced without requiring the Administrative Agent or any Lender first to resort to any other right, remedy or security. Each Borrower hereby expressly waives promptness, diligence, notice of acceptance and any other notice (except to the extent expressly provided for herein or in another Loan Document) with respect to any of the Obligations, this Agreement or any other Loan Documents and any requirement that the Administrative Agent or any Lender protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Borrower or any other Person or any Collateral.

(e) Contribution and Indemnification among the Borrowers. Each Borrower is obligated to repay the Obligations as joint and several obligors under this Agreement. To the extent that any Borrower shall, under this Agreement as a joint and several obligor, repay any of the Obligations constituting Term Loans made to another Borrower hereunder or other Obligations incurred directly and primarily by any other Borrower (an "Accommodation Payment"), then the Borrower making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Borrowers in an amount, for each of such other Borrowers, equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Borrower's "Allocable Amount" (as defined below) and the denominator of which the sum of the Allocable Amounts of all of the Borrowers. As of any date of determination, the "Allocable Amount" of each Borrower shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Borrower hereunder without (i) rendering such Borrower "insolvent" within the meaning of Section 101(31) of Title 11 of the United States Code entitled "Bankruptcy" (the "Bankruptcy Code"), Section 2 of the Uniform Fraudulent Transfer Act (the "UFTA"), or Section 2 of the Uniform Fraudulent Conveyance Act ("UFCA"), (ii) leaving such Borrower with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 4 of the UFCA, or (iii) leaving such Borrower unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA. Each Borrower hereby subordinates any claims, including any rights at law or in equity to payment, subrogation, reimbursement, exoneration, contribution, indemnification or set off, that it may have at any time against any other Loan Party, howsoever arising, to the payment in full in cash of its Obligations.

**2.11 Borrower Agent**. Each Borrower hereby designates (a) at all times prior to the Hydrofarm Acquisition and the execution and delivery of the Assumption Agreement, the Initial Borrower and (b) upon and at all times after the consummation of the Hydrofarm Acquisition and the execution and delivery of the Assumption Agreement, Hydrofarm (the "Borrower Agent") as its representative and agent for all purposes under the Loan Documents, including requests for and receipt of Term Loans, designation of interest rates, delivery or receipt of communications, payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent or any Lender. Borrower Agent hereby accepts such appointment. The Administrative Agent and Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any notice of borrowing) delivered by Borrower Agent on behalf of any Borrower. The Administrative Agent and Lenders may give any notice or communication with a Borrower hereunder to Borrower Agent on behalf of such Borrower. Each of the Administrative Agent and Lenders shall have the right, in its discretion, to deal exclusively with Borrower Agent for all purposes under the Loan Documents. Each Borrower agrees that any notice, election, communication, delivery, representation, agreement, action, omission or undertaking by Borrower Agent shall be binding upon and enforceable against such Borrower.

Each Loan Party shall, and shall cause each of its Subsidiaries to, pay and discharge as the same may become due and payable, all taxes, assessments and other governmental charges or levies against or on any of its Property, in each case, prior to the date on which they become delinquent or penalties attach, as well as all other lawful claims of any kind which, if unpaid, might become a Lien upon any of its Property; provided, however, that the foregoing shall not require such Loan Party or such Subsidiary to pay any such tax, assessment, charge, levy or claim so long as the validity thereof shall be Properly Contested, but (with respect to claims that are not Taxes, assessments and other governmental charges or levies) only so long as such claim does not become a Lien on any assets of such Loan Party or such Subsidiary.

**5.5** **Compliance with Laws**. Each Loan Party shall, and shall cause each of its Subsidiaries to, carry on its business activities in substantial compliance with all applicable federal or state laws and all applicable rules, regulations and orders of all governmental bodies and offices having power to regulate or supervise its business activities, including all applicable environmental, pollution control, health and safety statutes, laws and regulations, except in each case where the failures to so comply could not reasonably be expected to result in a Material Adverse Effect. **5.6** **Books and Records; Inspection Rights; etc**. Each Loan Party shall, and shall cause each of its Subsidiaries to, keep (a) from and after July 1, 2017, a system of accounting administered in accordance with GAAP and (b) books and records reflecting all of its business affairs and transactions in accordance with GAAP. From time to time upon request, the Loan Parties shall deliver to the Administrative Agent certified copies of its insurance policies and updated flood plain searches. Unless the Administrative Agent shall agree otherwise, each policy shall include endorsements in form and substance reasonably satisfactory to it (i) showing the Administrative Agent as loss payee (other than with respect to workers' compensation, D&O insurance, kidnap, ransom and terrorism policies); (ii) requiring thirty (30) days prior written notice to the Administrative Agent in the event of cancellation of the policy for any reason whatsoever; and (iii) specifying that the interest of the Administrative Agent shall not be impaired or invalidated by any act or neglect of any Loan Party or the owner of the Property, nor by the occupation of the premises for purposes more hazardous than are permitted by the policy. If any Loan Party fails to provide and pay for any insurance, the Administrative Agent may, at its option, but shall not be required to, procure the insurance and charge the Loan Parties therefor. Each Loan Party agrees to deliver to the Administrative, promptly as rendered, copies of all reports made to insurance companies (other than with respect to workers' compensation, D&O insurance, kidnap, ransom and terrorism policies). While no Event of Default exists, the Loan Parties may settle, adjust or compromise any insurance claim, as long as the proceeds (other than with respect to workers' compensation, D&O insurance, kidnap, ransom and terrorism policies) are delivered to the Administrative, subject to Loan Party reinvestment rights in accordance with this Agreement. If an Event of Default exists, only the Administrative Agent shall be authorized to settle, adjust and compromise such claims (other than with respect to workers' compensation, D&O insurance, kidnap, ransom and terrorism policies).

(b) Any proceeds of insurance (other than proceeds from workers' compensation or D&O insurance or kidnap, ransom and terrorism policies) and any awards arising from condemnation of any Collateral shall be paid to the Administrative Agent upon receipt thereof; provided that, so long as no Event of Default exists, the Loan Parties shall have the right to elect to reinvest such proceeds to the extent provided in Section 2.1(g)(4). Subject to the Intercreditor Agreement, any such proceeds or awards that relate to any Collateral and not so reinvested shall be applied to payment of the Term Loans in accordance with Section 2.1(g)(4).

(c) If at any time the improvements on a Real Property are located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a "special flood hazard area" with respect to which flood insurance has been made available under Flood Insurance Laws, then the applicable Loan Party (i) has obtained and will maintain, with financially sound and reputable insurance companies (except to the extent that any insurance company insuring the Real Property of such Loan Party ceases to be financially sound and reputable after the Closing Date, in which case, Holdings or such Loan Party shall promptly replace such insurance company with a financially sound and reputable insurance company), such flood insurance in such reasonable total amount as the Administrative Agent and the Lenders may from time to time reasonably require, and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws and (ii) promptly upon request of the Administrative Agent or any Lender, will deliver to the Administrative Agent or such Lender, as applicable, evidence of such compliance in form and substance reasonably acceptable to the Administrative Agent and such Lender, including, without limitation, evidence of annual renewals of such insurance.

(a) No Loan Party will at any time permit any Plan to:

(1) engage in any "prohibited transaction" for which an exemption is not available as such term is defined in Section 4975 of the Code or in Section 406 of ERISA;

(2) fail to satisfy the minimum funding standard as such term is defined in Section 302 of ERISA, whether or not waived;

(3) be terminated under circumstances which are likely to result in the imposition of a lien on the property of any Loan Party or any of their respective Subsidiaries pursuant to Section 4068 of ERISA, if and to the extent such termination is within the control of a Loan Party or any of the Subsidiaries; or

(4) be operated or administered in a manner which is not in compliance with ERISA or any applicable provisions of the Code;

if the event or condition described in clause (1), (2), (3) or (4) above could reasonably be expected to subject any Loan Party or any of their respective Subsidiaries to a Material Adverse Effect.

(b) Upon the request of the Administrative Agent or any Lender, the Borrower Agent will furnish a copy of the annual report of each Plan (Form 5500) required to be filed with the IRS. Copies of such annual reports shall be delivered no later than thirty (30) days after the date the copy is requested.

Notwithstanding anything to the contrary set forth herein, no Subsidiary of Holdings may guarantee (or be a borrower under) the Revolving Loan Facility that does not also guarantee the Obligations (or is a Borrower hereunder).

**5.10 Landlord Agreements**. The Loan Parties shall use commercially reasonable efforts to obtain a landlord agreement or bailee or mortgagee waiver, as applicable, within sixty (60) days after the Closing Date from (a) the lessor of each Loan Party's chief executive office and each other location where any books and records of a Loan Party are held or maintained and (b) from the lessor of each leased property, bailee in possession of any Collateral or mortgagee of any owned property with respect to any location where Collateral with an aggregate fair market value in excess of $350,000 is stored or located.

Notwithstanding anything to the contrary in this Agreement or any other Loan Document, so long as any Revolving Loan Obligations are outstanding, the actions and deliverables required by this Section 5.12 with respect to the Administrative Agent's security interest in any Revolving Loan Priority Collateral shall be subject to the terms of the Intercreditor Agreement and required only to the extent required under the Revolving Loan Documents. The Administrative Agent shall be entitled to assume that no Default has occurred and is continuing unless it has actual knowledge, or has been notified in writing by the Borrower Agent, of such fact, or has been notified by a Lender in writing that such Lender considers that a Default has occurred and is continuing, and such Lender shall specify in detail the nature thereof in writing. The Administrative Agent shall not be liable hereunder for any action taken or omitted to be taken except for its own gross negligence or willful misconduct. Without limitation on the generality of the foregoing, the Administrative Agent: (a) shall not be responsible to any Lender for any recitals, statements, warranties, representations, or failure or delay of performance under the Loan Documents or any agreement or document related thereto or for the financial condition of the Loan Parties; (b) shall not be responsible for the authenticity, accuracy, completeness, value, validity, effectiveness, due execution, legality, genuineness, enforceability or sufficiency of any of the Loan Documents, any provisions thereof or any document contemplated thereby; (c) shall not be responsible for the validity, genuineness, creation, perfection or priority of any of the Liens created or reaffirmed by any of the Loan Documents, or the validity, genuineness, enforceability, existence, value or sufficiency of any Collateral or other security; (d) shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, covenants or conditions of any of the Loan Documents on the part of the Loan Parties or of any of the terms of any such agreement by any party thereto and shall have no duty to inspect the property (including the books and records) of the Loan Parties; (e) shall incur no liability under or in respect of any of the Loan Documents or any other document or Collateral by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, cable or telex) furnished pursuant to this Agreement or any other Loan Document; (f) shall incur no liability to the Loan Parties or any other Person as a consequence of any failure or delay in performance by, or any breach by, any Lender or Lenders of any of its or their obligations under this Agreement; and (g) may consult with legal counsel (including counsel for the Borrowers), independent public accountants and other experts selected by the Administrative Agent.

**8.7** **Credit Analysis**. Each Lender has made, and shall continue to make, its own independent investigation or evaluation of the operations, business, property and condition, financial and otherwise, of the Loan Parties in connection with the making of its commitments hereunder and has made, and will continue to make, its own independent appraisal of the creditworthiness of the Loan Parties. Without limiting the generality of the foregoing, each Lender acknowledges that prior to the execution of this Agreement, it had this Agreement and all other Loan Documents and such other documents or matters as it deemed appropriate relating thereto reviewed by its own legal counsel as it deemed appropriate, and it is satisfied with the form and substance of this Agreement and all other Loan Documents. Each Lender agrees and acknowledges that neither the Administrative Agent nor any of its directors, officers, attorneys or employees makes any representation or warranties about the creditworthiness of the Loan Parties or with respect to the due execution, legality, validity, genuineness, effectiveness, sufficiency or enforceability of this Agreement or any other Loan Documents, or the validity, genuineness, execution, perfection or priority of Liens created or reaffirmed by any of the Loan Documents, or the validity, genuineness, enforceability, existence, value or sufficiency of any Collateral or other security. Except as explicitly provided herein, neither the Administrative Agent nor any Lender has any duty or responsibility, either initially or on a continuing basis, to provide any other Lender with any credit or other information with respect to such operations, business, property, condition or creditworthiness, whether such information comes into its possession on or before a Default or an Event of Default or at any time thereafter.

**8.8** **Administrative Agent and Affiliates**. With respect to the Term Loans made by it and the Notes issued to it, the Administrative Agent, in its individual capacity, shall have the same rights and powers under the Loan Documents as any other Lender and may exercise the same as though it were not an Administrative Agent; and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include the Administrative Agent in its individual capacity. The Administrative Agent, in its individual capacity, and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, and generally engage in any kind of business with, the Loan Parties, and any Person who may do business with or own securities of the Loan Parties, all as if it were not an Administrative Agent and without any duty to account therefor to the Lenders.

**8.9** **Indemnification**. The Lenders jointly and severally agree to indemnify and hold harmless the Administrative Agent and its officers, directors, employees and agents (to the extent not reimbursed by the Borrowers), ratably according to their respective Commitments and Term Loans, from and against any and all claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent or any of its officers, directors, employees or agents, in any way relating to or arising out of any investigation, litigation or proceeding concerning or relating to the transaction contemplated by this Agreement or any of the other Loan Documents, or any of them, or any action taken or omitted by the Administrative Agent or any of its officers, directors, employees or agents, under any of the Loan Documents; provided, however, that no Lender shall be liable for any portion of such claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or willful misconduct of the Administrative Agent or any of its officers, directors, employees or agents. Without limitation of the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for such Lender's proportionate share of any out-of-pocket expenses (including counsel fees) incurred by the Administrative Agent or its officers, directors, employees or agents in connection with the preparation, execution, administration, or enforcement of, or legal advice in respect of rights or responsibilities under any of, the Loan Documents, to the extent that the Administrative Agent is not reimbursed for such expenses by the Borrowers.

**8.10** **Security Documents**. The Administrative Agent, as collateral agent hereunder and under the Security Documents, is hereby authorized to act on behalf of the Secured Parties, in its own capacity and through other agents and sub-agents appointed by it in good faith, under the Security Documents, provided that the Administrative Agent shall not agree to the release of any Collateral, or any property encumbered by any mortgage, pledge or security interests except in compliance with Section 8.11. In connection with its role as secured party with respect to the Collateral hereunder, the Administrative Agent shall act as collateral agent, for itself and for the ratable benefit of the Lenders, and such role as Administrative Agent shall be disclosed on all appropriate accounts, filings, mortgages, and other Collateral documentation.

**8.11** **Collateral Matters**. The Administrative Agent is authorized on behalf of all the Lenders without the necessity of any notice to or further consent from the Lenders, from time to time to take any action with respect to the Security Documents or any Collateral thereunder which may be necessary to perfect and maintain perfected the security interest in and Liens upon the Collateral granted pursuant to the Security Documents. The Lenders irrevocably authorize the Administrative Agent, at its option and in its discretion, to release any Lien granted to or held by the Administrative Agent upon any Collateral (i) upon payment in full of all Term Loans and all other Obligations of the Loan Parties known to the Administrative Agent and payable under this Agreement or any other Loan Document; (ii) constituting Property sold or to be sold or disposed of to a Person that is not a Loan Party as part of or in connection with any Asset Disposition permitted hereunder; (iii) consisting of an instrument evidencing Indebtedness or other debt instrument, if the Indebtedness evidenced thereby has been paid in full; or (iv) if approved, authorized or ratified in writing by all the Lenders. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Administrative Agent's authority to release particular types or items of Collateral pursuant to this Section 8.11, provided that the absence of any such confirmation for whatever reason shall not affect the Administrative Agent's rights under this Section 8.11. In the event that any landlord in favor of which a Loan Party has granted a Permitted Lien on Excluded Assets requests an acknowledgement that the Collateral does not include any Excluded Assets secured by such Permitted Lien (a "Permitted Lien Acknowledgement"), the Administrative Agent shall deliver a Permitted Lien Acknowledgement to such landlord, on terms and conditions, and subject to documentation reasonably acceptable to the Administrative Agent and, if required by such landlord, shall amend any UCC-1 financing statements filed against a Loan Party in favor of the Administrative Agent to exclude the specific Excluded Assets that are the subject of such Permitted Lien Acknowledgement.

**8.12** **Action by the Administrative Agent**.

(a) The Administrative Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights with which it may be vested and with respect to taking or refraining from taking any action or actions which it may be able to take under or in respect of, this Agreement, unless the Administrative Agent shall have been instructed by the Required Lenders to exercise or refrain from exercising such rights or to take or refrain from taking such action; provided that the Administrative Agent shall not exercise any rights under Section 7.3 of this Agreement except upon the request of the Required Lenders or of all the Lenders, where expressly required by this Agreement. The Administrative Agent shall incur no liability under or in respect of this Agreement with respect to anything which it may do or refrain from doing in the exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its gross negligence or willful misconduct as determined by a final, non-appealable order of a court having jurisdiction over the subject matter.

(b) The Administrative Agent shall not be liable to the Lenders or to any Lender in acting or refraining from acting under this Agreement or any other Loan Document in accordance with the instructions of the Required Lenders or of all the Lenders, where expressly required by this Agreement, and any action taken or failure to act pursuant to such instructions shall be binding on all Lenders.

(c) Notice of Default or Event of Default. In the event that the Administrative Agent or any Lender shall acquire actual knowledge, or shall have been notified in writing, of any Default (other than through a notice by one party hereto to all other parties), such Lender shall promptly notify the Administrative Agent and the Administrative Agent shall promptly notify the Lenders, and the Administrative Agent shall take such action and assert such rights under this Agreement and the other Loan Documents as the Required Lenders (or all the Lenders, where expressly required by this Agreement) shall request in writing, and the Administrative Agent shall not be subject to any liability by reason of its acting pursuant to any such request. If the Required Lenders shall fail to request the Administrative Agent to take action or to assert rights under this Agreement in respect of any Default within ten (10) days after their receipt of the notice of any Default from the Administrative Agent or any Lender, or shall request inconsistent action with respect to such Default, the Administrative Agent may, but shall not be required to, take such action and assert such rights as it deems in its discretion to be advisable for the protection of the Lenders, except that, if the Required Lenders have instructed the Administrative Agent not to take such action or assert such right, in no event shall the Administrative Agent act contrary to such instructions.

**8.13 Successor Administrative Agent**. The Administrative Agent may resign at any time as Administrative Agent under the Loan Documents by giving thirty (30) days' prior written notice thereof to the Lenders and the Borrower Agent. Upon any such resignation, the Required Lenders shall, with (so long as no Event of Default exists) the consent of the Borrower Agent (which shall not be unreasonably withheld or delayed), have the right to appoint a successor Administrative Agent hereunder that is organized under the laws of the United States of America or a political subdivision thereof. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders, with (so long as no Event of Default exists) the consent of the Borrower Agent (which shall not be unreasonably withheld or delayed), appoint a successor Administrative Agent, which shall be a commercial bank organized under the laws of the United States or of any state thereof and having a combined capital and surplus of at least $250,000,000. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date. Upon the acceptance of any appointment as Administrative Agent under the Loan Documents by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents. After any retiring Administrative Agent's resignation as Administrative Agent under the Loan Documents, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under the Loan Documents.

**8.14 Legal Representation of Administrative Agent**. In connection with the negotiation, preparation and execution of this Agreement and the other Loan Documents, and in connection with future legal representation relating to loan administration, amendments, modifications, waivers or enforcement of remedies in connection herewith, Greenberg Traurig LLP has represented only and shall represent only Brightwood Loan Services LLC, in its capacity as Administrative Agent. Each Borrower and each other Lender hereby acknowledges that Greenberg Traurig LLP does not represent it in connection with any such matters.

**ARTICLE IX**
**MISCELLANEOUS**

**9.1** **Waivers, Amendments; etc**. The provisions of this Agreement, including the closing conditions set forth herein, may from time to time be amended, modified or waived, if such amendment, modification or waiver is in writing and consented to by the Borrower Agent and the Required Lenders; provided, that no amendment, waiver or consent shall: (a) increase the Commitment of any Lender or subject a Lender to any additional obligations, without the written consent of such Lender, (b) reduce the principal of, or interest on, the Notes or any fees or other amounts payable to any Lender hereunder without the written consent of such Lender, (c) postpone any date fixed for any payment of principal of, or interest on, the Notes or any fees or other amounts payable to any Lender hereunder without the written consent of such Lender, (d) change the number of Lenders which shall be required for the Lenders or any of them to take any action hereunder, unless in writing and signed by all the Lenders, (e) discharge any Borrower from its obligations under the Loan Documents, unless in writing and signed by all the Lenders, (f) amend Section 2.8 or this Section 9.1, unless in writing and signed by all Lenders or (g) except as specifically permitted hereby or thereby, release or impair the security interest in any of the Collateral granted to the Administrative Agent, for the benefit of the Secured Parties, under the Security Documents or discharge any Guarantor, unless in writing and signed by all the Lenders; provided, further, that no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above to take such action, affect the rights or duties of the Administrative Agent under this Agreement or any Note.

No failure or delay on the part of the Administrative Agent, any Lender or the holder of any Note in exercising any power or right under this Agreement or any Note shall operate as a waiver thereof, nor shall any single or partial exercise of any such power or right preclude any other or further exercise thereof or the exercise of any other power or right. No notice to or demand on any Borrower in any case shall entitle it to any notice or demand in similar or other circumstances.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

**9.2** **Payment Dates**. Except as expressly provided in this Agreement, whenever any payment to be made hereunder by or to the Lenders or to the holder of any Note shall otherwise be due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall be included in computing the fees or interest payable on such next succeeding Business Day.

**9.3** **Notices**. All communications and notices provided under this Agreement shall be in writing by in writing (including email or facsimile transmission), telecopy or personal delivery and if to a Loan Party addressed or delivered to such Loan Party at its address shown on the signature page hereof or if to the Administrative Agent delivered to it at the address shown on **Schedule 9.3** attached hereto, or to any party at such other address as may be designated by such party in a notice to the other parties. Any notice shall be deemed given when transmitted by email, telecopier or, when personally delivered, if mailed properly addressed, shall be deemed given upon the third Business Day after the placing thereof in the United States mail, postage prepaid.

**9.4** **Costs and Expenses**. The Loan Parties, joint and severally, agree to pay, or reimburse, the Administrative Agent for all expenses reasonably incurred for the preparation of this Agreement, including exhibits, and the Loan Documents and any amendments hereto or thereto or consents or waivers hereunder or thereunder as may from time to time hereafter be required thereby or by the transactions contemplated hereby, including, but not limited to, the fees and out-of-pocket expenses of the Administrative Agent, charges and disbursements of special counsel to the Administrative Agent from time to time incurred in connection with the preparation and execution of this Agreement and any document relevant to this Agreement, including the Loan Documents, any amendments hereto or thereto, or consents or waivers hereunder or thereunder, and the consideration of legal questions relevant hereto and thereto. The Loan Parties, joint and severally, agree to pay, or reimburse, the Administrative Agent and each Lender upon demand for all costs and expenses (including attorneys', auditors' and accountants' fees and expenses) reasonably incurred and arising out of the transactions contemplated by this Agreement and the Loan Documents, in connection with any work-out or restructuring of the transactions contemplated hereby and by the Loan Documents and any collection or enforcement of the obligations of any Loan Party hereunder or thereunder, whether or not suit is commenced, including attorneys' fees and legal expenses (limited to one (1) primary counsel for the Administrative Agent and, if deemed appropriate by the Administrative Agent, one (1) counsel in each relevant jurisdiction and any special counsel (except in the case of actual or perceived conflict, in which case one (1) additional counsel for each Lender similarly situated in respect of such conflict)) in connection with any appeal of a lower court's order or judgment. The obligations of the Loan Parties under this Section 9.4 shall survive any termination of this Agreement.

**9.5** **Indemnification**. In consideration of the execution and delivery of this Agreement by the Administrative Agent and the Lenders, the Loan Parties, joint and severally, agree to indemnify and hold harmless the Administrative Agent and each Lender and their respective Affiliates, officers, directors, employees, shareholders, agents, successors and assigns (the "Indemnified Parties") from and against any and all losses, claims, damages, liabilities and expenses (other than the expenses to be paid or reimbursed pursuant to Section 9.4 above), joint or several, to which any such Indemnified Party may become subject arising out of or in connection with this Agreement and the other transactions contemplated hereby, the Term Loans and the use of proceeds thereof in connection with any claim, litigation, investigation or proceeding (any of the foregoing, a "Proceeding") relating to any of the foregoing, regardless of whether any such Indemnified Party is a party hereto or whether a Proceeding is brought by a third party or by you any Loan Party or Affiliate of a Loan Party, and to reimburse each such Indemnified Party within ten (10) days of receipt of an invoice for any reasonable legal or other out-of-pocket expenses incurred in connection with investigating or defending any of the foregoing; it being understood and agreed that no Loan Party shall be required to reimburse legal fees or expenses of more than one counsel to all Indemnified Parties, taken as a whole and in the case of a conflict of interest where such Indemnified Parties affected by such conflict inform the Borrower Agent of such actual or potential conflict as determined in their sole discretion, one additional counsel to each group of affected Indemnified Parties similarly situated taken as a whole (and, if reasonably necessary as determined by the Administrative Agent, a single local counsel for all Indemnified Parties taken as a whole in each relevant jurisdiction and, in the case of a conflict of interest where such Indemnified Parties affected by such conflict inform the Borrower Agent of such actual or potential conflict as determined in their sole discretion, one additional counsel in each relevant jurisdiction to each group of affected Indemnified Parties similarly situated taken as a whole); provided that the foregoing indemnity will not, as to any Indemnified Party, apply to losses, claims, damages, liabilities or related expenses to the extent (x) they have been determined in a final judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnified Party or any Related Indemnified Party (as defined below) of such Indemnified Party, (y) they have been determined in a final judgment of a court of competent jurisdiction to have resulted from a material breach of the material obligations of such Indemnified Party or any of its Related Indemnified Parties under this Agreement or any of the Loan Documents at a time when no Loan Party has breached its obligations hereunder in any material respect, or (z) they relate to any dispute solely among Indemnified Parties at a time when no Loan Party has breached its obligations hereunder or any other Loan Document in any material respect (other than any claims against the Administrative Agent in its capacity or in fulfilling its role as Administrative Agent, but not any other Person or entity party to any such Proceeding).

Notwithstanding any other provision of this Agreement or any Loan Document, (i) no Indemnified Party or Related Indemnified Party shall be liable for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent such damages have been determined in a final judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Party and (ii) none of the Loan Parties, any of their Affiliates or any Indemnified Party or Related Indemnified Party shall be liable for any indirect, special, punitive or consequential damages incurred in connection with this Agreement or the transactions contemplated herein (provided that this provision shall not limit the Loan Parties' indemnification obligations set forth above). For purposes hereof, a "Related Indemnified Party" of an Indemnified Party means (1) any controlling person or controlled affiliate of such Indemnified Party, (2) the respective directors, trustees, officers, or employees of such Indemnified Party or any of its controlling persons or controlled Affiliates and (3) the respective agents or advisors of such Indemnified Party or any of its controlling persons or controlled Affiliates, in the case of this clause (3), acting at the instructions of such Indemnified Party, controlling person or such controlled Affiliate; provided that each reference to a controlled Affiliate or controlling person in this paragraph pertains to a controlled Affiliate or controlling person involved in the negotiation of this Agreement and the other Loan Documents.

No Loan Party shall be liable for any settlement of any Proceedings effected without the Borrower Agent's consent (which consent shall not be unreasonably conditioned, withheld or delayed), but if settled with the Borrower Agent's written consent or if there is a final judgment for the plaintiff in any such Proceedings, the Loan Parties, jointly and severally, agree to indemnify and hold harmless each Indemnified Party from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with this Section 9.5. No Loan Party shall, without the prior written consent of an Indemnified Party, effect any settlement or consent to the entry of any judgment of any pending or threatened Proceedings in respect of which indemnity could have been sought hereunder by such Indemnified Party, unless (i) such settlement includes an unconditional release of such Indemnified Party in form and substance reasonably satisfactory to such Indemnified Party from all liability on claims that are the subject matter of such Proceedings, and (ii) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of such Indemnified Party.

The provisions of this Section 9.5 shall survive termination of this Agreement and payment in full of the Notes. This Section 9.5 shall not apply with respect to Taxes, other than Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

**9.6** **Severability**. Any provision of this Agreement, the Notes or any other Loan Document

executed pursuant hereto which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Agreement, the Notes or any other Loan Document or affecting the validity or enforceability of such provision in any other jurisdiction.

**9.7** **Headings**. The various headings of this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of this Agreement or any provisions hereof.

**9.8** **Governing Law**. This Agreement and the Notes shall each be deemed to be a contract made under, governed by and interpreted pursuant to the internal laws (and not the law of conflicts) of the State of New York.

**9.9** **Successors and Assigns**.

(a) This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns except that: (i) other than as set forth in the Assumption Agreement, a Loan Party may not assign or transfer its rights hereunder without the prior written consent of all of the Lenders and the Administrative Agent, and (ii) any assignment by a Lender must be made in compliance with subsection (b) below and any participation by a Lender must be made in compliance with subsection (c) below. Notwithstanding clause (ii) of this subsection (a), any Lender may at any time, without the consent any Borrower or the Administrative Agent, assign all or any portion of its rights under this Agreement and its Notes to a Federal Reserve Bank. Except to the extent otherwise required by its context, the word "Lender" where used in this Agreement means and includes any such assignee and such assignee shall be bound by and have the benefits of this Agreement the same as if such holder had been a signatory hereto.

(b) Any Lender may, in the ordinary course of its business and in accordance with applicable law, at any time assign to one or more banks or other entities that are Eligible Assignees all or a portion of its Commitments, Term Loans, and its rights and obligations under this Agreement in respect thereof in accordance with the provisions of this subsection (b). Each assignment shall be of a constant, and not a varying, ratable percentage of the assigning Lender's rights and obligations under this Agreement and each Eligible Assignee shall assume a pro rata share of the assigning Lender's obligations determined by the percentage of the Commitments and Term Loans assigned for the period from the effective date of the assignment through the Maturity Date. Such assignment shall be substantially in the form of the Assignment and Assumption Agreement attached as **Exhibit D** hereto (the "Assignment and Assumption Agreement") and shall not be permitted hereunder unless (i) such assignment is for all of such Lender's Commitment and Term Loans and the rights and obligations under this Agreement related thereto, (ii) the amount of the Commitment and Term Loans assigned by the assigning Lender pursuant to each assignment shall be at least $1,000,000, or (iii) such assignment is to another Lender or an Affiliate of a Lender, in which case no minimum amount shall apply. The consent of the Administrative Agent and, provided no Default or Event of Default then exists, the Borrower Agent (which consents shall not be unreasonably withheld or delayed) shall be required prior to an assignment becoming effective with respect to a transferee which is not a Lender, an Affiliate of a Lender, or an Approved Fund. The Borrower Agent's consent shall be deemed to have been given unless the Borrower Agent objects within ten (10) Business Days after receipt of notice of such assignment. Upon (i) delivery to the Administrative Agent of an executed Assignment and Assumption Agreement, together with any required consents and (ii) payment of a $3,500 fee to the Administrative Agent by either the assigning Lender or the assignee Lender for processing such assignment, such assignment shall become effective on the effective date specified in such Assignment and Assumption Agreement; provided, that (a) if an assignment by a Lender is made to an Affiliate or an Approved Fund of such assigning Lender, then no assignment fee shall be due in connection with such assignment and (b) if an assignment by a Lender is made to an assignee that is not an Affiliate or Approved Fund of such assignor Lender, and concurrently to one or more Affiliates or Approved Funds of such assignee, then only one assignment fee of $3,500 shall be due in connection with such assignment (unless waived or reduced by the Administrative Agent). On and after the effective date of such assignment, such transferee, if not already a Lender, shall for all purposes be a Lender party to this Agreement and any other Loan Documents executed by the Lenders and shall have all the rights and obligations of a Lender under the Loan Documents, to the same extent as if it were an original party hereto, and no further consent or action by the Borrowers, the Lenders or the Administrative Agent shall be required to release the transferor Lender with respect to the percentage of the Commitment and Term Loans assigned to such transferee Lender. To the extent requested by the applicable Lenders, upon the consummation of any assignment pursuant to this Section 9.9, the Administrative Agent and the Borrowers shall make appropriate arrangements so that replacement Notes are issued to such transferor Lender and new Notes or, as appropriate, replacement Notes, are issued to such transferee Lender, in each case in principal amounts reflecting their Commitment and Term Loans, as adjusted pursuant to such assignment.

(c) Each Lender may, without the consent of any Borrower, sell participations to one or more banks or other entities that are Eligible Assignees in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment or the Term Loans owing to it hereunder); provided, however, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other entities shall be entitled to the benefit of, and obligations under, Section 10.1 and of the cost protection provisions contained in Section 10.4, as well as Sections 9.19 and 10.6 to the extent of the Lender selling such participation and the Borrowers' aggregate obligations with respect to Section 10.1 and Section 10.4 shall not be increased by reason of such participation, provided that such participant shall not be entitled to the benefits of Sections 10.1 and 10.4 unless such participant complies with Section 10.1(e) as (and to the extent) applicable, as if such participant were a Lender (it being understood that the documentation required under Section 10.1(e) shall be delivered to the participating Lender) (iv) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right (and shall not limit its rights) to enforce the obligations of the Borrowers relating to the Term Loans and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers with respect to any fees payable hereunder (to the extent such participants are entitled to such fees) or the amount of principal of or the rate at which interest is payable on the Term Loans, or the dates fixed for payments of principal of or interest on the Term Loans). Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement.

(d) The Administrative Agent shall maintain a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and the principal amount of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement and the other Loan Documents, notwithstanding notice to the contrary. It is the intent of the parties that the Obligations shall be treated as issued in registered form under Section 5f. 103-1(c) of the United States Treasury Regulations. Upon the Administrative Agent's receipt of a duly completed Assignment and Assumption Agreement executed by an assigning Lender, an assignee Lender that is an Eligible Assignee and, to the extent required hereunder, the Borrowers, such Eligible Assignee's completed Administrative Questionnaire (unless the assignee is already a Lender), the fee referred to in Section 9.9(b) above, and any written consent to such assignment required by such subsection, the Administrative Agent shall accept such Assignment and Assumption Agreement and record the information contained therein in the Register. No assignment shall be effected for purposes of this Agreement unless it has been recorded in the Register as provided in this subsection.

(e) Notwithstanding anything to the contrary contained in this Section 9.9, a Lender that is a fund that invests in bank loans may pledge all or a portion of its rights in connection with this Agreement to the trustee or other agent for holders of obligations owed, or securities issued, by such fund as security for such obligations or securities, provided that any foreclosure or other exercise of remedies by such trustee shall be subject, in all respects, to the provisions of this Section 9.9 regarding assignments. No pledge described in the immediately preceding sentence shall release any such Lender from its obligations hereunder.

(f) Except as specifically set forth in this Section 9.9, nothing in this Agreement, expressed or implied, is intended to or shall confer on any Person other than the respective parties hereto and thereto and their successors and assignees permitted hereunder and thereunder any benefit or any legal or equitable right, remedy or other claim under this Agreement or any Notes.

(g) The provisions of this Section 9.9 shall not apply to any purchase of participations among the Lenders pursuant to Section 2.5.

(h) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower Agent and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Term Loans in accordance with its respective Commitment. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

**9.10** **Execution in Counterparts**. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

**9.11** **Several Liability**. The Obligations of the Administrative Agent and each of the Lenders hereunder are several, not joint.

**9.12** **Financial Information**. Each Loan Party assumes responsibility for keeping itself informed of its own financial condition and the financial condition of any and all endorsers and/or other guarantors of all or any part of the Obligations, and of all other circumstances bearing upon the risk of nonpayment of the Obligations, or any part thereof, that diligent inquiry would reveal, and the Loan Parties agree that the Administrative Agent and the Lenders shall have no duty to advise the Loan Parties of information known to them regarding such condition or any such circumstances.

**9.13** **Entire Agreement**. Except as otherwise expressly provided herein, this Agreement and the other documents described or contemplated herein embody the entire agreement and understanding among the parties hereto and thereto and supersede all prior agreements and understandings relating to the subject matter hereof and thereof.

**9.14** **Other Relationships**. No relationship created hereunder or under any other Loan Document shall in any way affect the ability of the Administrative Agent or its Affiliates and each Lender or their respective Affiliates to enter into or maintain business relationships with the Loan Parties beyond the relationships specifically contemplated by this Agreement and the other Loan Documents.

**9.15** **Consent to Jurisdiction**. EACH LOAN PARTY HEREBY IRREVOCABLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, OVER ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE NOTES OR ANY OTHER LOAN DOCUMENT AND HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. EACH PARTY IRREVOCABLY CONSENTS TO THE SERVICE OF COPIES OF THE SUMMONS AND COMPLAINT AND ANY OTHER PROCESS WHICH MAY BE SERVED IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING BY UNITED STATES CERTIFIED MAIL, RETURN RECEIPT REQUESTED, OF COPIES OF SUCH PROCESS TO SUCH LOAN PARTY'S ADDRESS REFERENCED IN SECTION 9.3. EACH PARTY AGREES THAT A JUDGMENT, FINAL BY APPEAL OR EXPIRATION OF TIME TO APPEAL WITHOUT AN APPEAL BEING TAKEN, IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS SECTION SHALL AFFECT THE RIGHT OF ANY PARTY TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY LENDER TO BRING ANY ACTION OR PROCEEDING AGAINST SUCH LOAN PARTY OR ITS PROPERTY IN THE COURTS OF ANY OTHER JURISDICTION.

**9.16** **Waiver of Jury Trial**. EACH LOAN PARTY, THE ADMINISTRATIVE AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY NOTE, OR ANY OTHER INSTRUMENT OR DOCUMENT DELIVERED HEREUNDER OR THEREUNDER.

**9.17** **USA Patriot Act**. Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Loan Parties in accordance with the Act. The Loan Parties shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Act.

**9.18** **Confidentiality**. Each of the Administrative Agent and each Lender agree to maintain the confidentiality of information obtained by it pursuant to any Loan Document, except that such information may be disclosed (i) with the Borrower Agent's written consent, (ii) in any legal, judicial, administrative proceeding or compulsory process or otherwise as required by applicable law or regulations (in which case such Person agrees to promptly notify the Borrower Agent to the extent practicable and permitted by applicable law); (iii) upon the request or demand of any Governmental Authority having jurisdiction over the Administrative Agent or such Lender, or their respective Affiliates (in which case such Person agrees to, except with respect to any audit or examination conducted by bank accountants, any governmental bank or insurance regulatory authority exercising examination or regulatory authority, or any regulatory requests made by the National Association of Insurance Commissioners, promptly notify the Borrower Agent to the extent lawfully permitted to do so); (iv) to officers, directors, trustees, agents, members, partners, equity holders, approved and managed funds, employees, attorneys, accountants and advisors of the Administrative Agent or any Lender who are informed of the confidential nature of such information and are or have been advised of their obligation to keep such information confidential solely on a need-to-know basis in connection with the transactions contemplated by this Agreement; (v) to any Affiliates of the Administrative Agent or any Lender (provided that any such Affiliate is advised of its obligation to retain such information as confidential) on a need-to-know basis in connection with the transactions contemplated by this Agreement; (vi) to the extent any such information becomes publicly available other than by reason of disclosure in breach of this Agreement; and (vii) in connection with the exercise or enforcement of any right or remedy under any Loan Document.

**9.19** **Replacement of Lenders**. If the Borrower Agent is entitled to replace a Lender pursuant to the provisions of Section 10.6, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrower Agent may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.9), all of its interests, rights (other than its existing rights to payments pursuant to Sections 10.1 and 10.4 with respect to payments made prior to such assignment) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrower Agent shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.9(b);

(b) such Lender shall have received payment of an amount equal to 100% of the outstanding principal of its Term Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 10.5) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower Agent (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 10.4 or payments required to be made pursuant to Section 10.1, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Laws; and

(e) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower Agent to require such assignment and delegation cease to apply.

**9.20 Keepwell**. Each of the Borrowers, any Affiliate of the Borrowers or any Guarantor that is a Qualified ECP Guarantor at the time the Guarantee or the grant of a Lien under the Loan Documents, in each case, by any Specified Loan Party becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under this Article IX voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 9.20 shall remain in full force and effect until the Obligations have been indefeasibly paid and performed in full. Each of the Borrowers, each Affiliate of the Borrowers and each Guarantor intends this Section 9.20 to constitute, and this Section 9.20 shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act.

**9.21 Electronic Execution of Assignments and Certain Other Documents**. The words "delivery," "execute," "execution," "signed," "signature," and words of like import in any Loan Document or any other document executed in connection herewith shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary neither the Administrative Agent nor any Lender is under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent or such Lender pursuant to procedures approved by it and provided further without limiting the foregoing, upon the request of any party, any electronic signature shall be promptly followed by such manually executed counterpart.

**9.22 INTERCREDITOR AGREEMENT**.

(a) EACH LENDER PARTY HERETO (I) UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE INTERCREDITOR AGREEMENT, (II) AUTHORIZES AND DIRECTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE INTERCREDITOR AGREEMENT ON ITS BEHALF, AND (III) AGREES THAT ANY ACTION TAKEN BY THE ADMINISTRATIVE AGENT PURSUANT TO THE INTERCREDITOR AGREEMENT SHALL BE BINDING UPON SUCH LENDER.

(b) THE PROVISIONS OF THIS SECTION 9.22 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE INTERCREDITOR AGREEMENT. A COPY OF THE INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE ADMINISTRATIVE AGENT.

(c) THE INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE SECURED PARTIES (AS DEFINED IN THE INTERCREDITOR AGREEMENT) AND THEIR RESPECTIVE AGENTS (INCLUDING THEIR SUCCESSORS AND ASSIGNS) AND IS ACKNOWLEDGED AND AGREED TO BY THE LOAN PARTIES. AS MORE FULLY PROVIDED THEREIN, THE INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

(d) IN THE EVENT OF ANY CONFLICT BETWEEN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND THE INTERCREDITOR AGREEMENT, THE INTERCREDITOR AGREEMENT SHALL GOVERN.

**9.23 Assumption by Holdings and Successor Borrowers**. Immediately following the consummation of the Hydrofarm Acquisition, (i) the Initial Borrower shall cause each of Hydrofarm, WJCO, EHH and SunBlaster to duly execute and deliver to the Administrative Agent the Assumption Agreement and assume the rights and obligations of the Initial Borrower hereunder as a Borrower, (ii) Holdings shall duly execute and deliver to the Administrative Agent the Assumption Agreement and become a Guarantor hereunder and under each other Loan Document applicable to it, and (iii) the Initial Borrower shall cause each of Hydrofarm, WJCO, EHH and SunBlaster to duly execute and deliver to the Administrative Agent each of the agreements, instruments and certificates listed in Section 3.1(a) to which Hydrofarm, WJCO, EHH or SunBlaster is, or is contemplated to be, a party. Immediately upon the completion of the actions set forth in clauses (i), (ii) and (iii) above, (x) Holdings shall be automatically released from its obligations as a Borrower hereunder and shall instead assume the obligations as a Guarantor hereunder and under the other Loan Documents and (y) each of Hydrofarm, WJCO, EHH and SunBlaster shall become a Borrower hereunder and under the other Loan Documents. Upon the reasonable request by the Administrative Agent, the Loan Parties shall take such additional actions and execute such documents as the Administrative Agent may reasonably request to implement the transactions contemplated by the Assumption Agreement and reflect the assumption by Hydrofarm, WJCO, EHH and SunBlaster of the obligations of the Initial Borrower contemplated thereby.

**ARTICLE X**
**TAXES, YIELD PROTECTION AND ILLEGALITY**

**10.1 Taxes**.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of any Borrower or Guarantor under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the applicable withholding agent) require the deduction or withholding of any Tax from any such payment by the Administrative Agent or a Borrower or Guarantor, then the Administrative Agent or such Borrower or Guarantor shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If any Borrower or Guarantor or the Administrative Agent shall be required by the Code to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment on account of any obligation of such Borrower or Guarantor under any Loan Document, then (A) the Administrative Agent shall withhold or make such deductions as are determined by the Administrative Agent to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Administrative Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Code and provide evidence of such payment to the Borrower Agent, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Borrower or Guarantor shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 10.1) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If any Borrower or Guarantor or the Administrative Agent shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment on account of any obligation of such Borrower or Guarantor under any Loan Document, then (A) such Borrower or Guarantor or the Administrative Agent, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) such Borrower or Guarantor or the Administrative Agent, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and, if paid by the Administrative Agent, the Administrative Agent shall provide evidence of such payment to the Borrower Agent, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Borrower or Guarantor shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 10.1) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) Payment of Other Taxes by Borrower and/or Guarantor. Without limiting the provisions of subsection (a) above, each Borrower and/or Guarantor shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Tax Indemnifications.

(i) Each Borrower and Guarantor shall, and does hereby, jointly and severally indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 10.1) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower Agent by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(ii) Each Lender shall, and does hereby, severally indemnify and shall make payment in respect thereof within ten (10) days after demand therefor, (A) the Administrative Agent against any Indemnified Taxes attributable to such Lender (but only to the extent that any Borrower or Guarantor has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of each Borrower and/or Guarantor to do so), and (B) the Administrative Agent and the Borrower and/or Guarantor, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.9(c) relating to the maintenance of a Participant Register, and (C) the Administrative Agent and the Borrower and/or Guarantor, as applicable, against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent or a Borrower or Guarantor in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent, Borrowers or Guarantor to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent, Borrower or Guarantor from any other source against any amount due to the Administrative Agent, Borrowers or Guarantor under this clause (ii).

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by any Borrower or Guarantor to a Governmental Authority, as provided in this Section 10.1, the Borrowers shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Agent and the Administrative Agent, at the time or times reasonably requested by the Borrower Agent or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Agent or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Agent or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower Agent or the Administrative Agent as will enable the Borrower Agent or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 10.1(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that a Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower Agent and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Agent and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of a Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable); or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN, as applicable), a U.S. Tax Compliance Certificate, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate satisfactory to the Administrative Agent on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Agent and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent or the Administrative Agent), executed copies (or originals, as required) of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower Agent or the Administrative Agent to determine the withholding or deduction required to be made;

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Agent and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Agent or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Agent or the Administrative Agent as may be necessary for the Borrower Agent and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(E) the Administrative Agent shall deliver to the Borrower Agent on or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent), executed copies of IRS Form W-9 certifying that the Administrative Agent is a U.S. Person exempt from U.S. federal backup withholding tax.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 10.1 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower Agent and the Administrative Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund (or credit in lieu of a cash refund) of any Taxes ("Refund") as to which it has been indemnified by any Borrower or Guarantor or with respect to which any Borrower or Guarantor has paid additional amounts pursuant to this Section 10.1, it shall pay to such Borrower or Guarantor an amount equal to such Refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower or Guarantor under this Section 10.1 with respect to the Taxes giving rise to such Refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such Refund), provided that each Borrower or Guarantor, upon the request of the Recipient, agrees to repay the amount paid over to such Borrower or Guarantor (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such Refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to such Borrower or Guarantor pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such Refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Borrower or Guarantor or any other Person.

(g) Survival. Each party's obligations under this Section 10.1 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

**10.2 Illegality**. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make, maintain or fund Term Loans whose interest is determined by reference to the LIBOR Rate, or to determine or charge interest rates based upon the LIBOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower Agent through the Administrative Agent, (a) any obligation of such Lender to make or continue LIBOR Rate Loans shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the LIBOR Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBOR Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower Agent that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all LIBOR Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBOR Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBOR Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Rate Loans and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the LIBOR Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the LIBOR Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the LIBOR Rate. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

**10.3 Inability to Determine Rates**.

(a) If in connection with any request for a LIBOR Rate Loan or a continuation thereof, (i) the Administrative Agent determines that (A) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such LIBOR Rate Loan or (B) adequate and reasonable means do not exist for determining the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan or in connection with an existing or proposed Base Rate Loan (in each case with respect to clause (i), "Impacted Loans"), or (ii) the Administrative Agent or the Required Lenders determine that for any reason LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Term Loan, the Administrative Agent will promptly so notify the Borrower Agent and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBOR Rate Loans shall be suspended (to the extent of the affected LIBOR Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the LIBOR Rate component of the Base Rate, the utilization of the LIBOR Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower Agent may revoke any pending request for a continuation of LIBOR Rate Loans (to the extent of the affected LIBOR Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request to convert such LIBOR Rate Loans to Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a)(i) of this Section 10.3, the Administrative Agent in consultation with the Borrower Agent and the Required Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a)(i) of this Section 10.3, (2) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower Agent that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Term Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower Agent written notice thereof.

**10.4 Increased Costs; Reserves on LIBOR Rate Loans**.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 10.4(e));

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes) and (C) Connection Income Taxes on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or LIBOR Rate Loans made by such Lender; and the result of any of the foregoing shall be to increase the cost to such Lender of making, continuing or maintaining any Term Loan the interest on which is determined by reference to the LIBOR Rate (or of maintaining its obligation to make any such Term Loan), or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender, or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Term Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or such Lender's holding company, as the case may be, as specified in subsection (a) or (b) of this Section 10.4 and delivered to the Borrower Agent shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 10.4 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 10.4 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender notifies the Borrower Agent of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on LIBOR Rate Loans. The Borrowers shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each LIBOR Rate Loan equal to the actual costs of such reserves allocated to such Term Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Term Loan, provided the Borrower Agent shall have received at least ten (10) days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice ten (10) days prior to the relevant Interest Payment Date, such additional interest shall be due and payable ten (10) days from receipt of such notice.

**10.5 Funding Losses**. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost, liability or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Term Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Term Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by a Borrower (for a reason other than the failure of such Lender to make a Term Loan) to prepay, borrow, continue or convert any Term Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower Agent; or

(c) any assignment of a LIBOR Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower Agent pursuant to Section 9.19; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Term Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

**10.6 Mitigation Obligations; Replacement of Lenders**.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 10.4, or requires the Borrowers to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 10.1, or if any Lender gives a notice pursuant to Section 10.2, then at the request of the Borrower Agent, such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Term Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 10.1 or 10.4, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 10.2, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 10.4, or if the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 10.1 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 10.6(a) that eliminates the need to pay additional amounts for Indemnified Taxes under Section 10.1 or compensation under Section 10.4, the Borrower Agent may replace such Lender in accordance with Section 9.19.

**10.7 Survival**. All of the Borrowers' obligations under Sections 10.4 and 10.5 shall survive termination of the Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent.

**LENDER:**
**PRINCIPAL AMOUNT: $**

**FORM OF NOTE**

_____,20__

FOR VALUE RECEIVED, each of **HYDROFARM, LLC**, **EHH HOLDINGS, LLC**, **SUNBLASTER LLC** and **WJCO LLC** (each a "Borrower" and collectively, the "Borrowers") hereby promises to pay to_____, or its assigns ("Lender"), in accordance with the provisions of the Credit Agreement (as hereinafter defined), the principal amount of the Term Loan from time to time made by Lender to Borrowers under the Credit Agreement referred to below or any other Loan Document, and interest thereon, in accordance with the terms of the Credit Agreement. All computations of interest shall be as set forth in the Credit Agreement.

Each Borrower hereby unconditionally further agrees to pay interest in like money at such office on the unpaid principal amount hereof from time to time outstanding, and on any unpaid interest payable hereon, from the date such interest is due hereunder, at the applicable rates per annum and on the dates set forth in the Credit Agreement until such principal amount is paid in full. Further, each Borrower hereby unconditionally further agrees to pay principal hereof on the dates and pursuant to the terms set forth in the Credit Agreement.

Each Borrower shall make all payments hereunder in lawful money of the United States and in same day or immediately available funds. If any payment is to be made on a day other than a Business Day, such payment shall instead be made on the following Business Day, and such extension of time shall be included in computing the interest payable hereunder in accordance with the terms of the Credit Agreement.

This Note (this "Note") is one of the Notes referred to in that certain Credit Agreement dated as of May 12, 2017 (as hereafter amended, restated, modified or supplemented, from time to time, the "Credit Agreement"), among Hydrofarm Holdings LLC, a Delaware limited liability company ("Initial Borrower"; immediately upon consummation of the Hydrofarm Acquisition and execution of the Assumption Agreement, Initial Borrower shall be succeeded as a Borrower thereunder by Hydrofarm, LLC, a California limited liability company, EHH Holdings, LLC, a Delaware limited liability company, SunBlaster LLC, a Delaware limited liability company, and WJCO LLC, a Colorado limited liability company (collectively, the "Borrowers")), the other Loan Parties from time to time party thereto, the Lenders from time to time party thereto, and Brightwood Loan Services LLC, as Administrative Agent, which is incorporated herein by reference, and is subject to the provisions of and entitled to the benefits of the Credit Agreement, including the provisions regarding the interest rate, Default Rate, and principal payments, restrictions on and requirements for prepayment, and rights of acceleration. This Note is entitled to the benefits of the Security Agreement, the Guaranty Agreement and the other Loan Documents, and is secured by the Collateral. Terms used herein have the meanings assigned to those terms in the Credit Agreement, unless otherwise defined herein.

This Note is hereby expressly limited in that in no event shall the interest payable under this Note exceed the highest lawful rate as applicable to the Borrowers. If for any reason whatsoever, the provision of any Loan Document, at the time performance of such provision occurs, involves the payment of interest in excess of that permitted by law, and if, under any circumstances, Lender receives as interest any amount which would exceed the highest lawful rate applicable to the Borrowers, such amount which would be excessive interest shall be applied to reduce the unpaid principal balance and not the payment of interest.

Should the indebtedness represented by this Note or any part hereof be collected at law or in equity or in bankruptcy, receivership or other court proceeding, or should this Note be placed in the hands of attorneys for collection after default, the Borrowers agree to pay, in addition to the principal, interest due and payable hereon, all amounts due to Lender under Section 9.4 of the Credit Agreement.

Borrowers and all endorsers of this Note hereby waive presentment, demand, notice, protest, stay of execution, and all other defenses to payment generally and assent to the terms hereof. The assignment of this Note and any rights with respect thereto is subject to the provisions of the Credit Agreement, including the provisions governing the Register.

This Note shall be governed by the internal laws (and not the law of conflicts) of the State of New York.

TIME IS OF THE ESSENCE WITH RESPECT TO THIS NOTE.

**EXHIBIT B**

**FORM OF GUARANTY**

**GUARANTY**

THIS GUARANTY, dated as of_____ (the "Guaranty"), is executed by each of the undersigned guarantors (each, a "Guarantor"), in favor of Brightwood Loan Services LLC, as Administrative Agent (in its capacity as such, and together with any permitted successor administrative agent hereunder, the "Administrative Agent") for itself and on behalf of the Lenders from time to time party to the Credit Agreement (as defined below) and the other Secured Parties.

**RECITALS**

A. Pursuant to that certain Credit Agreement dated as of May 12, 2017 (as amended, restated, modified or supplemented, from time to time the "Credit Agreement"), among the Lenders from time to time party thereto, Administrative Agent, Hydrofarm Holdings LLC, a Delaware limited liability company ("Initial Borrower"; immediately upon consummation of the Hydrofarm Acquisition and execution of the Assumption Agreement, Initial Borrower shall be succeeded as a Borrower thereunder by Hydrofarm, LLC, a California limited liability company, EHH Holdings, LLC, a Delaware limited liability company, SunBlaster LLC, a Delaware limited liability company, and WJCO LLC, a Colorado limited liability company (collectively, the "Borrowers")) and the other Loan Parties from time to time party thereto, Lenders have agreed to make extensions of credit to Borrowers upon the terms and subject to the conditions set forth therein.

B. Lenders' obligation to extend Loans under the Credit Agreement is subject, among other conditions, to receipt by Administrative Agent for the benefit of the Secured Parties of this Guaranty, duly executed by each Guarantor. Each Guarantor acknowledges that in consideration for the Loans made by Lenders to Borrowers and as an inducement for Lenders to make the Loans to Borrowers, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by each Guarantor, each Guarantor has entered into this Guaranty.

C. Each Guarantor will derive substantial direct and indirect benefits from the making of the extensions of credit under the Credit Agreement.

**AGREEMENT**

NOW, THEREFORE, in consideration of the above recitals and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, each Guarantor hereby agrees as follows:

Unless otherwise defined herein, all capitalized terms used herein and defined in the Credit Agreement shall have the respective meanings given to those terms in the Credit Agreement. The interpretive provisions set forth in Article I of the Credit Agreement shall apply to this Guaranty and are hereby incorporated by reference. Each Guarantor acknowledges receipt of copies of the Credit Agreement and the other Loan Documents.

1. Guaranty. (a) Each Guarantor unconditionally, jointly and severally, absolutely and irrevocably guarantees, as primary obligor and not merely as surety, and promises to pay to Administrative Agent for the benefit of the Secured Parties, on demand, in lawful money of the United States, the full and punctual payment when due of all Obligations of each Borrower arising under the Loan Documents, whether existing on the date hereof or hereinafter incurred or created. The liability of each Guarantor hereunder is independent of the Obligations of each Borrower and any other Guarantor, and a separate action or actions may be brought and prosecuted against such Guarantor irrespective of whether action is brought against any Borrower or any other guarantor of the Obligations or whether any Borrower or any other guarantor of the Obligations is joined in any such action or actions. This Guaranty is a guaranty of payment and not of collection.

(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 4). The provisions of this Section 1(b) shall be implemented automatically without the need for any amendment or modification to the Loan Documents.

(c) Each Guarantor agrees that the Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guarantee contained in this Section 1 or affecting the rights and remedies of Administrative Agent or any Secured Party hereunder.

2. Amendments, etc. with respect to the Obligations. Each Guarantor shall remain

obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Obligations made by Administrative Agent or any Secured Party may be rescinded by Administrative Agent or such Secured Party and any of the Obligations continued, and the Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by Administrative Agent or any Secured Party, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as Administrative Agent (or the Required Lenders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by Administrative Agent or any Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither Administrative Agent nor any Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for the guaranty contained in Section 1 or any Property subject thereto.

3. Guarantee Absolute and Unconditional. Each Guarantor waives, to the fullest extent permitted by applicable law, any and all notice of the creation, renewal, extension or accrual of any of the Obligations and notice of or proof of reliance by Administrative Agent or any Secured Party upon the guaranty contained in Section 1 or acceptance of the guaranty contained in Section 1; the Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guaranty contained in Section 1, and all dealings between any Borrower and any of the Guarantors, on the one hand, and Administrative Agent and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guaranty contained in Section 1. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon any Borrower or any of the Guarantors with respect to the Obligations. Each Guarantor understands and agrees that the guaranty contained in Section 1 shall be construed as a continuing, absolute and unconditional guarantee of payment without regard, to the extent permitted by applicable law, to (a) the validity or enforceability of the Credit Agreement or any other Loan Document (including any amendment, consent or waiver thereto), any of the Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by Administrative Agent or any Secured Party, (b) any defense, set-off or counterclaim (other than a defense that the Obligations have been paid in full) which may at any time be available to or be asserted by any Borrower or any other Person against Administrative Agent or any Secured Party, (c) any other circumstance whatsoever (with or without notice to or knowledge of any Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of any Borrower for the Obligations, or of such Guarantor under the guaranty contained in Section 1, in bankruptcy, workout, insolvency, reorganization, arrangement, liquidation or dissolution or in any other instance, (d) the absence of (i) any attempt to collect any Obligation or any part thereof from any Borrower or any other Guarantor or other action to enforce the same or (ii) any action to enforce any Loan Document or any Lien thereunder, (e) the failure by any Person to take any steps to perfect and maintain any Lien on, or to preserve any rights with respect to, any Collateral, or (f) any foreclosure, whether or not through judicial sale, and any other sale or other disposition of any Collateral or any election following the occurrence of an Event of Default by any Secured Party to proceed separately against any Collateral in accordance with such Secured Party's rights under any applicable law. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor Administrative Agent or any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against any Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by Administrative Agent or any Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from any Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of any Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of Administrative Agent or any Secured Party against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

Each Guarantor authorizes Administrative Agent, at the request of the Required Lenders, without notice to such Guarantor, irrespective of any change in the financial condition of any Borrower, any Guarantor or any other guarantor of the Obligations since the date hereof, and without affecting or impairing in any way the liability of any Guarantor hereunder, from time to time to (a) create new Obligations, and, either before or after receipt of notice of revocation, renew, compromise, extend, accelerate or otherwise change the time for payment or performance of, or otherwise change, amend or waive the terms of the Obligations or any part thereof, including increase or decrease of the rate of interest thereon; (b) take and hold security for the payment or performance of the Obligations and exchange, enforce, waive or release any such security; (c) apply such security and direct the order or manner of sale thereof; (d) purchase such security at a public or private sale; (e) otherwise exercise any right or remedy it may have against any Borrower, any Guarantor, any other guarantor of the Obligations or any security, including the right to foreclose upon any such security by judicial or nonjudicial sale; (f) settle, compromise with, release or substitute any one or more makers, endorsers or guarantors of the Obligations; and (g) assign the Obligations, this Guaranty, or the other Loan Documents in whole or in part. Each Guarantor hereby agrees that none of the foregoing acts constitutes a material alteration of such Guarantor's liability hereunder and specifically waives any such defense to liability otherwise arising by reason of any such act.

Each Guarantor agrees that this Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time, payment of the Obligations or any part thereof is rescinded or must otherwise be restored by the Secured Parties upon or as a result of the bankruptcy or reorganization of any Borrower or otherwise. If after receipt of any payment of, or the proceeds of any Collateral for, all or any part of the Obligations, the Secured Parties are compelled to surrender or voluntarily surrender such payment or proceeds to any Person because such payment or application of proceeds is or may be avoided, invalidated, recaptured or set aside as a preference, fraudulent conveyance, impermissible setoff, or for any other reason, whether or not such surrender is the result of: (i) any judgment, decree or order of any court or administrative body having jurisdiction over the Secured Parties or Administrative Agent; or (ii) any settlement or compromise by the Secured Parties of any claim as to any of the foregoing, with any Person (including any Borrower), then the Obligations or affected part thereof shall be reinstated and continue and this Guaranty shall be reinstated and continue in full force as to such Obligations or part thereof as if such payment or proceeds had not be received, notwithstanding any previous cancellation of any instrument delivered to evidence the satisfaction thereof. The provisions hereof shall survive the termination of this Guaranty and any satisfaction and discharge by any Borrower by virtue of any payment, court order, or any federal or state law.

4. Subordination. Each Guarantor hereby subordinates any Indebtedness of any

Borrower to such Guarantor to the Obligations. Each Guarantor agrees that Administrative Agent and the Secured Parties shall be entitled to receive payment of all Obligations before any Guarantor receives payment of any Indebtedness of any Borrower to such Guarantor. Any payments on such Indebtedness of any Borrower to any Guarantor after an Event of Default has occurred and is continuing, if Administrative Agent so requests, shall be collected, enforced and received by such Guarantor as trustee for the Secured Parties and be paid over to Administrative Agent for the benefit of itself and the other Secured Parties on account of the Obligations, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Guaranty.

5. Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 6. The provisions of this Section 5 shall in no respect limit the obligations and liabilities of any Guarantor to Administrative Agent and the Secured Parties, and each Guarantor shall remain liable to Administrative Agent and the Secured Parties for the full amount guaranteed by such Guarantor hereunder.

6. No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by Administrative Agent or any Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights of Administrative Agent or any Secured Party against any Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by Administrative Agent or any Secured Party for the payment of the Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from any Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all of the Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for Administrative Agent, for the benefit of the Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to Administrative Agent, if required), to be applied against the Obligations, whether matured or unmatured, in such order as Administrative Agent may determine.

7. Setoff. Upon the occurrence and during the continuance of an Event of Default, each Secured Party and the Administrative Agent are hereby authorized at any time and from time to time, without prior notice to any Guarantor (any such notice being expressly waived by each Guarantor), to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Secured Party or Administrative Agent to or for the credit or the account of any Guarantor or any of its Subsidiaries, including specifically any amounts held in any account maintained at such Secured Party or Administrative Agent, against any and all amounts then due and owing to the Administrative Agent or the Lenders, or any of them, by such Guarantor, in connection with this Guaranty or any Loan Document; provided that no Secured Party shall exercise any such right without the prior written consent of the Administrative Agent (at the direction of the Required Lenders). The rights of the Secured Parties and the Administrative Agent under this Section 7 are in addition to other rights and remedies (including other rights of set-off) which the Secured Parties and the Administrative Agent may have under applicable law. Each Secured Party and the Administrative Agent agrees, severally and not jointly, to notify each Guarantor of any exercise of its rights pursuant to this Section 7; provided, however, that failure to provide such notice shall not affect any Secured Party's or the Administrative Agent's rights under this Section 7 or the effectiveness of any action taken pursuant hereto; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.9 of the Credit Agreement and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Secured Parties, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations then due and owing to such Defaulting Lender as to which it exercised such right of setoff. Each Secured Party agrees to notify any Guarantor and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

8. Nonwaiver. No security interest or right of setoff shall be deemed to have been waived by any act or conduct on the part of the Secured Parties or Administrative Agent or by any failure to exercise such right of setoff or to enforce such security interest, or by any delay in so doing; and every right of setoff and security interest shall continue in full force and effect until such right of setoff or security interest is specifically waived or released by an instrument in writing executed by Administrative Agent and the Secured Parties.

9. No Reliance. Each Guarantor warrants and represents that the undersigned is fully aware of the financial condition of each Borrower and is executing and delivering this Guaranty based solely upon such Guarantor's own independent investigation of all matters pertinent hereto, and that such Guarantor is not relying in any manner upon any representation or statement of the Secured Parties or Administrative Agent. Each Guarantor warrants, represents and agrees that such Guarantor is in a position to obtain, and such Guarantor hereby assumes full responsibility for obtaining, any additional information concerning the financial condition of each Borrower and any other matter pertinent hereto, and that such Guarantor is not relying upon the Secured Parties or the Administrative Agent to furnish, and shall have no right to require the Secured Parties or Administrative Agent to obtain or disclose, any information with respect to the Indebtedness or Obligations guaranteed hereby, the financial condition or character of each Borrower or the ability of each Borrower to pay the Obligations or perform the Obligations guaranteed hereby, the existence of any Collateral or security for any or all of such Indebtedness or Obligations, the existence or nonexistence of any other guaranties of all or any part of such Indebtedness or Obligations, any actions or non-action on the part of the Secured Parties, Administrative Agent, each Borrower or any other person or entity, or any other matter, fact or occurrence whatsoever.

(e) Partial Invalidity. If any paragraph or part thereof of this Guaranty shall for any reason be held or adjudged to be invalid, illegal or unenforceable by any court of competent jurisdiction, such paragraph or part thereof so adjudicated invalid, illegal or unenforceable shall be deemed separate, distinct and independent, and the remainder of this Guaranty shall remain in full force and effect and shall not be affected by such holding or adjudication.

A. Reference is made to that certain Credit Agreement dated as of May 12, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") by and among Hydrofarm Holdings LLC, a Delaware limited liability company ("Initial Borrower"; immediately upon consummation of the Hydrofarm Acquisition and execution of the Assumption Agreement, Initial Borrower shall be succeeded as a Borrower thereunder by Hydrofarm, LLC, a California limited liability company, EHH Holdings, LLC, a Delaware limited liability company, SunBlaster LLC, a Delaware limited liability company, and WJCO LLC, a Colorado limited liability company (collectively, the "Borrowers")), the other Loan Parties from time to time party thereto, the Lenders from time to time party thereto and the Administrative Agent. Pursuant to the Credit Agreement, certain of the Lenders have agreed to extend Loans to Borrowers (the "Commitment") of which the Assignor's current portion of the Commitment is the amount specified in Item 1 of Schedule 1 attached hereto (the "Assignor's Commitment"). As of the date hereof, the aggregate principal amount of the outstanding Loans (as defined in the Credit Agreement) made by the Assignor to Borrowers pursuant to the Assignor's Commitment are specified in Item 2 of Schedule 1 attached hereto (the "Assignor's Loans"). All capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Credit Agreement.

B. The Assignor wishes to sell and assign to the Assignee, and the Assignee wishes to purchase and assume from the Assignor, as applicable and as specified on Schedule 1 attached hereto, (i) all of the Assignor's Commitment specified in Item 3 of Schedule 1 hereto which is equivalent to the percentage (as a percentage of the Commitment) specified in Item 4 of Schedule 1 (the "Assigned Commitment"), and (ii) all of the Assignor's Loan(s) under the Commitment, as specified in Item 5 of Schedule 1 hereto (the "Assigned Loans").

The parties agree as follows:

1. Assignment. Subject to the terms and conditions set forth herein, the Assignor hereby sells and assigns to the Assignee, and the Assignee hereby purchases and assumes from the Assignor, without recourse to the Assignor, on the date first set forth above (the "Assignment Date") (a) all right, title and interest of the Assignor to the Assigned Loans and (b) all obligations of the Assignor under the Credit Agreement with respect to the Assigned Commitment. As full consideration for the sale of the Assigned Loans and the Assigned Commitment, the Assignee shall pay to the Assignor on the Assignment Date such amount as shall have been agreed between the Assignee and the Assignor (the "Purchase Price").

2. Consent and Undertaking. The Administrative Agent and each Borrower hereby consent to the assignment made herein, and each Borrower undertakes within ten (10) Business Days from the Assignment Date, if requested to do so by the Assignor or the Assignee, to execute new Notes to the Administrative Agent or its designee, for the benefit of the Assignee and the Assignor, as appropriate, to reflect the portion of the Commitment held by each of the Assignee and the Assignor after giving effect to the assignment contemplated by this Agreement. Said new Notes shall be substantially identical to the prior Notes, replacing only the name of the Lender with the name of the Assignee and reflecting the correct amount. If applicable, the Assignor agrees on the tenth (10th) Business Day following receipt by the Administrative Agent of the new Notes, to return its superseded Notes to the Administrative Agent or its designee, which shall thereupon transmit the new Notes to the Assignor and the Assignee, as appropriate, and the superseded Notes to each Borrowers for cancellation.

In addition, the Assignee represents and warrants to the Assignor that the Assignee satisfies any minimum capital and surplus, asset or assets under management criteria set forth in the Credit Agreement.

4. Condition Precedent. The obligations of the Assignor and the Assignee hereunder shall be subject to the fulfillment of the condition that (i) the Assignor shall have received payment in full of the Purchase Price and (ii) the Assignor and the Assignee shall have complied with other applicable provisions of the Credit Agreement.

5. Notice of Assignment. The Assignor hereby gives notice to the Administrative Agent of the assignment and assumption of the Assigned Loans and the Assigned Commitments and hereby instructs Borrowers to make payments with respect to the Assigned Loans and the Assigned Commitment directly to the Administrative Agent for the benefit of the Assignee as provided in the Credit Agreement; provided, however, that Borrowers and the Administrative Agent shall be entitled to continue to deal solely and directly with the Assignor in connection with the interests so assigned until (i) the Administrative Agent shall have received counterparts of this Agreement duly executed by the Assignor, the Assignee and Borrowers (if Borrowers' consent hereto is required), and, unless receipt thereof is waived by the Administrative Agent, shall have received the assignment fee described in the Credit Agreement and (ii) the Assignor shall have delivered to the Administrative Agent any Notes that shall be subject to such assignment. From and after the date (the "Effective Date") on which the Administrative Agent shall notify Borrowers, the Assignee, and the Assignor that (i) and (ii) shall have occurred and all consents, if any, required shall have been given, the Assignee shall be deemed to be a party to the Credit Agreement and shall have the rights and obligations of a Lender under the Credit Agreement. After the Effective Date, and with respect to all such amounts accrued from the Assignment Date, (a) all interest, principal, fees, and other amounts that would otherwise be payable to the Assignor in respect of the Assigned Loans and the Assigned Commitments shall be paid to the Assignee, (b) if the Assignor receives any payment on account of the Assigned Loans or the Assigned Commitment, the Assignor shall promptly deliver such payment to the Assignee, and (c) any notices to the Assignee as a Lender under the Credit Agreement shall be sent to it at the address shown in Item 6 of Schedule 1 hereto. The Assignee agrees to deliver to Borrowers and the Administrative Agent such Internal Revenue Service forms as may be required to establish that the Assignee is entitled to receive payments under the Credit Agreement without deduction or withholding of tax.

6. Independent Investigation. The Assignee acknowledges that it is purchasing the Assigned Loans and the Assigned Commitment from the Assignor without recourse and, except as provided in Section 3 hereof, without representation or warranty. The Assignee further acknowledges that it has made its own independent investigation and credit evaluation of each Borrower in connection with its purchase of the Assigned Loans and the Assigned Commitment, and has received copies of all Loan Documents that it has requested. Except for the representations or warranties set forth in Section 3 hereof, the Assignee acknowledges that it is not relying on any representation or warranty of the Assignor, expressed or implied, including, without limitation, any representation or warranty relating to the legality, validity, genuineness, enforceability, collectibility, interest rate, repayment schedule or accrual status of the Assigned Loans or the Assigned Commitment, the legality, validity, genuineness, or enforceability of the Credit Agreement or any other Loan Document (including those which purport to provide Collateral for the Loans) referred to in or delivered pursuant to the Credit Agreement, or the financial condition or creditworthiness of each Borrower. The Assignor has not acted and will not be acting as either the representative, agent or trustee of the Assignee with respect to matters arising out of or relating to the Credit Agreement or this Agreement. From and after the Effective Date, the Assignor shall have no rights or obligations with respect to the Assigned Loans or the Assigned Commitment.

7. Method of Payment. All payments to be made by either party hereunder shall be in funds available at the place of payment on the same day and shall be made by wire transfer to the account designated by the party to receive payment.

8. Integration. This Agreement shall supersede any prior agreement or understanding between the parties (other than the Credit Agreement and the other Loan Documents) as to the subject matter hereof.

9. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one in the same instrument and shall be binding upon the parties, their successors and assigns. Delivery of a counterpart hereof via facsimile transmission shall be effective as delivery of a manually executed counterpart of this Agreement hereof.

10. Governing Law. This Agreement shall be deemed to be a contract made under, governed by and interpreted pursuant to the internal laws (and not the law of conflicts) of the State of New York. WHEREAS, certain Defaults and Events of Default described on Schedule I attached hereto have occurred and continue to exist under the Credit Agreement and the other Loan Documents (each a "Specified Default", and collectively, the "Specified Defaults"); and

WHEREAS, the Loan Parties have requested that the Lenders and the Administrative Agent temporarily forbear from exercising their rights and remedies under the Loan Documents arising as a result of the occurrence of the Specified Defaults.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Forbearance.

(a) Acknowledgment of Defaults and Rights and Remedies. Each of the Loan Parties, jointly and severally, acknowledges and agrees that (i) the Specified Defaults have occurred and are continuing, and (ii) but for the terms of this Agreement, the Lenders and the Administrative Agent may, if they so elect, exercise any and all rights and remedies that the Lenders or the Administrative Agent has under the Loan Documents, applicable law or otherwise in respect of the Specified Defaults.

(b) Forbearance.

(ix) neither any Lender nor the Administrative Agent is required to make any loan advance to any Loan Party under the Loan Documents or otherwise, and any further loan advances made shall be made in the sole discretion of each such Lender and the Administrative Agent and subject to such conditions and the payment of such fees as each such Lender and the Administrative Agent requires in their sole discretion.

The waivers, releases, and discharges in this Section 7 shall be effective on the Forbearance Effective Date regardless of whether any post-Forbearance Effective Date conditions to this Agreement are satisfied and regardless of any other event that may occur or not occur after the date hereof.

(c) Each of the Loan Parties, jointly and severally, agrees to defend, protect, indemnify and hold harmless each Lender and the Administrative Agent and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable fees, costs and expenses of outside counsel) incurred by such Indemnitees, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the execution or performance or enforcement of this Agreement, any other Loan Document or any other document executed in connection with the transactions contemplated by this Agreement; or (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto. This indemnity shall survive the repayment of the Obligations and the discharge of the liens granted under the Loan Documents.

(d) This Agreement shall be limited precisely as written and, except as expressly provided herein, shall not be deemed (i) to be a consent granted pursuant to, or a (other than as set forth in Section 4) waiver, modification or forbearance of, any term or condition of any of the Loan Documents or a waiver of any Default or Event of Default under any of the Loan Documents (including, without limitation, the Specified Defaults), whether or not known to a Lender or the Administrative Agent, or (ii) to prejudice any right or remedy which a Lender or the Administrative Agent may now have or have in the future under or in connection with the Loan Documents or any of the instruments or agreements referred to therein. (e) Each of Loan Parties expressly acknowledges the occurrence and continued existence of the Specified Defaults. Each of the Loan Parties, jointly and severally, acknowledge and agree, as a condition of the Lenders and the Administrative Agent entering into this Agreement, that it shall not raise any claim, cause of action or defense based upon any allegations of failure of any Lender or the Administrative Agent to do or agree to do any of the foregoing, or failure of any Lender or the Administrative Agent to negotiate in good faith to accomplish any of the same.

SECTION 8. No Waiver; No Novation; Reservation of Rights.

(a) Neither any Lender nor the Administrative Agent has waived, nor is any Lender or the Administrative Agent by this Agreement waiving, and neither any Lender nor the Administrative Agent has any present intention of waiving, any Specified Default, any other Events of Default arising under the Loan Documents which may be continuing on the Forbearance Effective Date or any Events of Default arising under the Loan Documents which may occur after the Forbearance Effective Date (whether the same or similar to any Specified Default or otherwise), and nothing contained herein shall be deemed or constitute any such waiver.

(b) This Agreement is not intended to be, and shall not be deemed or construed to be, a satisfaction, reinstatement, novation, or release of the Loan Documents or any of the Obligations. Neither this Agreement nor any payments made or other actions taken pursuant to this Agreement shall be deemed to cure any defaults under any of the Loan Documents, it being the intention of the parties hereto that the Loan Parties are and shall remain in default and all Obligations are and shall remain immediately due and payable in full notwithstanding this Agreement.

(c) Subject to Section 1(b) and Section 4, each Lender and the Administrative Agent reserves the right, in their sole discretion, to exercise any or all rights or remedies under the Loan Documents, applicable law and otherwise as a result of any Specified Default, any other Events of Default arising under the Loan Documents that may be continuing on the Forbearance Effective Date or any Default or Event of Default arising under the Loan Documents that may occur after the Forbearance Effective Date, and neither any Lender nor the Administrative Agent has waived any of such rights or remedies and nothing in this Agreement, and no delay on any Lender's or the Administrative Agent's part in exercising such rights or remedies, should be construed as a waiver of any such rights or remedies. Upon the termination of the Forbearance Period, the agreement of the Lenders and the Administrative Agent to forbear and the other agreements of the Lenders and the Administrative Agent hereunder, in each case as set forth in Section 1(b) above, shall automatically and without further action terminate and be of no force and effect, it being understood and agreed that the effect of such termination will be to permit the Lenders and the Administrative Agent to exercise any and all of its rights and remedies at any time and from time to time thereafter, including, without limitation, the right to accelerate all or any portion of the Obligations, enforce the Secured Liens and exercise any other rights and remedies set forth in the Loan Documents, applicable law or otherwise.

(d) Notwithstanding anything to the contrary set forth herein (including, without limitation, the provisions of Section 1(b)), nothing in this Agreement shall prohibit, restrict or otherwise limit the right or ability of any Lender or the Administrative Agent to take any actions that a Lender or the Administrative Agent may take under the Loan Documents, at law, in equity or otherwise to preserve and protect any assets or properties of any Loan Party that are subject to the Secured Liens or the interests (including the Secured Liens) of the Lenders and the Administrative Agent in any such assets or properties, including, without limiting the generality of the foregoing, (i) the filing of actions, or the defending of or intervention in actions (such as foreclosure proceedings) brought by any person or entity (including any Loan Party), relating to any such assets or properties or the interests of the Lenders and the Administrative Agent therein, (ii) the sending of notices to any persons or entities concerning the existence of security interests or liens in favor of the Lenders and the Administrative Agent relating to any such assets or properties or (iii) the filing of financing statements, and the taking of any other required actions, to perfect or continue the perfection of the Secured Liens in such assets or properties.

(e) The Loan Parties acknowledge and agree that it shall be an immediate Event of Default under the Loan Documents if the Administrative Agent or the Lenders determine that (i) any Loan Party fails to comply with, or otherwise breaches, any of the obligations or undertakings of such Loan Party set forth in this Agreement or (ii) any representation or warranty of any Loan Party set forth herein fails to be true and correct in all respects.

SECTION 9. Further Assurances. Each Loan Party hereby agrees that each Loan Party shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as the Lenders or the Administrative Agent may reasonably request to effectuate the purposes and terms of this Agreement and each of the other Loan Documents, including, without limitation, any such instruments, assignments, conveyances or other documents as the Lenders or the Administrative Agent reasonably requests to perfect or continue the Secured Liens on any assets or properties of any Loan Party.

SECTION 10. Counterparts. This Agreement may be executed by the parties hereto individually or in combination, in one or more counterparts, each of which shall be an original and all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or electronic transmission (in pdf format) shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 11. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

SECTION 12. Severability. If any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or enforceability without in any manner affecting the validity or enforceability of such provision in any other jurisdiction or the remaining provisions of this Agreement in any jurisdiction.

SECTION 13. Governing Law. **THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. ANY DISPUTE ARISING OUT OF OR CONCERNING THE TERMS OF THIS AGREEMENT SHALL BE RESOLVED IN A COURT OF COMPETENT JURISDICTION LOCATED IN NEW YORK COUNTY, NEW YORK, USA, WHICH SHALL BE THE EXCLUSIVE FORUM FOR THE RESOLUTION OF ANY SUCH DISPUTE.**

**EXECUTION VERSION**

**AMENDMENT NO. 1 TO FORBEARANCE AGREEMENT**

This AMENDMENT NO. 1 FORBEARANCE AGREEMENT, dated as of July 16, 2018 (this "Amendment"), is made and entered into by and among Hydrofarm Holdings LLC, a Delaware limited liability company ("Holdings"), Hydrofarm, LLC, a California limited liability company ("Hydrofarm"), WJCO LLC, a Colorado limited liability company ("WJCO"), EHH Holdings, LLC ("EHH"), a Delaware limited liability company, and SunBlaster, LLC, a Delaware limited liability company ("SunBlaster", and together with Hydrofarm, WJCO and EHH, collectively, the "Borrowers"), Hydrofarm Canada, LLC, a Delaware limited liability company, as a Guarantor, the lenders party to the Credit Agreement referred to below (collectively, the "Lenders" and each individually a "Lender") that are signatories hereto, and Brightwood Loan Services LLC, in its capacity as Administrative Agent for the Lenders. Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed thereto in the Forbearance Agreement (as defined below).

**RECITALS**

WHEREAS, the parties hereto have heretofore entered into that certain Credit Agreement, dated as of May 12, 2017 (as the same has heretofore been, and may hereafter be, amended, modified, supplemented, extended, renewed, restated or replaced, the "Credit Agreement"), by and among Holdings, the Borrowers, the Lenders and the Administrative Agent;

WHEREAS, the parties hereto have heretofore entered into that certain Forbearance Agreement and Amendment to Credit Agreement, dated as of May 18, 2018 (as the same has heretofore been, and may hereafter be, amended, modified, supplemented, extended, renewed, restated or replaced, the "Forbearance Agreement"), by and among Holdings, the Borrowers, the Lenders and the Administrative Agent, in respect of the Credit Agreement;

WHEREAS, Holdings and the Borrowers desire to amend certain provisions of the Forbearance Agreement as set forth herein; and

WHEREAS, the Forbearance Agreement Termination Date and various deliveries due on such date is July 15, 2018 which is not a Business Day, and the parties desire to clarify and confirm that all references to July 15, 2018 in the Forbearance Agreement and all deliveries due on such date are references to July 16, 2018 which is the Business Day following July 15, 2018.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Amendment to Forbearance Agreement; Acknowledgement.

(a) Effective as of the Forbearance Amendment Effective Date, Section 1(b)(i) of the Forbearance Agreement is hereby amended by deleting the phrase "July 15, 2018" set forth therein and replacing such phrase with "August 15, 2018".

(b) The Loan Parties, the Administrative Agent and each Lender hereby acknowledge that the Forbearance Agreement Termination Date and various deliveries due on such date is July 15, 2018 which is not a Business Day. The parties hereto acknowledge and agree that all references to July 15, 2018 in the Forbearance Agreement and all deliveries due on such date are references to July 16, 2018 which is the Business Day following July 15, 2018.

SECTION 2. Acknowledgements of the Loan Parties.

(a) Each of the Loan Parties, jointly and severally, acknowledges and agrees that (i) the Specified Defaults have occurred and are continuing, and (ii) but for the terms of the Forbearance Agreement (as amended by this Amendment), the Lenders and the Administrative Agent may, if they so elect, exercise any and all rights and remedies that the Lenders or the Administrative Agent has under the Loan Documents, applicable law or otherwise in respect of the Specified Defaults.

(b) Each of the Loan Parties, jointly and severally, hereby acknowledges, agrees, confirms, reaffirms and stipulates that (i) except as expressly set forth in the Forbearance Agreement (as amended by this Amendment), neither any Lender nor the Administrative Agent has agreed to (and has no obligation whatsoever to discuss, negotiate or agree to) any restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents, (ii) no understanding with respect to any other restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Loan Documents shall constitute a legally binding agreement or contract, or have any force or effect whatsoever, unless and until reduced to writing and signed by authorized representatives of each Loan Party, each Lender and the Administrative Agent, and (iii) the execution and delivery of this Amendment has not established any course of dealing between the parties hereto or created any obligation or agreement of any Lender or the Administrative Agent with respect to any future restructuring, modification, amendment, waiver or forbearance with respect to the Obligations or any of the terms of the Forbearance Agreement or the Loan Documents.

SECTION 3. Conditions Precedent. This Amendment shall become effective and be deemed effective as of the date when, and only when, all of the following conditions have been satisfied as determined in the Administrative Agent's sole discretion (the date of such effectiveness being herein called the "Forbearance Amendment Effective Date"):

(a) the Administrative Agent shall have received an executed counterpart of this Amendment duly executed by each of the Loan Parties and each of the Lenders;

(b) the Revolving Loan Agent and each Revolving Loan Lender shall have entered into an amendment to the Revolving Loan Forbearance Agreement, and such amendment shall be in form and substance acceptable to the Administrative Agent in its sole discretion; and

(c) the Loan Parties shall have paid all costs and expenses of the Administrative Agent (including legal fees and expenses) incurred in connection with the preparation and execution of this Amendment and incident to all proceedings in connection with the transactions contemplated by, and documents relating to, this Amendment and the Loan Documents, which payment shall be nonrefundable.

SECTION 4. Representations and Warranties. Each of the Loan Parties, jointly and severally, represents and warrants (which representations and warranties shall survive the execution and delivery hereof) to the Lenders and the Administrative Agent that:

(a) this Amendment and each other agreement to be executed and delivered in connection herewith has been duly authorized, executed and delivered by all necessary action on the part of each Loan Party which is a party hereto or thereto and, if necessary, their respective members or stockholders, as the case may be, and is in full force and effect as of the Forbearance Amendment Effective Date and the agreements and obligations of Loan Parties contained herein and therein constitute (or when executed and delivered, will constitute) legal, valid and binding obligations of Loan Parties enforceable against them in accordance with their terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer or conveyance, moratorium, or other similar laws relating to the enforcement of creditors' rights generally and by general equitable principles;

(b) neither the execution, delivery and performance of this Amendment nor the consummation of any of the transactions contemplated hereby (i) are in contravention of any applicable law or any indenture, agreement or undertaking to which any Loan Party is a party or by which any Loan Party or its property is bound, or (ii) violates any provision of the certificate of incorporation, certificate of formation, by-laws, operating agreement or other governing documents of such Loan Party;

(c) no consent of any person or entity (including, without limitation, any of its equity holders or creditors), and no action of, or filing with, any governmental or public body or authority is required to authorize, or is otherwise required in connection with, the execution, delivery and performance of this Amendment;

(d) as of the date hereof and after giving effect to this Amendment, each of the representations and warranties of the Loan Parties set forth in the Forbearance Agreement and the Credit Agreement and the other Loan Documents are true and correct in all material respects, except to the extent such representations and warranties speak as to an earlier date, in which case the same are true, correct and complete as to such earlier date; and

(e) no Default or Event of Default exists under the Credit Agreement or any of the other Loan Documents other than the Specified Defaults.

SECTION 5. Ratification; Waiver of Defenses; Indemnity and Release.

(a) The Forbearance Agreement and the Loan Documents remain in full force and effect and are hereby ratified and affirmed by each of the Loan Parties. Each of the Loan Parties, jointly and severally, (i) confirms and agrees that it is truly and justly indebted to the Lenders and the Administrative Agent in the aggregate amount of the Obligations without defense, counterclaim or offset of any kind whatsoever; and (ii) reaffirms and admits the validity and enforceability of the Loan Documents.

(b) Each of Loan Parties, jointly and severally, on behalf of itself and each of its Subsidiaries and affiliates, hereby waives, releases and discharges each Lender and the Administrative Agent, and all of the directors, officers, employees, attorneys, agents, successors and assigns of each Lender and the Administrative Agent, from any and all claims, demands, actions, causes of action, damages, costs, expenses and liabilities, known or unknown, anticipated or unanticipated, suspected or unsuspected, asserted or unasserted, fixed, contingent or conditional, at law or in equity, arising out of or in any way relating to the Loan Documents or any documents, agreements, dealings or other matters connected with the Loan Documents, in each case to the extent arising (x) on or prior to the date hereof or (y) out of, or relating to, any actions, dealings or matters occurring on or prior to the date hereof. The waivers, releases, and discharges in this Section 5 shall be effective on the Forbearance Amendment Effective Date regardless of whether any post-Forbearance Amendment Effective Date conditions to this Amendment are satisfied and regardless of any other event that may occur or not occur after the date hereof.

(c) Each of the Loan Parties, jointly and severally, agrees to defend, protect, indemnify and hold harmless each Lender and the Administrative Agent and all of their respective officers, directors, employees, attorneys, consultants and agents (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable fees, costs and expenses of outside counsel) incurred by such Indemnitees, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the execution or performance or enforcement of this Amendment, the Forbearance Agreement, any other Loan Document or any other document executed in connection with the transactions contemplated by this Amendment; or (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto. This indemnity shall survive the repayment of the Obligations and the discharge of the liens granted under the Loan Documents.

SECTION 6. Counterparts. This Amendment may be executed by the parties hereto individually or in combination, in one or more counterparts, each of which shall be an original and all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Amendment by telecopier or electronic transmission (in pdf format) shall be effective as delivery of a manually executed counterpart of this Amendment.

SECTION 7. Successors and Assigns. The provisions of this Amendment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

SECTION 8. Severability. If any provision of this Amendment shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or enforceability without in any manner affecting the validity or enforceability of such provision in any other jurisdiction or the remaining provisions of this Amendment in any jurisdiction.

SECTION 9. Governing Law. **THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK. ANY DISPUTE ARISING OUT OF OR CONCERNING THE TERMS OF THIS AMENDMENT SHALL BE RESOLVED IN A COURT OF COMPETENT JURISDICTION LOCATED IN NEW YORK COUNTY, NEW YORK, USA, WHICH SHALL BE THE EXCLUSIVE FORUM FOR THE RESOLUTION OF ANY SUCH DISPUTE.**

SECTION 10. Expenses. The Loan Parties, joint and severally, agree to pay, or reimburse, the Administrative Agent for all expenses incurred in connection with the preparation and negotiation of this Amendment and related agreements and instruments and the transactions contemplated hereby, including, but not limited to, the fees and expenses of counsel to the Administrative Agent.

SECTION 11. Miscellaneous. The parties hereto shall, at any time and from time to time following the execution of this Amendment, execute and deliver all such further instruments and take all such further action as may be reasonably necessary or appropriate in order to carry out the provisions of this Amendment.

SECTION 12. Headings. Section headings in this Amendment are included for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Amendment.

SECTION 13. Entire Agreement. This Amendment embodies the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreement and understandings relating to the subject matter hereof. All prior statements, representations and warranties, if any, of any Lender or the Administrative Agent in respect of the subject matter hereof, and all prior drafts of this Amendment, are totally superseded and merged into this Amendment, which represents the final and sole agreement of the parties hereto with respect to the matters which are the subject hereof. Each of the Loan Parties hereby acknowledges and agrees that the execution and delivery of this Amendment has not established any course of dealing between the parties hereto and that the parties hereto do not contemplate, and, in entering into this Amendment, the Loan Parties have not relied upon, any further potential extension of the Forbearance Period.

WAIVER AND AMENDMENT NO. 1 TO CREDIT AGREEMENT

This WAIVER AND AMENDMENT NO. 1 TO CREDIT AGREEMENT (this "Amendment"), dated as of September 21, 2017, is entered into by and among Hydrofarm Holdings LLC, a Delaware limited liability company ("Holdings"), Hydrofarm, LLC, a California limited liability company ("Hydrofarm"), WJCO LLC, a Colorado limited liability company ("WJCO"), EHH Holdings, LLC ("EHH"), a Delaware limited liability company, and SunBlaster, LLC, a Delaware limited liability company ("SunBlaster", and together with Hydrofarm, WJCO and EHH, collectively, the "Borrowers"), the lenders party to the Credit Agreement referred to below (collectively, the "Lenders" and each individually a "Lender") that are signatories hereto, and Brightwood Loan Services LLC, in its capacity as Administrative Agent for the Lenders. Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed thereto in the Credit Agreement (as defined below).

WITNESSETH:

WHEREAS, Holdings and the Borrowers have entered into financing arrangements pursuant to which the Lenders have made and provided loans and other financial accommodations to the Borrowers as set forth in the Credit Agreement, dated as of May 12, 2017, by and among Holdings, the Borrowers, the Lenders and the Administrative Agent (as the same has heretofore been, and may hereafter be, amended, modified, supplemented, extended, renewed, restated or replaced, the "Credit Agreement");

WHEREAS, an Event of Default has occurred and is continuing under Section 7.1(c) of the Credit Agreement as a result of the failure by Holdings and the Borrowers to comply with the covenant set forth in Section 5.1(a) of the Credit Agreement by failing to deliver to the Administrative Agent a copy of the annual audited financial statements of the Acquired Company for the fiscal year ended December 31, 2016 (the "Audited 2016 Financial Statements") as and when required under such Section 5.1(a) (the "Specified Event of Default");

WHEREAS, Holdings and the Borrowers have requested that the Required Lenders agree to waive the Specified Event of Default;

WHEREAS, Holdings and the Borrowers desire to amend certain provisions of the Credit Agreement as set forth herein to, among other things, extend the deadline for the delivery of the Audited 2016 Financial Statements under Section 5.1(a) of the Credit Agreement from June 30, 2017 until September 29, 2017;

WHEREAS, pursuant to Section 9.1 of the Credit Agreement, in order to effect the waiver of the Specified Event of Default and the amendment to the Credit Agreement contemplated by this Amendment, this Amendment must be approved by the Required Lenders; and

WHEREAS, the undersigned Lenders constitute the Required Lenders.

NOW THEREFORE, in consideration of the foregoing and the mutual agreements and 1 covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Limited Waiver. Holdings and the Borrowers acknowledge that the Specified Event of Default has occurred and is continuing, and represent and warrant that as of the date hereof, no Defaults or Events of Default have occurred and are continuing other than the Specified Event of Default. Subject to the satisfaction of the conditions set forth in Section 3 below, and in reliance on the representations and warranties set forth in Section 4 below, the Required Lenders hereby waive the Specified Event of Default; provided, that Holdings and the Borrowers deliver the Audited 2016 Financial Statements to the Administrative Agent in accordance with Section 5.1(a) of the Credit Agreement, as amended by this Amendment. This is a limited waiver and shall not be deemed to (a) waive, release, modify or limit the obligations of Holdings or any Borrower to otherwise comply with all terms and conditions of the Credit Agreement and the other Loan Documents, (b) waive any other existing or future Default or Event of Default, or (c) prejudice any right or remedy that the Administrative Agent or any Lender may have presently or in the future under or in connection with the Credit Agreement or any other Loan Document (all of which rights and remedies are expressly reserved), in each case, except at expressly provided herein. This waiver shall be effective only in this specific instance and for the specific purpose for which this waiver is given. This waiver shall not entitle Holdings nor any Borrower to any other or further waiver in any similar or other circumstances.

SECTION 2. Amendment. Section 5.1(a) of the Credit Agreement is hereby amended by:

(a) deleting the reference to "June 30, 2017" in the first line thereof and replacing such date with "September 29, 2017"; and

(b) deleting the phrase ", with comparative figures for the preceding fiscal year," in the fourth line thereof.

SECTION 3. Conditions Precedent. This Amendment shall only be effective upon the satisfaction of each of the following conditions precedent in a manner reasonably satisfactory to the Administrative Agent:

(a) the Administrative Agent shall have received counterparts of this Amendment, duly authorized, executed and delivered by Holdings, the Borrowers and the Required Lenders;

(b) all representations and warranties contained in this Amendment, the Credit Agreement and each of the other Loan Documents shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representation or warranty that is already qualified or modified by materiality in the text thereof) on and as of the date hereof as if made on the date hereof, except to the extent any such representation or warranty is made as of a specified date, in which case such representation or warranty shall have been true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representation or warranty that is already qualified or modified by materiality in the text thereof) as of such date; and

(c) after giving effect to this Amendment, no Default or Event of Default shall exist or have occurred and be continuing as of the date of this Amendment.

SECTION 4. Representations and Warranties. Each of Holdings and each Borrower hereby represents and warrants to the Administrative Agent and Lenders as follows, which representations and warranties shall survive the execution and delivery hereof:

(a) after giving effect to this Amendment, as of the date of this Amendment, no Default or Event of Default exists or has occurred and is continuing;

(b) this Amendment and each other agreement to be executed and delivered in connection herewith or therewith (together with this Amendment, the "Amendment Documents"), has been duly authorized, executed and delivered by all necessary action on the part of each Loan Party which is a party hereto or thereto and, if necessary, their respective members or stockholders, as the case may be, and is in full force and effect as of the effective date hereof and the agreements and obligations of Loan Parties contained herein and therein constitute (or when executed and delivered, will constitute) legal, valid and binding obligations of Loan Parties enforceable against them in accordance with their terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer or conveyance, moratorium, or other similar laws relating to the enforcement of creditors' rights generally and by general equitable principles;

(c) as of the date of this Amendment, all representations and warranties contained in this Amendment, the Credit Agreement and each of the other Loan Documents are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representation or warranty that is already qualified or modified by materiality in the text thereof) on and as of the date hereof as if made on the date hereof, except to the extent any such representation or warranty is made as of a specified date, in which case such representation or warranty were true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representation or warranty that is already qualified or modified by materiality in the text thereof) as of such date; and

(d) neither the execution, delivery and performance of this Amendment or any other Amendment Document, nor the consummation of any of the transactions contemplated hereby (i) are in contravention of any applicable law or any indenture, agreement or undertaking to which any Loan Party is a party or by which any Loan Party or its property is bound, or (ii) violates any provision of the certificate of incorporation, certificate of formation, by-laws, operating agreement or other governing documents of such Loan Party.

SECTION 5. Effect of this Amendment; Ratification.

(a) Except as expressly set forth herein, no other amendments, consents, changes or modifications to the Credit Agreement or the other Loan Documents are intended or implied, and in all other respects the Credit Agreement and the other Loan Documents are hereby specifically ratified, restated and confirmed by all parties hereto as of the effective date hereof and Loan Parties shall not be entitled to any other or further amendment by virtue of the provisions of this Amendment or with respect to the subject matter of this Amendment. Except as expressly set forth herein, this Amendment shall not operate as a waiver of any obligation of Holdings or any Borrower under, or any right, power, or remedy of the Administrative Agent or the Lenders under, the Credit Agreement or the other Loan Documents. This Amendment is not a novation or discharge of any of the obligations of Holdings or the Borrowers under the Credit Agreement and the other Loan Documents. This Amendment shall be deemed to be a Loan Document. The Credit Agreement and this Amendment shall be read and construed as one agreement.

The Commitments shall be terminated concurrently with the funding of the Term Loans on the Closing Date. The Borrowers' obligation to pay the principal of, and interest on, the Term Loan shall be evidenced by the records of the Lenders and by one or more promissory note(s) in form substantially as attached hereto as **Exhibit A** (the "Notes"). The entries made in the Register shall (absent manifest error) be *prima facie* evidence of the existence and amounts of the obligations of the Borrowers therein recorded; provided, that the failure or delay of the Lenders in maintaining or making entries into any such record or on such schedule or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Term Loan (both principal and unpaid accrued interest) in accordance with the terms of this Agreement.

(b) Notes. If requested by any Lender, the Term Loans made or held by such Lender shall be evidenced by, and be payable in accordance with, the terms of the Note issued to such Lender made by the Borrowers payable to the order of such Lender in a principal amount equal to the Term Loans held by such Lender; subject, however, to the provisions of such Note to the effect that the principal amount payable thereunder at any time shall not exceed the then unpaid principal amount of the Term Loans made or held by such Lender. The Borrowers hereby irrevocably authorize each Lender to make or cause to be made, at or about the time of the Term Loans made by such Lender, an appropriate notation on the records of such Lender, reflecting the principal amount of such Term Loans, and such Lender shall make or cause to be made, on or about the time of receipt of payment of any principal of any Term Loans, an appropriate notation on its records reflecting such payment and such Lender will, prior to any transfer of any of such Note, endorse on the reverse side thereof the outstanding principal amount of the Term Loans evidenced thereby. Failure to make any such notation shall not affect the Loan Parties' obligations in respect of such Term Loans. The aggregate amount of all Term Loans set forth on the Register shall be conclusive evidence of the principal amount owing and unpaid on such Lender's Note, absent manifest error.

(c) Promise to Pay. The Borrowers hereby promise to pay in full to the Administrative Agent for the benefit of the Lenders the amount of all Obligations, including the principal amount of all Term Loans, together with accrued interest, fees and other amounts due thereon, all in accordance with the terms of this Agreement. All outstanding Obligations, including the outstanding principal amount of all Term Loans, together with unpaid accrued interest, fees and other amounts due thereon, shall be due and payable in full on the Maturity Date.

(d) Required Payments.

(1) Amortization. Commencing September 30, 2017, and continuing on the last day of each fiscal quarter of the Borrowers thereafter, the Borrowers shall make quarterly repayments of the principal amount of the Term Loans in the aggregate principal amount equal to 0.625% of the original principal amount of the Term Loans on the Closing Date.

(2) Maturity. The entire remaining unpaid principal balance of the Term Loan, together with accrued but unpaid interest, shall be due and payable in full on the Maturity Date.

(e) Interest. The Borrowers agree to pay interest on the aggregate outstanding principal amount of the Term Loans until paid in full as follows:

(1) Accrual. From the Closing Date through the Maturity Date, the Term Loans shall bear interest at the rate of (i) with respect to LIBOR Rate Loans, the LIBOR Rate plus the Applicable Margin, and (ii) with respect to Base Rate Loans, the Base Rate plus the Applicable Margin.

(2) Default Interest. While any Default or Event of Default exists and is continuing, either (i) from and after the delivery of written notice to the Borrower from the Administrative Agent or the Required Lenders of their election to charge Default Interest until the applicable Event of Default is cured or waived or (ii) immediately upon the occurrence of any Default or Event of Default under Section 7.1(a) or 7.1(j) until the applicable Event of Default is cured or waived, the Borrower shall pay interest ("Default Interest") with respect to each Term Loan, plus any accrued and unpaid interest thereon, then outstanding at the Default Rate. All Default Interest shall be payable on demand.

(3) Payment Dates. Interest accrued on each Term Loan shall be payable, without duplication:

(A) on the Maturity Date;

(B) in respect of any Term Loan, on the date of any payment or prepayment, in whole or in part, of principal outstanding on such Term Loan, on the principal amount so paid or prepaid; and

(C) in respect of (i) any Base Rate Loan, on May 31, 2017 and on the last Business day of each month thereafter and (ii) with respect to any LIBOR Rate Loan, at the end of each Interest Period (together with the Maturity Date, each an "Interest Payment Date");

The Administrative Agent shall determine each interest rate applicable to the Term Loan in accordance with the terms hereof and, upon any rate change, shall promptly notify the Borrower Agent of such rate in writing (or by telephone, promptly confirmed in writing). Any such determination shall be conclusive and binding for all purposes, absent manifest error.

(f) Calculation of Interest. All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the LIBOR Rate) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Term Loan for the day on which the Term Loan is made, and shall not accrue on a Term Loan, or any portion thereof, for the day on which the Term Loan or such portion is paid. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Each prepayment made pursuant to Section 2.1(g) shall be accompanied by accrued interest to the date of prepayment on the amount prepaid. To the extent applicable, the Borrowers shall reimburse the Lenders and the Administrative Agent on demand for amounts set forth in and, to the extent required by, Section 10.5. The Borrower Agent shall give the Administrative Agent prior written notice of any event or circumstances reasonably likely to give rise to a mandatory prepayment obligation under this Section 2.1(g) (including the date and an estimate of the aggregate amount of such mandatory prepayment) at least five (5) Business Days prior thereto); provided that the failure to give such notice shall not constitute a Default or an Event of Default but shall not relieve the Borrowers of their obligation to make such mandatory prepayments.

**2.2 Election by Borrower Agent**.

(a) Interest Rate for Term Loans. The Borrower Agent may, upon irrevocable written notice to the Administrative Agent delivered at least three Business Days prior to such conversion or continuation, elect (i) as of any Business Day, to convert any Term Loans (or any part thereof in an aggregate amount of not less than $100,000 or a higher integral multiple of $50,000) into Credit Loans of the other type or (ii) as of the last day of the applicable Interest Period, to continue any LIBOR Rate Loans having Interest Periods expiring on such day (or any part thereof in an aggregate amount not less than $100,000 or a higher integral multiple of $50,000) for a new Interest Period; provided, that any conversion of a LIBOR Rate Loan on a day other than the last day of an Interest Period therefor shall be subject to Section 10.5.

(b) Lenders' Records. The Borrowers hereby irrevocably authorize the Administrative Agent to make, or cause to be made, an appropriate notation on the Register, reflecting the date and original principal amount of each Term Loan made by any Lender, the dates for each period when such Term Loan is being maintained as a LIBOR Rate Loan, the interest rate for each such period and the dates of principal and interest payments on such Term Loan. The Register shall be conclusive evidence of the status of such Lender's Term Loans, absent manifest error. Failure to make any such notation shall not affect the Borrowers' obligations in respect of such Term Loans.

**2.3 Payments**. Any other provision of this Agreement to the contrary notwithstanding, the Borrowers shall make each payment of interest on and principal of the Notes, and fees and other payments due under this Agreement (except as otherwise expressly provided herein), in immediately available funds to the Administrative Agent at its office referred to in Section 9.3 not later than 2:00 p.m. on the date when due. Subject to Section 10.1 (Taxes) hereof, payments by the Borrowers under this Agreement shall be made without offset, counterclaim or other deduction and in such amounts as may be necessary in order that all such payments shall not be less than the amounts otherwise specified to be paid under this Agreement and the Notes. The Administrative Agent will promptly thereafter distribute like funds ratably to each Lender (unless such amount is not to be shared ratably in accordance with the terms hereof).

**2.4** **Setoff; etc**. Upon the occurrence and during the continuance of an Event of Default, each Lender and the Administrative Agent are hereby authorized at any time and from time to time, without prior notice to the Borrowers (any such notice being expressly waived by the Borrowers), to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or Administrative Agent to or for the credit or the account of any Borrower or any of the other Loan Parties, including specifically any amounts held in any account maintained at such Lender or Administrative Agent, against amounts then due to the Administrative Agent or the Lenders, or any of them, by any Borrower or any of the other Loan Parties in connection with this Agreement or any Loan Document; provided that no Lender shall exercise any such right without the prior written consent of the Administrative Agent (at the direction of the Required Lenders). The rights of the Lenders and the Administrative Agent under this Section 2.4 are in addition to other rights and remedies (including other rights of set-off) which the Lenders and the Administrative Agent may have under applicable law. Each Lender and the Administrative Agent agrees, severally and not jointly, to use reasonable efforts to notify the Borrower Agent of any exercise of its rights pursuant to this Section 2.4, provided, however, that failure to provide such notice shall not affect any Lender's or the Administrative Agent's rights under this Section 2.4 or the effectiveness of any action taken pursuant hereto; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.9 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees to notify the Borrower Agent and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

**2.5** **Sharing**. If any Lender shall obtain any payment (whether voluntary, involuntary, by application of offset or otherwise) on account of the Term Loans made by it in excess of such Lender's ratable share of payments on account of the Term Loans obtained by all the Lenders, such Lender shall purchase from the other Lenders such participations in the Term Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided that, (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and (ii) the provisions of this Section 2.5 shall not be construed to apply to any payment made by or on behalf of a Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender). The Borrowers agree that any Lender so purchasing a participation from another Lender pursuant to this Section 2.5 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right to setoff) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation.

**2.6** **Fees**. The Borrowers shall pay to the Administrative Agent for its own account or for the account of the Lenders, as specified therein, fees in the amounts and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

**2.7** **Lending Branch**. Subject to the provisions of Section 10.6(a), each Lender may, at its option, elect to make, fund or maintain its Term Loans hereunder at the branch or office specified on the signature pages hereto or such other of its branches or offices as such Lender may from time to time elect.

**2.8** **Application of Payments and Collections**.

(a) Order of Application of Payments. Subject to the Intercreditor Agreement and the provisions of subsection (b) below, all payments and prepayments and any other amounts received by the Administrative Agent from or for the benefit of the a Borrower shall be applied, first to pay principal of and interest on any portion of the Term Loans which the Administrative Agent may have advanced on behalf of any Lender for which the Administrative Agent has not then been reimbursed by such Lender or the Borrowers, second ratably to pay all other Obligations in respect of fees, expenses, reimbursements or indemnities then due and payable, third ratably to pay interest then due in respect of the Term Loans, and fourth to pay the principal of the Term Loans then due and payable.

(b) Application of Payments After an Event of Default. Subject to the Intercreditor Agreement, after the occurrence of an Event of Default and while the same is continuing, the Administrative Agent shall, unless the Administrative Agent and the Lenders shall agree otherwise, apply all payments and prepayments in respect of any Obligations in the following order:

(1) to pay interest on and then principal of any portion of the Term Loans which the Administrative Agent may have advanced on behalf of any Lender for which the Administrative Agent has not then been reimbursed by such Lender or the Borrowers;

(2) to pay Obligations in respect of any fees, expense reimbursements or indemnities then due to the Administrative Agent;

(3) ratably to pay Obligations in respect of any fees, expenses, reimbursements or indemnities (other than principal and interest) payable to the Lenders;

(4) to the payment of interest on all Term Loans and any amounts due pursuant to Sections 10.4 and 10.5, to be allocated among the Lenders pro rata based on the respective aggregate amounts of such accrued interest and amounts owed to them; and

(5) to the payment of the outstanding principal amounts of all Term Loans and Obligations under Rate Hedging Obligations to be allocated among the Lenders, pro rata based on the respective outstanding principal amounts described in this clause (5) payable to them.

(c) Each of the Lenders hereby irrevocably designates the Administrative Agent its attorney in fact for the purpose of receiving any and all payments to be made to such Lender in respect of Obligations held by it, and hereby directs each payor of any such payment to make such payment to the Administrative Agent. Each of the Lenders hereby further agrees that if, notwithstanding the foregoing, it should receive any such payment (including by set-off), it shall hold such payment in trust for, and promptly deliver such payment to, the Administrative Agent.

(d) The Administrative Agent shall promptly distribute to each Lender at its primary address set forth on the appropriate signature page hereof or at such other address as a Lender may notify the Administrative Agent in writing, such funds as such Lender may be entitled to receive.

**2.9 Defaulting Lenders.**

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(1) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" and Section 9.1.

(2) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 2.4 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower Agent may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower Agent, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise as may be required under the Loan Documents in connection with any Lien conferred thereunder or directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Term Loans were made at a time when the conditions set forth in Section 3.1 were satisfied or waived, such payment shall be applied solely to pay the Term Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Term Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders pro rata in accordance with the Commitments hereunder. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(b) Defaulting Lender Cure. If the Borrower Agent and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Term Loans to be held on a pro rata basis by the Lenders in accordance with their respective Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of a Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

**2.10 Joint and Several Liability**.

(a) Joint and Several Liability. All Term Loans made to the Borrowers (or assumed by the Borrowers pursuant to the Assumption Agreement) and all of the other Obligations of the Borrowers, including all interest, fees and expenses with respect thereto and all indemnity and reimbursement obligations hereunder, shall constitute one joint and several direct and general obligation of all of the Borrowers. Notwithstanding anything to the contrary contained herein, each of the Borrowers shall be jointly and severally, with each other Borrower, directly and unconditionally, liable for all Obligations, it being understood that the advances to each Borrower inure to the benefit of all Borrowers, and that the Administrative Agent and the Lenders are relying on the joint and several liability of the Borrowers as co-makers in extending the Term Loans hereunder. Each Borrower hereby unconditionally and irrevocably agrees that upon default in the payment when due (whether at stated maturity, by acceleration or otherwise) of any principal of, or interest on, any Obligation, it will forthwith pay the same, without notice or demand, unless such payment is then prohibited by applicable Law.

(b) No Reduction in Obligations. No payment or payments made by any of the Borrowers or any other Person or received or collected by the Administrative Agent or any Lender from any of the Borrowers or any Person by virtue of any action or proceeding or any setoff or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of each Borrower under this Agreement for the remaining Obligations, which shall remain liable for all remaining and thereafter arising Obligations until the payment in full in cash of the Obligations and the Commitments are terminated.

(c) Obligations Absolute. Each Borrower agrees that the Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Administrative Agent or any Lender with respect thereto, unless such payment is then prohibited by applicable Law. All Obligations shall be conclusively presumed to have been created in reliance hereon. The liabilities of the Borrowers under this Agreement shall be absolute and unconditional irrespective of: (i) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto, (ii) any change in the time, manner or place of payments of, or in any other term of, all or any part of the Obligations, or any other amendment or waiver thereof or any consent to departure therefrom, including any increase in the Obligations resulting from the extension of additional credit to any Borrower or otherwise, (iii) any taking, exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from any guaranty for all or any of the Obligations, (iv) any change, restructuring or termination of the corporate structure or existence of any Loan Party, or (v) any other circumstance which would otherwise constitute a defense available to, or a discharge of, any Loan Party, other than payment in full in cash of the Obligations.

(d) Waiver of Suretyship Defenses. Each Borrower agrees that the joint and several liability of the Borrowers provided for in this Section 2.10 shall not be impaired or affected by any modification, supplement, extension or amendment of any contract or agreement to which the other Borrowers may hereafter agree (other than an agreement signed by the Administrative Agent and the Lenders specifically releasing such liability), nor by any delay, extension of time, renewal, compromise or other indulgence granted by the Agent or any Lender with respect to any of the Obligations, nor by any other agreements or arrangements whatever with the other Borrowers or with anyone else, each Borrower hereby waiving all notice of such delay, extension, release, substitution, renewal, compromise or other indulgence, and hereby consenting to be bound thereby as fully and effectually as if it had expressly agreed thereto in advance. The liability of each Borrower is direct and unconditional as to all of the Obligations, and may be enforced without requiring the Administrative Agent or any Lender first to resort to any other right, remedy or security. Each Borrower hereby expressly waives promptness, diligence, notice of acceptance and any other notice (except to the extent expressly provided for herein or in another Loan Document) with respect to any of the Obligations, this Agreement or any other Loan Documents and any requirement that the Administrative Agent or any Lender protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Borrower or any other Person or any Collateral.

(e) Contribution and Indemnification among the Borrowers. Each Borrower is obligated to repay the Obligations as joint and several obligors under this Agreement. To the extent that any Borrower shall, under this Agreement as a joint and several obligor, repay any of the Obligations constituting Term Loans made to another Borrower hereunder or other Obligations incurred directly and primarily by any other Borrower (an "Accommodation Payment"), then the Borrower making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Borrowers in an amount, for each of such other Borrowers, equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Borrower's "Allocable Amount" (as defined below) and the denominator of which the sum of the Allocable Amounts of all of the Borrowers. As of any date of determination, the "Allocable Amount" of each Borrower shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Borrower hereunder without (i) rendering such Borrower "insolvent" within the meaning of Section 101(31) of Title 11 of the United States Code entitled "Bankruptcy" (the "Bankruptcy Code"), Section 2 of the Uniform Fraudulent Transfer Act (the "UFTA"), or Section 2 of the Uniform Fraudulent Conveyance Act ("UFCA"), (ii) leaving such Borrower with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 4 of the UFCA, or (iii) leaving such Borrower unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA. Each Borrower hereby subordinates any claims, including any rights at law or in equity to payment, subrogation, reimbursement, exoneration, contribution, indemnification or set off, that it may have at any time against any other Loan Party, howsoever arising, to the payment in full in cash of its Obligations.

**2.11 Borrower Agent**. Each Borrower hereby designates (a) at all times prior to the Hydrofarm Acquisition and the execution and delivery of the Assumption Agreement, the Initial Borrower and (b) upon and at all times after the consummation of the Hydrofarm Acquisition and the execution and delivery of the Assumption Agreement, Hydrofarm (the "Borrower Agent") as its representative and agent for all purposes under the Loan Documents, including requests for and receipt of Term Loans, designation of interest rates, delivery or receipt of communications, payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent or any Lender. Borrower Agent hereby accepts such appointment. The Administrative Agent and Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any notice of borrowing) delivered by Borrower Agent on behalf of any Borrower. The Administrative Agent and Lenders may give any notice or communication with a Borrower hereunder to Borrower Agent on behalf of such Borrower. Each of the Administrative Agent and Lenders shall have the right, in its discretion, to deal exclusively with Borrower Agent for all purposes under the Loan Documents. Each Borrower agrees that any notice, election, communication, delivery, representation, agreement, action, omission or undertaking by Borrower Agent shall be binding upon and enforceable against such Borrower.

(4) be operated or administered in a manner which is not in compliance with ERISA or any applicable provisions of the Code;

if the event or condition described in clause (1), (2), (3) or (4) above could reasonably be expected to subject any Loan Party or any of their respective Subsidiaries to a Material Adverse Effect.

(b) Upon the request of the Administrative Agent or any Lender, the Borrower Agent will furnish a copy of the annual report of each Plan (Form 5500) required to be filed with the IRS. **7.3 Remedies**.

(a) Upon acceleration of the Term Loans, as provided in Section 7.2, the Administrative Agent shall, at the request of the Required Lenders, exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents and/or under applicable law.

(b) The Administrative Agent, personally or by attorney, shall, at the request of the Required Lenders, proceed to protect and enforce its rights and the rights of the Lenders by pursuing any available remedy, including a suit or suits in equity or at law, whether for damages or for the specific performance of any obligation, covenant or agreement contained in this Agreement or in the Notes, or in aid of the execution of any power herein or therein granted, or for the enforcement of any other appropriate legal or equitable remedy, as the Administrative Agent shall deem most effectual to collect the payments then due and thereafter to become due on the Notes or under this Agreement, to enforce performance and observance of any obligation, agreement or covenant of a Borrower hereunder or under the Notes or to protect and enforce any of the Administrative Agent's or any Lender's rights or duties hereunder.

(c) Upon acceleration of the Term Loans, as provided in Section 7.2, to the extent permitted by law, the Administrative Agent shall, if so directed by the Required Lenders, have the right to the appointment of a receiver for the Collateral of the Loan Parties pledged to secure the Obligations, both to operate and to sell such Collateral, and each Borrower hereby consents to such right and such appointment and hereby waives, to the fullest extent permitted by applicable law, any objection each Borrower may have thereto or the right to have a bond or other security posted by the Administrative Agent on behalf of the Lenders in connection therewith.

(d) No remedy herein conferred upon or reserved to the Administrative Agent or any Lender is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or under any other Loan Document now or hereafter existing at law, in equity or by statute.

(e) Each Lender agrees that it will not take any action, nor institute any actions or proceedings, against a Borrower hereunder or under any Loan Document, without the prior written consent of the Required Lenders or, as may be provided in this Agreement or the other Loan Documents, at the direction of the Administrative Agent with the consent of the Required Lenders.

**ARTICLE VIII**
**THE ADMINISTRATIVE AGENT**

**8.1** **Appointment and Authorization**. Each Lender hereby irrevocably appoints the Administrative Agent as the Administrative Agent of such Lender and authorizes the Administrative Agent to act on such Lender's behalf to the extent provided herein or under any of the other Loan Documents, and to take such other action and exercise such other powers as may be reasonably incidental thereto. Each Lender hereby agrees that it will require any transferee of any of such Lender's interests in its Term Loans to irrevocably appoint and authorize the Administrative Agent as such transferee's Administrative Agent in accordance with the terms hereof. Notwithstanding the use of the term "agent," it is expressly understood and agreed that the Administrative Agent shall not have any fiduciary responsibilities to any Lender by reason of this Agreement and that the Administrative Agent is merely acting as the representative of the Lenders with only those duties as are expressly set forth in this Agreement and the other Loan Documents. In its capacity as the Lenders' contractual representative, the Administrative Agent (i) does not hereby assume any fiduciary duties to the Loan Parties, any of the Lenders or any other Person (and no such fiduciary duties shall be implied) and (ii) is acting as an independent contractor, the rights and duties of which are limited to those expressly set forth in this Agreement and the other Loan Documents. The Borrowers, on behalf of the Loan Parties, and each of the Lenders hereby agrees to assert no claim against the Administrative Agent on any agency theory or any other theory of liability for breach of fiduciary duty, all of which claims the Borrowers and each Lender hereby waives.

**8.2** **Power**. The Administrative Agent shall have and may exercise such powers under this Agreement and any other Loan Documents as are specifically delegated to the Administrative Agent by the terms hereof or thereof, together with such powers as are reasonably incidental thereto. As to any matters not expressly provided for by the Loan Documents (including enforcement or collection of the Notes), the Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions shall be binding upon all Lenders and all holders of the Notes; provided, however, that the Administrative Agent shall not be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to any Loan Document or applicable law. The Administrative Agent shall not have any implied duties or any obligation to take any action under this Agreement or any other Loan Document except such action as is specifically provided by this Agreement or any other Loan Document to be taken by the Administrative Agent.

**8.3** **Interest Holders**. The Administrative Agent may treat each Lender, or the Person designated in the last notice filed with the Administrative Agent, whether under Section 9.3 or 9.9, or otherwise hereunder, as the holder of all of the interests of such Lender in its Term Loans until written notice of transfer, signed by such Lender (or the Person designated in the last notice filed with the Administrative Agent) and by the Person designated in such written notice of transfer, in form and substance satisfactory to the Administrative Agent, shall have been filed with the Administrative Agent.

**8.4** **Employment of Counsel; etc**. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document, and any instrument, agreement or document executed, issued or delivered pursuant or in connection herewith or therewith, by or through employees, agents and attorneys-in-fact and shall not be answerable for the default or misconduct of any such employee, agent or attorney-in-fact selected by it with reasonable care (other than employees, officers and directors of the Administrative Agent, when acting on behalf of the Administrative Agent). The Administrative Agent shall be entitled to rely on advice of counsel (including counsel who are the employees of the Administrative Agent) selected by the Administrative Agent concerning all matters pertaining to the agency hereby created and its duties under any of the Loan Documents.

**8.5** **Reliance**. The Administrative Agent shall be entitled to rely upon and shall not be under a duty to examine or pass upon the validity, effectiveness, genuineness of this Agreement, any other Loan Document or any notice, consent, waiver, amendment, certificate, affidavit, letter, telegram, statement, paper, document or writing furnished pursuant to this Agreement or any other Loan Document, and the Administrative Agent shall be entitled to assume (absent actual knowledge to the contrary) that the same are valid, effective and genuine, have been signed or sent by the proper Person(s) and are what they purport to be. The Administrative Agent shall be entitled to assume that no Default has occurred and is continuing unless it has actual knowledge, or has been notified in writing by the Borrower Agent, of such fact, or has been notified by a Lender in writing that such Lender considers that a Default has occurred and is continuing, and such Lender shall specify in detail the nature thereof in writing. The Administrative Agent shall not be liable hereunder for any action taken or omitted to be taken except for its own gross negligence or willful misconduct. The Administrative Agent shall provide promptly each Lender with copies of such documents received from the Borrower Agent pursuant to the terms of this Agreement or any other Loan Document as such Lender may reasonably request.

**8.6** **General Immunity**. Neither the Administrative Agent nor any of the Administrative Agent's directors, officers, agents, attorneys or employees shall be liable or responsible in any manner to any Loan Party, any Lender or any other Person for any action taken or omitted to be taken by it or them under the Loan Documents or in connection therewith except for any liability imposed by law for its own willful misconduct or gross negligence. Without limitation on the generality of the foregoing, the Administrative Agent: (a) shall not be responsible to any Lender for any recitals, statements, warranties, representations, or failure or delay of performance under the Loan Documents or any agreement or document related thereto or for the financial condition of the Loan Parties; (b) shall not be responsible for the authenticity, accuracy, completeness, value, validity, effectiveness, due execution, legality, genuineness, enforceability or sufficiency of any of the Loan Documents, any provisions thereof or any document contemplated thereby; (c) shall not be responsible for the validity, genuineness, creation, perfection or priority of any of the Liens created or reaffirmed by any of the Loan Documents, or the validity, genuineness, enforceability, existence, value or sufficiency of any Collateral or other security; (d) shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, covenants or conditions of any of the Loan Documents on the part of the Loan Parties or of any of the terms of any such agreement by any party thereto and shall have no duty to inspect the property (including the books and records) of the Loan Parties; (e) shall incur no liability under or in respect of any of the Loan Documents or any other document or Collateral by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, cable or telex) furnished pursuant to this Agreement or any other Loan Document; (f) shall incur no liability to the Loan Parties or any other Person as a consequence of any failure or delay in performance by, or any breach by, any Lender or Lenders of any of its or their obligations under this Agreement; and (g) may consult with legal counsel (including counsel for the Borrowers), independent public accountants and other experts selected by the Administrative Agent.

**8.7** **Credit Analysis**. Each Lender has made, and shall continue to make, its own independent investigation or evaluation of the operations, business, property and condition, financial and otherwise, of the Loan Parties in connection with the making of its commitments hereunder and has made, and will continue to make, its own independent appraisal of the creditworthiness of the Loan Parties. Without limiting the generality of the foregoing, each Lender acknowledges that prior to the execution of this Agreement, it had this Agreement and all other Loan Documents and such other documents or matters as it deemed appropriate relating thereto reviewed by its own legal counsel as it deemed appropriate, and it is satisfied with the form and substance of this Agreement and all other Loan Documents. Each Lender agrees and acknowledges that neither the Administrative Agent nor any of its directors, officers, attorneys or employees makes any representation or warranties about the creditworthiness of the Loan Parties or with respect to the due execution, legality, validity, genuineness, effectiveness, sufficiency or enforceability of this Agreement or any other Loan Documents, or the validity, genuineness, execution, perfection or priority of Liens created or reaffirmed by any of the Loan Documents, or the validity, genuineness, enforceability, existence, value or sufficiency of any Collateral or other security. Except as explicitly provided herein, neither the Administrative Agent nor any Lender has any duty or responsibility, either initially or on a continuing basis, to provide any other Lender with any credit or other information with respect to such operations, business, property, condition or creditworthiness, whether such information comes into its possession on or before a Default or an Event of Default or at any time thereafter.

**8.8** **Administrative Agent and Affiliates**. With respect to the Term Loans made by it and the Notes issued to it, the Administrative Agent, in its individual capacity, shall have the same rights and powers under the Loan Documents as any other Lender and may exercise the same as though it were not an Administrative Agent; and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include the Administrative Agent in its individual capacity. The Administrative Agent, in its individual capacity, and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, and generally engage in any kind of business with, the Loan Parties, and any Person who may do business with or own securities of the Loan Parties, all as if it were not an Administrative Agent and without any duty to account therefor to the Lenders.

**8.9** **Indemnification**. The Lenders jointly and severally agree to indemnify and hold harmless the Administrative Agent and its officers, directors, employees and agents (to the extent not reimbursed by the Borrowers), ratably according to their respective Commitments and Term Loans, from and against any and all claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent or any of its officers, directors, employees or agents, in any way relating to or arising out of any investigation, litigation or proceeding concerning or relating to the transaction contemplated by this Agreement or any of the other Loan Documents, or any of them, or any action taken or omitted by the Administrative Agent or any of its officers, directors, employees or agents, under any of the Loan Documents; provided, however, that no Lender shall be liable for any portion of such claims, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or willful misconduct of the Administrative Agent or any of its officers, directors, employees or agents. Without limitation of the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for such Lender's proportionate share of any out-of-pocket expenses (including counsel fees) incurred by the Administrative Agent or its officers, directors, employees or agents in connection with the preparation, execution, administration, or enforcement of, or legal advice in respect of rights or responsibilities under any of, the Loan Documents, to the extent that the Administrative Agent is not reimbursed for such expenses by the Borrowers.

**8.10** **Security Documents**. The Administrative Agent, as collateral agent hereunder and under the Security Documents, is hereby authorized to act on behalf of the Secured Parties, in its own capacity and through other agents and sub-agents appointed by it in good faith, under the Security Documents, provided that the Administrative Agent shall not agree to the release of any Collateral, or any property encumbered by any mortgage, pledge or security interests except in compliance with Section 8.11. In connection with its role as secured party with respect to the Collateral hereunder, the Administrative Agent shall act as collateral agent, for itself and for the ratable benefit of the Lenders, and such role as Administrative Agent shall be disclosed on all appropriate accounts, filings, mortgages, and other Collateral documentation.

**8.11** **Collateral Matters**. The Administrative Agent is authorized on behalf of all the Lenders without the necessity of any notice to or further consent from the Lenders, from time to time to take any action with respect to the Security Documents or any Collateral thereunder which may be necessary to perfect and maintain perfected the security interest in and Liens upon the Collateral granted pursuant to the Security Documents. The Lenders irrevocably authorize the Administrative Agent, at its option and in its discretion, to release any Lien granted to or held by the Administrative Agent upon any Collateral (i) upon payment in full of all Term Loans and all other Obligations of the Loan Parties known to the Administrative Agent and payable under this Agreement or any other Loan Document; (ii) constituting Property sold or to be sold or disposed of to a Person that is not a Loan Party as part of or in connection with any Asset Disposition permitted hereunder; (iii) consisting of an instrument evidencing Indebtedness or other debt instrument, if the Indebtedness evidenced thereby has been paid in full; or (iv) if approved, authorized or ratified in writing by all the Lenders. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Administrative Agent's authority to release particular types or items of Collateral pursuant to this Section 8.11, provided that the absence of any such confirmation for whatever reason shall not affect the Administrative Agent's rights under this Section 8.11. In the event that any landlord in favor of which a Loan Party has granted a Permitted Lien on Excluded Assets requests an acknowledgement that the Collateral does not include any Excluded Assets secured by such Permitted Lien (a "Permitted Lien Acknowledgement"), the Administrative Agent shall deliver a Permitted Lien Acknowledgement to such landlord, on terms and conditions, and subject to documentation reasonably acceptable to the Administrative Agent and, if required by such landlord, shall amend any UCC-1 financing statements filed against a Loan Party in favor of the Administrative Agent to exclude the specific Excluded Assets that are the subject of such Permitted Lien Acknowledgement.

**8.12** **Action by the Administrative Agent**.

(a) The Administrative Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights with which it may be vested and with respect to taking or refraining from taking any action or actions which it may be able to take under or in respect of, this Agreement, unless the Administrative Agent shall have been instructed by the Required Lenders to exercise or refrain from exercising such rights or to take or refrain from taking such action; provided that the Administrative Agent shall not exercise any rights under Section 7.3 of this Agreement except upon the request of the Required Lenders or of all the Lenders, where expressly required by this Agreement. The Administrative Agent shall incur no liability under or in respect of this Agreement with respect to anything which it may do or refrain from doing in the exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its gross negligence or willful misconduct as determined by a final, non-appealable order of a court having jurisdiction over the subject matter.

(b) The Administrative Agent shall not be liable to the Lenders or to any Lender in acting or refraining from acting under this Agreement or any other Loan Document in accordance with the instructions of the Required Lenders or of all the Lenders, where expressly required by this Agreement, and any action taken or failure to act pursuant to such instructions shall be binding on all Lenders.

(c) Notice of Default or Event of Default. In the event that the Administrative Agent or any Lender shall acquire actual knowledge, or shall have been notified in writing, of any Default (other than through a notice by one party hereto to all other parties), such Lender shall promptly notify the Administrative Agent and the Administrative Agent shall promptly notify the Lenders, and the Administrative Agent shall take such action and assert such rights under this Agreement and the other Loan Documents as the Required Lenders (or all the Lenders, where expressly required by this Agreement) shall request in writing, and the Administrative Agent shall not be subject to any liability by reason of its acting pursuant to any such request. If the Required Lenders shall fail to request the Administrative Agent to take action or to assert rights under this Agreement in respect of any Default within ten (10) days after their receipt of the notice of any Default from the Administrative Agent or any Lender, or shall request inconsistent action with respect to such Default, the Administrative Agent may, but shall not be required to, take such action and assert such rights as it deems in its discretion to be advisable for the protection of the Lenders, except that, if the Required Lenders have instructed the Administrative Agent not to take such action or assert such right, in no event shall the Administrative Agent act contrary to such instructions.

**8.13** **Successor Administrative Agent**. The Administrative Agent may resign at any time as Administrative Agent under the Loan Documents by giving thirty (30) days' prior written notice thereof to the Lenders and the Borrower Agent. Upon any such resignation, the Required Lenders shall, with (so long as no Event of Default exists) the consent of the Borrower Agent (which shall not be unreasonably withheld or delayed), have the right to appoint a successor Administrative Agent hereunder that is organized under the laws of the United States of America or a political subdivision thereof. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders, with (so long as no Event of Default exists) the consent of the Borrower Agent (which shall not be unreasonably withheld or delayed), appoint a successor Administrative Agent, which shall be a commercial bank organized under the laws of the United States or of any state thereof and having a combined capital and surplus of at least $250,000,000. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date. Upon the acceptance of any appointment as Administrative Agent under the Loan Documents by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents. After any retiring Administrative Agent's resignation as Administrative Agent under the Loan Documents, the provisions of this Article VIII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under the Loan Documents.

**8.14** **Legal Representation of Administrative Agent**. In connection with the negotiation, preparation and execution of this Agreement and the other Loan Documents, and in connection with future legal representation relating to loan administration, amendments, modifications, waivers or enforcement of remedies in connection herewith, Greenberg Traurig LLP has represented only and shall represent only Brightwood Loan Services LLC, in its capacity as Administrative Agent. Each Borrower and each other Lender hereby acknowledges that Greenberg Traurig LLP does not represent it in connection with any such matters.

## ARTICLE IX
## MISCELLANEOUS

**9.1** **Waivers, Amendments; etc**. The provisions of this Agreement, including the closing conditions set forth herein, may from time to time be amended, modified or waived, if such amendment, modification or waiver is in writing and consented to by the Borrower Agent and the Required Lenders; provided, that no amendment, waiver or consent shall: (a) increase the Commitment of any Lender or subject a Lender to any additional obligations, without the written consent of such Lender, (b) reduce the principal of, or interest on, the Notes or any fees or other amounts payable to any Lender hereunder without the written consent of such Lender, (c) postpone any date fixed for any payment of principal of, or interest on, the Notes or any fees or other amounts payable to any Lender hereunder without the written consent of such Lender, (d) change the number of Lenders which shall be required for the Lenders or any of them to take any action hereunder, unless in writing and signed by all the Lenders, (e) discharge any Borrower from its obligations under the Loan Documents, unless in writing and signed by all the Lenders, (f) amend Section 2.8 or this Section 9.1, unless in writing and signed by all Lenders or (g) except as specifically permitted hereby or thereby, release or impair the security interest in any of the Collateral granted to the Administrative Agent, for the benefit of the Secured Parties, under the Security Documents or discharge any Guarantor, unless in writing and signed by all the Lenders; provided, further, that no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above to take such action, affect the rights or duties of the Administrative Agent under this Agreement or any Note.

No failure or delay on the part of the Administrative Agent, any Lender or the holder of any Note in exercising any power or right under this Agreement or any Note shall operate as a waiver thereof, nor shall any single or partial exercise of any such power or right preclude any other or further exercise thereof or the exercise of any other power or right. No notice to or demand on any Borrower in any case shall entitle it to any notice or demand in similar or other circumstances.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

**9.2** **Payment Dates**. Except as expressly provided in this Agreement, whenever any payment to be made hereunder by or to the Lenders or to the holder of any Note shall otherwise be due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall be included in computing the fees or interest payable on such next succeeding Business Day.

**9.3** **Notices**. All communications and notices provided under this Agreement shall be in writing by in writing (including email or facsimile transmission), telecopy or personal delivery and if to a Loan Party addressed or delivered to such Loan Party at its address shown on the signature page hereof or if to the Administrative Agent delivered to it at the address shown on **Schedule 9.3** attached hereto, or to any party at such other address as may be designated by such party in a notice to the other parties. Any notice shall be deemed given when transmitted by email, telecopier or, when personally delivered, if mailed properly addressed, shall be deemed given upon the third Business Day after the placing thereof in the United States mail, postage prepaid.

**9.4** **Costs and Expenses**. The Loan Parties, joint and severally, agree to pay, or reimburse, the Administrative Agent for all expenses reasonably incurred for the preparation of this Agreement, including exhibits, and the Loan Documents and any amendments hereto or thereto or consents or waivers hereunder or thereunder as may from time to time hereafter be required thereby or by the transactions contemplated hereby, including, but not limited to, the fees and out-of-pocket expenses of the Administrative Agent, charges and disbursements of special counsel to the Administrative Agent from time to time incurred in connection with the preparation and execution of this Agreement and any document relevant to this Agreement, including the Loan Documents, any amendments hereto or thereto, or consents or waivers hereunder or thereunder, and the consideration of legal questions relevant hereto and thereto. The Loan Parties, joint and severally, agree to pay, or reimburse, the Administrative Agent and each Lender upon demand for all costs and expenses (including attorneys', auditors' and accountants' fees and expenses) reasonably incurred and arising out of the transactions contemplated by this Agreement and the Loan Documents, in connection with any work-out or restructuring of the transactions contemplated hereby and by the Loan Documents and any collection or enforcement of the obligations of any Loan Party hereunder or thereunder, whether or not suit is commenced, including attorneys' fees and legal expenses (limited to one (1) primary counsel for the Administrative Agent and, if deemed appropriate by the Administrative Agent, one (1) counsel in each relevant jurisdiction and any special counsel (except in the case of actual or perceived conflict, in which case one (1) additional counsel for each Lender similarly situated in respect of such conflict)) in connection with any appeal of a lower court's order or judgment. The obligations of the Loan Parties under this Section 9.4 shall survive any termination of this Agreement.

**9.5** **Indemnification**. In consideration of the execution and delivery of this Agreement by the Administrative Agent and the Lenders, the Loan Parties, joint and severally, agree to indemnify and hold harmless the Administrative Agent and each Lender and their respective Affiliates, officers, directors, employees, shareholders, agents, successors and assigns (the "Indemnified Parties") from and against any and all losses, claims, damages, liabilities and expenses (other than the expenses to be paid or reimbursed pursuant to Section 9.4 above), joint or several, to which any such Indemnified Party may become subject arising out of or in connection with this Agreement and the other transactions contemplated hereby, the Term Loans and the use of proceeds thereof in connection with any claim, litigation, investigation or proceeding (any of the foregoing, a "Proceeding") relating to any of the foregoing, regardless of whether any such Indemnified Party is a party hereto or whether a Proceeding is brought by a third party or by you any Loan Party or Affiliate of a Loan Party, and to reimburse each such Indemnified Party within ten (10) days of receipt of an invoice for any reasonable legal or other out-of-pocket expenses incurred in connection with investigating or defending any of the foregoing; it being understood and agreed that no Loan Party shall be required to reimburse legal fees or expenses of more than one counsel to all Indemnified Parties, taken as a whole and in the case of a conflict of interest where such Indemnified Parties affected by such conflict inform the Borrower Agent of such actual or potential conflict as determined in their sole discretion, one additional counsel to each group of affected Indemnified Parties similarly situated taken as a whole (and, if reasonably necessary as determined by the Administrative Agent, a single local counsel for all Indemnified Parties taken as a whole in each relevant jurisdiction and, in the case of a conflict of interest where such Indemnified Parties affected by such conflict inform the Borrower Agent of such actual or potential conflict as determined in their sole discretion, one additional counsel in each relevant jurisdiction to each group of affected Indemnified Parties similarly situated taken as a whole); provided that the foregoing indemnity will not, as to any Indemnified Party, apply to losses, claims, damages, liabilities or related expenses to the extent (x) they have been determined in a final judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnified Party or any Related Indemnified Party (as defined below) of such Indemnified Party, (y) they have been determined in a final judgment of a court of competent jurisdiction to have resulted from a material breach of the material obligations of such Indemnified Party or any of its Related Indemnified Parties under this Agreement or any of the Loan Documents at a time when no Loan Party has breached its obligations hereunder in any material respect, or (z) they relate to any dispute solely among Indemnified Parties at a time when no Loan Party has breached its obligations hereunder or any other Loan Document in any material respect (other than any claims against the Administrative Agent in its capacity or in fulfilling its role as Administrative Agent, but not any other Person or entity party to any such Proceeding).

Notwithstanding any other provision of this Agreement or any Loan Document, (i) no Indemnified Party or Related Indemnified Party shall be liable for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent such damages have been determined in a final judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Party and (ii) none of the Loan Parties, any of their Affiliates or any Indemnified Party or Related Indemnified Party shall be liable for any indirect, special, punitive or consequential damages incurred in connection with this Agreement or the transactions contemplated herein (provided that this provision shall not limit the Loan Parties' indemnification obligations set forth above). For purposes hereof, a "Related Indemnified Party" of an Indemnified Party means (1) any controlling person or controlled affiliate of such Indemnified Party, (2) the respective directors, trustees, officers, or employees of such Indemnified Party or any of its controlling persons or controlled Affiliates and (3) the respective agents or advisors of such Indemnified Party or any of its controlling persons or controlled Affiliates, in the case of this clause (3), acting at the instructions of such Indemnified Party, controlling person or such controlled Affiliate; provided that each reference to a controlled Affiliate or controlling person in this paragraph pertains to a controlled Affiliate or controlling person involved in the negotiation of this Agreement and the other Loan Documents.

No Loan Party shall be liable for any settlement of any Proceedings effected without the Borrower Agent's consent (which consent shall not be unreasonably conditioned, withheld or delayed), but if settled with the Borrower Agent's written consent or if there is a final judgment for the plaintiff in any such Proceedings, the Loan Parties, jointly and severally, agree to indemnify and hold harmless each Indemnified Party from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with this Section 9.5. No Loan Party shall, without the prior written consent of an Indemnified Party, effect any settlement or consent to the entry of any judgment of any pending or threatened Proceedings in respect of which indemnity could have been sought hereunder by such Indemnified Party, unless (i) such settlement includes an unconditional release of such Indemnified Party in form and substance reasonably satisfactory to such Indemnified Party from all liability on claims that are the subject matter of such Proceedings, and (ii) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of such Indemnified Party.

The provisions of this Section 9.5 shall survive termination of this Agreement and payment in full of the Notes. This Section 9.5 shall not apply with respect to Taxes, other than Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

**9.6** **Severability**. Any provision of this Agreement, the Notes or any other Loan Document executed pursuant hereto which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Agreement, the Notes or any other Loan Document or affecting the validity or enforceability of such provision in any other jurisdiction.

**9.7** **Headings**. The various headings of this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of this Agreement or any provisions hereof.

**9.8** **Governing Law**. This Agreement and the Notes shall each be deemed to be a contract made under, governed by and interpreted pursuant to the internal laws (and not the law of conflicts) of the State of New York.

**9.9** **Successors and Assigns**.

(a) This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns except that: (i) other than as set forth in the Assumption Agreement, a Loan Party may not assign or transfer its rights hereunder without the prior written consent of all of the Lenders and the Administrative Agent, and (ii) any assignment by a Lender must be made in compliance with subsection (b) below and any participation by a Lender must be made in compliance with subsection (c) below. Notwithstanding clause (ii) of this subsection (a), any Lender may at any time, without the consent any Borrower or the Administrative Agent, assign all or any portion of its rights under this Agreement and its Notes to a Federal Reserve Bank. Except to the extent otherwise required by its context, the word "Lender" where used in this Agreement means and includes any such assignee and such assignee shall be bound by and have the benefits of this Agreement the same as if such holder had been a signatory hereto.

(b) Any Lender may, in the ordinary course of its business and in accordance with applicable law, at any time assign to one or more banks or other entities that are Eligible Assignees all or a portion of its Commitments, Term Loans, and its rights and obligations under this Agreement in respect thereof in accordance with the provisions of this subsection (b). Each assignment shall be of a constant, and not a varying, ratable percentage of the assigning Lender's rights and obligations under this Agreement and each Eligible Assignee shall assume a pro rata share of the assigning Lender's obligations determined by the percentage of the Commitments and Term Loans assigned for the period from the effective date of the assignment through the Maturity Date. Such assignment shall be substantially in the form of the Assignment and Assumption Agreement attached as **Exhibit D** hereto (the "Assignment and Assumption Agreement") and shall not be permitted hereunder unless (i) such assignment is for all of such Lender's Commitment and Term Loans and the rights and obligations under this Agreement related thereto, (ii) the amount of the Commitment and Term Loans assigned by the assigning Lender pursuant to each assignment shall be at least $1,000,000, or (iii) such assignment is to another Lender or an Affiliate of a Lender, in which case no minimum amount shall apply. The consent of the Administrative Agent and, provided no Default or Event of Default then exists, the Borrower Agent (which consents shall not be unreasonably withheld or delayed) shall be required prior to an assignment becoming effective with respect to a transferee which is not a Lender, an Affiliate of a Lender, or an Approved Fund. The Borrower Agent's consent shall be deemed to have been given unless the Borrower Agent objects within ten (10) Business Days after receipt of notice of such assignment. Upon (i) delivery to the Administrative Agent of an executed Assignment and Assumption Agreement, together with any required consents and (ii) payment of a $3,500 fee to the Administrative Agent by either the assigning Lender or the assignee Lender for processing such assignment, such assignment shall become effective on the effective date specified in such Assignment and Assumption Agreement; provided, that (a) if an assignment by a Lender is made to an Affiliate or an Approved Fund of such assigning Lender, then no assignment fee shall be due in connection with such assignment and (b) if an assignment by a Lender is made to an assignee that is not an Affiliate or Approved Fund of such assignor Lender, and concurrently to one or more Affiliates or Approved Funds of such assignee, then only one assignment fee of $3,500 shall be due in connection with such assignment (unless waived or reduced by the Administrative Agent). On and after the effective date of such assignment, such transferee, if not already a Lender, shall for all purposes be a Lender party to this Agreement and any other Loan Documents executed by the Lenders and shall have all the rights and obligations of a Lender under the Loan Documents, to the same extent as if it were an original party hereto, and no further consent or action by the Borrowers, the Lenders or the Administrative Agent shall be required to release the transferor Lender with respect to the percentage of the Commitment and Term Loans assigned to such transferee Lender. To the extent requested by the applicable Lenders, upon the consummation of any assignment pursuant to this Section 9.9, the Administrative Agent and the Borrowers shall make appropriate arrangements so that replacement Notes are issued to such transferor Lender and new Notes or, as appropriate, replacement Notes, are issued to such transferee Lender, in each case in principal amounts reflecting their Commitment and Term Loans, as adjusted pursuant to such assignment.

(c) Each Lender may, without the consent of any Borrower, sell participations to one or more banks or other entities that are Eligible Assignees in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment or the Term Loans owing to it hereunder); provided, however, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other entities shall be entitled to the benefit of, and obligations under, Section 10.1 and of the cost protection provisions contained in Section 10.4, as well as Sections 9.19 and 10.6 to the extent of the Lender selling such participation and the Borrowers' aggregate obligations with respect to Section 10.1 and Section 10.4 shall not be increased by reason of such participation, provided that such participant shall not be entitled to the benefits of Sections 10.1 and 10.4 unless such participant complies with Section 10.1(e) as (and to the extent) applicable, as if such participant were a Lender (it being understood that the documentation required under Section 10.1(e) shall be delivered to the participating Lender) (iv) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right (and shall not limit its rights) to enforce the obligations of the Borrowers relating to the Term Loans and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers with respect to any fees payable hereunder (to the extent such participants are entitled to such fees) or the amount of principal of or the rate at which interest is payable on the Term Loans, or the dates fixed for payments of principal of or interest on the Term Loans). Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement.

(d) The Administrative Agent shall maintain a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and the principal amount of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement and the other Loan Documents, notwithstanding notice to the contrary. It is the intent of the parties that the Obligations shall be treated as issued in registered form under Section 5f. 103-1(c) of the United States Treasury Regulations. Upon the Administrative Agent's receipt of a duly completed Assignment and Assumption Agreement executed by an assigning Lender, an assignee Lender that is an Eligible Assignee and, to the extent required hereunder, the Borrowers, such Eligible Assignee's completed Administrative Questionnaire (unless the assignee is already a Lender), the fee referred to in Section 9.9(b) above, and any written consent to such assignment required by such subsection, the Administrative Agent shall accept such Assignment and Assumption Agreement and record the information contained therein in the Register. No assignment shall be effected for purposes of this Agreement unless it has been recorded in the Register as provided in this subsection.

(e) Notwithstanding anything to the contrary contained in this Section 9.9, a Lender that is a fund that invests in bank loans may pledge all or a portion of its rights in connection with this Agreement to the trustee or other agent for holders of obligations owed, or securities issued, by such fund as security for such obligations or securities, provided that any foreclosure or other exercise of remedies by such trustee shall be subject, in all respects, to the provisions of this Section 9.9 regarding assignments. No pledge described in the immediately preceding sentence shall release any such Lender from its obligations hereunder.

(f) Except as specifically set forth in this Section 9.9, nothing in this Agreement, expressed or implied, is intended to or shall confer on any Person other than the respective parties hereto and thereto and their successors and assignees permitted hereunder and thereunder any benefit or any legal or equitable right, remedy or other claim under this Agreement or any Notes.

(g) The provisions of this Section 9.9 shall not apply to any purchase of participations among the Lenders pursuant to Section 2.5.

(h) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower Agent and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Term Loans in accordance with its respective Commitment. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

**9.10** **Execution in Counterparts**. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

**9.11** **Several Liability**. The Obligations of the Administrative Agent and each of the Lenders hereunder are several, not joint.

**9.12** **Financial Information**. Each Loan Party assumes responsibility for keeping itself informed of its own financial condition and the financial condition of any and all endorsers and/or other guarantors of all or any part of the Obligations, and of all other circumstances bearing upon the risk of nonpayment of the Obligations, or any part thereof, that diligent inquiry would reveal, and the Loan Parties agree that the Administrative Agent and the Lenders shall have no duty to advise the Loan Parties of information known to them regarding such condition or any such circumstances.

**9.13** **Entire Agreement**. Except as otherwise expressly provided herein, this Agreement and the other documents described or contemplated herein embody the entire agreement and understanding among the parties hereto and thereto and supersede all prior agreements and understandings relating to the subject matter hereof and thereof.

**9.14** **Other Relationships**. No relationship created hereunder or under any other Loan Document shall in any way affect the ability of the Administrative Agent or its Affiliates and each Lender or their respective Affiliates to enter into or maintain business relationships with the Loan Parties beyond the relationships specifically contemplated by this Agreement and the other Loan Documents.

**9.15** **Consent to Jurisdiction**. EACH LOAN PARTY HEREBY IRREVOCABLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, OVER ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE NOTES OR ANY OTHER LOAN DOCUMENT AND HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. EACH PARTY IRREVOCABLY CONSENTS TO THE SERVICE OF COPIES OF THE SUMMONS AND COMPLAINT AND ANY OTHER PROCESS WHICH MAY BE SERVED IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING BY UNITED STATES CERTIFIED MAIL, RETURN RECEIPT REQUESTED, OF COPIES OF SUCH PROCESS TO SUCH LOAN PARTY'S ADDRESS REFERENCED IN SECTION 9.3. EACH PARTY AGREES THAT A JUDGMENT, FINAL BY APPEAL OR EXPIRATION OF TIME TO APPEAL WITHOUT AN APPEAL BEING TAKEN, IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS SECTION SHALL AFFECT THE RIGHT OF ANY PARTY TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY LENDER TO BRING ANY ACTION OR PROCEEDING AGAINST SUCH LOAN PARTY OR ITS PROPERTY IN THE COURTS OF ANY OTHER JURISDICTION.

**9.16** **Waiver of Jury Trial**. EACH LOAN PARTY, THE ADMINISTRATIVE AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY NOTE, OR ANY OTHER INSTRUMENT OR DOCUMENT DELIVERED HEREUNDER OR THEREUNDER.

**9.17** **USA Patriot Act**. Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Loan Parties in accordance with the Act. The Loan Parties shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Act.

**9.18** **Confidentiality**. Each of the Administrative Agent and each Lender agree to maintain the confidentiality of information obtained by it pursuant to any Loan Document, except that such information may be disclosed (i) with the Borrower Agent's written consent, (ii) in any legal, judicial, administrative proceeding or compulsory process or otherwise as required by applicable law or regulations (in which case such Person agrees to promptly notify the Borrower Agent to the extent practicable and permitted by applicable law); (iii) upon the request or demand of any Governmental Authority having jurisdiction over the Administrative Agent or such Lender, or their respective Affiliates (in which case such Person agrees to, except with respect to any audit or examination conducted by bank accountants, any governmental bank or insurance regulatory authority exercising examination or regulatory authority, or any regulatory requests made by the National Association of Insurance Commissioners, promptly notify the Borrower Agent to the extent lawfully permitted to do so); (iv) to officers, directors, trustees, agents, members, partners, equity holders, approved and managed funds, employees, attorneys, accountants and advisors of the Administrative Agent or any Lender who are informed of the confidential nature of such information and are or have been advised of their obligation to keep such information confidential solely on a need-to-know basis in connection with the transactions contemplated by this Agreement; (v) to any Affiliates of the Administrative Agent or any Lender (provided that any such Affiliate is advised of its obligation to retain such information as confidential) on a need-to-know basis in connection with the transactions contemplated by this Agreement; (vi) to the extent any such information becomes publicly available other than by reason of disclosure in breach of this Agreement; and (vii) in connection with the exercise or enforcement of any right or remedy under any Loan Document.

**9.19** **Replacement of Lenders**. If the Borrower Agent is entitled to replace a Lender pursuant to the provisions of Section 10.6, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrower Agent may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.9), all of its interests, rights (other than its existing rights to payments pursuant to Sections 10.1 and 10.4 with respect to payments made prior to such assignment) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrower Agent shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.9(b);

(b) such Lender shall have received payment of an amount equal to 100% of the outstanding principal of its Term Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 10.5) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower Agent (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 10.4 or payments required to be made pursuant to Section 10.1, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Laws; and

(e) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower Agent to require such assignment and delegation cease to apply.

**9.20** **Keepwell**. Each of the Borrowers, any Affiliate of the Borrowers or any Guarantor that is a Qualified ECP Guarantor at the time the Guarantee or the grant of a Lien under the Loan Documents, in each case, by any Specified Loan Party becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under this Article IX voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 9.20 shall remain in full force and effect until the Obligations have been indefeasibly paid and performed in full. Each of the Borrowers, each Affiliate of the Borrowers and each Guarantor intends this Section 9.20 to constitute, and this Section 9.20 shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act.

**9.21** **Electronic Execution of Assignments and Certain Other Documents**. The words "delivery," "execute," "execution," "signed," "signature," and words of like import in any Loan Document or any other document executed in connection herewith shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary neither the Administrative Agent nor any Lender is under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent or such Lender pursuant to procedures approved by it and provided further without limiting the foregoing, upon the request of any party, any electronic signature shall be promptly followed by such manually executed counterpart.

**9.22** **INTERCREDITOR AGREEMENT**.

(a) EACH LENDER PARTY HERETO (I) UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE INTERCREDITOR AGREEMENT, (II) AUTHORIZES AND DIRECTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE INTERCREDITOR AGREEMENT ON ITS BEHALF, AND (III) AGREES THAT ANY ACTION TAKEN BY THE ADMINISTRATIVE AGENT PURSUANT TO THE INTERCREDITOR AGREEMENT SHALL BE BINDING UPON SUCH LENDER.

(b) THE PROVISIONS OF THIS SECTION 9.22 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE INTERCREDITOR AGREEMENT. A COPY OF THE INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE ADMINISTRATIVE AGENT.

(c) THE INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE SECURED PARTIES (AS DEFINED IN THE INTERCREDITOR AGREEMENT) AND THEIR RESPECTIVE AGENTS (INCLUDING THEIR SUCCESSORS AND ASSIGNS) AND IS ACKNOWLEDGED AND AGREED TO BY THE LOAN PARTIES. AS MORE FULLY PROVIDED THEREIN, THE INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

(d) IN THE EVENT OF ANY CONFLICT BETWEEN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND THE INTERCREDITOR AGREEMENT, THE INTERCREDITOR AGREEMENT SHALL GOVERN.

**9.23** **Assumption by Holdings and Successor Borrowers**. Immediately following the consummation of the Hydrofarm Acquisition, (i) the Initial Borrower shall cause each of Hydrofarm, WJCO, EHH and SunBlaster to duly execute and deliver to the Administrative Agent the Assumption Agreement and assume the rights and obligations of the Initial Borrower hereunder as a Borrower, (ii) Holdings shall duly execute and deliver to the Administrative Agent the Assumption Agreement and become a Guarantor hereunder and under each other Loan Document applicable to it, and (iii) the Initial Borrower shall cause each of Hydrofarm, WJCO, EHH and SunBlaster to duly execute and deliver to the Administrative Agent each of the agreements, instruments and certificates listed in Section 3.1(a) to which Hydrofarm, WJCO, EHH or SunBlaster is, or is contemplated to be, a party. Immediately upon the completion of the actions set forth in clauses (i), (ii) and (iii) above, (x) Holdings shall be automatically released from its obligations as a Borrower hereunder and shall instead assume the obligations as a Guarantor hereunder and under the other Loan Documents and (y) each of Hydrofarm, WJCO, EHH and SunBlaster shall become a Borrower hereunder and under the other Loan Documents. Upon the reasonable request by the Administrative Agent, the Loan Parties shall take such additional actions and execute such documents as the Administrative Agent may reasonably request to implement the transactions contemplated by the Assumption Agreement and reflect the assumption by Hydrofarm, WJCO, EHH and SunBlaster of the obligations of the Initial Borrower contemplated thereby.

## ARTICLE X
## TAXES, YIELD PROTECTION AND ILLEGALITY

**10.1** **Taxes**.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of any Borrower or Guarantor under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the applicable withholding agent) require the deduction or withholding of any Tax from any such payment by the Administrative Agent or a Borrower or Guarantor, then the Administrative Agent or such Borrower or Guarantor shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below.

(ii) If any Borrower or Guarantor or the Administrative Agent shall be required by the Code to withhold or deduct any Taxes, including both United States federal backup withholding and withholding taxes, from any payment on account of any obligation of such Borrower or Guarantor under any Loan Document, then (A) the Administrative Agent shall withhold or make such deductions as are determined by the Administrative Agent to be required based upon the information and documentation it has received pursuant to subsection (e) below,

(B) the Administrative Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Code and provide evidence of such payment to the Borrower Agent, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Borrower or Guarantor shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 10.1) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(iii) If any Borrower or Guarantor or the Administrative Agent shall be required by any applicable Laws other than the Code to withhold or deduct any Taxes from any payment on account of any obligation of such Borrower or Guarantor under any Loan Document, then (A) such Borrower or Guarantor or the Administrative Agent, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) such Borrower or Guarantor or the Administrative Agent, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and, if paid by the Administrative Agent, the Administrative Agent shall provide evidence of such payment to the Borrower Agent, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Borrower or Guarantor shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 10.1) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) Payment of Other Taxes by Borrower and/or Guarantor. Without limiting the provisions of subsection (a) above, each Borrower and/or Guarantor shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Tax Indemnifications.

(i) Each Borrower and Guarantor shall, and does hereby, jointly and severally indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 10.1) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower Agent by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(ii) Each Lender shall, and does hereby, severally indemnify and shall make payment in respect thereof within ten (10) days after demand therefor, (A) the Administrative Agent against any Indemnified Taxes attributable to such Lender (but only to the extent that any Borrower or Guarantor has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of each Borrower and/or Guarantor to do so), and (B) the Administrative Agent and the Borrower and/or Guarantor, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.9(c) relating to the maintenance of a Participant Register, and (C) the Administrative Agent and the Borrower and/or Guarantor, as applicable, against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent or a Borrower or Guarantor in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent, Borrowers or Guarantor to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent, Borrower or Guarantor from any other source against any amount due to the Administrative Agent, Borrowers or Guarantor under this clause (ii).

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by any Borrower or Guarantor to a Governmental Authority, as provided in this Section 10.1, the Borrowers shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Agent and the Administrative Agent, at the time or times reasonably requested by the Borrower Agent or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Agent or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Agent or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower Agent or the Administrative Agent as will enable the Borrower Agent or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 10. 1(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that a Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower Agent and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Agent and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of a Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable); or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN, as applicable), a U.S. Tax Compliance Certificate, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate satisfactory to the Administrative Agent on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Agent and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent or the Administrative Agent), executed copies (or originals, as required) of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower Agent or the Administrative Agent to determine the withholding or deduction required to be made;

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Agent and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Agent or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Agent or the Administrative Agent as may be necessary for the Borrower Agent and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(E) the Administrative Agent shall deliver to the Borrower Agent on or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Agent), executed copies of IRS Form W-9 certifying that the Administrative Agent is a U.S. Person exempt from U.S. federal backup withholding tax.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 10.1 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower Agent and the Administrative Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund (or credit in lieu of a cash refund) of any Taxes ("Refund") as to which it has been indemnified by any Borrower or Guarantor or with respect to which any Borrower or Guarantor has paid additional amounts pursuant to this Section 10.1, it shall pay to such Borrower or Guarantor an amount equal to such Refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower or Guarantor under this Section 10.1 with respect to the Taxes giving rise to such Refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such Refund), provided that each Borrower or Guarantor, upon the request of the Recipient, agrees to repay the amount paid over to such Borrower or Guarantor (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such Refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to such Borrower or Guarantor pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such Refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid.

This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Borrower or Guarantor or any other Person.

(g) Survival. Each party's obligations under this Section 10.1 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

**10.2 Illegality**. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make, maintain or fund Term Loans whose interest is determined by reference to the LIBOR Rate, or to determine or charge interest rates based upon the LIBOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower Agent through the Administrative Agent, (a) any obligation of such Lender to make or continue LIBOR Rate Loans shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the LIBOR Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBOR Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower Agent that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all LIBOR Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the LIBOR Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBOR Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBOR Rate Loans and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the LIBOR Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the LIBOR Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the LIBOR Rate. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

**10.3 Inability to Determine Rates**.

(a) If in connection with any request for a LIBOR Rate Loan or a continuation thereof, (i) the Administrative Agent determines that (A) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such LIBOR Rate Loan or (B) adequate and reasonable means do not exist for determining the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan or in connection with an existing or proposed Base Rate Loan (in each case with respect to clause (i), "Impacted Loans"), or (ii) the Administrative Agent or the Required Lenders determine that for any reason LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Term Loan, the Administrative Agent will promptly so notify the Borrower Agent and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBOR Rate Loans shall be suspended (to the extent of the affected LIBOR Rate Loans or Interest Periods), and (y) in the event of a determination described in the preceding sentence with respect to the LIBOR Rate component of the Base Rate, the utilization of the LIBOR Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower Agent may revoke any pending request for a continuation of LIBOR Rate Loans (to the extent of the affected LIBOR Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request to convert such LIBOR Rate Loans to Base Rate Loans in the amount specified therein.

(b) Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a)(i) of this Section 10.3, the Administrative Agent in consultation with the Borrower Agent and the Required Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a)(i) of this Section 10.3, (2) the Administrative Agent or the Required Lenders notify the Administrative Agent and the Borrower Agent that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Term Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower Agent written notice thereof.

**10.4 Increased Costs; Reserves on LIBOR Rate Loans**.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 10.4(e));

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes,

(B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes) and (C) Connection Income Taxes on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or LIBOR Rate Loans made by such Lender; and the result of any of the foregoing shall be to increase the cost to such Lender of making, continuing or maintaining any Term Loan the interest on which is determined by reference to the LIBOR Rate (or of maintaining its obligation to make any such Term Loan), or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender, or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Term Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or such Lender's holding company, as the case may be, as specified in subsection (a) or (b) of this Section 10.4 and delivered to the Borrower Agent shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 10.4 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 10.4 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender notifies the Borrower Agent of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on LIBOR Rate Loans. The Borrowers shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each LIBOR Rate Loan equal to the actual costs of such reserves allocated to such Term Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Term Loan, provided the Borrower Agent shall have received at least ten (10) days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice ten (10) days prior to the relevant Interest Payment Date, such additional interest shall be due and payable ten (10) days from receipt of such notice.

**10.5 Funding Losses**. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost, liability or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Term Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Term Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by a Borrower (for a reason other than the failure of such Lender to make a Term Loan) to prepay, borrow, continue or convert any Term Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower Agent; or

(c) any assignment of a LIBOR Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower Agent pursuant to Section 9.19; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Term Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

**10.6 Mitigation Obligations; Replacement of Lenders**.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 10.4, or requires the Borrowers to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 10.1, or if any Lender gives a notice pursuant to Section 10.2, then at the request of the Borrower Agent, such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Term Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 10.1 or 10.4, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 10.2, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 10.4, or if the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 10.1 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 10.6(a) that eliminates the need to pay additional amounts for Indemnified Taxes under Section 10.1 or compensation under Section 10.4, the Borrower Agent may replace such Lender in accordance with Section 9.19.

**10.7 Survival**. All of the Borrowers' obligations under Sections 10.4 and 10.5 shall survive termination of the Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent.

WHEREAS, the Holdings and the Borrowers have requested that the Lenders and the Administrative Agent (i) waive the Specified Defaults, and (ii) amend the Credit Agreement as set forth herein.

NOW, THEREFORE, in consideration of the foregoing, the terms, covenants and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

WHEREAS, Holdings and the Borrowers desire to amend certain provisions of the Credit Agreement as set forth herein;

WHEREAS, pursuant to Section 9.1 of the Credit Agreement, in order to effect the amendments to the Credit Agreement contemplated by this Waiver and Amendment, this Waiver and Amendment must be approved by all of the Lenders; and

WHEREAS, the undersigned Lenders constitute all of the Lenders.

NOW THEREFORE, in consideration of the foregoing and the mutual agreements and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Acknowledgment of Defaults and Rights and Remedies.

(a) Each of the Loan Parties, jointly and severally, acknowledges and agrees that, immediately after giving effect to the Amendment No. 3 Effective Date and the capitalization of the fee contemplated by Section 4 below, the aggregate outstanding principal balance of the Obligations under the Loan Documents is at least $73,593,750.00 and together with accrued interest thereon, is at least $77,580,784.04. (a) Subject to the terms and conditions set forth herein, and reliance upon the representations and warranties of the Loan Parties, effective as of the Amendment No. 3 Effective Date, the Administrative Agent and the Lenders hereby waive the Specified Defaults; provided, that, in the event that the Loan Parties shall violate or breach the provisions of Section 6.25 of the Credit Agreement (as amended by this Waiver and Amendment) in any manner, the provisions of this Section 2, and the waiver of the Specified Defaults set forth herein, shall be null and void and shall terminate and cease to be of effect and, in such instance, for all purposes of the Credit Agreement and each of the other Loan Documents, none of the Specified Defaults shall be deemed to have been waived in any manner pursuant to this Waiver and Amendment and each such Specified Default shall continue to exist. (j) this Amendment, the ABL Amendment, the Side Agreement and each other agreement to be executed and delivered in connection herewith or therewith (together with this Amendment, the "Amendment Documents"), has been duly authorized, executed and delivered by all necessary action on the part of each Loan Party (and, in the case of the Side Agreement, Hydrofarm Holdings Group, Inc. and Hydrofarm Investment Corp.) which is a party hereto or thereto and, if necessary, their respective members or stockholders, as the case may be, and is in full force and effect as of the Amendment No. 4 Effective Date and the agreements and obligations of the Loan Parties (and, in the case of the Side Agreement, Hydrofarm Holdings Group, Inc. and Hydrofarm Investment Corp.) contained herein and therein constitute (or when executed and delivered, will constitute) legal, valid and binding obligations of the Loan Parties (and, in the case of the Side Agreement, Hydrofarm Holdings Group, Inc. and Hydrofarm Investment Corp.) enforceable against them in accordance with their terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer or conveyance, moratorium, or other similar laws relating to the enforcement of creditors' rights generally and by general equitable principles;

(k) after giving effect to this Amendment, the ABL Amendment and the transactions contemplated hereby and thereby, as of the Amendment No. 4 Effective Date, all representations and warranties contained in this Amendment, the Amendment Documents, the Credit Agreement and each of the other Loan Documents are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representation or warranty that is already qualified or modified by materiality in the text thereof) on and as of the Amendment No. 4 Effective Date as if made on the Amendment No. 4 Effective Date, except to the extent any such representation or warranty is made as of a specified date, in which case such representation or warranty were true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representation or warranty that is already qualified or modified by materiality in the text thereof) as of such date; and

(l) neither the execution, delivery and performance of this Amendment or any other Amendment Document, nor the consummation of any of the transactions contemplated hereby, (i) are in contravention of any applicable law or any indenture, agreement or undertaking to which any Loan Party (or, in the case of the Side Agreement, Hydrofarm Holdings Group, Inc. and Hydrofarm Investment Corp.) is a party or by which any Loan Party (or, in the case of the Side Agreement, Hydrofarm Holdings Group, Inc. and Hydrofarm Investment Corp.) or its property is bound, or (ii) violates any provision of the certificate of incorporation, certificate of formation, by-laws, operating agreement or other governing documents of such Loan Party (or, in the case of the Side Agreement, Hydrofarm Holdings Group, Inc. and Hydrofarm Investment Corp.);

SECTION 5. Effect of this Amendment; Ratification.

## THE TERM LOANS

**2.1** **The Term Loans**.

(a) Term Loans. Subject (x) with respect to the conditions to the obligation to make such Term Loans on the Closing Date, only to the conditions precedent set forth in Section 3.1 and (y) otherwise, to the other terms and conditions set forth herein, the Lenders severally agree to make term loans (the "Term Loans") under the Commitments to the Borrowers on the Closing Date in an aggregate principal amount equal to $75,000,000 to fund (i) a portion of the purchase price for the Hydrofarm Acquisition, which will be consummated on the Closing Date substantially concurrently with the funding of the Term Loans, (ii) a portion of the repayment, prepayment or redemption, as applicable, in full of all Indebtedness owing to third parties for borrowed money of the Acquired Company (together with the defeasance, discharge and termination thereof and the related release and termination of all guarantees and security interests granted thereunder, the "Refinancing"), (iii) the payment of fees, premiums, accrued and unpaid interest, expenses and other similar transaction costs related to the foregoing and (iv) to the extent any proceeds of the Term Loans remain after such proceeds are applied to the purposes set forth in the foregoing clauses (i) through (iii), ongoing working capital requirements of the Borrowers and their Subsidiaries and for other general corporate purposes. The Commitments shall be terminated concurrently with the funding of the Term Loans on the Closing Date. The Borrowers' obligation to pay the principal of, and interest on, the Term Loan shall be evidenced by the records of the Lenders and by one or more promissory note(s) in form substantially as attached hereto as **Exhibit A** (the "Notes "). The entries made in the Register shall (absent manifest error) be *prima facie* evidence of the existence and amounts of the obligations of the Borrowers therein recorded; provided, that the failure or delay of the Lenders in maintaining or making entries into any such record or on such schedule or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Term Loan (both principal and unpaid accrued interest) in accordance with the terms of this Agreement.

(b) Notes. If requested by any Lender, the Term Loans made or held by such Lender shall be evidenced by, and be payable in accordance with, the terms of the Note issued to such Lender made by the Borrowers payable to the order of such Lender in a principal amount equal to the Term Loans held by such Lender; subject, however , to the provisions of such Note to the effect that the principal amount payable thereunder at any time shall not exceed the then unpaid principal amount of the Term Loans made or held by such Lender. The Borrowers hereby irrevocably authorize each Lender to make or cause to be made, at or about the time of the Term Loans made by such Lender, an appropriate notation on the records of such Lender, reflecting the principal amount of such Term Loans, and such Lender shall make or cause to be made, on or about the time of receipt of payment of any principal of any Term Loans, an appropriate notation on its records reflecting such payment and such Lender will, prior to any transfer of any of such Note, endorse on the reverse side thereof the outstanding principal amount of the Term Loans evidenced thereby. Failure to make any such notation shall not affect the Loan Parties' obligations in respect of such Term Loans. The aggregate amount of all Term Loans set forth on the Register shall be conclusive evidence of the principal amount owing and unpaid on such Lender's Note, absent manifest error.

(c) Promise to Pay. The Borrowers hereby promise to pay in full to the Administrative Agent for the benefit of the Lenders the amount of all Obligations, including the principal amount of all Term Loans, together with accrued interest, fees and other amounts due thereon, all in accordance with the terms of this Agreement. All outstanding Obligations, including the outstanding principal amount of all Term Loans, together with unpaid accrued interest, fees and other amounts due thereon, shall be due and payable in full on the Maturity Date.

(d) Required Payments.

(1) Amortization. Commencing September 30, 2017, and continuing on the last day of each fiscal quarter of the Borrowers thereafter, the Borrowers shall make quarterly repayments of the principal amount of the Term Loans in the aggregate principal amount equal to 0.625% of the original principal amount of the Term Loans on the Closing Date; provided, that, with respect to any payment required under this clause (1) at any time from and after June 30, 2018 (each such scheduled payment, a "Restricted Amortization Payment"), the Borrowers shall not be required to pay any such Restricted Amortization Payment unless, with respect to any Restricted Amortization Payment that is payable on or after January 1, 2020, (x) the Borrowers shall have delivered the financial statements as of, and for the fiscal year ending, December 31, 2019 in compliance with the provisions of Section 5.1(b), and (y) the Fixed Charge Coverage Ratio of the Borrowers as of the last day of any two consecutive fiscal quarters of the Borrowers ending on or prior to the date on which such Restricted Amortization Payment is payable shall have been not less than 1.10:1.00 (provided, that, for the purposes of this clause (y), the first of any such two consecutive fiscal quarters shall not occur prior to the fiscal quarter ending on December 31, 2019).

(2) Maturity. The entire remaining unpaid principal balance of the Term Loan, together with accrued but unpaid interest, shall be due and payable in full on the Maturity Date.

(e) Interest . The Borrowers agree to pay interest on the aggregate outstanding principal amount of the Term Loans until paid in full as follows:

(1) Accrual. From the Closing Date through the Maturity Date, the Term Loans shall bear interest at the rate of (i) with respect to LIBOR Rate Loans, the LIBOR Rate plus the Applicable Margin, and (ii) with respect to Base Rate Loans, the Base Rate plus the Applicable Margin.

(2) Default Interest. While any Default or Event of Default exists and is continuing, either (i) from and after the delivery of written notice to the Borrower from the Administrative Agent or the Required Lenders of their election to charge Default Interest until the applicable Event of Default is cured or waived or (ii) immediately upon the occurrence of any Default or Event of Default under Section 7.1(a) or 7.1(j) until the applicable Event of Default is cured or waived, the Borrower shall pay interest ("Default Interest") with respect to each Term Loan, plus any accrued and unpaid interest thereon, then outstanding at the Default Rate. All Default Interest shall be payable on demand.

(3) Payment Dates. Interest accrued on each Term Loan shall be payable, without duplication:

(A) on the Maturity Date;

(B) in respect of any Term Loan, on the date of any payment or prepayment, in whole or in part, of principal outstanding on such Term Loan, on the principal amount so paid or prepaid; and

(C) in respect of (i) any Base Rate Loan, on May 31, 2017 and on the last Business day of each month thereafter and (ii) with respect to any LIBOR Rate Loan, at the end of each Interest Period (together with the Maturity Date, each an "Interest Payment Date")~~; provided, that, with respect to any Interest Payment Date that would otherwise occur during the continuation of the Forbearance Period (as defined in the Forbearance Agreement), the interest that would otherwise be required to be paid hereunder on such Interest Payment Date shall instead be due and payable hereunder on the Forbearance Termination Date (as defined in the Forbearance Agreement)~~.

Notwithstanding anything to the contrary set forth herein, from and after the occurrence of the Amendment No. 3 Effective Date until December 31, 2019, any interest payable hereunder on any date (such amount, the "Interest Amount") shall be paid on such payment date as follows:

(i) thirty percent (30%) of such Interest Amount shall be payable by the Borrowers in cash in immediately available funds;

(ii) after giving effect to the cash payment required by clause (a) above, all remaining interest payable on such date (which, for the avoidance of doubt, shall not exceed 70% of the Interest Amount), shall be paid by capitalizing such interest (the "PIK Interest") on such payment date and adding it to (and thereby increasing) the outstanding principal amount of the Term Loans hereunder (as increased by any prior payments of PIK Interest), which increase shall be allocated among the Lenders in proportion to the principal amount of the Term Loans held by each such Lender as of such date, and thereafter all such PIK Interest shall be treated in all respects as outstanding principal under the Term Loans.

For the avoidance of doubt, notwithstanding anything to the contrary set forth herein, commencing on January 1, 2020 and at all times thereafter, 100% of all interest payable hereunder on or after such date shall be paid in cash in immediately available funds.

The Administrative Agent shall determine each interest rate applicable to the Term Loan in accordance with the terms hereof and, upon any rate change, shall promptly notify the Borrower Agent of such rate in writing (or by telephone, promptly confirmed in writing). Any such determination shall be conclusive and binding for all purposes, absent manifest error.

(f) Calculation of Interest. All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the LIBOR Rate) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Term Loan for the day on which the Term Loan is made, and shall not accrue on a Term Loan, or any portion thereof, for the day on which the Term Loan or such portion is paid. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Voluntary prepayments of Term Loans shall be applied to reduce the remaining scheduled repayments required by Section 2.1(d)(1) as the Borrower Agent shall direct.

(ii) On or prior to the Equity Prepay Expiration Date, the Borrower Agent shall have the right, by giving written notice to the Administrative Agent (which such written notice shall be in a form approved by the Administrative Agent (including any form on an electronic platform or electronic transmission system as shall be reasonably approved by the Administrative Agent), substantially completed and signed by a Responsible Officer) by not later than 1:00 p.m. on the third (3rd) Business Day preceding the date of such prepayment, to prepay all or any portion of the aggregate principal amount of the Term Loans, without premium or penalty, from the Net Cash Proceeds received by Holdings from a Qualifying Issuance; provided, that (A) the maximum principal amount of the Term Loans that may prepaid pursuant to this Section 2.1(g)(1)(ii) with respect to any Qualifying Issuance shall not exceed fifty percent (50%) of the Net Cash Proceeds received by Holdings from such Qualifying Issuance, (B) the aggregate principal amount of the Term Loans that may prepaid pursuant to this Section 2.1(g)(1)(ii), whether in connection with one or multiple Qualifying Issuances, shall in no event exceed $2,500,000, and (C) in no event shall the Loan Parties be permitted to prepay any Term Loans pursuant to this Section 2.1(g)(1)(ii) after the Equity Prepay Expiration Date. **2.2 Election by Borrower Agent**.

(a) Interest Rate for Term Loans. The Borrower Agent may, upon irrevocable written notice to the Administrative Agent delivered at least three Business Days prior to such conversion or continuation, elect (i) as of any Business Day, to convert any Term Loans (or any part thereof in an aggregate amount of not less than $100,000 or a higher integral multiple of $50,000) into Credit Loans of the other type or (ii) as of the last day of the applicable Interest Period, to continue any LIBOR Rate Loans having Interest Periods expiring on such day (or any part thereof in an aggregate amount not less than $100,000 or a higher integral multiple of $50,000) for a new Interest Period; provided, that any conversion of a LIBOR Rate Loan on a day other than the last day of an Interest Period therefor shall be subject to Section 10.5.

The Register shall be conclusive evidence of the status of such Lender's Term Loans, absent manifest error. Failure to make any such notation shall not affect the Borrowers' obligations in respect of such Term Loans.

**2.3 Payments**. Any other provision of this Agreement to the contrary notwithstanding, the Borrowers shall make each payment of interest on and principal of the Notes, and fees and other payments due under this Agreement (except as otherwise expressly provided herein), in immediately available funds to the Administrative Agent at its office referred to in Section 9.3 not later than 2:00 p.m. on the date when due. The Administrative Agent will promptly thereafter distribute like funds ratably to each Lender (unless such amount is not to be shared ratably in accordance with the terms hereof).

**2.4 Setoff; etc**. Upon the occurrence and during the continuance of an Event of Default, each Lender and the Administrative Agent are hereby authorized at any time and from time to time, without prior notice to the Borrowers (any such notice being expressly waived by the Borrowers), to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or Administrative Agent to or for the credit or the account of any Borrower or any of the other Loan Parties, including specifically any amounts held in any account maintained at such Lender or Administrative Agent, against amounts then due to the Administrative Agent or the Lenders, or any of them, by any Borrower or any of the other Loan Parties in connection with this Agreement or any Loan Document; provided that no Lender shall exercise any such right without the prior written consent of the Administrative Agent (at the direction of the Required Lenders). The rights of the Lenders and the Administrative Agent under this Section 2.4 are in addition to other rights and remedies (including other rights of set-off) which the Lenders and the Administrative Agent may have under applicable law. Each Lender and the Administrative Agent agrees, severally and not jointly, to use reasonable efforts to notify the Borrower Agent of any exercise of its rights pursuant to this Section 2.4, provided, however, that failure to provide such notice shall not affect any Lender's or the Administrative Agent's rights under this Section 2.4 or the effectiveness of any action taken pursuant hereto; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.9 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees to notify the Borrower Agent and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

**2.5 Sharing**. If any Lender shall obtain any payment (whether voluntary, involuntary, by application of offset or otherwise) on account of the Term Loans made by it in excess of such Lender's ratable share of payments on account of the Term Loans obtained by all the Lenders, such Lender shall purchase from the other Lenders such participations in the Term Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided that, (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and (ii) the provisions of this Section 2.5 shall not be construed to apply to any payment made by or on behalf of a Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender). The Borrowers agree that any Lender so purchasing a participation from another Lender pursuant to this Section 2.5 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right to setoff) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation.

**2.6** **Fees**. The Borrowers shall pay to the Administrative Agent for its own account or for the account of the Lenders, as specified therein, fees in the amounts and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever. Notwithstanding anything to the contrary set forth in Section 2.1(g), in the event that any Borrower shall make either (i) any prepayment in full of the Term Loans or (ii) any prepayment of the Term Loans that results in the outstanding principal balance of the Term Loans being less than $40,000,000, the Borrowers shall pay a fee to the Lenders, on the date of any such prepayment, in an aggregate amount equal to $2,000,000. Such fee shall be paid by Borrowers to the Administrative Agent, for the account of the Lenders, in cash on the date of such prepayment.

**2.7** **Lending Branch**. Subject to the provisions of Section 10.6(a), each Lender may, at its option, elect to make, fund or maintain its Term Loans hereunder at the branch or office specified on the signature pages hereto or such other of its branches or offices as such Lender may from time to time elect.

(2) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 2.4 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower Agent may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower Agent, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise as may be required under the Loan Documents in connection with any Lien conferred thereunder or directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Term Loans were made at a time when the conditions set forth in Section 3.1 were satisfied or waived, such payment shall be applied solely to pay the Term Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Term Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders pro rata in accordance with the Commitments hereunder. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

**2.10 Joint and Several Liability**.

(a) Joint and Several Liability. All Term Loans made to the Borrowers (or assumed by the Borrowers pursuant to the Assumption Agreement) and all of the other Obligations of the Borrowers, including all interest, fees and expenses with respect thereto and all indemnity and reimbursement obligations hereunder, shall constitute one joint and several direct and general obligation of all of the Borrowers. Notwithstanding anything to the contrary contained herein, each of the Borrowers shall be jointly and severally, with each other Borrower, directly and unconditionally, liable for all Obligations, it being understood that the advances to each Borrower inure to the benefit of all Borrowers, and that the Administrative Agent and the Lenders are relying on the joint and several liability of the Borrowers as co-makers in extending the Term Loans hereunder. Each Borrower hereby unconditionally and irrevocably agrees that upon default in the payment when due (whether at stated maturity, by acceleration or otherwise) of any principal of, or interest on, any Obligation, it will forthwith pay the same, without notice or demand, unless such payment is then prohibited by applicable Law.

(b) No Reduction in Obligations. No payment or payments made by any of the Borrowers or any other Person or received or collected by the Administrative Agent or any Lender from any of the Borrowers or any Person by virtue of any action or proceeding or any setoff or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of each Borrower under this Agreement for the remaining Obligations, which shall remain liable for all remaining and thereafter arising Obligations until the payment in full in cash of the Obligations and the Commitments are terminated.

(c) Obligations Absolute. Each Borrower agrees that the Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Administrative Agent or any Lender with respect thereto, unless such payment is then prohibited by applicable Law. All Obligations shall be conclusively presumed to have been created in reliance hereon. The liabilities of the Borrowers under this Agreement shall be absolute and unconditional irrespective of: (i) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto, (ii) any change in the time, manner or place of payments of, or in any other term of, all or any part of the Obligations, or any other amendment or waiver thereof or any consent to departure therefrom, including any increase in the Obligations resulting from the extension of additional credit to any Borrower or otherwise, (iii) any taking, exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from any guaranty for all or any of the Obligations, (iv) any change, restructuring or termination of the corporate structure or existence of any Loan Party, or (v) any other circumstance which would otherwise constitute a defense available to, or a discharge of, any Loan Party, other than payment in full in cash of the Obligations.

(d) Waiver of Suretyship Defenses. Each Borrower agrees that the joint and several liability of the Borrowers provided for in this Section 2.10 shall not be impaired or affected by any modification, supplement, extension or amendment of any contract or agreement to which the other Borrowers may hereafter agree (other than an agreement signed by the Administrative Agent and the Lenders specifically releasing such liability), nor by any delay, extension of time, renewal, compromise or other indulgence granted by the Agent or any Lender with respect to any of the Obligations, nor by any other agreements or arrangements whatever with the other Borrowers or with anyone else, each Borrower hereby waiving all notice of such delay, extension, release, substitution, renewal, compromise or other indulgence, and hereby consenting to be bound thereby as fully and effectually as if it had expressly agreed thereto in advance. The liability of each Borrower is direct and unconditional as to all of the Obligations, and may be enforced without requiring the Administrative Agent or any Lender first to resort to any other right, remedy or security. Each Borrower hereby expressly waives promptness, diligence, notice of acceptance and any other notice (except to the extent expressly provided for herein or in another Loan Document) with respect to any of the Obligations, this Agreement or any other Loan Documents and any requirement that the Administrative Agent or any Lender protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Borrower or any other Person or any Collateral.

(e) Contribution and Indemnification among the Borrowers. Each Borrower is obligated to repay the Obligations as joint and several obligors under this Agreement. To the extent that any Borrower shall, under this Agreement as a joint and several obligor, repay any of the Obligations constituting Term Loans made to another Borrower hereunder or other Obligations incurred directly and primarily by any other Borrower (an "Accommodation Payment"), then the Borrower making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Borrowers in an amount, for each of such other Borrowers, equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Borrower's "Allocable Amount" (as defined below) and the denominator of which the sum of the Allocable Amounts of all of the Borrowers. As of any date of determination, the "Allocable Amount" of each Borrower shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Borrower hereunder without (i) rendering such Borrower "insolvent" within the meaning of Section 101(31) of Title 11 of the United States Code entitled "Bankruptcy" (the "Bankruptcy Code"), Section 2 of the Uniform Fraudulent Transfer Act (the "UFTA"), or Section 2 of the Uniform Fraudulent Conveyance Act ("UFCA"), (ii) leaving such Borrower with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 4 of the UFCA, or (iii) leaving such Borrower unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA. Each Borrower hereby subordinates any claims, including any rights at law or in equity to payment, subrogation, reimbursement, exoneration, contribution, indemnification or set off, that it may have at any time against any other Loan Party, howsoever arising, to the payment in full in cash of its Obligations.

The Administrative Agent and Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any notice of borrowing) delivered by Borrower Agent on behalf of any Borrower. The Administrative Agent and Lenders may give any notice or communication with a Borrower hereunder to Borrower Agent on behalf of such Borrower. Each of the Administrative Agent and Lenders shall have the right, in its discretion, to deal exclusively with Borrower Agent for all purposes under the Loan Documents.
